NOTICE OF EXEMPTION

January 26, 2024

Project Name: Approval of Five-Year Revenue Lease Amendment with General Services Administration – U.S. Attorney’s Office (GSA) at the Riverside Centre, Riverside

Project Number: FM047611047700

Project Location: 3401 10th Street, Suites 100, 600, 640, 800, and 830, west of Lime Street, Riverside, California 92501, Assessor’s Parcel Number (APN): 215-120-005

Description of Project: Riverside Centre is a 147,565 square foot County-owned office building complex located at 3403 Tenth Street, Riverside that is occupied by both County departments and private sector organizations. GSA has occupied the Riverside Centre space since 2012. GSA and FM Real Estate have negotiated a revenue lease amendment under new terms for a total occupancy of 16,578 square feet.

The Revenue Lease Amendment with GSA commences on May 17, 2024 and includes one five-year option to extend. The Revenue Lease Amendment with GSA is identified as the proposed project under the California Environmental Quality Act (CEQA). No expansion of an existing use will occur. The operation of the facility will continue to provide services to the public. The Revenue Lease will not result in an increase in capacity or the intensity of the use of the site. No additional direct or indirect physical environmental impacts are anticipated.

Name of Public Agency Approving Project: Riverside County

Name of Person or Agency Carrying Out Project: Riverside County Facilities Management

Exempt Status: State CEQA Guidelines Section 15301, Class 1, Existing Facilities Exemption; Section 15061(b) (3), “Common Sense” Exemption. Codified under California Code of Regulations Title 14, Article 5, Section 15061.

Reasons Why Project is Exempt: The proposed project is categorically exempt from the provisions of CEQA specifically by the State CEQA Guidelines as identified below. The project will not result in any specific or general exceptions to the use of the categorical exemption as detailed under State CEQA Guidelines Section 15300.2. The project will not cause an impact to an environmental resource of hazardous or critical concern nor would the project involve unusual circumstances that could potentially have a significant effect on the environment. The project would not result in impacts to scenic highways, hazardous waste sites, historic resources, or other sensitive natural environments, or have a cumulative effect to the environment. No significant environmental impacts are anticipated to occur with the Revenue Lease Amendment.

- **Section 15301 – Class 1 Existing Facilities Exemption:** This categorical exemption includes the operation, repair, maintenance, leasing, or minor alteration of existing public or private structures or facilities, provided the exemption only involves negligible or no expansion of the previous site’s use. The project, as proposed, is limited to an extension of term for the existing Revenue Lease to continue services at an existing facility. The continuation of these services will result in the ongoing use, operation, and maintenance of the facility. The use of the facility would not result in any changes as a result of the occupancy and no expansion of public services would occur. Therefore, the project is exempt as the project meets the scope and intent of the Class 1 Exemption identified in Section 15301, Article 19, Categorical Exemptions of the CEQA Guidelines.
- **Section 15061 (b) (3) – “Common Sense” Exemption:** In accordance with CEQA, the use of the Common Sense Exemption is based on the “general rule that CEQA applies only to projects which have the potential for causing a significant effect on the environment.” State CEQA Guidelines, Section 15061(b) (3). The use of this exemption is appropriate if “it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment.” *Ibid*. This determination is an issue of fact and if sufficient evidence exists in the record that the activity cannot have a significant effect on the environment, then the exemption applies and no further evaluation under CEQA is required. See *No Oil, Inc. v. City of Los Angeles* (1974) 13 Cal. 3d 68. The ruling in this case stated that if a project falls within a category exempt by administrative regulation or 'it can be seen with certainty that the activity in question will not have a significant effect on the environment', no further agency evaluation is required. With certainty, there is no possibility that the project may have a significant effect on the environment. The proposed Revenue Lease Amendment, which will result in the continued use of office space at the Riverside Centre, will not result in any direct or indirect physical environmental impacts. The use and operation of the facility will be substantially similar to the existing use and will not create any new environmental impacts to the surrounding area. No impacts beyond the ongoing, existing use of the site would occur. Therefore, in no way, would the project as proposed have the potential to cause a significant environmental impact and the project is exempt from further CEQA analysis.

Therefore, the County of Riverside Facilities Management hereby concludes that no physical environmental impacts are anticipated to occur and the project as proposed is exempt under CEQA. No further environmental analysis is warranted.

Rent Type	Annual Amount
Shell Rent	\$519,222.96
Operating Cost Rent	\$109,414.80
Parking*	\$10,240.00
Total Annual Rent	\$638,877.76

*Parking: 8 spaces at \$1,280 annual rent per space.

Operating Cost Base: The parties agree, for the purpose of applying the paragraph titled "Operating Costs Adjustment," that the Lessor's base rate for operating costs shall be \$6.60 per RSF.

Operating Cost Adjustments:

Beginning with the second year of the First Renewal term and each year thereafter, the Government shall pay annual incremental adjusted rent for changes in costs for cleaning services, supplies, materials, maintenance, trash removal, landscaping, water, sewer charges, heating, electricity, and certain administrative expenses attributable to occupancy.

The amount of adjustment will be determined by multiplying the base rate by the annual percent of change in the Cost of Living Index. The percent change will be computed by comparing the index figure published for the month prior to the Lease Term Renewal Commencement Date with the index figure published for the month prior which begins each successive 12-month period. For example, a Lease which commences in June of 2005 would use the index published for May of 2005, and that figure would be compared with the index published for May of 2006, May of 2007, and so on, to determine the percent change. The Cost of Living Index will be measured by the Department of Labor revised Consumer Price Index for Urban Wage Earners and Clerical Workers (CPI-W), U.S. city average, all items, (1982 to 1984 = 100) published by the Bureau of Labor Statistics. Payment will be made with the monthly installment of fixed rent. Rental adjustments will be effective on the anniversary date of the Lease; however, payment of the adjusted rental rate will become due on the first workday of the second month following the publication of the Cost of Living Index for the month prior to the commencement of each 12-month period.

Termination. The Government may terminate this lease in whole or in part after May 17, 2028 during the Renewal Term by giving at least **120 days'** prior notice in writing to the Lessor. No rental shall accrue after the effective date of termination. Said notice shall be computed commencing with the day after the date of mailing.

- B. This Lease may be renewed at the option of the Government for a term of **5 YEARS** from **May 18, 2029 to May 17, 2034** (the "Second Renewal Term") at the following rental rate(s):

Rent Type	Annual Amount
Shell Rent	\$632,616.48
Operating Cost Rent*	\$109,414.80
Parking**	\$10,240.00
Total Rent	\$752,271.28

*Operating cost rent above reflects accrued CPI operating cost adjustments as of this lease amendment execution date. Operating cost adjustments will continue on their established schedule.

**Parking: 8 spaces at \$500 annual rent per space.

provided notice is given to the Lessor at least **90 days** before the end of the original Lease term or any extension thereof; all other terms and conditions of this Lease, as same may have been amended, shall remain in full force and effect during any renewal term.

Termination. The Government may terminate this lease in whole or in part after May 17, 2033 during the Renewal Term by giving at least **120 days'** prior notice in writing to the Lessor. No rental shall accrue after the effective date of termination. Said notice shall be computed commencing with the day after the date of mailing.

- (a) The solicitation, amended solicitation, or lease contract provides a different definition (e.g., R100, L100);
- (b) An applicable part, subpart, or section of the FAR or GSAM provides a different meaning.

5) 552.270-10 Default by Lessor (Jul 2023) (Deviation)

LESSOR:  GOVERNMENT: _____

Occurrence of the following constitutes default by the Lessor and gives rise to the following rights and remedies of the Government:

(a) *Prior to acceptance of the space.* Failure by the Lessor to perform diligently any obligations required for acceptance of the space or other required improvements within the times specified, other than due to an excusable delay, shall constitute a default by the Lessor. Subject to provision of notice of default to the Lessor, and provision of a reasonable opportunity for the Lessor to cure its default, the Government may, in its sole discretion, terminate the lease on account of the Lessor's default.

(b) *After acceptance of the space.* Failure by the Lessor to perform any service, to provide any item, or satisfy any requirement of this lease, other than due to an excusable delay, constitutes a default by the Lessor. Subject to provision of notice of default to the Lessor, and provision of a reasonable opportunity for the Lessor to cure its default, the Government may, in its sole discretion, take one or more of the following actions:

- (1) Perform the service, provide the item, or obtain satisfaction of the requirement by its own employees or contractors. If the Government elects to take such action, the Government may deduct from rental payments its costs, including administrative costs, incurred in connection with taking the action;
- (2) Reduce the rent by an amount reasonably calculated to approximate the cost or value of the service not performed, item not provided, or requirement not satisfied, such reduction effective as of the date of the commencement of the default condition. If default renders the leased premises untenable, the reduction of rent may be calculated as the pro-rated portion of the monthly rent represented by all such days the leased premises is untenable;
- (3) Terminate the lease if:
 - (i) The Lessor's default persists notwithstanding provision of notice and reasonable opportunity to cure by the Government, or
 - (ii) The Lessor fails to take such actions as are necessary to prevent the recurrence of default conditions, and such conditions substantially impair the safe and healthful occupancy of the premises, or render the premises unusable for its intended purposes.

(c) *Damages.* The Lessor and the Lessor sureties, if any, are jointly and severally liable for any damages to the Government resulting from default or termination, as provided in this clause.

- (1) Damages include all costs associated with the replacement lease(s), which include but are not limited to the following: the Government's aggregate rent, estimated real estate taxes, operating costs, administrative costs, or other procurement costs.
- (2) If the Government procures replacement premises for a term (including all option terms) in excess of this lease term, the Lessor is not liable for excess Government rent or adjustments during such excess lease term.
- (3) Damages to which the Government is entitled to under this clause are due and payable thirty (30) days following the date the Lessor receives notice from the Contracting Officer specifying such damages.

(d) *Excusable delays.*

- (1) The Government shall not terminate this lease under this clause nor charge the Lessor with damages under this clause, if:
 - (i) the delay in substantially completing any work or performing any services arises from excusable delays, and

FAR and GSAR Clauses for Lease Renewals
(DEC 2023)

(a) When space is offered and accepted, ANSI/BOMA Occupant Area (ABOA) square footage delivered will be confirmed by either:

(1) The Government's measurement of plans submitted by the successful offeror as approved by the Government, and an inspection of the space to verify that the delivered space conforms with such plans; or

(2) A mutual on-site measurement of the space if the Contracting Officer determines it necessary.

(b) The Government will not pay for space in excess of the amount of ABOA square footage stated in the lease.

(c) If the amount of ABOA square footage delivered is less than the amount agreed to in the lease, the lease will be modified to reflect the amount of ABOA space delivered and the annual rental will be adjusted as follows:

ABOA square feet not delivered multiplied by one plus the common area factor (CAF), multiplied by the rate per rentable square foot (RSF). That is:

$$(1 + CAF) \times \text{Rate per RSF} = \text{Reduction in Annual Rent}$$

(d) *Common Area Factor (CAF)*. The CAF is expressed as a percentage of the difference between the amount of rentable square feet (SF) and ABOA SF, divided by the ABOA SF. For example 11,500 RSF and 10,000 ABOA SF will have a CAF of 15% $(11,500 \text{ RSF} - 10,000 \text{ ABOA SF}) / 10,000 \text{ ABOA SF}$.

(e) *Rentable Square Footage (RSF)*. The RSF is calculated using the following formula for each type of space (e.g., office, warehouse, etc.) included in the premises: $\text{ABOA SF of Space} \times (1 + \text{CAF}) = \text{RSF}$.

- (a) The solicitation, amended solicitation, or lease contract provides a different definition (e.g., R100, L100);

LESSOR: _____ GOVERNMENT: _____

(b) An applicable part, subpart, or section of the FAR or GSAM provides a different meaning.

5) 552.270-10 Default by Lessor (Jul 2023) (Deviation)

Occurrence of the following constitutes default by the Lessor and gives rise to the following rights and remedies of the Government:

(a) *Prior to acceptance of the space.* Failure by the Lessor to perform diligently any obligations required for acceptance of the space or other required improvements within the times specified, other than due to an excusable delay, shall constitute a default by the Lessor. Subject to provision of notice of default to the Lessor, and provision of a reasonable opportunity for the Lessor to cure its default, the Government may, in its sole discretion, terminate the lease on account of the Lessor's default.

(b) *After acceptance of the space.* Failure by the Lessor to perform any service, to provide any item, or satisfy any requirement of this lease, other than due to an excusable delay, constitutes a default by the Lessor. Subject to provision of notice of default to the Lessor, and provision of a reasonable opportunity for the Lessor to cure its default, the Government may, in its sole discretion, take one or more of the following actions:

- (1) Perform the service, provide the item, or obtain satisfaction of the requirement by its own employees or contractors. If the Government elects to take such action, the Government may deduct from rental payments its costs, including administrative costs, incurred in connection with taking the action;
- (2) Reduce the rent by an amount reasonably calculated to approximate the cost or value of the service not performed, item not provided, or requirement not satisfied, such reduction effective as of the date of the commencement of the default condition. If default renders the leased premises untenable, the reduction of rent may be calculated as the pro-rated portion of the monthly rent represented by all such days the leased premises is untenable;
- (3) Terminate the lease if:
 - (i) The Lessor's default persists notwithstanding provision of notice and reasonable opportunity to cure by the Government, or
 - (ii) The Lessor fails to take such actions as are necessary to prevent the recurrence of default conditions, and such conditions substantially impair the safe and healthful occupancy of the premises, or render the premises unusable for its intended purposes.

(c) *Damages.* The Lessor and the Lessor sureties, if any, are jointly and severally liable for any damages to the Government resulting from default or termination, as provided in this clause.

- (1) Damages include all costs associated with the replacement lease(s), which include but are not limited to the following: the Government's aggregate rent, estimated real estate taxes, operating costs, administrative costs, or other procurement costs.
- (2) If the Government procures replacement premises for a term (including all option terms) in excess of this lease term, the Lessor is not liable for excess Government rent or adjustments during such excess lease term.
- (3) Damages to which the Government is entitled to under this clause are due and payable thirty (30) days following the date the Lessor receives notice from the Contracting Officer specifying such damages.

(d) *Excusable delays.*

- (1) The Government shall not terminate this lease under this clause nor charge the Lessor with damages under this clause, if:
 - (i) the delay in substantially completing any work or performing any services arises from excusable delays, and
 - (ii) the Lessor, within ten (10) days from the beginning of any such delay (unless extended in writing by the Contracting Officer) provides notice to the Contracting Officer of the causes of delay.
- (2) The Contracting Officer shall ascertain the facts and the extent of delay. If the facts warrant, the Contracting Officer shall extend the delivery date commensurate with the delay at no additional costs to the Government. A time extension is the sole remedy of the Lessor.

LESSOR: _____ GOVERNMENT: _____

(e) No deduction from rent, termination of lease, or any other action pursuant to this clause will constitute a default by the Government under this lease.

(f) The rights and remedies specified in this clause are in addition to any and all remedies to which the Government may be entitled as a matter of law.

6) 552.270-20 Payment (Aug 2023) (Deviation)

(2) A mutual on-site measurement of the space if the Contracting Officer determines it necessary.

(b) The Government will not pay for space in excess of the amount of ABOA square footage stated in the lease.

(c) If the amount of ABOA square footage delivered is less than the amount agreed to in the lease, the lease will be modified to reflect the amount of ABOA space delivered and the annual rental will be adjusted as follows:
