**BACKGROUND:**

**Summary**

By Minute Order dated June 11, 2024 (Agenda Item 3.41), the County of Riverside Board of Supervisors authorized the Clerk of the Board to advertise for the construction of the El Cerrito Area Resurfacing Group 1, in the community of El Cerrito of the County of Riverside.

The roads included in this project are as follows:

<b>Road</b>	<b>Length</b>
Calico Circle	2,207 Feet
Long Branch Way	164 Feet
Sarsaparilla Drive	384 Feet
Whiskey Creek	286 Feet
Dry Gulch Road	582 Feet
Saw Mill Road	213 Feet
Blacksmith Path	1,535 Feet

Roadway resurfacing is needed due to deteriorated pavement conditions. The resurfacing treatment consists of wedge grinding adjacent to curb and gutter, sealing existing cracks, and overlaying with Hot Mix Asphalt.

Additional improvements include reconstruction of concrete cross gutter and spandrels, placement of thermoplastic pavement markings, salvage/removal and installation of new roadside signs, and other associated work.

On March 11, 2021, President Biden signed the \$1.9 trillion American Rescue Plan Act (ARPA) of 2021 into law. To accelerate recovery from the economic and health impacts of the COVID-19 pandemic, the County of Riverside was provided approximately \$480 million. The Executive Office in conjunction with the Board Supervisors developed a plan to disburse these funds based on the principles of providing recovery funding to those sectors of our economy and

STATE OF CALIFORNIA**

society that are struggling most to recover from the pandemic; have a constituent and community based focus; provide a vehicle for transformational investment in our County's recovery from COVID-19; provide for countywide equity; and focus on one time investments, rather than funding ongoing operational costs. As a result of these principles, the El Cerrito Area Resurfacing Group 1 project was selected as a recipient of \$1,000,000 of ARPA funds from District 2 (Minute Order 3.2 of the 2/27/24 Board of Supervisors Meeting Agenda).

The Contract includes the following schedule of work:

Base Bid Schedule: El Cerrito Area Resurfacing Group 1

The contractor, LC Paving, is qualified to perform the work as outlined in the bid, has executed the contract, and has provided bonds and insurance documents which meet the requirements of the contract documents.

Project No. D2-0090

**Impact on Residents and Businesses**

The purpose of this project is to resurface seven roads, referenced as the El Cerrito Area Resurfacing Group 1, totaling approximately one mile, to provide the public with a smooth paved roadway that will improve the safety and efficiency of vehicular traffic.

The work is scheduled to begin in fall 2024. The work will be phased to keep the roads open during construction as much as possible and will take approximately one and a half months to complete.

**SUPPLEMENTAL:**

**Additional Fiscal Information**

Construction is expected to be completed in Fiscal Year 2024/2025 and will be funded with American Rescue Plan Act funds.

There are no General Funds used in this project.

**Contract History and Price Reasonableness**

A total of nine bids were received on Wednesday July 3, 2024 ranging from \$581,559 to \$664,608. The basis for the selection of a contractor is the lowest responsive and responsible bid. The lowest responsive and responsible bid was submitted by LC Paving in the amount of \$581,559 which is \$24,357 (4%) below the engineer's cost estimate.

The Transportation Department recommends the award of the contract to LC Paving in the amount of \$581,559.

This endorsement modifies insurance provided under the following:

#### BUSINESS AUTO COVERAGE PART

With respect to coverage provided by this endorsement, the provisions of the Coverage Form apply unless modified by the endorsement.

A. WHO IS AN INSURED for "bodily injury" and "property damage" liability is amended to include:  
Any person or organization other than a joint venture, for which you have agreed by written contract to procure bodily injury or property damage "auto" liability insurance arising out of operation of a covered "auto" with your permission. However, this additional insurance does not apply to:

- (1) The owner or anyone else from whom you hire or borrow a covered "auto". This exception does not apply if the covered "auto" is a "trailer" connected to a covered "auto" you own.
- (2) Your "employee" if the covered "auto" is owned by that "employee" or a member of his or her household.
- (3) Someone using a covered "auto" while he or she is working in a business of selling, servicing, repairing, parking or storing "autos" unless that business is yours.
- (4) Anyone other than your "employees", partners (if you are a partnership), members (if you are a limited liability company), or a lessee or borrower or any of their "employees", while moving property to or from a covered "auto".
- (5) A partner (if you are a partnership), or a member (if you are a limited liability company) for a covered "auto" owned by him or her or a member of his or her household.

B. The coverage extended to any additional insured by this endorsement is limited to, and subject to all terms, conditions, and exclusions of the Coverage Part to which this endorsement is attached.

In addition, coverage shall not exceed the terms and conditions that are required by the terms of the written agreement to add any insured, or to procure insurance.

C. The limits of insurance applicable to such insurance shall be the lesser of the limits required by the agreement between the parties, or the limits provided by this policy.

D. Additional exclusions. The insurance afforded to any person or organization as an insured under this endorsement does not apply:

1. To "loss" which occurs prior to the date of your contract with such person or organization;
2. To "loss" arising out of the sole negligence of any person or organization that would not be an insured except for this endorsement.
3. To "loss" for any leased or rented "auto" when the lessor or his or her agent takes possession of the leased or rented "auto" or the policy period ends, whichever occurs first.

**THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.**

**ADDITIONAL INSURED - OWNERS, LESSEES OR  
CONTRACTORS - AUTOMATIC STATUS WHEN  
REQUIRED IN A WRITTEN CONSTRUCTION  
AGREEMENT WITH YOU**

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

**A. Section II - Who Is An Insured** is amended to include as an additional insured any person or organization for whom you are performing operations when you and such person or organization have agreed in writing in a contract or agreement that such person or organization be added as an additional insured on your policy. Such person or organization is an additional insured only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by:

1. Your acts or omissions; or
2. The acts or omissions of those acting on your behalf;

in the performance of your ongoing operations for the additional insured.

However, the insurance afforded to such additional insured:

1. Only applies to the extent permitted by law; and
2. Will not be broader than that which you are required by the contract or agreement to provide for such additional insured.

A person's or organization's status as an additional insured under this endorsement ends when your operations for that additional insured are completed.

**B.** With respect to the insurance afforded to these additional insureds, the following additional exclusions apply:

This insurance does not apply to:

1. "Bodily injury", "property damage" or "personal and advertising injury" arising out of the rendering of, or the failure to render, any professional architectural, engineering or surveying services, including:

- a. The preparing, approving, or failing to prepare or approve, maps, shop drawings, opinions, reports, surveys, field orders, change orders or drawings and specifications; or
- b. Supervisory, inspection, architectural or engineering activities.

This exclusion applies even if the claims against any insured allege negligence or other wrongdoing in the supervision, hiring, employment, training or monitoring of others by that insured, if the "occurrence" which caused the "bodily injury" or "property damage", or the offense which caused the "personal and advertising injury", involved the rendering of or the failure to render any professional architectural, engineering or surveying services.

Tim Stocker (Agent)

2. "Bodily injury" or "property damage" occurring after:

- a. All work, including materials, parts or equipment furnished in connection with such work, on the project (other than service, maintenance or repairs) to be performed by or on behalf of the additional insured(s) at the location of the covered operations has been completed; or
- b. That portion of "your work" out of which the injury or damage arises has been put to its intended use by any person or organization other than another contractor or subcontractor engaged in performing operations for a principal as a part of the same project.

C. With respect to the insurance afforded to these additional insureds, the following is added to **Section III - Limits Of Insurance:**

The most we will pay on behalf of the additional insured is the amount of insurance:

1. Required by the contract or agreement you have entered into with the additional insured; or
  2. Available under the applicable limits of insurance;
- whichever is less.

This endorsement shall not increase the applicable limits of insurance.
