**BACKGROUND:**

**Summary**

On November 19, 2019, the Riverside County Board of Supervisors (Board) approved Board Policy F-3 establishing the Good Neighbor Policy for Logistics and Warehouse Uses within unincorporated Riverside County. The Board Policy has been developed to provide a framework through which large-scale logistics and warehouse uses can be better designed and operated in a way that lessens their impact on surrounding communities and the environment. Section 6.4 of Board Policy F-3 provides for potential supplemental financial contributions from any new facility to fund programs or improvements that will further off-set the air quality impacts to surrounding communities. Funds collected under said supplemental funding program will be subject to designation for use by the Board of Supervisors and will generally be used for projects that directly benefit the impacted community wherein the project is located.

On September 16, 2024, the County received a proposal from TreePeople, an environmental 501(c)3 organization, that has been involved in developing and implementing nature-based solutions to pressing problems that impact communities and ecosystems across Southern California. The proposal included the implementation of a fruit tree distribution program through which residents, schools, County facilities, and businesses within the Mead Valley community would receive fruit trees to be planted on their properties to further off-set the impact of nearby logistics and warehouse projects. The program will consist of public outreach including workshops on proper tree planting and care and the distribution of 1,000 trees within the community of Mead Valley.

**Impact on Residents and Businesses**

The community of Mead Valley is particularly impacted by the increase of logistics and warehouse projects. Board Policy F-3 provides funding to mitigate the environmental impact these projects have on the surrounding community. An urban tree canopy program provides numerous benefits such as air filtration, shade, and community beautification. By providing trees directly to residents, schools, County facilities, and businesses within Mead Valley, the County can improve the environmental quality of the community without utilizing tax dollars for ongoing maintenance.

PROFESSIONAL SERVICES AGREEMENT  
For MEAD VALLEY URBAN TREE PROGRAM

This Agreement is made and entered as of the date of the last signature on the signature page of this contract by and between TREEPEOPLE, an environmental 501(c)3 organization, (herein referred to as "CONSULTANT"), and the COUNTY OF RIVERSIDE, a political subdivision of the State of California, (herein referred to as "COUNTY").

3.5.1 Certain Classifications of Labor under this contract are subject to prevailing wage requirements. It is anticipated that survey and/or soils testing work will or may be performed which classifications are subject to payment of prevailing wage when performed as pre-construction or construction activities on a public works project.

3.5.2 Reference is made to Chapter 1, Part 7, Division 2 of the California Labor Code (commencing with Section 1720). By this reference said Chapter 1 is

incorporated herein with like effect as if it were here set forth in full. The parties recognize that said Chapter 1 deals, among other things with discrimination, penalties and forfeitures, their disposition and enforcement, wages, working hours, and securing worker's compensation insurance and directly affect the method of prosecution of the work by CONSULTANT and subject it under certain conditions to penalties and forfeitures. Execution of the Agreement by the parties constitutes their agreement to abide by said Chapter 1, their stipulation as to all matters which they are required to stipulate as to by the provisions of said Chapter 1, constitutes CONSULTANT'S certification that he is aware of the provisions of said Chapter 1 and will comply with them and further constitutes CONSULTANT'S certification as follows: "I am aware of the provisions of Section 3700 of the California Labor Code which require every employer to be insured against liability for worker's compensation or to undertake self-insurance in accordance with the provisions of that Code, and I will comply with such provisions before commencing the performance of the work of this contract."

3.5.3. Pursuant to Section 1773 of the Labor Code, the general prevailing wage rates, including the per diem wages applicable to the work, and for holiday and overtime work, including employer payments for health and welfare, pension, vacation, and similar purposes, in the county in which the work is to be done have been determined by the Director of the California Department of Industrial Relations. These wages are available from the California Department of Industrial Relations' Internet website at <http://www.dir.ca.gov>, and are available at the main office of COUNTY.

4. INDEPENDENT CONTRACTOR: COUNTY retains CONSULTANT on an independent contractor basis. CONSULTANT is not, and shall not be considered to be in any manner, an employee, agent or representative of the COUNTY. CONSULTANT shall not be entitled to any benefits payable to employees of COUNTY including County Workers' Compensation benefits. COUNTY is not required to make any deductions from the compensation payable to CONSULTANT

under this Agreement, and as an independent contractor, CONSULTANT hereby holds COUNTY harmless from any and all claims that may be made against COUNTY based upon any contention by any third party that an employer-employee relationship exists by reason of this Agreement.

Personnel performing any services under this Agreement on behalf of CONSULTANT shall at all times be under CONSULTANT'S exclusive direction and control. CONSULTANT shall pay all wages, salaries and other amounts due such personnel in connection with their performance of service and as required by law. CONSULTANT shall be responsible for all reports and obligations respecting such personnel, including but not limited to, social security taxes, income tax withholdings, unemployment insurance, and workers' compensation insurance.

5. CONSULTANT'S RESPONSIBILITY: It is understood that the CONSULTANT has the skills, experience and knowledge necessary to perform the services agreed to be performed under this Agreement, and that the COUNTY relies upon the CONSULTANT'S representations about its skills, experience and knowledge to perform the CONSULTANT'S services in a competent manner. Acceptance by the COUNTY of the services to be performed under this Agreement does not operate as a release of said CONSULTANT from responsibility for the work performed. It is further understood and agreed that the CONSULTANT is apprised of the scope of the work to be performed under this Agreement and the CONSULTANT agrees that said work can and shall be performed in a fully competent manner.

6. INDEMNITY AND HOLD HARMLESS

6.1 Basic Indemnity. To the fullest extent permitted by Applicable Law, CONSULTANT agrees to defend (through legal counsel reasonably acceptable to County), indemnify, and hold harmless County of Riverside, its Agencies, Districts, Departments and Special Districts, Board of Supervisors, elected and appointed officials, and each of their respective directors, members, officers, employees, agents, representatives and volunteers ("Indemnitee(s)"), and each of them, from any and all Losses that arise out of or relate to any act or omission constituting ordinary and not professional negligence (including, without limitation, negligent breach of contract), recklessness, or willful misconduct on the part of CONSULTANT

or its Subconsultants, or their respective employees, agents, representatives, or independent contractors.

“Losses” shall mean any and all economic and non-economic losses, costs, liabilities, claims, damages, actions, judgments, settlements and expenses, including, without limitation, full and actual attorney’s fees (including, without limitation, attorney’s fees for trial and on appeal), expert and non-expert witness fees, arbitrator and arbitration fees and mediator and mediation fees.

CONSULTANT further agrees to and shall indemnify and hold harmless the Indemnitees from all liability arising from suits, claims, demands, actions, or proceedings made by agents, employees or subcontractors of CONSULTANT for salary, wages, compensation, health benefits, insurance, retirement or any other benefit not explicitly set forth in this contract and arising out of work performed for County pursuant to this Agreement. The Indemnitees shall be entitled to the defense and indemnification provided for hereunder regardless of whether the Loss is in part caused or contributed to by the acts or omissions of an Indemnitee or any other person or entity; provided, however, that nothing contained herein shall be construed as obligating CONSULTANT to indemnify and hold harmless any Indemnitee to the extent not required under the provisions of Paragraph 6.2, below.

6.2 Indemnity for Design Professional Services. To the fullest extent permitted by Applicable Law, CONSULTANT agrees to defend (through legal counsel reasonably acceptable to County), indemnify and hold harmless the Indemnitees, and each of them, against any and all Losses that arise out of, pertain to, or relate to, any negligence, recklessness or willful misconduct constituting professional negligence on the part of CONSULTANT or its Subconsultants, or their respective employees, agents, representatives, or independent contractors. The Indemnitees shall be entitled to the defense, and indemnification provided for hereunder regardless of whether the Loss is, in part, caused or contributed to by the acts or omissions of an Indemnitee or any other person or entity; provided, however, that nothing contained herein shall be construed as obligating CONSULTANT to indemnify and hold harmless any Indemnitee to the extent not required under the provisions of this section. CONSULTANT shall defend and pay, all costs and fees, including

but not limited to attorney fees, cost of investigation, and defense, in any loss, suits, claims, demands, actions, or proceedings to the extent and in proportion to the percentage, such costs and fees arise out of, pertain to, or relate to the negligence, recklessness or willful misconduct of CONSULTANT arising out of or from the performance of professional design services under this Agreement. The duty to defend applies to any alleged or actual negligence, recklessness, willful misconduct of CONSULTANT. The cost for defense shall apply whether or not CONSULTANT is a party to the lawsuit, and shall apply whether or not CONSULTANT is directly liable to the plaintiffs in the lawsuit. The duty to defend applies even if Indemnitees are alleged or found to be actively negligent, but only in proportion to the percentage of fault or negligence of CONSULTANT.

Without affecting the rights of County under any other provision of this Agreement, CONSULTANT shall not be required to indemnify or hold harmless or provide defense or defense costs to an Indemnitee for a Loss due to that Indemnitee's negligence, recklessness or willful misconduct; provided, however, that such negligence, recklessness or willful misconduct has been determined by agreement of CONSULTANT and Indemnitee or has been adjudged by the findings of a court of competent jurisdiction.

CONSULTANT agrees to obtain or cause to be obtained executed defense and indemnity agreements with provisions identical to those set forth in this section from each and every Subconsultant, of every Tier.

CONSULTANT's indemnification obligations under this Agreement shall not be limited by the amount or type of damages, compensation or benefits payable under any policy of insurance, workers' compensation acts, disability benefit acts or other employee benefit acts.

The Indemnitees shall be entitled to recover their attorneys' fees, costs and expert and consultant costs in pursuing or enforcing their right to defense and/or indemnification under this Agreement.

7. INSURANCE: Without limiting or diminishing the CONSULTANT'S obligation to indemnify or hold the COUNTY harmless, CONSULTANT shall procure and maintain or cause to be maintained, at its sole cost and expense, the following insurance coverage during the term of this

Agreement. As respects to the insurance section only, the COUNTY herein refers to the County of Riverside, its Agencies, Districts, Special Districts, and Departments, their respective directors, officers, Board of Supervisors, employees, elected or appointed officials, agents or representatives as Additional Insureds.

A. Workers' Compensation:

If such insurance contains a general aggregate limit, it shall apply separately to this Agreement or be no less than two (2) times the occurrence limit.

C. Vehicle Liability:

If vehicles or mobile equipment are used in the performance of the obligations under this Agreement, then CONSULTANT shall maintain liability insurance for all owned, non-owned or hired vehicles so used in an amount not less than \$1,000,000 per occurrence combined single limit. CONSULTANT shall maintain Professional Liability Insurance providing coverage for the CONSULTANT'S performance of work included within this Agreement, with a limit of liability of not less than \$1,000,000 per occurrence and \$2,000,000 annual aggregate. If CONSULTANT'S Professional Liability Insurance is written on a claims made basis rather than an occurrence basis, such insurance shall continue through the term of this Agreement and CONSULTANT shall purchase at his sole expense either 1) an Extended Reporting Endorsement (also, known as Tail Coverage); or 2) Prior Dates Coverage from new insurer with a retroactive date back to the date of, or prior to, the inception of this Agreement; or, 3) demonstrate through Certificates of Insurance that CONSULTANT has maintained continuous coverage with the same or original insurer. Coverage provided under items; 1), 2) or 3) will continue as long as the law allows.

E. General Insurance Provisions - All lines:

1) Any insurance carrier providing insurance coverage hereunder shall be admitted to the State of California and have an A M BEST rating of not less than A: VIII (A:8) unless such requirements are waived, in writing, by the County Risk Manager. If the County's Risk Manager waives a requirement for a particular insurer such waiver is only valid for that specific insurer and only for one policy term.

2) The CONSULTANT must declare its insurance self-insured retention for each coverage required herein. If any such self-insured retention exceed \$500,000 per occurrence each such retention shall have the prior written consent of the County Risk Manager before the commencement of operations under this Agreement. Upon notification of self-insured retention unacceptable to the COUNTY, and at the election of the Country's Risk Manager, CONSULTANT'S carriers shall either; 1) reduce or eliminate such self-insured retention as respects this Agreement with the COUNTY, or 2) procure a bond which guarantees payment of losses and related investigations, claims administration, and defense costs and expenses.

3) CONSULTANT shall cause CONSULTANT'S insurance carrier(s) to furnish the County of Riverside with either 1) a properly executed original Certificate(s) of Insurance

and certified original copies of Endorsements effecting coverage as required herein, and 2) if requested to do so orally or in writing by the County Risk Manager, provide original Certified copies of policies including all Endorsements and all attachments thereto, showing such insurance is in full force and effect. Further, said Certificate(s) shall contain the covenant of the insurance agent/producer that thirty (30) days written notice shall be given to the County of Riverside prior to cancellation of such insurance except ten (10) days for cancellation due to nonpayment. In the event of a material modification, cancellation, expiration, or reduction in coverage, this Agreement shall terminate forthwith, unless the County of Riverside receives, prior to such effective date, another properly executed original Certificate of Insurance and original copies of endorsements or certified copies of the policies, including all endorsements and attachments thereto evidencing coverage's set forth herein and the insurance required herein is in full force and effect. ***CONSULTANT shall not commence operations until the COUNTY has been furnished original Certificate (s) of Insurance and certified original copies of endorsements and if requested, review original of the policies of insurance including all endorsements and any and all other attachments as required in this Section. An individual authorized by the insurance carrier to do so on its behalf shall sign the original endorsements for each policy and the Certificate of Insurance. Upon COUNTY'S request, CONSULTANT shall make available for inspection by County Risk Manager, at a mutually agreeable location, copies of CONSULTANT'S insurance policies.***

4) It is understood and agreed to by the parties hereto that the CONSULTANT'S insurance shall be construed as primary insurance, and the COUNTY'S insurance/or deductible and/or self-insured retentions or self-insured program shall not be construed as contributory.

5) If, during the term of this Agreement or any extension thereof, there is a material change in the scope of services; or, there is a material change in the equipment to be used in the performance in the scope of work; or, the term of this Agreement, including any

extension thereof, exceeds five (5) years; the COUNTY reserves the right to adjust the types of insurance and the monetary limits of liability required under this Agreement, if in the County Risk Manager's reasonable judgment, the amount or type of insurance carried by the CONSULTANT has become inadequate.

6) CONSULTANT shall pass down the insurance obligations contained herein to all tiers of subcontractors working under this Agreement.

7) The insurance requirements contained in this Agreement may be met with a program(s) of self-insurance acceptable to the COUNTY.

8) CONSULTANT agrees to notify COUNTY of any claim by a third party or any incident or event that may give rise to a claim arising from the performance of this Agreement.

8. TERMINATION: COUNTY may, by written notice to CONSULTANT, terminate this Agreement in whole or in part at any time. Such termination may be for COUNTY'S convenience or because of CONSULTANT'S failure to perform its duties and obligations under this Agreement including, but not limited to, the failure of CONSULTANT to timely perform services pursuant to the Scope of Services described in Exhibit "A" of this Agreement.

8.1 Discontinuance of Services. Upon Termination, CONSULTANT shall, unless otherwise directed by the Notice, discontinue all services and deliver to the COUNTY all data, estimates, graphs, summaries, reports, and other related materials as may have been prepared or accumulated by CONSULTANT in performance of services, whether completed or in progress.

8.2 Effect of Termination For Convenience. If the termination is to be for the convenience of the COUNTY, the COUNTY shall compensate CONSULTANT for services satisfactorily provided through the date of termination. CONSULTANT shall provide documentation deemed adequate by COUNTY to show the services actually completed by CONSULTANT prior to the date of termination. This Agreement shall terminate thirty (30) days following receipt by the CONSULTANT of the written Notice of Termination.

8.3 Effect of Termination For Cause. If the termination is due to the failure of CONSULTANT to fulfill its obligations under this Agreement, CONSULTANT shall be

compensated for those services which have been completed in accordance with this Agreement and accepted by the COUNTY. In such case, the COUNTY may take over the work and prosecute the same to completion by contract or otherwise. Further, CONSULTANT shall be liable to the COUNTY for any reasonable additional costs incurred by the COUNTY to revise work for which the COUNTY has compensated CONSULTANT under this Agreement, but which the COUNTY has determined in its sole discretion needs to be revised in part or whole to complete the Project. Prior to discontinuance of services, the COUNTY may arrange for a meeting with CONSULTANT to determine what steps, if any, CONSULTANT can take to adequately fulfill its requirements under this Agreement. In its sole discretion, County's Representative may propose an adjustment to the terms and conditions of the Agreement, including the contract price. Such contract adjustments, if accepted in writing by the Parties, shall become binding on CONSULTANT and shall be performed as part of this Agreement. In the event of termination for cause, unless otherwise agreed to in writing by the parties, this Agreement shall terminate seven (7) days following the date the Notice of Termination was mailed to the CONSULTANT. Termination of this Agreement for cause may be considered by the COUNTY in determining whether to enter into future agreements with CONSULTANT.

8.4 Notwithstanding any of the provisions of this Agreement, CONSULTANT'S rights under this Agreement shall terminate (except for fees accrued prior to the date of termination) upon dishonesty, or a willful or material breach of this Agreement by CONSULTANT, or in the event of CONSULTANT'S unwillingness or inability for any reason whatsoever to perform the duties hereunder, or if the Agreement is terminated pursuant to Section 8. In such event, CONSULTANT shall not be entitled to any further compensation under this Agreement.

8.5 Cumulative Remedies. The rights and remedies of the parties provided in this Section are in addition to any other rights and remedies provided by law or under this Agreement.

9. CONFLICT OF INTEREST: CONSULTANT covenants that it presently has no interest, including but not limited to, other projects or independent contracts, and shall not acquire any such interest, direct or indirect, which would conflict in any manner or degree with the performance of services

required under this Agreement. CONSULTANT further covenants that in the performance of this Agreement, no person having any such interest shall be employed or retained by it under this Agreement.

10. ADMINISTRATION: The Deputy Director, Facilities Management, Project Management Office (or designee) shall administer this Agreement on behalf of COUNTY.

11. ASSIGNMENT: This Agreement shall not be assigned by CONSULTANT, either in whole or in part, without prior written consent of COUNTY. Any assignment or purported assignment of this Agreement by CONSULTANT without the prior written consent of COUNTY will be deemed void and of no force or effect.

12. NONDISCRIMINATION: CONSULTANT represents that it is an equal opportunity employer and it shall not discriminate against any employee or applicant for employment because of race, religion, color, national origin, ancestry, sex, physical condition, or age. Such non-discrimination shall include, but not be limited to, all activities related to initial employment, upgrading, demotion, transfer, recruitment or recruitment advertising, layoff or termination.

13. ALTERATION: No alteration or variation of the terms of this Agreement shall be valid unless made in writing and signed by the parties hereto, and no oral understanding or agreement not incorporated herein shall be binding on any of the parties hereto. No additional services shall be performed by CONSULTANT without a written amendment to this Agreement.

CONSULTANT understands that the County Purchasing Agent or the County Board of Supervisors are the only authorized COUNTY representatives who may at any time, by written order, make any alterations within the general scope of this Agreement.

If CONSULTANT feels that any work requested of it is beyond the scope of services under this Agreement, any claim by the CONSULTANT for adjustment under this paragraph shall be made within thirty (30) days of when the CONSULTANT is requested to perform the disputed scope of work.

14. LICENSE AND CERTIFICATION: CONSULTANT verifies upon execution of this Agreement, possession of a current and valid license and certification in compliance with any local, State, and Federal laws and regulations relative to the scope of services to be performed under Exhibit "A", and that services(s) will be performed by properly trained and licensed staff.

15. CONFIDENTIALITY: CONSULTANT shall maintain the confidentiality of any and all

records and information accessed or processed under this Agreement. CONSULTANT shall not disclose, except as permitted by this Agreement or as authorized by the COUNTY, any oral or written communication, information, or effort of cooperation between COUNTY and CONSULTANT, or between COUNTY and CONSULTANT and any other party.

16. DOCUMENTS: The COUNTY acknowledges that the CONSULTANT'S reports, drawings, specifications, field data, field notes, laboratory test data, calculations, estimates and other similar documents are instruments of professional service, not products. Although ownership of such documents normally is retained by the CONSULTANT they nonetheless shall in this instance become upon their creation the property of the COUNTY whether the Project is constructed or not. The COUNTY may use design documents and the designs depicted in them, without the CONSULTANT'S consent, in connection with the Project, or other COUNTY Projects, including, without limitation, future additions, alterations, connections, repairs, information, reference, use or occupancy of the Project(s). Any reuse of the documents by COUNTY without the written consent of the CONSULTANT shall be at COUNTY'S sole risk and without liability or legal exposure to the CONSULTANT, and COUNTY shall indemnify, defend and hold the CONSULTANT harmless from any claims or losses arising out of such use of the design documents by the COUNTY.

16.1 Upon completion of each phase of work described in Exhibit "A", the CONSULTANT shall furnish to the COUNTY two (2) copies of the deliverables, and/or documents completed for that phase as specified in Exhibit "A". Upon approval thereof by the COUNTY, the CONSULTANT shall furnish one reproducible set along with an electronic copy on Compact Disk (CD) of the deliverables and/or documents.

17. JURISDICTION, VENUE: This Agreement is to be construed under the laws of the State of California. The parties agree to the jurisdiction and venue of the appropriate courts in the County of Riverside, State of California.

18. WAIVER: Any waiver by COUNTY of any breach of any one or more of the terms of this Agreement shall not be construed to be a waiver of any subsequent or other breach of the same or of any other term thereof. Failure on the part of the COUNTY to require exact, full and complete compliance with any terms of this Agreement shall not be construed as in any manner changing the terms

hereof, or stopping COUNTY from enforcement hereof.

19. SEVERABILITY: If any provision in this Agreement is held by a court of competent jurisdiction to be invalid, void or unenforceable, the remaining provisions will nevertheless continue in full force without being impaired or invalidated in any way.

20. ENTIRE AGREEMENT: This Agreement constitutes the entire agreement between the parties hereto with respect to the subject matter hereof and all prior or contemporaneous agreements of any kind or nature relating to the same shall be deemed to be merged herein. Any modifications to the terms of this Agreement must be in writing and signed by the parties herein.

### TreePeople Mead Valley Fruit Tree Distribution Project: October 2024

#### Organization Background

TreePeople is an environmental 501(c)3 organization whose mission is to inspire, engage and support people to take personal responsibility for the environment, making it safe, healthy, fun, and sustainable and to share our process. TreePeople is currently working on public tree planting and private property tree distribution programs throughout Riverside County including the communities of East Riverside, Good Hope, and recently completed the first iteration of this program in Mead Valley.

#### Project Overview and Scope of Work

Trees serve as an excellent opportunity to improve the environment through shading, cooling, improving stormwater capture, and providing clean air to the Mead Valley community. The first iteration of this tree distribution program was a huge success, distributing over a thousand trees to the residents of Mead Valley.

As a part of this project, TreePeople will distribute 1,000 fruit trees. TreePeople will host one event in October 2024 to distribute all trees. TreePeople will procure 15 gallon size fruit trees to be distributed. TreePeople will work with local nurseries to purchase quality stock. Fruit tree species will be selected based on appropriateness for the climate. This will include a range of 5-10 different species residents will be able to select from.

TreePeople will host tree distribution events at public facilities such as the library and schools. At each event, TreePeople will stage all the trees to be given away and organize a registration area. TreePeople will share the free tree opportunity through flyers and social media. Outreach will also include partnerships with schools and local stakeholders to share the opportunity.

TreePeople will allow each resident up to 3 trees for their property. Residents will be required to provide their contact information and address. TreePeople will document and account for the locations and species of all trees distributed. Community members also receive printed instructional materials on planting and care. All materials are provided in both English and Spanish.
