**BACKGROUND:**

**Summary**

By Minute Order dated June 25, 2024 (Agenda Item 3.79), the County of Riverside Board of Supervisors authorized the Clerk of the Board to advertise for the construction of the Van Buren Boulevard Resurfacing Project, in the Community of Woodcrest.

The Van Buren Boulevard resurfacing project limits are from the City of Riverside Limit to Capella Street, approximately 1.7-miles in length.

Van Buren Boulevard is a four-lane facility with a road width that varies between 76 feet and 88 feet wide and is currently classified as an urban arterial highway in the circulation element of the County of Riverside General Plan. The areas in the immediate vicinity mainly consist of hilly open spaces areas and residential areas with single family dwellings.

Roadway resurfacing is needed due to the deteriorated pavement conditions. Mainly, the resurfacing project consists of grinding down a portion of the existing pavement followed by placing back new Hot Mix Asphalt (HMA) pavement. Additionally, the treatment for the approach portions of various intersecting streets will consist of removing the existing asphalt concrete pavement and underlying material and placing back new HMA pavement.

Additional improvements include reconstruction of asphalt concrete dike, reconstruction of asphalt concrete driveways, placement of pavement safety edge, construction of concrete sidewalk and concrete bus pads at existing bus stops, reconstruction of concrete curb and gutter, cross gutters, and Americans with Disabilities Act (ADA) compliant concrete access ramps. Project will also include updating three traffic signals at the intersections of Van Buren Boulevard with Mockingbird Canyon Road, Constable Road, and Whispering Spur Street, from loop detection systems to video detection systems. Project Safety features include the installation of new thermoplastic and painted traffic striping, retroreflective raised pavement markers, crosswalk and pavement markings, roadside signs, and other associated work.

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,  
STATE OF CALIFORNIA**

Also included in the project are roadway repairs due to overwatering of the median island maintained by March Joint Powers Authority (March JPA). The repairs are located at two specific locations along Van Buren Boulevard approximately 1,000 linear feet west of Meridian Parkway/Riverside National Cemetery main entrance. The roadway repairs consist of removing the existing asphalt concrete pavement and underlying material and placing back new HMA pavement, re-striping of the painted traffic striping, and replacing the retroreflective raised pavement markers.

The Contract includes the following schedules of work:

- Base Bid Schedule 1: Van Buren Boulevard Resurfacing
- Alternative Bid Schedule 1: Crown Castle Facility Adjustments
- Alternative Bid Schedule 2: Western Municipal Water District (WMWD) Facility Adjustments
- Alternative Bid Schedule 3: March Joint Powers Authority Improvements

Crown Castle and WMWD have accepted the bid prices proposed by All American Asphalt for Alternative Bid Schedule 1 and Alternative Bid Schedule 2 respectively, which include adjustments of three (3) utility covers, and the cost for the work will be reimbursed by Crown Castle and WMWD through reimbursement letter Agreements that will be executed by the Director of Transportation. The Director of Transportation has the authority to sign reimbursement Agreements up to \$100,000 per Minute Order dated November 19, 2019 (Agenda Item 3.25).

March Joint Powers Authority (March JPA) has accepted the bid prices proposed by All American Asphalt for Alternative Bid Schedule 3. Therefore, a reimbursement agreement between March JPA and County of Riverside is being submitted to the Board of Supervisors for approval concurrent with the award of this project.

The contractor, All American Asphalt, is qualified to perform the work as outlined in the bid, has executed the contract, and has provided bonds and insurance documents which meet the requirements of the contract documents.

Project No. D0-0090

**Impact on Residents and Businesses**

The purpose of this project is to replace existing deteriorated pavement with new HMA for the approximate 1.7-mile segment of Van Buren Boulevard, from the City of Riverside Limit to Capella Street, in the Community of Woodcrest. The project will provide the public with a smooth paved roadway that will improve the safety and efficiency of vehicular traffic.

The contractor is anticipated to begin work immediately after award of contract and this project is scheduled to be completed within 90 calendar days. The work will be phased to keep the road open during construction as much as possible.

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,  
STATE OF CALIFORNIA**

**SUPPLEMENTAL:**

**Additional Fiscal Information**

Construction is expected to be completed in Fiscal Year 2024/2025 and will be funded with Gas Tax/SB-1, Measure A/Western, Crown Castle, Western Municipal Water District, and March Joint Powers Authority funds.

There are no General Funds used in this project.

**Contract History and Price Reasonableness**

A total of six bids were received on Wednesday July 17, 2024 ranging from \$5,838,256 to \$8,121,748. The basis for the selection of a contractor is the lowest responsive and responsible bid. The lowest responsive and responsible bid was submitted by All American Asphalt in the amount of \$5,838,256 which is \$134,859 (2.26%) below the engineer's cost estimate.

The Transportation Department recommends the award of the contract to All American Asphalt in the amount of \$5,838,256.

Words and phrases in quotation marks have special meaning and can be found in the **Definitions** Section or the specific policy provision where they appear.

In consideration of the payment of the premium and in reliance upon the statements in the Declarations we agree with you to provide coverage as follows:

3. Subject to B.2., the occurrence limit stated in Item 4. of the Declarations is the most we will pay for all "loss" arising out of any one occurrence to which this policy applies.
4.
