**BACKGROUND:**

**Summary**

The County of Riverside (County) is a Member Jurisdiction of the Western Riverside Council of Governments (WRCOG), a joint powers agency composed of the County and eighteen (18) cities located in Western Riverside County. In 2002-2003, the WRCOG Member Jurisdictions developed a plan whereby the shortfall in funds needed to enlarge the capacity of the Regional System of Highways and Arterials due to new development in Western Riverside County could be made up in part by a Transportation Uniform Mitigation Fee (TUMF) on future residential, commercial and industrial development. As a Member Jurisdiction of WRCOG and as a TUMF Participating Jurisdiction, the County participated in the preparation of a certain "Western Riverside County Transportation Uniform Fee Nexus Study," (2002 Nexus Study) later adopted by the WRCOG Executive Committee. Based on the 2002 Nexus Study, the County adopted and implemented an ordinance authorizing the County's participation in a TUMF Program.

Pursuant to the Board of Supervisors (Board) Policy A-67, an ordinance amendment shall require initiation by the Board. Such initiation shall be in the form of order adopted by a majority of the Board members. The order will direct County Transportation Department and County Counsel to amend County Ordinance No. 824 to update the fee collection process under the Western Riverside County Transportation Uniform Mitigation Fee Program.
