BACKGROUND:

Summary

The County of Riverside Transportation Department is proposing to construct park improvements on the vacant triangular property located at the southeast corner of Hammond Road and 2nd Street in the Community of Mecca of Riverside County. The improvements will include the construction of concrete walkways, planting of native shade trees and shrubs, construction of an entry trellis, and installation of park benches.

In addition, the project will plant drought-tolerant shade trees along both sides of Coahuilla Street and Date Palm Street between 65th Avenue and 2nd Street, and along 2nd Street and 66th Avenue between Hammond Road and east of Date Palm Street.

Further improvements consist of the construction of a sidewalk along the east side of Hammond Road from 2nd Street to 66th Avenue and along the north side of 66th Avenue between Hammond Road and Date Palm Street to provide connectivity between the proposed neighborhood park and other community amenities, such as the Mecca Library.

The project is funded by a grant from the State of California Natural Resources Agency (CNRA) by the Senate Bill 859 Urban Greening Grant Program to reduce greenhouse gas emissions by enhancing and expanding neighborhood parks; providing greening of public lands and structures; mitigating urban heat islands; and establishing green streets and alleyways that provide safe routes for travel between residences, workplaces, commercial centers, and schools.

On November 17, 2020, the Riverside County Board of Supervisors directed the Executive Office to implement an Unincorporated Communities Initiative (UCI). The UCI is a focused, ongoing, and coordinated effort to improve the infrastructure and services provided to the residents of unincorporated communities, emphasizing Disadvantaged Unincorporated Communities. Through March 31, 2021, the Executive Office team held 15 community meetings and conducted online surveys to better understand community needs for services, infrastructure, and infrastructure maintenance. Based on the foundational work completed by

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

the UCI team, the Mecca Neighborhood Park and Greening project, and the Mecca Community Enhancement project were selected as recipients of \$349,941 of UCI funds from District 4 per Minute Order dated June 27, 2023 (Agenda Item 3.102). \$170,000 will be used on the Mecca Neighborhood Park and Greening project, and the remaining \$179,941 will be used on the Mecca Community Enhancement project.

The submitted plans and specifications have been approved as to form by County Counsel.

The bid documents include the following bid schedules of work:

- Base Bid Schedule A: State Urban Greening Fund – Participating Items of Work
- Base Bid Schedule B: Combined Improvement Fund – Non-Participating Items of Work

The Transportation Department will select the contractor based upon the lowest responsive and responsible bid.

Project No. D2-0021

Environmental Findings

The proposed project is exempt from CEQA under Section 15301 (c) – Existing Facilities exemption because the project proposes to install street trees, park improvements, sidewalks, and associated improvements. The project in its entirety is consistent with Section 15301 (c) because it does not create additional automobile lanes and involves no expansion of use of the existing roadway and associated facilities.

The proposed project is exempt from CEQA under Section 15304 (b) – Minor Alterations to Lands exemption because the project proposes to install street trees and park improvements. The project is consistent with Section 15304 (b) because of the addition of new park and landscaping.

The proposed project is exempt from CEQA under Section 15311 (a) – Accessory Structures exemption because the project proposes to construct park improvements and associated park signs. The project is consistent with Section 15311 (a) because of the addition of new park, park furniture, and park signs.

Impact on Citizens and Businesses

The proposed Mecca Neighborhood Park and Greening Project will help promote active transportation within the Mecca community by providing shaded pedestrian routes along two major north-south roadways in the highly walked community. Additionally, the proposed project will provide funding for the long-awaited community triangle park that can be utilized by all members of the community, with sidewalk that will connect the park to other public amenities, such as Mecca Library, Mecca Boys & Girls Club, and Mecca Sports Park.

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

The work is scheduled to begin in winter 2024. The work will be phased to keep roads open during construction and will take approximately five months to complete.

SUPPLEMENTAL:

Additional Fiscal Information

The construction contract is estimated to cost approximately \$881,276. The County improvements will be funded with State Urban Greening Program Fund, Combined Improvement Fund, and Unincorporated Communities Initiative Funds.

There are no General Funds used in this project.

PROJECT TITLE: Mecca Neighborhood Park and Greening Project
Work Order# D20021 Task Code #Z1530

PROJECT SPONSOR: County of Riverside Transportation Department

PROJECT LOCATION: Community of Mecca

PROJECT DESCRIPTION: The County of Riverside Transportation Department is proposing to construct the Mecca Neighborhood Park and Greening Project, which includes street tree planting, park improvements, sidewalks, and curb and gutter.

Street trees will be planted within the public road right-of-way along approximately 1.5 miles of streets as follows:

- Cahuilla Street from 65th Avenue to 2nd Street
- Date Palm Street from 65th Avenue to 66th Avenue
- 66th Avenue from Hammond Road to east of Date Palm Street
- 2nd Street from Hammond road to east of Date Palm Street
- 5th Street from Cahuilla Street to Date Palm Street
- Hammond Road from north of 2nd Street to 66th Avenue

Park site improvements will be made to a County of Riverside 0.3-acre property bounded by the following streets:

- On the north by 2nd Street, west by Hammond Road, south by 66th Avenue, east by the centerline projection of Cahuilla Street

Curb and Gutter and Sidewalk improvements will be constructed along 0.1 mile of streets as follows:

ENVIRONMENTAL ANALYSIS:

The proposed project will not acquire right-of-way.

This project is subject to compliance with the Coachella Valley MSHCP. In accordance with Section 7.1 of the Coachella Valley MSHCP, public facility construction, maintenance, and safety activities along existing roadways and rights-of-way are considered a covered activity. If tree removal takes place during the migratory bird breeding season from February 1 to August 31, a pre-construction nesting survey will be conducted pursuant to the Migratory Bird Treaty Act.

The Riverside County Transportation Department has found that the above-described project is exempt from the provisions of the California Environmental Quality Act (CEQA), based on the following:

Section 15301 (c) – Existing Facilities – The project proposes to install street trees, park improvements, sidewalks, and associated improvements. The project in its entirety is consistent with Section 15301(c) because it does not create additional automobile lanes and involves no expansion of use of the existing roadway and associated facilities.

Section 15304 (b) – Minor Alterations to Lands – The project proposes to install street trees and park improvements. The project is consistent with Section 15304 (b) because of the addition of new park and landscaping.

Section 15311 (a) – Accessory Structures – The project proposes to construct park improvements and associated park signs. The project is consistent with Section 15311 (a) because of the addition of new park, park furniture, and park signs.
