BACKGROUND:

Summary

On July 18, 2023 (Minute Order 3.11), in connection with Department of Housing and Community Development (HCD) Round 3 Notice of Funding Availability (NOFA) for Homekey grant funds, the County of Riverside Board of Supervisors approved Resolution No. 2023-222, authorizing Housing and Workforce Solutions (HWS) to submit a joint Homekey application with Abode Communities in the amount of up to \$23,000,000 for the acquisition of the Desert Extended Stay located at 69151 E. Palm Canyon Drive in Cathedral City for the purpose of converting it to 96 units of permanent supportive housing for individuals that are homeless or at risk of homelessness, and impacted by COVID-19 (“Project” or “Desert Marigold”). HCD conditionally awarded Abode Communities and the County of Riverside \$21,724,000 in Homekey funds through a conditional award letter dated May 1, 2024.

The County of Riverside Board of Supervisors, on July 18, 2023 (Minute Order 3.11) as part of Resolution No. 2023-222, also approved matching funds in the amount of \$5,000,000 in Permanent Local Housing Allocation (PLHA) Funds to increase the competitive tie breaker score of the Homekey application, subject to the satisfaction of certain conditions contained therein.

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

Abode Communities has established Desert Marigold, L.P., a California limited partnership, for the ownership of the Project. Additionally, Desert Marigold GP, LLC, a California limited liability company, has been formed to serve as the sole general partner of the limited partnership.

On June 11, 2024 (Minute Order 3.24), the Board of Supervisors approved Resolution No. 2024-118, after the County received a conditional award letter from HCD. One of the conditions stipulated the addition of Desert Marigold, L.P. as the owner of the Project and inclusion in the Standard Agreement for the Homekey funds. To fulfill the requirement, HCD mandated that Abode Communities and the County of Riverside, as Co-Applicants, submit resolutions from their respective Boards authorizing the action. HCD has requested Resolution No. 2024-118 be amended to authorize Desert Marigold GP, LLC as a Co-Contractor to enter into the Standard Agreement for the Homekey funds.

With this award, the County will have secured a total of five Homekey awards from the State, amounting to \$62,925,998. This funding has enabled the development of 384 permanent supportive housing units, enhancing the County's housing stock to help address homelessness in Riverside County. The County partnered with Abode Communities on another Homekey application in the City of Corona to acquire the Ayres Hotel, resulting in the creation of 52 supportive housing units. This Project has significantly improved the surrounding community's ability to address homelessness, and the County is building on that successful relationship with this proposed project in Cathedral City.

Staff is requesting the rescission of the previously adopted Resolution No. 2024-118, approval of the attached resolution authorizing the execution of the Standard Agreement for Homekey funds for the Project, allowing the limited partnership to hold title of the Project and authorizing both the limited partnership and Desert Marigold GP, LLC as Co-Contractors. County Counsel has reviewed the attached Resolution No. 2024-226 and approved as to form.

Impact on Residents and Businesses

The Project will create 96 units of permanent supportive housing to address lack of housing available to our homeless population in the Coachella Valley.

Additional Fiscal Information

No impact upon the County's General Fund, the proposed project was funded with State Homekey Program grant funds and the County's allocation of PLHA funds.

Attention: Clerk of the Board of Supervisors

Re: Written letter to be entered in the Public record and made available for public inspection for the October 22, 2024 (9:30AM) BOS meeting - Agenda Item: 3.21 (Joint application scheme)

Dear current BOS,

This letter is in opposition of this organization attempt to impose an unwelcomed and extremely financially wasteful scheme to enrich selected individuals and business interests at the costs of taxpayers and local residents.

Converting "old" hotels/motels into homelessness encampments and now into named "permanent supportive housing" is nonsensical and extremely dangerous to surrounding communities.

It's reasonable to consider that local communities will only suffer from such radical political maneuvers to disrupt selected regional locations with local governmental agencies involvement to potentially infuse wickedness and promiscuous within selected locations that may not be able to defend their financial interests or safeguarding of their youth against Riverside County officials and or Cathedral City willingness to eliminate a safe community in exchange for financial resources.

The sum of twenty one million seven hundred and twenty four thousand (\$21,724,000.00) dollars to supply ninety six (96) housing units to Riverside County claimed individuals that are homeless or at risk of homelessness, and impacted by "COVID-19" is extremely alarming due to the the cost per-housing unit and the uncertainty of the narrative surrounding the "COVID-19" virus existed.

Consider following basic human common sense approaches to rooting out bad actor /bad policies and compromised progressive elements that seek to destroy American values.

Sincerely,

Brad Anderson | 37043 Ferber Dr. Rancho Mirage, CA. 92270
