BACKGROUND:

Summary

The City of Desert Hot Springs (City) desires to contract with the County of Riverside through its Department of Animal Services (County) to provide shelter services to safeguard the health and safety of the City's domestic animals and for the purpose of promoting the humane treatment of animals. The original Agreement for Animal Shelter Services (Agreement) was approved by the Board of Supervisors in Minute Order 3.2 on January 26, 2021. The First Amendment to the original agreement was approved by the Board of Supervisors in Minute Order 3.9 on January 23, 2024. The County has continuously provided the City with Animal Shelter Services since July 1, 2020.

A rates study was conducted to determine full cost recovery of fees charged to the Cities for services. Upon review of the study, it was determined that a more balanced approach is needed between the cost to the county to provide animal services and what is a reasonable expectation for the Cities to pay for these services. While the County continues to evaluate the approach, an interim solution was needed so the Cities would continue to receive uninterrupted serviced. As a result, a 5% increase was applied to all services outlined in the cities contract for Fiscal Year 24/25.

The proposed Second Amendment will extend the provisions of the original agreement, term begins July 1, 2024 and terminates on June 30, 2025.

Impact on Residents and Businesses

The Department of Animal Services mission is, "Working together to improve Riverside County for people and animals." The County has a comprehensive Animal Services Department that not only helps safeguard domestic animals but also provides resources to the community to assist pets, pet owners, as well as public safety regarding domestic animals. This Second Amendment will provide the City with shelter services for the community and domestic pet population.

Additional Fiscal Information

There is no additional impact on the general fund. The funding is provided by City for services rendered. The contract revenue for services will be included in the FY 2024/2025 Department of Animal Services' budget.
