BOARD OF SUPERVISORS OF THE COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA

SUMMARY OF ORDINANCE NO. 580.8 AN ORDINANCE OF THE COUNTY OF RIVERSIDE AMENDING ORDINANCE NO 580 RELATING TO MOBILE FOOD FACILITIES AND STREET FOOD VENDING

This summary is presented pursuant to California Government Code Section 25124(b): a certified copy of the full text of Ordinance No. 580.8 may be examined at the Office of the Clerk of the Board of Supervisors of the County of Riverside, located at 4080 Lemon Street, 1st Floor, Riverside, California.

Ordinance 580.8, amends Ordinance 580 in its entirety, keeping much of the original language and regulations but also adding or updating terminology and definitions to reflect current state law and provide clarity. The revision is needed to comply with Senate Bill 972 which became effective January 1, 2023. This revision proposes the following changes:

Impact on Residents and Businesses

A potential positive impact on residents would be expected as it promotes a wider selection of mobile food facilities offering a broader menu of food that may be offered by mobile food operators. This may also have a positive impact on public health by reducing unregulated food vending. This revision provides additional mobile food vending options, streamlines the permitting process, and reduces permit costs to facilitate greater access for food vendors to get the required Environmental Health permit. Expanding commissary options will alleviate the historical lack of adequate options to support mobile food facilities in Riverside County. Educational materials have been produced and are included as attachments. In-person workshops were also offered to educate the public on the changes. Modifications to permitting procedures for external agencies or incorporated cities are not anticipated. Ordinance 580.8 would take effect 30 days after its adoption.

Chuck Washington, Chair of the Board
