C.E.O. RECOMMENDATION: Approve

BACKGROUND:

Summary

The Department of Waste Resources (RCDWR) provides and manages convenient, regular household hazardous waste (HHW) collection and antifreeze, battery, oil and paint (ABOP) events through the Household Hazardous Waste Collection Program (HHWCP), manages the Conditionally Exempt Small Quantity Generator (CESQG) Program for disposal of hazardous waste by qualified small businesses in Riverside County, and operates a Hazardous Waste Inspection (HWI) Program to prevent disposal of hazardous wastes into the County's landfill system. These programs require contractor services to setup operation, to staff, and to provide hazardous waste collection and disposal/recycling at fixed (permanent) and temporary HHWCP events and ABOP collection facilities, and to provide for transportation, recycling and disposal of hazardous waste collected by the CESQG Program and/or identified through the HWI Program when the responsible party cannot be identified.

From 2019 through 2023, under contract with RCDWR, Clean Harbors Environmental Services, Inc. (Clean Harbors) provided contract services for temporary HHWCP events, and other support services, including, but not limited to, labor, recycling, and disposal for the County's fixed (permanent) HHWCP and ABOP collection facilities.

In January 2024, an audit of the contract between RCDWR and Clean Harbors identified that the maximum compensation for the contract was exceeded by approximately \$1.5M. This exceedance was driven by the need for additional services to account for significant growth in public participation of the HHW programs, new HHW operations and events, as well as unusually high CPI adjustments during the contract term. The exceedance occurred due to errors tracking the amount spent between different financial software systems that were undergoing transitions. RCDWR worked to identify this issue and has implemented procedures to ensure system-wide adherence to future contract provisions. RCDWR has paid all invoices for services provided under the contract and does not anticipate incurring additional expenses.

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

To address the contractual discrepancies identified during the audit, an Amended and Restated Professional Service Agreement with Clean Harbors Environmental Services, Inc. for HHW collection services was prepared. This is strictly an administrative action with no additional expenses or services.

Prev. Agn. Ref.: M.O. 12.1 of 02/26/19

Impact on Residents and Businesses

No impact to residents or businesses as this activity is an administrative action to reconcile an expired contract in accordance with funding and services that have already occurred.

Contract History and Price Reasonableness

County Purchasing, on behalf of RCDWR, released a Request for Proposal (RFP# WMARC-352) for Household Hazardous Waste Collection Services on October 3, 2018. The RFP was sent to over one-hundred and thirty (130+) potential bidders and was advertised on the Purchasing web site as well as PublicPurchase.com. Two (2) proposal responses were received in response to the RFP.

The proposals were evaluated, and bids ranged from \$949,384 to \$1,030,158 annually. After review of the submitted proposals, Clean Harbors was awarded the contract.

Since the effective date of the Agreement, as permitted in the Agreement, RCDWR and Clean Harbors amended the Agreement annually (total of five (5) times) due to the vendor's requested price increases citing the Consumer Price Index (CPI) and other factors set forth in the Compensation section of the Agreement.

THIS AMENDED AND RESTATED PROFESSIONAL SERVICE AGREEMENT (“Agreement”) is made and entered into by and between CLEAN HARBORS ENVIRONMENTAL SERVICES, INC., a Massachusetts corporation registered to do business in California (herein referred to as “CONTRACTOR”), and the COUNTY OF RIVERSIDE, a political subdivision of the State of California (herein referred to as “COUNTY”).

WHEREAS, the parties entered into that certain Professional Service Agreement for Household Hazardous Waste Collection Services (the “Original Agreement”), effective February 26, 2019 through December 15, 2023; and

WHEREAS, the parties amended the Original Agreement through that certain Amendment No. 1 effective April 10, 2019, that certain Amendment No. 2 effective March 13, 2020, that certain Amendment No. 3 effective June 5, 2021, that certain Amendment No. 4 effective July 1, 2022, and that certain Amendment No. 5 effective July 1, 2023; and

WHEREAS, although the Original Agreement, as amended and by its terms, expired on December 15, 2023, the parties materially proceeded in accordance with the Original Agreement through December 31, 2023; and

WHEREAS, the parties also exceeded the maximum amount permitted under the Original Agreement by \$1,489,195; and

WHEREAS, the parties desire to amend and restate the Original Agreement to extend the period of performance through December 31, 2023, and modify the payment provisions accordingly; and

WHEREAS, upon the execution of this Agreement, the Original Agreement, together with all Amendments, shall be superseded and replaced.

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, COUNTY and CONTRACTOR agree as follows:

1. Description of Services

1.1 CONTRACTOR shall provide all services as outlined and specified in Exhibit A, Scope of Services, and at the prices stated in Exhibit B, Payment Provisions.

1.2 CONTRACTOR represents that it has the skills, experience, and knowledge necessary to perform under this Agreement and the COUNTY relies upon this representation. CONTRACTOR shall perform to the satisfaction of the COUNTY and in conformance to and consistent with the highest standards of firms/professionals in the same discipline in the State of California.

1.3 CONTRACTOR affirms that it is fully apprised of all of the work to be performed under this Agreement; and the CONTRACTOR agrees it can properly perform this work at the prices stated in Exhibit B. CONTRACTOR is not to perform services or provide products outside of the Agreement.

1.4 Acceptance by the COUNTY of the CONTRACTOR's performance under this Agreement does not operate as a release of CONTRACTOR's responsibility for full compliance with the terms of this Agreement.

2. Period of Performance

This Agreement shall be effective February 26, 2019 through December 31, 2023. CONTRACTOR shall diligently and continuously perform during the term of the Agreement. The Riverside County Board of Supervisors is the only authority that may obligate the County for a non-cancelable multi-year agreement.

3. Compensation

3.1 The COUNTY shall pay the CONTRACTOR for services performed, products provided and expenses incurred in accordance with the terms of Exhibit B, Payment Provisions. Maximum payments by COUNTY to CONTRACTOR shall not exceed a total aggregate amount of \$6,639,987, including all expenses. The COUNTY is not responsible for any fees or costs incurred above or beyond the contracted amount and shall have no obligation to purchase any specified amount of services or products. Unless otherwise specifically stated in Exhibit B, COUNTY shall not be responsible for payment of any of CONTRACTOR's expenses related to this Agreement.

3.2 No price increases will be permitted during the first year of this Agreement (If applicable). All price decreases (for example, if CONTRACTOR offers lower prices to another governmental entity) will automatically be extended to the COUNTY. The COUNTY requires written proof satisfactory to COUNTY of cost increases prior to any approved price adjustment. After the first year of the award, a minimum of 30-days advance notice in writing is required to be considered and approved by COUNTY. No retroactive price adjustments will be considered. Any price increases must be stated in a written amendment to this Agreement. The net dollar amount of profit will remain firm during the period of the Agreement. Annual increases shall not exceed the percentage change in the Consumer Price Index- All Consumers, All Items (Series ID#CUURS49CSA0) Riverside-San Bernardino – Ontario, CA areas for the twelve (12) month period January through January immediately preceding the adjustments and be subject to satisfactory performance review by the COUNTY and approved (if needed) for budget funding by the Board of Supervisors.

3.3 CONTRACTOR shall be paid only in accordance with an invoice submitted to COUNTY by CONTRACTOR within fifteen (15) days from the last day of each calendar month, and COUNTY shall pay the

invoice within thirty (30) working days from the date of receipt of the invoice. Payment shall be made to CONTRACTOR only after services have been rendered or delivery of materials or products, and acceptance has been made by COUNTY. Prepare invoices in duplicate. For this Agreement, send the original and duplicate copies of invoices to:

RIVERSIDE COUNTY DEPARTMENT OF WASTE RESOURCES

ATTN: ACCOUNTS PAYABLE

14310 FREDERICK ST

MORENO VALLEY, CA 92553

- a) Each invoice shall contain a minimum of the following information: invoice number and date; remittance address; bill-to and ship-to addresses of ordering department/division; Agreement number (WMARC-90610-001-10/23); quantities; item descriptions, unit prices, extensions, sales/use tax if applicable, and an invoice total.
- b) Invoices shall be rendered monthly in arrears.

3.4 The COUNTY obligation for payment of this Agreement beyond the current fiscal year end is contingent upon and limited by the availability of COUNTY funding from which payment can be made, and invoices shall be rendered "monthly" in arrears. In the State of California, government agencies are not allowed to pay excess interest and late charges, per Government Code section 926.10. No legal liability on the part of the COUNTY shall arise for payment beyond June 30 of each calendar year unless funds are made available for such payment. In the event that such funds are not forthcoming for any reason, COUNTY shall immediately notify CONTRACTOR in writing; and this Agreement shall be deemed terminated, have no further force, and effect.

4. Alteration or Changes to the Agreement

4.1 The Board of Supervisors and the COUNTY Purchasing Agent, and/or designee, are the only authorized COUNTY representatives who may at any time, by written order, alter this Agreement. If any such alteration causes an increase or decrease in the cost of, or the time required for the performance under this Agreement, an equitable adjustment shall be made in the Agreement price or delivery schedule, or both, and the Agreement shall be modified by written amendment accordingly.

4.2 Any claim by the CONTRACTOR for additional payment related to this Agreement shall be made in writing by the CONTRACTOR within 30 days of when the CONTRACTOR has or should have notice of any actual or claimed change in the work, which results in additional and unanticipated cost to the CONTRACTOR. If the COUNTY Purchasing Agent decides that the facts provide sufficient justification, he

may authorize additional payment to the CONTRACTOR pursuant to the claim. Nothing in this section shall excuse the CONTRACTOR from proceeding with performance of the Agreement even if there has been a change.

5. Termination

5.1 COUNTY may terminate this Agreement without cause upon 30 days written notice served upon the CONTRACTOR stating the extent and effective date of termination.

5.2 COUNTY may, upon five (5) days written notice terminate this Agreement for CONTRACTOR's default, if CONTRACTOR refuses or fails to comply with the terms of this Agreement or fails to make progress that may endanger performance and does not immediately cure such failure. In the event of such termination, the COUNTY may proceed with the work in any manner deemed proper by COUNTY.

5.3 After receipt of the notice of termination, CONTRACTOR shall:

- (a) Stop all work under this Agreement on the date specified in the notice of termination; and
- (b) Transfer to COUNTY and deliver in the manner as directed by COUNTY any materials, reports or other products, which, if the Agreement had been completed or continued, would have been required to be furnished to COUNTY.

5.4 After termination, COUNTY shall make payment only for CONTRACTOR's performance up to the date of termination in accordance with this Agreement.

5.5 CONTRACTOR's rights under this Agreement shall terminate (except for fees accrued prior to the date of termination) upon dishonesty or a willful or material breach of this Agreement by CONTRACTOR; or in the event of CONTRACTOR's unwillingness or inability for any reason whatsoever to perform the terms of this Agreement. In such event, CONTRACTOR shall not be entitled to any further compensation under this Agreement.

5.6 If the Agreement is federally or State funded, CONTRACTOR cannot be debarred from the System for Award Management (SAM). CONTRACTOR must notify the COUNTY immediately of a debarment. Reference: System for Award Management (SAM) at <https://www.sam.gov> for Central Contractor Registry (CCR), Federal Agency Registration (Fedreg), Online Representations and Certifications Application, and Excluded Parties List System (EPLS)). Excluded Parties Listing System (EPLS) (<http://www.epls.gov>) (Executive Order 12549, 7 CFR Part 3017, 45 CFR Part 76, and 44 CFR Part

17). The System for Award Management (SAM) is the Official U.S. Government system that consolidated the capabilities of CCR/FedReg, ORCA, and EPLS.

5.7 The rights and remedies of COUNTY provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or this Agreement.

6. Ownership/Use of Contract Materials and Products

The CONTRACTOR agrees that all materials, reports or products in any form, including electronic, created by CONTRACTOR for which CONTRACTOR has been compensated by COUNTY pursuant to this Agreement shall be the sole property of the COUNTY. The material, reports or products may be used by the COUNTY for any purpose that the COUNTY deems to be appropriate, including, but not limit to, duplication and/or distribution within the COUNTY or to third parties. CONTRACTOR agrees not to release or circulate in whole or part such materials, reports, or products without prior written authorization of the COUNTY.

7. Conduct of Contractor

7.1 The CONTRACTOR covenants that it presently has no interest, including, but not limited to, other projects or contracts, and shall not acquire any such interest, direct or indirect, which would conflict in any manner or degree with CONTRACTOR's performance under this Agreement. The CONTRACTOR further covenants that no person or subcontractor having any such interest shall be employed or retained by CONTRACTOR under this Agreement. The CONTRACTOR agrees to inform the COUNTY of all the CONTRACTOR's interests, if any, which are or may be perceived as incompatible with the COUNTY's interests.

7.2 The CONTRACTOR shall not, under circumstances which could be interpreted as an attempt to influence the recipient in the conduct of his/her duties, accept any gratuity or special favor from individuals or firms with whom the CONTRACTOR is doing business or proposing to do business, in accomplishing the work under this Agreement.

7.3 The CONTRACTOR or its employees shall not offer gifts, gratuity, favors, and entertainment directly or indirectly to COUNTY employees.

8. Inspection of Service; Quality Control/Assurance

8.1 All performance (which includes services, workmanship, materials, supplies and equipment furnished or utilized in the performance of this Agreement) shall be subject to inspection and test by the COUNTY or other regulatory agencies at all times. The CONTRACTOR shall provide adequate cooperation to any inspector or other COUNTY representative to permit him/her to determine the CONTRACTOR's conformity with the terms of this Agreement. If any services performed or products provided by

CONTRACTOR are not in conformance with the terms of this Agreement, the COUNTY shall have the right to require the CONTRACTOR to perform the services or provide the products in conformance with the terms of the Agreement at no additional cost to the COUNTY. When the services to be performed or the products to be provided are of such nature that the difference cannot be corrected; the COUNTY shall have the right to: (1) require the CONTRACTOR immediately to take all necessary steps to ensure future performance in conformity with the terms of the Agreement; and/or (2) reduce the Agreement price to reflect the reduced value of the services performed or products provided. The COUNTY may also terminate this Agreement for default and charge to CONTRACTOR any costs incurred by the COUNTY because of the CONTRACTOR's failure to perform.

8.2 CONTRACTOR shall establish adequate procedures for self-monitoring and quality control and assurance to ensure proper performance under this Agreement; and shall permit a COUNTY representative or other regulatory official to monitor, assess, or evaluate CONTRACTOR's performance under this Agreement at any time, upon reasonable notice to the CONTRACTOR.

9. Independent Contractor/Employment Eligibility

9.1 The CONTRACTOR is, for purposes relating to this Agreement, an independent contractor and shall not be deemed an employee of the COUNTY. It is expressly understood and agreed that the CONTRACTOR (including its employees, agents, and subcontractors) shall in no event be entitled to any benefits to which COUNTY employees are entitled, including but not limited to overtime, any retirement benefits, worker's compensation benefits, and injury leave or other leave benefits. There shall be no employer-employee relationship between the parties; and CONTRACTOR shall hold COUNTY harmless from any and all claims that may be made against COUNTY based upon any contention by a third party that an employer-employee relationship exists by reason of this Agreement. It is further understood and agreed by the parties that CONTRACTOR in the performance of this Agreement is subject to the control or direction of COUNTY merely as to the results to be accomplished and not as to the means and methods for accomplishing the results. Personnel performing any services under this Agreement on behalf of CONTRACTOR shall at all times be under CONTRACTOR'S exclusive direction and control. CONTRACTOR shall pay all wages, salaries and other amounts due such personnel in connection with their performance of service and as required by law. CONTRACTOR shall be responsible for all reports and obligations respecting such personnel, including but not limited to, social security taxes, income tax withholdings, unemployment insurance, and workers' compensation insurance.

9.2 CONTRACTOR warrants that it shall make its best effort to fully comply with all federal and state statutes and regulations regarding the employment of aliens and others and to ensure that employees performing work under this Agreement meet the citizenship or alien status requirement set forth in federal statutes and regulations. CONTRACTOR shall obtain, from all employees performing work hereunder, all verification and other documentation of employment eligibility status required by federal or state statutes and regulations including, but not limited to, the Immigration Reform and Control Act of 1986, 8 U.S.C. §1324 et seq., as they currently exist and as they may be hereafter amended. CONTRACTOR shall retain all such documentation for all covered employees, for the period prescribed by the law.

9.3 Ineligible Person shall be any individual or entity who: Is currently excluded, suspended, debarred or otherwise ineligible to participate in the federal health care programs; or has been convicted of a criminal offense related to the provision of health care items or services and has not been reinstated in the federal health care programs after a period of exclusion, suspension, debarment, or ineligibility.

9.4 CONTRACTOR shall screen prospective Covered Individuals prior to hire or engagement. CONTRACTOR shall not hire or engage any Ineligible Person to provide services directly relative to this Agreement. CONTRACTOR shall screen all current Covered Individuals within sixty (60) days of execution of this Agreement to ensure that they have not become Ineligible Persons unless CONTRACTOR has performed such screening on same Covered Individuals under a separate agreement with COUNTY within the past six (6) months. Covered Individuals shall be required to disclose to CONTRACTOR immediately any debarment, exclusion or other event that makes the Covered Individual an Ineligible Person. CONTRACTOR shall notify COUNTY within five (5) business days after it becomes aware if a Covered Individual providing services directly relative to this Agreement becomes debarred, excluded or otherwise becomes an Ineligible Person.

9.5 CONTRACTOR acknowledges that Ineligible Persons are precluded from providing federal and state funded health care services by contract with COUNTY in the event that they are currently sanctioned or excluded by a federal or state law enforcement regulatory or licensing agency. If CONTRACTOR becomes aware that a Covered Individual has become an Ineligible Person, CONTRACTOR shall remove such individual from responsibility for, or involvement with, COUNTY business operations related to this Agreement.

9.6 CONTRACTOR shall notify COUNTY within five (5) business days if a Covered Individual or entity is currently excluded, suspended or debarred, or is identified as such after being sanction screened.

Such individual or entity shall be promptly removed from participating in any activity associated with this Agreement.

10. Subcontract for Work or Services

No contract shall be made by the CONTRACTOR with any other party for furnishing any of the work or services under this Agreement without the prior written approval of the COUNTY; but this provision shall not require the approval of contracts of employment between the CONTRACTOR and personnel assigned under this Agreement, or for parties named in the proposal and agreed to under this Agreement.

11. Disputes

11.1 The parties shall attempt to resolve any disputes amicably at the working level. If that is not successful, the dispute shall be referred to the senior management of the parties. Any dispute relating to this Agreement, which is not resolved by the parties, shall be decided by the COUNTY's Purchasing Department's Compliance Contract Officer who shall furnish the decision in writing. The decision of the COUNTY's Compliance Contract Officer shall be final and conclusive unless determined by a court of competent jurisdiction to have been fraudulent, capricious, arbitrary, or so grossly erroneous to imply bad faith. The CONTRACTOR shall proceed diligently with the performance of this Agreement pending the resolution of a dispute.

11.2 Prior to the filing of any legal action related to this Agreement, the parties shall be obligated to attend a mediation session in Riverside County before a neutral third party mediator. A second mediation session shall be required if the first session is not successful. The parties shall share the cost of the mediations.

12. Licensing and Permits

CONTRACTOR shall comply with all State or other licensing requirements, including but not limited to the provisions of Chapter 9 of Division 3 of the Business and Professions Code. All licensing requirements shall be met at the time proposals are submitted to the COUNTY. CONTRACTOR warrants that it has all necessary permits, approvals, certificates, waivers and exemptions necessary for performance of this Agreement as required by the laws and regulations of the United States, the State of California, the County of Riverside and all other governmental agencies with jurisdiction, and shall maintain these throughout the term of this Agreement.

13. Use By Other Political Entities

The CONTRACTOR agrees to extend the same pricing, terms, and conditions as stated in this Agreement to each and every political entity, special district, and related non-profit. It is understood that other entities shall make purchases in their own name, make direct payment, and be liable directly to the

CONTRACTOR; and COUNTY shall in no way be responsible to CONTRACTOR for other entities' purchases.

14. Non-Discrimination

CONTRACTOR shall not be discriminate in the provision of services, allocation of benefits, accommodation in facilities, or employment of personnel on the basis of ethnic group identification, race, religious creed, color, national origin, ancestry, physical handicap, medical condition, marital status or sex in the performance of this Agreement; and, to the extent they shall be found to be applicable hereto, shall comply with the provisions of the California Fair Employment and Housing Act (Gov. Code 12900 et. seq), the Federal Civil Rights Act of 1964 (P.L. 88-352), the Americans with Disabilities Act of 1990 (42 U.S.C. S1210 et seq.) and all other applicable laws or regulations.

15. Records and Documents

CONTRACTOR shall make available, upon written request by any duly authorized Federal, State, or COUNTY agency, a copy of this Agreement and such books, documents and records as are necessary to certify the nature and extent of the CONTRACTOR's costs related to this Agreement. All such books, documents and records shall be maintained by CONTRACTOR for at least five years following termination of this Agreement and be available for audit by the COUNTY. CONTRACTOR shall provide to the COUNTY reports and information related to this Agreement as requested by COUNTY.

16. Confidentiality

16.1 The CONTRACTOR shall not use for personal gain or make other improper use of privileged or confidential information which is acquired in connection with this Agreement. The term "privileged or confidential information" includes but is not limited to: unpublished or sensitive technological or scientific information; medical, personnel, or security records; anticipated material requirements or pricing/purchasing actions; COUNTY information or data which is not subject to public disclosure; COUNTY operational procedures; and knowledge of selection of contractors, subcontractors or suppliers in advance of official announcement.

16.2 The CONTRACTOR shall protect from unauthorized disclosure names and other identifying information concerning persons receiving services pursuant to this Agreement, except for general statistical information not identifying any person. The CONTRACTOR shall not use such information for any purpose other than carrying out the CONTRACTOR's obligations under this Agreement. The CONTRACTOR shall promptly transmit to the COUNTY all third party requests for disclosure of such information. The CONTRACTOR shall not disclose, except as otherwise specifically permitted by this Agreement or

authorized in advance in writing by the COUNTY, any such information to anyone other than the COUNTY. For purposes of this paragraph, identity shall include, but not be limited to, name, identifying number, symbol, or other identifying particulars assigned to the individual, such as finger or voice print or a photograph.

17. Administration/Contract Liaison

The COUNTY Purchasing Agent, or designee, shall administer this Agreement on behalf of the COUNTY. The Purchasing Department is to serve as the liaison with CONTRACTOR in connection with this Agreement.

18. Notices

All correspondence and notices required or contemplated by this Agreement shall be delivered to the respective parties at the addresses set forth below and are deemed submitted two days after their deposit in the United States mail, postage prepaid:

19. Force Majeure

If either party is unable to comply with any provision of this Agreement due to causes beyond its reasonable control, and which could not have been reasonably anticipated, such as acts of God, acts of war, civil disorders, or other similar acts, such party shall not be held liable for such failure to comply.

20. EDD Reporting Requirements

In order to comply with child support enforcement requirements of the State of California, the COUNTY may be required to submit a Report of Independent Contractor(s) form **DE 542** to the Employment Development Department. The CONTRACTOR agrees to furnish the required data and certifications to the COUNTY within 10 days of notification of award of Agreement when required by the EDD. This data will be transmitted to governmental agencies charged with the establishment and enforcement of child support orders. Failure of the CONTRACTOR to timely submit the data and/or certificates required may result in the

contract being awarded to another contractor. In the event a contract has been issued, failure of the CONTRACTOR to comply with all federal and state reporting requirements for child support enforcement or to comply with all lawfully served Wage and Earnings Assignments Orders and Notices of Assignment shall constitute a material breach of Agreement. If CONTRACTOR has any questions concerning this reporting requirement, please call (916) 657-0529. CONTRACTOR should also contact its local Employment Tax Customer Service Office listed in the telephone directory in the State Government section under "Employment Development Department" or access their Internet site at www.edd.ca.gov.

21. Hold Harmless/Indemnification

21.1 CONTRACTOR shall indemnify and hold harmless the County of Riverside, its Agencies, Districts, Special Districts and Departments, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents and representatives (individually and collectively hereinafter referred to as Indemnitees) from any liability, action, claim or damage whatsoever, based or asserted upon any services of CONTRACTOR, its officers, employees, subcontractors, agents or representatives arising out of or in any way relating to this Agreement, including but not limited to property damage, bodily injury, or death or any other element of any kind or nature. CONTRACTOR shall defend the Indemnitees at its sole expense including all costs and fees (including, but not limited, to attorney fees, cost of investigation, defense and settlements or awards) in any claim or action based upon such acts, omissions or services.

21.2 With respect to any action or claim subject to indemnification herein by CONTRACTOR, CONTRACTOR shall, at their sole cost, have the right to use counsel of their own choice and shall have the right to adjust, settle, or compromise any such action or claim without the prior consent of COUNTY; provided, however, that any such adjustment, settlement or compromise in no manner whatsoever limits or circumscribes CONTRACTOR indemnification to Indemnitees as set forth herein.

21.3 CONTRACTOR'S obligation hereunder shall be satisfied when CONTRACTOR has provided to COUNTY the appropriate form of dismissal relieving COUNTY from any liability for the action or claim involved.

21.4 The specified insurance limits required in this Agreement shall in no way limit or circumscribe CONTRACTOR'S obligations to indemnify and hold harmless the Indemnitees herein from third party claims.

22. Insurance

22.1 Without limiting or diminishing the CONTRACTOR'S obligation to indemnify or hold the COUNTY harmless, CONTRACTOR shall procure and maintain or cause to be maintained, at its sole cost

and expense, the following insurance coverage's during the term of this Agreement. As respects to the insurance section only, the COUNTY herein refers to the County of Riverside, its Agencies, Districts, Special Districts, and Departments, their respective directors, officers, Board of Supervisors, employees, elected or appointed officials, agents, or representatives as Additional Insureds.

A. Workers' Compensation:

If the CONTRACTOR has employees as defined by the State of California, the CONTRACTOR shall maintain statutory Workers' Compensation Insurance (Coverage A) as prescribed by the laws of the State of California. Policy shall include Employers' Liability (Coverage B) including Occupational Disease with limits not less than \$1,000,000 per person per accident. The policy shall be endorsed to waive subrogation in favor of The County of Riverside.

B. Commercial General Liability:

Commercial General Liability insurance coverage, including but not limited to, premises liability, unmodified contractual liability, products and completed operations liability, personal and advertising injury, and cross liability coverage, covering claims which may arise from or out of CONTRACTOR'S performance of its obligations hereunder. Policy shall name the COUNTY as Additional Insured. Policy's limit of liability shall not be less than \$2,000,000 per occurrence combined single limit. If such insurance contains a general aggregate limit, it shall apply separately to this agreement or be no less than two (2) times the occurrence limit.

C. Vehicle Liability:

If vehicles or mobile equipment is used in the performance of the obligations under this Agreement, then CONTRACTOR shall maintain liability insurance for all owned, non-owned, or hired vehicles so used in an amount not less than \$1,000,000 per occurrence combined single limit. If such insurance contains a general aggregate limit, it shall apply separately to this agreement or be no less than two (2) times the occurrence limit. Policy shall name the COUNTY as Additional Insureds.

D. Professional Liability Contractor shall maintain Professional Liability Insurance providing coverage for the Contractor's performance of work included within this Agreement, with a limit of liability of not less than \$1,000,000 per occurrence and \$2,000,000 annual aggregate. If Contractor's Professional Liability Insurance is written on a claims made basis rather than an occurrence basis, such insurance shall continue through the term of this Agreement and CONTRACTOR shall purchase at his sole expense either 1) an Extended Reporting Endorsement (also, known as Tail Coverage); or 2) Prior Dates Coverage from new insurer with a retroactive date back to the date of, or prior to, the inception of this Agreement; or 3)

demonstrate through Certificates of Insurance that CONTRACTOR has Maintained continuous coverage with the same or original insurer. Coverage provided under items; 1), 2), or 3) will continue as long as the law allows.

E. General Insurance Provisions - All lines:

1) Any insurance carrier providing insurance coverage hereunder shall be admitted to the State of California and have an A M BEST rating of not less than A: VIII (A:8) unless such requirements are waived, in writing, by the County Risk Manager. If the County's Risk Manager waives a requirement for a particular insurer such waiver is only valid for that specific insurer and only for one policy term.

2) The CONTRACTOR must declare its insurance self-insured retention for each coverage required herein. If any such self-insured retention exceeds \$500,000 per occurrence each such retention shall have the prior written consent of the County Risk Manager before the commencement of operations under this Agreement. Upon notification of self-insured retention unacceptable to the COUNTY, and at the election of the County's Risk Manager, CONTRACTOR'S carriers shall either; 1) reduce or eliminate such self-insured retention as respects this Agreement with the COUNTY, or 2) procure a bond which guarantees payment of losses and related investigations, claims administration, and defense costs and expenses.

3) CONTRACTOR shall cause CONTRACTOR'S insurance carrier(s) to furnish the County of Riverside with either 1) a properly executed original Certificate(s) of Insurance and certified original copies of Endorsements effecting coverage as required herein, and 2) if requested to do so orally or in writing by the County Risk Manager, provide original Certified copies of policies including all Endorsements and all attachments thereto, showing such insurance is in full force and effect. Further, said Certificate(s) and policies of insurance shall contain the covenant of the insurance carrier(s) that thirty (30) days written notice shall be given to the County of Riverside prior to any material modification, cancellation, expiration or reduction in coverage of such insurance. In the event of a material modification, cancellation, expiration, or reduction in coverage, this Agreement shall terminate forthwith, unless the County of Riverside receives, prior to such effective date, another properly executed original Certificate of Insurance and original copies of endorsements or certified original policies, including all endorsements and attachments thereto evidencing coverage's set forth herein and the insurance required herein is in full force and effect. CONTRACTOR shall not commence operations until the COUNTY has been furnished original Certificate (s) of Insurance and certified original copies of endorsements and if requested, certified original policies of insurance including all endorsements and any and all other attachments as required in this Section. An individual authorized by the insurance carrier shall sign the original endorsements for each policy and the Certificate of Insurance.

4) It is understood and agreed to by the parties hereto that the CONTRACTOR'S insurance shall be construed as primary insurance, and the COUNTY'S insurance and/or deductibles and/or self-insured retention's or self-insured programs shall not be construed as contributory.

5) If, during the term of this Agreement or any extension thereof, there is a material change in the scope of services; or, there is a material change in the equipment to be used in the performance of the scope of work; or, the term of this Agreement, including any extensions thereof, exceeds five (5) years; the COUNTY reserves the right to adjust the types of insurance and the monetary limits of liability required under this Agreement, if in the County Risk Manager's reasonable judgment, the amount or type of insurance carried by the CONTRACTOR has become inadequate.

6) CONTRACTOR shall pass down the insurance obligations contained herein to all tiers of subcontractors working under this Agreement.

7) The insurance requirements contained in this Agreement may be met with a program(s) of self-insurance acceptable to the COUNTY.

8) CONTRACTOR agrees to notify COUNTY of any claim by a third party or any incident or event that may give rise to a claim arising from the performance of this Agreement.

23. General

23.1 CONTRACTOR shall not delegate or assign any interest in this Agreement, whether by operation of law or otherwise, without the prior written consent of COUNTY. Any attempt to delegate or assign any interest herein shall be deemed void and of no force or effect.

23.2 Any waiver by COUNTY of any breach of any one or more of the terms of this Agreement shall not be construed to be a waiver of any subsequent or other breach of the same or of any other term of this Agreement. Failure on the part of COUNTY to require exact, full, and complete compliance with any terms of this Agreement shall not be construed as in any manner changing the terms or preventing COUNTY from enforcement of the terms of this Agreement.

23.3 In the event the CONTRACTOR receives payment under this Agreement, which is later disallowed by COUNTY for nonconformance with the terms of the Agreement, the CONTRACTOR shall promptly refund the disallowed amount to the COUNTY on request; or at its option the COUNTY may offset the amount disallowed from any payment due to the CONTRACTOR.

23.4 CONTRACTOR shall not provide partial delivery or shipment of services or products unless specifically stated in the Agreement.

23.5 CONTRACTOR shall not provide any services or products subject to any chattel mortgage or under a conditional sales contract or other agreement by which an interest is retained by a third party. The CONTRACTOR warrants that it has good title to all materials or products used by CONTRACTOR or provided to COUNTY pursuant to this Agreement, free from all liens, claims, or encumbrances.

23.6 Nothing in this Agreement shall prohibit the COUNTY from acquiring the same type or equivalent equipment, products, materials or services from other sources, when deemed by the COUNTY to be in its best interest. The COUNTY reserves the right to purchase more or less than the quantities specified in this Agreement.

23.7 The COUNTY agrees to cooperate with the CONTRACTOR in the CONTRACTOR's performance under this Agreement, including, if stated in the Agreement, providing the CONTRACTOR with reasonable facilities and timely access to COUNTY data, information, and personnel.

23.8 CONTRACTOR shall comply with all applicable Federal, State and local laws and regulations. CONTRACTOR will comply with all applicable COUNTY policies and procedures. In the event that there is a conflict between the various laws or regulations that may apply, the CONTRACTOR shall comply with the more restrictive law or regulation.

23.9 CONTRACTOR shall comply with all air pollution control, water pollution, safety and health ordinances, statutes, or regulations, which apply to performance under this Agreement.

23.10 CONTRACTOR shall comply with all requirements of the Occupational Safety and Health Administration (OSHA) standards and codes as set forth by the U.S. Department of Labor and the State of California (Cal/OSHA).

23.11 This Agreement shall be governed by the laws of the State of California. Any legal action related to the performance or interpretation of this Agreement shall be filed only in the Superior Court of the State of California located in Riverside, California, and the parties waive any provision of law providing for a change of venue to another location. In the event any provision in this Agreement is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remaining provisions will nevertheless continue in full force without being impaired or invalidated in any way.

23.12 This Agreement, including any attachments or exhibits, constitutes the entire Agreement of the parties with respect to its subject matter and supersedes all prior and contemporaneous representations, proposals, discussions and communications, whether oral or in writing. This Agreement may be changed or modified only by a written amendment signed by authorized representatives of both parties.

23.13 CONTRACTOR shall have the right to reject any waste or return any waste upon inspection, in such case that the waste does not conform to applicable descriptions and as agreed upon by the parties.

24. Electronic Signatures

This Agreement may be executed in any number of counterparts, each of which will be an original, but all of which together will constitute one instrument. Each party to this Agreement agrees to the use of electronic signatures, such as digital signatures that meet the requirements of the California Uniform Electronic Transactions Act ("CUETA") (Cal. Civ. Code §§ 1633.1 to 1633.17), for executing this Agreement. The parties further agree that the electronic signatures of the parties included in this Agreement are intended to authenticate this writing and to have the same force and effect as manual signatures. Electronic signature means an electronic sound, symbol, or process attached to or logically associated with an electronic record and executed or adopted by a person with the intent to sign the electronic record pursuant to the CUETA as amended from time to time. The CUETA authorizes use of an electronic signature for transactions and contracts among parties in California, including a government agency. Digital signature means an electronic identifier, created by computer, intended by the party using it to have the same force and effect as the use of a manual signature, and shall be reasonably relied upon by the parties. For purposes of this section, a digital signature is a type of "electronic signature" as defined in subdivision (i) of Section 1633.2 of the Civil Code.

[Signatures on Following Page]

IN WITNESS WHEREOF, the parties hereto have caused their duly authorized representatives to execute this Agreement.

EXHIBIT A SCOPE OF SERVICES

Goals and Objectives

The primary goals of HHWCP are to provide convenient, regular HHW collection service to County residents and to provide education on source reduction, recycling, and reuse opportunities while County residents are at the HHW collection facilities. HHWCP consists of four (4) Permanent Household Hazardous Waste Collection Facilities (PHHWCF), thirty-six (36) Temporary Household Hazardous Waste Collection Facilities (THHWCF), and three (3) Antifreeze, Battery, Oil and Paint (ABOP) Facilities. It is the intent of the RCDWR to discontinue some of the THHWCF as additional PHHWCF are established.

Another goal of HWI Program is to prevent illegal disposal of hazardous waste at seven RCDWR-operated landfills and properly managed hazardous waste discovered through random inspections. HWI Program staff randomly inspect incoming waste loads for the presence of unacceptable waste including hazardous waste. RCDWR requires the responsible party to properly manage and dispose of hazardous wastes found through random inspections. If the responsible party cannot be determined, RCDWR is considered the generator of the hazardous waste. RCDWR presumes these wastes are disposed by residents or Very Small Quantity Generator Program and manages the wastes as HHW. The Lamb Canyon's Central Accumulation Facility (CAF) is permitted as a PHHWCF and Load Check Program consolidation site. All HHW at the landfills are transported to CAF by HWI Program for consolidation.

A new goal of the RCDWR HHW Program is participating in the California Architectural Paint Recovery Program also known as PaintCare since June 2013. RCDWR currently has a direct agreement with PaintCare, this program is established at all THHWCF, PHHWCF and ABOP facilities and will continue to be implemented at any future HHW THHWCF, PHHWCF and ABOP facilities.

Program Outcome

The Contractor will conduct Temporary Household Hazardous Waste Collection Facility (THHWCF) events and supply, support services including labor, recycling and disposal for the County's Permanent Collection Household Hazardous Waste Collection Facilities (PHHWCF) and Antifreeze, Battery, Oil and Paint (ABOP) Collection Facilities. Details of these operations and Contractor responsibilities are described in the Scope of Services.

The Contractor will also be utilized for transportation, recycling and disposal of household hazardous waste generated through the County's current solid waste landfill Load Check Program (LLCP) and provide contract services for the County's Very Small Quantity Generator (VSQG) program for qualified small businesses in the County.

Temporary Household Hazardous Waste Collection Facility (THHWCF)

RCDWR holds up to thirty six (36) THHWCF events annually between August and May. THHWCF event hours are from 9:00 a.m. to 2:00 p.m. on Saturdays. Some THHWCF events may be operated for a two-day period (Friday and Saturday or Saturday and Sunday, consecutively). Multiple THHWCF events may be operated on the same day (see the HHW Schedule for calendar year 2018, Table 1, Section 1.2 in Terms and Conditions Document).

Each THHWCF is operated under a Permit-By-Rule (PBR) authorization received from the Riverside County Certified Unified Program Agency (CUPA) and per the California Health and Safety Code (H&SC)

and California Code of Regulations (CCR) Title 22 requirements pertaining to HHW collection and hazardous waste management. Department will obtain all EPA ID numbers, PBR authorizations, approval to use all County-owned and non-County owned sites, and complete notifications to local agencies as necessary.

Contractor shall provide all personnel, vehicle, and equipment to set up and operate a THHWCF event. Contractor shall be responsible for traffic control, unloading, waste collection, characterization, segregation, testing, bulking, packaging, and transportation to an authorized and permitted Treatment, Storage and Disposal Facility (TSDF) or an approved recycling facility at the end of the THHWCF event. The Contractor shall operate and manage all aspects of THHWCF in accordance with all applicable laws as well as permits and property-use agreements issued to RCDWR for THHWCF events. RCDWR staff will screen the HHW for acceptance from County residents at each facility location to insure no unauthorized materials are accepted.

The Contractor shall provide and maintain all necessary equipment, supplies and services to operate a safe and organized THHWCF event including but not limited to:

1. Required PBR, warning signs, and traffic signs
2. Scales
3. Spill Kits
4. Hazardous waste containers, waste packaging materials, labels and shipping documents
5. Emergency eyewash, showers and decontamination equipment
6. Tables, tents, shade covers, chairs, plastic sheeting, and carts
7. Certified fire extinguishers
8. Traffic control devices, barricades and delineators
9. Refuse bins and disposal services Portable toilet and hand washing facilities
10. Material handling equipment (i.e. forklift, roll-off bins, etc.)
11. Personal Protective Equipment (PPE) for contract staff
12. And any other equipment required by law or deemed suitable for the THHWCF activities.

The contractor's equipment and materials should be included in the fixed per car rate, located in (Exhibit B). If RCDWR identifies needed equipment and materials not listed in the Payment Schedule and requests the CONTRACTOR to provide said equipment and materials, the CONTRACTOR will provide said equipment and materials at no additional cost to RCDWR. RCDWR reserves the right to accept or reject any and all CONTRACTOR's requests for RCDWR to supply materials or to provide assistance.

At the end of the event the CONTRACTOR shall transport all collected hazardous waste to facilities authorized to accept it in accordance with all applicable laws. No waste shall stay at the THHWCF longer than 144 hours (per regulatory requirements). Waste Handling is further discussed below.

The CONTRACTOR shall provide at no additional cost to RCDWR technical assistance to RCDWR staff, as required, in determining proper D.O.T. shipping name, UN number, hazard category and packing group.

RCDWR reserves the right to exclude any waste stream from management under any contract. Waste streams collected at the THHWCF events currently being excluded and managed by the RCDWR outside of the current HHW contract include Electronic Waste (including CRTs and Consumer Electronic Devices), sealed and automotive lead-acid batteries, rechargeable batteries, compressed gas cylinders, five-gallon propane cylinders, and fire extinguishers.

Permanent Household Hazardous Waste Collection Facility (PHHWCF)

RCDWR currently operates three (3) PHHWCFs. PHHWCF locations and the hours of operations are summarized below:

1. Lake Elsinore PHHWCF located at 512 North Langstaff Street, Lake Elsinore, CA 92530
 - 1.1. Open first Non-holiday weekend Saturday of the month from 9:00 a.m. to 2:00 p.m.
2. Agua Mansa PHHWCF located at 1780 Agua Mansa Road, Jurupa Valley, CA 92509
 - 2.1. Open Non-holiday weekend Saturdays from 9:00 a.m. to 2:00 p.m.
3. Palm Springs PHHWCF located at 1100 Vella Road, Palm Springs CA 92264
 - 3.1. October through May, open Non-holiday Saturdays from 9:00 a.m. to 2:00 p.m.
 - 3.2. June through September, open Non-holiday Saturdays from 9:00 a.m. to 2:00 p.m.

Construction of a fourth PHHWCF (Lamb Canyon) has been completed at Lamb Canyon Landfill located at 16411 Lamb Canyon Road, Beaumont, CA 92223. This new PHHWCF will be open every third non-holiday weekend Saturday of the month from 9:00 a.m. to 2:00 p.m. This new PHHWCF will replace the existing Central Accumulation Facility for the Hazardous Waste Inspection (Load Check) program and store HHW from both HHWCP and HWI Program.

Each PHHWCF is operated under a Permit-By-Rule (PBR) authorization received from CUPA and per the California H&SC CCR Title 22 requirements pertaining to HHW collection and hazardous waste management. With the assistance from the Contractor, RCDWR will obtain all EPA ID numbers, all PBR authorizations, approval to use all County-owned and non-County-owned facilities, and complete notifications to local agencies as necessary.

Typical HHW, electronic waste, sharps and medication (non-controlled substances) waste will be accepted at all PHHWCF. Asbestos, treated wood, site remediation and business wastes shall not be accepted at any PHHWCF. RCWDR staff will screen each participant to determine service eligibility and record participant's information.

Contractor shall provide all personnel to set up and operate the facility. Contractor shall be responsible for unloading, waste collection, characterization, segregation, testing, bulking, packaging, and transportation to an authorized and permitted Treatment, Storage and Disposal Facility (TSDF) or an approved recycling facility. The Contractor shall operate and manage all aspects of PHHWCF in accordance with all applicable laws as well as permits and property-use agreements issued to RCDWR for the PHHWCF. RCDWR staff will screen the HHW for acceptance from County residents at each facility location to insure no unauthorized materials are accepted.

Contractor shall provide all personnel to set up and operate the facility. Contractor shall be responsible for waste collection, characterization, segregation, testing, bulking, packaging, and transportation to an authorized and permitted Treatment, Storage and Disposal Facility (TSDF) or an approved recycling facility. The Contractor shall operate and manage all aspects of PHHWCF in accordance with all applicable laws as well as permits and property-use agreements issued to RCDWR for the PHHWCF.

RCDWR shall provide and maintain the following supplies, equipment and services at the PHHWCF:

1. Required PBR signs, warning signs, and traffic signs
2. Scales
3. Spill Kits

4. Emergency eye wash/showers and decontamination equipment
5. Tables, tents, shade covers, chairs, and carts
6. Certified fire extinguishers
7. Traffic control devices, barricades and delineators
8. Refuse bins and disposal services
9. Portable toilet and hand washing facilities
10. Material handling equipment (i.e. forklift, roll-off bins, etc.)
11. Personal Protective Equipment (PPE) for contract staff

The Contractor shall provide and maintain the following supplies and equipment at all PHHWCF:

1. Necessary hazardous waste identification and categorization equipment
2. Hazardous waste containers, waste packaging materials, labels and shipping documents
3. Floor covering (impermeable plastic sheeting).
4. Portable toilet and hand washing facilities (only at Lake Elsinore PHHWCF) for contract staff
5. Personal Protective Equipment (PPE) for contract staff
6. Forklift and operator (only at Lake Elsinore PHHWCF)
7. Hazard Categorization Kit

RCDWR reserves the right to accept or reject any and all Contractor's requests for RCDWR to supply materials or to provide assistance not listed above.

The Contractor shall provide at no additional cost to RCDWR technical assistance to RCDWR staff, as required, in determining proper D.O.T. shipping name, UN number, hazard category and packing group.

RCDWR reserves the right to exclude any waste stream from management under any contract. Waste streams collected at the PHHWCF events currently being excluded and managed by the RCDWR outside of the current HHW contract include Electronic Waste (including CRTs and Consumer Electronic Devices), sealed and automotive lead-acid batteries, rechargeable batteries, compressed gas cylinders, five-gallon propane cylinders, and fire extinguishers. These waste types should be included in the contractors pricing.

1. Lake Elsinore PHHWCF

- 1.1. The City of Lake Elsinore is the owner and waste generator of the PHHWCF in Lake Elsinore. The city and RCDWR have joint responsibility for the operation of this site; however, the CONTRACTOR and RCDWR responsibilities for this site are the same as all other PHHWCF as listed above.

Antifreeze, Battery, Oil and Paint (ABOP) Collection Facility

RCDWR currently operates three (3) ABOP facilities. ABOP facility locations and the hours of operations are summarized below.

1. Murrieta ABOP located at 25315 Jefferson Avenue, Murrieta, CA 92562
 - 1.1. Open non-holiday weekend Saturdays from 9:00 am to 2:00 pm
2. Moreno Valley ABOP located at 31125 Ironwood Avenue, CA 92555
 - 2.1. Open Monday through Saturday from 6:00 am to 4:30 pm
3. Beaumont ABOP located at 16411 Lamb Canyon Road, Beaumont, CA 92223
 - 3.1. Open Monday through Saturday from 6:00 am to 4:30 pm

All RCDWR operated ABOP Facilities are operated pursuant to a Collection Facility Notification for 'Recycle Only' to CUPA and per the California H&SC CCR Title 22 requirements pertaining to HHW collection and hazardous waste management. RCDWR will maintain all notifications and authorizations for the facility.

RCDWR will arrange for, trash collection and restroom facilities at all ABOP facilities and will provide and maintain the following necessary supplies and services at all ABOP Facilities:

1. Floor covering (impermeable plastic sheeting/tarps)
2. Personal Protective Equipment (PPE) for contract staff.
3. Required PBR signs, warning signs, and traffic signs
4. Scales
5. Spill Kits
6. Emergency eye wash/showers
7. Shade covers, chairs, office
8. Traffic control devices barricades and delineators
9. Refuse bins and disposal services
10. Toilet and hand washing facilities
11. Aboveground storage tanks (AGST)
12. Utilities
13. Information brochures
14. Certified fire extinguishers
15. Hazard Categorization Kit

RCDWR reserves the right to accept or reject any and all CONTRACTOR's requests for RCDWR to supply materials or to provide assistance not listed above.

The CONTRACTOR shall provide at no additional cost to RCDWR technical assistance to RCDWR staff, as required, in determining proper D.O.T shipping name, UN number, hazard category and packing group.

RCDWR reserves the right to exclude any waste stream from management under any contract. Waste streams collected at ABOP facilities currently being excluded and managed by RCDWR outside of the current HHW contract include sealed and automotive lead acid batteries, rechargeable batteries, smoke detectors, used oil and antifreeze.

1. Murrieta ABOP

- 1.1 The CONTRACTOR shall provide one or two personnel as determined by RCDWR to assist the RCDWR staff in the operation of the facility. RCDWR staff will screen each participant to determine service eligibility and record participant's information. CONTRACTOR staff shall unload, sort, bulk and package all ABOP wastes. Only Latex paint, oil-based paint, used oil, oil filter, antifreeze, cooking oil, household batteries, automotive and sealed lead-acid batteries will be accepted at the Murrieta ABOP. Any other HHW and business wastes shall not be accepted. The CONTRACTOR shall operate and manage all aspects of Murrieta ABOP in accordance with all applicable laws as well as permits and property-use agreements issued to RCDWR for Murrieta ABOP.
- 1.2 The CONTRACTOR shall provide hazardous waste containers, waste packaging material, pre-printed labels, shipping documents, and transportation and disposal of hazardous waste collected by the Murrieta ABOP in accordance with applicable law.

2. Moreno Valley and Beaumont ABOP

- 2.1 RCDWR will be responsible for the operations of Moreno Valley and Beaumont ABOP including waste collection, characterization, segregation, testing, bulking, and packaging.
- 2.2 The CONTRACTOR shall provide hazardous waste containers, waste packaging material, pre-printed labels, shipping documents, and transportation and disposal of hazardous waste collected by the Moreno Valley and Beaumont ABOP in accordance with applicable law.

3. Paint Care Program

- 3.1 RCDWR has an executed Agreement with Paint Care the California Paint Architectural Recovery Program. However, RCDWR authorizes the CONTRACTOR to establish all HHW program collection locations as part of the PaintCare Program codified by Public Resources Code 48700 and administered by Paint Care, Inc. The CONTRACTOR is further authorized to enter into an agreement with Paint Care for Program Products collected by the Department's HHW collection program. Program products are defined in http://www.paintcare.org/docs/ca_official_products_list.pdf.
- 3.2 The CONTRACTOR shall maintain the agreement with Paint Care through the duration of the contract term with the RCDWR. CONTRACTOR shall ensure all Paint Care program products as listed in <https://www.paintcare.org/wp-content/uploads/docs/xx-program-products-list.pdf> are processed through the Paint Care program to ensure the greatest possible savings to RCDWR.

Materials Reuse Program (MRP)

RCDWR has established a Materials Reuse Program (MRP) at Lake Elsinore, Agua Mansa, and Palm Springs PHHWCF. RCDWR may add additional MRP to other PHHWCF or ABOP facilities as authorized by the Permit-by-Rule regulations or variance including, but not limited to the operation of such program. The MRP will comply with the regulatory requirements including a written Quality Assurance Plan, waiver of liability, and inventory form for materials reused.

CONTRACTOR shall screen, identify and separate incoming HHW for the MRP at both PHHWCF and THHWCF in accordance with the Quality Assurance Plan. MRP materials are available to both RCDWR and CONTRACTOR staff.

Very Small Quantity Generators (VSQGs)

RCDWR has established a Very Small Quantity Generator (VSQG) Program on a cost recovery basis. RCDWR staff will screen businesses to ensure it is a VSQG as defined in the California Health and Safety Code, Section 25218.1 and Code of Federal Regulation 40, Section 261.5; provide businesses transportation procedures and guidelines; schedule drop-off appointments. RCDWR staff will unload, sort, bulk and package all VSQG waste at approved PHHWCF sites. The CONTRACTOR shall provide transportation and disposal of hazardous waste collected by the VSQG program in accordance with applicable law. The collection of VSQG waste will be on days that the PHHWCF is not open to residents for HHW collection

Hazardous Waste Inspection (HWI/Load Check)

RCDWR operates a Hazardous Waste Inspection Program at six active solid waste landfills located in Riverside County. RCDWR is responsible for packaging the HHW generated by the HWI Program. Periodically, HWI Program staff transport these HHW to the Central Accumulation Facility (CAF) located at 16411 Lamb Canyon Road, Beaumont, CA 92223 for consolidation.

The CONTRACTOR shall provide hazardous waste containers, waste packaging material, pre-printed labels, inventory forms for lab-packed wastes, shipping documents, and transportation and disposal of hazardous waste collected by HWI Program at the CAF in accordance with applicable law.

The PHHWCF transportation and disposal pricing will also be extended to the Load Check program as detailed in (Exhibit B) – Compensation Schedule.

1. Technical Assistance

- 1.1 The Contractor shall provide at no additional cost to RCDWR technical assistance to RCWDR staff, as required, in determining proper D.O.T shipping name, UN number, hazard category and packing group.
- 1.2 The CONTRACTOR shall provide initial and annual training to RCDWR staff on packaging requirements to ensure RCDWR conformance with the CONTRACTOR's and Treatment, Storage, and Disposal Facility's waste acceptance criteria at no additional cost to RCDWR.

Door-to-Door (DTD) Collection Program

RCDWR may implement a Door-to-Door (DTD) collection service for residents who are elderly and/or disabled without the ability to transport HHWs. RCDWR will manage all aspects of the DTD Program. RCDWR will transport all HHW collected by the DTD Program to the nearest PHHWCF for consolidation. This would be a request-based service therefore the total number of residents served annually is anticipated to be very low.

Hazardous Waste Handling

HHW collected at all PHHWCF, THHWCF, and ABOP facilities shall be managed in accordance with the following:

1. Notifications and/or CUPA-authorized Permit-by-Rules
2. Property-use agreements issued to RCDWR
3. Health and Safety and Operations Plan
4. RCDWR Waste Management Plan
5. Storm Water Pollution Prevention Plan
6. Code of Federal Regulations, Title 49
7. All other applicable federal, state, and local laws and regulations

Bulking of automotive oil, cooking oil, antifreeze and latex paint is permitted at all PHHWCF, THHWCF and the ABOP sites. CONTRACTOR will bulk or not bulk these waste streams based on the greatest savings as determined by RCDWR. Bulking of wastes other than that which is specified in the Permit-By-Rule application will not be permitted by RCDWR. The exception would be for leaking containers on an emergency/contingency basis

The CONTRACTOR is responsible for all waste categorization and shall provide equipment and materials necessary to properly categorize unknown chemical waste for transportation and disposal at all PHHWCF, THHWCF and the ABOP sites. The CONTRACTOR shall ensure all HHW collected are properly packaged, marked, labeled for transportation in conformance with all applicable laws and regulations.

Hazardous Waste Transportation

CONTRACTOR shall transport properly packaged wastes from PHHWCF, THHWCF and ABOP site to an authorized Treatment, Storage and Disposal Facility (TSDF) or approved recycling facilities. The CONTRACTOR shall arrange for authorized recycling, treatment, or disposal of collected Household Hazardous Waste with the concurrence of RCDWR.

The CONTRACTOR must maintain a valid hazardous waste transporter registration issued by the California Department of Toxic Substance Control (DTSC) throughout the duration of this contract. The CONTRACTOR must comply with the California Vehicle Code, CHP Regulations in California Code Regulations (CCR) Title 13, the California State Fire Marshal Regulations in CCR Title 19, United States Department of Transportation (DOT) Regulations in Title 49, Code of Federal Regulations, U.S. Environmental Protection Agency Regulations in Title 40 Code of Federal Regulations. In addition, the

CONTRACTOR must comply with the California Health & Safety Code (H&SC) and CCR Title 22 and the California Medical waste Management Act in the H&SC, Sections 117600 – 118360.

Drivers used by the CONTRACTOR to transport regulated waste shall have all required training, the proper California Department of Motor Vehicles licensing and required medical monitoring certifications. All vehicles transporting DOT regulated hazardous materials shall have all required California State permits, CHP BIT (Biennial Inspection of Terminals) inspections and insurance for hazardous waste transportation. For transportation out of California, vehicles must meet the federal and state requirements of all states traveled through to the destination facility.

The CONTRACTOR shall provide proof of the financial coverage required by the California Department of Toxic Substances Control, and DOT for hazardous waste transporters. The CONTRACTOR shall immediately inform the County of any lapse in this financial coverage.

CONTRACTOR shall supply and display all required DOT vehicle placards and apply all required DOT markings and hazardous waste labels to waste containers when waste is first introduced into the container. CONTRACTOR shall profile all waste streams transported to the TSD facilities and shall provide all manifests and/or shipping papers or related documentation to the County.

All vehicles must meet motor vehicle code requirements and regulations in addition to all other applicable Federal, State and local codes required for use on highways.

Securing and maintaining all applicable Local, State and Federal permits for handling, transportation and disposal of hazardous waste shall be the responsibility of the CONTRACTOR. The CONTRACTOR shall immediately inform the County of any loss or temporary suspension of any required permits or licenses that affect the ability of the CONTRACTOR to provide the services described in this agreement. Copies of valid California Hazardous Materials/Waste Transporter Registration shall be resupplied when renewed throughout the period of performance of this agreement.

The CONTRACTOR shall not be required to transport radioactive or explosives materials, however, the CONTRACTOR must be able to advise and possibly subcontract out this service.

RCDWR reserves the right to keep possession of HHW collected at THHWCF events and transport to RCDWR PHHWCF for consolidation and management if it is more cost effective for RCDWR.

Personnel

Staffing at All Sites

1. CONTRACTOR shall provide sufficient and qualified personnel to operate each THHWCF event, PHHWCF site and ABOP site and as well as meeting any requirements of this Contract. Staffing for the THHWCF event and PHHWCF site shall consist of one (1) Project Manager, a minimum of one (1) chemist, and technicians, as specified below:

- 1.1 Project Manager (PM) - Duties to include, but are not limited to, the supervision of all contract personnel. PM must be able to make decisions at the local site. PM must be able to fill any job position needed at the HHW collection site (including chemist, technician or RCDWR employee). PM must have the training and ability to take over for RCDWR personnel in the event of an

emergency.

- 1.2 Chemist - At a minimum, the chemist(s) must have the training, knowledge and ability to properly perform hazardous waste categorization testing of unknown household chemicals for proper separation, packaging, labeling, storage, and transportation as defined by state and federal law. The chemist must have at a minimum 6 months experience at HHW collection events. Chemist duties include identification of unknown HHW materials, categorizing chemicals into proper hazardous waste classes and packaging of HHW collected materials. A chemist will be required to be onsite at both THHWCF events and PHHWCF when accepting waste from the public.
- 1.3 Technicians – Duties include site set-up and tear-down, vehicle unloading, waste oil, anti-freeze and latex paint bulking, or other duties as assigned by the PM or RCDWR staff.
 - 1.3.1 The CONTRACTOR shall provide a list of CONTRACTOR’s staff that will perform services at the PHHWCF, THHWCF, and ABOP facility, and their assigned position to RCDWR a minimum of two (2) business days prior to PHHWCF’s, THHWCF’s, and ABOP facility’s day of operation.
 - 1.3.2 Adequate staffing levels must be provided so that the THHWCF event can be completed and waste moved offsite by 17:30 hours (5:30 p.m.) plus or minus one hour. In the event that an unexpected number of participants utilize the THHWCF event, CONTRACTOR must provide contingency staff and supplies and equipment to accommodate the unanticipated workload. RCDWR will make every effort to alert CONTRACTOR seven (7) days in advance of anticipated heavy turnout.
 - 1.3.3 Repeated failure to provide adequate staffing or contingency staffing, supplies and/or equipment resulting in an uncontrolled event or site, or repeated delays in completing events and moving waste offsite, may result in transfer of contract to an alternate CONTRACTOR.
 - 1.3.4 The CONTRACTOR shall be responsible for the professional attitude, demeanor and technical competence of personnel supplied to the Program and the coordination of all efforts, and other services furnished by the CONTRACTOR under this contract. CONTRACTOR personnel must be in uniform and have company ID at all times during HHW events.

Training Requirements

The CONTRACTOR is responsible for the training of all Contract staff. Contract staff must be trained in the performance of all work performed at a level that meets any and all applicable law requirements and at a level necessary for the proper and safe performance of all tasks assigned. Training for CONTRACTOR supplied staff shall include, but is not limited to the following list. Training records will be kept current, on all HHW work sites, and available at all times upon request by RCDWR or any regulatory representative.

Training requirements for all CONTRACTOR staff

1. Forty (40) hour Hazardous Waste Operations and Emergency Response (HAZWOPER) or equivalent.
2. Annual HAZWOPER 8 hour refresher training
3. Training requirements applicable to HHW Programs (found in Title 8 and Title 22, California Code of

Regulations).

4. Annual respirator fit testing and training for any employee that performs a function where the use of respirators is allowed or required.

Additional training requirements for Project Manager

1. 8 hour Supervisory training for Hazardous Waste Operations
2. HHW project management training
3. Radioactive monitoring and awareness
4. CPR/first aid training
5. Chemist training
6. DOT HM-181 manifest training
7. Bloodborne Pathogens Level 1 training

Additional training requirements for Chemists

1. Hazard waste categorization (Haz-Cat) training
2. Hazardous waste packaging training
3. DOT HM-181 manifest training

Additional training requirements for Technicians

1. Hazardous materials transportation training for employees required to perform this function.
2. Hazardous waste handler training
3. Forklift operator training for employees required to perform this function.
4. Waste packaging training for employees required to perform this function.

Sub-Contractors

If subcontractors are required, the CONTRACTOR must provide RCDWR with a list of the business names for each subcontractor who will perform work at the THHWCF events and PHHWCF.

The following requirements shall be met by the CONTRACTOR prior to the use of subcontractors for work associated with this contract:

1. CONTRACTOR qualifications requirements also apply to subcontractors.
2. CONTRACTOR must provide the County with Certificates of Liability Insurance from subcontractor,

naming the County as additional insured with proper endorsements.

3. The CONTRACTOR must verify the subcontractor has all required permits, licenses and insurances to perform work as directed by the CONTRACTOR.
4. Subcontract staff shall only be used when needed to supplement, not replace, existing CONTRACTOR staff that are familiar with the HHW program.
5. Subcontract staff shall not be used in key positions such as the Project Manager or Chemist. Suitable positions for subcontract staff could be traffic direction, unloading or bulking activities and other closely supervised support tasks.

Customer Service and Interaction

The CONTRACTOR's employee and subcontractors shall conduct themselves in a professional and courteous manner at all times. RCDWR's designated representatives may require CONTRACTOR to remove from the work site any employee(s) or subcontractor employee(s) deemed careless, incompetent, or otherwise objectionable for reasonable cause, whose continued employment on the job is considered to be contrary to the best interest of RCDWR.

Personal Protective and Emergency Equipment

1. Contractor Responsibilities

- 1.1 At each THHWCF event and PHHWCF, CONTRACTOR shall supply its staff, any and all OSHA required personal protective equipment (PPE), such as, but not limited to, Tyvek suits, chemical resistant gloves, safety glasses, steel-toed shoes, air purifying respirators, respirator cartridges, etc. at no additional cost to RCDWR.
- 1.2 At each THHWCF event and PHHWCF site worked, CONTRACTOR shall provide radio/phone communications so that an emergency response can be activated if necessary.
- 1.3 At each THHWCF event worked, CONTRACTOR shall provide, at its costs, immediate access to OSHA required emergency equipment. Emergency equipment shall include safety shower/eyewash unit(s), fire extinguishers, emergency warning device(s), corrosive neutralizing agents, spill clean-up materials, first aid kits or other emergency equipment required by regulation to protect the health and safety of the staff, the public, the Department representative and/or the environment.
- 1.4 At each THHWCF event, CONTRACTOR shall provide shade and water in accordance with OSHA regulations.

2. Department Responsibilities

- 2.1 At both PHHWCF and ABOP facilities, RCDWR will provide and maintain emergency equipment including, shade, safety shower/eyewash unit(s), fire extinguishers, emergency warning device(s), corrosive neutralizing agents, spill clean-up materials, first aid kits or other emergency equipment required by regulation to protect the health and safety of the personnel, the public, the environment.

Housekeeping and Maintenance Responsibilities

CONTRACTOR will be required to maintain the HHW Collection sites (both THHWCF and PHHWCF) in a neat and organized manner, to facilitate and maintain a clean appearance and safe working environment. Housekeeping and maintenance includes, but is not limited to, the following responsibilities:

1. Ensuring files and paperwork are organized and maintained in an orderly fashion.
2. Ensuring spills and splatters are cleaned up immediately.
3. Ensuring plastic visquene sheeting on paved work areas is changed weekly, or as needed, with all holes patched immediately.
4. Ensuring any litter, paper, debris, broken glass, cardboard or plastic are picked up inside and along the perimeter of facility and all areas are swept daily or as needed.
5. Ensuring spills and residues on the outside of the bulking containers are wiped off immediately.
6. Ensuring all appropriate labels and markings are legible and securely affixed to the containers as soon as waste is introduced into the container.
7. Ensuring all waste is packaged and stored in appropriate containers and properly secured at the end of the workday.
8. Ensuring all supplies are stored in the correct location within the fenced area of the facility, unless otherwise authorized.

Trash and Restroom Facilities

1. CONTRACTOR shall arrange for and bear all costs and expenses for portable toilets and the removal of routine non-hazardous waste (paper, debris, trash) generated during the course of each THHWCF event. This includes having an adequate number of portable toilets, hand washing facilities and proper waste disposal receptacles (dumpsters, roll-offs, etc.) on-site prior to each collection event, and the timely removal of toilets and waste disposal receptacles at the conclusion of each event
2. RCDWR will provide for refuse bins, refuse disposal services, and restroom facilities at Agua Mansa, Lamb Canyon, Palm Springs PHHWCF and Murrieta ABOP facility. RCDWR will provide for refuse bins and refuse disposal services at Lake Elsinore. The CONTRACTOR shall provide portable toilets and hand washing facilities at Lake Elsinore PHHWCF during the day of operation.

Contractor Administrative Requirements for all Sites

1. CONTRACTOR shall provide a detailed staffing plan for THHWCF events, PHHWCF sites and ABOP locations based on the number of participants utilizing the sites within a five hour time period. Describe staffing contingencies where the participation is significantly higher than anticipated and additional staff is needed at event or fixed sites. As requested, CONTRACTOR shall provide detailed job descriptions that include responsibilities, training requirements, and a medical surveillance monitoring program for each position that is directly related to fulfilling the obligations of this Agreement ~~proposal~~.
2. CONTRACTOR shall provide, upon request, a detailed record keeping plan and provide samples of daily

site inspection forms, work activity logs, waste container logs, safety inspections and tailgate meeting outlines, and any other records which may be used at HHW collection facilities.

3. CONTRACTOR shall provide, upon request, a flow chart of manifesting procedures from HHW collection events to TSDf showing any intermediary transfer points or storage locations.
4. CONTRACTOR shall provide, upon request, a current copy of the California Hazardous Waste Transporter Permit and EPA Certificate verifying State of California Registered Hazardous Waste Hauler Compliance, a copy of the driver training program, and verification of meeting the California Highway Patrol Vehicle Inspection Requirements.
5. CONTRACTOR shall provide, upon request, detailed contingencies plan for additional staffing abilities for when event participation is heavier than anticipated showing how events will not be interrupted and how all waste will be packaged and removed from the site in a timely fashion.
6. CONTRACTOR shall provide, upon request, a Health and Safety Plan which includes an Injury and Illness Prevention Plan as required by OSHA and California Code of Regulations Title 8. The Health and Safety Plan must describe CONTRACTOR's knowledge and ability to comply with all laws and regulations that pertain to the services to be performed under this agreement. The plan shall be comprehensive and, at a minimum, shall address health, safety, spill, fire prevention and contingency plans related to HHW management activities as described in the Scope of Work.

Program Record, Documentation, and Plan

The preferred format of program record, documentation, and plan transmitted to the Department shall be electronic.

1. Invoice

- 1.1 CONTRACTOR shall provide separate work order forms for each service response at a THHWCF event, PHHWCF site or ABOP site. Work orders must include complete itemization of all services performed, record of man-hours for THHWCF, PHHWCF and ABOP collection program, quantity of materials used, and volume or number of drum size and waste type shipped. The CONTRACTOR shall submit all completed work orders, shipping documents, any documentation that supports the invoiced items and invoices to the HHW Program Coordinator at james.chen@rivco.org for review/approval/comment and signature prior to processing for payment by the Department.

Send the original and duplicate copies of invoices to:

RIVERSIDE COUNTY DEPARTMENT OF WASTE RESOURCES
ATTN: ACCOUNTS PAYABLE
14310 FREDERICK STREET
MORENO VALLEY, CA 92553
or email to: wasteaccountspayable@rivco.org

2. Waste Shipment Documents

- 2.1 CONTRACTOR shall accurately complete all shipping documents and provide legible copies of all waste transportation documents to Department staff at close of event or after waste pick-up. RCDWR will designate staff to review and sign all shipping documents on the day of shipment.

3. Waste Profiles

- 3.1 At no additional cost to the RCDWR, the CONTRACTOR shall prepare and keep current waste profiles for all hazardous waste collected through the activities covered under this contract. In the event that waste is collected and has not been profiled, the CONTRACTOR will be responsible for preparing a profile for that particular waste at the time of collection. The CONTRACTOR will provide a copy of each waste profile to RCDWR's review and approval.

4. Waste Management Plan (WMP)

1. RCDWR is committed to waste management according to the hierarchy established in the California Integrated Waste Management Act that promotes source reduction, reuse and recycling, then environmentally sound incineration, treatment, and as a last resort, land-filling. RCDWR's disposal treatment hierarchy is foremost reuse/recycle, neutralization/treatment, fuel incineration, destructive incineration, and then landfill.
2. The CONTRACTOR shall provide RCDWR a Waste Management Plan (WMP) that provides the following information for RCDWR's approval:
 - 2.1 Treatment method for each HHW listed in the Exhibit B.
 - 2.2 All interim and final TSDF and recycling facilities the CONTRACTOR will utilize for each HHW listed in Exhibit B.
3. The CONTRACTOR shall comply with the RCDWR-approved WMP to fulfill the requirements of any contract unless the CONTRACTOR has requested a change in writing and obtained advance written permission from RCDWR.
4. The CONTRACTOR shall, within ten (10) business days of notification from RCDWR, submit an updated Waste Management Plan and waste profile(s) to RCDWR for any new hazardous waste not listed in Exhibit B for RCDWR's review and approval.

Third Party Waste Acceptance

RCDWR currently participates in manufacturer waste collection programs including, but not limited to, the Thermostat Recycling Corporation program for the collection of mercury thermostats, Cal2Recycle program for rechargeable batteries, and the Architectural Paint Recovery Program.

RCDWR reserves the right to participate in any product reuse and exchange, product stewardship and extended producer responsibility programs as they become available. CONTRACTOR shall comply with any sorting, storage, labeling, packaging and other similar requirements of any product stewardship and extended producer responsibility programs which RCDWR decides to participate in.

Transportation and disposal costs shall be inclusive of the costs of shipping documents; DOT placards, liners, labels and marking; shipping pallets and other packaging materials, transportation, fuel surcharges, and disposal/treatment/recycling cost per each waste type and disposal method. CONTRACTOR will provide information on any special cost, packaging requirements or exemptions allowed by the DOT or CONTRACTOR's TSDFs.

If requested, the CONTRACTOR will define and list provisions affecting the cost for transportation and disposal of the wastes listed. Provisions may include information such as costs on a per length basis with any container requirements, maximum weights per container size, container requirements if the pricing is listed as a cost per pound, or weight to drum size conversion factors. Such provisions may be required to explain situations such as the disposal of mercury containing items, bulk wastes, or fluorescent light tubes.

General Pricing Conditions Apply to All Pricing

Assumptions and Considerations

Please find below the general pricing conditions for this contract. These conditions govern all waste streams and generic pricing covered under this contract. These conditions are in addition to specific pricing notes provided on the pricing matrixes.

1. Management of other streams not specified in the disposal matrix will be invoiced at cost +15% or will be quoted on a case by case basis.
2. Special Events pricing will be mutually agreed upon.

3. Beginning June 30, 2018, the EPA began activating the E-Manifest system. The EPA will charge the receiving TSDF a fee per manifests. To cover the cost of the E-Manifest and administrative cost of entering manifest into the system. Clean Harbors will charge \$10 per manifest on every invoice.
4. Container Size Disposal Pricing & Minimum Pricing as a Percent of 55-Gallon Drum Prices: Different size container pricing will be priced according to the table below, unless otherwise priced in the pricing matrix. These multipliers will be used to calculate per container disposal rates and any applicable minimum disposal charges applied to streams priced by the pound. Odd sizes not covered herein will be priced case-by-case.

Container Size	Container Multiplier*
5 gallon or less	55-gallon price x 0.31
6 gallon - 20 gallon	55-gallon price x 0.62
21 gallon - 30 gallon	55-gallon price x 0.77
31 gallon - 55 gallon	55-gallon price x 1.03
56 gallon - 85 gallon (overpacks)	55-gallon price x 1.49
Cubic Yard Boxes	55-gallon price x 3.61
Tote (<300 gallon)	55-gallon price x 5.15
Tote (300 - 375 gallon)	55-gallon price x 6.49

1. Quoted rates are based on utilization of Clean Harbors' transportation equipment or Clean Harbors approved transporters. The additional excise and sales tax added to the price of diesel fuel at the pump under the California Road Repair and Accountability Act (CA RRAA) of 2017 has increased the cost of providing waste management services in the State of California. To off-set this extra cost, Clean Harbors is implementing a 2% CA RRAA Fee on every invoice for a California generator. If the RRAA is repealed to remove the fuel taxes and fees enacted in November 2017, then our recovery fee for the RRAA will no longer apply.

Sample & Profile Approval Fee	EA	\$149.03

Supplemental Pricing for VSQG/CESQGs Program

VSQGs/CESQGs is a program that is established on a cost recover basis. Riverside County Department of Waste Resources (RCDWR) staff will screen business to ensure it is VSQG/CESQG as defined in the California Health and Safety Code, Section 25218.1 and Code of Federal Regulation 40, Section 261.5; provide business transportation procedures and guidelines; schedule drop-off appointments. RCDWR staff will unload, sort, bulk and package all VSQG/CESQG waste at approved Permanent Household Hazardous Waste Collection Facility (PHHWCF) sites. The CONTRACTOR shall provide transportation and disposal of hazardous waste collected by VSQG/CESQG program in accordance with applicable law. The collection of VSQG/CESQG waste will be on days that the PHHWCF is not open to residents for HHW collection.

Waste Code Disposal Pricing

New Pricing 7/1/2022			
Waste Code	Description	UOM	Price (USD)

A31	Specification Oils	LBS	\$0.06
