C.E.O. RECOMMENDATION: Approve

BACKGROUND:

Summary

The Cooperative Agreement sets forth the terms and conditions by which certain flood control facilities required as a condition of approval for Tract Map No. 32026 are to be constructed by the Developer and will be inspected, operated, and maintained by the County and District.

The Agreement is necessary to formalize the transfer of necessary rights of way and to provide for District construction inspection and subsequent operation and maintenance of the referenced storm drain facilities.

Upon construction completion, the County will assume ownership and responsibility for the operation and maintenance of (i) a water quality/detention basin, (ii) a public use trail and (iii) various catch basins, curb and gutters, junction structure, inlets, outlets, concrete collar and certain lateral storm drains 36 inches and less in diameter within County rights of way.

The District will assume ownership and responsibility for the operation and maintenance of a debris basin and the mainline storm drain systems that are greater than 36 inches in diameter, their associated riprap outlet structure, spillway, access road and its associated structures, two 18-inch reinforced concrete pipes, concrete pads, slope protection barriers, signage and fencing.

County Counsel has approved the Agreement as to legal form, and the Developer has executed the Agreement. A companion item appears on the Riverside County Flood Control and Water Conservation District's agenda on the same date.

Environmental Finding

The County previously approved the Initial Study/Mitigated Negative Declaration (IS/MND) that was prepared for the Tract Map No. 32026 Project (EA No. CEQ180047). The County acting as CEQA lead agency finds that the inspection, acceptance, operation, and maintenance as described in the Agreement are adequately addressed by the Initial Study/Mitigated Negative Declaration. The terms of ownership, operation, and maintenance between the County and District as described in this Agreement will not have a significant impact on the environment. Therefore, no further analysis is required under CEQA. None of the triggers under Section 15162 of the State CEQA Guidelines applies. Pursuant to the State CEQA Guidelines Section

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

15061(b)(3) (Common Sense Exemption), which provides, "The activity is covered by the common-sense exemption that CEQA applies only to projects which have the potential for causing a significant effect on the environment. Where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, the activity is not subject to CEQA". Therefore, no further analysis is required under CEQA.

Impact on Residents and Businesses

Construction of these drainage and channel improvements are a requirement for the development of Tract Map No. 32026. The principal beneficiaries are the future residents of the tract. Ancillary benefits will accrue to the public who will utilize the tract's roadways.

Additional Fiscal Information

The Developer is funding all construction and construction inspection costs. Future operation and maintenance costs of the County maintained storm drain facilities will accrue to the County. Future operation and maintenance costs of the District maintained storm drain facilities will accrue to the District.

As a condition of approval for Tract Map No. 32026, DEVELOPER has proposed to construct certain flood control facilities to provide flood protection and drainage for DEVELOPER's planned development; and

C. The proposed development of certain flood control facilities and drainage improvements, related to Tract Map No. 32026, are shown on DISTRICT Drawing No. 3-0228, and as shown in concept on Exhibit "B" attached hereto and made a part hereof, include the construction of the following:

Lakeland Village MDP – Line N, Stage 1 ("LINE N STAGE 1"): consisting of approximately 2,543 lineal feet of 48-inch diameter reinforced concrete pipe ("RCP"), and its associated outlet structure. At its downstream terminus LINE N STAGE 1 will connect to an existing storm drain owned/operated by the city of Lake Elsinore; and
- ii. Lakeland Village MDP – Line N Debris Basin ("DEBRIS BASIN"), which is a debris/detention comprised of 2.63 acres, including two 18-inch RCP, riprap, spillway, outlet structure, access road and its associated structures to serve as a 100-year peak flow and runoff mitigation for the offsite stormwater flows as shown shaded in gray in Exhibit "B"; and
- iii. Lakeland Village – Calle Aman Storm Drain ("STORM DRAIN"): consisting of approximately 568 lineal feet of RCP ranging in diameter from 48-inch to 60-inch; and
- iv. All safety devices requested by DISTRICT staff during the course of project construction and during any final field inspections, including, but not limited to, concrete pads, slope protection barriers, signage, and fencing ("SAFETY DEVICES"). The bonds shall remain in full force and effect until DISTRICT FACILITIES are accepted by DISTRICT and COUNTY FACILITIES are accepted by COUNTY as complete. Both bonds shall be subscribed by an Admitted Surety Insurer, which is authorized to transact surety insurance business in the State of California with a policy holder's rating of A or higher and a Financial Class of VIII or larger. SECTION III

COUNTY shall:

1. Review and approve IMPROVEMENT PLANS prior to the start of PROJECT construction when COUNTY has determined that such plans meet COUNTY standards.

2. Accept COUNTY and DISTRICT approved faithful performance and payment bonds submitted by DEVELOPER, which meet the requirements of COUNTY Ordinance No. 460, including any amendments thereto, as set forth in Section I.4., for the estimated cost for construction of DISTRICT FACILITIES as determined by DISTRICT and of

COUNTY FACILITIES as determined by COUNTY and hold said bonds as provided in this Agreement. The surety, amount and form of the bonds shall list DISTRICT and COUNTY as obligee and be subject to the approval of DISTRICT (Attention: Contract Services Section) and COUNTY. The bonds shall remain in full force and effect until DISTRICT FACILITIES are accepted by DISTRICT and COUNTY FACILITIES are accepted by COUNTY as complete. Both bonds shall be subscribed by an Admitted Surety Insurer, which is authorized to transact surety insurance business in the State of California with a policy holder's rating of A or higher and a Financial Class of VII or larger. Should any bond or surety become insufficient, DEVELOPER shall furnish a new bond within ten (10) calendar days after receiving notice from COUNTY. COUNTY shall not release said bonds until DISTRICT provides COUNTY with a reproducible duplicate copy of "record drawings" and written notification as set forth in Section II.10.

3. Request DEVELOPER update the construction schedule as deemed necessary.

4. By execution of this Agreement, grant DISTRICT the right to inspect, operate and maintain DISTRICT FACILITIES and BASIN LINES AND GRADES within COUNTY right of way.

5. By execution of this Agreement, consent to DISTRICT recording of any Irrevocable Offer(s) of Dedication furnished by DEVELOPER pursuant to this Agreement.

6. As requested by DISTRICT, accept the Irrevocable Offer(s) of Dedication as set forth herein and any other outstanding offers of dedication necessary for the construction, inspection, operation and maintenance of DISTRICT FACILITIES and convey sufficient right of way to DISTRICT to allow DISTRICT to construct, inspect, operate and maintain DISTRICT FACILITIES.

7. Inspect PROJECT construction.
8. Upon completion of PROJECT construction but prior to DISTRICT acceptance of DISTRICT FACILITIES for ownership, operation and maintenance, convey or cause to be conveyed to DISTRICT the flood control easement(s) or grant deed(s), including ingress and egress, to the right of way as shown in concept in "cross-hatched" on Exhibit "D".

It being further understood and agreed that any such adjustments shall be performed by COUNTY at no cost to DISTRICT.

SECTION IV

It is further mutually agreed:

1. DISTRICT may withhold acceptance for ownership and sole responsibility for the operation and maintenance of DISTRICT FACILITIES unless and until DEVELOPER performs all obligations under this Agreement.

2. All construction work involved with PROJECT shall be inspected by DEVELOPER, DISTRICT and COUNTY but shall not be deemed complete until DISTRICT and COUNTY mutually agree in writing that construction of PROJECT is completed in accordance with DISTRICT and COUNTY approved IMPROVEMENT PLANS.

3. DISTRICT and COUNTY personnel may observe and inspect all work being done on DISTRICT FACILITIES but shall provide any comments to DISTRICT personnel who shall be solely responsible for all quality control communications with DEVELOPER's contractor(s) during the construction of DISTRICT FACILITIES.

This right of entry shall terminate when such construction and any other remaining work is complete.
- b. COUNTY shall enforce the bonds and subsequently reimburse DISTRICT for DISTRICT costs incurred. If funds from the bond are insufficient to cover both COUNTY and DISTRICT's costs, COUNTY and DISTRICT shall negotiate an allocation of funds between them and determine whether COUNTY or DISTRICT shall cover the remaining costs.

6. In the event DEVELOPER wishes to expedite issuance of a Notice to Proceed, DEVELOPER may elect to furnish an independent qualified construction inspector at DEVELOPER's sole cost and expense. DEVELOPER shall furnish appropriate documentation of the individual's credentials and experience to DISTRICT for review and, if appropriate, approval. DISTRICT shall review the individual's qualifications and experience, upon approval thereof, said individual, hereinafter called "DEPUTY INSPECTOR" shall be authorized to act on DISTRICT's behalf on all DISTRICT FACILITIES construction and quality control matters. The request shall be submitted to DISTRICT and COUNTY at least seventy-two (72) hours prior to the requested additional work hours and state the reasons for the overtime and the specific time frames required. The decision of granting permission for overtime work shall be made by DISTRICT and COUNTY at their sole discretion and shall be final. If permission is granted by DISTRICT and COUNTY, DEVELOPER will be charged the cost incurred at the overtime rates for additional inspection time required in connection with the overtime work in accordance with COUNTY Ordinance Nos. 671 and 749, including any amendments thereto.

8. DEVELOPER shall indemnify, defend and hold harmless and require DEVELOPER's construction contractor(s) to identify, defend and hold harmless DISTRICT and COUNTY (including each of their respective Agencies, Districts, Special Districts and Departments, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents and representatives) (individually and collectively referred to as "Indemnitees") from any liability, action, claim or damage whatsoever, based or asserted upon any acts, omissions, or services of DEVELOPER and/or DEVELOPER's construction contractor(s), (including their respective officers, employees, subcontractors, agents or

DEVELOPER or DEVELOPER's construction contractor(s) shall defend, at its sole expense, all costs and fees (including, but not limited to, attorney fees, cost of investigation, defense, and settlements or awards) in any claim or action based upon such alleged acts or omissions. All applicable indemnification provisions of this Agreement shall remain in effect following the termination of the Agreement.

9. With respect to any action or claim subject to indemnification herein by DEVELOPER, DEVELOPER shall, at its sole cost, have the right to use counsel of their own choice and may adjust, settle or compromise any such action or claim only with the prior consent of DISTRICT and COUNTY. Any such adjustment, settlement or compromise shall not in any manner whatsoever limit or circumscribe DEVELOPER's indemnification to Indemnitees as set forth herein.

10. DEVELOPER's and DEVELOPER's construction contractor(s) indemnification obligations hereunder shall be satisfied when DEVELOPER or DEVELOPER's construction contractor(s) has provided to DISTRICT and COUNTY the appropriate form of dismissal relieving DISTRICT and COUNTY from any liability for the action or claim involved.

11. The specified insurance limits required in this Agreement shall in no way limit or circumscribe DEVELOPER's or DEVELOPER's construction contractor(s) obligations to indemnify and hold harmless the Indemnitees herein from third party claims.

12. In the event there is conflict between this clause and California Civil Code Section 2782, this clause shall be interpreted to comply with California Civil Code Section 2782.

Such interpretation shall not relieve DEVELOPER or DEVELOPER's construction contractor(s) from indemnifying the Indemnitees to the fullest extent allowed by law.

13. DEVELOPER for itself, its successors and assigns hereby releases DISTRICT and COUNTY (including each of their respective Agencies, Districts, Special Districts and Departments, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents and representatives) from any and all claims, demands, actions or suits of any kind arising out of any liability, known or unknown, present or future, including, but not limited to, any claim or liability, based or asserted, pursuant to Article I, Section 19 of the California Constitution, the Fifth Amendment of the United States Constitution, or any other law or ordinance which seeks to impose any other liability or damage, whatsoever, for damage caused by the discharge of drainage within or from PROJECT.
