

Hello Riverside County supervisors and 5th District Supervisor Yxstian Gutierrez:

I'm Marshall Locke, a citizen of the 5th District in the community of Nuevo since 1965.

Supervisor Gutierrez, you will recall at the July 30th Board of Supervisors meeting that I reminded you I was appointed by you to the Nuevo Municipal Advisory council, but that I was compelled to resign due to agenda disharmony between you/your unelected staff and the Nuevo MAC/Nuevo community.

I also notified you that last May, I spent several hours on the 5th floor of Riverside County Counsel inspecting hundreds of records, *and that my inspection confirmed the existence of District 5 development project tracking records—including numerous references of developments in Nuevo—heretofore unknown to Nuevo MAC members and the Nuevo community.

My purpose today is to notify you that your current chief of staff, because of his pattern of working at cross-purposes—and even in opposition—to Nuevo MAC members and community members, by his repeatedly failing to provide assistance in obtaining records related to development in Nuevo and by obstructing attempts by Nuevo MAC members and community members to obtain records on development in Nuevo, has disqualified himself from a place of trust and he has forfeited his credibility.

Here again, Supervisor Gutierrez: the Citizens of the 5th District who reside in Nuevo have a statutory and constitutional right to know how you are conducting their business—particularly as it relates to development in the Nuevo community.

Supervisor Gutierrez, at last May's Nuevo MAC meeting that you attended, you agreed to provide regularly updated Nuevo project development information to the Nuevo community at all Nuevo MAC meetings going forward.

Yesterday, I forwarded to you copies of the several emails I recently sent to your current chief of staff of my requesting assistance from him on procuring updated, accurate Nuevo development records—which he failed to provide on each occasion.

As I wrote to you in my email yesterday, I respectfully request of you now: please now provide me full, complete, unredacted, and updated records of all actual and proposed developments in the Nuevo area *that my inspection of records last May confirmed you and your current chief of staff have at your disposal.

Consistent with the commitment you made at the Nuevo MAC meeting last May, I respectfully request you to provide all Nuevo MAC members full, complete, unredacted, updated records of development project tracking for all proposed or actual developments in the Nuevo area.

Thank you.
