BACKGROUND:

Summary

By Minute Order dated April 30, 2024 (Agenda Item 3.61), the Board of Supervisors authorized the Clerk of the Board to advertise for the construction of the Slurry Seal and Curb Ramp Accessibility Project for Fiscal Year 2024/25 at various locations in the 1st, 2nd, and 3rd Supervisorial Districts within the communities of Woodcrest, Highgrove, La Sierra / Lake Mathews, Temescal Canyon, Temescal Valley, North Lake Elsinore, Murrieta Hot Springs, Morgan Hill, French Valley, Romoland, and areas near the City of Hemet. The specific roads are listed in "Attachment 1."

The slurry seal project consists of slurry seal, micro-surfacing, and chip seal treatments based on the existing pavement conditions. The slurry seal treatment consists of an application of a mixture of asphalt emulsion, aggregates, water and other additives placed over the existing asphalt pavement surface. This work includes road cleaning, crack repair, crack sealing, asphalt concrete repairs, application of seal coat treatment, installation of new thermoplastic crosswalks, replacement of striping, pavement markings and raised pavement markers. All roads will be swept several times at specified intervals after the slurry has been applied.

The micro-surfacing treatment is similar to the slurry seal except it uses polymer modified and fast setting asphalt emulsion allowing thicker layers to be placed. The thick layer application allows to fill in ruts commonly found on roadways with light to moderate truck traffic.

The chip seal treatment consists of an application of asphalt emulsion and then followed by a layer of chip or small crushed rock (screenings). The treatment provides a skid resistant wearing surface and seals minor cracks, and it is generally used for low volume rural roads.

This project also proposes to reconstruct or upgrade eighty-two (82) existing concrete curb ramps at various locations within the 1st, 2nd, and 3rd Districts, as part of the Transportation Department goal to provide safe and usable pedestrian facilities for all pedestrians and to comply with the Title II of the Americans with Disabilities Act (ADA) requirements. As part of the ADA requirement, curb ramps must be upgraded when adjoining roads are altered through

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

resurfacing or placement of a thick layer of seal coat. The specific curb ramp locations are listed in "Attachment 2."

The curb ramp accesibility work will consist of modifying or removing existing concrete curb ramps and placing back ADA compliant concrete curb ramps. Certain curb ramps will be upgraded by installing yellow detectable warning devices (series of small bumps or truncated domes) and making repairs to street landing slopes to meet ADA compliance. Detectable warning devices are used to alert pedestrians who are blind or visually impaired that there is vehicle traffic nearby.

During the advertisement period, two addenda were issued to all registered plan holders as a supplement to the plans and specifications. Bidders were required to acknowledge and take into account the issued addenda on their contractor's Bid in order to be considered for award.

The addenda were issued to clarify and modify the approved contract documents. The addenda increased costs; thus a 4/5ths vote is required. The addenda are attached and designated as Addendum No. 1 and Addendum No. 2.

The County of Riverside Transportation Department recommends award of the following schedules of work in the Contract amount of \$5,596,310:

Base Bid Schedule: Slurry Seal and associated work
Alternative Bid Schedule 1: Curb Ramps and associated work
Alternative Bid Schedule 2: Repair of Existing Asphalt Concrete Surfaces
Alternative Bid Schedule 3: Slurry Seal and associated work, City of Riverside

The City of Riverside has accepted the bid prices proposed by American Asphalt South for alternative bid schedule 3. Therefore, a reimbursement agreement between the City of Riverside and County of Riverside is being submitted to the Board of Supervisors for approval concurrent with the award of this project.

The contractor, American Asphalt South is qualified to perform the work as outlined in the bid, has executed the Contract, and has provided bonds and insurance documents that meet the requirements of the Contract.

Project Numbers: D5-0006, D5-0007, D5-0008 (Slurry Seal District 1, 2, and 3)
 D5-0011, D5-0012, D5-0013 (Curb Ramps District 1, 2, and 3)

Impact on Residents and Businesses

The Slurry Seal treatment will extend the life of the pavement thereby reducing the need for more extensive types of resurfacing that can be up to ten times more costly.

The reconstruction of curb ramps is expected to improve the access and safety of disabled persons using the pedestrian facilities along the roadways. In addition, bringing the curb ramps

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

up to current accessibility standards contributes toward fulfilling the County Transportation Department's goals as stated in its ADA Self-Evaluation and Transition Plan as required by Title II of the Americans with Disabilities Act (ADA).

The work is expected to begin in mid-August of 2024 and will take approximately four months to complete.

SUPPLEMENTAL:

Additional Fiscal Information

The Contract is recommended to be awarded to American Asphalt South for the total amount of \$5,596,310. The slurry seal and curb ramps accessibility Contract is funded with Gas Tax/SB-1, Measure A/Western, and City of Riverside funds.

The proposed budget as shown on Attachment "A" includes Contract award amount and other associated costs. There are no General Funds used in this project.

Contract History and Price Reasonableness

Five bids were received on Wednesday May 22, 2024, ranging from \$5,596,310 to \$8,125,032.

The basis for the selection of a contractor is the lowest responsive and responsible bid. The lowest responsive and responsible bid was submitted by American Asphalt South in the amount of \$5,596,310 which is \$531,664 (8.7%) below the Engineer's Estimate.

The Transportation Department recommends the award of the contract to American Asphalt South in the amount of \$5,596,310.

 - a. Insureds;
 - b. Claims made or "suits" brought;
 - c. Persons or organizations making claims or bringing "suits"; or
 - d. "Projects".
3. The following replaces Paragraph 2. of **SECTION III - LIMITS OF INSURANCE**:
 - (1) The **Total Aggregate Limit** shown in the SCHEDULE – LIMITS OF INSURANCE AND DESIGNATED PROJECT is the most we will pay for the sum of all amounts under the **Designated Project Aggregate Limit** and all amounts under the **General Aggregate Limit**. This includes:
 - a. Damages under Coverage **A**, except damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard";
 - b. Damages under Coverage **B**; and
 - c. Medical expenses under Coverage **C**.

4. The **Designated Project Aggregate Limit** shown in the SCHEDULE – LIMITS OF INSURANCE AND DESIGNATED PROJECT is subject to all of the following provisions:
- (1) The **Designated Project Aggregate Limit** is the most we will pay for the sum of:
 - a. Damages under Coverage **A** because of "bodily injury" and "property damage; and
 - b. Medical expenses under Coverage **C** for "bodily injury" caused by accidents; that can be attributed solely to operations at a single "project"
 - (2) The **Designated Project Aggregate Limit** applies separately to each "project".
 - (3) The **Designated Project Aggregate Limit** does not apply to damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard". Instead, the **Products-Completed Operations Aggregate Limit** described in Paragraph 6. below applies to such damages.
 - (4) The **Designated Project Aggregate Limit** does not apply to damages under Coverage **B**. Instead, the **General Aggregate Limit** described in Paragraph 5. below applies to such damages.
 - (5) Any payments made for damages under Coverage **A** or medical expenses under Coverage **C** to which the **Designated Project Aggregate Limit** applies will reduce:
 - a. The **Total Aggregate Limit**; and
 - b. The **Designated Project Aggregate Limit** for the "project".

Such payments **will** not reduce the **General Aggregate Limit** described in Paragraph 5. below, nor will they reduce the **Designated Project Aggregate Limit** for any other "project".

5. Subject to the **Total Aggregate Limit** described in Paragraph 3. above, the **General Aggregate Limit** shown in the SCHEDULE – LIMITS OF INSURANCE AND DESIGNATED PROJECT is further subject to all of the following provisions:
- (1) The **General Aggregate Limit** is the most we will pay for the sum of:
 - a. Damages under Coverage **A** because of "bodily injury" and "property damage" and medical expenses under Coverage **C** that cannot be attributed solely to operations at a single "project" and
 - b. Damages under Coverage **B**.
 - (2) The **General Aggregate Limit** does not apply to damages for "bodily injury" or "property damage" included in the "products-completed operations hazard". Instead, the **Products-Completed Operations Aggregate Limit** described in Paragraph 6. below applies to such damages.
 - (3) Any payments made for damages under Coverage **A** or medical expenses under Coverage **C** to which the **General Aggregate Limit** applies will reduce:
 - a. The **Total Aggregate Limit**; and
 - b. The **General Aggregate Limit**.

Such payments will not reduce the **Designated Project Aggregate Limit** for any "project".

6. The following replaces Paragraph 3. of SECTION III - LIMITS OF INSURANCE:

- (1) The **Products-Completed Operations Aggregate Limit** shown in the Declarations is the most we

will pay under Coverage **A** for damages because of "bodily injury" and "property damage" included in the "products-completed operations hazard". Any payments made for such damages will not reduce the **Total Aggregate Limit**, the **General Aggregate Limit** or the **Designated Project Aggregate Limit** for any "project"

7. The following is added to the **DEFINITIONS** Section but only for purposes of the Designated Project shown in the SCHEDULE – LIMITS OF INSURANCE

"Project" means any designated project shown in the SCHEDULE – LIMITS OF INSURANCE AND DESIGNATED PROJECT that is away from premises owned by or rented to you and at which you are performing operations pursuant to a written contract or agreement. For the purposes of determining the applicable aggregate limit of insurance, each "project" that includes a premise involving the same or connecting lots, or premises whose connection is interrupted only by a street, roadway, waterway, or by a right-of-way of a railroad, will be considered a single "project".

EXCESS FOLLOW-FORM AND UMBRELLA LIABILITY INSURANCE

THIS POLICY, IN PART, PROVIDES FOLLOW-FORM LIABILITY COVERAGE. COVERAGE WILL APPLY ON A CLAIMS-MADE BASIS WHEN FOLLOWING CLAIMS-MADE UNDERLYING INSURANCE.

COVERAGE WILL APPLY ON A DEFENSE-WITHIN-LIMITS BASIS WHEN FOLLOWING UNDERLYING INSURANCE UNDER WHICH DEFENSE EXPENSES ARE PAYABLE WITHIN, AND NOT IN ADDITION TO, THE LIMITS OF INSURANCE. WHEN FOLLOWING SUCH UNDERLYING INSURANCE, PAYMENT OF DEFENSE EXPENSES UNDER THIS POLICY WILL REDUCE, AND MAY EXHAUST, THE LIMITS OF INSURANCE OF THIS POLICY.

PLEASE READ THE ENTIRE POLICY CAREFULLY.

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy, the words "you" and "your" refer to the Named Insured shown in the Declarations and any other person or organization qualifying as a Named Insured under this policy. The words "we", "us" and "our" refer to the company providing this insurance.

The word "insured" means any person or organization qualifying as such under **SECTION II – WHO IS AN INSURED**.

Other words and phrases that appear in quotation marks have special meaning. Refer to **SECTION VI – DEFINITIONS**.

SECTION I – COVERAGES

A. COVERAGE A – EXCESS FOLLOW-FORM LIABILITY

1. We will pay on behalf of the insured those sums, in excess of the "applicable underlying limit", that the insured becomes legally obligated to pay as damages to which Coverage **A** of this insurance applies, provided that the "underlying insurance" would apply to such damages but for the exhaustion of its applicable limits of insurance. If a sublimit is specified in any "underlying insurance", Coverage **A** of this insurance applies to damages that are in excess of that sublimit only if such sublimit is shown for that "underlying insurance" in the Schedule Of Underlying Insurance.
2. Coverage **A** of this insurance is subject to the same terms, conditions, agreements, exclusions and definitions as the "underlying insurance", except with respect to any

provisions to the contrary contained in this insurance.

3. The amount we will pay for damages is limited as described in **SECTION III – LIMITS OF INSURANCE**.
4. For the purposes of Paragraph 1. above:
 - a. The applicable limit of insurance stated for the policies of "underlying insurance" in the Schedule Of Underlying Insurance will be considered to be reduced or exhausted only by the following payments:
 - (1) Payments of judgments or settlements for damages that are covered by that "underlying insurance". However, if such "underlying insurance" has a policy period which differs from the policy period of this Excess Follow-Form And Umbrella Liability Insurance, any such payments for damages that would not be covered by this Excess Follow-Form And Umbrella Liability

Insurance because of its different policy period will not reduce or exhaust the applicable limit of insurance stated for such "underlying insurance";

- (2) Payments of "medical expenses" that are covered by that "underlying insurance" and are incurred for "bodily injury" caused by an accident that takes place during the policy period of this Excess Follow-Form And Umbrella Liability Insurance; or
- (3) Payments of defense expenses that are covered by that "underlying insurance", only if such "underlying insurance" includes such payments within the limits of insurance. However, if such "underlying insurance" has a policy period which differs from the policy period of this Excess Follow-Form And Umbrella Liability Insurance, any such payments for defense expenses that would not be covered by this Excess Follow-Form And Umbrella Liability Insurance because of its different policy period will not reduce or exhaust the applicable limit of insurance stated for such "underlying insurance".

If the applicable limit of insurance stated for the policies of "underlying insurance" in the Schedule Of Underlying Insurance is actually reduced or exhausted by other payments, Coverage **A** of this insurance is not invalidated. However, in the event of a loss, we will pay only to the extent that we would have paid had such limit not been actually reduced or exhausted by such other payments.

- b. If any "underlying insurance" has a limit of insurance greater than the amount shown for that insurance in the Schedule of Underlying Insurance, this insurance will apply in excess of that greater amount. If any "underlying insurance" has a limit of insurance, prior to any reduction or exhaustion by payment of damages, "medical expenses" or defense expenses described in Paragraph **a.** above, that is less than the amount shown for that insurance in the Schedule Of Underlying Insurance, this insurance will apply in excess of the amount shown for such insurance in the Schedule Of Underlying Insurance.
5. When the "underlying insurance" applies on a claims-made basis and includes a retroactive

date provision, the retroactive date for Coverage **A** of this insurance is the same as the retroactive date of that "underlying insurance".

B. COVERAGE B – UMBRELLA LIABILITY

1. We will pay on behalf of the insured those sums in excess of the "self-insured retention" that the insured becomes legally obligated to pay as damages because of "bodily injury", "property damage", "personal injury" or "advertising injury" to which Coverage **B** of this insurance applies.
2. Coverage **B** of this insurance applies to "bodily injury" or "property damage" only if:
 - a. The "bodily injury" or "property damage" is caused by an "occurrence" that takes place anywhere in the world;
 - b. The "bodily injury" or "property damage" occurs during the policy period; and
 - c. Prior to the policy period, no insured listed under Paragraph **1.** in Paragraph **B.**, **COVERAGE B – UMBRELLA LIABILITY**, of **SECTION II – WHO IS AN INSURED** and no "employee" authorized by you to give or receive notice of an "occurrence" or claim, knew that the "bodily injury" or "property damage" had occurred, in whole or in part. If such a listed insured or authorized "employee" knew, prior to the policy period, that the "bodily injury" or "property damage" occurred, in whole or in part, then any continuation, change or resumption of such "bodily injury" or "property damage" during or after the policy period will be deemed to have been known prior to the policy period.
3. Coverage **B** of this insurance applies to "personal injury" or "advertising injury" caused by an offense arising out of your business, but only if the offense was committed during the policy period anywhere in the world.
4. The amount we will pay for damages is limited as described in **SECTION III – LIMITS OF INSURANCE.**
5. "Bodily injury" or "property damage":
 - a. Which occurs during the policy period; and
 - b. Which was not prior to, but was during, the policy period known to have occurred by any insured listed under Paragraph **1.** in Paragraph **B.**, **COVERAGE B – UMBRELLA LIABILITY** of **SECTION II – WHO IS AN INSURED**, or any "employee" authorized by you to give notice of an "occurrence" or claim;

includes any continuation, change or resumption of the "bodily injury" or "property damage" after the end of the policy period.

6. "Bodily injury" or "property damage" will be deemed to have been known to have occurred at the earliest time when any insured listed under Paragraph 1. in Paragraph B., **COVERAGE B – UMBRELLA LIABILITY**, of **SECTION II – WHO IS AN INSURED** or any "employee" authorized by you to give or receive notice of an "occurrence" or claim:
 - a. Reports all, or any part, of the "bodily injury" or "property damage" to us or any other insurer;
 - b. Receives a written or verbal demand or claim for damages because of the "bodily injury" or "property damage"; or
 - c. Becomes aware by any other means that the "bodily injury" or "property damage" has occurred or has begun to occur.
7. Damages because of "bodily injury" include damages claimed by any person or organization for care, loss of services or death resulting at any time from the "bodily injury".
8. Coverage B of this insurance does not apply to damages covered by any "underlying insurance" or that would have been covered by any "underlying insurance" but for the exhaustion of its applicable limit of insurance.

C. COVERAGE C – CRISIS MANAGEMENT SERVICE EXPENSES

1. We will reimburse the insured, or pay on the insured's behalf, "crisis management service expenses" to which Coverage C applies.
2. Coverage C of this insurance applies to "crisis management service expenses" that:
 - a. Arise out of a "crisis management event" that first commences during the policy period;
 - b. Are incurred by the insured, after a "crisis management event" first commences and before such event ends; and
 - c. Are submitted to us within 180 days after the "crisis management advisor" advises you that the "crisis management event" no longer exists.
3. A "crisis management event" will be deemed to:
 - a. First commence at the time when any "executive officer" first becomes aware of an "event" or "occurrence" that leads to that "crisis management event"; and
 - b. End when we decide that the crisis no longer exists or when the Crisis

Management Service Expenses Limit has been exhausted, whichever occurs first.

4. The amount we will pay for "crisis management service expenses" is limited as described in **SECTION III – LIMITS OF INSURANCE**.
5. A "self-insured retention" does not apply to "crisis management service expenses".
6. Any payment of "crisis management service expenses" that we make will not be determinative of our obligations under this insurance with respect to any claim or "suit" or create any duty to defend or indemnify any insured for any claim or "suit".

D. DEFENSE AND SUPPLEMENTARY PAYMENTS

1. We will have the right and duty to defend the insured:
 - a. Under Coverage A, against a "suit" seeking damages to which such coverage applies, if:
 - (1) The "applicable underlying limit" is the applicable limit of insurance stated for a policy of "underlying insurance" in the Schedule Of Underlying Insurance and such limit has been exhausted solely due to payments as permitted in Paragraphs 4.a.(1), (2) and (3) of **COVERAGE A – EXCESS FOLLOW-FORM LIABILITY** of **SECTION I – COVERAGES**; or
 - (2) The "applicable underlying limit" is the applicable limit of any "other insurance" and such limit has been exhausted by payments of judgments, settlements or medical expenses, or related costs or expenses (if such costs or expenses reduce such limits).

For any "suit" for which we have the right and duty to defend the insured under Coverage A, defense expenses will be within the limits of insurance of this policy when such expenses are within the limits of insurance of the applicable "underlying insurance"; or

- b. Under Coverage B, against a "suit" seeking damages to which such coverage applies.
2. We have no duty to defend any insured against any "suit":
 - a. Seeking damages to which this insurance does not apply; or
 - b. If any other insurer has a duty to defend.

3. When we have the duty to defend, we may, at our discretion, investigate and settle any claim or "suit". In all other cases, we may, at our discretion, participate in the investigation, defense and settlement of any claim or "suit" for damages to which this insurance may apply. If we exercise such right to participate, all expenses we incur in doing so will not reduce the applicable limits of insurance.
4. Our duty to defend ends when we have used up the applicable limit of insurance in the payment of judgments or settlements, or defense expenses if such expenses are within the limits of insurance of this policy.
5. We will pay, with respect to a claim we investigate or settle, or "suit" against an insured we defend:
 - a. All expenses we incur.
 - b. The cost of:
 - (1) Bail bonds required because of accidents or traffic law violations arising out of the use of any vehicle to which this insurance applies; or
 - (2) Appeal bonds and bonds to release attachments;

but only for bond amounts within the applicable limit of insurance. We do not have to furnish these bonds.
 - c. All reasonable expenses incurred by the insured at our request to assist us in the investigation or defense of such claim or "suit", including actual loss of earnings up to \$1,000 a day because of time off from work.
 - d. All court costs taxed against the insured in the "suit". However, these payments do not include attorneys' fees or attorneys' expenses taxed against the insured.
 - e. Prejudgment interest awarded against the insured on that part of the judgment we pay. If we make an offer to pay the applicable limit of insurance, we will not pay any prejudgment interest based on that period of time after the offer.
 - f. All interest that accrues on the full amount of any judgment after entry of the judgment and before we have paid, offered to pay or deposited in court the part of the judgment that is within the applicable limit of insurance. If we do not pay part of the judgment for any reason other than it is more than the applicable limit of insurance, we will not pay any interest that accrues on that portion of the judgment.

With respect to a claim we investigate or settle, or "suit" against an insured we defend under **COVERAGE A – EXCESS FOLLOW-FORM LIABILITY**, these payments will not reduce the applicable limits of insurance, but only if the applicable "underlying insurance" provides for such payments in addition to its limits of insurance. With respect to a claim we investigate or settle, or "suit" against an insured we defend under **COVERAGE B – UMBRELLA LIABILITY**, these payments will not reduce the applicable limits of insurance.

SECTION II – WHO IS AN INSURED

A. COVERAGE A – EXCESS FOLLOW-FORM LIABILITY

With respect to Coverage **A**, the following persons and organizations qualify as insureds:

1. The Named Insured shown in the Declarations; and
2. Any other person or organization qualifying as an insured in the "underlying insurance". If you have agreed to provide insurance for that person or organization in a written contract or agreement:
 - a. The limits of insurance afforded to such person or organization will be:
 - (1) The amount by which the minimum limits of insurance you agreed to provide such person or organization in that written contract or agreement exceed the total limits of insurance of all applicable "underlying insurance"; or
 - (2) The limits of insurance of this policy; whichever is less; and
 - b. Coverage under this policy does not apply to such person or organization if the minimum limits of insurance you agreed to provide such person or organization in that written contract or agreement are wholly within the total limits of insurance of all available applicable "underlying insurance".

B. COVERAGE B – UMBRELLA LIABILITY

With respect to Coverage **B**:

1. The Named Insured shown in the Declarations is an insured.
2. If you are:
 - a. An individual, your spouse is also an insured, but only with respect to the conduct of a business of which you are the sole owner.

- b. A partnership or joint venture, your members, your partners and their spouses are also insureds, but only with respect to the conduct of your business.
- c. A limited liability company, your members are also insureds, but only with respect to the conduct of your business. Your managers are also insureds, but only with respect to their duties as your managers.
- d. An organization other than a partnership, joint venture or limited liability company, your "officers" and directors are also insureds, but only with respect to their duties as your "officers" or directors. Your stockholders are also insureds, but only with respect to their liability as stockholders.
- e. A trust, your trustees are also insureds, but only with respect to their duties as trustees.

3. Each of the following is also an insured:

- a. Your "volunteer workers" only while performing duties related to the conduct of your business, or your "employees", other than either your "officers" (if you are an organization other than a partnership, joint venture or limited liability company) or your managers (if you are a limited liability company), but only for acts within the scope of their employment by you or while performing duties related to the conduct of your business. However, none of these "employees" or "volunteer workers" are insureds for:

(1) "Bodily injury" or "personal injury":

- (a) To you, to your partners or members (if you are a partnership or joint venture), to your members (if you are a limited liability company), to a co-"employee" while in the course of his or her employment or performing duties related to the conduct of your business, or to your other "volunteer workers" while performing duties related to the conduct of your business;
- (b) To the spouse, child, parent, brother or sister of that co-"employee" or "volunteer worker" as a consequence of Paragraph (1)(a) above;
- (c) For which there is any obligation to share damages with or repay someone else who must pay

damages because of the injury described in Paragraph (1)(a) or (b) above; or

- (d) Arising out of his or her providing or failing to provide professional health care services.

Unless you are in the business or occupation of providing professional health care services, Paragraphs (1)(a), (b), (c) and (d) above do not apply to "bodily injury" arising out of providing or failing to provide first aid or "Good Samaritan services" by any of your "employees" or "volunteer workers" other than an employed or volunteer doctor. Any such "employees" or "volunteer workers" providing or failing to provide first aid or "Good Samaritan services" during their work hours for you will be deemed to be acting within the scope of their employment by you or performing duties related to the conduct of your business.

(2) "Property damage" to property:

- (a) Owned, occupied or used by; or
- (b) Rented to, in the care, custody or control of, or over which physical control is being exercised for any purpose by;

you, any of your "employees" or "volunteer workers", any of your partners or members (if you are a partnership or joint venture), or any of your members (if you are a limited liability company).

- b. Any person (other than your "employee" or "volunteer worker"), or any organization, while acting as your real estate manager.
 - c. Any person or organization having proper temporary custody of your property if you die, but only:
 - (1) With respect to liability arising out of the maintenance or use of that property; and
 - (2) Until your legal representative has been appointed.
 - d. Your legal representative if you die, but only with respect to duties as such. That representative will have all your rights and duties under this insurance.
4. Any organization, other than a partnership, joint venture or limited liability company, of which you are the sole owner, or in which you

maintain an ownership interest of more than 50%, on the first day of the policy period is an insured and will qualify as a Named Insured. No such organization is an insured or will qualify as a Named Insured for "bodily injury" or "property damage" that occurred, or "personal injury" or "advertising injury" caused by an offense committed after the date, if any, during the policy period, that you no longer maintain an ownership interest of more than 50% in such organization.

5. Any organization you newly acquire or form, other than a partnership, joint venture or limited liability company, and of which you are the sole owner, or in which you maintain an ownership interest of more than 50%, is an insured and will qualify as a Named Insured if there is no other similar insurance available to that organization. However:
 - a. Coverage under this provision is afforded only until the 180th day after you acquire or form the organization or the end of the policy period, whichever is earlier; and
 - b. Coverage for such organization does not apply to:
 - (1) "Bodily injury" or "property damage" that occurred; or
 - (2) "Personal injury" or "advertising injury" arising out of an offense committed;

before you acquired or formed the organization.

No person or organization is an insured or will qualify as a Named Insured with respect to the conduct of any current or past partnership, joint venture or limited liability company that is not shown as a Named Insured in the Declarations. This paragraph does not apply to any such partnership, joint venture or limited liability company that otherwise qualifies as an insured under Paragraph B. of SECTION II – WHO IS AN INSURED.

C. COVERAGE C – CRISIS MANAGEMENT SERVICE EXPENSES

With respect to Coverage C, the following persons and organizations are insureds and will qualify as Named Insureds:

1. The Named Insured shown in the Declarations.
2. Any organization, other than a partnership, joint venture or limited liability company, of which you are the sole owner, or in which you maintain an ownership interest of more than 50%, on the first day of the policy period. No such organization is an insured or will qualify as a Named Insured for "crisis management service expenses" arising out of a "crisis management event" that first commences after

the date, if any, during the policy period, that you no longer maintain an ownership interest of more than 50% in such organization.

3. Any organization you newly acquire or form, other than a partnership, joint venture or limited liability company, and of which you are the sole owner, or in which you maintain an ownership interest of more than 50%, if there is no other similar insurance available to that organization. However:
 - a. Coverage under this provision is afforded only until the 180th day after you acquire or form the organization or the end of the policy period, whichever is earlier; and
 - b. Coverage for such organization does not apply to "crisis management service expenses" arising out of a "crisis management event" that occurred before you acquired or formed the organization, even if an "executive officer" only first becomes aware of an "event" or "occurrence" that leads to such "crisis management event" after the date you acquired or formed the organization.

No person or organization is an insured or will qualify as a Named Insured with respect to the conduct of any current or past partnership, joint venture or limited liability company that is not shown as a Named Insured in the Declarations.

SECTION III – LIMITS OF INSURANCE

- A. The Limits of Insurance shown in the Declarations and the rules below fix the most we will pay for the amounts described below to which this insurance applies regardless of the number of:
 1. Insureds;
 2. Claims made or "suits" brought;
 3. Number of vehicles involved;
 4. Persons or organizations making claims or bringing "suits"; or
 5. Coverages provided under this insurance.

As indicated in Paragraph D.1. of SECTION I – COVERAGES, for any "suit" for which we have the right and duty to defend the insured under Coverage A, defense expenses will be within the limits of insurance of this policy when such expenses are within the limits of insurance of the applicable "underlying insurance".

- B. The General Aggregate Limit is the most we will pay for the sum of all:
 1. Damages; and
 2. Defense expenses if such expenses are within the limits of insurance of this policy;
 except:

1. Damages and defense expenses because of "bodily injury" or "property damage" included in the "auto hazard";
 2. Damages and defense expenses because of "bodily injury" or "property damage" included in the "products-completed operations hazard"; or
 3. Damages and defense expenses for which insurance is provided under any Aircraft Liability coverage included as "underlying insurance" to which no aggregate limit applies.
- C. The Products-Completed Operations Aggregate Limit is the most we will pay for the sum of all:
1. Damages; and
 2. Defense expenses if such expenses are within the limits of insurance of this policy; because of "bodily injury" or "property damage" included in the "products-completed operations hazard".
- D. Subject to Paragraph B. or C. above, whichever applies, the Occurrence Limit is the most we will pay for the sum of all:
1. Damages, and defense expenses if such expenses are within the limits of insurance of this policy, under Coverage A arising out of any one "event" to which the "underlying insurance" applies a limit of insurance that is separate from any aggregate limit of insurance; and
 2. Damages under Coverage B because of all "bodily injury", "property damage", "personal injury" or "advertising injury" arising out of any one "occurrence".

For the purposes of determining the applicable Occurrence Limit, all related acts or omissions committed in the providing or failing to provide first aid or "Good Samaritan services" to any one person will be considered one "occurrence".

- E. The Crisis Management Service Expenses Limit is the most we will pay for the sum of all "crisis management service expenses" arising out of all "crisis management events". Payment of such "crisis management service expenses" is in addition to, and will not reduce, any other limit of insurance of this policy.
- F. The limits of insurance of this policy apply separately to each consecutive annual period and to any remaining period of less than 12 months, starting with the beginning of the policy period shown in the Declarations. If the policy period is extended after issuance for an additional period of less than 12 months, the additional period will be deemed part of the last preceding period for purposes of determining the limits of insurance.

SECTION IV – EXCLUSIONS

This insurance does not apply to:

- A.** With respect to Coverage A and Coverage B:

1. Asbestos

- a. Damages arising out of the actual or alleged presence or actual, alleged or threatened dispersal of asbestos, asbestos fibers or products containing asbestos, provided that the damages are caused or contributed to by the hazardous properties of asbestos.
- b. Damages arising out of the actual or alleged presence or actual, alleged or threatened dispersal of any solid, liquid, gaseous or thermal irritant or contaminant, including smoke, vapors, soot, fumes, acids, alkalis, chemicals and waste, and that are part of any claim or "suit" which also alleges any damages described in Paragraph a. above.
- c. Any loss, cost or expense arising out of any:
 - (1) Request, demand, order or statutory or regulatory requirement that any insured or others test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of, asbestos, asbestos fibers or products containing asbestos; or
 - (2) Claim or "suit" by or on behalf of any governmental authority or any other person or organization because of testing for, monitoring, cleaning up, removing, containing, treating, detoxifying or neutralizing, or in any way responding to, or assessing the effects of, asbestos, asbestos fibers or products containing asbestos.

2. Employment-Related Practices

Damages because of injury to:

- a. A person arising out of any:
 - (1) Refusal to employ that person;
 - (2) Termination of that person's employment; or

M. OTHER INSURANCE

This insurance is excess over any valid and collectible "other insurance" whether such "other insurance" is stated to be primary, contributing, excess, contingent or otherwise. This provision does not apply to a policy bought specifically to apply as excess of this insurance.

However, if you specifically agree in a written contract or agreement that the insurance provided to any person or organization that qualifies as an insured under this insurance must apply on a primary basis, or a primary and non-contributory basis, then insurance provided under Coverage **A** is subject to the following provisions:

1. This insurance will apply before any "other insurance" that is available to such **additional insured** which covers that person or organization as a named insured, and we will not share with that "other insurance", provided that the injury or damage for which coverage is sought is caused by an "event" that takes place or is committed subsequent to the signing of that contract or agreement by you.

At our request, the insured will bring suit or transfer those rights to us and help us, and with respect to Coverage A, the "underlying insurer", enforce them.

If the insured has agreed in a contract or agreement to waive that insured's right of recovery against any person or organization, we waive our right of recovery against that person or organization, but only for payments we make because of an "event" that takes place or is committed subsequent to the

execution of that contract or agreement by such insured.

2. Reimbursement of any amount recovered will be made in the following order:
 - a. First, to any person or organization (including us or the insured) who has paid any amount in excess of the applicable limit of insurance;
 - b. Next, to us; and
 - c. Then, to any person or organization (including the insured and with respect to Coverage A, the "underlying insurer") that is entitled to claim the remainder, if any.
3. Expenses incurred in the process of recovery will be divided among all persons or organizations receiving amounts recovered according to the ratio of their respective recoveries.

Until your legal representative is appointed, anyone having proper temporary custody of your property will have your rights and duties but only with respect to that property.

V. UNINTENTIONAL OMISSION OR ERROR

The unintentional omission of, or unintentional error in, any information provided by you which we relied upon in issuing this policy will not prejudice your rights under this insurance. However, this provision does not affect our right to collect additional premium or to exercise our rights of cancellation or nonrenewal in accordance with applicable insurance laws or regulations.
