BACKGROUND:

Summary

The Housing Authority of the County of Riverside (HACR) is a public entity that was formed in 1942 to provide federally subsidized housing and housing assistance to low-income families, within the County of Riverside. HACR is subject to the requirements of Title 24 of the Code of Federal Regulations (CFR), Housing Authorities Law (Part 2 of Division 24 of the California Health and Safety Code commencing with Section 34200 et seq.) and HACR's own procurement policy. HACR is a committed partner in the community's effort to revitalize neighborhoods and foster economic development, as well as to provide quality, affordable housing.

The HACR owns an affordable housing development known as Desert Rose Apartments, located in the unincorporated community of Ripley. The only park in this community, Jack E. Marlowe Ripley Family Park, is situated at 24699 School Road, Ripley, adjacent to the Desert Rose Apartments.

**SUBMITTAL TO THE BOARD OF COMMISSIONERS HOUSING AUTHORITY
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

Unfortunately, the condition of Jack E. Marlow Park has deteriorated to the point where it is no longer usable by the community. To address this, HACR has applied to Riverside County for \$151,149 in ARPA funding. This funding would cover the renovation of the park and provide for weekly landscape maintenance over the next two years. Given the park's proximity to the Desert Rose Apartments, HACR would be well-positioned to maintain the facility, restoring this much-needed recreational space for the Ripley community.

County Counsel has reviewed and approved as to form the attached form of the Subrecipient Agreement for the Use of ARPA Funds. Staff recommends that the Board approve and execute the Subrecipient Agreement.

California Environmental Quality Act (CEQA):

This project will provide a comprehensive renovation of the Jack E. Marlowe Ripley Family Park. The project is exempt from CEQA pursuant to Section 15301 Existing Facilities Exemption. This exemption includes the operation, repair, maintenance, leasing, or minor alteration of existing public or private structures or facilities, provided the exemption only involves negligible or no expansion of the previous site's use. The project as proposed is for renovation of the park. There will be no expansion of the existing use of the project. Additionally, the project is exempt from CEQA pursuant to Section 15061(b)(3) as there is no possibility the project will have a significant impact on the environment.

Impact on Residents and Businesses

Approving this item will have a positive impact on the citizens and businesses of Riverside County. The proposed project is expected to accommodate a wide range of recreation needs based on the surrounding community. Additionally, the renovations to Jack E. Marlowe Ripley Family Park will create a space for all community members to congregate safely and enjoy nature; kids can play under their parents' watchful eye and community members can improve their health with equipment, all relaxing environments. Jack E. Marlowe Ripley Family Park will have amenities to keep visitors of all ages active and engaged. This improvement will positively impact the overall health of residents and improve the surrounding neighborhood.
