BACKGROUND:

Summary

The California Department of Public Health (CDPH), Sexually Transmitted Disease Control Branch (STD CB), has identified an increase in the number of infants born with congenital syphilis. Between 2012 and 2018, there was a 40% increase in congenital syphilis cases nationwide with 25% of those cases within California. In 2021, CDPH-STD CB awarded Riverside University Health System-Public Health (RUHS-PH) funds through Agreement No. 20-10721 to provide congenital syphilis services for the performance period of January 1, 2021, through December 31, 2023.

The amendment will extend RUHS-PH's HIV/STD Branch's current congenital syphilis services and reduce gaps in care. The agreement extension would also maintain congenital syphilis services to county clients, such as case management for pregnant people with syphilis, providing education to prioritize prenatal care providers, and reduce the number of infants born with congenital syphilis.

Impact on Residents and Businesses

Acceptance of this amendment will allow RUHS-PH to continue providing crucial congenital syphilis services to residents of Riverside County. Approval of the amendment will also allow the HIV/STD Branch to conduct internal morbidity and mortality reviews to identify and engage with high priority populations such as pregnant people at high risk of delivering babies with congenital syphilis. Utilizing an evidence-based public health approach in collaboration with Maternal Child and Adolescent Health (MCAH), the HIV/STD Branch will conduct robust case management for pregnant people with syphilis and infants exposed to and/or infected with syphilis. High priority prenatal clinics and birthing hospitals will be identified through internal congenital syphilis case review and will dictate where engagement/awareness efforts are conducted. All of these activities will assist in preventing congenital syphilis in Riverside County.

Additional Fiscal Information

RUHS-PH has previously received funds from CDPH-STD CB in Agreement 20-10721 for congenital syphilis services for the period of performance January 31, 2021, to December 31, 2023, in the amount of \$240,000. This amendment will provide \$160,000 in additional funding and extend the period of performance through January 31, 2026. The table below identifies how funds will be distributed, including prior fiscal years:

Contract History and Price Reasonableness

On October 5, 2021, on Agenda item 3.14, the Board of Supervisors approved Grant Agreement No. 20-10721 with CDPH-STDCB for Congenital Syphilis Prevention for the period of performance of January 1, 2021, through December 31, 2023, in the amount of \$240,000.

Amendment No. 1 aims to extend the period of performance through January 31, 2026, and provide \$160,000 in additional funding.

Exhibit A
NOTIFICATION LETTER

DATE: OCTOBER 5, 2023
TO: CONGENITAL SYPHILIS PREVENTION GRANTEES
SUBJECT: SECOND EXTENSION OF CONGENITAL SYPHILIS PREVENTION FUNDING

The California Department of Public Health (CDPH), Sexually Transmitted Diseases Control Branch (STD CB) is pleased to inform the recipients of the Congenital Syphilis Prevention (CSP) funding that an additional extension has been announced by the Centers for Disease Control and Prevention (CDC). This second extension changes the previous extension date of 01/31/25 to 01/31/26 and includes additional funding.

As a reminder, funding for this grant is made possible through a cooperative agreement from the CDC. Below are the highlights of the federal award and a copy of the notice is also attached for reference.

- Federal Grant Award Name: PS19-1901 - Strengthening STD Prevention and Control for Health Departments (PCHD)
- Federal Grant Award Number: NH25PS005127
- Assistance Listing Number (aka CFDA) Number: 93.977

Due to the announcement of this second extension of the grant funding, the first notification letter issued on August 21, 2023 is rescinded and will be replaced with this notice.

Along with the announcement of the 27-month funding extension, the CDC also informed CDPH the level of funding for the extension will not change. With this second time extension and the addition of funding, the amendments currently in progress will be revised to:

- Change the grant agreement term end date from 12/31/23 to the new end date of 01/31/26.
- Add additional same level funding for the periods of 01/01/24 – 01/31/25 and 02/01/25 – 01/31/26.
- Update the grant activities document to allow more flexibility for grantees to spend down the remaining funding.

The change of the end date will not change the original effective date. With this amendment, the grants will have an effective period of January 1, 2021 through January 31, 2026.

(916) 445-9860 • Internet Address: www.cdph.ca.gov

CDPH has begun the amendment process and **to expedite this grant amendment through the approval process, we request that you confirm your intention to accept this second extension and the additional funding no than Friday, October 13, 2023**. Please submit a **formal letter of acceptance** via email to **STDLHJContracts@cdph.ca.gov** with a cc to **Christine.Johnson@cdph.ca.gov**.

When e-mailing your intent to accept the additional funding to STDLHJContracts@cdph.ca.gov, please include your agency's name in the subject line when you send the email to help us to easily identify which local health jurisdiction you represent. Please note that no funds are secured until the amendment is fully executed.

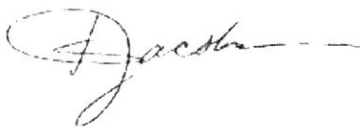

Budget revisions for the periods of 01/01/24 – 01/31/25 and 02/01/25 – 01/31/26 will need to be submitted and should include the projected amount to be spent. CDC has approved expanded authority permitting the rollover of unspent funds from calendar year 2023 through the end of January 2026. Budget revision requests for this period can be submitted after December 31, 2023, but no later than April 1, 2024. See Attachment 1 for the updated funding chart showing the amended grant award amounts.

New Flexibility in Use of CSP Grant Funds

The additional funding must be used to continue the CSP and control activities. However, the grant activities have been revised to allow more flexibility for the utilization of the funds. The Scope of Work (aka, grant activities) has been revised to expand syphilis and STI screening and prevention services in local emergency departments and jail settings as well as new optional activities for the Grantee to implement using this funding. These four new optional activities include: providing syphilis testing and prevention with integrated testing for HIV, HCV, chlamydia, gonorrhea, and mpox vaccination; however, there is a 10% cap on safety net clinical services/expenses, and this is based on the annual award amount. In addition to the expansion and integration of services, other optional activities include providing incentives to clients to encourage testing, treatment, and follow-up appointments (incentives are capped at 1% of the annual award); implementing a social marketing campaign; and to propose an innovative and impactful activity to increase client testing or prenatal services for at risk populations. A copy of the revised grant activities document is attached for reference.

The value of the incentive is limited to \$50.00 of merchandise per person per intervention (e.g., client attendance for syphilis treatment at \$25.00 for each Bicillin injection).
 - b. Current CDPH approvals require the BMM to be justified with scientific proof of behavior change, and be accompanied by a targeted distribution plan, incentive tracking log, and reporting of incentive distribution.
 - c. Incentives cannot be used for the purchase of alcohol, tobacco, or drug products.
 - d. There is no prepayment for incentives. The Grantee will only be reimbursed for the total cost of incentives distributed during each quarter.

2. Avoidance of Conflicts of Interest by Grantee

- A. CDPH intends to avoid any real or apparent conflict of interest on the part of the Grantee, subgrants, or employees, officers and directors of the Grantee or subgrants. Thus, CDPH reserves the right to determine, at its sole discretion, whether any information, assertion or claim received from any source indicates the existence of a real or apparent conflict of interest; and, if a conflict is found to exist, to require the Grantee to submit additional information or a plan for resolving the conflict, subject to CDPH review and prior approval.
- B. Conflicts of interest include, but are not limited to:
- 1) An instance where the Grantee or any of its subgrants, or any employee, officer, or director of the Grantee or any subgrant or has an interest, financial or otherwise, whereby the use or disclosure of information obtained while performing services under the grant would allow for private or personal benefit or for any purpose that is contrary to the goals and objectives of the grant.
 - 2) An instance where the Grantee's or any subgrant's employees, officers, or directors use their positions for purposes that are, or give the appearance of being, motivated by a desire for private gain for themselves or others, such as those with whom they have family, business or other ties.
- C. If CDPH is or becomes aware of a known or suspected conflict of interest, the Grantee will be given an opportunity to submit additional information or to resolve

Exhibit D

the conflict. A Grantee with a suspected conflict of interest will have five (5) working days from the date of notification of the conflict by CDPH to provide complete information regarding the suspected conflict. If a conflict of interest is determined to exist by CDPH and cannot be resolved to the satisfaction of CDPH, the conflict will be grounds for terminating the grant. CDPH may, at its discretion upon receipt of a written request from the Grantee, authorize an extension of the timeline indicated herein.

3. Dispute Resolution Process

- A. A Grantee grievance exists whenever there is a dispute arising from CDPH's action in the administration of an agreement. If there is a dispute or grievance between the Grantee and CDPH, the Grantee must seek resolution using the procedure outlined below.

If the problem cannot be resolved informally, the Grantee shall direct its grievance together with any evidence, in writing, to the program Branch Chief. The grievance shall state the issues in dispute, the legal authority or other basis for the Grantee's position and the remedy sought. The Branch Chief shall render a decision within ten (10) working days after receipt of the written grievance from the Grantee. The Branch Chief shall respond in writing to the Grantee indicating the decision and reasons therefore. If the Grantee disagrees with the Branch Chief's decision, the Grantee may appeal to the second level.
 - 2) When appealing to the second level, the Grantee must prepare an appeal indicating the reasons for disagreement with Branch Chief's decision. The Grantee shall include with the appeal a copy of the Grantee's original statement of dispute along with any supporting evidence and a copy of the Branch Chief's decision. The appeal shall be addressed to the Deputy Director of the division in which the branch is organized within ten (10) working days from receipt of the Branch Chief's decision. The Deputy Director of the division in which the branch is organized or his/her designee shall meet with the Grantee to review the issues raised. A written decision signed by the Deputy Director of the division in which the branch is organized or his/her designee shall be directed to the Grantee within twenty (20) working days of receipt of the Grantee's second level appeal.
- B. If the Grantee wishes to appeal the decision of the Deputy Director of the division in which the branch is organized or his/her designee, the Grantee shall follow the procedures set forth in Division 25.1 (commencing with Section 38050) of the Health and Safety Code and the regulations adopted thereunder. (Title 1, Division 2, Chapter 2, Article 3 (commencing with Section 1140) of the California Code of Regulations).

- D. Unless otherwise stipulated in writing by CDPH, all dispute, grievance and/or appeal correspondence shall be directed to the CDPH Grant Manager.

When a grievance is received and organizational differences exist, the Grantee shall be notified in writing by the CDPH Grant Manager of the level, name, and/or title of the appropriate management official that is responsible for issuing a decision at a given level.

4. Executive Order N-6-22 - Economic Sanctions

On March 4, 2022, Governor Gavin Newsom issued Executive Order N-6-22 (the EO) regarding Economic Sanctions against Russia and Russian entities and individuals. "Economic Sanctions" refers to sanctions imposed by the U.S. government in response to Russia's actions in Ukraine, as well as any sanctions imposed under state law. The EO directs state agencies to terminate contracts with, and to refrain from entering any new contracts with, individuals or entities that are determined to be a target of Economic Sanctions. Accordingly, should the State determine Grantee is a target of Economic Sanctions or is conducting prohibited transactions with sanctioned individuals or entities, that shall be grounds for termination of this Agreement. The State shall provide Grantee advance written notice of such termination, allowing Grantee at least 30 calendar days to provide a written response. Termination shall be at the sole discretion of the State.

Prior to awarding and executing grant, the State shall conduct its due diligence to determine if the proposed awardee is a named individual or entity on federal and any state Economic Sanctions lists. If the proposed awardee is listed, the State shall refrain from entering into the Grant. Resources for locating names of sanctioned individuals and entities are available on the DGS Office of Legal Services' webpage: [Ukraine-Russia \(ca.gov\)](https://dgs.ca.gov/office-of-legal-services/ukraine-russia-related-sanctions).

If this Agreement is valued at \$5 million or more, upon execution the State will send a separate notification outlining additional requirements specified under the EO. Compliance with this Economic Sanctions imposed in response to Russia's actions in Ukraine is required, including with respect to, but not limited to, the federal executive orders identified in the EO and the sanctions identified on the U.S. Department of the Treasury website (<https://home.treasury.gov/policy-issues/financial-sanctions/sanctionsprograms-and-country-information/ukraine-russia-related-sanctions>). Failure to comply may result in the termination of this Agreement.

STD Local Assistance Funds – Standards and General Terms and Conditions

1. Overview

The California Department of Public Health (CDPH) STD Control Branch (STDCB) sets forth the following standards and procedures. These standards and procedures specify the conditions for receipt of CDPH STDCB local assistance funds. The purpose of the sexually transmitted disease (STD) local assistance funds is to augment local support for STD prevention and control activities. The local health department has the authority for STD prevention and control as outlined in the Summary of Regulations Related to STD Prevention and Control Efforts in California.

<https://www.cdph.ca.gov/Programs/CID/DCDC/Pages/STD-ForLocalHealthJurisdictions.aspx>.

2. Grantee's Responsibilities

The Grantee agrees to:

- A. Direct activities toward achieving the program objectives set forth by the CDPH STDCB.
- B. Use these funds in accordance with any additional guidance set forth by the CDPH STDCB regarding the granting, use and reimbursement of the STDCB local assistance funds. Additional consideration should be given to other guidance from the CDPH and Centers for Disease Control and Prevention intended to highlight successful STD or HIV prevention strategies or outline California specific initiatives, policies and procedures. Please find relevant programmatic guidance documents on the CDPH STDCB website:
<https://www.cdph.ca.gov/Programs/CID/DCDC/Pages/STD.aspx>
- C. Use these funds to augment existing funds and not supplant funds that have been locally appropriated for the same purposes. Local assistance funds are intended to provide local entities with increased capabilities to address STD control needs. Supplanting of funds is defined (for the purposes of this agreement) as using local assistance award monies to "replace" or "take the place of" existing local funding. For example, reductions in local funds cannot be offset by the use of CDPH STDCB dollars for the same purpose.
- D. Abide by the most recent standards of care for STD screening, treatment, control and prevention as promulgated by:
 1. California Department of Public Health
<https://www.cdph.ca.gov/Programs/CID/DCDC/Pages/STDs-ClinicalGuidelines.aspx>
 2. Centers for Disease Control and Prevention
<https://www.cdc.gov/std/tg2015/default.htm>
- E. Share health advisories, health education materials, and other products created to enhance STD awareness and prevention funded with these dollars with CDPH and other LHJs in California. The intent of this is to allow duplication (where possible) and cross-jurisdictional reach of successful STD awareness campaigns aimed at the public, select populations, or clinical providers. These should be submitted with the annual progress report.
- F. Submit information and reports as requested by the CDPH STDCB.

3. Reporting Requirements

A. Case Reports

All Grantees shall comply with morbidity reporting requirements for reportable STDs identified in Title 17, California Code of Regulations (CCR) §2500, §2593, §2641.5-2643.20, and §2800 – 20182 Reportable Diseases and Conditions.
<https://www.cdph.ca.gov/Programs/CID/DCDC/CDPH%20Document%20Library/ReportableDiseases.pdf>

All Grantees, excluding Los Angeles and San Francisco, must enter STD case data for their jurisdiction directly into the California Reportable Disease Information Exchange (CalREDIE), the CDPH web-based reporting software for notifiable diseases. CDPH STD Control Branch will provide essential variables for data entry and STD case report forms. Specific case investigation and report requirements are as follows:

1. Syphilis laboratory tests and confidential morbidity reports should be processed and assigned for investigation according to the California Syphilis Reactor Alert System (SRAS). Some health jurisdictions may have a more nuanced local system for prioritizing reported reactive syphilis tests.
<https://www.cdph.ca.gov/Programs/CID/DCDC/CDPH%20Document%20Library/SyphilisReactorSRASChartAlgorithm.pdf>
2. Syphilis cases and congenital syphilis case investigations are to be reported according to updated CDPH STDCB protocols on the appropriate case report forms (Syphilis Interview Record or California Congenital Syphilis-CS Case Investigation and Report) found in CalREDIE; samples of these forms can be viewed at <https://www.cdph.ca.gov/Programs/PSB/Pages/CommunicableDiseaseControl.aspx>. Grantees will submit complete case reports into the CalREDIE Electronic Filing Cabinet within 45 days of initial report to local health department.
3. Chlamydia and gonorrhea reports are automatically initiated through CalREDIE with electronic laboratory report information, data entry of laboratory, or provider report.
4. Cases of gonorrhea with suspected treatment failure or with high minimum inhibitory concentrations (MIC) to CDC-recommended treatment should be reported to CDPH STDCB within 24 hours of initial report to local health department. Reports should be conveyed by calling the CDPH STDCB Office at (510) 620-3400.
5. Suspected or confirmed cases of granuloma inguinale, lymphogranuloma venereum, and chancroid should be reported to CDPH STDCB within 24 hours of initial report to local health department. Reports should be conveyed by calling the CDPH STDCB Office at (510) 620-3400.

Exhibit H

STD Local Assistance Funds – Standards and General Terms and Conditions

Grantees will participate in STD-specific CalREDIE trainings and conduct quality control procedures, including review of cases to ensure appropriate surveillance case definition and reconciliation of case counts. For STD case definitions, please visit

<https://www.cdph.ca.gov/Programs/CID/DCDC/Pages/STDCaseDefinitions.aspx>

B. Electronic Reporting

All Grantees, excluding Los Angeles and San Francisco, must enter STD case data for their jurisdiction directly into CalREDIE, including data entry of core variables into the CalREDIE tabs, case reports and interview records. Neither submission of hard copy forms for data entry into CalREDIE by CDPH, nor scanning of case reports/interview records into EFC, sans data entry, will be accepted. Direct entry of data into CalREDIE improves reporting processes including submission of case reports to the CDC and inter-jurisdictional communication. The CDPH STDCB website has extensive resources to assist LHJs with CalREDIE including frequently asked questions, manuals/guidelines, and forms/instructions.

<https://www.cdph.ca.gov/Programs/CID/DCDC/Pages/STD-CalREDIE-Resources.aspx>

For additional STD-related CalREDIE help, please email STDCalREDIE@cdph.ca.gov.

C. Data Security and Confidentiality

Grantees shall comply with recommendations set forth in CDC's "Data Security and Confidentiality Guidelines for HIV, Viral Hepatitis, Sexually Transmitted Disease, and Tuberculosis Programs."

<http://www.cdc.gov/nchhstp/programintegration/docs/PCSIDataSecurityGuidelines.pdf>. Grantees shall have staff complete CDPH required confidentiality and data security training, and maintain on file associated confidentiality agreements for each staff person with access to STD data.

D. Outbreak Reporting

The California Code of Regulations (Title 17, Section 2502[c]) directs local health officers to immediately report unusual disease occurrences or outbreaks to CDPH. Reports should be conveyed by calling the CDPH STDCB Office at (510) 620-3400.

Exhibit H

E. Financial Expenditures and Reporting

Grantees must maintain records reflecting actual expenditures. Please see the CDPH STDCB Use of Local Assistance Funds document for guidance on allowable and non-allowable expenditures.

<https://www.cdph.ca.gov/Programs/CID/DCDC/CDPH%20Document%20Library/UseofLocalAssistanceFunds.pdf>. The CDPH STDCB reserves the right to question and re-negotiate reimbursement for any expenditure that may appear to exceed a reasonable cost for the service. Financial expenditures/reporting are required and must be submitted within 45 calendar days after the end of each quarter. Annual financial expenditures and reporting should be submitted no later than 45 days after the end of the budget period. Invoices should be sent to STDLHJInvoices@cdph.ca.gov.

F. Annual Performance Progress Reporting

The Annual Performance Progress Report is due no later than 30 days prior to the end of the budget period (e.g. May 31, 2020), and serves as the continuation application for the follow-on budget period. All publications and manuscripts published as a result of the work supported in part or whole by the cooperative grant must be submitted with the performance progress reports. Additionally, health advisories, health education materials, and other products should be submitted. Annual Performance Progress Report should be submitted to STDLHJContracts@cdph.ca.gov.

G. Reporting Use of Incentives

Acceptable incentives include items such as low value gift cards (e.g., WalMart, Safeway, transportation vouchers), hygiene kits, and/or other STD-related incentives. All proposals for incentives must be submitted to CDPH STDCB for review prior to purchase and project implementation, accompanying documents must contain justification for use as behavior modification material, and accompanied by a targeted distribution plan and tracking/reporting/outcome log. When using incentives to achieve the goals and objectives outlined in the Scope of Work, the Grantee must adhere to the following requirements:

1. Complete a Subject Reimbursement Log that is kept within a secure study file. This log will contain the gift card brand, gift card number, denomination, date purchased, reason for disbursement, the recipient of the incentive, and the issue date (see attached log).
2. Each participant receiving an incentive must complete a Subject Incentive Payment Receipt at the time the incentive is issued. The Subject Incentive Payment Receipt must be kept in a secure location.
3. Participation incentives cannot be used for the purchase of alcohol, tobacco, or drug products.
4. A copy of the Subject Reimbursement Log must be submitted with the quarterly invoice.

Exhibit H

 - B. The CDPH STDCB reserves the right to use and reproduce all reports and data produced and delivered pursuant to the local assistance awards and reserves the right to authorize others to use or reproduce such materials, provided that the confidentiality of patient information and records is protected pursuant to California State laws and regulations.

TO: CONGENITAL SYPHILIS PREVENTION GRANTEES
SUBJECT: SECOND EXTENSION OF CONGENITAL SYPHILIS PREVENTION FUNDING

The California Department of Public Health (CDPH), Sexually Transmitted Diseases Control Branch (STDCB) is pleased to inform the recipients of the Congenital Syphilis Prevention (CSP) funding that an additional extension has been announced by the Centers for Disease Control and Prevention (CDC). This second extension changes the previous extension date of 01/31/25 to 01/31/26 and includes additional funding.

As a reminder, funding for this grant is made possible through a cooperative agreement from the CDC. Below are the highlights of the federal award and a copy of the notice is also attached for reference.

- Federal Grant Award Name: PS19-1901 - Strengthening STD Prevention and Control for Health Departments (PCHD)
- Federal Grant Award Number: NH25PS005127
- Assistance Listing Number (aka CFDA) Number: 93.977

Due to the announcement of this second extension of the grant funding, the first notification letter issued on August 21, 2023 is rescinded and will be replaced with this notice.

Along with the announcement of the 27-month funding extension, the CDC also informed CDPH the level of funding for the extension will not change. With this second time extension and the addition of funding, the amendments currently in progress will be revised to:

- Change the grant agreement term end date from 12/31/23 to the new end date of 01/31/26.
- Add additional same level funding for the periods of 01/01/24 – 01/31/25 and 02/01/25 – 01/31/26.
- Update the grant activities document to allow more flexibility for grantees to spend down the remaining funding.

The change of the end date will not change the original effective date. With this amendment, the grants will have an effective period of January 1, 2021 through January 31, 2026.

CDPH has begun the amendment process and **to expedite this grant amendment through the approval process, we request that you confirm your intention to accept this second extension and the additional funding no than Friday, October 13, 2023**. Please submit a **formal letter of acceptance** via email to STDHJContracts@cdph.ca.gov with a cc to Christine.Johnson@cdph.ca.gov.

When e-mailing your intent to accept the additional funding to STDHJContracts@cdph.ca.gov, please include your agency's name in the subject line when you send the email to help us to easily identify which local health jurisdiction you represent. Please note that no funds are secured until the amendment is fully executed.

Budget revisions for the periods of 01/01/24 – 01/31/25 and 02/01/25 – 01/31/26 will need to be submitted and should include the projected amount to be spent. CDC has approved expanded authority permitting the rollover of unspent funds from calendar year 2023 through the end of January 2026. Budget revision requests for this period can be submitted after December 31, 2023, but no later than April 1, 2024. See Attachment 1 for the updated funding chart showing the amended grant award amounts.

New Flexibility in Use of CSP Grant Funds

The additional funding must be used to continue the CSP and control activities. However, the grant activities have been revised to allow more flexibility for the utilization of the funds. The Scope of Work (aka, grant activities) has been revised to expand syphilis and STI screening and prevention services in local emergency departments and jail settings as well as new optional activities for the Grantee to implement using this funding. These four new optional activities include: providing syphilis testing and prevention with integrated testing for HIV, HCV, chlamydia, gonorrhea, and mpox vaccination; however, there is a 10% cap on safety net clinical services/expenses, and this is based on the annual award amount. In addition to the expansion and integration of services, other optional activities include providing incentives to clients to encourage testing, treatment, and follow-up appointments (incentives are capped at 1% of the annual award); implementing a social marketing campaign; and to propose an innovative and impactful activity to increase client testing or prenatal services for at risk populations. A copy of the revised grant activities document is attached for reference.

Exhibit A Scope of Work

1. Service Overview

The Grantee will implement evidence-based public health activities to proactively address the rise in congenital syphilis (CS) cases within the local health jurisdiction.

Key strategic targets for CS prevention and control include: robust case management for pregnant ~~females~~ **people** with syphilis and CS cases; conducting Morbidity and Mortality Reviews of CS cases to identify missed opportunities for prevention; collaborating with CDPH program staff on a quality improvement project aimed at improving health department syphilis processes; partnering with correctional facilities to implement syphilis screening in jails; and providing education to priority prenatal care providers and birthing hospitals to enhance screening and treatment practices.

Effective January 1, 2023, the Scope of Work (aka grant activities) has been revised to expand syphilis and STI screening and prevention services in local emergency departments and jail settings as well as new optional activities for the Grantee to implement using this funding. These four new optional activities include: providing syphilis testing and prevention with integrated testing for HIV, HCV, chlamydia, gonorrhea, and mpox vaccination; providing incentives to clients to encourage testing, treatment, and follow-up appointments; implementing a social marketing campaign; and to propose an innovative and impactful activity to increase client testing or prenatal services for at risk populations.

2. Service Location

The services shall be performed at applicable facilities within the local health jurisdiction.

3. Service Hours

The services shall be primarily provided Monday through Friday, from 8:00 a.m. to 5:00 p.m. and include evenings, weekends, and holidays as needed.

- B. Invoices shall include the Grant Number and shall be submitted electronically not more frequently than quarterly in arrears to STDLHJInvoices@cdph.ca.gov.

Alternate submittal method is to e-mail invoices to the CDPH Grant manager identified in the CDPH 1229 Grant Agreement.

C. Invoices shall:

- 1) Be prepared on the electronic invoice template provided by CDPH and must be signed by an authorized official, employee or agent certifying that the expenditures claimed represent activities performed and are in accordance with Exhibit A.
- 2) Bear the Grantee's name as shown on the Grant.
- 3) Identify the billing and/or performance period covered by the invoice.
- 4) Itemize costs for the billing period in the same or greater level of detail as indicated in this Grant. Subject to the terms of this Grant, reimbursement may only be sought for those costs and/or cost categories expressly identified as allowable and approved by CDPH.

- D. Invoices must be submitted no more than forty-five (45) calendar days after the end of each quarter unless a later or alternate deadline is agreed to in writing by the program Grant Manager.

- E. Amount awarded under this Grant is identified in the CDPH 1229A Grant Agreement.

2. Budget Contingency Clause

- A. It is mutually agreed that if the Budget Act of the current year and/or any subsequent years covered under this Agreement does not appropriate sufficient funds for the program, this Agreement shall be of no further force and effect. In this event, the State shall have no liability to pay any funds whatsoever to Grantee or to furnish any other considerations under this Agreement and Grantee shall not be obligated to fulfill any provisions of this Agreement.
- B. If funding for any fiscal year is reduced or deleted by the Budget Act for purposes of this program, the State shall have the option to either cancel this Agreement with no liability occurring to the State or offer an agreement amendment to Grantee to reflect the reduced amount.

Exhibit B
Budget Detail and Payment Provisions

3. Prompt Payment Clause

Payment will be made in accordance with, and within the time specified in, Government Code Chapter 4.5, commencing with Section 927.

4. Timely Submission of Final Invoice

- A. A final undisputed invoice shall be submitted for payment no more than forty-five (45) calendar days following the expiration or termination date of this Grant, unless a later or alternate deadline is agreed to in writing by the program grant manager. Said invoice should be clearly marked "Final Invoice", indicating that all payment obligations of the State under this Grant have ceased and that no further payments are due or outstanding.
- B. The State may, at its discretion, choose not to honor any delinquent final invoice if the Grantee fails to obtain prior written State approval of an alternate final invoice submission deadline.

5. Travel and Per Diem Reimbursement

- A. Any reimbursement for necessary travel and per diem shall, unless otherwise specified in this Agreement, be at the rates currently in effect, as established by the California Department of Human Resources ([Cal HR](#)). If the Cal HR rates change during the term of the Agreement, the new rates shall apply upon their effective date and no amendment to this Agreement shall be necessary. No travel outside the State of California shall be reimbursed without prior authorization from the CDPH. Verbal authorization should be confirmed in writing. Written authorization may be in a form including fax or email confirmation.

6. Use of Funds / Supplanting

These funds shall be used to supplement and enhance existing local STI program activities and services and shall not supplant local funding. These funds shall not replace existing services and activities, prevent the addition of new services and activities, and shall not be used to duplicate reimbursement of costs and services received from local funds or other sources. Supplanting of funds is defined (for the purposes of this agreement) as using local assistance award monies to "replace" or "take the place of" existing local funding. For example, reductions in local funds cannot be offset by the use of any dollars for the same purpose.

7. Proper Use of Funds

- A. The funds for this grant agreement may be used for:
 - 1. Local health jurisdiction staff and other relevant staff (listed in the budget as in-kind support) to support STI prevention and control activities.

 3. In-state travel to support local capacity building. This includes training course fees, travel, and per diem to support enhancement of knowledge, skills, and abilities of Disease Intervention Workforce (e.g., Principles, Practices, and Pathways to Disease Intervention (3PDI), Phlebotomy, Cultural Humility), or other staff essential to STI prevention and control.
 4. STI test kits and other testing supplies.

 - a. Client incentives, such as low value gift cards, may be approved as Behavioral Modification Materials (BMM). BMMs are provided to program participants to motivate and/or reinforce positive behavior and/or involvement in STI control and prevention activities. The value of the incentive is limited to \$50.00 of merchandise per person per intervention (e.g., client attendance for syphilis treatment at \$25.00 for each Bicillin injection).
 - b. Current CDPH approvals require the BMM to be justified with scientific proof of behavior change, and be accompanied by a targeted distribution plan, incentive tracking log, and reporting of incentive distribution.
 - c. Incentives cannot be used for the purchase of alcohol, tobacco, or drug products.
 - d. There is no prepayment for incentives. The Grantee will only be reimbursed for the total cost of incentives distributed during each quarter.

- B. CDPH reserves the right to cancel or terminate this Grant immediately for cause. The Grantee may submit a written request to terminate this Grant only if CDPH substantially fails to perform its responsibilities as provided herein.
- C. The term "for cause" shall mean that the Grantee fails to meet the terms, conditions, and/or responsibilities of this agreement. Causes for termination include, but are not limited to the following occurrences:
 - 1) If the Grantee knowingly furnishes any statement, representation, warranty, or certification in connection with the agreement, which representation is materially false, deceptive, incorrect, or incomplete.
 - 2) If the Grantee fails to perform any material requirement of this Grant or defaults in performance of this agreement.
 - 3) If the Grantee files for bankruptcy, or if CDPH determines that the Grantee becomes financially incapable of completing this agreement.

- E. In the event of early termination or cancellation, the Grantee shall be entitled to compensation for services performed satisfactorily under this agreement and expenses incurred up to the date of cancellation and any non-cancelable obligations incurred in support of this Grant.
- F. In the event of termination, and at the request of CDPH, the Grantee shall furnish copies of all proposals, specifications, designs, procedures, layouts, copy, and other materials related to the services or deliverables provided under this Grant, whether finished or in progress on the termination date.

 - 1) Place no further order or subgrants for materials, services, or facilities.

Exhibit D
Additional Provisions

- 2) Settle all outstanding liabilities and all claims arising out of such termination of orders and subgrants.
 - 3) Upon the effective date of termination of the Grant and the payment by CDPH of all items properly changeable to CDPH hereunder, Grantee shall transfer, assign and make available to CDPH all property and materials belonging to CDPH, all rights and claims to any and all reservations, grants, and arrangements with owners of media/PR materials, or others, and shall make available to CDPH all written information regarding CDPH's media/PR materials, and no extra compensation is to be paid to Grantee for its services.

- I. CDPH may, at its discretion, require the Grantee to cease performance of certain components of the Scope of Work as designated by CDPH and complete performance of other components prior to the termination date of the Grant.

2. Avoidance of Conflicts of Interest by Grantee

- A. CDPH intends to avoid any real or apparent conflict of interest on the part of the Grantee, subgrants, or employees, officers and directors of the Grantee or subgrants. Thus, CDPH reserves the right to determine, at its sole discretion, whether any information, assertion or claim received from any source indicates the existence of a real or apparent conflict of interest; and, if a conflict is found to exist, to require the Grantee to submit additional information or a plan for resolving the conflict, subject to CDPH review and prior approval.
- B. Conflicts of interest include, but are not limited to:
- 1) An instance where the Grantee or any of its subgrants, or any employee, officer, or director of the Grantee or any subgrant or has an interest, financial or otherwise, whereby the use or disclosure of information obtained while performing services under the grant would allow for private or personal benefit or for any purpose that is contrary to the goals and objectives of the grant.
 - 2) An instance where the Grantee's or any subgrant's employees, officers, or directors use their positions for purposes that are, or give the appearance of being, motivated by a desire for private gain for themselves or others, such as those with whom they have family, business or other ties.
- C. If CDPH is or becomes aware of a known or suspected conflict of interest, the Grantee will be given an opportunity to submit additional information or to resolve

Exhibit D
Additional Provisions

the conflict. A Grantee with a suspected conflict of interest will have five (5) working days from the date of notification of the conflict by CDPH to provide complete information regarding the suspected conflict. If a conflict of interest is determined to exist by CDPH and cannot be resolved to the satisfaction of CDPH, the conflict will be grounds for terminating the grant. CDPH may, at its discretion upon receipt of a written request from the Grantee, authorize an extension of the timeline indicated herein.

3. Dispute Resolution Process

- A. A Grantee grievance exists whenever there is a dispute arising from CDPH's action in the administration of an agreement. If there is a dispute or grievance between the Grantee and CDPH, the Grantee must seek resolution using the procedure outlined below.
- 1) The Grantee should first informally discuss the problem with the CDPH Program Grant Manager. If the problem cannot be resolved informally, the Grantee shall direct its grievance together with any evidence, in writing, to the program Branch Chief. The grievance shall state the issues in dispute, the legal authority or other basis for the Grantee's position and the remedy sought. The Branch Chief shall render a decision within ten (10) working days after receipt of the written grievance from the Grantee. The Branch Chief shall respond in writing to the Grantee indicating the decision and reasons therefore. If the Grantee disagrees with the Branch Chief's decision, the Grantee may appeal to the second level.
 - 2) When appealing to the second level, the Grantee must prepare an appeal indicating the reasons for disagreement with Branch Chief's decision. The Grantee shall include with the appeal a copy of the Grantee's original statement of dispute along with any supporting evidence and a copy of the Branch Chief's decision. The appeal shall be addressed to the Deputy Director of the division in which the branch is organized within ten (10) working days from receipt of the Branch Chief's decision. The Deputy Director of the division in which the branch is organized or his/her designee shall meet with the Grantee to review the issues raised. A written decision signed by the Deputy Director of the division in which the branch is organized or his/her designee shall be directed to the Grantee within twenty (20) working days of receipt of the Grantee's second level appeal.
- B. If the Grantee wishes to appeal the decision of the Deputy Director of the division in which the branch is organized or his/her designee, the Grantee shall follow the procedures set forth in Division 25.1 (commencing with Section 38050) of the Health and Safety Code and the regulations adopted thereunder. (Title 1, Division 2, Chapter 2, Article 3 (commencing with Section 1140) of the California Code of Regulations).

Exhibit D
Additional Provisions

- C. Disputes arising out of an audit, examination of an agreement or other action not covered by subdivision (a) of Section 20204, of Chapter 2.1, Title 22, of the California Code of Regulations, and for which no procedures for appeal are provided in statute, regulation or the Agreement, shall be handled in accordance with the procedures identified in Sections 51016 through 51047, Title 22, California Code of Regulations.
- D. Unless otherwise stipulated in writing by CDPH, all dispute, grievance and/or appeal correspondence shall be directed to the CDPH Grant Manager.
- E. There are organizational differences within CDPH's funding programs and the management levels identified in this dispute resolution provision may not apply in every contractual situation. When a grievance is received and organizational differences exist, the Grantee shall be notified in writing by the CDPH Grant Manager of the level, name, and/or title of the appropriate management official that is responsible for issuing a decision at a given level.

4. Executive Order N-6-22 - Economic Sanctions

On March 4, 2022, Governor Gavin Newsom issued Executive Order N-6-22 (the EO) regarding Economic Sanctions against Russia and Russian entities and individuals. "Economic Sanctions" refers to sanctions imposed by the U.S. government in response to Russia's actions in Ukraine, as well as any sanctions imposed under state law. The EO directs state agencies to terminate contracts with, and to refrain from entering any new contracts with, individuals or entities that are determined to be a target of Economic Sanctions. Accordingly, should the State determine Grantee is a target of Economic Sanctions or is conducting prohibited transactions with sanctioned individuals or entities, that shall be grounds for termination of this Agreement. The State shall provide Grantee advance written notice of such termination, allowing Grantee at least 30 calendar days to provide a written response. Termination shall be at the sole discretion of the State.

Prior to awarding and executing grant, the State shall conduct its due diligence to determine if the proposed awardee is a named individual or entity on federal and any state Economic Sanctions lists. Exhibit H

STD Local Assistance Funds – Standards and General Terms and Conditions

1. Overview

The California Department of Public Health (CDPH) STD Control Branch (STDCB) sets forth the following standards and procedures. These standards and procedures specify the conditions for receipt of CDPH STDCB local assistance funds. The purpose of the sexually transmitted disease (STD) local assistance funds is to augment local support for STD prevention and control activities. The local health department has the authority for STD prevention and control as outlined in the Summary of Regulations Related to STD Prevention and Control Efforts in California.

<https://www.cdph.ca.gov/Programs/CID/DCDC/Pages/STD-ForLocalHealthJurisdictions.aspx>.

2. Grantee's Responsibilities

The Grantee agrees to:

- A. Direct activities toward achieving the program objectives set forth by the CDPH STDCB.
- B. Use these funds in accordance with any additional guidance set forth by the CDPH STDCB regarding the granting, use and reimbursement of the STDCB local assistance funds. Additional consideration should be given to other guidance from the CDPH and Centers for Disease Control and Prevention intended to highlight successful STD or HIV prevention strategies or outline California specific initiatives, policies and procedures. Please find relevant programmatic guidance documents on the CDPH STDCB website:
<https://www.cdph.ca.gov/Programs/CID/DCDC/Pages/STD.aspx>
- C. Use these funds to augment existing funds and not supplant funds that have been locally appropriated for the same purposes. Local assistance funds are intended to provide local entities with increased capabilities to address STD control needs. Supplanting of funds is defined (for the purposes of this agreement) as using local assistance award monies to "replace" or "take the place of" existing local funding. For example, reductions in local funds cannot be offset by the use of CDPH STDCB dollars for the same purpose.
- D. Abide by the most recent standards of care for STD screening, treatment, control and prevention as promulgated by:
 1. California Department of Public Health
<https://www.cdph.ca.gov/Programs/CID/DCDC/Pages/STDs-ClinicalGuidelines.aspx>
 2. Centers for Disease Control and Prevention
<https://www.cdc.gov/std/tg2015/default.htm>
- E. Share health advisories, health education materials, and other products created to enhance STD awareness and prevention funded with these dollars with CDPH and other LHJs in California. The intent of this is to allow duplication (where possible) and cross-jurisdictional reach of successful STD awareness campaigns aimed at the public, select populations, or clinical providers. These should be submitted with the annual progress report.
- F. Submit information and reports as requested by the CDPH STDCB.

CDPH STD Control Branch will provide essential variables for data entry and STD case report forms. Specific case investigation and report requirements are as follows:

1. Syphilis laboratory tests and confidential morbidity reports should be processed and assigned for investigation according to the California Syphilis Reactor Alert System (SRAS). Some health jurisdictions may have a more nuanced local system for prioritizing reported reactive syphilis tests.
<https://www.cdph.ca.gov/Programs/CID/DCDC/CDPH%20Document%20Library/SyphilisReactorSRASChartAlgorithm.pdf>
2. Syphilis cases and congenital syphilis case investigations are to be reported according to updated CDPH STDCB protocols on the appropriate case report forms (Syphilis Interview Record or California Congenital Syphilis-CS Case Investigation and Report) found in CalREDIE; samples of these forms can be viewed at <https://www.cdph.ca.gov/Programs/PSB/Pages/CommunicableDiseaseControl.aspx>. Grantees will submit complete case reports into the CalREDIE Electronic Filing Cabinet within 45 days of initial report to local health department.
3. Chlamydia and gonorrhea reports are automatically initiated through CalREDIE with electronic laboratory report information, data entry of laboratory, or provider report.
4. Cases of gonorrhea with suspected treatment failure or with high minimum inhibitory concentrations (MIC) to CDC-recommended treatment should be reported to CDPH STDCB within 24 hours of initial report to local health department. Reports should be conveyed by calling the CDPH STDCB Office at (510) 620-3400.
5. Suspected or confirmed cases of granuloma inguinale, lymphogranuloma venereum, and chancroid should be reported to CDPH STDCB within 24 hours of initial report to local health department. Reports should be conveyed by calling the CDPH STDCB Office at (510) 620-3400.

All Grantees, excluding Los Angeles and San Francisco, must enter STD case data for their jurisdiction directly into CalREDIE, including data entry of core variables into the CalREDIE tabs, case reports and interview records. Neither submission of hard copy forms for data entry into CalREDIE by CDPH, nor scanning of case reports/interview records into EFC, sans data entry, will be accepted. Direct entry of data into CalREDIE improves reporting processes including submission of case reports to the CDC and inter-jurisdictional communication. The CDPH STDCB website has extensive resources to assist LHJs with CalREDIE including frequently asked questions, manuals/guidelines, and forms/instructions.

Additionally, health advisories, health education materials, and other products should be submitted. Annual Performance Progress Report should be submitted to STDLHJContracts@cdph.ca.gov.

G. Reporting Use of Incentives

When using incentives to achieve the goals and objectives outlined in the Scope of Work, the Grantee must adhere to the following requirements:
