CHCs must abide by HRSA guidelines. WIPFLi's experienced staff stays abreast of changes to HRSA, Medi-Cal and Medicare rules and requirements and provides education to RUHS staff on forthcoming regulatory changes. WIPFLi provides financial feasibility studies and assists the CHCs with delivering Prospective Payment Systems strategies that ensure the CHCs successfully obtain full reimbursement.

Impact on Residents and Businesses

These services are a component of RUHS's system of care aimed at improving the health and safety of its patients and the community.

Contract History and Price Reasonableness

RUHS CHC's have received consulting services from WIPFLi LLP for a period greater than five years. During this time, WIPFLi has assisted the CHC's in a diverse range of areas including, but not limited to, rate setting, Medicare enrollment, HRSA audits, expansion and financial strategies, identification of revenue opportunities, management of FQHC rules and regulations, etc. Recently, 19/20 rate setting appeals for the FQHC's were finalized; WIPFLi will now work to finalize the subsequent years. Due to the ongoing relationship, WIPFLi has the historical information and insight to help with rate setting for all of the years in question. Should we switch to a different consulting organization, this would cause a tremendous disruption in the strides being made toward rate setting. WIPFLi has in depth knowledge of the history, challenges, and growth of RUHS CHC's and can speak into CHC operations with an intimate and well-informed perspective.

WIPFLi's previous input and strategic planning helped the CHCs to successfully appeal disallowances, per the Department of Health Care Services (DHCS), for the CHC which resulted in recovered revenues. WIPFLi aided in the process of rate setting at multiple CHC sites as well as provided essential contributions in the CHCs. WIPFLi appealed to obtain approval from the DHCS to recover funds for services performed at CHCs. The cost of \$350/hour is reasonable and falls on the lower end of industry standards as they relate to similar consulting services.

This Agreement, made and entered into this ____ day of _____, 2023, by and between WIPFLi, LLP, a Wisconsin limited liability partnership (herein referred to as "CONTRACTOR"), and the COUNTY OF RIVERSIDE (herein referred to as "COUNTY"), a political subdivision of the State of California, on behalf of Riverside University Health System (herein referred to as "RUHS"), sometimes collectively referred to as the "Parties" or individually referred to as a "Party." The parties agree as follows:

1. Description of Services

1.1 CONTRACTOR shall provide all services as outlined and specified in Exhibit A, Scope of Services, at the prices stated in Exhibit B, Payment Provisions, and Attachment I, HIPAA Business Associate Attachment to the Agreement.

1.2 CONTRACTOR represents that it has the skills, experience, and knowledge necessary to perform under this Agreement and the COUNTY relies upon this representation. CONTRACTOR shall perform to the satisfaction of the COUNTY and in conformance to and consistent with the highest standards of firms/professionals in the same discipline in the State of California.

1.3 CONTRACTOR and COUNTY affirm that Exhibit A accurately reflects the scope of work to be performed under this Agreement; and the CONTRACTOR agrees it can properly perform this work at the prices stated in Exhibit B. CONTRACTOR is not to perform services or provide products outside of the Agreement, except upon execution by the Parties of an amendment, an addendum or a new agreement.

1.4 Acceptance by the COUNTY of the CONTRACTOR's performance under this Agreement does not operate as a release of CONTRACTOR's responsibility for full compliance with the terms of this Agreement.

2. Period of Performance

2.1 This Agreement shall be effective July 1, 2023 ("Effective Date") and continues in effect through June 30, 2024. CONTRACTOR shall commence performance upon signature of this Agreement by both parties and shall diligently and continuously perform thereafter. The Riverside County Board of Supervisors is the only authority that may obligate the County for a non-cancelable multi-year agreement.

3. Compensation

3.1 The COUNTY shall pay the CONTRACTOR for services performed, products provided and expenses incurred in accordance with the terms of Exhibit B, Payment Provisions. Maximum payments by COUNTY to CONTRACTOR shall not exceed one hundred fifty thousand dollars (\$150,000) annually including all expenses. The COUNTY is not responsible for any fees or costs incurred above or beyond the contracted amount and shall have no obligation to purchase any specified amount of services or products.

Unless otherwise specifically stated in Exhibit B, COUNTY shall not be responsible for payment of any of CONTRACTOR's expenses related to this Agreement.

3.2 No price increases will be permitted during the first year of this Agreement (If applicable). All price decreases (for example, if CONTRACTOR offers lower prices to another governmental entity) will automatically be extended to the COUNTY. The COUNTY requires written proof satisfactory to COUNTY of cost increases prior to any approved price adjustment. After the first year of the award, a minimum of 30-days advance notice in writing is required to be considered and approved by COUNTY. No retroactive price adjustments will be considered. Any price increases must be stated in a written amendment to this Agreement. The net dollar amount of profit will remain firm during the period of the Agreement. Annual increases shall not exceed the Consumer Price Index- All Consumers, All Items - Greater Los Angeles, Riverside and Orange County areas and be subject to satisfactory performance review by the COUNTY and approved (if needed) for budget funding by the Board of Supervisors.

3.3 CONTRACTOR shall be paid only in accordance with an invoice submitted to COUNTY by CONTRACTOR within fifteen (15) days from the last day of each calendar month, and COUNTY shall pay the invoice within thirty (30) working days from the date of receipt of the invoice. Payment shall be made to CONTRACTOR only after services have been rendered or delivery of materials or products, and acceptance has been made by COUNTY. Prepare invoices in duplicate. For this Agreement, send the original and duplicate copies of invoices to:

Riverside University Health System
Attn: Hospital Administration
26520 Cactus Avenue, Suite A-2060
Moreno Valley, CA 92555

- a) Each invoice shall contain a minimum of the following information: invoice number and date; description of services, amount due and any reimbursable expenses; sales/use tax if applicable, and an invoice total.
- b) Invoices shall be rendered monthly in arrears.

3.4 The COUNTY obligation for payment of this Agreement beyond the current fiscal year end is contingent upon and limited by the availability of COUNTY funding from which payment can be made, and invoices shall be rendered "monthly" in arrears. In the State of California, Government agencies are not allowed to pay excess interest and late charges, per Government Codes, Section 926.10. No legal liability on the part of the COUNTY shall arise for payment beyond June 30 of each calendar year unless funds are made

available for such payment. In the event that such funds are not forthcoming for any reason, COUNTY shall immediately notify CONTRACTOR in writing; and this Agreement shall be deemed terminated, have no further force, and effect.

4. Alteration or Changes to the Agreement

4.1 The Board of Supervisors and the COUNTY Purchasing Agent and/or his designee is the only authorized COUNTY representatives who may at any time, by written order, alter this Agreement. If any such alteration causes an increase or decrease in the cost of, or the time required for the performance under this Agreement, an equitable adjustment shall be made in the Agreement price or delivery schedule, or both, and the Agreement shall be modified by written amendment accordingly.

4.2 Any claim by the CONTRACTOR for additional payment related to this Agreement shall be made in writing by the CONTRACTOR within 30 days of when the CONTRACTOR has or should have notice of any actual or claimed change in the work, which results in additional and unanticipated cost to the CONTRACTOR. If the COUNTY Purchasing Agent decides that the facts provide sufficient justification, he may authorize additional payment to the CONTRACTOR pursuant to the claim. Nothing in this section shall excuse the CONTRACTOR from proceeding with performance of the Agreement even if there has been a change.

5. Termination

5.1. COUNTY may terminate this Agreement without cause upon 30 days written notice served upon the CONTRACTOR stating the extent and effective date of termination.

5.2 COUNTY may, upon five (5) days written notice terminate this Agreement for CONTRACTOR's default, if CONTRACTOR refuses or fails to comply with the terms of this Agreement or fails to make progress that may endanger performance and does not immediately cure such failure. In the event of such termination, the COUNTY may proceed with the work in any manner deemed proper by COUNTY.

5.3 After receipt of the notice of termination, CONTRACTOR shall:

- (a) Stop all work under this Agreement on the date specified in the notice of termination; and
- (b) Transfer to COUNTY and deliver in the manner as directed by COUNTY as outlined in Exhibit A, Scope of Services any materials, reports or other products furnished to CONTRACTOR by COUNTY.

In such event, CONTRACTOR shall not be entitled to any further compensation under this Agreement.

5.6 CONTRACTOR is not debarred from the System for Award Management (SAM). If the Agreement is federally or State funded, CONTRACTOR must notify the COUNTY immediately of a debarment. CONTRACTOR does not warrant that COUNTY deliverables are appropriate for any particular purpose or use or that they are appropriate for any particular purpose or use to which COUNTY or any other party might choose to use the deliverables, and further expressly disclaims such warranty. No party other than the COUNTY may rely on the deliverables except to the extent expressly provided therein. any manner or degree with CONTRACTOR's performance under this Agreement. The CONTRACTOR further covenants that no person or subcontractor having any such interest shall be employed or retained by CONTRACTOR under this Agreement. The CONTRACTOR agrees to inform the COUNTY of all the CONTRACTOR's interests, if any, which are or may be perceived as incompatible with the COUNTY's interests.

7.2 The CONTRACTOR shall not, under circumstances which could be interpreted as an attempt to influence the recipient in the conduct of his/her duties, accept any gratuity or special favor from individuals or firms with whom the CONTRACTOR is doing business or proposing to do business, in accomplishing the work under this Agreement.

7.3 The CONTRACTOR or its employees shall not offer gifts, gratuity, favors, and entertainment directly or indirectly to COUNTY employees.

8. Inspection of Service; Quality Control/Assurance

8.1 If any services performed by CONTRACTOR are not in conformance with the terms of this Agreement, the COUNTY shall have the right to require the CONTRACTOR to perform the services in conformance with the terms of the Agreement at no additional cost to the COUNTY. When the services to be performed are of such nature that the difference cannot be corrected; the COUNTY shall have the right to: (1) require the CONTRACTOR immediately to take all necessary steps to ensure future performance in conformity with the terms of the Agreement; and/or (2) reduce the Agreement price to reflect the reduced value of the services performed or products provided. The COUNTY may also terminate this Agreement for default and charge to CONTRACTOR any costs incurred by the COUNTY because of the CONTRACTOR's failure to perform.

8.2 CONTRACTOR shall establish adequate procedures for self-monitoring and quality control and assurance to ensure proper performance under this Agreement; and shall permit a COUNTY representative or other regulatory official to monitor, assess, or evaluate CONTRACTOR's performance under this Agreement at any time, upon reasonable notice to the CONTRACTOR.

CONTRACTOR shall not hire or engage any Ineligible Person to provide services directly relative to this Agreement. Covered Individuals shall be required to disclose to CONTRACTOR immediately any debarment, exclusion or other event that makes the Covered Individual an Ineligible Person. CONTRACTOR shall notify COUNTY within five (5) business days after it becomes aware if a Covered Individual providing services directly relative to this Agreement becomes debarred, excluded or otherwise becomes an Ineligible Person.

9.5 CONTRACTOR acknowledges that Ineligible Persons are precluded from providing federal and state funded health care services by contract with COUNTY in the event that they are currently sanctioned or excluded by a federal or state law enforcement regulatory or licensing agency. If CONTRACTOR becomes aware that a Covered Individual has become an Ineligible Person, CONTRACTOR

shall remove such individual from responsibility for, or involvement with, COUNTY business operations related to this Agreement.

Failure on the part of COUNTY to require exact, full, and complete compliance with any terms of this Agreement shall not be construed as in any manner changing the terms or preventing COUNTY from enforcement of the terms of this Agreement.

23.3 In the event the CONTRACTOR receives payment under this Agreement, which is later disallowed by COUNTY for nonconformance with the terms of the Agreement, the CONTRACTOR shall promptly refund the disallowed amount to the COUNTY on request; or at its option the COUNTY may offset the amount disallowed from any payment due to the CONTRACTOR.

 - a. The parties acknowledge and agree that this section constitutes notice by Contractor to County that attempted but unsuccessful Security Incidents, such as pings and other broadcast attacks on Contractor's firewall, port scans, unsuccessful log-on attempts, denials of service and any combination of the above, regularly occur and that no further notice will be made by Contractor, unless there has been a successful Security Incident.
- H. Comply with any additional security requirements that are applicable to covered entities in Title 42 (Public Health and Welfare) of the United States Code, as may be amended from time to time, including but not limited to HITECH.

8. **Breach of Unsecured PHI.** In the case of breach of unsecured PHI, Contractor shall comply with the applicable provisions of 42 USC §17932 and 45 CFR Part 164, Subpart D, including but not limited to 45 CFR §164.410.

- A. **Discovery and notification.** Following the discovery of a breach of unsecured PHI, Contractor shall notify County in writing of such breach without unreasonable delay and in no case later than 60 calendar days after discovery of a breach, except as provided in 45 CFR §164.412.
- 1) **Breaches treated as discovered.** A breach is treated as discovered by Contractor as of the first day on which such breach is known to Contractor or, by exercising reasonable diligence, would have been known to Contractor, which includes any person, other than the person committing the breach, who is an employee, officer, or other agent of Contractor (determined in accordance with the federal common law of agency).
 - 2) **Content of notification.** The written notification to County relating to breach of unsecured PHI shall include, to the extent possible, the following information if known (or can be reasonably obtained) by Contractor:
 - a) The identification of each individual whose unsecured PHI has been, or is reasonably believed by Contractor to have been accessed, acquired, used or disclosed during the breach;
 - b) A brief description of what happened, including the date of the breach and the date of the discovery of the breach, if known;
 - c) A description of the types of unsecured PHI involved in the breach, such as whether full name, social security number, date of birth, home address, account number, diagnosis, disability code, or other types of information were involved;
 - d) Any steps individuals should take to protect themselves from potential harm resulting from the breach;
 - e) A brief description of what Contractor is doing to investigate the breach, to mitigate harm to individuals, and to protect against any further breaches; and,
 - f) Contact procedures for individuals to ask questions or learn additional information, which shall include a toll-free telephone number, an e-mail address, web site, or postal address.
- B. **Cooperation.** With respect to any breach of unsecured PHI reported by Contractor, Contractor shall cooperate with County and shall provide County with any information requested by County to enable County to fulfill in a timely manner its own reporting and notification obligations, including but not limited to providing notice to individuals, prominent media outlets and the Secretary in accordance with 42 USC §17932 and 45 CFR §164.404, §164.406 and §164.408.
- C. **Breach log.** To the extent breach of unsecured PHI involves less than 500 individuals, Contractor shall maintain a log or other documentation of such breaches and provide such log or other documentation on an annual basis to County not later than fifteen (15) days after the end of each calendar year for submission to the Secretary.
- D. **Delay of notification authorized by law enforcement.** If Contractor delays notification of breach of unsecured PHI pursuant to a law enforcement official's statement that required notification, notice or posting would impede a criminal investigation or cause damage to national security, Contractor shall maintain documentation sufficient to demonstrate its compliance with the requirements of 45 CFR §164.412.
- E. **Payment of costs.** With respect to any breach of unsecured PHI caused solely by the Contractor's failure to comply with one or more of its obligations under this Addendum and/or the provisions of HITECH, HIPAA, the Privacy Rule or the Security Rule, Contractor agrees to pay any and all costs associated with providing all legally required notifications to individuals, media outlets, and the Secretary. This provision shall not be construed to limit or diminish Contractor's obligations to indemnify, defend and hold harmless County under Section 9 of this Addendum.

- F. **Documentation.** Pursuant to 45 CFR §164.414(b), in the event Contractor's use or disclosure of PHI and/or ePHI violates the Privacy Rule, Contractor shall maintain documentation sufficient to demonstrate that all notifications were made by Contractor as required by 45 CFR Part 164, Subpart D, or that such use or disclosure did not constitute a breach, including Contractor's completed risk assessment and investigation documentation.
- G. **Additional State Reporting Requirements.** The parties agree that this Section 8.G applies only if and/or when County, in its capacity as a licensed clinic, health facility, home health agency, or hospice, is required to report unlawful or unauthorized access, use, or disclosure of medical information under the more stringent requirements of California Health & Safety Code §1280.15. For purposes of this Section 8.G, "unauthorized" has the meaning given such term in California Health & Safety Code §1280.15(j)(2).
 - 1) Contractor agrees to assist County to fulfill its reporting obligations to affected patients and to the California Department of Public Health ("CDPH") in a timely manner under the California Health & Safety Code §1280.15.
 - 2) Contractor agrees to report to County any unlawful or unauthorized access, use, or disclosure of patient's medical information without unreasonable delay and no later than seven (7) business days after Contractor detects such incident. Contractor further agrees such report shall be made in writing, and shall include substantially the same types of information listed above in Section 8.A.2 (Content of Notification) as applicable to the unlawful or unauthorized access, use, or disclosure as defined above in this section, understanding and acknowledging that the term "breach" as used in Section 8.A.2 does not apply to California Health & Safety Code §1280.15.

9. **Hold Harmless/Indemnification.**

- A. Contractor agrees to indemnify and hold harmless County, all Agencies, Districts, Special Districts and Departments of County, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents and representatives from any liability whatsoever, based or asserted upon any services of Contractor, its officers, employees, subcontractors, agents or representatives arising out of or in any way relating to this Addendum, including but not limited to property damage, bodily injury, death, or any other element of any kind or nature whatsoever arising from the performance of Contractor, its officers, agents, employees, subcontractors, agents or representatives from this Addendum. Contractor shall defend, at its sole expense, all costs and fees, including but not limited to attorney fees, cost of investigation, defense and settlements or awards, of County, all Agencies, Districts, Special Districts and Departments of County, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents or representatives in any claim or action based upon such alleged acts or omissions.
- B. With respect to any action or claim subject to indemnification herein by Contractor, Contractor shall, at their sole cost, have the right to use counsel of their choice, subject to the approval of County, which shall not be unreasonably withheld, and shall have the right to adjust, settle, or compromise any such action or claim without the prior consent of County; provided, however, that any such adjustment, settlement or compromise in no manner whatsoever limits or circumscribes Contractor's indemnification to County as set forth herein. Contractor's obligation to defend, indemnify and hold harmless County shall be subject to County having given Contractor written notice within a reasonable period of time of the claim or of the commencement of the related action, as the case may be, and information and reasonable assistance, at Contractor's expense, for the defense or settlement thereof. Contractor's obligation hereunder shall be satisfied when Contractor has provided to County the appropriate form of dismissal relieving County from any liability for the action or claim involved.
- C. The specified insurance limits required in the Underlying Agreement of this Addendum shall in no way limit or circumscribe Contractor's obligations to indemnify and hold harmless County herein from third party claims arising from issues of this Addendum.
- D. In the event there is conflict between this clause and California Civil Code §2782, this clause shall be interpreted to comply with Civil Code §2782. Such interpretation shall not relieve the Contractor from indemnifying County to the fullest extent allowed by law.

E. In the event there is a conflict between this indemnification clause and an indemnification clause contained in the Underlying Agreement of this Addendum, this indemnification shall only apply to the subject issues included within this Addendum.

10. **Term.** This Addendum shall commence upon the Effective Date and shall terminate when all PHI and/or ePHI provided by County to Contractor, or created or received by Contractor on behalf of County, is destroyed or returned to County, or, if it is infeasible to return or destroy PHI and/ePHI, protections are extended to such information, in accordance with section 11.B of this Addendum.

11. **Termination.**

A. **Termination for Breach of Contract.** A breach of any provision of this Addendum by either party shall constitute a material breach of the Underlying Agreement and will provide grounds for terminating this Addendum and the Underlying Agreement with or without an opportunity to cure the breach, notwithstanding any provision in the Underlying Agreement to the contrary. Either party, upon written notice to the other party describing the breach, may take any of the following actions:

- 1) Terminate the Underlying Agreement and this Addendum, effective immediately, if the other party breaches a material provision of this Addendum.
- 2) Provide the other party with an opportunity to cure the alleged material breach and in the event the other party fails to cure the breach to the satisfaction of the non-breaching party in a timely manner, the non-breaching party has the right to immediately terminate the Underlying Agreement and this Addendum.
- 3) If termination of the Underlying Agreement is not feasible, the breaching party, upon the request of the non-breaching party, shall implement, at its own expense, a plan to cure the breach and report regularly on its compliance with such plan to the non-breaching party.

B. **Effect of Termination.**

- 1) Upon termination of this Addendum, for any reason, Contractor shall return or, if agreed to in writing by County, destroy all PHI and/or ePHI received from County, or created or received by the Contractor on behalf of County, and, in the event of destruction, Contractor shall certify such destruction, in writing, to County. This provision shall apply to all PHI and/or ePHI which are in the possession of subcontractors or agents of Contractor. Contractor shall retain no copies of PHI and/or ePHI, except as provided below in paragraph (2) of this section.
- 2) In the event that Contractor determines that returning or destroying the PHI and/or ePHI is not feasible, Contractor shall provide written notification to County of the conditions that make such return or destruction not feasible. Upon determination by Contractor that return or destruction of PHI and/or ePHI is not feasible, Contractor shall extend the protections of this Addendum to such PHI and/or ePHI and limit further uses and disclosures of such PHI and/or ePHI to those purposes which make the return or destruction not feasible, for so long as Contractor maintains such PHI and/or ePHI.

12. **General Provisions.**

A. **Retention Period.** Whenever Contractor is required to document or maintain documentation pursuant to the terms of this Addendum, Contractor shall retain such documentation for 6 years from the date of its creation or as otherwise prescribed by law, whichever is later.

B. **Amendment.** The parties agree to take such action as is necessary to amend this Addendum from time to time as is necessary for County to comply with HITECH, the Privacy Rule, Security Rule, and HIPAA generally.

C. **Survival.** The obligations of Contractor under Sections 3, 5, 6, 7, 8, 9, 11.B and 12.A of this Addendum shall survive the termination or expiration of this Addendum.

D. **Regulatory and Statutory References.** A reference in this Addendum to a section in HITECH, HIPAA, the Privacy Rule and/or Security Rule means the section(s) as in effect or as amended.

E. **Conflicts.** The provisions of this Addendum shall prevail over any provisions in the Underlying Agreement that conflict or appear inconsistent with any provision in this Addendum.

F. **Interpretation of Addendum.**

- 1) This Addendum shall be construed to be part of the Underlying Agreement as one document. The purpose is to supplement the Underlying Agreement to include the requirements of the Privacy Rule, Security Rule, HIPAA and HITECH.
- 2) Any ambiguity between this Addendum and the Underlying Agreement shall be resolved to permit County to comply with the Privacy Rule, Security Rule, HIPAA and HITECH generally.

G. **Notices to County.** All notifications required to be given by Contractor to County pursuant to the terms of this Addendum shall be made in writing and delivered to the County to the address listed below by either registered or certified mail return receipt requested or guaranteed overnight mail with tracing capability, or at such other address as County may hereafter designate. All notices to County provided by Contractor pursuant to this Section shall be deemed given or made when received by County.

Via: CHC Administration
Subject: Sole or Single Source Procurement; Request for Wipfli LLP Contract Renewal

The below information is provided in support of my department requesting approval for a sole or single source. (*Outside of a duly declared emergency, the time to develop a statement of work or specifications is not in itself justification for sole or single source.*)

1. **Supplier being requested: Wipfli LLP**

2. **Vendor ID: __0000211036__**

3. **Single Source** **Sole Source**

(Single Source - is a purchase of a commodity or service without obtaining competitive bids although more than one source is available)

(Sole Source - is a purchase of a commodity or service that is proprietary or no other vendor is qualified or willing to meet the county specified requirements)

4. **Have you previously requested and received approval for a sole or single source request for this vendor for your department?** (*If yes, please provide the approved sole or single source number*).

Yes **No**

SSJ# 22-034A

4a. **Was the request approved for a different project?**

Yes **No**

5. **Supply/Service being requested:**

(If this request is for professional services, attach the service agreement to this sole source request. The Purchasing Agent, or designee, is the signing authority for agreements unless the service is exempted by Ordinance 459, Board delegated authority or by State law. All insurance requirements must be met prior to work commencement. See the Risk Management website for vendor insurance requirements.)

Based upon a pre-review of specific Federally Qualified Health Center (FQHC) clinic information presented by FQHC staff, CONTRACTOR shall conduct a one-day on-site visit, date and location to be mutually agreed to between the Parties, with FQHC personnel to perform the following tasks:

- Review Initial HRSA designation letters to understand approved sites;
- Review Forms 5A, 5B and 5C to understand all the approved sites, services and contracted services;
- Discuss questions related to the co-applicant agreement and rules and regulations concerning this public option;
- Discuss clinic strategy as it pertains to the opening of a clinic, moving sites expansion and the impact of PPS rates as well as any subsequent issues;
- Discuss the various methodologies and eligibility in which a clinic can obtain a PPS rate;
- Review opportunities to increase the clinics PPS rate through a scope of service rate request change and estimate financial impact;
- Determine if the Code 18 (wraparound rates) have been set appropriately and make recommendation for increasing/decreasing these rates;
- Brief management, if necessary, on current FQHC rules and regulations; address questions and answers;
- Discuss billing licensing, HRSA, CDPH and Medicare Issues;
- Review prior audit adjustments;
- Review prior PPS reconciliations / liabilities;
- Discuss how a clinic can obtain three separate interim rates;
- Discuss intermittent sites and its applicability for county based FQHC models; and
- Participate in conference calls as necessary.

6. Unique features of the supply/service being requested from this supplier. (If this sole source request is due to proprietary software or machinery, or hardware, provide a supporting letter from the manufacturer. If this is a single source request provide an explanation of how this provides the best value for the County by selecting this vendor.)

RUHS CHC's have retained consulting services from Wipfli LLP for a period greater than five years. During this time, Wipfli has assisted the CHC's in a diverse range of areas including, but not limited to, rate setting, Medicare enrollment, HRSA audits, expansion and financial strategies, identification of revenue opportunities, management of FQHC rules and regulations, etc. Recently, we finalized 19/20 rate setting appeals for the FQHC's and are working to finalize the subsequent years. Wipfli has the historical information and insight to help with rate setting for all of the years in question should we switch to a different consulting organization, this would cause a tremendous disruption in the strides being made toward rate setting.

Other areas they currently assist with include but are not limited to:

- Providing recommendations on how RUHS should address issues with DHCS.
- Reviewing data and preparing rate impact reports.

- Providing direction on how to file appeals/escalate issues.
- Providing advice of rate setting/appeal best practices.
- Consulting on the upcoming HRSA on site visit audit.

7. Reasons why my department requires these unique features from the vendor and what benefit will accrue to the county:

Due to the ongoing relationship, Wipfli has in depth knowledge of the history, challenges, and growth of RUHS CHC's and can speak into CHC operations with an intimate and well-informed perspective. Should RUHS move to a different consulting firm, this would result in the loss of the wealth of knowledge and experience with RUHS CHC's established by Wipfli through the years of service. As a result, there would be a disruption the flow of services and create a negative impact on the CHC's, potentially impacting patient care. In addition to this, the change would cause a negative disruption in the efforts being made toward rate setting that would allow the RUHS-CHC to bring in more revenue to cover its operating costs.

8. Period of Performance: From: 7/1/2023 to 6/30/2024

Is this an annually renewable contract? No Yes
 Is this a fixed-term agreement: No Yes

(A fixed-term agreement is set for a specific amount of time; it is not renewed annually. Ensure multi-year fixed-term agreements include a cancellation, non-appropriation of funds, or refund clause. If there is no clause(s) to that effect, then the agreement must be submitted to the Board for approval. No exemptions shall apply.)

9. Identify all costs for this requested purchase. In addition, please include any single or sole source amounts previously approved and related to this project and vendor in the section designated below for current and future fiscal years. You do not need to include previous fiscal year amounts. If approval is for multiple years, ongoing costs must be identified below. If annual increases apply to ongoing costs such as CPI or other contract increases, provide the estimated annual cost for each consecutive year. If the annual increase may exceed the Purchasing Agent's authority, Board approval must be obtained. (Note: ongoing costs may include but are not limited to subscriptions, licenses, maintenance, support, etc.)

FISCAL YEAR	FY23/24
Total Cost	\$150,000

10. Price Reasonableness: *(Explain why this price is reasonable or cost effective – were you provided government discounted pricing? Is this rate/fee comparable to industry standards?)*

Wipfli's previous input and strategic planning helped the CHCs to successfully appeal disallowances, per the Department of Health Care Services (DHCS), which resulted in recovered revenues. Wipfli aided in the process of rate setting at multiple CHC sites as well as provided essential contributions in the CHCs. Wipfli appealed to obtain approval from the DHCS to recover funds for services performed. The cost of \$350/hour is reasonable and falls on the lower end of industry standards as they relate to similar consulting services.

11. Projected Board of Supervisor Date (if applicable):

(Draft Form 11s, service agreement and or quotes must accompany the sole source request for Purchasing Agent approval.)
