BOARD OF SUPERVISORS
OF THE COUNTY OF
RIVERSIDE, STATE OF
CALIFORNIA
ORDINANCE NO. 348,5018
AN ORDINANCE OF THE
COUNTY OF RIVERSIDE
AMENDING
ORDINANCE NO. 348
RELATED TO ZONING

The Board of Supervisors of the County of Riverside ordains as follows:

Section 1. Article XIXp of Ordinance No. 348 is added to Ordinance No. 348 to read as follows:

"Article XIXp RANCHO COMMUNITY EVENT FACILITIES

SECTION 19.1400. FINDINGS AND PURPOSE.

The purpose of this Article is to protect the public health, safety, and general welfare, in compliance with State law, by providing regulations and establishing standards for Rancho Community Event Facilities conducted on date palm and agriculture farms in the unincorporated areas of the Western Coachella Valley Area Plan and Eastern Coachella Valley Area Plan, as designated in the Riverside County Comprehensive General Plan. It is reported that more than 90 percent of the dates produced in the United States are grown in the Coachella Valley. According to the Riverside County Agricultural Commissioner's 2022 Crop Report, Riverside County was ranked 14th in 2021 for total value of agricultural production by county in California. The report also lists Coachella Valley as contributing nearly 58% of the valuation for total agricultural crops for the entire Riverside County area.

The intent of this Article is to establish permitting requirements for Rancho Community Event Facilities in order to support the heritage of the community and residents and unique date palms and other agriculture of the Western Coachella Valley Area Plan and Eastern Coachella Valley Area Plan and contribute to the local economy. The intent is also to balance and protect neighborhood character and minimize the potential for negative impacts on communities and the environment, such as noise, trash, parking, and traffic, while establishing land use regulations for Rancho Community Event Facilities, which are primarily hosted outdoor events, such as anniversary, celebration, ceremony, wedding ceremony and/or reception, birthday, quinceañera, sweet-sixteen event, baby shower, holiday party, graduation, fundraiser for a charitable non-profit organization, or farm-to-table event.

Therefore, the Board of Supervisors has enacted the following provisions to regulate and control, in a content neutral manner, Rancho Community Event Facilities that are conducted in the unincorporated areas of the Western Coachella Valley Area Plan and Eastern Coachella Valley Area Plan of the County of Riverside, as designated in the Riverside County Comprehensive General Plan. This Article establishes a permit process and standards for the zoning, development, and operation of Rancho Community Event

Facilities which shall be deemed a secondary and accessory use to the ongoing agriculture use of the Property for date palm and other agricultural crops. These provisions are necessary to reduce impacts to surrounding properties so that Rancho Community Event Facilities do not result in an incompatible land use.

SECTION 19.1401. APPLICABILITY, LOCATION, AND LIMITATIONS.

A. APPLICABILITY.

This Article only applies to Rancho Community Event Facilities, not public events, commercial events, or Temporary Events. Rancho Community Event Facilities may be used in conjunction with an approved Short Term Rental or Temporary Event, if separately approved under the provisions of this Ordinance or Ordinance No. 927, as applicable.

B. PERMITTED ZONING.

Rancho Community Event Facilities shall be permitted only on Property located in the A-1, A-2, M-SC, M-M, M-H, R-A, or W-2 zones within the Western Coachella Valley Area Plan and Eastern Coachella Valley Area Plan, as designated in the Riverside County Comprehensive General Plan.

C. AGRICULTURAL USE.

1. Rancho Community Event Facilities shall be permitted only when the Property has an ongoing agricultural use which meets the following requirement: a total of 40% of the Property shall be utilized for agricultural crops with at least 20% planted with date palms. Buildings or structures related to the use in furtherance of the required agricultural use may count towards the total of 40%. This agricultural use requirement must be verified by the County prior to the issuance of a certificate of occupancy or final inspection, whichever occurs sooner. Rancho Community Event Facilities shall be deemed a secondary or accessory use to the ongoing agricultural use, subject to the following requirements:

a. Rancho Community Events shall not interfere with agricultural use of the Property; and,

b. Rancho Community Events shall not convert agricultural areas of the Property to an alternative use for the purpose of developing or expanding a Rancho Community Event Facility.

2. Rancho Community Event Facilities shall not be permitted when the underlying Property is under a conservation easement or a land conservation contract pursuant to the Williamson Act.

SECTION 19.1402. PROHIBITED ACTIVITIES.

A. Rancho Community Event Facilities are prohibited within any of the following locations:

1. All areas of the unincorporated areas of Riverside County, except within the Western Coachella Valley Area Plan and Eastern Coachella Valley Area Plan, as designated in the Riverside County Comprehensive General Plan;

2. Properties that do not have an ongoing agricultural use meeting the requirements of Section 19.401.C.;

3. Vacant Property; and
4. Property that does not meet the zoning and size requirements of Section 19.1404.A. of this ordinance. A Rancho Community Event Facility shall not be allowed to operate on multiple Properties, unless a parcel merger is approved by the County.

B. Any Rancho Community Event Facility activity that is not expressly provided for in an approved plot plan permit or conditional use permit is prohibited and is hereby declared a public nuisance.

SECTION 19.1403. EXEMPTIONS.

The following activities shall be exempt from the provisions of this Section and not require approval of a land use permit for Rancho Community Event Facilities:

A. Temporary Events and exemptions to Temporary Events provided for under Article XIXa of this ordinance.

B. Event uses that are accessory or secondary to an active residential use of the Property and held by the Property owner or onsite resident, including private parties, gatherings, and other similar activities, and are not based on a financial arrangement with the Rancho Community Event Facility.
