**C.E.O. RECOMMENDATION:** Approve

**BACKGROUND:**

**Summary**

The Indio Juvenile Hall Facility is located at 47665 Oasis Street in Indio, CA 92201. The parking lot is in disrepair and does not meet current building codes or safety standards. The scope of

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,  
STATE OF CALIFORNIA**

work for the renovation of the parking lot includes but is not limited to: architectural design and engineering of the parking space layout, walkways, site security and lighting.

On June 25, 2024, Item 3.20, the Board approved a pre-qualified list of architectural and engineering and professional consulting firms to be retained on an as-needed basis. Due to their related experience, Facilities Management (FM) has selected STK Architecture, Inc. (STK) from the pre-qualified list to provide architectural design services and consulting engineering services for the IJH Parking Lot Renovation Project.

Facilities Management (FM) recommends the Board approve in-principle the IJH Parking Lot Renovation Project, the preliminary design development budget in the not to exceed amount of \$235,413 and approve the Professional Services Agreement with STK in the not to exceed amount of \$198,012 to meet project schedule commitments. Upon completion of the design, FM will return to the Board for approval of the project budget and will pursue the most cost-effective project delivery method and award in accordance with applicable Board policies.

With certainty, there is no possibility that the IJH Parking Lot Renovation Project may have a significant effect on the environment. The Project, as proposed, is limited to the renovation of an existing parking lot. The renovation work would not result in a significant increase in capacity or intensity of use. Therefore, the IJH Parking Lot Renovation Project is exempt as the project meets the scope and intent of the "Common Sense" Exemption identified in Section 15061 (b)(3) and Class 1 – Existing Facilities Exemption identified in Section 15301. A Notice of Exemption will be filed by FM staff with the County Clerk and the State Clearinghouse within five days of Board approval.

**Impact on Residents and Businesses**

The IJH Parking Lot Renovation Project will continue to ensure the safety of Probation personnel and visiting public; and further fulfill the County's mission and commitment to public safety.

3.5.3. Pursuant to Section 1773 of the Labor Code, the general prevailing wage rates, including the per diem wages applicable to the work, and for holiday and overtime work, including employer payments for health and welfare, pension, vacation, and similar purposes, in the county in which the work is to be done have been determined by the Director of the California Department of Industrial Relations. These wages are available from the California Department of Industrial Relations' Internet website at <http://www.dir.ca.gov>, and are available at the main office of COUNTY.

4. INDEPENDENT CONTRACTOR: COUNTY retains CONSULTANT on an independent contractor basis. CONSULTANT is not, and shall not be considered to be in any manner,

an employee, agent or representative of the COUNTY. CONSULTANT shall not be entitled to any benefits payable to employees of COUNTY including County Workers' Compensation benefits. COUNTY is not required to make any deductions from the compensation payable to CONSULTANT under this Agreement, and as an independent contractor, CONSULTANT hereby holds COUNTY harmless from any and all claims that may be made against COUNTY based upon any contention by any third party that an employer-employee relationship exists by reason of this Agreement.

Personnel performing any services under this Agreement on behalf of CONSULTANT shall at all times be under CONSULTANT'S exclusive direction and control. CONSULTANT shall pay all wages, salaries and other amounts due such personnel in connection with their performance of service and as required by law. CONSULTANT shall be responsible for all reports and obligations respecting such personnel, including but not limited to, social security taxes, income tax withholdings, unemployment insurance, and workers' compensation insurance.

5. CONSULTANT'S RESPONSIBILITY: It is understood that the CONSULTANT has the skills, experience and knowledge necessary to perform the services agreed to be performed under this Agreement, and that the COUNTY relies upon the CONSULTANT'S representations about its skills, experience and knowledge to perform the CONSULTANT'S services in a competent manner. Acceptance by the COUNTY of the services to be performed under this Agreement does not operate as a release of said CONSULTANT from responsibility for the work performed. It is further understood and agreed that the CONSULTANT is apprised of the scope of the work to be performed under this Agreement and the CONSULTANT agrees that said work can and shall be performed in a fully competent manner.

6. INDEMNITY AND HOLD HARMLESS

6.1 Basic Indemnity. To the fullest extent permitted by Applicable Law, CONSULTANT agrees to defend (through legal counsel reasonably acceptable to County), indemnify, and hold harmless County of Riverside, its Agencies, Districts, Departments and Special Districts, Board of Supervisors, elected and appointed officials, and each of their respective directors, members, officers, employees, agents, representatives and volunteers ("Indemnitee(s)"), and each of them, from any and all Losses that arise out of or relate to any

act or omission constituting ordinary and not professional negligence (including, without limitation, negligent breach of contract), recklessness, or willful misconduct on the part of CONSULTANT or its Subconsultants, or their respective employees, agents, representatives, or independent contractors.

“Losses” shall mean any and all economic and non-economic losses, costs, liabilities, claims, damages, actions, judgments, settlements and expenses, including, without limitation, full and actual attorney’s fees (including, without limitation, attorney’s fees for trial and on appeal), expert and non-expert witness fees, arbitrator and arbitration fees and mediator and mediation fees.

CONSULTANT further agrees to and shall indemnify and hold harmless the Indemnitees from all liability arising from suits, claims, demands, actions, or proceedings made by agents, employees or subcontractors of CONSULTANT for salary, wages, compensation, health benefits, insurance, retirement or any other benefit not explicitly set forth in this contract and arising out of work performed for County pursuant to this Agreement. The Indemnitees shall be entitled to the defense and indemnification provided for hereunder regardless of whether the Loss is in part caused or contributed to by the acts or omissions of an Indemnitee or any other person or entity; provided, however, that nothing contained herein shall be construed as obligating CONSULTANT to indemnify and hold harmless any Indemnitee to the extent not required under the provisions of Section 6.2, below.

6.2 Indemnity for Design Professional Services. To the fullest extent permitted by Applicable Law, CONSULTANT agrees to defend (through legal counsel reasonably acceptable to County), indemnify and hold harmless the Indemnitees, and each of them, against any and all Losses that arise out of, pertain to, or relate to, any negligence, recklessness or willful misconduct constituting professional negligence on the part of CONSULTANT or its Subconsultants, or their respective employees, agents, representatives, or independent contractors. The Indemnitees shall be entitled to the defense, and indemnification provided for hereunder regardless of whether the Loss is, in part, caused or contributed to by the acts or omissions of an Indemnitee or any other person or entity; provided, however, that nothing

contained herein shall be construed as obligating CONSULTANT to indemnify and hold harmless any Indemnitee to the extent not required under the provisions of this section. CONSULTANT shall defend and pay, all costs and fees, including but not limited to attorney fees, cost of investigation, and defense, in any loss, suits, claims, demands, actions, or proceedings to the extent and in proportion to the percentage, such costs and fees arise out of, pertain to, or relate to the negligence, recklessness or willful misconduct of CONSULTANT arising out of or from the performance of professional design services under this Agreement. The duty to defend applies to any alleged or actual negligence, recklessness, willful misconduct of CONSULTANT. The cost for defense shall apply whether or not CONSULTANT is a party to the lawsuit, and shall apply whether or not CONSULTANT is directly liable to the plaintiffs in the lawsuit. The duty to defend applies even if Indemnitees are alleged or found to be actively negligent, but only in proportion to the percentage of fault or negligence of CONSULTANT.

Without affecting the rights of County under any other provision of this Agreement, CONSULTANT shall not be required to indemnify or hold harmless or provide defense or defense costs to an Indemnitee for a Loss due to that Indemnitee's negligence, recklessness or willful misconduct; provided, however, that such negligence, recklessness or willful misconduct has been determined by agreement of CONSULTANT and Indemnitee or has been adjudged by the findings of a court of competent jurisdiction.

CONSULTANT agrees to obtain or cause to be obtained executed defense and indemnity agreements with provisions identical to those set forth in this section from each and every Subconsultant, of every Tier.

CONSULTANT's indemnification obligations under this Agreement shall not be limited by the amount or type of damages, compensation or benefits payable under any policy of insurance, workers' compensation acts, disability benefit acts or other employee benefit acts.

The Indemnitees shall be entitled to recover their attorneys' fees, costs and expert and consultant costs in pursuing or enforcing their right to defense and/or indemnification under this Agreement.

7. INSURANCE: Without limiting or diminishing the CONSULTANT'S obligation to

indemnify or hold the COUNTY harmless, CONSULTANT shall procure and maintain or cause to be maintained, at its sole cost and expense, the following insurance coverage during the term of this Agreement. As respects to the insurance section only, the COUNTY herein refers to the County of Riverside, its Agencies, Districts, Special Districts, and Departments, their respective directors, officers, Board of Supervisors, employees, elected or appointed officials, agents or representatives as Additional Insureds.

A. Workers' Compensation:

If the CONSULTANT has employees as defined by the State of California, the CONSULTANT shall maintain statutory Workers' Compensation Insurance (Coverage A) as prescribed by the laws of the State of California. If such insurance contains a general aggregate limit, it shall apply separately to this Agreement or be no less than two (2) times the occurrence limit.

C. Vehicle Liability:

If vehicles or mobile equipment are used in the performance of the obligations under this Agreement, then CONSULTANT shall maintain liability insurance for all owned, non-owned or hired vehicles so used in an amount not less than \$1,000,000 per occurrence combined single limit. CONSULTANT shall maintain Professional Liability Insurance providing coverage for the CONSULTANT'S performance of work included within this Agreement, with a limit of liability of not less than \$1,000,000 per occurrence and \$2,000,000 annual aggregate. If CONSULTANT'S Professional Liability Insurance is written on a claims made basis rather than an occurrence basis, such insurance shall continue through the term of this Agreement and CONSULTANT shall purchase at his sole expense either 1) an Extended Reporting Endorsement (also, known as Tail Coverage); or 2) Prior Dates Coverage from new insurer with a retroactive date back to the date of, or prior to, the inception of this Agreement; or, 3) demonstrate through Certificates of Insurance that CONSULTANT has maintained continuous coverage with the same or original insurer. Coverage provided under items; 1), 2) or 3) will continue as long as the law allows.

E. General Insurance Provisions - All lines:

1) Any insurance carrier providing insurance coverage hereunder shall be admitted to the State of California and have an A M BEST rating of not less than A: VIII (A:8) unless such requirements are waived, in writing, by the County Risk Manager. If the County's Risk Manager waives a requirement for a particular insurer such waiver is only valid for that specific insurer and only for one policy term.

2) The CONSULTANT must declare its insurance self-insured retention for each coverage required herein. If any such self-insured retention exceed \$500,000 per occurrence each such retention shall have the prior written consent of the County Risk Manager before the commencement of operations under this Agreement. Upon notification of self-insured retention unacceptable to the COUNTY, and at the election of the County's Risk Manager, CONSULTANT'S carriers shall either; 1) reduce or eliminate such self-insured retention as respects this Agreement with the COUNTY, or 2) procure a bond which guarantees payment of losses and related investigations, claims

administration, and defense costs and expenses.

3) CONSULTANT shall cause CONSULTANT'S insurance carrier(s) to furnish the County of Riverside with either 1) a properly executed original Certificate(s) of Insurance and certified original copies of Endorsements effecting coverage as required herein, and 2) if requested to do so orally or in writing by the County Risk Manager, provide original Certified copies of policies including all Endorsements and all attachments thereto, showing such insurance is in full force and effect. Further, said Certificate(s) shall contain the covenant of the insurance agent/producer that thirty (30) days written notice shall be given to the County of Riverside prior to cancellation of such insurance except ten (10) days for cancellation due to nonpayment. In the event of a material modification, cancellation, expiration, or reduction in coverage, this Agreement shall terminate forthwith, unless the County of Riverside receives, prior to such effective date, another properly executed original Certificate of Insurance and original copies of endorsements or certified copies of the policies, including all endorsements and attachments thereto evidencing coverage's set forth herein and the insurance required herein is in full force and effect. ***CONSULTANT shall not commence operations until the COUNTY has been furnished original Certificate (s) of Insurance and certified original copies of endorsements and if requested, review original of the policies of insurance including all endorsements and any and all other attachments as required in this Section. An individual authorized by the insurance carrier to do so on its behalf shall sign the original endorsements for each policy and the Certificate of Insurance. Upon COUNTY'S request, CONSULTANT shall make available for inspection by County Risk Manager, at a mutually agreeable location, copies of CONSULTANT'S insurance policies.***

4) It is understood and agreed to by the parties hereto that the CONSULTANT'S insurance shall be construed as primary insurance, and the COUNTY'S insurance/or deductible and/or self-insured retentions or self-insured program shall not be construed as contributory.

5) If, during the term of this Agreement or any extension thereof, there is a material change in the scope of services; or, there is a material change in the equipment to be used in the performance in the scope of work; or, the term of this Agreement, including any extension thereof, exceeds five (5) years; the COUNTY reserves the right to adjust the types of insurance and the monetary limits of liability required under this Agreement, if in the County Risk Manager's reasonable judgment, the amount or type of insurance carried by the CONSULTANT has become inadequate.

6) CONSULTANT shall pass down the insurance obligations contained herein to all tiers of subcontractors working under this Agreement.

7) The insurance requirements contained in this Agreement may be met with a program(s) of self-insurance acceptable to the COUNTY.

8) CONSULTANT agrees to notify COUNTY of any claim by a third party or any incident or event that may give rise to a claim arising from the performance of this Agreement.

8. TERMINATION: COUNTY may, by written notice to CONSULTANT, terminate this Agreement in whole or in part at any time. Such termination may be for COUNTY'S convenience or because of CONSULTANT'S failure to perform its duties and obligations under this Agreement including, but not limited to, the failure of CONSULTANT to timely perform services pursuant to the Scope of Services described in Exhibit "A" of this Agreement.

8.1 Discontinuance of Services. Upon Termination, CONSULTANT shall, unless otherwise directed by the Notice, discontinue all services and deliver to the COUNTY all data, estimates, graphs, summaries, reports, and other related materials as may have been prepared or accumulated by CONSULTANT in performance of services, whether completed or in progress.

8.2 Effect of Termination For Convenience. If the termination is to be for the convenience of the COUNTY, the COUNTY shall compensate CONSULTANT for services satisfactorily provided through the date of termination. CONSULTANT shall provide documentation deemed adequate by COUNTY to show the services actually completed by

CONSULTANT prior to the date of termination. This Agreement shall terminate thirty (30) days following receipt by the CONSULTANT of the written Notice of Termination.

8.3 Effect of Termination For Cause. If the termination is due to the failure of CONSULTANT to fulfill its obligations under this Agreement, CONSULTANT shall be compensated for those services which have been completed in accordance with this Agreement and accepted by the COUNTY. In such case, the COUNTY may take over the work and prosecute the same to completion by contract or otherwise. Further, CONSULTANT shall be liable to the COUNTY for any reasonable additional costs incurred by the COUNTY to revise work for which the COUNTY has compensated CONSULTANT under this Agreement, but which the COUNTY has determined in its sole discretion needs to be revised in part or whole to complete the Project. Prior to discontinuance of services, the COUNTY may arrange for a meeting with CONSULTANT to determine what steps, if any, CONSULTANT can take to adequately fulfill its requirements under this Agreement. In its sole discretion, County's Representative may propose an adjustment to the terms and conditions of the Agreement, including the contract price. Such contract adjustments, if accepted in writing by the Parties, shall become binding on CONSULTANT and shall be performed as part of this Agreement. In the event of termination for cause, unless otherwise agreed to in writing by the parties, this Agreement shall terminate seven (7) days following the date the Notice of Termination was mailed to the CONSULTANT. Termination of this Agreement for cause may be considered by the COUNTY in determining whether to enter into future agreements with CONSULTANT.

8.4 Notwithstanding any of the provisions of this Agreement, CONSULTANT'S rights under this Agreement shall terminate (except for fees accrued prior to the date of termination) upon dishonesty, or a willful or material breach of this Agreement by CONSULTANT, or in the event of CONSULTANT'S unwillingness or inability for any reason whatsoever to perform the duties hereunder, or if the Agreement is terminated pursuant to Section 8. In such event, CONSULTANT shall not be entitled to any further compensation under this Agreement.

8.5 Cumulative Remedies. The rights and remedies of the parties provided in this

Section are in addition to any other rights and remedies provided by law or under this Agreement.

9. CONFLICT OF INTEREST: CONSULTANT covenants that it presently has no interest, including but not limited to, other projects or independent contracts, and shall not acquire any such interest, direct or indirect, which would conflict in any manner or degree with the performance of services required under this Agreement. CONSULTANT further covenants that in the performance of this Agreement, no person having any such interest shall be employed or retained by it under this Agreement.

10. ADMINISTRATION: The Deputy Director, Facilities Management, Project Management Office (or designee) shall administer this Agreement on behalf of COUNTY.

11. ASSIGNMENT: This Agreement shall not be assigned by CONSULTANT, either in whole or in part, without prior written consent of COUNTY. Any assignment or purported assignment of this Agreement by CONSULTANT without the prior written consent of COUNTY will be deemed void and of no force or effect.

12. NONDISCRIMINATION: CONSULTANT represents that it is an equal opportunity employer and it shall not discriminate against any employee or applicant for employment because of race, religion, color, national origin, ancestry, sex, physical condition, or age. Such non-discrimination shall include, but not be limited to, all activities related to initial employment, upgrading, demotion, transfer, recruitment or recruitment advertising, layoff or termination.

13. ALTERATION: No alteration or variation of the terms of this Agreement shall be valid unless made in writing and signed by the parties hereto, and no oral understanding or agreement not incorporated herein shall be binding on any of the parties hereto. No additional services shall be performed by CONSULTANT without a written amendment to this Agreement.

CONSULTANT understands that the County Purchasing Agent or the County Board of Supervisors are the only authorized COUNTY representatives who may at any time, by written order, make any alterations within the general scope of this Agreement.

If CONSULTANT feels that any work requested of it is beyond the scope of services under this Agreement, any claim by the CONSULTANT for adjustment under this Section shall be made within

thirty (30) days of when the CONSULTANT is requested to perform the disputed scope of work.

14. LICENSE AND CERTIFICATION: CONSULTANT verifies upon execution of this Agreement, possession of a current and valid license and certification in compliance with any local, State, and Federal laws and regulations relative to the scope of services to be performed under Exhibit "A", and that services(s) will be performed by properly trained and licensed staff.

15. CONFIDENTIALITY: CONSULTANT shall maintain the confidentiality of any and all records and information accessed or processed under this Agreement. CONSULTANT shall not disclose, except as permitted by this Agreement or as authorized by the COUNTY, any oral or written communication, information, or effort of cooperation between COUNTY and CONSULTANT, or between COUNTY and CONSULTANT and any other party.

16. DOCUMENTS: The COUNTY acknowledges that the CONSULTANT'S reports, drawings, specifications, field data, field notes, laboratory test data, calculations, estimates and other similar documents are instruments of professional service, not products. Although ownership of such documents normally is retained by the CONSULTANT they nonetheless shall in this instance become upon their creation the property of the COUNTY whether the Project is constructed or not. The COUNTY may use design documents and the designs depicted in them, without the CONSULTANT'S consent, in connection with the Project, or other COUNTY Projects, including, without limitation, future additions, alterations, connections, repairs, information, reference, use or occupancy of the Project(s). Any reuse of the documents by COUNTY without the written consent of the CONSULTANT shall be at COUNTY'S sole risk and without liability or legal exposure to the CONSULTANT, and COUNTY shall indemnify, defend and hold the CONSULTANT harmless from any claims or losses arising out of such use of the design documents by the COUNTY.

16.1 Upon completion of each phase of work described in Exhibit "A", the CONSULTANT shall furnish to the COUNTY one (1) copy of the deliverables, and/or documents completed for that phase as specified in Exhibit "A". Upon approval thereof by the COUNTY, the CONSULTANT shall furnish one reproducible set along with an electronic copy on Compact Disk (CD) of the deliverables and/or documents.

17. JURISDICTION, VENUE: This Agreement is to be construed under the laws of the

State of California. The parties agree to the jurisdiction and venue of the appropriate courts in the County of Riverside, State of California.

18. WAIVER: Any waiver by COUNTY of any breach of any one or more of the terms of this Agreement shall not be construed to be a waiver of any subsequent or other breach of the same or of any other term thereof. Failure on the part of the COUNTY to require exact, full and complete compliance with any terms of this Agreement shall not be construed as in any manner changing the terms hereof, or stopping COUNTY from enforcement hereof.

19. SEVERABILITY: If any provision in this Agreement is held by a court of competent jurisdiction to be invalid, void or unenforceable, the remaining provisions will nevertheless continue in full force without being impaired or invalidated in any way.

20. ENTIRE AGREEMENT: This Agreement constitutes the entire agreement between the parties hereto with respect to the subject matter hereof and all prior or contemporaneous agreements of any kind or nature relating to the same shall be deemed to be merged herein. **NOTICE OF EXEMPTION**

August 19, 2024

**Project Name:** Indio Juvenile Hall Parking Lot Renovation Project

**Project Number:** FM08260012578

**Project Location:** 47665 Oasis Street, south of Doctor Carreon Boulevard, Indio, California 92201; Assessor’s Parcel Number (APN): 614-150-034

**Description of Project:** The Indio Juvenile Hall Facility is located at 47665 Oasis Street in Indio, CA 92201. The parking lot is in disrepair and does not meet current building codes or safety standards. The scope of work for the renovation of the parking lot includes, but is not limited to, architectural design and engineering of the parking space layout, walkways, site security and lighting.

On June 25, 2024, Item 3.20, the Board approved a pre-qualified list of architectural and engineering and professional consulting firms to be retained on an as-needed basis. Due to their related experience, Facilities Management (FM) has selected STK Architecture, Inc. (STK) from the pre-qualified list to provide architectural design services and consulting engineering services for the Indio Juvenile Hall Parking Lot Renovation Project. The renovation of the parking lot at the Indio Juvenile Hall is identified as the project under the California Environmental Quality Act (CEQA). No direct or indirect physical environmental impacts are anticipated from the parking lot and driveways improvements.

**Name of Public Agency Approving Project:** Riverside County

**Name of Person or Agency Carrying Out Project:** Riverside County Facilities Management

**Exempt Status:** State California Environmental Quality Act (CEQA) Guidelines, Section 15301 Existing Facilities Exemption; Section 15303 New Construction or Conversion of Small Structures Exemption, Section 15311 Accessory Structures Exemption, and 15061(b) (3), General Rule or “Common Sense” Exemption, Codified under Title 14, Articles 5 and 19, Sections 15061, 15301, 15303, and 15311.

**Reasons Why Project is Exempt:** The proposed project is categorically exempt from the provisions of CEQA specifically by the State CEQA Guidelines as identified below. The project will not result in any specific or general exceptions to the use of the categorical exemption as detailed under State CEQA Guidelines Section 15300.2. The project will not cause an impact to an environmental resource of hazardous or critical concern nor would the project include unusual circumstances which could have the possibility of having a significant effect on the environment. The project would not result in impacts to scenic highways, hazardous waste sites, historic resources, or other sensitive natural environments, or have a cumulative effect to the environment. No significant environmental impacts are anticipated to occur with the renovation of the existing parking lot at Indio Juvenile Hall.

- **Section 15301 (b)–Existing Facilities:** This Class 1 categorical exemption includes the operation, repair, maintenance, leasing, or minor alteration of existing public or private structures or facilities, provided the exemption only involves negligible or no expansion of the previous site’s use. The project, as proposed, is limited to the renovation of the parking lot at the Indio Juvenile Hall and reconfiguration of the accessibility design for compliance and to facilitate internal circulation. The improvements would result in the continued provision of public services and would not result in a significant increase in capacity or intensity of use. Therefore, the project is exempt as it meets the scope and intent of the Categorical Exemption identified in Section 15301, Article 19, Categorical Exemptions of the CEQA Guidelines.
- **Section 15061 (b) (3) – “Common Sense” Exemption:** In accordance with CEQA, the use of the Common Sense Exemption is based on the “general rule that CEQA applies only to projects which have the potential for causing a significant effect on the environment.” State CEQA Guidelines, Section 15061(b) (3). The use of this exemption is appropriate if “it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment.” *Ibid*. This determination is an issue of fact and if sufficient evidence exists in the record that the activity cannot have a significant effect on the environment, then the exemption applies and no further evaluation under CEQA is required. See *No Oil, Inc. v. City of Los Angeles* (1974) 13 Cal. 3d 68. The ruling in this case stated that if a project falls within a category exempt by administrative regulation or 'it can be seen with certainty that the activity in question will not have a significant effect on the environment', no further agency evaluation is required. With certainty, there is no possibility that the project may have a significant effect on the environment. The proposed improvements will not result in any direct or indirect physical environmental effects. The renovation of the parking lot would be limited to the repaving of the facility and accessibility improvements within the existing footprint of the facility and would not substantially increase the capacity of the site. The use of the facility would remain unchanged. Therefore, in no way, would the project as proposed have the potential to cause a significant environmental impact and the project is exempt from further CEQA analysis.

Based upon the identified exemptions above, the County of Riverside, Facilities Management hereby concludes that no physical environmental impacts are anticipated to occur and the project as proposed is exempt under CEQA. No further environmental analysis is warranted.
