BACKGROUND:

Summary

The Riverside County Regional Park and Open-Space District (District) has determined that there is a need to apply slurry seal on the asphalt pavement on its access roads, campground, and parking lots on five (5) sites located in the Lake Cahuilla Veterans Regional Park. The Lake Cahuilla Park Slurry Seal Project (Project) includes the following sites: (1) Day Use Parking Lot No. 1 (West) consisting of about 114 parking stalls and 5 American with Disabilities Act (ADA) stalls, (2) Day Use Parking Lot No. 2 (South) containing approximately 177 parking stalls and 5 ADA stalls, (3) RV Campground access road with an approximate length of 0.55 mile, (4) Cahuilla Park Road with an approximate length of 1.5 miles, and (5) Jefferson Street with an estimated length of 0.5 miles. The Project will include the repair and application of asphalt pavement sealer, striping, and signage on parking lots, and three access roads leading to and within the Regional Park.

The Transportation Department (County) will be the lead agency on the Project due to the County's experience and expertise in delivering pavement projects. The County will be the lead for coordinating the environmental, design, and construction for the Project. The District will be responsible for funding the Project.

This Agreement between the County and District assigns responsibilities and designates funding obligations for the Project.

Lake Cahuilla Park; Project Number: D5-0017

Impact on Residents and Businesses

The Project, when complete, will provide the public with smooth paved roadways and parking lots that will improve the recreational opportunities and access to the Lake Cahuilla Park.

Additional Fiscal Information

The District will be responsible for funding 100% of the Project and will provide \$1,214,000 of District funds.

SERVICE AGREEMENT BY AND BETWEEN

COUNTY OF RIVERSIDE

AND

RIVERSIDE COUNTY REGIONAL PARK AND OPEN-SPACE DISTRICT

FOR

LAKE CAHUILLA PARK SLURRY SEAL PROJECT

This Service Agreement (hereinafter "AGREEMENT") is entered into this 21 day of May, 2024, by and between the County of Riverside, a political subdivision of the State of California, through its Transportation Department (hereinafter "COUNTY"), and the Riverside County Regional Park and Open-Space District, a special district, (hereinafter "DISTRICT") to define the terms and conditions under which the parties will cooperatively apply slurry seal on the pavement of five separate sites in the Lake Cahuilla Park located within the County of Riverside (hereinafter "PARK PROJECT").

RECITALS

- A. WHEREAS, DISTRICT has determined that there is a need to apply slurry seal on the asphalt pavement on its access roads, campground, and parking spaces of five (5) sites located in the Lake Cahuilla Park as shown in Exhibits A1 (Vicinity Map – Parking Lots, Access Road, Campground) and A2 (Vicinity Map – Jefferson Street). The sites are as follows: (1) Day Use Parking Lot No. 1 (West) consisting of about 114 parking stalls and 5 American with Disabilities Act (ADA) stalls, (2) Day Use Parking Lot No. 2 (South) containing approximately 177 parking stalls and 5 ADA stalls, (3) RV Campground access road with an approximate length of 0.55 mile, (4) Cahuilla Park Road with an approximate length of 1.5 miles, and (5) Jefferson Street with an estimated length of 0.5 mile.
- B. WHEREAS, DISTRICT has allocated funding in an amount not to exceed one million two hundred fourteen thousand dollars (\$1,214,000), available through the American Rescue Plan Act (ARPA), to fund the PARK PROJECT.
- C. WHEREAS, COUNTY possesses the experience and qualified personnel required to fulfill the terms and conditions of this AGREEMENT. DISTRICT and COUNTY desire to have the COUNTY assume responsibility to design and administer the construction of the PARK PROJECT, including environmental

1 documentation preparation, engineering plan preparation, surveying where required, construction
2 inspection, construction contract administration, and general project management.

3 D. WHEREAS, DISTRICT has solicited support from COUNTY prior to execution of this AGREEMENT. The
4 COUNTY through its Transportation Department has provided the requested support services including
5 site visits, field reviews, and environmental and engineering design services. DISTRICT desire to
6 reimburse COUNTY for these support services provided by COUNTY commencing on or after November
7 1, 2023.

8 **AGREEMENT**

9 NOW THEREFORE, in consideration of the mutual promises contained herein, the parties hereto agree as
10 follows:

11 **SECTION 1 - DISTRICT AGREES TO:**

- 12 1. Provide oversight and support to COUNTY for the work necessary to complete the environmental
13 documentation and environmental clearances in accordance with the California Environmental Quality Act
14 (CEQA), and any other applicable Federal, State, or Local laws.
- 15 2. Act as a Responsible Agency under CEQA, taking all necessary and appropriate actions to comply with
16 CEQA for PARK PROJECT.
- 17 3. Provide oversight and support to COUNTY for the work necessary to complete the preparation of detailed
18 Plans, Specifications and Estimate (PS&E) documents for the PARK PROJECT and to perform reviews at
19 appropriate stages of development.
- 20 4. Fund one hundred percent (100%) of the cost up to a total amount not to exceed one million two hundred
21 fourteen thousand dollars (\$1,214,000) as shown in Exhibit B for the COUNTY to: prepare engineering
22 plans, specifications, and estimates (PS&E), advertise, award and administer a public works construction
23 contract necessary to construct the PARK PROJECT improvements. The services will include preliminary
24 engineering and environmental documentation for the "full limits" of the PARK PROJECT, as well as final
25 engineering plans and construction administration for the "construction limits" of the PARK PROJECT.
26 "Construction limits" as used herein shall mean the parking lots, streets, and roads as shown in Exhibit A;
27 "full limits" as used herein goes beyond the construction limits to do analysis on certain factors that may
28 impact the design and construction of the PARK PROJECT such as drainage and environmental. The

1 Total Estimated Cost for the PARK PROJECT is provided in Exhibit B (Cost Estimate) attached hereto
2 and incorporated herein by reference.

- 3 5. Pay within 45 days of receipt all invoices submitted by COUNTY for services performed by COUNTY staff
4 for the PARK PROJECT. DISTRICT agrees that should unforeseen circumstances arise which result in
5 an increase of any costs over those shown in Exhibits B, DISTRICT will in good faith consider an
6 amendment to this AGREEMENT to include any such costs under this AGREEMENT.
- 7 6. Maintain, or cause to be maintained by a third-party, the physical improvements constructed as part of
8 this PARK PROJECT upon the COUNTY's filing of a Notice of Completion for the construction contract.
9 Said improvements include, but are not limited to, pavement sealer (slurry seal), pavement markings and
10 striping, pavement repair, crack seal work, and modifications to ADA stall and signage replacement as
11 may be needed. DISTRICT acknowledges that COUNTY will not be providing short-term or long-term
12 maintenance of the slurry seal improvement project.

13 **SECTION 2 - COUNTY AGREES TO:**

- 14 1. Pursuant to the California Environmental Quality Act ("CEQA"), act as Lead Agency and assume
15 responsibility for preparation, circulation, and adoption of all necessary and appropriate CEQA documents
16 pertaining to the construction of the PARK PROJECT.
- 17 2. Review PARK PROJECT documents and provide oversight and support services to DISTRICT to assure
18 work is in compliance with regulatory and funding requirements, including the American Rescue Plan Act
19 (ARPA).
- 20 3. Perform final engineering and prepare PS&E documents for the PARK PROJECT. Final PS&E
21 documents shall be signed and stamped by a Civil Engineer registered in the State of California. The
22 PARK PROJECT limits for the final engineering and PS&E documents will include the "construction limits"
23 of the PARK PROJECT only.
- 24 4. Identify and locate all utility facilities within the "construction limits" of the PARK PROJECT. If any existing
25 public and/or private utility facilities conflict with PARK PROJECT construction, COUNTY shall make all
26 necessary arrangements with the owners of such facilities for their protection, relocation, or removal. All
27 utility facilities shall be identified on the PARK PROJECT plans and specifications, and conflicting utilities
28 shall be denoted. COUNTY shall require the utility owner and/or its contractors performing the relocation

- 1 work within the jurisdiction of the DISTRICT to obtain a facility owner's encroachment permit prior to the
2 performance of said relocation work. DISTRICT and COUNTY shall coordinate and cooperate in the
3 effort to establish prior rights related to utility encroachments. In the case that any utility companies are
4 determined to have prior rights, the cost of relocating utilities shall be borne by the PARK PROJECT as
5 reimbursable through DISTRICT.
- 6 5. Advertise, award, and administer a public works contract for the construction of PARK PROJECT in
7 accordance with all applicable federal, state or local statutes, ordinances, orders, governmental
8 requirements, laws or regulations, including but not limited to the local agency public construction codes,
9 California Labor Code, and California Public Contract Code.
- 10 6. Cause the PARK PROJECT to be constructed in accordance with approved PS&E documents.
- 11 7. Provide timely invoicing to DISTRICT; invoices for all contracts reimbursed under this AGREEMENT shall
12 be submitted on a quarterly basis at minimum.
- 13 8. Submit any contract change order that causes the construction contract to exceed the amount shown in
14 Exhibit B to DISTRICT for review and approval (including an amendment to this AGREEMENT) prior to
15 final authorization by COUNTY.
- 16 9. Furnish DISTRICT with as-built record drawings/maps and all contract records, including survey
17 documents where required, within six (6) months following the COUNTY's filing of a Notice of Completion
18 for the PARK PROJECT construction contract.
- 19 10. Furnish DISTRICT a final reconciliation of PARK PROJECT expenses by March 31, 2025, following the
20 COUNTY's filing of a Notice of Completion for the PARK PROJECT construction contract. If final
21 construction costs associated with the PARK PROJECT improvements are in excess of payments
22 received, then COUNTY shall include a final bill with the financial reconciliation. If final construction costs
23 associated with the PARK PROJECT improvements are less than the payments received, then COUNTY
24 shall include a reimbursement for the difference with the financial reconciliation.

25 **SECTION 3 - IT IS MUTUALLY AGREED AS FOLLOWS:**

- 26 1. The responsibilities of COUNTY to provide preliminary engineering, environmental documentation, final
27 engineering PS&E documents, utility coordination, construction, construction contract administration, and
28 funding program coordination services are for the "construction limits" of the PARK PROJECT as

- 1 described in this AGREEMENT.
- 2 2. The obligations of DISTRICT are limited by and contingent upon the availability of DISTRICT funds for the
3 DISTRICT'S financial contribution toward PARK PROJECT as set forth herein. In the event that such
4 funds are not forthcoming for any reason, DISTRICT shall immediately notify COUNTY in writing. This
5 AGREEMENT shall be deemed terminated and have no further force and effect immediately upon receipt
6 of DISTRICT's notification by COUNTY. DISTRICT shall pay COUNTY for all costs incurred and any
7 non-cancelable costs incurred up through the date of termination.
- 8 3. COUNTY shall not solicit construction bids until DISTRICT has approved the PARK PROJECT PS&E
9 documents.
- 10 4. The total cost of PARK PROJECT shall not exceed one million two hundred fourteen thousand dollars
11 (\$1,214,000) as detailed in the attached Exhibit B.
- 12 5. COUNTY is providing services on a reimbursable basis and shall have no obligation whatsoever with
13 regard to funding any portion of the PARK PROJECT.
- 14 6. If upon opening the construction bids for the PARK PROJECT, the bids indicate a construction cost
15 exceeding the amount shown in Exhibit B, COUNTY and DISTRICT shall endeavor to agree upon a
16 course of action. If, after thirty (30) calendar days from the date of bid opening, a course of action is not
17 agreed upon, this AGREEMENT shall be deemed to be terminated by mutual consent and COUNTY shall
18 be eligible for reimbursement of expenses up to the point of termination.
- 19 7. COUNTY shall cause COUNTY's contractor to maintain in force until COUNTY's filing of a Notice of
20 Completion for the PARK PROJECT construction contract a policy of Commercial Liability Insurance,
21 including coverage of Bodily Injury Liability and Property Damage Liability, in the amount of \$2,000,000
22 minimum single limit coverage, and a policy of Automobile Liability Insurance in the amount of \$1,000,000
23 minimum. Endorsements to each policy shall be required to name COUNTY, DISTRICT, its officers,
24 agents and employees, as additionally insured. COUNTY shall also require COUNTY's contractor to
25 maintain Worker's Compensation Insurance.
- 26 8. Upon completion of construction, DISTRICT shall be responsible for the maintenance of the PARK
27 PROJECT improvements as described in the AGREEMENT, permits, or terms of the owners of the
28 underlying properties and rights.

- 1 9. DISTRICT and COUNTY understand and agree that COUNTY's responsibility for the physical condition of
2 the PARK PROJECT terminates upon the issuance of a Notice of Completion of the construction contract
3 and that COUNTY has no responsibility to maintain PARK PROJECT improvements, nor to further
4 coordinate the PARK PROJECT's improvements upon Notice of Completion of the construction contract.
5 DISTRICT agrees that it is solely responsible, along with any third parties with whom the DISTRICT
6 enters into an agreement with, to maintain the PARK PROJECT improvements.
- 7 10. DISTRICT and COUNTY shall retain or cause to be retained for audit for a period of three (3) years
8 beginning on the date of final payment all records and accounts relating to the PARK PROJECT.
- 9 11. Neither COUNTY nor any officer or employee thereof shall be responsible for any damage or liability
10 occurring by reason of anything done or omitted to be done by DISTRICT under or in connection with any
11 work, authority or jurisdiction delegated to DISTRICT under this AGREEMENT. It is further agreed that
12 pursuant to Government Code Section 895.4, DISTRICT shall fully indemnify and hold COUNTY
13 harmless from any liability imposed for injury (as defined by Government Code Section 810.8) occurring
14 by reason of anything done or omitted to be done by DISTRICT under or in connection with any work,
15 authority or jurisdiction delegated to DISTRICT under this AGREEMENT.
- 16 12. Neither DISTRICT nor any officer or employee thereof shall be responsible for any damage or liability
17 occurring by reason of anything done or omitted to be done by COUNTY under or in connection with any
18 work, authority or jurisdiction delegated to COUNTY under this AGREEMENT. It is further agreed that
19 pursuant to Government Code Section 895.4, COUNTY shall fully indemnify and hold DISTRICT
20 harmless from any liability imposed for injury (as defined by Government Code Section 810.8) occurring
21 by reason of anything done or omitted to be done by COUNTY under or in connection with any work,
22 authority or jurisdiction delegated to COUNTY under this AGREEMENT.
- 23 13. This AGREEMENT and the exhibits herein contain the entire agreement between the parties and are
24 intended by the parties to completely state the agreement in full. Any agreement or representation
25 respecting the matters dealt with herein or the duties of any party in relation thereto, not expressly set
26 forth in this AGREEMENT, is null and void.
- 27 14. Nothing in the provisions of this AGREEMENT is intended to create duties or obligations to or rights in
28 third parties not parties to this AGREEMENT or affects the legal liability of either party to the
