BACKGROUND:

Summary

Government Code Section 27000.1 provides that, subject to Government Code Section 53607, the Board may, by ordinance, delegate investment authority to the County Treasurer. Thereafter, the County Treasurer assumes full responsibility for those transactions and must make a monthly report of the transactions to the Board. Government Code Section 27000.3 requires that the Board is the fiduciary agent of the County unless the Board has delegated that authority to the County Treasurer. Delegation of that authority is the norm and clearly anticipated in numerous code sections. The delegation is for a one-year period and automatically expires if it is not renewed.

Government Code Section 53608 also allows the Board to delegate to the County Treasurer the Board's authority to deposit funds for safekeeping. Under these statutes, the delegation of authority to the County Treasurer may be revoked by ordinance at any time.

Ordinance No. 767.28 renews the Board's delegation to the County Treasurer of its authority to invest or reinvest funds of the County and other depositors in the County Treasury, to sell or exchange securities, and to deposit funds for safekeeping.

The delegation of authority will also extend to such contracts for systems and services that are ancillary to, and, in the reasonable professional judgment of the County Treasurer, necessary or beneficial for, the proper administration of the investment or reinvestment of funds of the County and other depositors.

Ordinance No. 767.28 also will permit future renewals of authority pursuant to Section 53607 of the Government Code to be made by the Board via resolution.

The amendment of Ordinance No. 767 is exempt from CEQA. The amendment merely renews the annual delegation of authority for the Treasurer to invest and keep safe funds of the County and other depositors in the County Treasury. This amendment is covered by the general rule that CEQA applies only to projects that have the potential for causing a significant effect on the environment. Where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, the activity is not subject to CEQA as reflected in the State CEQA Guidelines Section 15061(b)(3). Because it can be seen with

STATE OF CALIFORNIA**

certainty that there is no possibility that the delegation of investment and safekeeping authority to the Treasurer may have a significant effect on the environment, the amendment of Ordinance 767 to provide for that delegation is exempt from CEQA.

County Counsel has approved the ordinance amendment as to form.
