BACKGROUND:

Summary

By Minute Order dated February 27, 2024 (Agenda Item 3.44), the County of Riverside Board of Supervisors authorized the Clerk of the Board to advertise for the construction of the Mockingbird Canyon Road Resurfacing Projects. The limits on Mockingbird Canyon Road are from Van Buren Boulevard to El Sobrante Road.

The projects were combined to bid as one project in order to gain cost efficiencies by eliminating multiple bidding and administrative procedures and to seek more favorable proposed costs associated with larger bid quantities.

Mockingbird Canyon Road is a two-lane facility that travels in the North-South directions with a road width between 28 feet and 44 feet wide and is currently classified as a secondary highway in the circulation element of the County of Riverside General Plan. The areas in the immediate vicinity include residential areas with single family dwellings and hilly open spaces areas.

Roadway resurfacing is needed due to the deteriorated pavement conditions. Mainly, the resurfacing projects consist of grinding the asphalt concrete in place and then overlaying with Hot Mix Asphalt (HMA). Additionally, some segments of the road will require removing the existing asphalt concrete pavement and underlying material and placing back new HMA pavement.

Additional improvements include reconstruction of driveways, curb and gutter, placement of safety edge and shoulder backing to protect the outside edge of pavement, safety features include placing of thermoplastic crosswalk and pavement marking, roadside signs, and other associated work.

During the advertisement period, two addenda were issued to all registered plan holders as a supplement to the plans and specifications. Bidders were required to acknowledge and take into account the issued addenda on their contractor's Bid in order to be considered for award.

The addenda were issued to clarify and make modifications to the proposal. The addenda are attached and designated as Addendum No. 1 and Addendum No. 2.

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

The Contract includes the following schedules of work:

- Base Bid Schedule 1: Mockingbird Canyon Road Resurfacing, Van Buren Boulevard to Markham Street
- Base Bid Schedule 2: Mockingbird Canyon Road Resurfacing, Markham Street to El Sobrante Road
- Alternative Bid Schedule 1: Western Municipal Water District (WMWD) Facility Adjustments
- Alternative Bid Schedule 2: Not Selected for Award (AT&T Manhole Adjustments)

AT&T has rejected the bid prices proposed by AAA for alternative bid schedule 2.

WMWD has accepted the bid prices proposed by AAA for Alternative Bid Schedule 1 which includes adjustments of fourteen (14) sewer manhole covers and one (1) valve box, and the cost for the work will be reimbursed by WMWD through reimbursement Agreement. The Director of Transportation has the authority to sign reimbursement Agreements up to \$100,000 per Minute Order dated November 19, 2019 (Agenda Item 3.25).

The contractor, AAA, is qualified to perform the work as outlined in the bid, has executed the contract, and has provided bonds and insurance documents which meet the requirements of the contract documents.

- Project Nos. B5-0479 – Mockingbird Canyon Road Resurfacing, Van Buren Boulevard to Markham Street
- D1-0052 – Mockingbird Canyon Road Resurfacing, Markham Street to El Sobrante Road

Impact on Residents and Businesses

The purpose of these projects is to replace existing deteriorated pavement with new hot mix asphalt for the approximate 3.4-mile segment of Mockingbird Canyon Road in the Community of Woodcrest to provide the public with a smooth paved roadway that will improve the safety and efficiency of vehicular traffic.

The work is scheduled to begin in summer 2024. The work will be phased to keep the road open during construction as much as possible and will take approximately two months to complete.

SUPPLEMENTAL:

Additional Fiscal Information

Construction is expected to be completed in Fiscal Year 2024/2025 and will be funded with Gas Tax/SB-1 and WMWD funds.

There are no General Funds used in this project.

Contract History and Price Reasonableness

A total of seven bids were received on Wednesday March 27, 2024 ranging from \$4,529,154 to \$6,307,101. The basis for the selection of a contractor is the lowest responsive and responsible bid. The lowest responsive and responsible bid was submitted by AAA in the amount of \$4,529,154 which is \$223,271 (4.7%) below the engineer's cost estimate.

The Transportation Department recommends the award of the contract to AAA in the amount of \$4,522,354. The contract amount (\$4,522,354) varies from the submitted bid amount (\$4,529,154) because Alternative Bid Schedule 2 in the amount of \$6,800 was not selected for award.

There are provisions in this policy that restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Words and phrases in quotation marks have special meaning and can be found in the **Definitions** Section or the specific policy provision where they appear.

In consideration of the payment of the premium and in reliance upon the statements in the Declarations we agree with you to provide coverage as follows:

INSURING AGREEMENTS**I. COVERAGE**

We will pay on behalf of the Insured "loss" in excess of the Underlying Limits of Insurance shown in Item 5. of the Declarations, but only up to an amount not exceeding the Company's Limits of Insurance as shown in Item 4. of the Declarations. Except for the terms, conditions, definitions and exclusions of this policy, the coverage provided by this policy will follow the First Underlying Insurance Policy, as shown in Item 5. of the Declarations.

The inclusion or addition hereunder of more than one Insured shall not operate to increase the Company's Limits of Insurance beyond that set forth in Item 4. of the Declarations.

We will be furnished a complete copy of the First Underlying Insurance Policy described in Item 5. of the Declarations.

II. LIMITS OF INSURANCE

A. The Limits of Insurance shown in the Declarations and the rules below describe the most we will pay regardless of the number of:

B. The Limits of Insurance of this policy will apply as follows:

1. This policy applies only in excess of the Underlying Limits of Insurance shown in Item 5. of the Declarations.
2. The aggregate limit shown in Item 4. of the Declarations is the most we will pay for all "loss" that is subject to an aggregate limit provided by the First Underlying Insurance Policy. The aggregate limit applies separately and in the same manner as the aggregate limits provided by the First Underlying Insurance Policy.
3. Subject to **B.2.**, the occurrence limit stated in Item 4. of the Declarations is the most we will pay for all "loss" arising out of any one occurrence to which this policy applies.
4. Subject to Paragraphs **B.2.** and **B.3.** above, if the underlying Limits of Insurance stated in Item 5. of the Declarations are reduced or exhausted solely by payment of "loss," such insurance provided by this policy will apply in excess of the reduced Underlying Limits or, if all Underlying Limits are exhausted, will apply as underlying insurance subject to the same terms, conditions, definitions and exclusions of the First Underlying Insurance Policy, except for the terms, conditions, definitions and exclusions of this policy.
5. The Limits of Insurance of this policy apply separately to each consecutive annual period and to any remaining pe-
