BACKGROUND:

Summary

The County of Riverside (County) is proposing to slurry seal a segment of Brookside Avenue that is maintained by the County and the City of Beaumont (City). This segment is from 661' east of Union Street to 4,588' east of Union Street and is approximately 3,927 feet in length. The City has requested that this segment of road in the Beaumont area be included in the County's Slurry Seal Project. The proposed road limit is shown in Attachment 1, Vicinity Map.

This Service Agreement between the County and the City outlines each agency's responsibilities for the completion of the Slurry Seal Improvements and obligates the City to fund 100% of the slurry seal improvements within the jurisdictional boundaries of the City.

The City will deposit \$61,220.00 prior to the start of the construction contract. The County is providing the services and has no obligation to fund any portion of the project within the City's jurisdiction.

By Minute Order dated April 30, 2024 (Agenda Item 3.62), the Board of Supervisors authorized the Clerk of the Board to advertise for the construction of the Slurry Seal Project for Fiscal Year 2024/25 at various locations in the 4th and 5th Supervisorial Districts. Bids were opened on May 29, 2024, and the contract award is a companion item on this same board agenda.

This Service Agreement was approved by the City Manager on June 19, 2024.

County Counsel has approved the agreement as to legal form.

Project Number: D5-0010

Impact on Residents and Businesses

The proposed improvements will improve safety and enhance operational efficiency for traffic on Brookside Avenue. The slurry seal treatment will also preserve and extend the life of the road thereby reducing the need for resurfacing, which is ten times more costly.

JUL 30 2024 3.88 / 3.95

1 E. WHEREAS, CITY will benefit from the cost savings associated with a larger improvement project, and CITY
2 desires to work with the COUNTY to construct the CITY PROJECT, together with the COUNTY PROJECT
3 since COUNTY has extensive experience in the development and implementation of similar type projects.

4 F. WHEREAS, COUNTY will therefore provide the administrative, technical, managerial, and support services
5 necessary for the implementation of the CITY PROJECT as part of the COUNTY PROJECT.

6 G. WHEREAS, COUNTY and CITY desire to define herein the terms and conditions under which said CITY
7 PROJECT is to be administered, engineered, coordinated, and constructed.

8 **AGREEMENT**

9 NOW THEREFORE, in consideration of the mutual promises contained herein, the PARTIES hereto agree as
10 follows:

11 **SECTION 1 • COUNTY AGREES to:**

- 12 1. Act as the lead agency on behalf of the CITY for the overall implementation of the CITY PROJECT. The
13 COUNTY is providing services on a reimbursable basis and has no obligation to fund any portion of the

15 funding for or to continue with the CITY PROJECT, if funds are not available.
- 16 2. Furnish CITY with Maps, Plans, Specifications & Estimate (PS&E) documents for the CITY PROJECT.
17 Final plans for improvements are prepared to COUNTY standards and signed by a Civil Engineer registered
18 in the State of California. Deviations from standards shall be coordinated with and approved by CITY.
19 COUNTY shall not begin construction within CITY until CITY has approved the CITY PROJECT portion of
20 the PS&E documents, which approval shall not be unreasonably withheld.
- 21 3. Direct COUNTY's contractor to identify any existing surface utility facilities within the limits of the CITY
22 PROJECT and to protect the facilities as detailed in the Special Provisions of the PS&E.
- 23 4. Direct COUNTY's contractor to make written application to CITY for an encroachment permit authorizing
24 entry into CITY right of way for the purposes of constructing COUNTY PROJECT and CITY PROJECT.
- 25 5. Advertise, award, and administer a public works contract for the construction of the COUNTY PROJECT
26 and the CITY PROJECT in accordance with all applicable federal, state or local statutes, ordinances,
27 orders, governmental requirements, laws or regulations, including but not limited to the local agency public
28

1 construction codes, California Labor Code, and California Public Contract Code, and in accordance with
2 the encroachment permits issued by CITY.

3 6. Furnish a representative to perform the function of Resident Engineer during construction of CITY
4 PROJECT.

5 7. Furnish qualified support staff to assist the Resident Engineer in, but not limited to, construction surveys,
6 soils and compaction tests, measurement and computation of quantities, testing of construction materials,
7 checking submittals, preparation of estimates and reports, preparation of as-built drawings, and other
8 inspection and staff services necessary to assure that the construction is performed in accordance with the
9 PS&E documents.

10 8. Construct the CITY PROJECT in accordance with approved PS&E documents.

11 9. Submit any contract change order that causes the construction contract to exceed 10% of the contract bid
12 amount for CITY PROJECT improvements to CITY for review and approval prior to final authorization by
13 COUNTY. If any contract change order causes the construction contract to change by less than 10% of
14 the bid amount for CITY PROJECT, COUNTY is authorized by CITY's approval of this Agreement to move
15 forward with such change.

16 10. Furnish CITY a final reconciliation of CITY PROJECT expenses within ninety (90) days following the
17 completion and acceptance of the COUNTY PROJECT and CITY PROJECT construction contract. If final
18 costs associated with the CITY PROJECT are in excess of the Deposit provided in Section 2, COUNTY
19 shall include a final bill with the financial reconciliation. If final costs associated with the CITY PROJECT
20 are less than the Deposit provided in Section 2, COUNTY shall include a reimbursement for the difference
21 with the financial reconciliation.

22 11. Provide CITY one complete set of reproducible as-built plans and all contract documents including
23 calculations, estimates, and other documents produced as part of this contract within ninety (90) days after
24 completion and acceptance of the CITY PROJECT.

25 **SECTION 2 • CITY AGREES to:**

26 1. Fund one hundred percent (100%) of the cost of the CITY PROJECT, as shown in Exhibit "B". CITY agrees
27 that should unforeseen circumstances arise which result in an increase of any costs over those shown in
28

1 Exhibit "B", CITY will pay such costs pursuant to Subsection 9 and Subsection 10 of Section 1.

2 2. Deposit with COUNTY, prior to COUNTY start of work and upon written request by COUNTY, Sixty One
3 Thousand Two Hundred Twenty Dollars and Zero Cents (\$61,220.00) (the "Deposit"), which represents one
4 hundred percent (100%) of the estimated costs to complete construction including construction
5 administration, inspection and materials testing and contingency for CITY PROJECT, as provided in Exhibit
6 "B".

7 3. Prepare and approve CEQA clearance for the CITY PROJECT.

8 4. Issue, at no cost to COUNTY or its contractor, upon proper application by COUNTY or COUNTY's
9 contractor, an encroachment permit authorizing entry onto CITY right-of-way to complete construction,
10 including traffic control, construction survey, inspection and materials testing for the COUNTY PROJECT

19 determined pursuant to Subsection 10 of Section 1.

20 **SECTION 3 • IT IS MUTUALLY AGREED AS FOLLOWS:**

21 1. If upon opening of bids for construction of the CITY PROJECT the bids indicate a cost overrun of no more
22 than ten percent (10%) of the construction cost estimate will occur, as described in Exhibit "B", COUNTY
23 may award the contract.

24 2. If upon opening of bids it is found that a cost overrun exceeding ten percent (10%) of the construction cost
25 estimate will occur, COUNTY and CITY shall endeavor to agree upon an alternative course of action. If,
26 after fourteen (14) calendar days from the date of bid opening, an alternative course of action is not agreed
27 upon, this Agreement shall be deemed to be terminated by mutual consent. COUNTY shall reimburse CITY
28

1 with any unspent portion of the Deposit within forty-five (45) days of termination.

2 3. COUNTY and CITY acknowledge and agree that any funding shortfall for the completion of the CITY
3 PROJECT will be the sole responsibility of CITY. Nothing in this Agreement is intended to commit the
4 COUNTY to funding any portion of CITY PROJECT or shall be construed as obligating the COUNTY to
5 provide replacement funding for any anticipated funding or to continue with the CITY PROJECT, if funds
6 are no longer available. In the event that adequate funds are not available to move forward or to complete
7 CITY PROJECT, PARTIES agree to meet and confer and collectively work to identify adequate funding for
8 CITY PROJECT.

9 4. The total cost to CITY to complete construction, including construction administration, inspection and
10 materials testing and a contingency for CITY PROJECT is estimated to be Sixty One Thousand Two

14 6. Construction by COUNTY of improvements for CITY PROJECT shall not be commenced until an
15 Encroachment Permit to COUNTY, or COUNTY's contractor, authorizing such work has been issued by
16 CITY.

17 7. COUNTY shall cause COUNTY's contractor to maintain in force, until completion and acceptance of the
18 slurry seal improvements, a policy of Commercial Liability Insurance, including coverage of Bodily Injury
19 Liability and Property Damage Liability, in the amount of \$2,000,000 minimum single limit coverage, and a
20 policy of Automobile Liability Insurance in the amount of \$1,000,000 minimum. Endorsements to each

24 Endorsements which meet the requirements of this section to CITY prior to the start of construction.

25 8. Ownership and title to all materials, equipment, and appurtenances installed as part of this Agreement will
26 be automatically vested with the jurisdiction in which the improvements reside, and no further agreement
27 will be necessary to transfer ownership.

- 1 9. CITY shall be responsible for the maintenance of the improvements provided by CITY PROJECT within
2 CITY right of way except as specified in this Agreement or future agreements.
