Please step up to the podium when the Chair calls your name and begin speaking immediately. Pull the microphone to your mouth so that the Board, audience, and audio recording system hear you clearly. Once you start speaking, the "green" podium light will light. The "yellow" light will come on when you have one (1) minute remaining. When you have 30 seconds remaining, the "yellow" light will begin flash, indicating you must quickly wrap up your comments. Your time is up when the "red" light flashes. The Chair adheres to a strict three (3) minutes per speaker. ***Note: If you intend to give your time to a "Group/Organized Presentation", please state so clearly at the very bottom of the reverse side of this form.***

Group/Organized Presentations:

Group/organized presentations with more than one (1) speaker will be limited to nine (9) minutes at the Chair's discretion. The organizer of the presentation will automatically receive the first three (3) minutes, with the remaining six (6) minutes relinquished by other speakers, as requested by them on a completed "Request to Speak" form, and clearly indicated at the front bottom of the form.

Addressing the Board & Acknowledgement by Chair:

The Chair will determine what order the speakers will address the Board and will call on all speakers in pairs. The first speaker should immediately step to the podium and begin addressing the Board. The second speaker should take up a position in one of the chamber aisles to quickly step up to the podium after the preceding speaker. This is to afford an efficient and timely Board meeting, giving all attendees the opportunity to make their case. Speakers are prohibited from making personal attacks, and/or using course, crude, profane or vulgar language while speaking to the Board members, staff, the public and/or meeting participants. Such behavior, at the discretion of the Board Chair may result in removal from the Board Chambers by Sheriff Deputies.

Instead of wasting taxpayer dollars, consider what could have transpired if ECDAS wanted to help animals.

A mobile surgery unit can accommodate 27 animals INCLUDING 6 large Breed female dogs (important because they produce larger litters) per day.

IF these mobile clinics are 100% sponsored, and this means no cost to the clients, it would cost 4,000.00. This pays for Veterinarian, vet techs, gas, insurance, 3 employees, pain injections, pain meds and generator to run facility.

If you divide 4k by 210k this equals 52. 52 weeks in a year = 1 clinic per week for 1 calendar year.

1,404 animals would be sterilized. This amounts to 150.00 per animal. Might seem expensive but this is a bargain considering the alternative of unaltered pets. Also, a brick-and-mortar vet charges up to 300.00. Animal Samaritans charges CVAC 200.00 per spay/neuter. Even they are making money off the taxpayer.

Update to the County of Riverside Veterans Preference hiring policy

I contend an official letter from the Veterans Administration can provide the same information being requested as the DD214 but is far easier to obtain relieving pressure from the veteran and still being able to provide the same information requested by the Riverside County.

A small update to the current policy will allow a veteran to furnish the required information.

BOARD OF SUPERVISORS POLICY

VETERANS PREFERENCE POLICY	C-3	1 of 3

Policy:

To honor the men and women in our armed forces, and to continue benefiting from their talents, training, and dedication to public service, the County of Riverside will be expanding the opportunities for civilian employment to our external veteran candidates.

Veterans' Preference provides veterans, and their spouse, opportunities to receive interviews in the selection process for employment and internship openings with the County of Riverside. The County's Veterans' Preference consideration will be applied to all competitive employment processes. Veterans and their spouse must apply for positions and will be given an interview if they:

1. Meet the minimum qualifications;
2. Meet any other required special qualifications;
3. Achieve a passing score for examinations (where required); and
4. Provide evidence that they have the skills required of the position.

Note: Only individuals, who have provided proof of eligibility by the job-posting deadline, will receive Veterans' Preference designation, regardless of having marked 'yes' to being a veteran or a qualifying family member during the application process.

1. TYPES OF PREFERENCE AND PROOF OF ELIGIBILITY:

All applicants claiming Veterans' Preference status are required to submit documented proof of an Honorable or General Discharge, or certification of expected discharge under honorable conditions, to receive preference status.

2. VETERANS:

- A. Veterans with a minimum of 90 days in service during wartime period and total prior active service may be considered in determining qualification for Veterans' Preference. For consideration, applicants must provide a legible copy of Form DD-214 or NGB-22 Certificate of Release or Discharge from Active Duty, as directed during the application process.
- B. Active-duty service members may be considered as Veterans and receive preference by submitting a "certification" when submitting their application for employment. The "certification" must be a written document from the armed

forces which certifies that the service member is expected to be discharged or released from active-duty service in the armed forces under honorable conditions within 30 days of submitting an application to a County position. Prior to appointment, the County will verify the service member is eligible for Veterans' Preference per section A above.

3. DISABILITY:

In addition to the Form DD-214 or NGB-22, applicants must supply an official letter of service-related disability from the U. S. Veteran's Administration. Disability must be at least 10 percent and service-related. A photocopy of the official notification from the Veteran's Administration is acceptable proof of service-related disability. Unofficial notification is not acceptable.

4. SPOUSAL PREFERENCE:

- A. Spouses of a disabled veteran may qualify for Veteran's Preference providing the disability is 100%. A copy of a Member-4 Form DD-214 or NGB-22 and letter of eligibility from the U.S. Veteran's Administration reflecting 100% disability must be submitted to the Human Resources department. The letter must state that the spouse is eligible for the preference.
- B. A surviving spouse of a veteran who died of service-related causes must provide a copy of a Member-4 Form DD-214 or NGB-22 and a letter from the U.S. Veteran's Administration to the Human Resources department. The letter must state that the surviving spouse is eligible for the preference.

5. NATIONAL GUARD AND RESERVISTS:

National Guard and Reservists are entitled to the same Veterans' Preference as active duty, including cases of disability or spousal. Persons requesting preference are required to provide a legible copy of Member-4 Form DD-214 or NGB-22 and a letter of service-related disability, if applicable, to the Human Resources department.
