BACKGROUND:

Summary

Older Americans Act Title III and Title VII Programs:

Through Standard Agreement No. AAA-2324-21, the services and programs available include: supportive services (Title IIIB – adult day care, personal care, home maker services, transportation and legal), senior center activities (Title IIIB), congregate and home-delivered nutrition (Title IIIC), family caregiver support program (Title IIIE), and elder abuse prevention and long-term care ombudsman services (Title VII). These services, programs and other activities are made available countywide to older individuals and persons with disabilities.

On January 9, 2024, RCOoA released a Request For Proposal (RFP) #OAARC-0026 seeking proposals from qualified service vendors to administer Title III and Title VII services to persons aged sixty (60) years or older who are frail or homebound due to illness or disability, or who are otherwise isolated, to help bridge the gap between service demand and available resources. After careful consideration, the Riverside County Office on Aging (RCOoA) selected a number of service providers to create a comprehensive, responsive, and effective program that meets the needs of the county's older adult and disabled adult populations (Attachment A).

Standard Agreement No. AAA-2324-21 was approved by the Board of Supervisors on June 25, 2024, (item 3.39), for a total allocation of \$13,135,477. It reflects the executed contract with the

California Department of Aging (CDA) and could be subject to modifications based on the state's final legislative process. In addition, the Board of Supervisors approved Resolution #2024-130 to allow the RCOoA to accept funding annually through June 30, 2029. The term of this Agreement is July 1, 2024 and ending on June 30, 2029. This agenda item allows the Purchasing Agent to issue Purchase Orders for the service providers identified in Attachment A for the Title III and Title VII Programs.

The Multipurpose Senior Services Program:

The RCOoA administers the Multipurpose Senior Services Program (MSSP) for care management services to Medi-Cal beneficiaries at-risk of being placed out of their homes due to increasing frailty. Individuals 65 years of age and older, who are eligible for Medi-Cal and at-risk for institutionalization, may receive effective case management by a skilled Nurse Care Manager (registered nurse) and Social Worker Care Manager. The MSSP care managers communicate, collaborate and coordinate with the client, family members, medical and mental health providers, as well as other service providers to appropriately meet their needs. The goal is to provide additional support and services that allow the client to continue their independence by remaining at home and reduce the risk of premature or inappropriate institutionalization.

Standard Agreement No. MS-2425-24 was approved by the Board of Supervisors on August 27, 2024, (item 3.49), for a total allocation of \$1,601,444. It reflects the current contract between CDA and RCOoA and could be subject to modifications based on the state's final legislative process. In addition, the Board of Supervisors approved Resolution #2024-178 to allow RCOoA to accept funding annually through June 30, 2027.

The term of this Agreement is July 1, 2024 to June 30, 2025. This performance-based contract serves up to 299 clients. RCOoA will award qualified vendors for MSSP services as a result to a competitive bidding process. This agenda item allows the Purchasing Agent to issue Purchase Orders for the service providers identified in Attachment B for the Multipurpose Senior Services Program.

Impact on Residents and Businesses

These funds are to be utilized in accordance with the requirements of the Older Americans Act, Titles III and VII, for individuals 60 years of age and older and persons with disabilities. Priority is given to those who have the greatest social and economic need, with considerable emphasis on programs and services that support older individuals and persons with disabilities to live independently in their home and community; promote healthy aging and community involvement; and assist family members in their vital caregiving role.

Additional Fiscal Information

Fiscal year 24/25 Standard Agreement No. AAA-2425-21, between CDA and the County of Riverside, for Title III and VII Programs is for a total amount of \$13,135,477. This funding requires a match, which is met from provider contributions, grants awarded to the department and donations received by community collaborations.
