**BACKGROUND:**

**Summary**

On March 11, 2021, President Biden signed into law a \$1.9 trillion economic stimulus bill also known as the COVID-19 Stimulus Package or the American Rescue Plan Act (ARPA). The intent of the bill is to accelerate the United States recovery from the economic and health impacts of the COVID-19 pandemic. ARPA includes \$362 billion in Coronavirus State and Local Fiscal Recovery Funds (ARPA Fiscal Recovery Funds) for eligible state, local, territorial, and tribal governments.

Riverside County’s share of the American Rescue Plan funding is estimated to be \$479 million, of which the first installment of \$239,937,299 was received on May 10, 2021, and the second installment in the same amount was received on June 6, 2022. The funds must be obligated by December 31, 2024, and expended by December 31, 2026.

On April 27, 2021, the Executive Office presented the Board of Supervisors with a preliminary ARPA funding allocation and on October 19, 2021, presented a revised funding allocation after the U.S. Treasury released the ARPA interim funding guidelines. The revised allocation included a new category for Child Care. The funding allocation obligates funds to 7 categories: Infrastructure, Housing & Homelessness, Economic Recovery, County Departments Response, Non-Profit Assistance, Child Care and Revenue Backfill.

On October 4, 2022, the Board of Supervisors approved the ARPA 2nd installment funding allocation which allocated \$33 million per district to be obligated towards infrastructure, housing and homelessness, workforce development, neighborhood revitalization, business revitalization, childcare facilities, and non-profits.

The attached proposed Neighborhood Revitalization Funding Agreement between the County of Riverside and the City of Moreno Valley (City) addresses a project which has been determined by the County Executive Office to be in compliance with ARPA funding objectives and US Treasury eligibility criteria. The City will administer, construct and maintain the project, which will be completed on or before December of 2026, utilizing a combination of City funding and proposed ARPA Infrastructure funding:

**Gateway Park Revitalization Project** – This \$1.15 million project will include improvements to Gateway Park located at 23975 Manzanita Ave, Moreno Valley, CA 92557, including:

construction of a one-acre dog park, installation of black vinyl coated chain link fence, new park lights, shade structures and concrete pads, drinking fountains, and large and small dog equipment. The attached proposed funding agreement reflects a contribution of \$1,000,000 from ARPA 5<sup>th</sup> District Second Allocation funding to the City for project delivery.

The Moreno Valley City Council approved and executed the attached funding agreement at their August 6, 2024 regular meeting.

**Impact on Residents and Businesses**

The proposed Neighborhood Revitalization Project will improve quality of life and promote healthy lifestyles by improving access to recreational facilities in County communities.
