BACKGROUND:

Summary

These three (3) Agreements set forth the terms and conditions by which the District will contribute funding to the City to develop and implement the Corona South Joy Street Storm Drain, Corona South Victoria Avenue Storm Drain, and Corona Drain Line 9A projects as part of a City administered public works construction contract. Said facilities are to be constructed, inspected, operated and maintained by the City. The District wishes to provide only financial assistance to the City and have no other role.

1. Corona South Joy Street Storm Drain: An underground storm drain system that will collect and convey flows from Seventh Street to Second Street and tie into an existing culvert under the 91 Freeway.
2. Corona South Victoria Avenue Storm Drain: An underground storm drain system that will collect and convey runoff from Seventh Street to an existing culvert crossing the 91 Freeway.
3. Corona Drain Line 9A: An underground storm drain system that will collect runoff at Kellogg Avenue and convey it to the existing City-owned storm drain in Magnolia Avenue ending at Mt. Wilson.

County Counsel has approved the Agreements as to legal form, and the City has executed the Agreements.

Environmental Findings

The Agreements are exempt from CEQA pursuant to the State CEQA Guidelines section 15061(b)(3) (Common Sense Exemption), which provides, "The activity is covered by the common-sense exemption that CEQA applies only to projects which have the potential for causing a significant effect on the environment. Where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, the activity is not subject to CEQA." The Agreements do not authorize to any extent whatsoever actual physical development of the underlying property. Such development, if it occurs at all, will be the result of subsequent actions subject to CEQA review by the City prior to construction. The Agreements merely establish the terms by which the District will contribute funding to the City for the construction of the referenced facilities. It can be seen with certainty that there is no possibility the Agreements will have a significant effect on the environment. Therefore, nothing further is required under CEQA.

Impact on Residents and Businesses

The District's financial contribution under these Agreements will be funded by ad valorem property tax revenues and entail no new fees, taxes or bonded indebtedness to residents and businesses. Execution of the Agreements impose no additional impacts to the public and businesses.

Additional Fiscal Information

Pursuant to the Implementing Agreement for the Western Riverside County Multiple Species Habitat Conservation Plan ("MSHCP") executed on June 22, 2004, the District is a participating agency. The District is making a payment to the Western Riverside County Regional Conservation Authority for up to 3% of the total capital cost as required mitigation for the construction of flood control facilities in cooperation with and on behalf of the City. The MSHCP mitigation fee is based on the engineer's estimated project cost, however, the actual 3% payment will be based on the project's lowest responsive contract bid price. The actual mitigation payment that will be made by the District may be reduced based on acquisition of replacement habitat for the benefit of Covered Species, as defined in the Implementing Agreement and MSHCP. The City is the lead agency and MSHCP permittee responsible for compliance with the applicable MSHCP requirements.

The District is providing a total not-to-exceed amount of \$6,570,000 to the City. Sufficient funding is available in the District's Zone 2 budget for Fiscal Years 2024/2025 – 2025/2026 and will be included in the proposed budget in future years as appropriate and necessary.

One hundred percent (100%) of design proposal cost to offset CITY's costs associated with engineering design; hydrology and hydraulics; geotechnical analysis; potholing required to complete the design of PROJECT; California Environmental Quality Act ("CEQA") determination; preparation, application and acquisition of the environmental clearance and permits if required for PROJECT; and other typical ancillary costs related to the preparation of improvement plans ("DESIGN CONTRIBUTION"). However, DESIGN CONTRIBUTION shall not include the fees associated with the

Western Riverside County Multiple Species Habitat Conservation Plan ("MSHCP"); and

2. In the event that CITY chooses to hire an engineering consulting firm to prepare IMPROVEMENT PLANS, DISTRICT is also willing to contribute an additional ten percent (10%) of design proposal cost to offset CITY's administrative costs associated with design contract administration ("DESIGN ADMIN"); and
3. Up to one hundred percent (100%) of the lowest responsive and responsible bid contract amount for the construction of PROJECT and the costs associated with UTILITY RELOCATIONS ("BID PRICE"); and
4. Up to an additional ten percent (10%) of BID PRICE to offset CITY's administrative cost associated with construction contract administration and other typical ancillary costs related to the delivery of the facility ("CONTRACT ADMINISTRATION CONTRIBUTION"); and

The fact that this Agreement was prepared as a matter of convenience by DISTRICT shall have no importance or significance. Any uncertainty or ambiguity in this Agreement shall not be construed against DISTRICT because DISTRICT prepared this Agreement in its final form.

10. Any waiver by DISTRICT or CITY of any breach by any other Party of any provision of this Agreement shall not be construed to be a waiver of any subsequent or other breach of the same or any other provision hereof. Failure on the part of DISTRICT or CITY to require from any other Party exact, full and complete compliance with any of the provisions of this Agreement shall not be construed as in any manner changing the terms hereof or estopping DISTRICT or CITY from enforcing this Agreement.

11. The obligations of DISTRICT are limited by and contingent upon the availability of DISTRICT funds for DISTRICT's financial contribution toward PROJECT as set forth herein. In the event such funds are not forth coming for any reason, DISTRICT shall immediately notify CITY in writing. 13. No alternation or variation of the terms of this Agreement shall be valid unless made in writing and signed by both Parties and no oral understanding or agreement not incorporated herein shall be binding on either Party hereto.

14. Nothing in the provisions of this Agreement is intended to create duties or obligations to or rights in third parties not Parties to this Agreement.

CUETA authorizes use of an electronic signature for transactions and contracts among Parties in California, including a government agency. Digital signature means an electronic identifier, created by computer, intended by the Party using it to have the same force and effect as the use of a manual signature, and shall be reasonably relied upon by the Parties. SECTION III

It is further mutually agreed:

1. Notwithstanding any other provision herein this Agreement, TOTAL DISTRICT CONTRIBUTION shall not exceed a total sum of Three Million Seven Hundred Ten Thousand Dollars (\$3,710,000) and shall be used by CITY solely for the purpose of constructing PROJECT as set forth herein. 3. Under the provisions of this Agreement, DISTRICT shall bear no responsibility whatsoever for the design, construction, ownership, operation or maintenance of PROJECT.

4. CITY shall indemnify, defend, save and hold harmless DISTRICT and the County of Riverside (including their agencies, districts, special districts and departments, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents, representatives, independent contractors, and subcontractors) from any liabilities, claim, damage, proceeding or action, present or future, based upon, arising out of or in any way relating to CITY's (including its officers, elected and appointed officials, employees, agents, representatives, independent contractors and subcontract) actual or alleged acts or omissions related to this Agreement, performance under this Agreement or failure to comply with the requirements of this Agreement including, but not limited to (a) property damage; (b) bodily injury or death; (c) payment of attorney fees; or (d) any other element of any kind or nature whatsoever. This section shall survive any termination of this Agreement until the statute of limitations period has run for any claims that could be asserted under this Agreement.

5. If any provision in this Agreement is held by a court of competent jurisdiction to be invalid, void or unenforceable, the remaining provisions will nevertheless continue in full force without being impaired or invalidated in any way.

Any action at law or in equity brought by any of the Parties hereto for the purpose of enforcing a right or rights provided for by this Agreement shall be tried in a court of competent jurisdiction in the County of Riverside, State of California, and the Parties hereto waive all provisions of law providing for a change of venue in such proceedings to any other county. Neither CITY nor DISTRICT shall assign this Agreement without the written consent of the other party.

7. This Agreement is made and entered into for the sole protection and benefit of the Parties hereto. No other person or entity shall have any right of action based upon the provisions of this Agreement.

8. Any and all notices sent or required to be sent to the Parties of this Agreement will be mailed by first class mail, postage prepaid, to the following addresses:

9. This Agreement is the result of negotiations between the Parties hereto and the advice and assistance of their respective counsel. The fact that this Agreement was prepared as a matter of convenience by DISTRICT shall have no importance or significance. Any uncertainty or ambiguity in this Agreement shall not be construed against DISTRICT because DISTRICT prepared this Agreement in its final form.

10. Any waiver by DISTRICT or CITY of any breach by any other Party of any provision of this Agreement shall not be construed to be a waiver of any subsequent or other

breach of the same or any other provision hereof. Failure on the part of DISTRICT or CITY to require from any other Party exact, full and complete compliance with any of the provisions of this Agreement shall not be construed as in any manner changing the terms hereof or estopping DISTRICT or CITY from enforcing this Agreement.

14. Nothing in the provisions of this Agreement is intended to create duties or obligations to or rights in third parties not parties to this Agreement.

15. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which taken together shall constitute one and the same instrument. Each Party of this Agreement agrees to the use of electronic signatures, such as

FUNDING AGREEMENT

Corona South Victoria Avenue Storm Drain
Project No. 2-0-10046

This Funding Agreement ("Agreement"), dated as of July 02, 2024, is entered into by and between the RIVERSIDE COUNTY FLOOD CONTROL AND WATER CONSERVATION DISTRICT, a body politic ("DISTRICT"), and the CITY OF CORONA, a municipal corporation ("CITY"). DISTRICT and CITY are collectively referred to herein as "Parties" and individually as "Party". The Parties hereby agree as follows:

RECITALS

A. DISTRICT has budgeted for and CITY is preparing plans and specifications ("IMPROVEMENT PLANS") for the construction, operation and maintenance of Corona South Victoria Storm Drain (SOUTH VICTORIA STORM DRAIN); and

B. These IMPROVEMENT PLANS generally consist of the following:

1. SOUTH VICTORIA STORM DRAIN: A storm drain to reduce street and community flooding within Victoria Avenue. The proposed underground storm drain consists of approximately 1,900 lineal feet of 36-inch diameter reinforced concrete pipe to collect and convey runoff from Seventh Street toward an existing culvert crossing the 91 Freeway, as shown in blue on Exhibit "A" attached hereto and made a part hereof; and

2. Certain inlets, catch basins and connector pipes associated with SOUTH VICTORIA STORM DRAIN, which will be constructed to adequately collect and convey local flows within CITY-held easements or rights of way ("APPURTENANCES"); and

C. Together, SOUTH VICTORIA STORM DRAIN and APPURTENANCES are hereinafter called "PROJECT"; and

D. CITY plans to advertise, award and administer a public works construction contract for PROJECT during Fiscal Year 2025/2026; and

E. CITY desires that DISTRICT include certain unavoidable utility relocations as part of the DISTRICT's financial contribution to construct PROJECT. "UTILITY RELOCATIONS" is defined as (i) the relocation of CITY-owned utilities that conflict with the construction of PROJECT and (ii) the unavoidable relocation of utilities not owned by CITY that (a) conflict with the construction of PROJECT and (b) cannot be relocated by others under CITY's franchise authority; and

F. UTILITY RELOCATIONS shall be included in the public works construction contract for PROJECT; and

G. CITY desires that DISTRICT contribute funding toward the construction of PROJECT; and

H. DISTRICT wishes to support CITY's efforts to construct PROJECT by providing a financial contribution toward PROJECT's construction along with associated administrative and ancillary costs subject to the not to exceed amount in RECITAL K; and

I. DISTRICT's financial contributions shall be as follows:

1. One hundred percent (100%) of design proposal cost to offset CITY's costs associated with engineering design; hydrology and hydraulics; geotechnical analysis; potholing required to complete the design of PROJECT; California Environmental Quality Act ("CEQA") determination; preparation, application and acquisition of the environmental clearance and permits, if required, for PROJECT; and other typical ancillary costs related to the preparation of improvement plans ("DESIGN CONTRIBUTION"). However, DESIGN CONTRIBUTION shall not include the fees associated with the

Western Riverside County Multiple Species Habitat Conservation Plan ("MSHCP"); and

2. In the event that CITY chooses to hire an engineering consulting firm to prepare IMPROVEMENT PLANS, DISTRICT is also willing to contribute an additional ten percent (10%) of design proposal cost to offset CITY's administrative costs associated with design contract administration ("DESIGN ADMIN"); and
3. Up to one hundred percent (100%) of the lowest responsive and responsible bid contract amount for the construction of PROJECT and the costs associated with UTILITY RELOCATIONS ("BID PRICE"); and
4. Up to an additional ten percent (10%) of BID PRICE to offset CITY's administrative cost associated with construction contract administration and other typical ancillary costs related to the delivery of the facility ("CONTRACT ADMINISTRATION CONTRIBUTION"); and
5. Up to an additional ten percent (10%) of BID PRICE for construction contract change orders ("CONSTRUCTION CHANGE ORDERS CONTRIBUTION"); and

J. Altogether, DESIGN CONTRIBUTION, DESIGN ADMIN, BID PRICE, CONTRACT ADMINISTRATION CONTRIBUTION and CONSTRUCTION CHANGE ORDERS CONTRIBUTION are hereinafter called ("TOTAL DISTRICT CONTRIBUTION"); and

K. TOTAL DISTRICT CONTRIBUTION for PROJECT shall not exceed a total sum of One Million Four Hundred Thirty Thousand Dollars (\$1,430,000); and

L. DISTRICT wishes to provide only financial assistance to CITY and have no other role in the PROJECT; and

M. The purpose of this Agreement is to memorialize the mutual understandings by and between CITY and DISTRICT with respect to the construction, ownership, operation and maintenance of PROJECT and the payment of TOTAL DISTRICT CONTRIBUTION.

NOW, THEREFORE, in consideration of the preceding recitals and the mutual covenants hereinafter contained, the Parties hereto mutually agree that the above recitals are true and correct and incorporated into the terms of this Agreement and as follows:

SECTION I

CITY shall:

1. Pursuant to CEQA, act as Lead Agency and assume responsibility for preparation, circulation and adoption of all necessary and appropriate CEQA documents pertaining to the construction, operation and maintenance of PROJECT.

2. Invoice DISTRICT (Attention: Special Projects Section) for fifty percent (50%) of DESIGN CONTRIBUTION upon execution of this Agreement. TOTAL DISTRICT CONTRIBUTION shall not exceed a total sum of One Million Four Hundred Thirty Thousand Dollars (\$1,430,000) for PROJECT.

3. Prepare or cause to be prepared IMPROVEMENT PLANS, in accordance with the applicable CITY standards. CITY shall make reasonable efforts during the preparation of IMPROVEMENT PLANS to avoid utility conflicts associated with UTILITY RELOCATIONS.

4. Following the signing of IMPROVEMENT PLANS, invoice DISTRICT (Attention: Special Projects Section) for the (i) remaining fifty percent (50%) of DESIGN CONTRIBUTION and (ii) DESIGN ADMIN, subject to and provided that TOTAL DISTRICT

CONTRIBUTION does not exceed a total sum of One Million Four Hundred Thirty Thousand Dollars (\$1,430,000) for PROJECT.

5. Prior to advertising PROJECT for public works construction contract, obtain all necessary permits, licenses, agreements, approvals, rights of way, rights of entry, encroachment permits and temporary construction easements as may be needed to construct, operate and maintain PROJECT.

6. Upon execution of this Agreement, advertise, award and administer PROJECT pursuant to the applicable provisions of the California Public Contract Code. At the time of advertising for bids, provide DISTRICT with a copy of IMPROVEMENT PLANS, specifications, bid documents and any subsequent addenda thereto.

7. Provide DISTRICT with written notice (Attention: Special Projects Section) that CITY has awarded a public works construction contract for PROJECT. The written notice shall include the Contractor's actual bid amounts for PROJECT, setting forth the lowest responsible bid contract amount.

8. Order the relocation of all utilities within CITY rights of way that may conflict with the construction of PROJECT.

9. At the time of providing written notice of the award of a construction contract for PROJECT, invoice DISTRICT (Attention: Special Projects Section) for BID PRICE and CONTRACT ADMINISTRATION CONTRIBUTION, subject to and provided that TOTAL DISTRICT CONTRIBUTION does not exceed a total sum of One Million Four Hundred Thirty Thousand Dollars (\$1,430,000) for PROJECT. BID PRICE shall be supported by a copy of CITY's bid abstracts for PROJECT.

10. Procure or caused to be procured insurance coverages during the term of this Agreement. CITY shall require its PROJECT construction contractor(s) to furnish original certificate(s) of insurance and original certified copies of endorsements and, if

14. Upon completion of PROJECT construction and CITY's acceptance thereof, accept ownership and sole responsibility for the design, inspection, operation and maintenance of PROJECT.

15. Upon completion of PROJECT construction, provide DISTRICT with a copy of CITY's Notice of Completion.

16. Keep an accurate accounting of all PROJECT costs along with CONSTRUCTION CHANGE ORDERS CONTRIBUTION. The final accounting of construction costs shall include a detailed breakdown of all costs, including, but not limited to,

payment vouchers, CITY approved change orders and other such construction contract documents as may be necessary to establish the actual cost of construction for PROJECT.

17. At the time of providing a Notice of Completion, invoice DISTRICT (Attention: Special Projects Section) for CONSTRUCTION CHANGE ORDERS CONTRIBUTION, subject to and provided TOTAL DISTRICT CONTRIBUTION shall not exceed One Million Four Hundred Thirty Thousand Dollars (\$1,430,000) for DISTRICT review.

SECTION II

DISTRICT shall:

1. Within thirty (30) days after receipt of CITY's invoices, (i) pay all approved CITY's invoices and (ii) review and approve associated documents as described in the RECITALS and SECTION I of this Agreement, subject to and provided that TOTAL DISTRICT CONTRIBUTION shall not exceed One Million Four Hundred Thirty Thousand Dollars (\$1,430,000) for PROJECT.

2. Within thirty (30) days of CITY awarding PROJECT, pay the Western Riverside County Regional Conservation Agency the mitigation fee for PROJECT per the 2004 Implementing Agreement for the MSHCP, which is either the lesser of (i) three percent (3%) of the lowest responsible bid; or (ii) three percent (3%) of lowest responsible bid contract price, less the value of any applicable project specific mitigation.

3. Not be responsible to pay any amounts that exceed the TOTAL DISTRICT CONTRIBUTION for PROJECT.

SECTION III

It is further mutually agreed:

1. Notwithstanding any other provision in this Agreement, TOTAL DISTRICT CONTRIBUTION shall not exceed a total sum of One Million Four Hundred Thirty Thousand Dollars (\$1,430,000) and shall be used by CITY solely for the purpose of constructing PROJECT

as set forth herein. No additional funding whatsoever shall be provided by DISTRICT for any subsequent PROJECT modifications, extensions or repairs.
