Re: Written letter to be entered in the Public record and made available for public inspection for the February 4, 2025 (9:30AM) Regular Board of Supervisors meeting - Agenda Item: 3.31 (District two - misuse of CID reserves)

Dear current Riverside County Board of Supervisors,

Please review my written statements listed below prior to the consideration of Agenda Item: 3.31 (proposed use of CID funds for Law Enforcement Appreciative event - District 2)

Position: In Opposition

It's concerning that the Riverside County's staff report (form 11) of Agenda Item: 3.31 decided NOT to detail what Community Improvement Designation (CID) funds are, or their intended purpose (proper use) in Riverside County.

Riverside County Community Improvement Designation (CID) funds (Tax collected dollars) shouldn't be allocated for parties of selected individuals or groups. It's a large leap of faith to suggest that a reported "Law Enforcement Appreciation Ceremony" would be considered the best available avenue to spend (CID) funds towards.

It's highly recommended to have other Riverside County funds and/or private sector businesses support events that show appreciation towards Law Enforcement officials throughout "Western Riverside County".

It's critical that CID funds be spent appropriately.

Sincerely,
