BACKGROUND:

Summary

The Sheriff's Coroner's Bureau requires transportation services for decedents from the location of their death in Riverside County to the Coroner's forensic centers in Perris and Indio. The County of Riverside does not charge a decedent's family for this service when the decedent is a victim of a homicide, when the decedent is a child 14 year or younger, or when the death occurs in the custody of a law enforcement agency, jail, or prison. The County collects a transportation fee from private mortuaries when picking up the decedents from either of the two Sheriff's forensic facilities. In FY 22-23, the Coroner's office had 3,300 cases transported, and the trend for transport service for FY 23-24 is expected to exceed 2,500 cases.

Impact on Residents and Businesses

The need for body transportation services fluctuates unpredictably. The use of contractual transportation services helps to prevent delays to the families of the decedents and prevents the County from overstaffing during periods of infrequency.

Contract History and Price Reasonableness

Request for Quote (RFQ) # SHARC-532 was issued for body transport services and advertised on publicpurchase.com. The bid invitation was sent out to seventeen (17) potential bidders, and the County received one bid response was from Atlas. Based on the service requirement, qualification, experience, and cost proposed, it is recommended that Atlas Mortuary Services be awarded the Agreement to provide the service to cover the geographical areas in Zone 2, Central County areas that include the Whitewater area east to and including Desert Center and south to San Diego County line, and Zone 3, Eastern County which is from Desert Center east to County line and south to Imperial County line. Atlas Mortuary Service can provide services in both zones, and they are proposing \$275 per case for Zone 2, and \$375 per case for Zone 3. In addition, the vendor is offering a 5% discount for prompt payment before 20 days of the invoice due date.

The parties agree as follows:

1. Description of Services

1.1 CONTRACTOR shall provide all services as outlined and specified in Exhibit A, Scope of Services, at the prices stated in Exhibit B, Payment Provisions, and Attachment I, HIPAA Business Associate Attachment to the Agreement.

1.2 CONTRACTOR represents that it has the skills, experience, and knowledge necessary to perform under this Agreement and the COUNTY relies upon this representation. CONTRACTOR shall perform to the satisfaction of the COUNTY and in conformance to and consistent with the highest standards of firms/professionals in the same discipline in the State of California.

1.3 CONTRACTOR affirms that it is fully apprised of all of the work to be performed under this Agreement; and the CONTRACTOR agrees it can properly perform this work at the prices stated in Exhibit B. CONTRACTOR is not to perform services or provide products outside of the Agreement.

1.4 Acceptance by the COUNTY of the CONTRACTOR's performance under this Agreement does not operate as a release of CONTRACTOR's responsibility for full compliance with the terms of this Agreement.

2. Period of Performance

2.1 This Agreement shall be effective upon signature of this Agreement by both parties and continues in effect through June 30, 2029 unless terminated earlier. CONTRACTOR shall commence performance upon signature of this Agreement by both parties and shall diligently and continuously perform thereafter. The Riverside County Board of Supervisors is the only authority that may obligate the County for a non-cancelable multi-year agreement.

3. Compensation

3.1 The COUNTY shall pay the CONTRACTOR for services performed, products provided, and expenses incurred in accordance with the terms of Exhibit B, Payment Provisions. Maximum payments by COUNTY to CONTRACTOR shall not exceed \$300,000 annually including all expenses. The COUNTY is not responsible for any fees or costs incurred above or

beyond the contracted amount and shall have no obligation to purchase any specified amount of services or products. Unless otherwise specifically stated in Exhibit B, COUNTY shall not be responsible for payment of any of CONTRACTOR's expenses related to this Agreement.

3.2 No price increases will be permitted during the first year of this Agreement (If applicable). All price decreases (for example, if CONTRACTOR offers lower prices to another governmental entity) will automatically be extended to the COUNTY. The COUNTY requires written proof satisfactory to COUNTY of cost increases prior to any approved price adjustment. After the first year of the award, a minimum of 30-days advance notice in writing is required to be considered and approved by COUNTY. No retroactive price adjustments will be considered. Any price increases must be stated in a written amendment to this Agreement. The net dollar amount of profit will remain firm during the period of the Agreement. Annual increases shall not exceed the Consumer Price Index- All Consumers, All Items - Greater Los Angeles, Riverside and Orange County areas and be subject to satisfactory performance review by the COUNTY and approved (if needed) for budget funding by the Board of Supervisors.

3.3 CONTRACTOR shall be paid only in accordance with an invoice submitted to COUNTY by CONTRACTOR within fifteen (15) days from the last day of each calendar month, and COUNTY shall pay the invoice within thirty (30) working days from the date of receipt of the invoice. Payment shall be made to CONTRACTOR only after services have been rendered or delivery of materials or products, and acceptance has been made by COUNTY. Prepare invoices in duplicate. For this Agreement, send the original and duplicate copies of invoices to:

item descriptions, unit prices, extensions, sales/use tax if applicable, and an invoice total.

b) Invoices shall be rendered monthly in arrears.

3.4 The COUNTY obligation for payment of this Agreement beyond the current fiscal year end is contingent upon and limited by the availability of COUNTY funding from which payment can be made, and invoices shall be rendered “monthly” in arrears. In the State of California, Government agencies are not allowed to pay excess interest and late charges, per Government Code section 926.10. No legal liability on the part of the COUNTY shall arise for payment beyond June 30 of each calendar year unless funds are made available for such payment. In the event that such funds are not forthcoming for any reason, COUNTY shall immediately notify CONTRACTOR in writing; and this Agreement shall be deemed terminated, have no further force, and effect.

4. Alteration or Changes to the Agreement

4.1 The Board of Supervisors and the COUNTY Purchasing Agent and/or his designee is the only authorized COUNTY representatives who may at any time, by written order, alter this Agreement. If any such alteration causes an increase or decrease in the cost of, or the time required for the performance under this Agreement, an equitable adjustment shall be made in the Agreement price or delivery schedule, or both, and the Agreement shall be modified by written amendment accordingly.

4.2 Any claim by the CONTRACTOR for additional payment related to this Agreement shall be made in writing by the CONTRACTOR within thirty (30) days of when the CONTRACTOR has or should have notice of any actual or claimed change in the work, which results in additional and unanticipated cost to the CONTRACTOR. If the COUNTY Purchasing Agent decides that the facts provide sufficient justification, he may authorize additional payment to the CONTRACTOR pursuant to the claim. Nothing in this section shall excuse the CONTRACTOR from proceeding with performance of the Agreement even if there has been a change.

5. Termination

5.1. COUNTY may terminate this Agreement without cause upon thirty (30) days written notice served upon the CONTRACTOR stating the extent and effective date of termination.

5.2 COUNTY may, upon five (5) days written notice terminate this Agreement for CONTRACTOR's default, if CONTRACTOR refuses or fails to comply with the terms of this Agreement or fails to make progress that may endanger performance and does not immediately cure such failure. - a) Stop all work under this Agreement on the date specified in the notice of termination; and
- b) Transfer to COUNTY and deliver in the manner as directed by COUNTY any materials, reports or other products, which, if the Agreement had been completed or continued, would have been required to be furnished to COUNTY.

5.4 After termination, COUNTY shall make payment only for CONTRACTOR's performance up to the date of termination in accordance with this Agreement.

5.5 CONTRACTOR's rights under this Agreement shall terminate (except for fees accrued prior to the date of termination) upon dishonesty or a willful or material breach of this Agreement by CONTRACTOR; or in the event of CONTRACTOR's unwillingness or inability for any reason whatsoever to perform the terms of this Agreement. In such event, CONTRACTOR shall not be entitled to any further compensation under this Agreement.

5.6 If the Agreement is federally or State funded, CONTRACTOR cannot be debarred from the System for Award Management (SAM). CONTRACTOR must notify the COUNTY immediately of a debarment. The CONTRACTOR agrees to inform the COUNTY of all the CONTRACTOR's interests, if any, which are or may be perceived as incompatible with the COUNTY's interests.

CONTRACTOR to perform the services or provide the products in conformance with the terms of the Agreement at no additional cost to the COUNTY. When the services to be performed or the products to be provided are of such nature that the difference cannot be corrected; the COUNTY shall have the right to: (1) require the CONTRACTOR immediately to take all necessary steps to ensure future performance in conformity with the terms of the Agreement; and/or (2) reduce the Agreement price to reflect the reduced value of the services performed or products provided. The COUNTY may also terminate this Agreement for default and charge to CONTRACTOR any costs incurred by the COUNTY because of the CONTRACTOR's failure to perform.

8.2 CONTRACTOR shall establish adequate procedures for self-monitoring and quality control and assurance to ensure proper performance under this Agreement; and shall permit a COUNTY representative or other regulatory official to monitor, assess, or evaluate CONTRACTOR's performance under this Agreement at any time, upon reasonable notice to the CONTRACTOR.

2) The CONTRACTOR must declare its insurance self-insured retention for each coverage required herein. If any such self-insured retention exceeds \$500,000 per occurrence each such retention shall have the prior written consent of the County Risk Manager before the commencement of operations under this Agreement. Further, said Certificate(s) and policies of insurance shall contain the covenant of the insurance carrier(s) that thirty (30) days written notice shall be given to the County of Riverside prior to any material modification, cancellation, expiration or reduction in coverage of such insurance. In the event of a material modification, cancellation, expiration, or reduction in coverage, this Agreement shall terminate forthwith, unless the County of Riverside receives, prior to such effective date, another properly executed original Certificate of Insurance and original copies of endorsements or certified original policies, including all endorsements and attachments thereto evidencing coverage's set forth herein and the insurance required herein is in full force and effect. CONTRACTOR shall not commence operations until

An individual authorized by the insurance carrier shall sign the original endorsements for each policy and the Certificate of Insurance.

6) CONTRACTOR shall pass down the insurance obligations contained herein to all tiers of subcontractors working under this Agreement.

7) The insurance requirements contained in this Agreement may be met with a program(s) of self-insurance acceptable to the COUNTY.

23.2 Any waiver by COUNTY of any breach of any one or more of the terms of this Agreement shall not be construed to be a waiver of any subsequent or other breach of the same or of any other term of this Agreement. Failure on the part of COUNTY to require exact, full, and complete compliance with any terms of this Agreement shall not be construed as in any

manner changing the terms or preventing COUNTY from enforcement of the terms of this Agreement.

23.3 In the event the CONTRACTOR receives payment under this Agreement, which is later disallowed by COUNTY for nonconformance with the terms of the Agreement, the CONTRACTOR shall promptly refund the disallowed amount to the COUNTY on request; or at its option the COUNTY may offset the amount disallowed from any payment due to the CONTRACTOR.

23.4 CONTRACTOR shall not provide partial delivery or shipment of services or products unless specifically stated in the Agreement.

23.5 CONTRACTOR shall not provide any services or products subject to any chattel mortgage or under a conditional sales contract or other agreement by which an interest is retained by a third party. 23.6 Nothing in this Agreement shall prohibit the COUNTY from acquiring the same type or equivalent equipment, products, materials or services from other sources, when deemed by the COUNTY to be in its best interest. The COUNTY reserves the right to purchase more or less than the quantities specified in this Agreement.

23.7 The COUNTY agrees to cooperate with the CONTRACTOR in the CONTRACTOR's performance under this Agreement, including, if stated in the Agreement, providing the CONTRACTOR with reasonable facilities and timely access to COUNTY data, information, and personnel.

23.11 This Agreement shall be governed by the laws of the State of California. Any legal action related to the performance or interpretation of this Agreement shall be filed only in the Superior Court of the State of California located in Riverside, California, and the parties waive any provision of law providing for a change of venue to another location. In the event any provision in this Agreement is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remaining provisions will nevertheless continue in full force without being impaired or invalidated in any way.

23.12 Electronic Signatures This Agreement may be executed in any number of counterparts, each of which will be an original, but all of which together will constitute one instrument. Each party of the Agreement agrees to the use of electronic signatures, such as a digital signature that meet the requirements of the California Uniform Electronic Transactions Act (“CUETA”) Cal. Civ. Code §§ 1633.1 to 1633.17), for executing this Agreement. Electronic signature means an electronic sound, symbol, or process attached to or logically associated with an electronic record and executed or adopted by a person with the intent to sign the electronic record pursuant to the CUETA as amended from time to time. The CUETA authorizes use of an electronic signature for transactions and contracts among parties in California, including a government agency. Digital signature means an electronic identifier, created by computer, intended by the party using it to have the same force and effect as the use of a manual signature, and shall be reasonably relied upon by the parties. For purposes of this section, a digital signature is a type of “electronic signature” as defined in subdivision (i) of Section 1633.2 of the Civil Code.

23.13 This Agreement, including any attachments or exhibits, constitutes the entire Agreement of the parties with respect to its subject matter and supersedes all prior and contemporaneous representations, proposals, discussions, and communications, whether oral or in writing. This Agreement may be changed or modified only by a written amendment signed by authorized representatives of both parties.

IN WITNESS WHEREOF, the Parties hereto have caused their duly authorized representatives to execute this Agreement.

 - ii. Notify County of any instances of which it becomes aware in which the confidentiality of the information has been breached; and,

- 3) Use PHI to provide data aggregation services relating to the health care operations of County pursuant to the Underlying Agreement or as requested by County; and,
 - 4) De-identify all PHI and/or ePHI of County received by Contractor under this Addendum provided that the de-identification conforms to the requirements of the Privacy Rule and/or Security Rule and does not preclude timely payment and/or claims processing and receipt.
- C. Notwithstanding the foregoing, in any instance where applicable state and/or federal laws and/or regulations are more stringent in their requirements than the provisions of HIPAA, including, but not limited to, prohibiting disclosure of mental health and/or substance abuse records, the applicable state and/or federal laws and/or regulations shall control the disclosure of records.
3. **Prohibited Uses and Disclosures.**
- A. Contractor may neither use, disclose, nor access PHI and/or ePHI in a manner not authorized by the Underlying Agreement or this Addendum without patient authorization or de-identification of the PHI and/or ePHI and as authorized in writing from County.

 - 2) Not to use or disclose PHI for marketing, as defined in 45 CFR §164.501, unless pursuant to the Underlying Agreement and only if permitted by and in compliance with the requirements of 45 CFR §164.508(a)(3);
 - 3) Not to disclose PHI, except as otherwise required by law, to a health plan for purposes of carrying out payment or health care operations, if the individual has requested this restriction pursuant to 42 USC §17935(a) and 45 CFR §164.522, and has paid out of pocket in full for the health care item or service to which the PHI solely relates; and,
 - 4) Not to receive, directly or indirectly, remuneration in exchange for PHI, or engage in any act that would constitute a sale of PHI, as defined in 45 CFR §164.502(a)(5)(ii), unless permitted by the Underlying Agreement and in compliance with the requirements of a valid authorization under 45 CFR §164.508(a)(4). This prohibition shall not apply to payment by County to Contractor for services provided pursuant to the Underlying Agreement.
4. **Obligations of County.**
- A. County agrees to make its best efforts to notify Contractor promptly in writing of any restrictions on the use or disclosure of PHI and/or ePHI agreed to by County that may affect Contractor's ability to perform its obligations under the Underlying Agreement, or this Addendum.
 - B. County agrees to make its best efforts to promptly notify Contractor in writing of any changes in, or revocation of, permission by any individual to use or disclose PHI and/or ePHI, if such changes or

revocation may affect Contractor's ability to perform its obligations under the Underlying Agreement, or this Addendum.

- C. County agrees to make its best efforts to promptly notify Contractor in writing of any known limitation(s) in its notice of privacy practices to the extent that such limitation may affect Contractor's use or disclosure of PHI and/or ePHI.

 - E. County agrees to obtain any authorizations necessary for the use or disclosure of PHI and/or ePHI, so that Contractor can perform its obligations under this Addendum and/or Underlying Agreement.
5. **Obligations of Contractor.** In connection with the use or disclosure of PHI and/or ePHI, Contractor agrees to:
- A. Use or disclose PHI only if such use or disclosure complies with each applicable requirement of 45 CFR §164.504(e). Contractor shall also comply with the additional privacy requirements that are applicable to covered entities in HITECH, as may be amended from time to time.
 - B. Not use or further disclose PHI and/or ePHI other than as permitted or required by this Addendum or as required by law. Contractor shall promptly notify County if Contractor is required by law to disclose PHI and/or ePHI.
 - C. Use appropriate safeguards and comply, where applicable, with the Security Rule with respect to ePHI, to prevent use or disclosure of PHI and/or ePHI other than as provided for by this Addendum.
 - D. Mitigate, to the extent practicable, any harmful effect that is known to Contractor of a use or disclosure of PHI and/or ePHI by Contractor in violation of this Addendum.
 - E. Report to County any use or disclosure of PHI and/or ePHI not provided for by this Addendum or otherwise in violation of HITECH, HIPAA, the Privacy Rule, and/or Security Rule of which Contractor becomes aware, including breaches of unsecured PHI as required by 45 CFR §164.410.
 - F. In accordance with 45 CFR §164.502(e)(1)(ii), require that any subcontractors that create, receive, maintain, transmit or access PHI on behalf of the Contractor agree through contract to the same restrictions and conditions that apply to Contractor with respect to such PHI and/or ePHI, including the restrictions and conditions pursuant to this Addendum.
 - G. Make available to County or the Secretary, in the time and manner designated by County or Secretary, Contractor's internal practices, books and records relating to the use, disclosure and privacy protection of PHI received from County, or created or received by Contractor on behalf of County, for purposes of determining, investigating or auditing Contractor's and/or County's compliance with the Privacy Rule.
 - H. Request, use or disclose only the minimum amount of PHI necessary to accomplish the intended purpose of the request, use or disclosure in accordance with 42 USC §17935(b) and 45 CFR §164.502(b)(1).
 - I. Comply with requirements of satisfactory assurances under 45 CFR §164.512 relating to notice or qualified protective order in response to a third party's subpoena, discovery request, or other lawful process for the disclosure of PHI, which Contractor shall promptly notify County upon Contractor's receipt of such request from a third party.

- J. Not require an individual to provide patient authorization for use or disclosure of PHI as a condition for treatment, payment, enrollment in any health plan (including the health plan administered by County), or eligibility of benefits, unless otherwise excepted under 45 CFR §164.508(b)(4) and authorized in writing by County.
 - K. Use appropriate administrative, technical and physical safeguards to prevent inappropriate use, disclosure, or access of PHI and/or ePHI.
 - L. Obtain and maintain knowledge of applicable laws and regulations related to HIPAA and HITECH, as may be amended from time to time.
 - M. Comply with the requirements of the Privacy Rule that apply to the County to the extent Contractor is to carry out County's obligations under the Privacy Rule.
 - N. Take reasonable steps to cure or end any pattern of activity or practice of its subcontractor of which Contractor becomes aware that constitute a material breach or violation of the subcontractor's obligations under the business associate contract with Contractor, and if such steps are unsuccessful, Contractor agrees to terminate its contract with the subcontractor if feasible.
6. **Access to PHI, Amendment and Disclosure Accounting.** Contractor agrees to:
- A. **Access to PHI, including ePHI.** Provide access to PHI, including ePHI if maintained electronically, in a designated record set to County or an individual as directed by County, within five (5) days of request from County, to satisfy the requirements of 45 CFR §164.524.
 - B. **Amendment of PHI.** Make PHI available for amendment and incorporate amendments to PHI in a designated record set County directs or agrees to at the request of an individual, within fifteen (15) days of receiving a written request from County, in accordance with 45 CFR §164.526.
 - C. **Accounting of disclosures of PHI and electronic health record.** Assist County to fulfill its obligations to provide accounting of disclosures of PHI under 45 CFR §164.528 and, where applicable, electronic health records under 42 USC §17935(c) if Contractor uses or maintains electronic health records. Contractor shall:
 - 1) Document such disclosures of PHI and/or electronic health records, and information related to such disclosures, as would be required for County to respond to a request by an individual for an accounting of disclosures of PHI and/or electronic health record in accordance with 45 CFR §164.528.
 - 2) Within fifteen (15) days of receiving a written request from County, provide to County or any individual as directed by County information collected in accordance with this section to permit County to respond to a request by an individual for an accounting of disclosures of PHI and/or electronic health record.
 - 3) Make available for County information required by this Section 6.C for six (6) years preceding the individual's request for accounting of disclosures of PHI, and for three (3) years preceding the individual's request for accounting of disclosures of electronic health record.
7. **Security of ePHI.** In the event County discloses ePHI to Contractor or Contractor needs to create, receive, maintain, transmit or have access to County ePHI, in accordance with 42 USC §17931 and 45 CFR §164.314(a)(2)(i), and §164.306, Contractor shall:
- A. Comply with the applicable requirements of the Security Rule, and implement administrative, physical, and technical safeguards that reasonably and appropriately protect the confidentiality,

integrity, and availability of ePHI that Contractor creates, receives, maintains, or transmits on behalf of County in accordance with 45 CFR §164.308, §164.310, and §164.312;

- B. Comply with each of the requirements of 45 CFR §164.316 relating to the implementation of policies, procedures and documentation requirements with respect to ePHI;
 - C. Protect against any reasonably anticipated threats or hazards to the security or integrity of ePHI;
 - D. Protect against any reasonably anticipated uses or disclosures of ePHI that are not permitted or required under the Privacy Rule;
 - E. Ensure compliance with the Security Rule by Contractor's workforce;
 - F. In accordance with 45 CFR §164.308(b)(2), require that any subcontractors that create, receive, maintain, transmit, or access ePHI on behalf of Contractor agree through contract to the same restrictions and requirements contained in this Addendum and comply with the applicable requirements of the Security Rule;
 - G. Report to County any security incident of which Contractor becomes aware, including breaches of unsecured PHI as required by 45 CFR §164.410; and,
 - H. Comply with any additional security requirements that are applicable to covered entities in Title 42 (Public Health and Welfare) of the United States Code, as may be amended from time to time, including but not limited to HITECH.
8. **Breach of Unsecured PHI.** In the case of breach of unsecured PHI, Contractor shall comply with the applicable provisions of 42 USC §17932 and 45 CFR Part 164, Subpart D, including but not limited to 45 CFR §164.410.
- A. **Discovery and notification.** Following the discovery of a breach of unsecured PHI, Contractor shall notify County in writing of such breach without unreasonable delay and in no case later than 60 calendar days after discovery of a breach, except as provided in 45 CFR §164.412.
 - 1) **Breaches treated as discovered.** A breach is treated as discovered by Contractor as of the first day on which such breach is known to Contractor or, by exercising reasonable diligence, would have been known to Contractor, which includes any person, other than the person committing the breach, who is an employee, officer, or other agent of Contractor (determined in accordance with the federal common law of agency).
 - 2) **Content of notification.** The written notification to County relating to breach of unsecured PHI shall include, to the extent possible, the following information if known (or can be reasonably obtained) by Contractor:
 - a) The identification of each individual whose unsecured PHI has been, or is reasonably believed by Contractor to have been accessed, acquired, used or disclosed during the breach;
 - b) A brief description of what happened, including the date of the breach and the date of the discovery of the breach, if known;
 - c) A description of the types of unsecured PHI involved in the breach, such as whether full name, social security number, date of birth, home address, account number, diagnosis, disability code, or other types of information were involved;

- d) Any steps individuals should take to protect themselves from potential harm resulting from the breach;
 - e) A brief description of what Contractor is doing to investigate the breach, to mitigate harm to individuals, and to protect against any further breaches; and,
 - f) Contact procedures for individuals to ask questions or learn additional information, which shall include a toll-free telephone number, an e-mail address, web site, or postal address.
- B. **Cooperation.** With respect to any breach of unsecured PHI reported by Contractor, Contractor shall cooperate with County and shall provide County with any information requested by County to enable County to fulfill in a timely manner its own reporting and notification obligations, including but not limited to providing notice to individuals, prominent media outlets and the Secretary in accordance with 42 USC §17932 and 45 CFR §164.404, §164.406 and §164.408.
- C. **Breach log.** To the extent breach of unsecured PHI involves less than 500 individuals, Contractor shall maintain a log or other documentation of such breaches and provide such log or other documentation on an annual basis to County not later than fifteen (15) days after the end of each calendar year for submission to the Secretary.
- D. **Delay of notification authorized by law enforcement.** If Contractor delays notification of breach of unsecured PHI pursuant to a law enforcement official's statement that required notification, notice or posting would impede a criminal investigation or cause damage to national security, Contractor shall maintain documentation sufficient to demonstrate its compliance with the requirements of 45 CFR §164.412.
- E. **Payment of costs.** With respect to any breach of unsecured PHI caused solely by the Contractor's failure to comply with one or more of its obligations under this Addendum and/or the provisions of HITECH, HIPAA, the Privacy Rule or the Security Rule, Contractor agrees to pay any and all costs associated with providing all legally required notifications to individuals, media outlets, and the Secretary. This provision shall not be construed to limit or diminish Contractor's obligations to indemnify, defend and hold harmless County under Section 9 of this Addendum.
- F. **Documentation.** Pursuant to 45 CFR §164.414(b), in the event Contractor's use or disclosure of PHI and/or ePHI violates the Privacy Rule, Contractor shall maintain documentation sufficient to demonstrate that all notifications were made by Contractor as required by 45 CFR Part 164, Subpart D, or that such use or disclosure did not constitute a breach, including Contractor's completed risk assessment and investigation documentation.
- G. **Additional State Reporting Requirements.** The parties agree that this Section 8.G applies only if and/or when County, in its capacity as a licensed clinic, health facility, home health agency, or hospice, is required to report unlawful or unauthorized access, use, or disclosure of medical information under the more stringent requirements of California Health & Safety Code §1280.15. For purposes of this Section 8.G, "unauthorized" has the meaning given such term in California Health & Safety Code §1280.15(j)(2).
- 1) Contractor agrees to assist County to fulfill its reporting obligations to affected patients and to the California Department of Public Health ("CDPH") in a timely manner under the California Health & Safety Code §1280.15.
 - 2) Contractor agrees to report to County any unlawful or unauthorized access, use, or disclosure of patient's medical information without unreasonable delay and no later than two (2) business days after Contractor detects such incident. Contractor further agrees such report shall be made in writing, and shall include substantially the same types of information listed above in Section 8.A.2 (Content of Notification) as applicable to the unlawful or unauthorized access,

use, or disclosure as defined above in this section, understanding and acknowledging that the term "breach" as used in Section 8.A.2 does not apply to California Health & Safety Code §1280.15.

9. **Hold Harmless/Indemnification.**

- A. Contractor agrees to indemnify and hold harmless County, all Agencies, Districts, Special Districts and Departments of County, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents and representatives from any liability whatsoever, based or asserted upon any services of Contractor, its officers, employees, subcontractors, agents or representatives arising out of or in any way relating to this Addendum, including but not limited to property damage, bodily injury, death, or any other element of any kind or nature whatsoever arising from the performance of Contractor, its officers, agents, employees, subcontractors, agents or representatives from this Addendum. Contractor shall defend, at its sole expense, all costs and fees, including but not limited to attorney fees, cost of investigation, defense and settlements or awards, of County, all Agencies, Districts, Special Districts and Departments of County, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents or representatives in any claim or action based upon such alleged acts or omissions.
- B. With respect to any action or claim subject to indemnification herein by Contractor, Contractor shall, at their sole cost, have the right to use counsel of their choice, subject to the approval of County, which shall not be unreasonably withheld, and shall have the right to adjust, settle, or compromise any such action or claim without the prior consent of County; provided, however, that any such adjustment, settlement or compromise in no manner whatsoever limits or circumscribes Contractor's indemnification to County as set forth herein. Contractor's obligation to defend, indemnify and hold harmless County shall be subject to County having given Contractor written notice within a reasonable period of time of the claim or of the commencement of the related action, as the case may be, and information and reasonable assistance, at Contractor's expense, for the defense or settlement thereof. Contractor's obligation hereunder shall be satisfied when Contractor has provided to County the appropriate form of dismissal relieving County from any liability for the action or claim involved.
- C. The specified insurance limits required in the Underlying Agreement of this Addendum shall in no way limit or circumscribe Contractor's obligations to indemnify and hold harmless County herein from third party claims arising from issues of this Addendum.
- D. In the event there is conflict between this clause and California Civil Code §2782, this clause shall be interpreted to comply with Civil Code §2782. Such interpretation shall not relieve the Contractor from indemnifying County to the fullest extent allowed by law.
- E. In the event there is a conflict between this indemnification clause and an indemnification clause contained in the Underlying Agreement of this Addendum, this indemnification shall only apply to the subject issues included within this Addendum.

10. **Term.** This Addendum shall commence upon the Effective Date and shall terminate when all PHI and/or ePHI provided by County to Contractor, or created or received by Contractor on behalf of County, is destroyed or returned to County, or, if it is infeasible to return or destroy PHI and/ePHI, protections are extended to such information, in accordance with section 11.B of this Addendum.

11. **Termination.**

- A. **Termination for Breach of Contract.** A breach of any provision of this Addendum by either party shall constitute a material breach of the Underlying Agreement and will provide grounds for terminating this Addendum and the Underlying Agreement with or without an opportunity to cure the breach, notwithstanding any provision in the Underlying Agreement to the contrary. Either party, upon written notice to the other party describing the breach, may take any of the following actions:

- 1) Terminate the Underlying Agreement and this Addendum, effective immediately, if the other party breaches a material provision of this Addendum.
- 2) Provide the other party with an opportunity to cure the alleged material breach and in the event the other party fails to cure the breach to the satisfaction of the non-breaching party in a timely manner, the non-breaching party has the right to immediately terminate the Underlying Agreement and this Addendum.
- 3) If termination of the Underlying Agreement is not feasible, the breaching party, upon the request of the non-breaching party, shall implement, at its own expense, a plan to cure the breach and report regularly on its compliance with such plan to the non-breaching party.

B. Effect of Termination.

- 1) Upon termination of this Addendum, for any reason, Contractor shall return or, if agreed to in writing by County, destroy all PHI and/or ePHI received from County, or created or received by the Contractor on behalf of County, and, in the event of destruction, Contractor shall certify such destruction, in writing, to County. This provision shall apply to all PHI and/or ePHI which are in the possession of subcontractors or agents of Contractor. Contractor shall retain no copies of PHI and/or ePHI, except as provided below in paragraph (2) of this section.
- 2) In the event that Contractor determines that returning or destroying the PHI and/or ePHI is not feasible, Contractor shall provide written notification to County of the conditions that make such return or destruction not feasible. Upon determination by Contractor that return or destruction of PHI and/or ePHI is not feasible, Contractor shall extend the protections of this Addendum to such PHI and/or ePHI and limit further uses and disclosures of such PHI and/or ePHI to those purposes which make the return or destruction not feasible, for so long as Contractor maintains such PHI and/or ePHI.

12. General Provisions.

- A. **Retention Period.** Whenever Contractor is required to document or maintain documentation pursuant to the terms of this Addendum, Contractor shall retain such documentation for 6 years from the date of its creation or as otherwise prescribed by law, whichever is later.
- B. **Amendment.** The parties agree to take such action as is necessary to amend this Addendum from time to time as is necessary for County to comply with HITECH, the Privacy Rule, Security Rule, and HIPAA generally.
- C. **Survival.** The obligations of Contractor under Sections 3, 5, 6, 7, 8, 9, 11.B and 12.A of this Addendum shall survive the termination or expiration of this Addendum.
- D. **Regulatory and Statutory References.** A reference in this Addendum to a section in HITECH, HIPAA, the Privacy Rule and/or Security Rule means the section(s) as in effect or as amended.
- E. **Conflicts.** The provisions of this Addendum shall prevail over any provisions in the Underlying Agreement that conflict or appear inconsistent with any provision in this Addendum.
- F. **Interpretation of Addendum.**
 - 1) This Addendum shall be construed to be part of the Underlying Agreement as one document. The purpose is to supplement the Underlying Agreement to include the requirements of the Privacy Rule, Security Rule, HIPAA and HITECH.
 - 2) Any ambiguity between this Addendum and the Underlying Agreement shall be resolved to permit County to comply with the Privacy Rule, Security Rule, HIPAA and HITECH generally.
- G. **Notices to County.** All notifications required to be given by Contractor to County pursuant to the terms of this Addendum shall be made in writing and delivered to the County both by fax and to both of the addresses listed below by either registered or certified mail return receipt requested or

guaranteed overnight mail with tracing capability, or at such other address as County may hereafter designate. All notices to County provided by Contractor pursuant to this Section shall be deemed given or made when received by County.
