BACKGROUND:

Summary

The Transportation Improvement Program (TIP) provides for the construction of the Carver Tract Sidewalk Safety Improvement Project Phase 2, in the Community of Carver Tract bordering the City of Indio and City of Coachella, in the unincorporated area of the County of Riverside.

The proposed Project will include the construction of various segments of concrete sidewalk, for a combined length of approximately 7,100-feet, along the following six streets of the Carver Tract community:

- Lingayan Avenue
- Corregidor Avenue
- Leyte Avenue
- Manila Avenue
- Luzon Street
- Bataan Street

The project will include roadway resurfacing improvements that consist of removing the existing asphalt concrete pavement and underlying material and placing back new Hot Mix Asphalt (HMA) pavement.

Additional improvements include construction of concrete curb and gutter, cross gutters and spandrels, curb ramps, and driveways. Drainage improvements include construction of catch basins, construction of drywall catch basins, gutter depressions, and installation of trash capture devices in various catch basins. Safety features include placing of roadside signs, retroreflective pavement markers, and thermoplastic crosswalks and pavement markings.

The proposed improvements will provide a fully American with Disabilities Act (ADA) accessible all weather pathway for pedestrians.

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

On March 11, 2021, President Biden signed the \$1.9 trillion American Rescue Plan Act (ARPA) of 2021 into law. To accelerate recovery from the economic and health impacts of the COVID-19 pandemic, the County of Riverside was provided approximately \$480 million. The Executive Office in conjunction with the Board Supervisors developed a plan to disburse these funds based on the principles of providing recovery funding to those sectors of our economy and society that are struggling most to recover from the pandemic; have a constituent and community based focus; provide a vehicle for transformational investment in our County's recovery from COVID-19; provide for countywide equity; and focus on one time investments, rather than funding ongoing operational costs. As a result of these principles, the Carver Tract Sidewalk Safety Improvement Project Phase 2 was selected as a recipient of \$3,500,000 of ARPA funds from District 4 per Minute Order dated July 11, 2023 (Agenda Item 3.44).

The submitted plans and specifications have been approved as to form by County Counsel.

The bid documents include the following bid schedules of work:

Base Bid Schedule:	Carver Tract Sidewalks Project and associated work
Alternate Bid Schedule:	Facilities Adjustments for Valley Sanitary District

The adjustment of the facilities owned by Valley Sanitary District (VSD) are also included in the bid package as an alternative bid schedule. If VSD approves the award of their alternative bid schedule, as bid by the apparent low bidder, the cost for the work will be funded by VSD through a reimbursement letter Agreement that will be executed by the Director of Transportation. The Director of Transportation has the authority to sign reimbursement Agreements up to \$100,000 per Minute Order dated November 19, 2019 (Agenda Item 3.25).

The Transportation Department will select the contractor based upon the lowest responsive and responsible bid for the sum of all bid schedules.

Project Number: D0-0071

Environmental Findings

The proposed project is exempt from CEQA under Section 15301 (c) – Existing Facilities exemption because the Carver Tract Sidewalk Safety Improvement Project Phase 2 does not create additional traffic lanes and involves negligible or no expansion of existing or former use of the existing roadway and associated facilities.

Impact on Citizens and Businesses

The proposed improvements will improve pedestrian safety and provide an ADA compliant path. In addition to the residents along the project limits, there are several community facilities providing goods and services to local residents that are within walking distance of the project and will be served by the project improvements including: Martin Van Buren Elementary School, New Seasons Church, Coachella Valley Rescue Mission, Coachella Valley Wild Bird

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

Center, Riverside County Office of Education, Rancho Las Flores Park, and the United Families/Fred Young Farm Labor Center.

The work is scheduled to begin in December 2024. The work will be phased to keep the roads open during construction as much as possible and will take approximately five and a half months to complete.

SUPPLEMENTAL:

Additional Fiscal Information

The construction contract is estimated to cost approximately \$4,117,600. The County improvements will be funded with Gas Tax/HUTA, SB 821 (Local Transportation Fund), Valley Sanitary District, and American Rescue Plan Act funds.

There are no General Funds used in this project.

NOTICE OF EXEMPTION

March 26, 2024

PROJECT TITLE: Carver Tract Sidewalk Project Improvements Phase
II Work Order# ZD00071C Task Code #Z1530

PROJECT SPONSOR: County of Riverside Transportation Department

PROJECT LOCATION: Community of Carver Tract, City of Coachella and City of Indio

PROJECT DESCRIPTION: The County of Riverside Transportation Department is proposing to construct approximately 7,100 linear feet of sidewalk, curb, gutter and drainage improvements. The project is located in the Carver Tract located in the City of Coachella, north of Ave 48; east of Van Buren St and west of California State Route 111. Lingayan Avenue, Battan Street, Manila Ave, Corregidor Avenue, Leyte Avenue, and Luzon Street are classified as local streets with two lanes and existing pavement width of approximately 28 feet with 60 feet of right of way.

The proposed project will include the following

- Sidewalk
- Drainage improvements: curb, gutter, cross gutters, catch basins, and catch basin drywells on Lingayan Avenue and Corregidor Avenue.
- ADA pedestrian ramps
- Remove and replace Hot Mix Asphalt Concrete pavement and aggregate base
- Driveway replacement
- Remove and replace signs
- Pavement delineation of roadway, including pavement markings and reflectors
- Utility adjustments
- Removal of trees/vegetation

ENVIRONMENTAL ANALYSIS:

The project improvements will remain within the existing county right of way.

This project is subject to compliance with the Coachella Valley Multiple Species Habitat Conservation Plan (MSHCP). In accordance with Section 7 of the Coachella Valley MSHCP, necessary operation and maintenance along existing roadways are considered a covered activity outside conservation areas. This project is not within a conservation area and is considered to be a

necessary operation and maintenance project, therefore it is a covered activity under the Coachella Valley MSHCP.

If tree and/or vegetation removal takes place during the migratory bird breeding season (February 1 – September 1), a preconstruction nesting survey will be conducted pursuant to the Migratory Bird Treaty Act of 1918 and California Fish and Game Codes Section 3503, 3503.5, 3513, and 3800.

The County of Riverside Transportation Department has found that the above-described project is exempt from the provisions of the California Environmental Quality Act (CEQA), based on the following:

Section 15301 (c) – Existing Facilities – The project proposes to construct approximately 5,600 linear feet of sidewalk, curb, gutter and drainage improvements in the Carver Tract located in the Lakeland Village area of the County of Riverside. The project in its entirety is consistent with Section 15301(c) because it does not create additional traffic lanes and involves no expansion of use of the existing roadway and associated facilities.

BOARD RULES

Requests to Address Board on "Agenda" Items:

You may request to be heard on a published agenda item. Requests to be heard must be submitted to the Clerk of the Board before the scheduled meeting time.

Requests to Address Board on items that are "NOT" on the Agenda:

Notwithstanding any other provisions of these rules, member of the public shall have the right to address the Board during the mid-morning "Oral Communications" segment of the published agenda. Said purpose for address must pertain to issues which are under the direct jurisdiction of the Board of Supervisors. YOUR TIME WILL BE LIMITED TO THREE (3) MINUTES. The Board may limit the public input on any item, based on the number of people requesting to speak and the business of the Board.

Power Point Presentations/Printed Material:

Speakers who intend to conduct a formalized Power Point presentation or provide printed material must notify the Clerk of the Board's Office by 12 noon on the Monday preceding the Tuesday Board meeting, ensuring that the Clerk's Office has sufficient copies of all printed materials and at least one (1) copy of the Power Point CD. Copies of printed material given to the Clerk (by Monday noon deadline) will be provided to each Supervisor. If you have the need to use the overhead "Elmo" projector at the Board meeting, please ensure your material is clear and with proper contrast, notifying the Clerk well ahead of the meeting, of your intent to use the Elmo. **Speakers are prohibited from bringing signs, placards, or posters into the hearing room.**

Individual Speaker Limits:

Individual speakers are limited to a maximum of three (3) minutes. The Board may limit the public input on any item, based on the number of people requesting to speak and the business of the Board. Please step up to the podium when the Chair calls your name and begin speaking immediately. Pull the microphone to your mouth so that the Board, audience, and audio recording system hear you clearly. Once you start speaking, the "green" podium light will light. The "yellow" light will come on when you have one (1) minute remaining. When you have 30 seconds remaining, the "yellow" light will begin flash, indicating you must quickly wrap up your comments. Your time is up when the "red" light flashes. The Chair adheres to a strict three (3) minutes per speaker. ***Note: If you intend to give your time to a "Group/Organized Presentation", please state so clearly at the very bottom of the reverse side of this form.***

Group/Organized Presentations:

Group/organized presentations with more than one (1) speaker will be limited to nine (9) minutes at the Chair's discretion. The organizer of the presentation will automatically receive the first three (3) minutes, with the remaining six (6) minutes relinquished by other speakers, as requested by them on a completed "Request to Speak" form, and clearly indicated at the front bottom of the form.

Addressing the Board & Acknowledgement by Chair:

The Chair will determine what order the speakers will address the Board and will call on all speakers in pairs. The first speaker should immediately step to the podium and begin addressing the Board. The second speaker should take up a position in one of the chamber aisles to quickly step up to the podium after the preceding speaker. This is to afford an efficient and timely Board meeting, giving all attendees the opportunity to make their case. Speakers are prohibited from making personal attacks, and/or using coarse, crude, profane or vulgar language while speaking to the Board members, staff, the public and/or meeting participants. Such behavior, at the discretion of the Board Chair may result in removal from the Board Chambers by Sheriff Deputies.
