**C.E.O. RECOMMENDATION:**

**BACKGROUND:**

**Summary**

On November 17, 2020, the Riverside County Board of Supervisors (Board) directed the Executive Office to implement an Unincorporated Communities Initiative (UCI). The UCI is a focused, ongoing, and coordinated effort to improve the infrastructure and services provided to the residents of unincorporated communities, with emphasis on Disadvantaged Unincorporated Communities (DUCs). The program is funded through the General Fund/Net County Cost (NCC) monies from the County during the annual budget and quarterly budget revision process.

Based on the foundational work completed by the UCI Team and further analysis by Riverside County Probation, \$4,500 of the remaining available UCI funding for the Fifth District will be allocated to the following project:

The Justice System Symposium event named "Changing Lives in District 5" will serve residents in District 5 in Moreno Valley and surrounding unincorporated areas.

The Symposium event will be held in Moreno Valley to serve the areas of Nuevo, Lakeview, San Timoteo Canyon, Reche Canyon, and others surrounding Moreno Valley.

The symposium will educate residents on the initiatives that have been implemented by Riverside County Probation, the office of Supervisor Gutierrez, and local community-based organizations to assist and serve justice impacted individuals, and the general population of youth and adults in District 5. This symposium will present resources and initiatives that will guide, and support justice impacted community members towards change and leading successful lives.

In accomplishing their mission, they provide several services and programs to those that are justice impacted. With this symposium the goal is to educate and inform the community of available programs including the initiatives by Supervisor Gutierrez, such as the 2<sup>nd</sup> Chance Program. By doing so, we will provide support to those who are justice impacted so individuals and their families know the County of Riverside supports all the residents to create a place where they can live, eat, play safely, and thrive.

As of February 2025, approximately 2,700 District 5 residents were on a grant of probation supervision and as a result their families were also justice impacted. This event will benefit all youth, adults, and families that are or have been justice impacted and offer them support, stories of change, and connection to community programming and services.
