BACKGROUND:

Summary

The Transportation Uniform Mitigation Fee (TUMF) Program Reimbursement Agreement (Reimbursement Agreement) is a supplemental document to the TUMF Program Improvement and Credit/Reimbursement Agreement (TUMF Agreement) between Ranch RV & Self-Storage-Temescal Valley, LLC (Developer), Western Riverside Council of Governments (WRCOG), and the County of Riverside (County) associated with Plot Plan 26403 and Parcel Map 37599 (Project), which was approved by the Board of Supervisors on June 6, 2023 (Agenda Item 3.35).

The improvements include the realignment of Temescal Canyon Road along the frontage of the Project. These road improvements are identified under the TUMF Program and are required by conditions of approval for the Project, which are owned by the Developer.

The Transportation Department has determined that the Developer would be eligible for a reimbursement amount set forth in this Reimbursement Agreement. Upon completion of improvements, acceptance by the County, and verification of actual costs, the Transportation Department will determine the actual reimbursement amount due to the Developer.

The payment of the reimbursement amount is subject to the improvements being scheduled for funding pursuant to the WRCOG Transportation Improvement Program (TIP), and WRCOG having funds available and appropriated for payment of the reimbursement amount.

Impact on Residents and Businesses

The realignment of Temescal Canyon Road will improve traffic flow and is a facility identified in the County General Plan.
