BACKGROUND:

<u>Summary</u>

On March 11, 2021, President Biden signed into law a \$1.9 trillion economic stimulus bill also known as the COVID-19 Stimulus Package or the American Rescue Plan Act (ARPA). The intent of the bill is to accelerate the United States recovery from the economic and health impacts of the COVID-19 pandemic. ARPA includes \$362 billion in Coronavirus State and Local Fiscal Recovery Funds (ARPA Fiscal Recovery Funds) for eligible state, local, territorial, and tribal governments.

Riverside County's share of the American Rescue Plan funding is estimated to be \$479 million, of which the first installment of \$239,937,299 was received on May 10, 2021, and the second installment in the same amount was received on June 6, 2022. The funds must be obligated by December 31, 2024, and expended by December 31, 2026.

On April 27, 2021, the Executive Office presented the Board of Supervisors with a preliminary ARPA funding allocation and on October 19, 2021, presented a revised funding allocation after the U.S. Treasury released the ARPA interim funding guidelines. The revised allocation included a new category for Child Care. The funding allocation obligates funds to 7 categories: Infrastructure, Housing & Homelessness, Economic Recovery, County Departments Response, Non-Profit Assistance, Child Care and Revenue Backfill.

On October 4, 2022, the Board of Supervisors approved the ARPA 2nd installment funding allocation which allocated \$33 million per district to be obligated towards infrastructure, housing and homelessness, workforce development, neighborhood revitalization, business revitalization, childcare facilities, and non-profits.

The attached proposed Infrastructure Funding Agreement between the County of Riverside and the Desert Recreation District (District) addresses a project which has been determined by the County Executive Office to be in compliance with ARPA funding objectives and US Treasury eligibility criteria. The District will administer, construct and maintain the following project, which will be completed on or before December of 2026, utilizing a combination of District funding and proposed ARPA Infrastructure funding. On April 9, 2024 (Agenda Item 3.40), the County Board of Supervisors approved allocation of a total of \$4,500,000 in ARPA funds toward the following project at the recommendation of the County's 4th District:

SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE, STATE OF CALIFORNIA

Thermal Community Park Construction Project – This \$10.17 million project will construct a 10 acre park on a former Palm Tree Grove orchard, on the corner of Church Street and Olive Street, in Thermal, CA. The park will include ball fields, sports courts, a walking path, playground amenities, restrooms, concession stand, splash pad, a Kiosk, performance stage, picnic areas, and a parking lot. The attached proposed funding agreement reflects the Board approved contribution of \$4.5 million from the 4th District ARPA 2nd Allocation to the District for project delivery.

Impact on Residents and Businesses

The Thermal Community Park Construction Project will improve the quality of life for residents of Thermal and other surrounding communities by providing a new, community centric, park location that provides variety of outdoor recreational opportunities.
