**BACKGROUND:**

**Summary**

On March 11, 2021, President Biden signed the American Rescue Plan Act of 2021 (H.R. 1319) into law. The \$1.9 trillion package is intended to combat the COVID-19 pandemic, including the public health and economic impacts. On April 27, 2021, the Executive Office presented the Board of Supervisors with a preliminary ARPA funding allocation then on October 19, 2021, presented a revised funding allocation after the U.S. Treasury released the ARPA interim funding guidelines.

On May 5, 2021, the Board received and filed the Strategic Economic Recovery Framework presented by the Economic Recovery Task Force (ERTF). The framework contained short-term actions to assist business sectors finding it difficult to rebound from the pandemic and state closures, as well as mid to long range areas of focus for future growth and economic resiliency. Keys to the framework were short and long-term action items coordinated for an economic recovery and for the growth of the region whose trajectory includes the principles of equal access to opportunities and addressing barriers for economic equity and inclusion. The mid to long range vision of the framework includes action items of investing in small business innovation, entrepreneurship hubs, and small business development. This proposal aligns with the ERTF framework's action items.

On January 6, 2022, the U.S. Treasury issued the final funding guidelines. These guidelines further clarify the detailed eligibility criteria for use of these funds. As a result, under the Economic Recovery category allows for the development of programs to assist businesses and industries struggling to rebound from the pandemic as well as focus on strategic investment projects for future economic growth and resiliency. The final guidelines specifically identify business ecosystem support including providing and partnering with organizations that offer technical assistance to new and existing businesses as an eligible use of funds.

On February 8, 2022, the Board approved \$36 million for Economic Recovery to assist businesses struggling to rebound from the COVID-19 pandemic and stimulate future economic growth and resiliency. The Office of Economic Development recommends allocation of \$86,600 of that funding for Asociacion de Emprendedor@s Program. The Asociacion de Emprendedor@s Program will provide educational cohorts, resources, training, support, and mentorship for monolingual Hispanic entrepreneurs in Riverside County. Topics include empowerment, leadership, and small business development. Cohort participants will meet with business experts and gain skills and tools on how to start or grow their own small business. By equipping these entrepreneurs with the resources to succeed, the program will contribute to the county's long-term economic vitality and enhance its resilience in the face of future challenges.

The program will provide 4 (four) in-person, 8-week cohorts sessions in FY 24/25 through December 31 of FY 26/27. Each cohort will consist of 30 vetted and pre-selected participants, who, upon successful completion, will be awarded a professional certificate of completion. The key objective of the Emprendedor@s Program is to educate, motivate, empower, and develop the leadership skills and business acumen of monolingual Hispanic entrepreneurs in Riverside County.

**Impact on Residents and Businesses**

The proposed funding will positively impact the monolingual Hispanic community by offering targeted support and business education to aspiring entrepreneurs and existing business owners. This initiative aims to empower residents, foster economic growth, and drive the creation of small businesses throughout Riverside County.

**Additional Fiscal Information**

The proposed services will be funded entirely by ARPA funding from United States Department of Treasury funds and will not impact the County's General Fund. A budget adjustment in the amount of \$47,500 is recommended to increase revenues and appropriate ARPA funding for contract costs through the end of the FY 2024-2025, and can be found in Schedule A. An amount of \$47,500 will be included in the department's budget for FY 2025-2026. The total requested amount includes \$8,400 for administrative costs for the Office of Economic Development.
