BACKGROUND:

Summary

By Minute Order dated July 9, 2024 (Agenda Item 3.30), the County of Riverside Board of Supervisors authorized the Clerk of the Board to advertise for the construction of the Oleander Avenue Sidewalk Improvements Project Phase II in the Community of Mead Valley of the County of Riverside.

This Project will extend from the previously completed Oleander Sidewalk Project Phase I, which included construction of curb, gutter, and sidewalk from Mead Valley Elementary school to Haines Street. The Project will include the construction of approximately 1,290-feet of concrete sidewalk along the north side of Oleander Avenue between Haines Street and Clark Street. The project also includes roadway widening on the north half of the Oleander Avenue and resurfacing the existing asphalt concrete pavement. The resurfacing treatment consists of grinding down a portion of the asphalt concrete pavement followed by overlaying with new hot mix asphalt.

Additional improvements include construction of concrete curb and gutter, cross gutter, curb ramps and driveways. Safety features include placing of roadside signs, traffic stripes, and thermoplastic crosswalks and pavement markings.

The improvements will provide a fully American with Disabilities Act (ADA) accessible all-weather pathway for pedestrians.

On March 11, 2021, President Biden signed the \$1.9 trillion American Rescue Plan Act (ARPA) of 2021 into law. To accelerate recovery from the economic and health impacts of the COVID-19 pandemic, the County of Riverside was provided approximately \$480 million. The Executive Office in conjunction with the Board Supervisors developed a plan to disburse these funds based on the principles of providing recovery funding to those sectors of our economy and society that are struggling most to recover from the pandemic; have a constituent and community based focus; provide a vehicle for transformational investment in our County's recovery from COVID-19; provide for countywide equity; and focus on one time investments,

rather than funding ongoing operational costs. As a result of these principles, the Oleander Avenue Sidewalk Improvement Project Phase II was selected as a recipient of \$1,000,000 of ARPA funds from District 1 per Minute Order dated December 13, 2022 (Agenda Item 3.2).

The Contract includes the following schedule of work:

Base Bid Schedule: Oleander Avenue Sidewalk Improvements Project Phase II and associated work

The contractor, Hillcrest, is qualified to perform the work as outlined in the bid, has executed the contract, and has provided bonds and insurance documents which meet the requirements of the contract documents.

Project No. D2-0109

Impact on Residents and Businesses

The proposed improvements will improve pedestrian safety and provide an Americans with Disabilities Act (ADA) compliant path. The new sidewalk will serve as a path to and from Mead Valley Elementary School located on Oleander Avenue.

The work is scheduled to begin in December 2024. The work will be phased to keep the road open during construction as much as possible and will take approximately three months to complete.

SUPPLEMENTAL:

Additional Fiscal Information

Construction is expected to be completed in Fiscal Year 2024/2025 and will be funded with American Rescue Plan Act funds.

The proposed budget as shown on Attachment "A" includes contract award amount and other associated costs.

There are no General Funds used in this project.

Contract History and Price Reasonableness

A total of four bids were received on Wednesday July 31, 2024 ranging from \$791,998 to \$1,163,889. The basis for the selection of a contractor is the lowest responsive and responsible bid. The lowest responsive and responsible bid was submitted by Hillcrest in the amount of \$791,998 which is 116,220 (12.8%) below the average costs of bids submitted and \$105,381 (15.4%) above the engineer's cost estimate.

The Transportation Department recommends the award of the contract to Hillcrest in the amount of \$791,998.
