BACKGROUND:

Summary

Riverside University Health System - Behavioral Health (RUHS-BH) operates a continuum of care system that consists of County-operated and contracted service providers delivering a variety of mental health treatment services within each geographic region of Riverside County.

California Department of Health Care Services (DHCS) has initiated a statewide project to support California's Behavioral Health Workforce Development (BHWD). One of BHWD's initiatives is the Behavioral Health Recruitment and Retention (BHRR) Grant Program. The Program is intended to address challenges within Behavioral Health agencies facing high turnover rates and difficulty in recruitment due to a competitive job market, burn out and increased work demands. BHRR is separated into two phases: 1) Phase A – award of \$50,000 for planning and research efforts; and 2) Phase B – award of \$300,000 for implementation efforts to expand recruitment and improve retention. Advocates for Human Potential (AHP) is the contractor administering the grant on behalf of DHCS.

RUHS-BH submitted applications to AHP for Phase A and B to further expand on recruitment and retention services for hard to fill positions such as Behavioral Health Specialist III, Clinical Therapist and Psychiatrists. RUHS-BH was awarded Phase A, and the funds are intended to plan, develop, and implement comprehensive strategies to recruit and retain staff. RUHS-BH is awaiting determination for Phase B, which shall be effective through January 31, 2025.

RUHS-BH initiated planning efforts to expand recruitment and improve retention of BH staff. In terms of recruitment, RUHS-BH has selected to focus on marketing and branding efforts to maximize the number of candidates applying for the department's hard to fill positions. RUHS-BH intends to carry out these efforts by means of advertisement via radio, television, social media, and outdoor media. The department will seek strategies to improve workplace culture and employee benefits to combat challenges in relation to retention.

Impact on Citizens and Businesses

These services are a component of Behavioral Health's system of care aimed at improving the health and safety of consumers and the community.

Additional Fiscal Information

This Agreement is funded through the AHP and no additional County funds are required.

2.3 The Behavioral Health Recruitment and Retention (BHRR) funds present a unique opportunity that will provide much-needed support to nonprofit organizations, tribal organizations, and county-operated BH providers to plan, develop, and implement comprehensive strategies to recruit, onboard, engage, and retain staff and create and establish inclusive workplace cultures.

Selected applicants will receive technical assistance and training, 1:1 coaching to assist them in meeting project deliverables, fifty thousand dollars for planning and development, and a chance to receive up to three hundred thousand dollars for the implementation of their project.

The BHRR project is part of the Behavioral Health Workforce Development (BHWD) initiative supported by DHCS to demonstrate its commitment to the expansion of the BH workforce.

This Agreement hereby incorporates by reference the California Department of Health Care Services (DHCS) Request for Applications (RFA), entitled: Behavioral Health (BH) Recruitment and Retention, together with the Notice of Award from DHCS Behavioral Health Workforce Development. - g. The Subcontractor will include the provisions of Paragraphs a through g in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to Federal Executive Order No. 11246 as amended, including by Executive Order 11375, 'Amending Executive Order 11246 Relating to Equal Employment Opportunity,' and as supplemented by regulation at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor," or Section 503 of the Rehabilitation Act of 1973 or (38 U.S.C. 4212) of the Vietnam Era Veteran's Readjustment Assistance Act, so that such provisions will be binding upon each subcontractor or vendor. The Subcontractor will take such action with respect to any subcontract or purchase order as the Director of the Office of Federal Contract Compliance Programs or AHP may direct as a means of enforcing such provisions including sanctions for noncompliance provided, however, that in the event the Subcontractor becomes involved in, or is threatened with litigation by a subcontractor or vendor as a result of such direction by AHP, the Subcontractor may request in writing to AHP, who, in turn, may request the United States to enter into such litigation to protect the interests of the State and of the United States.

2. Travel and Per Diem Reimbursement

(Applicable if travel and/or per diem expenses are authorized to be reimbursed with Agreement funds.)

Reimbursement for travel and/or per diem expenses from AHP under this Agreement shall, unless otherwise specified in this Agreement, be at the rates currently in effect, as established by the California Department of Human Resources (CalHR), for nonrepresented state employees as stipulated in DHCS' Travel Reimbursement Information in this Attachment B-Special Subcontract Requirements. If the CalHR rates change during the term of the Agreement, the new rates shall apply upon their effective date and no amendment to this Agreement shall be necessary. Exceptions to California Department of Human Resources (CalHR) rates may be approved by AHP upon the submission of a statement by the Subcontractor indicating that such rates are not available to the Subcontractor. No travel outside the State of California shall be reimbursed without prior authorization from DHCS. Verbal authorization should be confirmed in writing. Written authorization may be in a form including fax or email confirmation.

3. Procurement Rules

Applicable to agreements in which equipment/property, commodities and/or supplies are furnished by AHP or DHCS or expenses for said items are reimbursed by funds with state or federal funds provided under this Agreement.

a. Equipment/Property definitions

Wherever the term equipment and/or property is used, the following definitions shall apply:

- (1) **Major equipment/property:** A tangible or intangible item having a base unit cost of **\$5,000 or more** with a life expectancy of one (1) year or more and is either furnished by DHCS or the cost is reimbursed through this Agreement. Software and videos are examples of intangible items that meet this definition.

- (2) **Minor equipment/property:** A tangible item having a base unit cost of less than \$5,000 with a life expectancy of one (1) year or more and is either furnished by DHCS or the cost is reimbursed through this Agreement.
- b. **Government and public entities** (including state colleges/universities and auxiliary organizations), whether acting as a contractor and/or subcontractor, may secure all commodities, supplies, equipment, and services related to such purchases that are required in performance of this Agreement. Said procurements are subject to Paragraphs d through h of Provision 3. Paragraph c of Provision 3 shall also apply, if equipment/property purchases are delegated to subcontractors that are nonprofit organizations or commercial businesses.
- c. **Nonprofit organizations and commercial businesses**, whether acting as a contractor and/or subcontractor, may secure commodities, supplies, equipment/property and services related to such purchases for performance under this Agreement.
- (1) Equipment/property purchases shall not exceed \$50,000 annually.
- To secure equipment/property above the annual maximum limit of \$50,000, the Subcontractor shall make arrangements through AHP, to have all remaining equipment/property purchased through DHCS' Purchasing Unit. The cost of equipment/property purchased by or through AHP/DHCS shall be deducted from the funds available in this Agreement. Subcontractor shall submit to the AHP Contract Manager a list of equipment/property specifications for those items that AHP/the State must procure. DHCS through AHP may pay the vendor directly for such arranged equipment/property purchases and title to the equipment/property will remain with DHCS. The equipment/property will be delivered to the Subcontractor's address, as stated on the face of the Agreement, unless the Subcontractor notifies AHP, in writing, of an alternate delivery address.
- (2) All equipment/property purchases are subject to Paragraphs d through h of Provision 3. Paragraph b of Provision 3 shall also apply, if equipment/property purchases are delegated to subcontractors that are either a government or public entity.
- (3) Nonprofit organizations and commercial businesses shall use a procurement system that meets the following standards:
- (a) Maintain a code or standard of conduct that shall govern the performance of its officers, employees, or agents engaged in awarding procurement contracts. No employee, officer, or agent shall participate in the selection, award, or administration of a procurement, or bid contract in which, to his or her knowledge, he or she has a financial interest.
- (b) Procurements shall be conducted in a manner that provides, to the maximum extent practical, open, and free competition.

- [2] Equipment/property solicitations shall be based upon a clear and accurate description of the technical requirements of the goods to be procured.
- [3] Take positive steps to utilize small and veteran owned businesses.
- d. Unless waived or otherwise stipulated in writing by AHP, prior written authorization from the AHP Contract Office or Project Manager will be required before the Subcontractor will be reimbursed for any purchase of \$5,000 or more for commodities, supplies, equipment/property, and services related to such purchases. The Subcontractor must provide in its request for authorization all particulars necessary, as specified by AHP, for evaluating the necessity or desirability of incurring such costs. The term "purchase" excludes the purchase

of services from a subcontractor and public utility services at rates established for uniform applicability to the general public.

- e. In special circumstances, determined by AHP (e.g., when AHP has a need to monitor certain purchases, etc.), AHP may require prior written authorization and/or the submission of paid vendor receipts for any purchase, regardless of dollar amount. AHP reserves the right to either deny claims for reimbursement or to request repayment for any Subcontractor purchase that AHP determines to be unnecessary in carrying out performance under this Agreement.
- f. The Subcontractor must maintain a copy or narrative description of the procurement system, guidelines, rules, or regulations that will be used to make purchases under this Agreement. AHP and the State reserve the right to request a copy of these documents and to inspect the purchasing practices of the Subcontractor at any time.
- g. For all purchases, the Subcontractor must maintain copies of all paid vendor invoices, documents, bids, and other information used in vendor selection, for inspection or audit. Justifications supporting the absence of bidding (i.e., sole source purchases) shall also be maintained on file by the Subcontractor for inspection or audit.
- h. AHP may, with cause (e.g., with reasonable suspicion of unnecessary purchases or use of inappropriate purchase practices, etc.), withhold, cancel, modify, or retract the delegated purchase authority granted under Paragraphs b and/or c of Provision 3 by giving the Subcontractor no less than thirty (30) calendar days written notice.

- a. Wherever the term equipment and/or property is used in Provision 4, the definitions in Paragraph a of Provision 3 shall apply.

Unless otherwise stipulated in this Agreement, all equipment and/or property that is purchased/reimbursed with Agreement funds or furnished by AHP/DHCS under the terms of this Agreement shall be considered state equipment and the property of DHCS.

- (1) **Reporting of Equipment/Property Receipt** - AHP requires the reporting, tagging and annual inventorying of all equipment and/or property that is furnished by AHP or purchased/reimbursed with funds provided through this Agreement.

Upon receipt of equipment and/or property, the Subcontractor shall report the receipt to the AHP. To report the receipt of said items and to receive property tags, Subcontractor shall use a form or format designated by AHP. If the appropriate form does not accompany this Agreement, Subcontractor shall request a copy from AHP.

- (2) **Annual Equipment/Property Inventory** - If the Subcontractor enters into an agreement with a term of more than twelve months, the Subcontractor shall submit an annual inventory of state equipment and/or property to the AHP using a form or format designated by AHP. - b. Title to state equipment and/or property shall not be affected by its incorporation or attachment to any property not owned by the State.
- c. Unless otherwise stipulated, AHP or DCHS shall be under no obligation to pay the cost of restoration, or rehabilitation of the Subcontractor's facility which may be affected by the removal of any state equipment and/or property.
- d. The Subcontractor shall maintain and administer a sound business program for ensuring the proper use, maintenance, repair, protection, insurance, and preservation of state equipment and/or property.
 - (1) In administering this provision, AHP may require the Subcontractor to repair or replace, to AHP's satisfaction, any damaged, lost, or stolen state equipment and/or property. In the event of state equipment and/or miscellaneous property theft, Subcontractor shall immediately file a theft report with the appropriate police agency or the California Highway Patrol and Subcontractor shall promptly submit one copy of the theft report to AHP.
- e. Unless otherwise stipulated by the Program funding this Agreement, equipment and/or property purchased/reimbursed with agreement funds or furnished by AHP under the terms of this Agreement, shall only be used for performance of this Agreement or another DHCS agreement.
- f. Within sixty (60) calendar days prior to the termination or end of this Agreement, the Subcontractor shall provide a final inventory report of equipment and/or property to AHP and shall, at that time, query AHP as to the requirements, including the manner and method, of returning state equipment and/or property to AHP. Final disposition of equipment and/or property shall be at AHP expense and according to AHP instructions. Equipment and/or property disposition instructions shall be issued by AHP immediately after receipt of the final inventory report. At the termination or conclusion of this Agreement, AHP or DHCS may at its discretion, authorize the continued use of state equipment and/or property for performance of work under a different DHCS agreement.

The foregoing constitutes "records" for the purpose of this provision.
- b. The Subcontractor's facility or office or such part thereof as may be engaged in the performance of this Agreement and his/her records shall be subject at all reasonable times to inspection, audit, and reproduction.

Subcontractor agrees to allow the auditor(s) access to such records during normal business hours and to allow interviews of any employees who might reasonably have information related to such records. Further, the Subcontractor agrees to include a similar right of the State to audit records and interview staff in any subcontract related to performance of this Agreement. (Government Code Section 8546.7, Public Contract Code (PCC) Sections 10115 et seq., Code of California Regulations Title 2, Section 1896.77.) - d. The Subcontractor (and/or lower-tier subcontractors/independent consultants) shall preserve and make available their records (1) for a period of six years for all records related to Disabled Veteran Business Enterprise (DVBE) participation (Military and Veterans Code 999.55), if this Agreement involves DVBE participation, and three years for all other contract records from the date of final payment under this Agreement, and (2) for such longer period, if any, as is required by applicable statute, by any other provision of this Agreement, or by subparagraphs (1) or (2) below.

 - (2) If any litigation, claim, negotiation, audit, or other action involving the records has been started before the expiration of the three-year period, the records shall be retained until completion of the action and resolution of all issues which arise from it, or until the end of the regular three-year period, whichever is later.
- e. The Subcontractor may, at its discretion, following receipt of final payment under this Agreement, reduce its accounts, books and records related to this Agreement to microfilm, computer disk, CD ROM, DVD, or other data storage medium. Upon request by an authorized representative to inspect, audit or obtain copies of said records, the Subcontractor must supply or make available applicable devices, hardware, and/or software necessary to view, copy and/or print said records. Applicable devices may include, but are not limited to, microfilm readers and microfilm printers, etc.
- f. The Subcontractor shall, if applicable, comply with the Single Audit Act and the audit requirements set forth in 2 C.F.R. § 200.501 (2014).

8. Site Inspection

AHP and/or DHCS have the right at all reasonable times to inspect or otherwise evaluate the work performed or being performed hereunder including subcontract supported activities and the premises in which it is being performed. If any inspection or evaluation is made of the premises of the Subcontractor, the Subcontractor shall provide and shall require subcontractors to provide all reasonable facilities and assistance for the safety and convenience of the authorized representatives in the performance of their duties. All inspections and evaluations shall be performed in such a manner as will not unduly delay the work.

9. Federal Contract Funds

(Applicable only to that portion of an agreement funded in part or whole with federal funds.)

- a. It is mutually understood between the parties that this Agreement may have been written before ascertaining the availability of congressional appropriation of funds, for the mutual benefit of both parties, in order to avoid program and fiscal delays which would occur if the Agreement were executed after that determination was made.

- b. This agreement is valid and enforceable only if sufficient funds are made available to the State by the United States Government for the fiscal years covered by the term of this Agreement. In addition, this Agreement is subject to any additional restrictions, limitations, or conditions enacted by the Congress or any statute enacted by the Congress which may affect the provisions, terms, or funding of this Agreement in any manner.
- c. It is mutually agreed that if the Congress does not appropriate sufficient funds for the program, the Agreement shall be amended to reflect any reduction in funds.
- d. AHP and DHCS have the option to invalidate or cancel the Agreement with 30 days advance written notice or to amend the Agreement to reflect any reduction in funds.

10. Termination (INTENTIONALLY OMITTED)

11. Intellectual Property Rights

a. Ownership

- (1) Except where AHP has agreed in a signed writing to accept a license, AHP or DHCS shall be and remain, without additional compensation, the sole owner of any and all rights, title and interest in all Intellectual Property, from the moment of creation, whether or not jointly conceived, that are made, conceived, derived from, or reduced to practice by Subcontractor or AHP and which result directly or indirectly from this Agreement.
- (2) For the purposes of this Agreement, Intellectual Property means recognized protectable rights and interest such as: patents, (whether or not issued) copyrights, trademarks, service marks, applications for any of the foregoing, inventions, trade secrets, trade dress, logos, insignia, color combinations, slogans, moral rights, right of publicity, author's rights, contract and licensing rights, works, mask works, industrial design rights, rights of priority, know how, design flows, methodologies, devices, business processes, developments, innovations, good will and all other legal rights protecting intangible proprietary information as may exist now and/or here after come into existence, and all renewals and extensions, regardless of whether those rights arise under the laws of the United States, or any other state, country or jurisdiction.

It includes preliminary and final products and any materials and information developed for the purposes of producing those final products. Works does not include articles submitted to peer review or reference journals or independent research projects.
- (3) In the performance of this Agreement, Subcontractor will exercise and utilize certain of its Intellectual Property in existence prior to the effective date of this Agreement. In addition, under this Agreement, Subcontractor may access and utilize certain of AHP's Intellectual Property in existence prior to the effective date of this Agreement. Except as otherwise set forth herein, Subcontractor shall not use any of AHP's Intellectual Property now existing or hereafter existing for any purposes without the prior written permission of AHP. **Except as otherwise set forth herein, AHP shall not give any ownership interest in or rights to its Intellectual Property to the other Party.** If during the term of this Agreement, Subcontractor accesses any third-party Intellectual Property that is licensed to AHP, Subcontractor agrees to abide by all license and confidentiality restrictions applicable to AHP in the third-party's license agreement.
- (4) Subcontractor agrees to cooperate with AHP in establishing or maintaining AHP's and/or DHCS exclusive rights in the Intellectual Property, and in assuring AHP's or DHCS' sole

rights against third parties with respect to the Intellectual Property. If the Subcontractor enters into any agreements or subcontracts with other parties in order to perform this Agreement, Subcontractor shall require the terms of the Agreement(s) to include all Intellectual Property provisions. Such terms must include, but are not limited to, the Subcontractor assigning and agreeing to assign to AHP and/or DHCS all rights, title and interest in Intellectual Property made, conceived, derived from, or reduced to practice by the Subcontractor or AHP and which result directly or indirectly from this Agreement or any subcontract.

- (5) Subcontractor further agrees to assist and cooperate with AHP/DHCS in all reasonable respects, and execute all documents and, subject to reasonable availability, give testimony and take all further acts reasonably necessary to acquire, transfer, maintain, and enforce AHP's and/or DHCS' Intellectual Property rights and interests.

b. Retained Rights / License Rights

- (1) Except for Intellectual Property made, conceived, derived from, or reduced to practice by Subcontractor or AHP and which result directly or indirectly from this Agreement, Subcontractor shall retain title to all of its Intellectual Property to the extent such Intellectual Property is in existence prior to the effective date of this Agreement. Subcontractor hereby grants to AHP/DHCS, without additional compensation, a permanent, non-exclusive, royalty free, paid-up, worldwide, irrevocable, perpetual, non-terminable license to use, reproduce, manufacture, sell, offer to sell, import, export, modify, publicly and privately display/perform, distribute, and dispose Subcontractor's Intellectual Property with the right to sublicense through multiple layers, for any purpose whatsoever, to the extent it is incorporated in the Intellectual Property resulting from this Agreement, unless Subcontractor assigns all rights, title and interest in the Intellectual Property as set forth herein.
- (2) Nothing in this provision shall restrict, limit, or otherwise prevent Subcontractor from using any ideas, concepts, know-how, methodology or techniques related to its performance under this Agreement, provided that Subcontractor's use does not infringe the patent, copyright, trademark rights, license or other Intellectual Property rights of AHP/DHCS, or third party, or result in a breach or default of any provisions of this Exhibit or result in a breach of any provisions of law relating to confidentiality.

c. Copyright

- (1) Subcontractor agrees that for purposes of copyright law, all works [as defined in Paragraph a, subparagraph (2)(a) of this provision] of authorship made by or on behalf of Subcontractor in connection with Subcontractor's performance of this Agreement shall be deemed "works made for hire." Subcontractor further agrees that the work of each person utilized by Subcontractor in connection with the performance of this Agreement will be a "work made for hire," whether that person is an employee of Subcontractor or that person has entered into an agreement with Subcontractor to perform the work. Subcontractor shall enter into a written agreement with any such person that: (i) all work performed for Subcontractor shall be deemed a "work made for hire" under the Copyright Act and (ii) that person shall assign all right, title, and interest to AHP and/or DHCS to any work product made, conceived, derived from, or reduced to practice by Subcontractor or AHP and which result directly or indirectly from this Agreement.

This material may not be reproduced or disseminated without prior written permission from California Department of Health Care Services (or AHP if applicable)." This notice should be placed prominently

on the materials and set apart from other matter on the page where it appears. Audio productions shall contain a similar audio notice of copyright.

d. Patent Rights

With respect to inventions made by Subcontractor in the performance of this Agreement, which did not result from research and development specifically included in the Agreement's scope of work, Subcontractor hereby grants to AHP and/or DHCS a license as described under Section b of this provision for devices or material incorporating, or made through the use of such inventions. If such inventions result from research and development work specifically included within the Agreement's scope of work, then Subcontractor agrees to assign to AHP and/or DHCS, without additional compensation, all its right, title, and interest in and to such inventions and to assist AHP and/or DHCS in securing United States and foreign patents with respect thereto.

e. Third-Party Intellectual Property

Except as provided herein, Subcontractor agrees that its performance of this Agreement shall not be dependent upon or include any Intellectual Property of Subcontractor or a third party without first: (i) obtaining AHP's prior written approval; and (ii) granting to or obtaining for AHP and/or DHCS, without additional compensation, a license, as described in Section b of this provision, for any of Subcontractor's or third-party's Intellectual Property in existence prior to the effective date of this Agreement. If such a license upon these terms is unattainable, and AHP determines that the Intellectual Property should be included in or is required for Subcontractor's performance of this Agreement, Subcontractor shall obtain a license under terms acceptable to AHP and/or DHCS.

f. Warranties

(1) Subcontractor represents and warrants that:

- (a) It is free to enter into and fully perform this Agreement.
- (b) It has secured and will secure all rights and licenses necessary for its performance of this Agreement.
- (c) Neither Subcontractor's performance of this Agreement, nor the exercise by either Party of the rights granted in this Agreement, nor any use, reproduction, manufacture, sale, offer to sell, import, export, modification, public and private display/performance, distribution, and disposition of the Intellectual Property made, conceived, derived from, or reduced to practice by Subcontractor or DHCS or AHP and which result directly or indirectly from this Agreement will infringe upon or violate any Intellectual Property right, non-disclosure obligation, or other proprietary right or interest of any third-party or entity now existing under the laws of, or hereafter existing or issued by, any state, the United States, or any foreign country. There is currently no actual or threatened claim by any such third party based on an alleged violation of any such right by Subcontractor.
- (d) Neither Subcontractor's performance nor any part of its performance will violate the right of privacy of, or constitute a libel or slander against any person or entity.
- (e) It has secured and will secure all rights and licenses necessary for Intellectual Property including, but not limited to, consents, waivers, or releases from all authors of music or performances used, and talent (radio, television, and motion picture talent), owners of any interest in and to real estate, sites, locations, property, or props that may be used or shown.
- (f) It has not granted and shall not grant to any person or entity any right that would or might derogate, encumber, or interfere with any of the rights granted to AHP or DHCS in this Agreement.

- (g) It has appropriate systems and controls in place to ensure that state funds will not be used in the performance of this Agreement for the acquisition, operation or maintenance of computer software in violation of copyright laws.
 - (h) It has no knowledge of any outstanding claims, licenses or other charges, liens, or encumbrances of any kind or nature whatsoever that could affect in any way Subcontractor's performance of this Agreement.
- (2) AHP AND DHCS MAKE NO WARRANTY THAT THE INTELLECTUAL PROPERTY RESULTING FROM THIS AGREEMENT DOES NOT INFRINGE UPON ANY PATENT, TRADEMARK, COPYRIGHT OR THE LIKE, NOW EXISTING OR SUBSEQUENTLY ISSUED.

g. Intellectual Property Indemnity

- (1) Subcontractor shall indemnify, defend and hold harmless AHP and DHCS and their licensees and assignees, and their officers, directors, employees, agents, representatives, successors, and users of its products, ("Indemnitees") from and against all claims, actions, damages, losses, liabilities (or actions or proceedings with respect to any thereof), whether or not rightful, arising from any and all actions or claims by any third party or expenses related thereto (including, but not limited to, all legal expenses, court costs, and attorney's fees incurred in investigating, preparing, serving as a witness in, or defending against, any such claim, action, or proceeding, commenced or threatened) to which any of the Indemnitees may be subject, whether or not Subcontractor is a party to any pending or threatened litigation, which arise out of or are related to (i) the incorrectness or breach of any of the representations, warranties, covenants or agreements of Subcontractor pertaining to Intellectual Property; or (ii) any Intellectual Property infringement, or any other type of actual or alleged infringement claim, arising out of AHP's use, reproduction, manufacture, sale, offer to sell, distribution, import, export, modification, public and private performance/display, license, and disposition of the Intellectual Property made, conceived, derived from, or reduced to practice by Subcontractor or DHCS or AHP and which result directly or indirectly from this Agreement. This indemnity obligation shall apply irrespective of whether the infringement claim is based on a patent, trademark or copyright registration that issued after the effective date of this Agreement. AHP reserves the right to participate in and/or control, at Subcontractor's expense, any such infringement action brought against AHP.
- (2) Should any Intellectual Property licensed by the Subcontractor to AHP or DHCS under this Agreement become the subject of an Intellectual Property infringement claim, Subcontractor will exercise its authority reasonably and in good faith to preserve AHP's/DHCS' right to use the licensed Intellectual Property in accordance with this Agreement at no expense to AHP or DHCS. AHP shall have the right to monitor and appear through its own counsel (at Subcontractor's expense) in any such claim or action. In the defense or settlement of the claim, Subcontractor may obtain the right for AHP to continue using the licensed Intellectual Property; or, replace or modify the licensed Intellectual Property so that the replaced or modified Intellectual Property becomes non-infringing provided that such replacement or modification is functionally equivalent to the original licensed Intellectual Property. If such remedies are not reasonably available, AHP shall be entitled to a refund of all monies paid under this Agreement, without restriction or limitation of any other rights and remedies available at law or in equity.
- (3) Subcontractor agrees that damages alone would be inadequate to compensate AHP or DHCS for breach of any term of this Intellectual Property provision by Subcontractor. Subcontractor acknowledges AHP or DHCS would suffer irreparable harm in the event of such breach and agrees AHP shall be entitled to obtain equitable relief, including without limitation an injunction, from a court of competent jurisdiction, without restriction or limitation of any other rights and remedies available at law or in equity.

h. Federal Funding

Because this Agreement is funded by the federal government, AHP and DHCS may acquire and maintain the Intellectual Property rights, title, and ownership which results directly or indirectly from the Agreement; except as provided in 37 Code of Federal Regulations part 401.14; however, the federal government shall have a non-exclusive, nontransferable, irrevocable, paid-up license throughout the world to use, duplicate, or dispose of such Intellectual Property throughout the world in any manner for governmental purposes and to permit others to do so.

(Applicable to federally funded agreements/grants and subcontracts/subawards, that provide health, day care, early childhood development services, education or library services to children under 18 directly or through local governments.)

- a. Public Law 103-227, also known as the Pro-Children Act of 1994 (Act), requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted for by an entity and used routinely or regularly for the provision of health, day care, early childhood development services, education or library services to children under the age of 18, if the services are funded by federal programs with directly or through state or local governments, by federal grant, contract, loan or loan guarantee. The law also applies to children's services that are provided in indoor facilities that are constructed, operated, or maintained with such federal funds. The law does not apply to children's services provided in private residences; portions of facilities used for inpatient drug or alcohol treatment; service providers whose sole source of applicable federal funds is Medicare or Medicaid; or facilities where WIC coupons are redeemed.

22. Drug Free Workplace Act of 1988

The Federal government implemented the Drug Free Workplace Act of 1988 in an attempt to address the problems of drug abuse on the job. It is a fact that employees who use drugs have less productivity, a lower quality of work, and a higher absenteeism, and are more likely to misappropriate funds or services. From this perspective, the drug abuser may endanger other

employees, the public at large, or themselves. Damage to property, whether owned by this entity or not, could result from drug abuse on the job. All these actions might undermine public confidence in the services this entity provides. Therefore, in order to remain a responsible source for government contracts, the following guidelines have been adopted:

- a. The unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance is prohibited in the workplace.
- b. Violators may be terminated or requested to seek counseling from an approved rehabilitation service.
- c. Employees must notify their employer of any conviction of a criminal drug statute no later than five days after such conviction.
- d. Although alcohol is not a controlled substance, it is nonetheless a drug. It is the policy that abuse of this drug will also not be tolerated in the workplace.
- e. Contractors of federal agencies are required to certify that they will provide drugfree workplaces for their employees.

23. Covenant Against Contingent Fees

(Applicable only to federally funded agreements.)

The resumption of work (in whole or part) will be at AHP's discretion and upon receipt of written confirmation.

RE: Contractor and Grantee Compliance with Economic Sanctions Imposed in
Response to Russia's Actions in Ukraine

Dear Charles Galland:

On March 4, 2022, Governor Gavin Newsom issued Executive Order N-6-22 (EO)
regarding sanctions in response to Russian aggression in Ukraine. The EO is located
at [https://www.gov.ca.gov/wp-content/uploads/2022/03/3.4.22-Russia-Ukraine-
Executive-Order.pdf](https://www.gov.ca.gov/wp-content/uploads/2022/03/3.4.22-Russia-Ukraine-Executive-Order.pdf).

The EO directs all agencies and departments that are subject to the Governor's
authority to take certain immediate steps, including notifying all contractors and
grantees of their obligations to comply with existing economic sanctions imposed by
the U.S. government in response to Russia's actions in Ukraine, as well as any
sanctions imposed under state law.

This correspondence serves as a notice under the EO that as a contractor or grantee,
compliance with the economic sanctions imposed in response to Russia's actions in
Ukraine is required, including with respect to, but not limited to, the federal executive
orders identified in the EO and the sanctions identified on the U.S. Department of the
Treasury website ([https://home.treasury.gov/policy-issues/financial-sanctions/
sanctions-programs-and-country-information/ukraine-russia-related-sanctions](https://home.treasury.gov/policy-issues/financial-sanctions/sanctions-programs-and-country-information/ukraine-russia-related-sanctions)).

Failure to comply may result in the termination of contracts or grants, as applicable.

Please note that for any agreements or grants valued at \$5 million or more, a
separate notification will be sent outlining additional requirements specified under the
EO.
