BACKGROUND:

Summary

On November 17, 2020, the Riverside County Board of Supervisors directed the Executive Office to implement an Unincorporated Communities Initiative (UCI). The UCI is a focused, ongoing, and coordinated effort to improve the infrastructure and services provided to the residents of unincorporated communities, with emphasis on Disadvantaged Unincorporated Communities (DUCs). The program is funded through General Fund/Net County Cost (NCC) monies from the County during the annual budget and quarterly budget revision process.

On December 15, 2020, the Executive Office presented a proposed framework for planning and implementation of the UCI. With the support of the Board of Supervisors, the Executive Office established a team of staff and department heads to facilitate the UCI program. Through March 31, 2021, the Executive Office team held 15 community meetings and conducted online surveys to better understand community needs for services, infrastructure, and infrastructure maintenance. On May 25, 2021, the UCI Team presented the needs assessment to the Board of Supervisors.

On June 27, 2023, the Board of Supervisors adopted the FY23/24 Budget, which included allocation of \$10 million in NCC General Funds to the Unincorporated Communities Initiative, to be divided evenly between the five Supervisorial Districts for each Supervisor's use within their unincorporated communities.

On April 9, 2024 (Agenda Item 3.39), at the request of the County's Third District, the Board of Supervisors approved allocation of \$160,000 of FY23/24 Third District UCI funds to Anza Electric Cooperative, Inc., for Phase 2 of the Anza Fuel Reduction and Tree Trimming Public Safety Improvement Project. This \$337,000 project will be completed within FY24/25, and consists of local area fuel reduction and tree trimming near circuit lines to reduce fire hazards and thereby improve public safety on over 10 miles of utility easement located on Anza Electric Cooperative's system. The attached UCI project funding agreement sets forth project funding terms and reflects a contribution of \$160,000 from FY23/24 Third District UCI funds to Anza Electric Cooperative, Inc., to support project delivery.

Impact on Residents and Businesses

Anza Electric Cooperative, Inc. is the electric utility provider for the Anza community. The Co-op's service territory includes roughly 700 square miles of mountainous rural terrain where native vegetation can pose a fire hazard for power lines. The attached funding agreement will aid in fire hazard reduction, thereby improving protection of the Anza valley and surrounding areas.
