BACKGROUND:

Summary

The County of Riverside is a member of the Public Risk Innovation, Solutions, and Management (PRISM) Joint Powers Authority (JPA), which provides cost effective insurance solutions and risk management services by pooling public entities throughout California. PRISM's membership includes 95% of California counties, 70% of California cities, as well as educational organizations, special districts, housing authorities, fire districts, and 27 other JPAs. The County of Riverside has been a participating member of PRISM (formerly known as CSAC-EIA) since 1984.

The number of PRISM members creates stability for public entity members and offers economies of scale that allows them to leverage the insurance market for competitive pricing and provides stability as the insurance market fluctuates. The County of Riverside purchases multiple insurance coverages through PRISM to protect the County from catastrophic events.

Under the terms of the PRISM Memorandum of Understanding, it is required that each member's governing board appoint a representative and an alternate representative. By approving this item, the Board would appoint Ronak Patel, Assistant Human Resources Director as the County's Representative to the PRISM's Board of Directors and Tami Douglas-Schatz, Human Resources Director as the Alternative Representative.
