**C.E.O. RECOMMENDATION:** Approve

**BACKGROUND:**

**Summary**

On March 2, 2021 (Agenda Item 19.1), the Board of Supervisors adopted Resolution No. 2020-242 establishing the Temecula Valley Wine and Agricultural Heritage District, which then went into effect April 1, 2021.

The Temecula Valley Wine and Agricultural Heritage District (TVWAHD) is a benefit assessment district to help fund marketing, brand awareness, events, programs, business improvements, and special projects programs to market assessed wineries in Temecula Valley. This approach has been used successfully in other destination areas throughout the County to provide the benefit of driving increased business sales directly to assessed businesses. A list of all the assessed businesses within the TVWAHD can be found in the Appendix of the TVWAHD 2024/2025 Annual Report.

Winery owners elected to pursue establishment of the TVWAHD to create a revenue source devoted to promoting Temecula Valley as a premier wine destination and increasing demand for wine country visitation to increase winery sales revenue.

**WINE AND AGRICULTURAL HERITAGE DISTRICTS**

Wine and Agricultural Heritage Districts (WAHDs) are an evolution of the traditional Business Improvement District (BID). BIDs allow business owners to organize their efforts to increase sales and promotional efforts. Business owners within the district fund a BID, and those funds are used to provide services that the businesses desire and benefit the businesses within the district.

BID benefits:

- Funds cannot be diverted for other government programs.
- They are customized to fit the needs of each destination.
- They allow for a wide range of services, including marketing programs, business promotion activities, and infrastructure improvements.
- They are designed, created, and governed by those who will pay the assessment.
- They provide a stable funding source for business promotion.

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,  
STATE OF CALIFORNIA**

In California, BIDs are primarily formed pursuant to the Property and Business Improvement District Law of 1994. This law allows for the creation of special benefit assessment districts to raise funds within a specific geographic area. The key difference between BIDs and other special benefit assessment districts are that funds raised are returned to the private non-profit corporation governing the BID.

**Impact on Residents and Businesses**

Wineries within the boundaries of the TVWAHD are impacted by the special assessment. By specifically collecting and using the special assessment revenue within the boundary of TVWAHD, there is a financial mechanism in place to help fund marketing, brand awareness, events, programs, business improvements, special projects to market assessed wineries. This District does not fund the repayment of any bonds or bond obligations and is solely for the purposes of funding programs to increase winery sales revenue for Temecula Valley wineries with the boundaries of the TVWAHD.

Tourism in general, and the wineries specifically, provide employment and contributes to the local tax base of Temecula Valley.

**Additional Fiscal Information**

The annual assessment rate is one percent (1%) of gross sales revenue on winery sales in the state of California.

### Marketing, Brand Awareness & Event Activities

A brand awareness marketing program will continue to promote the Temecula Valley Wine Country (TVWC) as a premium winegrowing region and as a leader in the global wine community. The program will have a central theme that the wines produced in the Temecula Valley are of the highest quality and equal to those produced in any of the world's wine regions. The program will continue to promote the TVWC as a desirable place to visit, where visitors can experience the wineries and vineyards, and meet the people who make the wines, tend the vineyards, and serve the visitors. The program will also continue to promote the TVWC as a place to enjoy fine food paired with fine wines, and a place to enjoy get-togethers and entertainment with family and friends in a wine country atmosphere. The goals of the program will continue to be (1) to increase the demand for Temecula Valley wines and increase visitation by people who are, or want to become, knowledgeable about wine and who are looking to purchase wines for home consumption, and (2) to increase the demand for special events and social functions. The assessment shall be disclosed as the "TVWAHD Assmt". The assessment is imposed solely upon, and is the sole obligation of the assessed winery even if it is passed on to customers. The assessment shall not be considered revenue for any purposes, including calculation of sales taxes.

Bonds shall not be issued.

#### **3. Fraud**

If the third party collection entity determines that the nonpayment of any remittance due under this article is due to fraud, a penalty of twenty-five percent (25%) of the

amount of the assessment shall be added thereto in addition to the penalties stated in paragraph one (1) and two (2) above of this section.

**4. Interest**

In addition to the penalties imposed, any winery who fails to remit any assessment imposed by this section shall pay interest at the rate of one-half of one percent (0.5%) per month or fraction thereof on the amount of the assessment, exclusive of penalties, from the date on which the remittance first became delinquent until paid.
