Prev. Agn. Ref.: 8/29/23 3.64 & 1/23/24 3.30

BACKGROUND:

Summary

Per Board Policy A-30, Riverside County Sheriff's Office (RSO) requests authorization to apply for up to \$3,628,752 in Operation Stonegarden (OPSG) funding. The U.S. Department of Homeland Security administers the OPSG program (DHS), passed through the California Office of Emergency Services (Cal OES) and administered by the U.S. Customs and Border Protection (USCBP) San Diego Sector. OPSG provides funding to states, local units of government, and tribes to support joint efforts to secure the U.S. border along routes of ingress and egress from international borders, including travel corridors in states bordering Mexico.

On August 29, 2023 (Minute Order 3.64), the Board of Supervisors accepted FY 2022 OPSG funding for \$2,500,000, entering into an Agreement for participation in the OPSG Grant Program to lead its own regional initiative supporting intelligence-led crime suppression operations supported by OPSG grant funds and on January 23, 2024 (Minute Order 3.30), the Board of Supervisors allowed the RSO to apply for FY 2023 OPSG funding for \$2,900,000. The USCBP has pre-designated RSO as the fiduciary agent to administer the OPSG program grant funds for the region. The County of Riverside is eligible to apply for funding because it is considered a Tier 2 subrecipient, which includes jurisdictions not located on the physical border or international water but are contiguous to a Tier 1 County that is on a physical border.

As an awardee for the FY 2024 grant cycle, RSO will oversee eight jurisdictions, including the Los Angeles County Sheriff's Department, Costa Mesa Police Department, Hawthorne Police Department, Huntington Beach Police Department, La Habra Police Department, L.A. IMPACT, Newport Beach Police Department, and Seal Beach Police Department. This multi-agency grant program provides an opportunity for participating agencies to coordinate law enforcement activities, working in a layered and integrated approach in combating border-related crimes and violence. OPSG supports crime suppression and does not include immigration enforcement, and RSO will not engage in or support immigration enforcement activities during operations.

As the lead agency, the RSO will retain 5% of the grant award to manage and administer the OPSG grant award, while RSO and regional participants will receive a portion of the remaining

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

grant award. Once the State has approved the application, RSO will return to the Board of Supervisors to approve the grant award and grant agreement.

Grant Management Responsibilities

As the administrative lead for the region, RSO will assume the following OPSG grant responsibilities to include: working in direct coordination and communication with the local or tribal agency lead on all grant management matters; reviewing all operations orders created by the local or tribal agency; acting as the fiduciary agent for the program and provide expertise in state policy and regulations; entering into a subaward agreement to disburse the allocated funding awarded through FEMA; generating biannual reports to FEMA capturing the subrecipients' obligations and expenditures of funds, determining if the grant's performance period requires additional refinement over the federally established 36-month period; conducting audits of the program to ensure that the subrecipients are following program guidance; and assisting as needed with the coordination, management, and operation aspects of the grant.

Impact on Residents and Businesses

OPSG funding allows the RSO to work with other law enforcement personnel throughout the County on reimbursable activities to combat border-related criminal acts that affect the County.

SUPPLEMENTAL:

Additional Fiscal Information

This grant is funded through Cal OES and is 100% reimbursable with no matching requirement. RSO will receive full reimbursement of expenditures related to the enforcement of regional crime with a border nexus. Through grant agreements with the various jurisdictions, RSO will reimburse overtime, equipment, mileage, vehicle and equipment maintenance, and flight costs incurred collectively by participating law enforcement agencies performing grant activities. These expenditures will occur over the next three fiscal years after the award and will be included in RSO budgets for those years.

RSO may retain up to 5% of the total award for Management and Administration (M&A) to administer the grant and will reimburse costs for required personnel support through the 5% M&A allocation estimated at \$172,798.
