BACKGROUND:

Summary

California Advancing and Innovating Medi-Cal (CalAIM) is a long-term California Department of Health Care Services (DHCS) initiative to transform and strengthen Medi-Cal, offering Californians a more equitable, coordinated, and person-centered approach to maximizing their health and life trajectory. This includes launching the Enhanced Care Management (ECM) benefit and optional Community Supports (CS).

DHCS has developed several incentive programs to support CalAIM implementation, one of which is the Housing and Homelessness Incentive Program (HHIP). HHIP is a voluntary incentive program that will allow health plans to earn incentive funds for making progress in addressing homelessness and housing insecurity and social determinants of health. Total Incentive Funds available are \$1.288 billion one-time funds.

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

On January 10, 2023, pursuant to Minute Order 3.15, the Board accepted HHIP Grant funding awarded through the Inland Empire Health Plan (IEHP) and Molina Healthcare of California (MHC) for the HHIP, on behalf of Riverside County to support rapid rehousing for Medi-Cal families and youth, and interim housing for aging and disabled populations.

A First Amended and Restated Agreement for street outreach services in Districts 1 with Jewish Family Service of San Diego (JFSSD) was approved by the Board in the amount of \$409,759.45. JFSSD has not fully expended their award and has requested additional time to fulfill their project goals. Both parties desire to extend the period of performance through June 30, 2025, to allow JFSSD to complete their project. There will be no other changes to the agreement.

A First Amended and Restated Agreement for street outreach services in Districts 1 with Step Up on Second Street, Inc. (SUOS) was approved by the Board in the amount of \$761,639.35. SUOS has not fully expended their award and has requested additional time to complete their project. Both parties desire to extend the period of performance through June 30, 2025, to allow SUOS to complete their project. There will be no other changes to the agreement.

A First Amended and Restated Agreement for street outreach services in District 1, 3, 4, and 5 with Operation Safe House, Inc. (OSH) was approved by the Board in the amount of \$1,402,261. OSH has not fully expended their award and has requested additional time to fulfill their project goals. Both parties desire to extend the period of performance through June 30, 2025, to allow OSH to complete their project. There will be no other changes to the agreement.

Impact on Residents and Businesses

Residents and businesses will benefit as the funds will be used to address critical gaps in services and housing for homeless seniors, youth, families, and to address housing insecurity and instability as a social determinant of health for the Medi-Cal population in Riverside County.

Contract History and Price Reasonableness

The projects will continue to be fully funded by HHIP grant funds that were awarded to HWS by IEHP and MHC. JFSSD, SUOS, and OSH were in contract with HWS through September 30, 2024. There is now a need and desire to amend and restate all three agreements to extend the period of performance to allow JFSSD, SUOS, and OSH time to fully expend their awarded grant funds and continue their progress of the HHIP initiatives in the County of Riverside.

With respect to any action or claim subject to indemnification herein by SUBRECIPIENT, SUBRECIPIENT shall, at their sole cost, have the right to use counsel of their own choice, subject to the approval of COUNTY which shall not be unreasonably withheld, and shall have the right to adjust, settle, or compromise any such action or claim without the prior consent

of COUNTY; provided, however, that any such adjustment, settlement or compromise in no manner whatsoever limits or circumscribes SUBRECIPIENT indemnification to Indemnitees as set forth herein.

- C. SUBRECIPIENT's obligation hereunder shall be satisfied when SUBRECIPIENT has provided to COUNTY the appropriate form of dismissal relieving COUNTY from any liability for the action or claim involved.
- D. The specified insurance limits required in this Agreement shall in no way limit or circumscribe SUBRECIPIENT's obligations to indemnify and hold harmless the Indemnitees herein from third party claims.

14. INSURANCE

- A. Without limiting or diminishing SUBRECIPIENT's obligation to indemnify or hold COUNTY harmless, SUBRECIPIENT shall procure and maintain or cause to be maintained, at its sole cost and expense, the following insurance coverages during the term of this Agreement. As respects to the insurance section only, COUNTY herein refers to the County of Riverside, its agencies, districts, special districts, and departments, their respective directors, officers, Board of Supervisors, employees, elected or appointed officials, agents, or representatives as Additional Insureds.
- B. Any insurance carrier providing insurance coverage hereunder shall be admitted to the State of California and have an AM BEST rating of not less than A: VIII (A:8) unless such requirements are waived, in writing, by the COUNTY Risk Manager. If the COUNTY's Risk Manager waives a requirement for a particular insurer such waiver is only valid for that specific insurer and only for one policy term.
- C. SUBRECIPIENT's insurance carrier(s) must declare its insurance self-insured retentions. If such self-insured retentions exceed \$500,000 per occurrence such retentions shall have the prior written consent of the COUNTY Risk Manager before the commencement of operations under this Agreement. Upon notification of self-insured retention unacceptable to COUNTY, and at the election of the COUNTY's Risk Manager, SUBRECIPIENT's carriers shall either; 1) reduce or eliminate such self-insured retentions as respects to this Agreement with COUNTY, or 2) procure a bond which guarantees payment of losses and related investigations, claims administration, and defense costs and expenses.

Further, said certificate(s) and policies of insurance shall contain the covenant of the insurance carrier(s) that thirty (30) calendar days' written notice shall be given to the COUNTY prior to any material modification, cancellation, expiration or reduction in coverage of such insurance. In the event of a material modification, cancellation, expiration, or reduction in coverage, this Agreement shall terminate forthwith, unless the COUNTY receives, prior to such effective date, another properly executed original certificate of insurance and original copies of endorsements or certified original policies, including all endorsements and attachments thereto evidencing coverages set forth herein and the insurance required herein is in full force and effect. SUBRECIPIENT shall not commence operations until the COUNTY has been furnished original certificate(s) of insurance and certified original copies of endorsements and if requested, certified original policies of insurance including all endorsements and any and all other attachments as required in this section. An individual

authorized by the insurance carrier to do so on its behalf shall sign the original endorsements for each policy and the certificate of insurance.

- E. It is understood and agreed to by the parties hereto that SUBRECIPIENT's insurance shall be construed as primary insurance, and COUNTY's insurance and/or deductibles and/or self-insured retentions or self-insured programs shall not be construed as contributory.
- F. If, during the term of this Agreement or any extension thereof, there is a material change in the scope of services, or there is a material change in the equipment to be used in the performance of the scope of work which will add additional exposures (such as the use of aircraft, watercraft, cranes, etc.), or the term of this Agreement, including any extensions thereof, exceeds five (5) years, the COUNTY reserves the right to adjust the types of insurance required under this Agreement and the monetary limits of liability for the insurance coverages currently required herein if, in the COUNTY Risk Manager's reasonable judgment, the amount or type of insurance carried by the SUBRECIPIENT has become inadequate.
- G. SUBRECIPIENT shall pass down the insurance obligations contained herein to all tiers of subcontractors working under this Agreement.
- H. The insurance requirements contained in this Agreement may be met with a program of self-insurance acceptable to COUNTY.

The term "Unsheltered homeless people" means an individual or family with a primary nighttime residence that is a public or private place not designed for or ordinarily used as a regular sleeping accommodation for human beings, including a car, park, abandoned building, bus or train station, airport, or camping ground.
- Subrecipient must determine an individual or family's vulnerability and willingness or ability to access emergency shelter, housing, or an appropriate health facility, prior to providing essential services under this component to ensure that ESG funding is used to assist those with the greatest need for street outreach assistance.
- Street Outreach workers should be focused on working with the unsheltered population who are NOT connected with other services such as day centers and emergency shelters, as these persons have the ability to access services and case management from these providers. Street Outreach work is unique with the ability to reach those who cannot or will not reach services on their own.
- As a condition of the award of Street Outreach funding, SUBRECIPIENT will be required to co-facilitate and participate in a regional Street Outreach Collaborative that will include other Street Outreach Teams that will meet regularly to coordinate outreach and case conference. B.6 DIVERSION

Diversion is a strategy that helps people experiencing a housing crisis to identify and access safe alternatives to an emergency shelter quickly. Street outreach workers should work to resolve problems through natural supports and progressive engagement of "lighter touch" solutions before providing a more intensive response through the shelter system or any other homeless service. Diversion includes services such as: creative problem-solving conversations; connecting with community resources and family supports; housing search and placement to help individuals and families resolve their immediate housing crisis.

B.7 UNIVERSAL ASSESSMENT

If an individual or family cannot be diverted from the homeless system of care, street outreach workers will complete the Vulnerability Index Service Prioritization Decision Assistance Tool (VI-SPDAT). The Coordinated Entry System utilizes the VI-SPDAT, TAY VI-SPDAT, and Family VI-SPDAT for determination of housing needs and vulnerability prioritization. The VI-SPDAT is a brief survey that can be conducted to quickly determine whether a client has high, moderate, or low acuity and vulnerability. These are taken into consideration with other factors to determine housing and services prioritization.

SUPPORTING DOCUMENTATION

The general rule for supporting documentation is that for any program cost that is to be reimbursed (or used as match), provide the invoice which documents that a cost was incurred, and a receipt, or a copy of a check, a check stub, or copy of bank statement to substantiate the amount paid. Supporting documentation must be ***legible, clear, and organized***. The COUNTY must be able to tie your request to the amounts claimed after each line item on the Claim Form. Costs can only be reimbursed if they have been included in the original Technical Submission/Application.

Documentation for like line items should be clipped together and identified with a summary sheet or label identifying the Line Item Number or the Activity as listed on the Claim Form A spreadsheet itemizing the expenses, or at a minimum, an adding machine tape showing the expenses with a matching amount on the claim form is helpful. The clearer the information is that you provide, the quicker we will be able to process the claim.

The Fiscal Management Reporting Unit reviews each claim for expenses that are:

Appendix A**PURPOSE/BACKGROUND**

The County of Riverside Purchasing Department on behalf of Riverside County's Housing, Homelessness Prevention and Workforce Solutions Department (HHPWS) – Continuum of Care Division, hereafter referred to as the County, is seeking quotes from interested, qualified, and experienced bidders to provide expand on essential *Street Outreach (SO)* services necessary to reach out to unsheltered homeless individuals and families, connect them with emergency shelter, permanent housing, or critical services, and provide them with urgent, non-facility-based care. The Street Outreach Program is funded under the Coronavirus Aide, Relief, and Economic Security Act (CARES) enacted on March 27, 2020 for the purposes of *preventing, preparing for and responding to the coronavirus pandemic*. The California Emergency Solution Grant Round 2 (ESG-CV2) is administered by the California Department of Housing and Community Development ("State Department") with funding received from the U.S. Department of Housing and Urban Development (HUD). HCD has allocated \$31,589,00 to HHPWS-CoC to administer Homeless Assistance Programs in Riverside County, with the Street Outreach Allocation being \$1,474,617 to prevent, prepare for and respond to the coronavirus pandemic. The California ESG-CV2 funds are to provide services in all areas of the County of Riverside not currently eligible for ESG funds through direct city ESG entitlement. Areas excluded and not eligible for ESG funds under this RFP include the cities of: Riverside and Moreno Valley.

The ESG-CV2 funding priorities are: (1) to serve those most in need through rapid rehousing, emergency shelter, and street outreach; and (2) to ensure all eligible persons receive equitable services with dignity, respect and compassion regardless of circumstance, ability, or identity. This includes marginalized populations, Black, Native and Indigenous, Latinx, Asian, Pacific Islanders, and other people of color, immigrants, people with criminal records, people with disabilities, people with mental health and substance use vulnerabilities, people with limited English proficiency, people who identify as transgender, people who identify as LGBTQ+, and other individuals that may not have access to mainstream support.

The intent of the ESG-CV2 funds is to supplement the existing operational budgets of nonprofit organizations and government agencies responding to the critical needs of the community by providing services to prevent, prepare for, and respond to increased demand for services for these populations.

Please Note: the ESG-CV funds can be used to reimburse homelessness service providers for eligible coronavirus-related expenses incurred before the enactment of the CARES Act. The County of Riverside will use March 4, 2020, as the coronavirus pandemic impact date.

The expenditure deadline is August 31, 2022 for ESG-CV Round 2 Street Outreach.

Goal

The primary goal of the County's ESG-CV2 Street Outreach Program is to prevent, prepare for and respond to the coronavirus by expanding street outreach efforts across the County of Riverside to engage with persons experiencing unsheltered homelessness, with the ultimate goal of moving these persons into permanent housing where they will be the safest.

Target Populations

Unsheltered homeless throughout Riverside County.

Objectives

1. Develop a more effective crisis response system including a coordinated street outreach network to cover assigned geography, that will act as an entry point to the Continuum of Care's Coordinated Entry System (CES) for unsheltered individuals.
2. Expand street outreach services in all five Supervisorial Districts to support systematic street outreach services in each region and to prevent, prepare for and respond to the coronavirus.
2. Establish a direct connection with existing Street Outreach Program to promote coordination across all teams and ensure services are planned, strategic, and organized.
3. Move unsheltered homeless into emergency shelters or other housing options, where they can be linked to supportive services, and eventually permanent housing.
4. Increase the availability of field based clinical and medical support staff to address the complex physical and behavioral health barriers individuals may be experiencing in unsheltered homelessness.
5. Provide specialized and targeted street outreach services to engage marginalized populations experiencing homelessness in Riverside County. These marginalized populations include Black, Native and Indigenous, Latinx, Asian, Pacific Islanders, and other people of color, immigrants, people with criminal records, people with disabilities, people with mental health and substance use vulnerabilities, people with limited English proficiency, people who identify as transgender, people who identify as LGBTQ+, and other individuals that may not have access to mainstream support.
6. Provide street outreach services that are low barrier, trauma informed, culturally responsive and Housing First-oriented which recognizes that the most effective solution to homelessness is permanent housing and all housing for the homeless should be provided immediately, without any preconditions, such as sobriety requirements. Per HUD guidance, individuals and families assisted with these ESG-CV2 funds must not be required to receive treatment or perform any other prerequisite activities as a condition for receiving shelter, housing, or other services for which these funds are used.

Program Evaluation

The HHPWS - Continuum of Care Division will provide ongoing program monitoring and technical assistance to ensure that programs are meeting strict spending milestones established by HUD and the State. In line with HUD's expenditure deadlines included in the CPD-20-08 ESG-CV Notice, HHPWS requires subrecipients to meet the following expenditure deadlines for ESG-CV2 funding. Should the subrecipient not meet the following expenditure expectations, HHPWS in its sole discretion reserves the right to recapture the difference in funds between the actual expenditure amount at the expenditure deadline and expected expenditure. The Department also reserves the right in its sole discretion to mandate a corrective action or remediation plan to ensure future timely expenditure of ESG-CV Round 2 funds.

Percentage of ESG-CV (Round 2) Award	Expenditure Deadline
20%	July 31, 2021
40%	September 30, 2021
60%	November 30, 2021
80%	January 31, 2022

Emergency Shelter ESG-CV2 Funds**

PURPOSE: The County of Riverside and its Housing, Homelessness Prevention, and Workforce Solutions Department (HHPWS), hereafter called The County, seeks organizations providing permanent and/or temporary emergency shelters in Riverside County to help *prevent, prepare for, and respond to the coronavirus*, prioritizing seniors, families and youth experiencing homelessness.

BACKGROUND: In response to the novel coronavirus pandemic (COVID-19), the U.S Congress passed the Coronavirus Aid, Relief, and Economic Security Act (CARES Act), Public Law 116-25, in March 2020, which provided a supplemental appropriation of Homeless Assistance Grants under the Emergency Solutions Grant (ESG) Program (24 CFR 576). These funds must be used to prevent, prepare for, and respond to COVID-19 among individuals and families who are homeless to mitigate the impacts created by the virus.

The County has been allocated \$14,321,711 under the ESG Emergency Shelter component (24 CFR 576.102) of the ESG Interim Rule. This Letter of Intent is not for Rapid Rehousing (RRH), Prevention, or Street Outreach components. The Emergency Shelter Cares Act (ESG-CV2) funding is to be used for operational and essential services for permanent and/or temporary emergency shelters.

The primary intent of the ESG-CV2 emergency shelter funding is to supplement the existing operational budgets of nonprofit organizations and government agencies responding to the critical needs of the community by providing services to prevent, prepare for, and respond to increased demand for emergency shelter.

Please Note: the ESG-CV funds can be used to reimburse emergency shelter service providers for eligible coronavirus-related expenses incurred before the enactment of the CARES Act. The County of Riverside will use March 4, 2020, as the coronavirus pandemic impact date.

DESCRIPTION OF SERVICES: The County is releasing this LOI to identify potential vendor or vendors to provide the services outlined in Exhibit A.

CONTRACT TERM: March 4th, 2020 through January 31st, 2022, with no option to extend the contract. The minimum request for this award is set at \$500,000.

COMPENSATION: This request is for informational purposes only. The County of Riverside is not responsible for any cost(s) incurred in response to this LOI.

CONFIDENTIALITY: Should a Respondent request in writing that their proprietary information be held in confidentiality, the County will comply. This LOI is for informational purposes only.

ALTERATION: No alteration or variation of the terms of this LOI shall be valid, and no oral understanding or agreement, not incorporated herein, shall be binding on any of the parties hereto. Only the County of Riverside Board of Supervisors or the County Purchasing Agent may authorize any alteration or revision of this LOI, which would be completed in writing. The parties expressly recognize that County personnel are without authorization to either change or waive any requirements of this LOI.

VENDOR INQUIRIES/ RESPONSES: The County requires that Respondents mail and email a "Letter of Interest," typewritten uniformly on letter-size (8 ½" by 11") sheets of white paper with each section clearly titled, and each page clearly and consecutively numbered.

Respondents shall express their interest and include a brief description of services to be provided, completion of Exhibit B showing the expenditure milestones to be met, along with a completed and signed LOI Form, attached and incorporated herein as Exhibit C. Documents must be clean and suitable for copying. Please submit electronically on the Public Purchase website at www.publicpurchase.com

AUTHORITY, PURPOSE AND SCOPE OF WORK

1. Authority & Purpose

This Standard Agreement (hereinafter "Agreement") will provide official notification of the conditional reservation of funds under the State of California's administration of the federal CARES Act Emergency Solutions Grants Program Allocation (hereinafter, "ESG-CV" or the "Program") by the Department of Housing and Community Development (hereinafter the "Department" or "HCD") pursuant to the provisions of the 2020 Federally enacted Coronavirus Aid, Relief, and Economic Security Act, Title XII, Homeless Assistance Grants Section (hereinafter, "CARES Act") and any HUD Notices or waivers including the HUD Mega-Waiver dated April 1, 2020 and HUD CPD Notice-20-08 dated September 1, 2020 and, where not superseded by the CARES Act, pursuant to the provisions of 42 USC 11371 – 42 USC 11378, ("Federal Statutes"), 24 CFR Part 576, ("Federal Regulations") all as shall be amended from time to time.

HCD receives federal funds for ESG-CV from the United States Department of Housing and Urban Development (HUD). In accepting this conditional reservation of funds, Contractor (sometimes referred to herein as "Grantee," "Administrative Entity," "Applicant," or "Continuum of Care") agrees to comply with the terms and conditions of this Agreement, which relates to the ESG-CV Notice of Funding Availability (NOFA) dated June 1, 2020 (Round 1) and the ESG-CV NOFA dated October 2, 2020 (Round 2) under which the Contractor applied, the representations contained in the Contractor's Application for the ESG-CV funding allocations, and the requirements of the authorities cited above. Any and all changes made to the submitted and awarded Application after this Agreement is executed must receive prior written approval from the Department.

2. Scope of Work

- A. Contractor shall perform the Scope of Work ("Work") required as described in this Agreement and in the Application, which is on file electronically with the Department and which is incorporated herein by reference. Contractor shall be responsible for ensuring its selected homeless service providers perform the Work set forth in Exhibit E of this Agreement. All written materials or alterations submitted as addenda to the original Application and which are approved in writing by the Department are hereby incorporated as part of the Application. The Department reserves the right to require the Grantee to modify any or all parts of the Application in order to comply with ESG-CV requirements. The Department reserves the right to monitor all Work to be performed by the Grantee, its contractors, and subgrantees in relation to this Agreement. Any proposed revision to the Scope of Work must be submitted in writing for review and approval by the Department and may require an amendment to this Agreement. Approval shall not be presumed unless such approval is made by the Department in writing.

- B. Contractor shall perform the Work, only in the areas as identified, and in accordance with the approved ESG-CV Application and as required by Federal ESG requirements at 24 CFR Section 576. Contractor's selected homeless service providers shall provide services in the areas identified in the application/award recommendation package submitted to the Department. Services shall be provided by the Contractor and the Contractor's funded subrecipients for at least the term of the ESG-CV grant. For the purposes of performing the Scope of Work, the Department agrees to provide the amount(s) identified in Exhibit F. Unless amended in writing, the Department shall not be liable for any costs in excess of the total approved budget. The Department shall not, under any conditions, be liable for any unauthorized or ineligible costs or activities.

3. **Duplication of Benefits**

A Duplication of Benefit (DOB) occurs when a program beneficiary receives assistance from multiple funding sources totaling an amount that exceeds the need for a particular funding need. The duplication is the amount of assistance provided in excess of the need. It is the Department's responsibility to ensure that each ESG-CV activity provides assistance only to the extent that the recipient's project's funding need(s) has not been met by another funding source.

Section 312 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (Stafford Act) prohibits federal agencies from providing assistance to any "person, business concern, or other entity" for any loss for which the entity has already received financial assistance from another source (See: 42 USC § 5155(a)). The Federal Register Notice, published on November 16, 2011 (Docket No. FR-5582-N-01), requires adequate policies and procedures in place to prevent a DOB and provide for the recapture of funds, if necessary.

Applicants will be required to complete DOB documentation with application. Recipients will be required to continue to report on DOB during the expenditure period for the ESG-CV funds. Applicants will be required to prepare DOB policies and procedures including a policy for funds recapture to be included in written standards.

4. **Effective Date and Commencement of Work**

This Agreement was effective upon the date of the Department representative's signature on page one of the fully executed Standard Agreement, STD 213, (the "Effective Date"). However, the Standard Agreement is being modified per this Standard Agreement Amendment (STD 213A) which is effective upon the date of the Department's representative's signature on page one of STD 213A. Per the CARES Act, contractors may request reimbursement for allowable costs incurred to prevent, prepare for, and respond to coronavirus including costs that are incurred, including costs incurred prior to award letter and prior to the date of the enactment of the CARES Act. In addition, no activity funds shall be incurred until any required environmental review process has been completed, if required under 24 CFR 50, except as exempted by the

14. Equal Opportunity Requirements and Responsibilities

- A. **Title VI of the Civil Rights Act of 1964:** This act provides that no person shall be excluded from participation, denied program benefits, or subject to discrimination based on race, color, and/or national origin under any program or activity receiving federal financial assistance.
- B. **Title VII of the Civil Rights Act of 1968 (The Fair Housing Act):** This act prohibits discrimination in housing on the basis of race, color, religion, sex and/or national origin. This law also requires actions which affirmatively promote fair housing.
- C. **Civil Rights Restoration Act of 1987:** This act restores the broad scope of coverage and clarifies the application of the Civil Rights Act of 1964. It also specifies that an institution which receives federal financial assistance is prohibited from discriminating on the basis of race, color, national origin, religion, sex, disability or age in a program or activity which does not directly benefit from such assistance.
- D. **Section 109 of Title 1 of the Housing and Community Development Act of 1974 [42 U.S.C. 5309]:** This section of Title 1 provides that no person shall be excluded from participation (including employment), denied program benefits, or subject to discrimination on the basis of race, color, national origin, or sex under any program or activity funded in whole or in part under Title 1 of the Act.
- E. **The Fair Housing Amendment Act of 1988:** This act amended the original Fair Housing Act to provide for the protection of families with children and people with disabilities, strengthen punishment for acts of housing discrimination, expand the Justice Department jurisdiction to bring suit on behalf of victims in federal district courts, and create an exemption to the provisions barring discrimination on the basis of familial status for those housing developments that qualify as housing for persons age fifty-five (55) or older.

- L. **The Equal Employment Opportunity Act:** This act empowers the Equal Employment Opportunity Commission (EEOC) to bring civil action in federal court against private sector employers after the EEOC has investigated the charge, found "probable cause" of discrimination, and failed to obtain a conciliation agreement acceptable to the EEOC. The Contractor will comply with Section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701u) and implementing 24 CFR, Part 135. The responsibilities of the Contractor are outlined in 24 CFR Part 135.32 as follows:

- B. Notifying potential subrecipients for Section 3 covered projects of the requirements and incorporating the Section 3 clause set forth in 24 CFR Part Section 135.38 in all solicitations and contracts in excess of \$100,000.00.

- F. A Contractor which distributes funds for Section 3 covered assistance to units of local governments, to the greatest extent feasible, must attempt to reach the numerical goals set forth in 24 CFR Part Section 135.30 regardless of the number of local governments receiving funds from the Section 3 covered assistance which meet the thresholds for applicability set forth at 24 CFR Part Section 135.30. The State must inform units of local government to whom funds are distributed of the requirements of this part; assist local governments and their contractors in meeting the requirements and objectives of this part; and monitor the performance of local governments with respect to the objectives and requirements of this part.

16. Affirmative Outreach

- A. Contractor or its subrecipients must make known that the use of the facilities, assistance, and services are available to all on a nondiscriminatory basis. If it is unlikely that the procedures the Contractor or its subrecipients intends to use to make known the availability of its facilities, assistance, and services will reach persons of any particular race, color, religion, sex, age, national origin, familial status, or disability, who may qualify for those facilities and services, the Contractor or its subrecipients must establish additional procedures that ensure that those persons are made aware of the facilities, assistance, and services.
- B. Contractor or its subrecipients must take appropriate steps to ensure effective communication with persons with disabilities including, but not limited to, adopting procedures that will make available to interested persons information concerning the location of assistance, services, and facilities that are accessible to persons with disabilities. Consistent with Title VI and Executive Order 13166, applicants are also required to take reasonable steps to ensure meaningful access to programs and activities for Limited English Proficiency (LEP) persons.

17. Environmental Requirements

This Agreement is subject to the provisions of the California Environmental Quality Act (CEQA). Contractor assumes responsibility to fully comply with CEQA's requirements regarding the Work. In addition, Contractor shall comply with the environmental requirements of 24 CFR Part 576.407 subdivision (d). The obligation of funds and incurring of costs is hereby conditioned upon compliance with CEQA, 24 CFR Section 576.407 subdivision (d) and completion by the State and the U.S. Department of Housing and Urban Development of all applicable review and approval requirements.

The Contractor shall supply all available, relevant information necessary for the Department to perform for each property any environmental review as required under 24 CFR Part 50. The Contractor shall also carry out mitigating measures required by the Department or select an

alternate eligible property. HUD may eliminate from consideration any application that would require an Environmental Impact Statement (EIS).

The subrecipient, or any contractor of the subrecipient, may not acquire, rehabilitate, convert, lease, repair, dispose of, demolish, or construct property for a project, or commit or expend ESG-CV or local funds for eligible activities under this part, until HUD has performed an environmental review under 24 CFR Part 50 and the subrecipient has received HUD approval of the property, except as permitted related to temporary shelters per the CARES Act, Title XII, Homeless Assistance Grants Section. For all funded applications, the Department will inform the subrecipient any required additional environmental review.

18. Clean Air and Water Acts

This Agreement is subject to the requirements of the Clean Air Act, as amended, 42 U.S.C. 1857et seq., the Federal Water Pollution Control Act, as amended, 33 U.S.C. 1251 et seq., and the regulations of the Environmental Protection Agency with respect thereto, at 40 CFR, Part 15, as amended from time to time.

19. Lead-Based Paint Hazards

The assistance provided under this Agreement is subject to the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. 4821 – 4845), the Residential Lead-Based Paint Hazard Reduction Act of 1992 (42 U.S.C. 4851 - 4856). Activities performed with the assistance provided under this Agreement are subject to 24 CFR, Part 35.

20. Prevailing Wages

- A. Where funds provided through this Agreement are used for construction work, or in support of construction work, Contractor shall ensure that the requirements of Chapter 1 (commencing with Section 1720) of Part 7 of the Labor Code (pertaining to the payment of prevailing wages and administered by the California Department of Industrial Relations) are met.
- B. For the purposes of this requirement "construction work" includes but is not limited to rehabilitation, alteration, demolition, installation or repair done under contract and paid for, in whole or in part, through this Agreement. All construction work shall be done through the use of a written contract with a properly licensed building contractor incorporating these requirements (the "Construction Contract"). Where the Construction Contract will be between the Contractor and a licensed building contractor, Contractor shall serve as the "awarding body" as defined in the Labor Code. Where the Contractor will provide funds to a third party that will enter into the Construction Contract with a licensed building contractor, the third party shall serve as the "awarding body".
- C. The Construction Contract and any amendments thereto shall be subject to the prior written approval of the Department. Prior to any disbursement of funds, including but not limited to release of any final retention payment, the Department may require a

certificate from the awarding body that prevailing wages have been or will be paid when required by Section 1720 et. seq. of the Labor Code.

21. Matching Funds

Per the CARES Act, the amounts provided under the ESG-CV funding shall not be subject to match requirements that otherwise apply to ESG funding.

22. Assurance of Compliance with the "Violence Against Women Reauthorization Act of 2013" (VAWA) (S.47 - 113th Congress (2013-2014)) (as amended or reauthorized) Title VI - Safe Homes for Victims of Domestic Violence, Dating Violence, Sexual Assault, and Stalking – Sec. 601-603

VAWA provides housing protections for survivors of domestic and dating violence, sexual assault, and stalking when it comes to finding and keeping a home they can feel safe in.

VAWA applies for all victims of domestic violence, dating violence, sexual assault, and stalking, regardless of sex, gender identity, or sexual orientation, and which must be applied consistently with all nondiscrimination and fair housing requirements. VAWA now expands housing protections to HUD programs beyond HUD's public housing program and HUD's tenant-based and project-based Section 8 programs. VAWA now provides enhanced protections and options for victims of domestic violence, dating violence, sexual assault, and stalking.

During the performance of this Agreement, the Contractor or its subrecipients assure that:

- A. Domestic Violence survivors are not denied assistance as an applicant, or evicted or have assistance terminated as a tenant, because the applicant or tenant is or has been a victim of domestic violence, dating violence, sexual assault, and stalking.
- B. It will implement an "emergency transfer plan", which allows for domestic violence survivors to move to another safe and available unit if they fear for their life and safety.
- C. It will provide "protections against denials, terminations, and evictions that directly result from being a victim of domestic violence, dating violence, sexual assault, or stalking, if the applicant or tenant otherwise qualifies for admission, assistance, participation, or occupancy."
- D. It will implement a "low-barrier certification process" where a domestic violence survivor need only to self-certify in order to document the domestic violence, dating violence, sexual assault, or stalking, ensuring third party documentation does not cause a barrier in a survivor expressing their rights and receiving the protections needed to keep themselves safe.

NOTE: Record retention is based on the Department's HUD closing date; NOT three (3) years from this Agreement expiration. The retention requirement can extend beyond three (3) years after this Agreement expires. Therefore, the Contractor must contact the Department for the specific record retention date for this Agreement.

- E. Contractor shall submit required reports on forms approved by the Department.

25. Audit/Retention and Inspection of Records

- A. Contractor agrees to maintain accounting books and records in accordance with Generally Accepted Accounting Principles, per 2 CFR 200.49. Contractor and its subrecipients listed in Exhibit B shall also comply with the requirements of 24 CFR Section 576.406 of the Federal Regulations.

27. Interest of Members, Officers or Employees of Contractors, Members of Local Governing Body

AUTHORITY, PURPOSE AND SCOPE OF WORK

1. Authority & Purpose

This Standard Agreement (hereinafter "Agreement") will provide official notification of the reservation of funds under the State of California's administration of the federal CARES Act Emergency Solutions Grants Program Allocation (hereinafter, "ESG-CV" or the "Program") by the Department of Housing and Community Development (hereinafter the "Department" or "HCD") pursuant to the provisions of the 2020 Federally enacted Coronavirus Aid, Relief, and Economic Security Act, Title XII, Homeless Assistance Grants Section (hereinafter, "CARES Act") and any HUD Notices or waivers including the HUD Mega-Waiver dated April 1, 2020 and HUD Notice CPD-22-06 dated April 18, 2022 and, where not superseded by the CARES Act, pursuant to the provisions of 42 USC 11371 – 42 USC 11378, ("Federal Statutes"), 24 CFR Part 576, ("Federal Regulations") all as shall be amended from time to time.

HCD receives federal funds for ESG-CV from the United States Department of Housing and Urban Development (HUD). In accepting this reservation of funds, Contractor (sometimes referred to herein as "Grantee," "Administrative Entity," "Applicant," or "Continuum of Care") agrees to comply with the terms and conditions of this Agreement, which relates to the ESG-CV Notice of Funding Availability (NOFA) dated June 1, 2020 (Round 1) and the ESG-CV NOFA dated October 2, 2020 (Round 2), the representations contained in the Contractor's Application for the ESG-CV funding allocations, and the requirements of the authorities cited above. Any and all changes made to the submitted and awarded Application after this amended Agreement is executed must receive prior written approval from the Department.

2. Scope of Work

- A. Contractor shall perform the Scope of Work ("Work") required as described in this Agreement and in the Application, which is on file electronically with the Department and which is incorporated herein by reference. Contractor shall be responsible for ensuring its selected homeless service providers perform the Work set forth in Exhibits E and F of this Agreement. All written materials or alterations submitted as addenda to the original Application and which are approved in writing by the Department are hereby incorporated as part of the Application. The Department reserves the right to require the Grantee to modify any or all parts of the Application in order to comply with ESG-CV requirements. - B. Contractor shall perform the Work, only in the areas as identified, and in accordance with the approved ESG-CV Application and as required by Federal ESG requirements at 24 CFR Section 576. Contractor's selected homeless service providers shall provide services in the areas identified in the application/award recommendation package submitted to the Department. 3. Duplication of Benefits

A Duplication of Benefit (DOB) occurs when a program beneficiary receives assistance from multiple funding sources totaling an amount that exceeds the need for a particular funding need. The duplication is the amount of assistance provided in excess of the need. It is the Department's responsibility to ensure that each ESG-CV activity provides assistance only to the extent that the recipient's project's funding need(s) has not been met by another funding source.

Section 312 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (Stafford Act) prohibits federal agencies from providing assistance to any "person, business concern, or other entity" for any loss for which the entity has already received financial assistance from another source (See: 42 USC § 5155(a)). The Federal Register Notice, published on November 16, 2011 (Docket No. FR-5582-N-01), requires adequate policies and procedures in place to prevent a DOB and provide for the recapture of funds, if necessary.

Applicants will be required to complete DOB documentation with application. Recipients will be required to continue to report on DOB during the expenditure period for the ESG-CV funds. Applicants will be required to prepare DOB policies and procedures including a policy for funds recapture to be included in written standards.

For all funded applications, the Department will inform the subrecipient any required additional environmental review.

VAWA provides housing protections for survivors of domestic and dating violence, sexual assault, and stalking when it comes to finding and keeping a home they can feel safe in.

During the performance of this Agreement, the Contractor or its subrecipients assure that:

- A. Domestic Violence survivors are not denied assistance as an applicant, or evicted or have assistance terminated as a tenant, because the applicant or tenant is or has been a victim of domestic violence, dating violence, sexual assault, and stalking.
- B. It will implement an “emergency transfer plan”, which allows for domestic violence survivors to move to another safe and available unit if they fear for their life and safety.
- C. It will provide “protections against denials, terminations, and evictions that directly result from being a victim of domestic violence, dating violence, sexual assault, or stalking, if the applicant or tenant otherwise qualifies for admission, assistance, participation, or occupancy.”
- D. It will implement a “low-barrier certification process” where a domestic violence survivor need only to self-certify in order to document the domestic violence, dating violence, sexual assault, or stalking, ensuring third party documentation does not cause a barrier in a survivor expressing their rights and receiving the protections needed to keep themselves safe.

HEALTH SERVICES DEPARTMENT**27. DELEGATION OF AUTHORITY TO APPROVE AGREEMENTS AND AMENDMENTS
RELATED TO THE HOUSING AND HOMELESSNESS INCENTIVE PROGRAM****Recommended Action:**

That the Governing Body of the Inland Empire Health Plan (IEHP) authorize the Chief Executive Officer or his designee to negotiate and, after legal review and approval, sign Agreements and Amendments related to the Housing and Homelessness Incentive Program (HHIP) for an amount not to exceed \$95,000,000 in total, for a program period through at least December 31, 2025.

Contact:

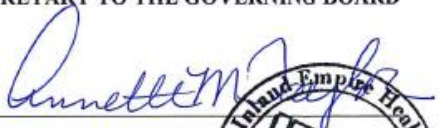

Takashi Wada, M.D., Chief Medical Officer

Background:

In accordance with section 9817 of the American Rescue Plan Act of 2021, the California Department of Health Care Services (DHCS) developed a Medi-Cal Home and Community Based Services (HCBS) Spending Plan detailing a series of initiatives that will enhance, expand, and strengthen HCBS in California. The Housing and Homelessness Incentive Program (HHIP) is one of the HCBS Transition Initiatives, which aims to expand and enhance programs that facilitate individuals transitioning to community-based independent living arrangements. HHIP is a voluntary incentive program that enables Medi-Cal managed care health plans (MCPs) to earn incentive funds for improving health outcomes and access to whole person care services by addressing homelessness and housing insecurity as social drivers of health and health disparities.

Effective January 1, 2022, DHCS implemented HHIP. As designed, the incentive program is intended to support delivery and coordination of health and housing services for Members by:

- Rewarding MCPs for developing the necessary capacity and partnerships to connect their Members to needed housing services; and
- Incentivizing MCPs to take an active role in reducing and preventing homelessness.

- PY 1 (January 1, 2022 to December 31, 2022), and:

Discussion:

Local Homelessness Plan

IEHP (as a required submission component for IEHP to participate in HHIP) submitted one individual Local Homelessness Plan (LHP) for each County and one joint LHP with Molina for each County it serves. To fulfill this requirement, IEHP collaborated with its local Continuums of Care (CoCs), Counties, and Molina to complete the LHPs. The LHPs four components included: 1) Submission of baseline quantitative and qualitative measures, 2) Narrative inclusive of strategies to address housing and service gaps, 3) Landscape analysis of county demographics, needs, and gaps, and 4) Identification of Funding Opportunity Availability within IEHP's service counties.

Investment Plan

IEHP submitted one individual Investment Plan (IP) for each County it serves. Both Riverside and San Bernardino County's Investment Plan each include 11 distinct investment activities. The primary goal of the IP is for IEHP to demonstrate to DHCS a clear plan for achieving measures and targets across the course of the program, in collaboration with local partners, through targeted investments in activities and efforts that align with program measures and goals and support IEHP's performance strategies. IEHP's IP was submitted on September 30, 2022 and subsequently approved by DHCS and thus, the activities detailed in each IP have commenced. Breakdown of costs and further detail on goals and measures can be found in the HHIP Investment Plan documents for each respective county (*see attachments A and B*).

There are three HHIP measure areas: 1) Partnerships & capacity to support referrals for Services, 2) Infrastructure to coordinate & meet member housing needs, and 3) Delivery of services & member engagement (*see attachments C and D*).

POLICY AGENDA

IEHP's total possible allocation:

Plan	County	PY1	PY2	Total Allocation
Inland Empire HP	Riverside	\$ 21,672,559	\$ 26,488,683	\$ 48,161,242
Inland Empire HP	San Bernardino	\$ 21,271,647	\$ 25,998,680	\$ 47,270,327

IEHP's return on investment will be shown through increased goodwill with the community, and respective county partner agencies as the health plan strives to reach the goal of decreasing homelessness within the dual county service area as well as increasing access to housing for historically marginalized community members or populations. IEHP's success in this initiative will be measured by meeting the incentive program metrics, drawing down funding, improving coordination/ data sharing with partner agencies, and by decreasing homelessness within the dual county service area.

HHIP aligns with the following regulatory requirements:

- APL 22-023: Street Medicine Provider: Definitions and Participation in Managed Care,
- APL 22-007: California Housing and Homelessness Incentive Program
- APL 21-017: Community Supports Requirements

Housing is a cornerstone of health equity and thus increasing access to safe and secure housing for IEHP's impacted populations supports the MCP's Mission, Vision, and Value (MVV) of vibrant health for all members and their families.

IEHP continues to cultivate positive working relationships with our county agency partners, which helps build bridges and close service gaps to further the MCP's goal of whole person care. Additionally, IEHP is working in cooperation with various external partners to increase access to equitable housing for populations that are historically marginalized, including but not limited to: LBGTQ+, Youth, SMI, and SUD populations.

Considering we are working with our partners to expand housing and housing related services (rental assistance, street medicine, etc.) to IEHP's more rural regions in both county service areas, resulting in increased access to services in the areas in which members currently reside.

- A. Secure all areas of the Grantor facilities where staff assist in the administration of their program and use, disclose, or store PII.
- B. These areas shall be restricted to only allow access to authorized individuals by using one or more of the following:
 - 1. Properly coded key cards
 - 2. Authorized door keys
 - 3. Official identification
- C. Issue identification badges to Grantor staff.
- D. Require Grantor staff to wear these badges where PII is used, disclosed, or stored.
- E. Ensure each physical location, where PII is used, disclosed, or stored, has procedures and controls that ensure an individual who is terminated from access to the facility is promptly escorted from the facility by an authorized employee and access is revoked.
- F. Ensure there are security guards or a monitored alarm system at all times at the Grantor facilities and leased facilities where five hundred (500) or more individually identifiable records of PII is used, disclosed, or stored. Video surveillance systems are recommended.
- G. Ensure data centers with servers, data storage devices, and/or critical network infrastructure involved in the use, storage, and/or processing of PII have perimeter security and physical access controls that limit access to only authorized staff. Visitors to the data center area must be escorted at all times by authorized staff.
- H. Store paper records with PII in locked spaces, such as locked file cabinets, locked file rooms, locked desks, or locked offices in facilities which are multi-use meaning that there are County and non-County functions in one building in work areas that are not securely segregated from each other. It is recommended that all PII be locked up when unattended at any time, not just within multi-use facilities.
- I. Use all reasonable measures to prevent non-authorized personnel and visitors from having access to, control of, or viewing PII.

II. TECHNICAL SECURITY CONTROLS

- A. Workstation/Laptop Encryption. All workstations and laptops, which use, store and/or process PII, must be encrypted using a FIPS 140-2 certified algorithm 128 bit or higher, such as Advanced Encryption Standard (AES). The encryption solution must be full disk. It is encouraged, when available and when feasible, that the encryption be 256 bit.
- B. Server Security. Servers containing unencrypted PII must have sufficient administrative, physical, and technical controls in place to protect that data, based upon a risk assessment/system security review. It is recommended to follow the guidelines documented

HWSCoC-0004868

in the latest revision of the National Institute of Standards and Technology (NIST) Special Publication (SP) 800-53, Security and Privacy Controls for Federal Information Systems and Organizations.

- D. Mobile Device and Removable Media. All electronic files, which contain PII data, must be encrypted when stored on any mobile device or removable media (i.e. USB drives, CD/DVD, smartphones, tablets, backup tapes etc.). Encryption must be a FIPS 140-2 certified algorithm 128 bit or higher, such as AES. It is encouraged, when available and when feasible, that the encryption be 256 bit.
- E. Antivirus Software. All workstations, laptops and other systems, which process and/or store PII, must install and actively use an antivirus software solution. Antivirus software should have automatic updates for definitions scheduled at least daily.
- F. Patch Management.
 - 1. All workstations, laptops and other systems, which process and/or store PII, must have critical security patches applied, with system reboot if necessary.
 - 2. There must be a documented patch management process that determines installation timeframe based on risk assessment and vendor recommendations.
 - 3. At a maximum, all applicable patches deemed as critical must be installed within thirty (30) days of vendor release. It is recommended that critical patches which are high risk be installed within seven (7) days.
 - 4. Applications and systems that cannot be patched within this time frame, due to significant operational reasons, must have compensatory controls implemented to minimize risk.
- G. User IDs and Password Controls.
 - 1. All users must be issued a unique user name for accessing PII.
 - 2. Username must be promptly disabled, deleted, or the password changed upon the transfer or termination of an employee within twenty- four (24) hours. Note: Twenty-four (24) hours is defined as one (1) working day.
 - 3. Passwords are not to be shared.
 - 4. Passwords must be at least eight (8) characters.
 - 5. Passwords must be a non-dictionary word.
 - 6. Passwords must not be stored in readable format on the computer or server.
 - 7. Passwords must be changed every ninety (90) days or less. It is recommended that passwords be required to be changed every sixty (60) days or less.
 - 8. Passwords must be changed if revealed or compromised.
 - 9. Passwords must be composed of characters from at least three (3) of the following four (4) groups from the standard keyboard:
 - a. Upper case letters (A-Z)
 - b. Lower case letters (a-z)
 - c. Arabic numerals (0-9)
 - d. Special characters (!, @, #, etc.)
- H. Data Destruction. When no longer needed, all PII must be cleared, purged, or destroyed consistent with NIST SP 800-88, Guidelines for Media Sanitization, such that the PII cannot be retrieved.

HWSCoC-0004868

- I. System Timeout. The systems providing access to PII must provide an automatic timeout, requiring re-authentication of the user session after no more than twenty (20) minutes of inactivity.
- J. Warning Banners. The systems providing access to PII must display a warning banner stating, at a minimum:
 - 1. Data is confidential;
 - 2. Systems are logged;
 - 3. System use is for business purposes only, by authorized users; and
 - 4. Users shall log off the system immediately if they do not agree with these requirements.
- K. System Logging.
 - 1. The systems which provide access to PII must maintain an automated audit trail that can identify the user or system process which initiates a request for PII, or alters PII.
 - 2. The audit trail shall:
 - a. Be date and time stamped;
 - b. Log both successful and failed accesses;
 - c. Be read-access only; and
 - d. Be restricted to authorized users.
 - 3. If PII is stored in a database, database logging functionality shall be enabled.
 - 4. Audit trail data shall be archived for at least three (3) years from the occurrence.
- L. Access Controls. The system providing access to PII shall use role-based access controls for all user authentications, enforcing the principle of least privilege.
- M. Transmission Encryption.
 - 1. All data transmissions of PII outside of a secure internal network must be encrypted using a Federal Information Processing Standard (FIPS) 140-2 certified algorithm that is 128 bit or higher, such as Advanced Encryption Standard (AES) or Transport Layer Security (TLS). It is encouraged, when available and when feasible, that 256 bit encryption be used.
 - 2. Encryption can be end to end at the network level, or the data files containing PII can be encrypted.
 - 3. This requirement pertains to any type of PII in motion such as website access, file transfer, and email.
- N. Intrusion Prevention. All systems involved in accessing, storing, transporting, and protecting PII, which are accessible through the Internet, must be protected by an intrusion detection and prevention solution.

III. AUDIT CONTROLS

- A. System Security Review.
 - 1. The Grantor must ensure audit control mechanisms are in place.
 - 2. All systems processing and/or storing PII must have at least an annual system risk assessment/security review that ensures administrative, physical, and technical controls are functioning effectively and provide an adequate level of protection.
 - 3. Reviews should include vulnerability scanning tools.
- B. Log Reviews. All systems processing and/or storing PII must have a process or automated procedure in place to review system logs for unauthorized access.

HWSCoC-0004868

- B. Data in Vehicles. The Grantor shall have policies that include, based on applicable risk factors, a description of the circumstances under which staff can transport PII, as well as the physical security requirements during transport. A Grantor that chooses to permit its staff to leave records unattended in vehicles must include provisions in its policies to ensure the PII is stored in a non-visible area such as a trunk, that the vehicle is locked, and under no circumstances permit PII be left unattended in a vehicle overnight or for other extended periods of time.

9. **Hold Harmless/Indemnification.**

- A. Grantor agrees to indemnify and hold harmless County, all Agencies, Districts, Special Districts and Departments of County, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents and representatives from any liability whatsoever, based or asserted upon any services of Grantor, its officers, employees, subcontractors, agents or representatives arising out of or in any way relating to this Addendum, including but not limited to property damage, bodily injury, death, or any other element of any kind or nature whatsoever arising from the performance of Grantor, its officers, agents, employees, subcontractors, agents or representatives from this Addendum. Grantor shall defend, at its sole expense, all costs and fees, including but not limited to attorney fees, cost of investigation, defense and settlements or awards, of County, all Agencies, Districts, Special Districts and Departments of County, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents or representatives in any claim or action based upon such alleged acts or omissions.
- B. With respect to any action or claim subject to indemnification herein by Grantor, Grantor shall, at their sole cost, have the right to use counsel of their choice, subject to the approval of County, which shall not be unreasonably withheld, and shall have the right to adjust, settle, or compromise any such action or claim without the prior consent of County; provided, however, that any such adjustment, settlement or compromise in no manner whatsoever limits or circumscribes Grantor's indemnification to County as set forth herein. Grantor's obligation to defend, indemnify and hold harmless County shall be subject to County having given Grantor written notice within a reasonable period of time of the claim or of the commencement of the related action, as the case may be, and information and reasonable assistance, at Grantor's expense, for the defense or settlement thereof. Grantor's obligation hereunder shall be satisfied when Grantor has provided to County the appropriate form of dismissal relieving County from any liability for the action or claim involved.
- C. The specified insurance limits required in the Underlying Agreement of this Addendum shall in no way limit or circumscribe Grantor's obligations to indemnify and hold harmless County herein from third party claims arising from issues of this Addendum.
- D. In the event there is conflict between this clause and California Civil Code §2782, this clause shall be interpreted to comply with Civil Code §2782. Such interpretation shall not relieve the Grantor from indemnifying County to the fullest extent allowed by law.
- E. In the event there is a conflict between this indemnification clause and an indemnification clause contained in the Underlying Agreement of this Addendum, this indemnification shall only apply to the subject issues included within this Addendum.

HWSCoC-0004868

11. **Termination.**

A. **Termination for Breach of Contract.** A breach of any provision of this Addendum by either party shall constitute a material breach of the Underlying Agreement and will provide grounds for terminating this Addendum and the Underlying Agreement with or without an opportunity to cure the breach, notwithstanding any provision in the Underlying Agreement to the contrary. Either party, upon written notice to the other party describing the breach, may take any of the following actions:

- (1) Terminate the Underlying Agreement and this Addendum, effective immediately, if the other party breaches a material provision of this Addendum.
- (2) Provide the other party with an opportunity to cure the alleged material breach and in the event the other party fails to cure the breach to the satisfaction of the non-breaching party in a timely manner, the non-breaching party has the right to immediately terminate the Underlying Agreement and this Addendum.
- (3) If termination of the Underlying Agreement is not feasible, the breaching party, upon the request of the non-breaching party, shall implement, at its own expense, a plan to cure the breach and report regularly on its compliance with such plan to the non-breaching party.

B. **Effect of Termination.**

- (1) Upon termination of this Addendum, for any reason, Grantor shall return or, if agreed to in writing by County, destroy all PHI and/or ePHI received from County, or created or received by the Grantor on behalf of County, and, in the event of destruction, Grantor shall certify such destruction, in writing, to County. This provision shall apply to all PHI and/or ePHI which are in the possession of subcontractors or agents of Grantor. Grantor shall retain no copies of PHI and/or ePHI, except as provided below in paragraph (2) of this section.
- (2) In the event that Grantor determines that returning or destroying the PHI and/or ePHI is not feasible, Grantor shall provide written notification to County of the conditions that make such return or destruction not feasible. Upon determination by Grantor that return or destruction of PHI and/or ePHI is not feasible, Grantor shall extend the protections of this Addendum to such PHI and/or ePHI and limit further uses and disclosures of such PHI and/or ePHI to those purposes which make the return or destruction not feasible, for so long as Grantor maintains such PHI and/or ePHI.

12. **General Provisions.**

- A. **Retention Period.** Whenever Grantor is required to document or maintain documentation pursuant to the terms of this Addendum, Grantor shall retain such documentation for 6 years from the date of its creation or as otherwise prescribed by law, whichever is later.

HWSCoC-0004868

- B. **Amendment.** The parties agree to take such action as is necessary to amend this Addendum from time to time as is necessary for County to comply with HITECH, the Privacy Rule, Security Rule, and HIPAA generally.
- C. **Survival.** The obligations of Grantor under Sections 3, 5, 6, 7, 8, 9, 11.B and 12.A of this Addendum shall survive the termination or expiration of this Addendum.
- D. **Regulatory and Statutory References.** A reference in this Addendum to a section in HITECH, HIPAA, the Privacy Rule and/or Security Rule means the section(s) as in effect or as amended.
- E. **Conflicts.** The provisions of this Addendum shall prevail over any provisions in the Underlying Agreement that conflict or appear inconsistent with any provision in this Addendum.
- F. **Interpretation of Addendum.**
- (1) This Addendum shall be construed to be part of the Underlying Agreement as one document. The purpose is to supplement the Underlying Agreement to include the requirements of the Privacy Rule, Security Rule, HIPAA and HITECH.
 - (2) Any ambiguity between this Addendum and the Underlying Agreement shall be resolved to permit County to comply with the Privacy Rule, Security Rule, HIPAA and HITECH generally.
- G. **Notices to County.** All notifications required to be given by Grantor to County pursuant to the terms of this Addendum shall be made in writing and delivered to the County both by fax and to both of the addresses listed below by either registered or certified mail return receipt requested or guaranteed overnight mail with tracing capability, or at such other address as County may hereafter designate. SUBRECIPIENT shall indemnify and hold harmless the County of Riverside, its Agencies, Districts, Special Districts and Departments, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents and representatives (individually and collectively hereinafter referred to as Indemnitees) from any liability, action, claim or damage whatsoever, based or asserted upon any services of SUBRECIPIENT, its officers, employees, subcontractors, agents or representatives arising out of or in any way relating to this Agreement, including but not limited to property damage, bodily injury, or death or any other element of any kind or nature. SUBRECIPIENT shall defend the Indemnitees at its sole expense including all costs and fees (including, but not limited, to attorney fees, cost of investigation, defense and settlements or awards) in any claim or action based upon such acts, omissions or services.

- B. With respect to any action or claim subject to indemnification herein by SUBRECIPIENT, SUBRECIPIENT shall, at their sole cost, have the right to use counsel of their own choice, subject to the approval of COUNTY which shall not be unreasonably withheld, and shall have the right to adjust, settle, or compromise any such action or claim without the prior consent of COUNTY; provided, however, that any such adjustment, settlement or compromise in no manner whatsoever limits or circumscribes SUBRECIPIENT indemnification to Indemnitees as set forth herein.
- C. SUBRECIPIENT's obligation hereunder shall be satisfied when SUBRECIPIENT has provided to COUNTY the appropriate form of dismissal relieving COUNTY from any liability for the action or claim involved.
- D. The specified insurance limits required in this Agreement shall in no way limit or circumscribe SUBRECIPIENT's obligations to indemnify and hold harmless the Indemnitees herein from third party claims.

14. INSURANCE

- A. Without limiting or diminishing SUBRECIPIENT's obligation to indemnify or hold COUNTY harmless, SUBRECIPIENT shall procure and maintain or cause to be maintained, at its sole cost and expense, the following insurance coverages during the term of this Agreement. As respects to the insurance section only, COUNTY herein refers to the County of Riverside, its agencies, districts, special districts, and departments, their respective directors, officers, Board of Supervisors, employees, elected or appointed officials, agents, or representatives as Additional Insureds.
- B. Any insurance carrier providing insurance coverage hereunder shall be admitted to the State of California and have an AM BEST rating of not less than A: VIII (A:8) unless such requirements are waived, in writing, by the COUNTY Risk Manager. If the COUNTY's Risk Manager waives a requirement for a particular insurer such waiver is only valid for that specific insurer and only for one policy term.
- C. SUBRECIPIENT's insurance carrier(s) must declare its insurance self-insured retentions. If such self-insured retentions exceed \$500,000 per occurrence such retentions shall have the prior written consent of the COUNTY Risk Manager before the commencement of operations under this Agreement. Upon notification of self-insured retention unacceptable to COUNTY, and at the election of the COUNTY's Risk Manager, SUBRECIPIENT's carriers shall either; 1) reduce or eliminate such self-insured retentions as respects to this Agreement with COUNTY, or 2) procure a bond which guarantees payment of losses and related investigations, claims administration, and defense costs and expenses.

SUBRECIPIENT shall cause SUBRECIPIENT's insurance carrier(s) to furnish the COUNTY with either 1) a properly executed original certificate(s) of insurance and certified original copies of endorsements effecting coverage as required herein, or 2) if requested to do so orally or in writing by the COUNTY Risk Manager, provide original certified copies of policies, including all endorsements and all attachments thereto, showing such insurance is in full force and effect. Further, said certificate(s) and policies of insurance shall contain the covenant of the insurance carrier(s) that thirty (30) calendar days' written notice shall be given to the COUNTY prior to any material modification, cancellation, expiration or reduction in coverage of such insurance. In the event of a material modification, cancellation, expiration, or reduction in coverage, this Agreement shall terminate forthwith, unless the COUNTY receives, prior to such effective date, another properly executed original certificate of insurance and original copies of endorsements or certified original policies, including all endorsements and attachments thereto evidencing coverages set forth herein and the insurance required herein

is in full force and effect. SUBRECIPIENT shall not commence operations until the COUNTY has been furnished original certificate(s) of insurance and certified original copies of endorsements and if requested, certified original policies of insurance including all endorsements and any and all other attachments as required in this section. An individual authorized by the insurance carrier to do so on its behalf shall sign the original endorsements for each policy and the certificate of insurance.

- E. It is understood and agreed to by the parties hereto that SUBRECIPIENT's insurance shall be construed as primary insurance, and COUNTY's insurance and/or deductibles and/or self-insured retentions or self-insured programs shall not be construed as contributory.
- F. If, during the term of this Agreement or any extension thereof, there is a material change in the scope of services, or there is a material change in the equipment to be used in the performance of the scope of work which will add additional exposures (such as the use of aircraft, watercraft, cranes, etc.), or the term of this Agreement, including any extensions thereof, exceeds five (5) years, the COUNTY reserves the right to adjust the types of insurance required under this Agreement and the monetary limits of liability for the insurance coverages currently required herein if, in the COUNTY Risk Manager's reasonable judgment, the amount or type of insurance carried by the SUBRECIPIENT has become inadequate.
- G. SUBRECIPIENT shall pass down the insurance obligations contained herein to all tiers of subcontractors working under this Agreement.
- H. The insurance requirements contained in this Agreement may be met with a program of self-insurance acceptable to COUNTY.

SUPPORTING DOCUMENTATION

The general rule for supporting documentation is that for any program cost that is to be reimbursed (or used as match), provide the invoice which documents that a cost was incurred, and a receipt, or a copy of a check, a check stub, or copy of bank statement to substantiate the amount paid. Supporting documentation must be ***legible, clear, and organized***. The COUNTY must be able to tie your request to the amounts claimed after each line item on the Claim Form. Costs can only be reimbursed if they have been included in the original Technical Submission/Application.

Documentation for like line items should be clipped together and identified with a summary sheet or label identifying the Line Item Number or the Activity as listed on the Claim Form A spreadsheet itemizing the expenses, or at a minimum, an adding machine tape showing the expenses with a matching amount on the claim form is helpful. The clearer the information is that you provide, the quicker we will be able to process the claim.

The Fiscal Management Reporting Unit reviews each claim for expenses that are:

Appendix A**PURPOSE/BACKGROUND**

The County of Riverside Purchasing Department on behalf of Riverside County's Housing, Homelessness Prevention and Workforce Solutions Department (HHPWS) – Continuum of Care Division, hereafter referred to as the County, is seeking quotes from interested, qualified, and experienced bidders to provide expand on essential *Street Outreach (SO)* services necessary to reach out to unsheltered homeless individuals and families, connect them with emergency shelter, permanent housing, or critical services, and provide them with urgent, non-facility-based care. The Street Outreach Program is funded under the Coronavirus Aide, Relief, and Economic Security Act (CARES) enacted on March 27, 2020 for the purposes of *preventing, preparing for and responding to the coronavirus pandemic*. The California Emergency Solution Grant Round 2 (ESG-CV2) is administered by the California Department of Housing and Community Development ("State Department") with funding received from the U.S. Department of Housing and Urban Development (HUD). HCD has allocated \$31,589,00 to HHPWS-CoC to administer Homeless Assistance Programs in Riverside County, with the Street Outreach Allocation being \$1,474,617 to prevent, prepare for and respond to the coronavirus pandemic. The California ESG-CV2 funds are to provide services in all areas of the County of Riverside not currently eligible for ESG funds through direct city ESG entitlement. Areas excluded and not eligible for ESG funds under this RFP include the cities of: Riverside and Moreno Valley.

The ESG-CV2 funding priorities are: (1) to serve those most in need through rapid rehousing, emergency shelter, and street outreach; and (2) to ensure all eligible persons receive equitable services with dignity, respect and compassion regardless of circumstance, ability, or identity. This includes marginalized populations, Black, Native and Indigenous, Latinx, Asian, Pacific Islanders, and other people of color, immigrants, people with criminal records, people with disabilities, people with mental health and substance use vulnerabilities, people with limited English proficiency, people who identify as transgender, people who identify as LGBTQ+, and other individuals that may not have access to mainstream support.

The intent of the ESG-CV2 funds is to supplement the existing operational budgets of nonprofit organizations and government agencies responding to the critical needs of the community by providing services to prevent, prepare for, and respond to increased demand for services for these populations.

Please Note: the ESG-CV funds can be used to reimburse homelessness service providers for eligible coronavirus-related expenses incurred before the enactment of the CARES Act. The County of Riverside will use March 4, 2020, as the coronavirus pandemic impact date.

The expenditure deadline is August 31, 2022 for ESG-CV Round 2 Street Outreach.

Goal

The primary goal of the County's ESG-CV2 Street Outreach Program is to prevent, prepare for and respond to the coronavirus by expanding street outreach efforts across the County of Riverside to engage with persons experiencing unsheltered homelessness, with the ultimate goal of moving these persons into permanent housing where they will be the safest.

Target Populations

Unsheltered homeless throughout Riverside County.

Objectives

1. Develop a more effective crisis response system including a coordinated street outreach network to cover assigned geography, that will act as an entry point to the Continuum of Care's Coordinated Entry System (CES) for unsheltered individuals.
2. Expand street outreach services in all five Supervisorial Districts to support systematic street outreach services in each region and to prevent, prepare for and respond to the coronavirus.
2. Establish a direct connection with existing Street Outreach Program to promote coordination across all teams and ensure services are planned, strategic, and organized.
3. Move unsheltered homeless into emergency shelters or other housing options, where they can be linked to supportive services, and eventually permanent housing.
4. Increase the availability of field based clinical and medical support staff to address the complex physical and behavioral health barriers individuals may be experiencing in unsheltered homelessness.
5. Provide specialized and targeted street outreach services to engage marginalized populations experiencing homelessness in Riverside County. These marginalized populations include Black, Native and Indigenous, Latinx, Asian, Pacific Islanders, and other people of color, immigrants, people with criminal records, people with disabilities, people with mental health and substance use vulnerabilities, people with limited English proficiency, people who identify as transgender, people who identify as LGBTQ+, and other individuals that may not have access to mainstream support.
6. Provide street outreach services that are low barrier, trauma informed, culturally responsive and Housing First-oriented which recognizes that the most effective solution to homelessness is permanent housing and all housing for the homeless should be provided immediately, without any preconditions, such as sobriety requirements. Per HUD guidance, individuals and families assisted with these ESG-CV2 funds must not be required to receive treatment or perform any other prerequisite activities as a condition for receiving shelter, housing, or other services for which these funds are used.

Program Evaluation

The HHPWS - Continuum of Care Division will provide ongoing program monitoring and technical assistance to ensure that programs are meeting strict spending milestones established by HUD and the State. In line with HUD's expenditure deadlines included in the CPD-20-08 ESG-CV Notice, HHPWS requires subrecipients to meet the following expenditure deadlines for ESG-CV2 funding. Should the subrecipient not meet the following expenditure expectations, HHPWS in its sole discretion reserves the right to recapture the difference in funds between the actual expenditure amount at the expenditure deadline and expected expenditure. The Department also reserves the right in its sole discretion to mandate a corrective action or remediation plan to ensure future timely expenditure of ESG-CV Round 2 funds.

Percentage of ESG-CV (Round 2) Award	Expenditure Deadline
20%	July 31, 2021
40%	September 30, 2021
60%	November 30, 2021
80%	January 31, 2022

PURPOSE: The County of Riverside and its Housing, Homelessness Prevention, and Workforce Solutions Department (HHPWS), hereafter called The County, seeks organizations providing permanent and/or temporary emergency shelters in Riverside County to help *prevent, prepare for, and respond to the coronavirus*, prioritizing seniors, families and youth experiencing homelessness.

BACKGROUND: In response to the novel coronavirus pandemic (COVID-19), the U.S Congress passed the Coronavirus Aid, Relief, and Economic Security Act (CARES Act), Public Law 116-25, in March 2020, which provided a supplemental appropriation of Homeless Assistance Grants under the Emergency Solutions Grant (ESG) Program (24 CFR 576). These funds must be used to prevent, prepare for, and respond to COVID-19 among individuals and families who are homeless to mitigate the impacts created by the virus.

The County has been allocated \$14,321,711 under the ESG Emergency Shelter component (24 CFR 576.102) of the ESG Interim Rule. This Letter of Intent is not for Rapid Rehousing (RRH), Prevention, or Street Outreach components. The Emergency Shelter Cares Act (ESG-CV2) funding is to be used for operational and essential services for permanent and/or temporary emergency shelters.

The primary intent of the ESG-CV2 emergency shelter funding is to supplement the existing operational budgets of nonprofit organizations and government agencies responding to the critical needs of the community by providing services to prevent, prepare for, and respond to increased demand for emergency shelter.

Please Note: the ESG-CV funds can be used to reimburse emergency shelter service providers for eligible coronavirus-related expenses incurred before the enactment of the CARES Act. The County of Riverside will use March 4, 2020, as the coronavirus pandemic impact date.

DESCRIPTION OF SERVICES: The County is releasing this LOI to identify potential vendor or vendors to provide the services outlined in Exhibit A.

CONTRACT TERM: March 4th, 2020 through January 31st, 2022, with no option to extend the contract. The minimum request for this award is set at \$500,000.

COMPENSATION: This request is for informational purposes only. The County of Riverside is not responsible for any cost(s) incurred in response to this LOI.

CONFIDENTIALITY: Should a Respondent request in writing that their proprietary information be held in confidentiality, the County will comply. This LOI is for informational purposes only.

ALTERATION: No alteration or variation of the terms of this LOI shall be valid, and no oral understanding or agreement, not incorporated herein, shall be binding on any of the parties hereto. Respondents shall express their interest and include a brief description of services to be provided, completion of Exhibit B showing the expenditure milestones to be met, along with a completed and signed LOI Form, attached and incorporated herein as Exhibit C. AUTHORITY, PURPOSE AND SCOPE OF WORK

1. Authority & Purpose

This Standard Agreement (hereinafter "Agreement") will provide official notification of the conditional reservation of funds under the State of California's administration of the federal CARES Act Emergency Solutions Grants Program Allocation (hereinafter, "ESG-CV" or the "Program") by the Department of Housing and Community Development (hereinafter the "Department" or "HCD") pursuant to the provisions of the 2020 Federally enacted Coronavirus Aid, Relief, and Economic Security Act, Title XII, Homeless Assistance Grants Section (hereinafter, "CARES Act") and any HUD Notices or waivers including the HUD Mega-Waiver dated April 1, 2020 and HUD CPD Notice-20-08 dated September 1, 2020 and, where not superseded by the CARES Act, pursuant to the provisions of 42 USC 11371 – 42 USC 11378, ("Federal Statutes"), 24 CFR Part 576, ("Federal Regulations") all as shall be amended from time to time.

HCD receives federal funds for ESG-CV from the United States Department of Housing and Urban Development (HUD). In accepting this conditional reservation of funds, Contractor (sometimes referred to herein as "Grantee," "Administrative Entity," "Applicant," or "Continuum of Care") agrees to comply with the terms and conditions of this Agreement, which relates to the ESG-CV Notice of Funding Availability (NOFA) dated June 1, 2020 (Round 1) and the ESG-CV NOFA dated October 2, 2020 (Round 2) under which the Contractor applied, the representations contained in the Contractor's Application for the ESG-CV funding allocations, and the requirements of the authorities cited above. Any and all changes made to the submitted and awarded Application after this Agreement is executed must receive prior written approval from the Department.

2. Scope of Work

- A. Contractor shall perform the Scope of Work ("Work") required as described in this Agreement and in the Application, which is on file electronically with the Department and which is incorporated herein by reference. Contractor shall be responsible for ensuring its selected homeless service providers perform the Work set forth in Exhibit E of this Agreement. All written materials or alterations submitted as addenda to the original Application and which are approved in writing by the Department are hereby incorporated as part of the Application. The Department reserves the right to require the Grantee to modify any or all parts of the Application in order to comply with ESG-CV requirements. The Department reserves the right to monitor all Work to be performed by the Grantee, its contractors, and subgrantees in relation to this Agreement. Any proposed revision to the Scope of Work must be submitted in writing for review and approval by the Department and may require an amendment to this Agreement. Approval shall not be presumed unless such approval is made by the Department in writing.

- B. Contractor shall perform the Work, only in the areas as identified, and in accordance with the approved ESG-CV Application and as required by Federal ESG requirements at 24 CFR Section 576. Contractor's selected homeless service providers shall provide services in the areas identified in the application/award recommendation package submitted to the Department. Services shall be provided by the Contractor and the Contractor's funded subrecipients for at least the term of the ESG-CV grant. For the purposes of performing the Scope of Work, the Department agrees to provide the amount(s) identified in Exhibit F. Unless amended in writing, the Department shall not be liable for any costs in excess of the total approved budget. The Department shall not, under any conditions, be liable for any unauthorized or ineligible costs or activities.

3. **Duplication of Benefits**

A Duplication of Benefit (DOB) occurs when a program beneficiary receives assistance from multiple funding sources totaling an amount that exceeds the need for a particular funding need. The duplication is the amount of assistance provided in excess of the need. It is the Department's responsibility to ensure that each ESG-CV activity provides assistance only to the extent that the recipient's project's funding need(s) has not been met by another funding source.

Section 312 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (Stafford Act) prohibits federal agencies from providing assistance to any "person, business concern, or other entity" for any loss for which the entity has already received financial assistance from another source (See: 42 USC § 5155(a)). The Federal Register Notice, published on November 16, 2011 (Docket No. FR-5582-N-01), requires adequate policies and procedures in place to prevent a DOB and provide for the recapture of funds, if necessary.

Applicants will be required to complete DOB documentation with application. Recipients will be required to continue to report on DOB during the expenditure period for the ESG-CV funds. Applicants will be required to prepare DOB policies and procedures including a policy for funds recapture to be included in written standards.

4. **Effective Date and Commencement of Work**

This Agreement was effective upon the date of the Department representative's signature on page one of the fully executed Standard Agreement, STD 213, (the "Effective Date"). However, the Standard Agreement is being modified per this Standard Agreement Amendment (STD 213A) which is effective upon the date of the Department's representative's signature on page one of STD 213A. Per the CARES Act, contractors may request reimbursement for allowable costs incurred to prevent, prepare for, and respond to coronavirus including costs that are incurred, including costs incurred prior to award letter and prior to the date of the enactment of the CARES Act. In addition, no activity funds shall be incurred until any required environmental review process has been completed, if required under 24 CFR 50, except as exempted by the

In the event that project-level or system-wide performance consistently remains in the lowest quartile compared to all participating Service Areas in the Continuum of Care allocation, the Department will work collaboratively with the Contractor to develop performance improvement plans which will be incorporated into this Standard Agreement.
- D. If it is determined that a Contractor or any of its subrecipients falsified any certification, application information, financial, or contract report, the Contractor shall be required to immediately reimburse the full amount of the ESG-CV award to the Department, and may be prohibited from any further participation in the ESG program. The Department may also impose any other actions permitted under 24 CFR 576.501 (c).

14. Equal Opportunity Requirements and Responsibilities

- A. **Title VI of the Civil Rights Act of 1964:** This act provides that no person shall be excluded from participation, denied program benefits, or subject to discrimination based on race, color, and/or national origin under any program or activity receiving federal financial assistance.
- B. **Title VII of the Civil Rights Act of 1968 (The Fair Housing Act):** This act prohibits discrimination in housing on the basis of race, color, religion, sex and/or national origin. This law also requires actions which affirmatively promote fair housing.
- C. **Civil Rights Restoration Act of 1987:** This act restores the broad scope of coverage and clarifies the application of the Civil Rights Act of 1964. It also specifies that an institution which receives federal financial assistance is prohibited from discriminating on the basis of race, color, national origin, religion, sex, disability or age in a program or activity which does not directly benefit from such assistance.
- D. **Section 109 of Title 1 of the Housing and Community Development Act of 1974 [42 U.S.C. 5309]:** This section of Title 1 provides that no person shall be excluded from participation (including employment), denied program benefits, or subject to discrimination on the basis of race, color, national origin, or sex under any program or activity funded in whole or in part under Title 1 of the Act.
- E. **The Fair Housing Amendment Act of 1988:** This act amended the original Fair Housing Act to provide for the protection of families with children and people with disabilities, strengthen punishment for acts of housing discrimination, expand the Justice Department jurisdiction to bring suit on behalf of victims in federal district courts, and create an exemption to the provisions barring discrimination on the basis of familial status for those housing developments that qualify as housing for persons age fifty-five (55) or older.

- J. **Executive Order 11063:** This executive order provides that no person shall be discriminated against on the basis of race, color, religion, sex, or national origin in housing and related facilities provided with federal assistance and lending practices with respect to residential property when such practices are connected with loans insured or guaranteed by the federal government.
- K. **Executive Order 11259:** This executive order provides that the administration of all federal programs and activities relating to housing and urban development be carried out in a manner to further housing opportunities throughout the United States.
- L. **The Equal Employment Opportunity Act:** This act empowers the Equal Employment Opportunity Commission (EEOC) to bring civil action in federal court against private sector employers after the EEOC has investigated the charge, found "probable cause" of discrimination, and failed to obtain a conciliation agreement acceptable to the EEOC. It also brings federal, state, and local governments under the Civil Rights Act of 1964.
- M. **The Immigration Reform and Control Act (IRCA) of 1986:** Under IRCA, employers may hire only persons who may legally work in the U.S., i.e., citizens and nationals of the U.S. and aliens authorized to work in the U.S. The employer must verify the identity and employment eligibility of anyone to be hired, which includes completing the Employment Eligibility Verification Form (1-9).

15. **The Training, Employment, and Contracting Opportunities for Business and Lower Income Persons Assurance of Compliance (Section 3)**

The Contractor will comply with Section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701u) and implementing 24 CFR, Part 135. The responsibilities of the Contractor are outlined in 24 CFR Part 135.32 as follows:

- A. Implementing procedures designed to notify Section 3 residents about training and employment opportunities generated by Section 3 covered assistance and Section 3 business concerns about contracting opportunities generated by Section 3 covered assistance.
- B. Notifying potential subrecipients for Section 3 covered projects of the requirements and incorporating the Section 3 clause set forth in 24 CFR Part Section 135.38 in all solicitations and contracts in excess of \$100,000.00.

- F. A Contractor which distributes funds for Section 3 covered assistance to units of local governments, to the greatest extent feasible, must attempt to reach the numerical goals set forth in 24 CFR Part Section 135.30 regardless of the number of local governments receiving funds from the Section 3 covered assistance which meet the thresholds for applicability set forth at 24 CFR Part Section 135.30. The State must inform units of local government to whom funds are distributed of the requirements of this part; assist local governments and their contractors in meeting the requirements and objectives of this part; and monitor the performance of local governments with respect to the objectives and requirements of this part.

16. Affirmative Outreach

- A. Contractor or its subrecipients must make known that the use of the facilities, assistance, and services are available to all on a nondiscriminatory basis. If it is unlikely that the procedures the Contractor or its subrecipients intends to use to make known the availability of its facilities, assistance, and services will reach persons of any particular race, color, religion, sex, age, national origin, familial status, or disability, who may qualify for those facilities and services, the Contractor or its subrecipients must establish additional procedures that ensure that those persons are made aware of the facilities, assistance, and services.
- B. Contractor or its subrecipients must take appropriate steps to ensure effective communication with persons with disabilities including, but not limited to, adopting procedures that will make available to interested persons information concerning the location of assistance, services, and facilities that are accessible to persons with disabilities. Consistent with Title VI and Executive Order 13166, applicants are also required to take reasonable steps to ensure meaningful access to programs and activities for Limited English Proficiency (LEP) persons.

17. Environmental Requirements

This Agreement is subject to the provisions of the California Environmental Quality Act (CEQA). Contractor assumes responsibility to fully comply with CEQA's requirements regarding the Work. In addition, Contractor shall comply with the environmental requirements of 24 CFR Part 576.407 subdivision (d). The obligation of funds and incurring of costs is hereby conditioned upon compliance with CEQA, 24 CFR Section 576.407 subdivision (d) and completion by the State and the U.S. Department of Housing and Urban Development of all applicable review and approval requirements.

The Contractor shall supply all available, relevant information necessary for the Department to perform for each property any environmental review as required under 24 CFR Part 50. The Contractor shall also carry out mitigating measures required by the Department or select an

alternate eligible property. HUD may eliminate from consideration any application that would require an Environmental Impact Statement (EIS).

The subrecipient, or any contractor of the subrecipient, may not acquire, rehabilitate, convert, lease, repair, dispose of, demolish, or construct property for a project, or commit or expend ESG-CV or local funds for eligible activities under this part, until HUD has performed an environmental review under 24 CFR Part 50 and the subrecipient has received HUD approval of the property, except as permitted related to temporary shelters per the CARES Act, Title XII, Homeless Assistance Grants Section. For all funded applications, the Department will inform the subrecipient any required additional environmental review.

18. Clean Air and Water Acts

This Agreement is subject to the requirements of the Clean Air Act, as amended, 42 U.S.C. 1857et seq., the Federal Water Pollution Control Act, as amended, 33 U.S.C. 1251 et seq., and the regulations of the Environmental Protection Agency with respect thereto, at 40 CFR, Part 15, as amended from time to time.

19. Lead-Based Paint Hazards

The assistance provided under this Agreement is subject to the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. 4821 – 4845), the Residential Lead-Based Paint Hazard Reduction Act of 1992 (42 U.S.C. 4851 - 4856). Activities performed with the assistance provided under this Agreement are subject to 24 CFR, Part 35.

20. Prevailing Wages

- A. Where funds provided through this Agreement are used for construction work, or in support of construction work, Contractor shall ensure that the requirements of Chapter 1 (commencing with Section 1720) of Part 7 of the Labor Code (pertaining to the payment of prevailing wages and administered by the California Department of Industrial Relations) are met.
- B. For the purposes of this requirement "construction work" includes but is not limited to rehabilitation, alteration, demolition, installation or repair done under contract and paid for, in whole or in part, through this Agreement. All construction work shall be done through the use of a written contract with a properly licensed building contractor incorporating these requirements (the "Construction Contract"). Where the Construction Contract will be between the Contractor and a licensed building contractor, Contractor shall serve as the "awarding body" as defined in the Labor Code. Where the Contractor will provide funds to a third party that will enter into the Construction Contract with a licensed building contractor, the third party shall serve as the "awarding body".
- C. The Construction Contract and any amendments thereto shall be subject to the prior written approval of the Department. Prior to any disbursement of funds, including but not limited to release of any final retention payment, the Department may require a

certificate from the awarding body that prevailing wages have been or will be paid when required by Section 1720 et. seq. of the Labor Code.

21. Matching Funds

Per the CARES Act, the amounts provided under the ESG-CV funding shall not be subject to match requirements that otherwise apply to ESG funding.

22. Assurance of Compliance with the "Violence Against Women Reauthorization Act of 2013" (VAWA) (S.47 - 113th Congress (2013-2014)) (as amended or reauthorized) Title VI - Safe Homes for Victims of Domestic Violence, Dating Violence, Sexual Assault, and Stalking – Sec. 601-603

VAWA provides housing protections for survivors of domestic and dating violence, sexual assault, and stalking when it comes to finding and keeping a home they can feel safe in.

VAWA applies for all victims of domestic violence, dating violence, sexual assault, and stalking, regardless of sex, gender identity, or sexual orientation, and which must be applied consistently with all nondiscrimination and fair housing requirements. VAWA now expands housing protections to HUD programs beyond HUD's public housing program and HUD's tenant-based and project-based Section 8 programs. VAWA now provides enhanced protections and options for victims of domestic violence, dating violence, sexual assault, and stalking.

During the performance of this Agreement, the Contractor or its subrecipients assure that:

- A. Domestic Violence survivors are not denied assistance as an applicant, or evicted or have assistance terminated as a tenant, because the applicant or tenant is or has been a victim of domestic violence, dating violence, sexual assault, and stalking.
- B. It will implement an "emergency transfer plan", which allows for domestic violence survivors to move to another safe and available unit if they fear for their life and safety.
- C. It will provide "protections against denials, terminations, and evictions that directly result from being a victim of domestic violence, dating violence, sexual assault, or stalking, if the applicant or tenant otherwise qualifies for admission, assistance, participation, or occupancy."
- D. It will implement a "low-barrier certification process" where a domestic violence survivor need only to self-certify in order to document the domestic violence, dating violence, sexual assault, or stalking, ensuring third party documentation does not cause a barrier in a survivor expressing their rights and receiving the protections needed to keep themselves safe.

NOTE: Record retention is based on the Department's HUD closing date; NOT three (3) years from this Agreement expiration. The retention requirement can extend beyond three (3) years after this Agreement expires. Therefore, the Contractor must contact the Department for the specific record retention date for this Agreement.

- E. Contractor shall submit required reports on forms approved by the Department.

25. Audit/Retention and Inspection of Records

- A. Contractor agrees to maintain accounting books and records in accordance with Generally Accepted Accounting Principles, per 2 CFR 200.49. - B. The audit shall be performed by a qualified State, local or independent auditor. Contractor shall notify the Department of the auditor's name and address immediately after the selection has been made. The contract for audit shall include a clause which permits access by the Department to the independent auditor's working papers.

Contractor and its subrecipients listed in Exhibit B shall also comply with the requirements of 24 CFR Section 576.406 of the Federal Regulations.

27. Interest of Members, Officers or Employees of Contractors, Members of Local Governing Body

HCD receives federal funds for ESG-CV from the United States Department of Housing and Urban Development (HUD). In accepting this reservation of funds, Contractor (sometimes referred to herein as "Grantee," "Administrative Entity," "Applicant," or "Continuum of Care") agrees to comply with the terms and conditions of this Agreement, which relates to the ESG-CV Notice of Funding Availability (NOFA) dated June 1, 2020 (Round 1) and the ESG-CV NOFA dated October 2, 2020 (Round 2), the representations contained in the Contractor's Application for the ESG-CV funding allocations, and the requirements of the authorities cited above. Any and all changes made to the submitted and awarded Application after this amended Agreement is executed must receive prior written approval from the Department.

2. Scope of Work

- A. Contractor shall perform the Scope of Work ("Work") required as described in this Agreement and in the Application, which is on file electronically with the Department and which is incorporated herein by reference. 3. Duplication of Benefits

A Duplication of Benefit (DOB) occurs when a program beneficiary receives assistance from multiple funding sources totaling an amount that exceeds the need for a particular funding need. The duplication is the amount of assistance provided in excess of the need. It is the Department's responsibility to ensure that each ESG-CV activity provides assistance only to the extent that the recipient's project's funding need(s) has not been met by another funding source.

Section 312 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (Stafford Act) prohibits federal agencies from providing assistance to any "person, business concern, or other entity" for any loss for which the entity has already received financial assistance from another source (See: 42 USC § 5155(a)). The Federal Register Notice, published on November 16, 2011 (Docket No. FR-5582-N-01), requires adequate policies and procedures in place to prevent a DOB and provide for the recapture of funds, if necessary.

Applicants will be required to complete DOB documentation with application. Recipients will be required to continue to report on DOB during the expenditure period for the ESG-CV funds. Applicants will be required to prepare DOB policies and procedures including a policy for funds recapture to be included in written standards.

- B. It will implement an “emergency transfer plan”, which allows for domestic violence survivors to move to another safe and available unit if they fear for their life and safety.
- C. It will provide “protections against denials, terminations, and evictions that directly result from being a victim of domestic violence, dating violence, sexual assault, or stalking, if the applicant or tenant otherwise qualifies for admission, assistance, participation, or occupancy.”
- D. It will implement a “low-barrier certification process” where a domestic violence survivor need only to self-certify in order to document the domestic violence, dating violence, sexual assault, or stalking, ensuring third party documentation does not cause a barrier in a survivor expressing their rights and receiving the protections needed to keep themselves safe.

HEALTH SERVICES DEPARTMENT**27. DELEGATION OF AUTHORITY TO APPROVE AGREEMENTS AND AMENDMENTS
RELATED TO THE HOUSING AND HOMELESSNESS INCENTIVE PROGRAM****Recommended Action:**

That the Governing Body of the Inland Empire Health Plan (IEHP) authorize the Chief Executive Officer or his designee to negotiate and, after legal review and approval, sign Agreements and Amendments related to the Housing and Homelessness Incentive Program (HHIP) for an amount not to exceed \$95,000,000 in total, for a program period through at least December 31, 2025.

Contact:

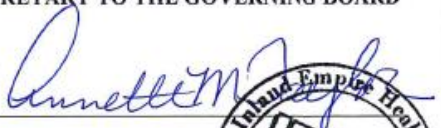

Takashi Wada, M.D., Chief Medical Officer

Background:

In accordance with section 9817 of the American Rescue Plan Act of 2021, the California Department of Health Care Services (DHCS) developed a Medi-Cal Home and Community Based Services (HCBS) Spending Plan detailing a series of initiatives that will enhance, expand, and strengthen HCBS in California. The Housing and Homelessness Incentive Program (HHIP) is one of the HCBS Transition Initiatives, which aims to expand and enhance programs that facilitate individuals transitioning to community-based independent living arrangements. HHIP is a voluntary incentive program that enables Medi-Cal managed care health plans (MCPs) to earn incentive funds for improving health outcomes and access to whole person care services by addressing homelessness and housing insecurity as social drivers of health and health disparities.

Effective January 1, 2022, DHCS implemented HHIP. As designed, the incentive program is intended to support delivery and coordination of health and housing services for Members by:

- Rewarding MCPs for developing the necessary capacity and partnerships to connect their Members to needed housing services; and
- Incentivizing MCPs to take an active role in reducing and preventing homelessness.

- PY 1 (January 1, 2022 to December 31, 2022), and:
- PY 2 (January 1, 2023 to December 31, 2023)

Discussion:

Local Homelessness Plan

IEHP (as a required submission component for IEHP to participate in HHIP) submitted one individual Local Homelessness Plan (LHP) for each County and one joint LHP with Molina for each County it serves. To fulfill this requirement, IEHP collaborated with its local Continuums of Care (CoCs), Counties, and Molina to complete the LHPs. The LHPs four components included: 1) Submission of baseline quantitative and qualitative measures, 2) Narrative inclusive of strategies to address housing and service gaps, 3) Landscape analysis of county demographics, needs, and gaps, and 4) Identification of Funding Opportunity Availability within IEHP's service counties.

Investment Plan

IEHP submitted one individual Investment Plan (IP) for each County it serves. Both Riverside and San Bernardino County's Investment Plan each include 11 distinct investment activities. The primary goal of the IP is for IEHP to demonstrate to DHCS a clear plan for achieving measures and targets across the course of the program, in collaboration with local partners, through targeted investments in activities and efforts that align with program measures and goals and support IEHP's performance strategies. IEHP's IP was submitted on September 30, 2022 and subsequently approved by DHCS and thus, the activities detailed in each IP have commenced. Breakdown of costs and further detail on goals and measures can be found in the HHIP Investment Plan documents for each respective county (*see attachments A and B*).

There are three HHIP measure areas: 1) Partnerships & capacity to support referrals for Services, 2) Infrastructure to coordinate & meet member housing needs, and 3) Delivery of services & member engagement (*see attachments C and D*).

POLICY AGENDA

IEHP's total possible allocation:

Plan	County	PY1	PY2	Total Allocation
Inland Empire HP	Riverside	\$ 21,672,559	\$ 26,488,683	\$ 48,161,242
Inland Empire HP	San Bernardino	\$ 21,271,647	\$ 25,998,680	\$ 47,270,327

IEHP's return on investment will be shown through increased goodwill with the community, and respective county partner agencies as the health plan strives to reach the goal of decreasing homelessness within the dual county service area as well as increasing access to housing for historically marginalized community members or populations. IEHP's success in this initiative will be measured by meeting the incentive program metrics, drawing down funding, improving coordination/ data sharing with partner agencies, and by decreasing homelessness within the dual county service area.

HHIP aligns with the following regulatory requirements:

- APL 22-023: Street Medicine Provider: Definitions and Participation in Managed Care,
- APL 22-007: California Housing and Homelessness Incentive Program
- APL 21-017: Community Supports Requirements

Housing is a cornerstone of health equity and thus increasing access to safe and secure housing for IEHP's impacted populations supports the MCP's Mission, Vision, and Value (MVV) of vibrant health for all members and their families.

IEHP continues to cultivate positive working relationships with our county agency partners, which helps build bridges and close service gaps to further the MCP's goal of whole person care. Additionally, IEHP is working in cooperation with various external partners to increase access to equitable housing for populations that are historically marginalized, including but not limited to: LGBTQ+, Youth, SMI, and SUD populations.

Considering we are working with our partners to expand housing and housing related services (rental assistance, street medicine, etc.) to IEHP's more rural regions in both county service areas, resulting in increased access to services in the areas in which members currently reside.

- A. Secure all areas of the Grantor facilities where staff assist in the administration of their program and use, disclose, or store PII.
- B. These areas shall be restricted to only allow access to authorized individuals by using one or more of the following:
 1. Properly coded key cards
 2. Authorized door keys
 3. Official identification
- C. Issue identification badges to Grantor staff.
- D. Require Grantor staff to wear these badges where PII is used, disclosed, or stored.
- E. Ensure each physical location, where PII is used, disclosed, or stored, has procedures and controls that ensure an individual who is terminated from access to the facility is promptly escorted from the facility by an authorized employee and access is revoked.
- F. Ensure there are security guards or a monitored alarm system at all times at the Grantor facilities and leased facilities where five hundred (500) or more individually identifiable records of PII is used, disclosed, or stored. Video surveillance systems are recommended.
- G. Ensure data centers with servers, data storage devices, and/or critical network infrastructure involved in the use, storage, and/or processing of PII have perimeter security and physical access controls that limit access to only authorized staff. Visitors to the data center area must be escorted at all times by authorized staff.
- H. Store paper records with PII in locked spaces, such as locked file cabinets, locked file rooms, locked desks, or locked offices in facilities which are multi-use meaning that there are County and non-County functions in one building in work areas that are not securely segregated from each other. It is recommended that all PII be locked up when unattended at any time, not just within multi-use facilities.
- I. Use all reasonable measures to prevent non-authorized personnel and visitors from having access to, control of, or viewing PII.

II. TECHNICAL SECURITY CONTROLS

- A. Workstation/Laptop Encryption. All workstations and laptops, which use, store and/or process PII, must be encrypted using a FIPS 140-2 certified algorithm 128 bit or higher, such as Advanced Encryption Standard (AES). The encryption solution must be full disk. It is encouraged, when available and when feasible, that the encryption be 256 bit.
- B. Server Security. Servers containing unencrypted PII must have sufficient administrative, physical, and technical controls in place to protect that data, based upon a risk assessment/system security review. It is recommended to follow the guidelines documented

HWSCoC-0004868

- F. Patch Management.
 - 1. All workstations, laptops and other systems, which process and/or store PII, must have critical security patches applied, with system reboot if necessary.
 - 2. There must be a documented patch management process that determines installation timeframe based on risk assessment and vendor recommendations.
 - 3. At a maximum, all applicable patches deemed as critical must be installed within thirty (30) days of vendor release. It is recommended that critical patches which are high risk be installed within seven (7) days.
 - 4. Applications and systems that cannot be patched within this time frame, due to significant operational reasons, must have compensatory controls implemented to minimize risk.
- G. User IDs and Password Controls.
 - 1. All users must be issued a unique user name for accessing PII.
 - 2. Username must be promptly disabled, deleted, or the password changed upon the transfer or termination of an employee within twenty- four (24) hours. Note: Twenty-four (24) hours is defined as one (1) working day.
 - 3. Passwords are not to be shared.
 - 4. Passwords must be at least eight (8) characters.
 - 5. Passwords must be a non-dictionary word.
 - 6. Passwords must not be stored in readable format on the computer or server.
 - 7. Passwords must be changed every ninety (90) days or less. It is recommended that passwords be required to be changed every sixty (60) days or less.
 - 8. Passwords must be changed if revealed or compromised.
 - 9. Passwords must be composed of characters from at least three (3) of the following four (4) groups from the standard keyboard:
 - a. Upper case letters (A-Z)
 - b. Lower case letters (a-z)
 - c. Arabic numerals (0-9)
 - d. Special characters (!,@,#, etc.)
- H. Data Destruction. When no longer needed, all PII must be cleared, purged, or destroyed consistent with NIST SP 800-88, Guidelines for Media Sanitization, such that the PII cannot be retrieved.

HWSCoC-0004868

- J. Warning Banners. The systems providing access to PII must display a warning banner stating, at a minimum:
 - 1. Data is confidential;
 - 2. Systems are logged;
 - 3. System use is for business purposes only, by authorized users; and
 - 4. Users shall log off the system immediately if they do not agree with these requirements.
- K. System Logging.
 - 1. The systems which provide access to PII must maintain an automated audit trail that can identify the user or system process which initiates a request for PII, or alters PII.
 - 2. The audit trail shall:
 - a. Be date and time stamped;
 - b. Log both successful and failed accesses;
 - c. Be read-access only; and

- M. Transmission Encryption.
 - 1. All data transmissions of PII outside of a secure internal network must be encrypted using a Federal Information Processing Standard (FIPS) 140-2 certified algorithm that is 128 bit or higher, such as Advanced Encryption Standard (AES) or Transport Layer Security (TLS). It is encouraged, when available and when feasible, that 256 bit encryption be used.
 - 2. Encryption can be end to end at the network level, or the data files containing PII can be encrypted.
 - 3. This requirement pertains to any type of PII in motion such as website access, file transfer, and email.
- N. Intrusion Prevention. All systems involved in accessing, storing, transporting, and protecting PII, which are accessible through the Internet, must be protected by an intrusion detection and prevention solution.

III. AUDIT CONTROLS

- A. System Security Review.
 - 1. The Grantor must ensure audit control mechanisms are in place.
 - 2. All systems processing and/or storing PII must have at least an annual system risk assessment/security review that ensures administrative, physical, and technical controls are functioning effectively and provide an adequate level of protection.
 - 3. Reviews should include vulnerability scanning tools.
- B. Log Reviews. All systems processing and/or storing PII must have a process or automated procedure in place to review system logs for unauthorized access.

HWSCoC-0004868

- B. Data in Vehicles. The Grantor shall have policies that include, based on applicable risk factors, a description of the circumstances under which staff can transport PII, as well as the physical security requirements during transport. A Grantor that chooses to permit its staff to leave records unattended in vehicles must include provisions in its policies to ensure the PII is stored in a non-visible area such as a trunk, that the vehicle is locked, and under no circumstances permit PII be left unattended in a vehicle overnight or for other extended periods of time.

9. **Hold Harmless/Indemnification.**

- A. Grantor agrees to indemnify and hold harmless County, all Agencies, Districts, Special Districts and Departments of County, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents and representatives from any liability whatsoever, based or asserted upon any services of Grantor, its officers, employees, subcontractors, agents or representatives arising out of or in any way relating to this Addendum, including but not limited to property damage, bodily injury, death, or any other element of any kind or nature whatsoever arising from the performance of Grantor, its officers, agents, employees, subcontractors, agents or representatives from this Addendum. Grantor shall defend, at its sole expense, all costs and fees, including but not limited to attorney fees, cost of investigation, defense and settlements or awards, of County, all Agencies, Districts, Special Districts and Departments of County, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents or representatives in any claim or action based upon such alleged acts or omissions.
- B. With respect to any action or claim subject to indemnification herein by Grantor, Grantor shall, at their sole cost, have the right to use counsel of their choice, subject to the approval of County, which shall not be unreasonably withheld, and shall have the right to adjust, settle, or compromise any such action or claim without the prior consent of County; provided, however, that any such adjustment, settlement or compromise in no manner whatsoever limits or circumscribes Grantor's indemnification to County as set forth herein. Grantor's obligation to defend, indemnify and hold harmless County shall be subject to County having given Grantor written notice within a reasonable period of time of the claim or of the commencement of the related action, as the case may be, and information and reasonable assistance, at Grantor's expense, for the defense or settlement thereof. Grantor's obligation hereunder shall be satisfied when Grantor has provided to County the appropriate form of dismissal relieving County from any liability for the action or claim involved.
- C. The specified insurance limits required in the Underlying Agreement of this Addendum shall in no way limit or circumscribe Grantor's obligations to indemnify and hold harmless County herein from third party claims arising from issues of this Addendum.
- D. In the event there is conflict between this clause and California Civil Code §2782, this clause shall be interpreted to comply with Civil Code §2782. Such interpretation shall not relieve the Grantor from indemnifying County to the fullest extent allowed by law.
- E. In the event there is a conflict between this indemnification clause and an indemnification clause contained in the Underlying Agreement of this Addendum, this indemnification shall only apply to the subject issues included within this Addendum.

HWSCoC-0004868

11. **Termination.**

A. **Termination for Breach of Contract.** A breach of any provision of this Addendum by either party shall constitute a material breach of the Underlying Agreement and will provide grounds for terminating this Addendum and the Underlying Agreement with or without an opportunity to cure the breach, notwithstanding any provision in the Underlying Agreement to the contrary. Either party, upon written notice to the other party describing the breach, may take any of the following actions:

- (1) Terminate the Underlying Agreement and this Addendum, effective immediately, if the other party breaches a material provision of this Addendum.
- (2) Provide the other party with an opportunity to cure the alleged material breach and in the event the other party fails to cure the breach to the satisfaction of the non-breaching party in a timely manner, the non-breaching party has the right to immediately terminate the Underlying Agreement and this Addendum.
- (3) If termination of the Underlying Agreement is not feasible, the breaching party, upon the request of the non-breaching party, shall implement, at its own expense, a plan to cure the breach and report regularly on its compliance with such plan to the non-breaching party.

B. **Effect of Termination.**

- (1) Upon termination of this Addendum, for any reason, Grantor shall return or, if agreed to in writing by County, destroy all PHI and/or ePHI received from County, or created or received by the Grantor on behalf of County, and, in the event of destruction, Grantor shall certify such destruction, in writing, to County. This provision shall apply to all PHI and/or ePHI which are in the possession of subcontractors or agents of Grantor. Grantor shall retain no copies of PHI and/or ePHI, except as provided below in paragraph (2) of this section.
- (2) In the event that Grantor determines that returning or destroying the PHI and/or ePHI is not feasible, Grantor shall provide written notification to County of the conditions that make such return or destruction not feasible. Upon determination by Grantor that return or destruction of PHI and/or ePHI is not feasible, Grantor shall extend the protections of this Addendum to such PHI and/or ePHI and limit further uses and disclosures of such PHI and/or ePHI to those purposes which make the return or destruction not feasible, for so long as Grantor maintains such PHI and/or ePHI.

12. **General Provisions.**

- A. **Retention Period.** Whenever Grantor is required to document or maintain documentation pursuant to the terms of this Addendum, Grantor shall retain such documentation for 6 years from the date of its creation or as otherwise prescribed by law, whichever is later.

HWSCoC-0004868

- B. **Amendment.** The parties agree to take such action as is necessary to amend this Addendum from time to time as is necessary for County to comply with HITECH, the Privacy Rule, Security Rule, and HIPAA generally.
- C. **Survival.** The obligations of Grantor under Sections 3, 5, 6, 7, 8, 9, 11.B and 12.A of this Addendum shall survive the termination or expiration of this Addendum.
- D. **Regulatory and Statutory References.** A reference in this Addendum to a section in HITECH, HIPAA, the Privacy Rule and/or Security Rule means the section(s) as in effect or as amended.
- E. **Conflicts.** The provisions of this Addendum shall prevail over any provisions in the Underlying Agreement that conflict or appear inconsistent with any provision in this Addendum.
- F. **Interpretation of Addendum.**
- (1) This Addendum shall be construed to be part of the Underlying Agreement as one document. The purpose is to supplement the Underlying Agreement to include the requirements of the Privacy Rule, Security Rule, HIPAA and HITECH.
 - (2) Any ambiguity between this Addendum and the Underlying Agreement shall be resolved to permit County to comply with the Privacy Rule, Security Rule, HIPAA and HITECH generally.
- G. **Notices to County.** All notifications required to be given by Grantor to County pursuant to the terms of this Addendum shall be made in writing and delivered to the County both by fax and to both of the addresses listed below by either registered or certified mail return receipt requested or guaranteed overnight mail with tracing capability, or at such other address as County may hereafter designate. SUBRECIPIENT shall defend the Indemnitees at its sole expense including all costs and fees (including, but not limited, to attorney fees, cost of investigation, defense and settlements or awards) in any claim or action based upon such acts, omissions or services.
- B. With respect to any action or claim subject to indemnification herein by SUBRECIPIENT, SUBRECIPIENT shall, at their sole cost, have the right to use counsel of their own choice, subject to the approval of COUNTY which shall not be unreasonably withheld, and shall have the right to adjust, settle, or compromise any such action or claim without the prior consent of COUNTY; provided, however, that any such adjustment, settlement or compromise in no manner whatsoever limits or circumscribes SUBRECIPIENT indemnification to Indemnitees as set forth herein.
- C. SUBRECIPIENT's obligation hereunder shall be satisfied when SUBRECIPIENT has provided to COUNTY the appropriate form of dismissal relieving COUNTY from any liability for the action or claim involved.
- D. The specified insurance limits required in this Agreement shall in no way limit or circumscribe SUBRECIPIENT's obligations to indemnify and hold harmless the Indemnitees herein from third party claims.

14. INSURANCE

- A. Without limiting or diminishing SUBRECIPIENT's obligation to indemnify or hold COUNTY harmless, SUBRECIPIENT shall procure and maintain or cause to be maintained, at its sole cost and expense, the following insurance coverages during the term of this Agreement. As respects to the insurance section only, COUNTY herein refers to the County of Riverside, its agencies, districts, special districts, and departments, their respective directors, officers, Board of Supervisors, employees, elected or appointed officials, agents, or representatives as Additional Insureds.
- B. Any insurance carrier providing insurance coverage hereunder shall be admitted to the State of California and have an AM BEST rating of not less than A: VIII (A:8) unless such requirements are waived, in writing, by the COUNTY Risk Manager. If the COUNTY's Risk

Manager waives a requirement for a particular insurer such waiver is only valid for that specific insurer and only for one policy term.

- C. SUBRECIPIENT's insurance carrier(s) must declare its insurance self-insured retentions. If such self-insured retentions exceed \$500,000 per occurrence such retentions shall have the prior written consent of the COUNTY Risk Manager before the commencement of operations under this Agreement. Upon notification of self-insured retention unacceptable to COUNTY, and at the election of the COUNTY's Risk Manager, SUBRECIPIENT's carriers shall either; 1) reduce or eliminate such self-insured retentions as respects to this Agreement with COUNTY, or 2) procure a bond which guarantees payment of losses and related investigations, claims administration, and defense costs and expenses.

Further, said certificate(s) and policies of insurance shall contain the covenant of the insurance carrier(s) that thirty (30) calendar days' written notice shall be given to the COUNTY prior to any material modification, cancellation, expiration or reduction in coverage of such insurance. In the event of a material modification, cancellation, expiration, or reduction in coverage, this Agreement shall terminate forthwith, unless the COUNTY receives, prior to such effective date, another properly executed original certificate of insurance and original copies of endorsements or certified original policies, including all endorsements and attachments thereto evidencing coverages set forth herein and the insurance required herein is in full force and effect. SUBRECIPIENT shall not commence operations until the COUNTY has been furnished original certificate(s) of insurance and certified original copies of endorsements and if requested, certified original policies of insurance including all endorsements and any and all other attachments as required in this section. An individual authorized by the insurance carrier to do so on its behalf shall sign the original endorsements for each policy and the certificate of insurance.
- E. It is understood and agreed to by the parties hereto that SUBRECIPIENT's insurance shall be construed as primary insurance, and COUNTY's insurance and/or deductibles and/or self-insured retentions or self-insured programs shall not be construed as contributory.
- F. If, during the term of this Agreement or any extension thereof, there is a material change in the scope of services, or there is a material change in the equipment to be used in the performance of the scope of work which will add additional exposures (such as the use of aircraft, watercraft, cranes, etc.), or the term of this Agreement, including any extensions thereof, exceeds five (5) years, the COUNTY reserves the right to adjust the types of insurance required under this Agreement and the monetary limits of liability for the insurance coverages currently required herein if, in the COUNTY Risk Manager's reasonable judgment, the amount or type of insurance carried by the SUBRECIPIENT has become inadequate.
- G. SUBRECIPIENT shall pass down the insurance obligations contained herein to all tiers of subcontractors working under this Agreement.
- H. The insurance requirements contained in this Agreement may be met with a program of self-insurance acceptable to COUNTY.

The sub recipient may also establish standards that exceed or add to these standards but at a minimum must include:
 - a. Structure and materials: The structures must be structurally sound to protect residents from the elements and not pose any threat to the health and safety of the residents.
 - b. Space and security: Each resident must be provided adequate space and security for themselves and their belongings: Each resident must be provided an acceptable place to sleep.
 - c. Interior air quality: Each room or space must have a natural or mechanical means of ventilation. The interior air must be free of pollutants at a level that might threaten or harm the health of residents.
 - d. Water supply: The water supply must be free from contamination.
 - e. Sanitary facilities: Residents must have access to sufficient sanitary facilities that are in proper operating condition, are private, and are adequate for personal cleanliness and the disposal of human waste.
 - f. Thermal environment: The housing must have any necessary heating/cooling facilities in proper operating condition.
 - g. Illumination and electricity: The structure must have adequate natural or artificial illumination to permit normal indoor activities and support health and safety. There must be sufficient electrical sources to permit the safe use of electrical appliances in the structure.

- h. Food preparation: All food preparation areas must contain suitable space and equipment to store, prepare, and serve food in a safe and sanitary manner.
- i. Sanitary conditions: The housing must be maintained in a sanitary condition.
- j. Fire safety:
 - There must be a second means of exiting the building in the event of fire or other emergency.
 - Each unit must include at least one battery-operated or hard-wired smoke detector, in proper working condition, on each occupied level of the unit. Smoke detectors must be located, to the extent practicable, in a hallway adjacent to a bedroom. If the unit is occupied by hearing impaired persons, smoke detectors must have an alarm system designed for hearing-impaired persons in each bedroom occupied by a hearing-impaired person.
 - The public areas of all housing must be equipped with a sufficient number, but not less than one for each area, of battery-operated or hard-wired smoke detectors. Public areas include, but are not limited to, laundry rooms, community rooms, day care centers, hallways, stairwells, and other common areas.

Minimum Habitability Standards with Checklist:

<https://www.hudexchange.info/resource/3766/esg-minimum-habitability-standardsfor-emergency-shelters-and-permanent-housing/>

SUBRECIPIENTS must maintain documentation of the completed checklist (or equivalent documentation) should be placed in a file pertaining to the shelter.

3. Violence Against Women Act (VAWA)

The following requirements apply to emergency shelters:

- a. No individual or family may be denied admission to or removed from the emergency shelter on the basis or as a direct result of the fact that the individual or family is or has been a victim of domestic violence, dating violence, sexual assault, or stalking, if the individual or family otherwise qualifies for admission or occupancy.
- b. The terms "affiliated individual," "dating violence," "domestic violence," "sexual assault," and "stalking" are defined in 24 CFR 5.2003.

4. Prohibition against involuntary family separation The age and gender of a child under age 18 cannot be used as a basis for denying any family's admission to emergency shelter. All shelters funded with federally-originated dollars must adhere to this rule.

5. Safety and Security Sub recipients should have policies and procedures in place which address providing a safe environment for emergency shelter staff and participants. Policies and procedures may vary depending on the location and population being served.

6. Minimum Period of Use Where the sub recipient uses ESG funds solely for essential services or shelter operations, the sub recipient must provide services or shelter to homeless individuals and families at least for the period during which the ESG funds are provided. The sub recipient does not need to limit these services or shelter to a particular site or structure, so long as the site or structure serves the same type of persons originally served with the assistance (e.g., families with children, unaccompanied youth, disabled individuals, or victims of domestic violence) or serves homeless persons in the same area where the sub recipient originally provided the services or shelter.

7. Length of Stay ESG sub recipients must also reassess emergency shelter participants on an ongoing basis, to determine the earliest possible time that a participant can be discharged to permanent housing. Program participants can remain in the emergency

shelter for up to 6 months. Sub recipients will discharge participants when they have reached the end of the stay. SUBRECIPIENTS will coordinate with Coordinated Entry to determine whether there are other options for housing available. Every effort should be made to prevent discharging participants to the street or other unsheltered location.

B.22 HMIS

<https://files.hudexchange.info/resources/documents/ESG-Program-HMIS-Manual.pdf>

All Emergency Shelter programs are required to enter participants in to HMIS at first contact per the ESG and CoC Interim Rule (24 CFR 576 and 578). This helps to ensure coordination between service providers through the Coordinated Entry System (CES) while avoiding duplication of services and participant data and provides an opportunity to document homelessness.

Projects funded under ESG where the sub recipient is a victim services provider may not enter client-level data into an HMIS; instead, they must use a comparable database to collect client-level data over time and generate unduplicated aggregate reports based on that data.

Emergency Shelter workflow in HMIS:

1. Complete enrollment (project start date & demographics)
2. Complete Household (Family ID)
3. HUD Entry Assessment
4. Annual Assessment (if applicable)
5. HUD Exit Assessment/Program Dismissal

B.23 FILE CHECKLIST

The basis of all determinations (eligibility, assistance needed, assistance provided, etc.) must be supported by the evidence documented in the case file. Minimum Documentation should include but is not limited to:

1. Proof of eligibility -Documentation of Homelessness, must follow HUD's prioritization of documentation of homelessness and 24 CFR 576.500.
2. Program Intake Documents including:
 - a. HMIS Release of Information,
 - b. Notice of Privacy Practices,
 - c. Participant grievance,
 - d. Participant consent form,
 - e. Release of Information if applicable,
 - f. Other sub recipient documentation
3. Identification – if participant does not have ID it should not prevent them from entering the shelter. The case plan may focus on assisting participants with obtaining their ID if it will be needed for housing, employment, benefits, etc.
4. Assessment
5. Case plans – should be focused on housing and addressing barriers to housing.
6. Case notes – should be focused on tasks related to participant plan and participant obtaining housing.
7. Any back-up documentation for services provided to participant. For example, if a participant was provided a bus pass to travel to employment, a copy of that bus pass should be in the participant file.
8. Copies of any documentation provided to the participant. For example, if a participant is given a warning letter for behavioral issues, a copy of that letter should be in the participant file.
9. Participant grievance, if applicable
10. Discharge/Termination forms used by agency

B.33 HHIP STREET OUTREACH OUTCOMES 03/01/2023 – 06/30/2025: Performance Measurements Outcome Statement Part A:

Outcomes (Data Analysis) are separated between outreach engagements, and people housed. “Engagements” are individuals who have given consent to receive services from outreach staff and have become part of the outreach staff’s caseload. “Housed” is a total number of unsheltered homeless people that have been permanently housed.

Unduplicated Engagements	People/Households Housed

B.34 PROJECT DETAIL

Project	Service
Funding Costs for:	Street Outreach
Population Focus:	Homeless Clients

B.35 STREET OUTREACH SERVICES

SUBRECIPIENT will:

- a. Target the general unsheltered homeless people throughout Riverside County. The term “unsheltered homeless people” means an individual or family with a primary nighttime residence that is a public or private place not meant for human habitation, such as cars, parks, abandoned buildings, busses, train stations, airports, or camping grounds.

Fund a minimum of two (2) full-time street outreach teams consisting of two (2) people each to serve Riverside County.

- b. Focus on working with new engagements they encounter in places not meant for human habitation, who are not yet connected to other agencies providing assistance or case management services. Street outreach should be focused on those who cannot or will not seek services on their own.

- c. In the event of a County declared emergency, natural disaster or event that presents immediate threat to unsheltered homeless people, SUBRECIPIENT will be required to have emergency procedures in place to provide staff coverage for night and weekend street outreach. SUBRECIPIENT will work alongside CoC to identify, respond and provide services to meet the needs of unsheltered individuals during said event and its immediate aftermath.
- d. As a condition of the award of Street Outreach funding, SUBRECIPIENT will be required to enroll all street outreach engagements into a Medi-Cal Managed Care Plan, making client wellness a top priority to the street outreach process. Outreach staff will assist with making wellness exams, assist clients with managing and keeping their appointments, and providing transportation to and from wellness appointments.
- 1. Street Outreach staff will assume case management responsibilities for their clients until another entity or agency providing ongoing case management services assumes the role, and a warm hand off has been made. The term “warm hand off” means that a proper introduction has been made between the client(s) and the new service provider, the wellness plan and progress made toward goals have been shared, and all parties understand and consent to the change in service provider. The term “case management” means to assess housing and service needs, arrange, coordinate, and monitor the delivery of individualized services, including:
 - 2. Using the Riverside County Coordinated Entry System.
 - 3. Initial evaluation including verifying and documenting eligibility (e.g., verification of homelessness and/or chronic homelessness).
 - 4. Assist client in obtaining needed documents to be considered “document ready” such as CA identification, social security card, birth certificate, bank statements, letter of homelessness, and all benefit award letters.
 - 5. Developing an individualized “Wellness Plan” that encompasses housing, services, and wellness.
 - 6. Assist and support with mapping out and executing the wellness plan.
 - 7. Counseling or connection to therapeutic supports.
 - 8. Obtaining Federal, state, and local benefits.
 - 9. Monitoring and evaluating participant progress and providing added support in areas of need.
 - 10. Providing information and referrals to other agencies.
 - 11. Collaborating with other providers and agencies to meet client needs.

B.36 ELIGIBILITY

Sub recipient will document that all program participants who receive street outreach services must meet the eligibility criteria of paragraph (1) of the “homeless” definition or who meet the criteria under paragraph (4) of the “homeless” definition **and** live in an emergency shelter or other place described in paragraph (1) of the “homeless” definition of 24 CFR § 576.2.

B.37 DIVERSION

Diversion is a strategy that helps people experiencing a housing crisis to identify and access safe alternatives to an emergency shelter and housing services quickly. Outreach staff should be able to execute various forms of diversion techniques to the appropriate situations. Diversion includes services such as: creative problem-solving conversations, family reunification support, conflict resolution mediation, housing search and placement, and obtaining transport to home of residence (bus ticket home).

If an individual or family cannot be diverted from the homeless system of care, street outreach workers will complete an assessment using the tool approved by the Coordinated Entry System (CES).

B.38 ASSESSMENT

SUBRECIPIENT must determine an individual's vulnerability and willingness or ability to independently access services such as emergency shelter, medical services, and housing, prior to providing street outreach services, to ensure that those with the greatest need are served first.

B.42 ELIGIBLE COSTS

Eligible costs for Street Outreach services include providing essential services necessary to reach out to unsheltered homeless individuals and families, connect them with emergency shelter, housing, or critical services, and provide them with urgent, non-facility-based care. Component services consist of contact, engagement, case management, emergency health and mental health services, and transportation. Specific requirements and eligible costs include:

1. Engagement: The costs of activities to locate, identify, and build relationships with unsheltered homeless people including:
 - a. Salaries for outreach staff/street medicine staff
2. Emergency Health Services: The costs of outpatient treatment of medical conditions provided by licensed medical professionals operating in community-based settings (e.g., streets, parks).

5. Services Special Populations: The costs of otherwise eligible Street Outreach services that have been tailored to address the needs of the special needs of homeless youth, victims of domestic violence and related crimes/threats, and/or people living with HIV/AIDS who are literally homeless.

B.43 HMIS

Street Outreach subrecipients are required to enter participants into HMIS at first contact per the CoC Interim Rule (24 CFR 576 and 578). This helps to ensure coordination between service providers through the Coordinated Entry System (CES), provides an opportunity to document homelessness, and avoids duplication of services and participant data.

Street Outreach requirements in HMIS:

1. Complete enrollment (project start date & demographics)
2. Complete Household (Family ID)
3. HUD Entry Assessment
4. Outreach and Services Engagement (Taken just once per enrollment)
5. Outreach and Services Contact (Taken at each contact with client)
6. HUD Exit Assessment/Program Dismissal

B.44 COORDINATED ENTRY SYSTEM (CES)

In addition to direct street engagements, SUBRECIPIENT will accept referrals from the Coordinated Entry System (CES) HomeConnect Hotline which operated as a main entry point for persons experiencing homelessness. CES HomeConnect will utilize the outreach coverage schedule to determine which subrecipient is most appropriate to respond.

SUBRECIPIENT shall assist HomeConnect with system backlog. The Coordinated Entry System has individuals and families who have been awarded a housing connection, but require outreach to provide supportive services, navigation assistance, or case management to obtain housing. Outreach staff will coordinate with CES to obtain referrals that are agency appropriate to assist with housing connection backlog.

B.45 STREET OUTREACH FILE CHECKLIST

The basis of all determinations (eligibility, assistance needed, assistance provided, etc.) must be supported by the evidence documented in the case file. Minimum Documentation should include but is not limited to:

3. Wellness Plan that shows the street outreach provider and program participant developed a plan to assist the program participant in obtaining medical services and permanent housing or sheltered services.
4. Case notes that reflect progress made toward the client's wellness plan goals.
5. Back-up documentation for the services and assistance provided to that program participant, including, as applicable, gas voucher, bus pass, DMV receipt, etc.
6. Referrals made by the subrecipient to program participant to obtain mainstream and other resources as needed.
7. Program Discharge/Exit paperwork

B.46 SCHEDULING AND PARTICIPATION

SUBRECIPIENT shall co-facilitate and participate in a countywide street outreach collaborative that will include other street outreach teams/street medicine teams. Teams will meet virtually once a week to coordinate outreach efforts. The meeting schedule will be determined and implemented by outreach teams. Outreach teams will co-facilitate in-person outreach meetings monthly to collaborate, support street medicine team(s), refer clients to street medicine services, case conference, and ensure regional coverage. ESG Supporting Documentation Instructions

SUPPORTING DOCUMENTATION

The general rule for supporting documentation is that for any program cost that is to be reimbursed (or used as match), provide the invoice which documents that a cost was incurred, and a receipt, or a copy of a check, a check stub, or copy of bank statement to substantiate the amount paid. Supporting documentation must be ***legible, clear, and organized***. The COUNTY must be able to tie your request to the amounts claimed after each line item on the Claim Form. Costs can only be reimbursed if they have been included in the original Technical Submission/Application.

Documentation for like line items should be clipped together and identified with a summary sheet or label identifying the Line Item Number or the Activity as listed on the Claim Form A spreadsheet itemizing the expenses, or at a minimum, an adding machine tape showing the expenses with a matching amount on the claim form is helpful. The clearer the information is that you provide, the quicker we will be able to process the claim.

Appendix A**PURPOSE/BACKGROUND**

The County of Riverside Purchasing Department on behalf of Riverside County's Housing, Homelessness Prevention and Workforce Solutions Department (HHPWS) – Continuum of Care Division, hereafter referred to as the County, is seeking quotes from interested, qualified, and experienced bidders to provide expand on essential *Street Outreach (SO)* services necessary to reach out to unsheltered homeless individuals and families, connect them with emergency shelter, permanent housing, or critical services, and provide them with urgent, non-facility-based care. The Street Outreach Program is funded under the Coronavirus Aide, Relief, and Economic Security Act (CARES) enacted on March 27, 2020 for the purposes of *preventing, preparing for and responding to the coronavirus pandemic*. The California Emergency Solution Grant Round 2 (ESG-CV2) is administered by the California Department of Housing and Community Development ("State Department") with funding received from the U.S. Department of Housing and Urban Development (HUD). HCD has allocated \$31,589,00 to HHPWS-CoC to administer Homeless Assistance Programs in Riverside County, with the Street Outreach Allocation being \$1,474,617 to prevent, prepare for and respond to the coronavirus pandemic. The California ESG-CV2 funds are to provide services in all areas of the County of Riverside not currently eligible for ESG funds through direct city ESG entitlement. Areas excluded and not eligible for ESG funds under this RFP include the cities of: Riverside and Moreno Valley.

The ESG-CV2 funding priorities are: (1) to serve those most in need through rapid rehousing, emergency shelter, and street outreach; and (2) to ensure all eligible persons receive equitable services with dignity, respect and compassion regardless of circumstance, ability, or identity. This includes marginalized populations, Black, Native and Indigenous, Latinx, Asian, Pacific Islanders, and other people of color, immigrants, people with criminal records, people with disabilities, people with mental health and substance use vulnerabilities, people with limited English proficiency, people who identify as transgender, people who identify as LGBTQ+, and other individuals that may not have access to mainstream support.

The intent of the ESG-CV2 funds is to supplement the existing operational budgets of nonprofit organizations and government agencies responding to the critical needs of the community by providing services to prevent, prepare for, and respond to increased demand for services for these populations.

Please Note: the ESG-CV funds can be used to reimburse homelessness service providers for eligible coronavirus-related expenses incurred before the enactment of the CARES Act. The County of Riverside will use March 4, 2020, as the coronavirus pandemic impact date.

The expenditure deadline is August 31, 2022 for ESG-CV Round 2 Street Outreach.

Goal

The primary goal of the County's ESG-CV2 Street Outreach Program is to prevent, prepare for and respond to the coronavirus by expanding street outreach efforts across the County of Riverside to engage with persons experiencing unsheltered homelessness, with the ultimate goal of moving these persons into permanent housing where they will be the safest.

Target Populations

Unsheltered homeless throughout Riverside County.

Objectives

1. Develop a more effective crisis response system including a coordinated street outreach network to cover assigned geography, that will act as an entry point to the Continuum of Care's Coordinated Entry System (CES) for unsheltered individuals.
2. Expand street outreach services in all five Supervisorial Districts to support systematic street outreach services in each region and to prevent, prepare for and respond to the coronavirus.
2. Establish a direct connection with existing Street Outreach Program to promote coordination across all teams and ensure services are planned, strategic, and organized.
3. Move unsheltered homeless into emergency shelters or other housing options, where they can be linked to supportive services, and eventually permanent housing.
4. Increase the availability of field based clinical and medical support staff to address the complex physical and behavioral health barriers individuals may be experiencing in unsheltered homelessness.
5. Provide specialized and targeted street outreach services to engage marginalized populations experiencing homelessness in Riverside County. These marginalized populations include Black, Native and Indigenous, Latinx, Asian, Pacific Islanders, and other people of color, immigrants, people with criminal records, people with disabilities, people with mental health and substance use vulnerabilities, people with limited English proficiency, people who identify as transgender, people who identify as LGBTQ+, and other individuals that may not have access to mainstream support.
6. Provide street outreach services that are low barrier, trauma informed, culturally responsive and Housing First-oriented which recognizes that the most effective solution to homelessness is permanent housing and all housing for the homeless should be provided immediately, without any preconditions, such as sobriety requirements. Per HUD guidance, individuals and families assisted with these ESG-CV2 funds must not be required to receive treatment or perform any other prerequisite activities as a condition for receiving shelter, housing, or other services for which these funds are used.

Program Evaluation

The HHPWS - Continuum of Care Division will provide ongoing program monitoring and technical assistance to ensure that programs are meeting strict spending milestones established by HUD and the State. In line with HUD's expenditure deadlines included in the CPD-20-08 ESG-CV Notice, HHPWS requires subrecipients to meet the following expenditure deadlines for ESG-CV2 funding. Should the subrecipient not meet the following expenditure expectations, HHPWS in its sole discretion reserves the right to recapture the difference in funds between the actual expenditure amount at the expenditure deadline and expected expenditure. The Department also reserves the right in its sole discretion to mandate a corrective action or remediation plan to ensure future timely expenditure of ESG-CV Round 2 funds.

20%	July 31, 2021
40%	September 30, 2021

Letter of Intent (LOI) # COARC-006
Emergency Shelter ESG-CV2 Funds**

PURPOSE: The County of Riverside and its Housing, Homelessness Prevention, and Workforce Solutions Department (HHPWS), hereafter called The County, seeks organizations providing permanent and/or temporary emergency shelters in Riverside County to help *prevent, prepare for, and respond to the coronavirus*, prioritizing seniors, families and youth experiencing homelessness.

BACKGROUND: In response to the novel coronavirus pandemic (COVID-19), the U.S Congress passed the Coronavirus Aid, Relief, and Economic Security Act (CARES Act), Public Law 116-25, in March 2020, which provided a supplemental appropriation of Homeless Assistance Grants under the Emergency Solutions Grant (ESG) Program (24 CFR 576). These funds must be used to prevent, prepare for, and respond to COVID-19 among individuals and families who are homeless to mitigate the impacts created by the virus.

The County has been allocated \$14,321,711 under the ESG Emergency Shelter component (24 CFR 576.102) of the ESG Interim Rule. This Letter of Intent is not for Rapid Rehousing (RRH), Prevention, or Street Outreach components. The Emergency Shelter Cares Act (ESG-CV2) funding is to be used for operational and essential services for permanent and/or temporary emergency shelters.

The primary intent of the ESG-CV2 emergency shelter funding is to supplement the existing operational budgets of nonprofit organizations and government agencies responding to the critical needs of the community by providing services to prevent, prepare for, and respond to increased demand for emergency shelter.

Please Note: the ESG-CV funds can be used to reimburse emergency shelter service providers for eligible coronavirus-related expenses incurred before the enactment of the CARES Act. The County of Riverside will use March 4, 2020, as the coronavirus pandemic impact date.

DESCRIPTION OF SERVICES: The County is releasing this LOI to identify potential vendor or vendors to provide the services outlined in Exhibit A.

CONTRACT TERM: March 4th, 2020 through January 31st, 2022, with no option to extend the contract. The minimum request for this award is set at \$500,000.

COMPENSATION: This request is for informational purposes only. The County of Riverside is not responsible for any cost(s) incurred in response to this LOI.

CONFIDENTIALITY: Should a Respondent request in writing that their proprietary information be held in confidentiality, the County will comply. This LOI is for informational purposes only.

ALTERATION: No alteration or variation of the terms of this LOI shall be valid, and no oral understanding or agreement, not incorporated herein, shall be binding on any of the parties hereto. Only the County of Riverside Board of Supervisors or the County Purchasing Agent may authorize any alteration or revision of this LOI, which would be completed in writing. The parties expressly recognize that County personnel are without authorization to either change or waive any requirements of this LOI.

VENDOR INQUIRIES/ RESPONSES: The County requires that Respondents mail and email a "Letter of Interest," typewritten uniformly on letter-size (8 ½" by 11") sheets of white paper with each section clearly titled, and each page clearly and consecutively numbered.

Respondents shall express their interest and include a brief description of services to be provided, completion of Exhibit B showing the expenditure milestones to be met, along with a completed and signed LOI Form, attached and incorporated herein as Exhibit C. Documents must be clean and suitable for copying. Please submit electronically on the Public Purchase website at www.publicpurchase.com

AUTHORITY, PURPOSE AND SCOPE OF WORK

1. Authority & Purpose

This Standard Agreement (hereinafter "Agreement") will provide official notification of the conditional reservation of funds under the State of California's administration of the federal CARES Act Emergency Solutions Grants Program Allocation (hereinafter, "ESG-CV" or the "Program") by the Department of Housing and Community Development (hereinafter the "Department" or "HCD") pursuant to the provisions of the 2020 Federally enacted Coronavirus Aid, Relief, and Economic Security Act, Title XII, Homeless Assistance Grants Section (hereinafter, "CARES Act") and any HUD Notices or waivers including the HUD Mega-Waiver dated April 1, 2020 and HUD CPD Notice-20-08 dated September 1, 2020 and, where not superseded by the CARES Act, pursuant to the provisions of 42 USC 11371 – 42 USC 11378, ("Federal Statutes"), 24 CFR Part 576, ("Federal Regulations") all as shall be amended from time to time.

HCD receives federal funds for ESG-CV from the United States Department of Housing and Urban Development (HUD). In accepting this conditional reservation of funds, Contractor (sometimes referred to herein as "Grantee," "Administrative Entity," "Applicant," or "Continuum of Care") agrees to comply with the terms and conditions of this Agreement, which relates to the ESG-CV Notice of Funding Availability (NOFA) dated June 1, 2020 (Round 1) and the ESG-CV NOFA dated October 2, 2020 (Round 2) under which the Contractor applied, the representations contained in the Contractor's Application for the ESG-CV funding allocations, and the requirements of the authorities cited above. Any and all changes made to the submitted and awarded Application after this Agreement is executed must receive prior written approval from the Department.

2. Scope of Work

- A. Contractor shall perform the Scope of Work ("Work") required as described in this Agreement and in the Application, which is on file electronically with the Department and which is incorporated herein by reference. Contractor shall be responsible for ensuring its selected homeless service providers perform the Work set forth in Exhibit E of this Agreement. All written materials or alterations submitted as addenda to the original Application and which are approved in writing by the Department are hereby incorporated as part of the Application. The Department reserves the right to require the Grantee to modify any or all parts of the Application in order to comply with ESG-CV requirements. The Department reserves the right to monitor all Work to be performed by the Grantee, its contractors, and subgrantees in relation to this Agreement. Any proposed revision to the Scope of Work must be submitted in writing for review and approval by the Department and may require an amendment to this Agreement. Approval shall not be presumed unless such approval is made by the Department in writing.

EXHIBIT A

- B. Contractor shall perform the Work, only in the areas as identified, and in accordance with the approved ESG-CV Application and as required by Federal ESG requirements at 24 CFR Section 576. Contractor's selected homeless service providers shall provide services in the areas identified in the application/award recommendation package submitted to the Department. Services shall be provided by the Contractor and the Contractor's funded subrecipients for at least the term of the ESG-CV grant. For the purposes of performing the Scope of Work, the Department agrees to provide the amount(s) identified in Exhibit F. Unless amended in writing, the Department shall not be liable for any costs in excess of the total approved budget. The Department shall not, under any conditions, be liable for any unauthorized or ineligible costs or activities.

3. Duplication of Benefits

A Duplication of Benefit (DOB) occurs when a program beneficiary receives assistance from multiple funding sources totaling an amount that exceeds the need for a particular funding need. The duplication is the amount of assistance provided in excess of the need. It is the Department's responsibility to ensure that each ESG-CV activity provides assistance only to the extent that the recipient's project's funding need(s) has not been met by another funding source.

Section 312 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (Stafford Act) prohibits federal agencies from providing assistance to any "person, business concern, or other entity" for any loss for which the entity has already received financial assistance from another source (See: 42 USC § 5155(a)). The Federal Register Notice, published on November 16, 2011 (Docket No. FR-5582-N-01), requires adequate policies and procedures in place to prevent a DOB and provide for the recapture of funds, if necessary.

Applicants will be required to complete DOB documentation with application. Recipients will be required to continue to report on DOB during the expenditure period for the ESG-CV funds. Applicants will be required to prepare DOB policies and procedures including a policy for funds recapture to be included in written standards.

4. Effective Date and Commencement of Work

This Agreement was effective upon the date of the Department representative's signature on page one of the fully executed Standard Agreement, STD 213, (the "Effective Date"). However, the Standard Agreement is being modified per this Standard Agreement Amendment (STD 213A) which is effective upon the date of the Department's representative's signature on page one of STD 213A. Per the CARES Act, contractors may request reimbursement for allowable costs incurred to prevent, prepare for, and respond to coronavirus including costs that are incurred, including costs incurred prior to award letter and prior to the date of the enactment of the CARES Act. In addition, no activity funds shall be incurred until any required environmental review process has been completed, if required under 24 CFR 50, except as exempted by the

Contractor agrees to provide documentation satisfactory to the Department evidencing the obligation of ESG-CV funds within one hundred and twenty (120) days from the date the Department made each of the two rounds of grant funding available to the Contractor. Activities performed with the assistance provided under this Agreement are subject to 24 CFR, Part 35.

20. Prevailing Wages

- A. Where funds provided through this Agreement are used for construction work, or in support of construction work, Contractor shall ensure that the requirements of Chapter 1 (commencing with Section 1720) of Part 7 of the Labor Code (pertaining to the payment of prevailing wages and administered by the California Department of Industrial Relations) are met.
- B. certificate from the awarding body that prevailing wages have been or will be paid when required by Section 1720 et. seq. of the Labor Code.

21. Matching Funds

Per the CARES Act, the amounts provided under the ESG-CV funding shall not be subject to match requirements that otherwise apply to ESG funding.

22. Assurance of Compliance with the “Violence Against Women Reauthorization Act of 2013” (VAWA) (S.47 - 113th Congress (2013-2014)) (as amended or reauthorized) Title VI - Safe Homes for Victims of Domestic Violence, Dating Violence, Sexual Assault, and Stalking – Sec. 601-603

VAWA provides housing protections for survivors of domestic and dating violence, sexual assault, and stalking when it comes to finding and keeping a home they can feel safe in.

VAWA applies for all victims of domestic violence, dating violence, sexual assault, and stalking, regardless of sex, gender identity, or sexual orientation, and which must be applied consistently with all nondiscrimination and fair housing requirements. VAWA now expands housing protections to HUD programs beyond HUD’s public housing program and HUD’s tenant-based and project-based Section 8 programs. VAWA now provides enhanced protections and options for victims of domestic violence, dating violence, sexual assault, and stalking.

During the performance of this Agreement, the Contractor or its subrecipients assure that:

- A. Domestic Violence survivors are not denied assistance as an applicant, or evicted or have assistance terminated as a tenant, because the applicant or tenant is or has been a victim of domestic violence, dating violence, sexual assault, and stalking.
- B. It will implement an “emergency transfer plan”, which allows for domestic violence survivors to move to another safe and available unit if they fear for their life and safety.
- C. It will provide “protections against denials, terminations, and evictions that directly result from being a victim of domestic violence, dating violence, sexual assault, or stalking, if the applicant or tenant otherwise qualifies for admission, assistance, participation, or occupancy.”
- D. It will implement a “low-barrier certification process” where a domestic violence survivor need only to self-certify in order to document the domestic violence, dating violence, sexual assault, or stalking, ensuring third party documentation does not cause a barrier in a survivor expressing their rights and receiving the protections needed to keep themselves safe.

AUTHORITY, PURPOSE AND SCOPE OF WORK

1. Authority & Purpose

This Standard Agreement (hereinafter "Agreement") will provide official notification of the reservation of funds under the State of California's administration of the federal CARES Act Emergency Solutions Grants Program Allocation (hereinafter, "ESG-CV" or the "Program") by the Department of Housing and Community Development (hereinafter the "Department" or "HCD") pursuant to the provisions of the 2020 Federally enacted Coronavirus Aid, Relief, and Economic Security Act, Title XII, Homeless Assistance Grants Section (hereinafter, "CARES Act") and any HUD Notices or waivers including the HUD Mega-Waiver dated April 1, 2020 and HUD Notice CPD-22-06 dated April 18, 2022 and, where not superseded by the CARES Act, pursuant to the provisions of 42 USC 11371 – 42 USC 11378, ("Federal Statutes"), 24 CFR Part 576, ("Federal Regulations") all as shall be amended from time to time.

HCD receives federal funds for ESG-CV from the United States Department of Housing and Urban Development (HUD). In accepting this reservation of funds, Contractor (sometimes referred to herein as "Grantee," "Administrative Entity," "Applicant," or "Continuum of Care") agrees to comply with the terms and conditions of this Agreement, which relates to the ESG-CV Notice of Funding Availability (NOFA) dated June 1, 2020 (Round 1) and the ESG-CV NOFA dated October 2, 2020 (Round 2), the representations contained in the Contractor's Application for the ESG-CV funding allocations, and the requirements of the authorities cited above. Any and all changes made to the submitted and awarded Application after this amended Agreement is executed must receive prior written approval from the Department.

2. Scope of Work

- A. Contractor shall perform the Scope of Work ("Work") required as described in this Agreement and in the Application, which is on file electronically with the Department and which is incorporated herein by reference. Contractor shall be responsible for ensuring its selected homeless service providers perform the Work set forth in Exhibits E and F of this Agreement. All written materials or alterations submitted as addenda to the original Application and which are approved in writing by the Department are hereby incorporated as part of the Application. The Department reserves the right to require the Grantee to modify any or all parts of the Application in order to comply with ESG-CV requirements. The Department reserves the right to monitor all Work to be performed by the Grantee, its contractors, and subgrantees in relation to this Agreement. Any proposed revision to the Scope of Work must be submitted in writing for review and approval by the Department and may require an amendment to this Agreement. Approval shall not be presumed unless such approval is made by the Department in writing.

EXHIBIT A

- B. Contractor shall perform the Work, only in the areas as identified, and in accordance with the approved ESG-CV Application and as required by Federal ESG requirements at 24 CFR Section 576. Contractor's selected homeless service providers shall provide services in the areas identified in the application/award recommendation package submitted to the Department. Services shall be provided by the Contractor and the Contractor's funded subrecipients for at least the term of the ESG-CV grant. For the purposes of performing the Scope of Work, the Department agrees to provide the amount(s) identified in Exhibits E and F. Unless amended in writing, the Department shall not be liable for any costs in excess of the total approved budget. The Department shall not, under any conditions, be liable for any unauthorized or ineligible costs or activities.

3. Duplication of Benefits

A Duplication of Benefit (DOB) occurs when a program beneficiary receives assistance from multiple funding sources totaling an amount that exceeds the need for a particular funding need. The duplication is the amount of assistance provided in excess of the need. It is the Department's responsibility to ensure that each ESG-CV activity provides assistance only to the extent that the recipient's project's funding need(s) has not been met by another funding source.

Section 312 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (Stafford Act) prohibits federal agencies from providing assistance to any "person, business concern, or other entity" for any loss for which the entity has already received financial assistance from another source (See: 42 USC § 5155(a)). The Federal Register Notice, published on November 16, 2011 (Docket No. FR-5582-N-01), requires adequate policies and procedures in place to prevent a DOB and provide for the recapture of funds, if necessary.

Applicants will be required to complete DOB documentation with application. Recipients will be required to continue to report on DOB during the expenditure period for the ESG-CV funds. Applicants will be required to prepare DOB policies and procedures including a policy for funds recapture to be included in written standards.

4. Effective Date and Commencement of Work

This Agreement was effective upon the date of the Department representative's signature on page one of the fully executed Standard Agreement, STD 213, (the "Effective Date"). However, the Standard Agreement is being modified per this Standard Agreement Amendment 1 (STD 213A) which is effective upon the date of the Department's representative's signature on page one of the STD 213A. Per the CARES Act, contractors may request reimbursement for allowable costs incurred to prevent, prepare for, and respond to coronavirus including costs that are incurred, including costs incurred prior to award letter and prior to the date of the enactment of the CARES Act. In addition, no activity funds shall be incurred until any required environmental review process has been completed, if required under 24 CFR 50, except as exempted by the

In the case of an award made to a general purpose local government that subcontracts with private nonprofit organizations via letters of awards and Service Provider Agreements, the subcontractors are subject to obligate the funds within one hundred and twenty (120) days from the date of the award notification letter received by the general purpose local government.
- B. Contractor agrees to provide documentation satisfactory to the Department evidencing the obligation of ESG-CV funds within one hundred and twenty (120) days from the date the Department made each of the two rounds of grant funding available to the Contractor. - D. All Final Funds Requests shall be submitted to the Department by: November 15, 2023
- E. Reimbursements will not be made after this Agreement expires.
- F. Expenditure Requirements
 - a. In accordance with HUD's expenditure deadlines included in the CPD-22-06 ESG-CV Notice, Grantee must meet the following expenditure deadlines for ESG-CV funding. Should the Grantee not meet the following expenditure requirements, the Department in its sole and absolute discretion reserves the right to recapture any unspent ESG-CV awarded funds up to the maximum amount listed below. 15. **The Training, Employment, and Contracting Opportunities for Business and Lower Income Persons Assurance of Compliance (Section 3)**

The Contractor will comply with Section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701u) and implementing 24 CFR, Part 135. The responsibilities of the Contractor are outlined in 24 CFR Part 135.32 as follows:

The State must inform units of local government to whom funds are distributed of the requirements of this part; assist local governments and their contractors in meeting the requirements and objectives of this part; and monitor the performance of local governments with respect to the objectives and requirements of this part.

16. Affirmative Outreach

- A. Contractor or its subrecipients must make known that the use of the facilities, assistance, and services are available to all on a nondiscriminatory basis. If it is unlikely that the procedures the Contractor or its subrecipients intends to use to make known the availability of its facilities, assistance, and services will reach persons of any particular race, color, religion, sex, age, national origin, familial status, or disability, who may qualify for those facilities and services, the Contractor or its subrecipients must establish additional procedures that ensure that those persons are made aware of the facilities, assistance, and services.
- B. Contractor or its subrecipients must take appropriate steps to ensure effective communication with persons with disabilities including, but not limited to, adopting procedures that will make available to interested persons information concerning the location of assistance, services, and facilities that are accessible to persons with disabilities. The obligation of funds and incurring of costs is hereby conditioned upon compliance with CEQA, 24 CFR Section 576.407 subdivision (d) and completion by the State and the U.S. Department of Housing and Urban Development of all applicable review and approval requirements.

The Contractor shall supply all available, relevant information necessary for the Department to perform for each property any environmental review as required under 24 CFR Part 50. The Contractor shall also carry out mitigating measures required by the Department or select an

The subrecipient, or any contractor of the subrecipient, may not acquire, rehabilitate, convert, lease, repair, dispose of, demolish, or construct property for a project, or commit or expend ESG-CV or local funds for eligible activities under this part, until HUD has performed an environmental review under 24 CFR Part 50 and the subrecipient has received HUD approval of the property, except as permitted related to temporary shelters per the CARES Act, Title XII, Homeless Assistance Grants Section. For all funded applications, the Department will inform the subrecipient any required additional environmental review.

18. Clean Air and Water Acts

This Agreement is subject to the requirements of the Clean Air Act, as amended, 42 U.S.C. 1857et seq., the Federal Water Pollution Control Act, as amended, 33 U.S.C. 1251 et seq., and the regulations of the Environmental Protection Agency with respect thereto, at 40 CFR, Part 15, as amended from time to time.

21. Matching Funds

Per the CARES Act, the amounts provided under the ESG-CV funding shall not be subject to match requirements that otherwise apply to ESG funding.

VAWA provides housing protections for survivors of domestic and dating violence, sexual assault, and stalking when it comes to finding and keeping a home they can feel safe in.

VAWA applies for all victims of domestic violence, dating violence, sexual assault, and stalking, regardless of sex, gender identity, or sexual orientation, and which must be applied consistently with all nondiscrimination and fair housing requirements. VAWA now expands housing protections to HUD programs beyond HUD’s public housing program and HUD’s tenant-based and project-based Section 8 programs. VAWA now provides enhanced protections and options for victims of domestic violence, dating violence, sexual assault, and stalking.

During the performance of this Agreement, the Contractor or its subrecipients assure that:

- A. Domestic Violence survivors are not denied assistance as an applicant, or evicted or have assistance terminated as a tenant, because the applicant or tenant is or has been a victim of domestic violence, dating violence, sexual assault, and stalking.
- B. It will implement an “emergency transfer plan”, which allows for domestic violence survivors to move to another safe and available unit if they fear for their life and safety.
- C. It will provide “protections against denials, terminations, and evictions that directly result from being a victim of domestic violence, dating violence, sexual assault, or stalking, if the applicant or tenant otherwise qualifies for admission, assistance, participation, or occupancy.”
- D. It will implement a “low-barrier certification process” where a domestic violence survivor need only to self-certify in order to document the domestic violence, dating violence, sexual assault, or stalking, ensuring third party documentation does not cause a barrier in a survivor expressing their rights and receiving the protections needed to keep themselves safe.

27. DELEGATION OF AUTHORITY TO APPROVE AGREEMENTS AND AMENDMENTS
RELATED TO THE HOUSING AND HOMELESSNESS INCENTIVE PROGRAM

Recommended Action:

That the Governing Body of the Inland Empire Health Plan (IEHP) authorize the Chief Executive Officer or his designee to negotiate and, after legal review and approval, sign Agreements and Amendments related to the Housing and Homelessness Incentive Program (HHIP) for an amount not to exceed \$95,000,000 in total, for a program period through at least December 31, 2025.

Contact:

Takashi Wada, M.D., Chief Medical Officer

Background:

In accordance with section 9817 of the American Rescue Plan Act of 2021, the California Department of Health Care Services (DHCS) developed a Medi-Cal Home and Community Based Services (HCBS) Spending Plan detailing a series of initiatives that will enhance, expand, and strengthen HCBS in California. The Housing and Homelessness Incentive Program (HHIP) is one of the HCBS Transition Initiatives, which aims to expand and enhance programs that facilitate individuals transitioning to community-based independent living arrangements. HHIP is a voluntary incentive program that enables Medi-Cal managed care health plans (MCPs) to earn incentive funds for improving health outcomes and access to whole person care services by addressing homelessness and housing insecurity as social drivers of health and health disparities.

Effective January 1, 2022, DHCS implemented HHIP. As designed, the incentive program is intended to support delivery and coordination of health and housing services for Members by:

- Rewarding MCPs for developing the necessary capacity and partnerships to connect their Members to needed housing services; and
- Incentivizing MCPs to take an active role in reducing and preventing homelessness.

The incentive program period is expected to be effective from January 1, 2022 to December 31, 2023. The program period is split between two distinct Program Years (PY) with three distinct measurement periods:

- PY 1 (January 1, 2022 to December 31, 2022), and:
- PY 2 (January 1, 2023 to December 31, 2023)

Discussion:

Local Homelessness Plan

IEHP (as a required submission component for IEHP to participate in HHIP) submitted one individual Local Homelessness Plan (LHP) for each County and one joint LHP with Molina for each County it serves. To fulfill this requirement, IEHP collaborated with its local Continuums of Care (CoCs), Counties, and Molina to complete the LHPs. The LHPs four components included: 1) Submission of baseline quantitative and qualitative measures, 2) Narrative inclusive of strategies to address housing and service gaps, 3) Landscape analysis of county demographics, needs, and gaps, and 4) Identification of Funding Opportunity Availability within IEHP's service counties.

Investment Plan

IEHP submitted one individual Investment Plan (IP) for each County it serves. Both Riverside and San Bernardino County's Investment Plan each include 11 distinct investment activities. The primary goal of the IP is for IEHP to demonstrate to DHCS a clear plan for achieving measures and targets across the course of the program, in collaboration with local partners, through targeted investments in activities and efforts that align with program measures and goals and support IEHP's performance strategies. IEHP's IP was submitted on September 30, 2022 and subsequently approved by DHCS and thus, the activities detailed in each IP have commenced. Breakdown of costs and further detail on goals and measures can be found in the HHIP Investment Plan documents for each respective county (*see attachments A and B*).

There are three HHIP measure areas: 1) Partnerships & capacity to support referrals for Services, 2) Infrastructure to coordinate & meet member housing needs, and 3) Delivery of services & member engagement (*see attachments C and D*).

POLICY AGENDA

IEHP's total possible allocation:

Plan	County	PY1	PY2	Total Allocation
Inland Empire HP	Riverside	\$ 21,672,559	\$ 26,488,683	\$ 48,161,242
Inland Empire HP	San Bernardino	\$ 21,271,647	\$ 25,998,680	\$ 47,270,327

IEHP's return on investment will be shown through increased goodwill with the community, and respective county partner agencies as the health plan strives to reach the goal of decreasing homelessness within the dual county service area as well as increasing access to housing for historically marginalized community members or populations. IEHP's success in this initiative will be measured by meeting the incentive program metrics, drawing down funding, improving coordination/ data sharing with partner agencies, and by decreasing homelessness within the dual county service area.

HHIP aligns with the following regulatory requirements:

- APL 22-023: Street Medicine Provider: Definitions and Participation in Managed Care,
- APL 22-007: California Housing and Homelessness Incentive Program
- APL 21-017: Community Supports Requirements

Housing is a cornerstone of health equity and thus increasing access to safe and secure housing for IEHP's impacted populations supports the MCP's Mission, Vision, and Value (MVV) of vibrant health for all members and their families.

IEHP continues to cultivate positive working relationships with our county agency partners, which helps build bridges and close service gaps to further the MCP's goal of whole person care. Additionally, IEHP is working in cooperation with various external partners to increase access to equitable housing for populations that are historically marginalized, including but not limited to: LGBTQ+, Youth, SMI, and SUD populations.

Considering we are working with our partners to expand housing and housing related services (rental assistance, street medicine, etc.) to IEHP's more rural regions in both county service areas, resulting in increased access to services in the areas in which members currently reside.

II. TECHNICAL SECURITY CONTROLS

- A. Workstation/Laptop Encryption. All workstations and laptops, which use, store and/or process PII, must be encrypted using a FIPS 140-2 certified algorithm 128 bit or higher, such as Advanced Encryption Standard (AES). The encryption solution must be full disk. It is encouraged, when available and when feasible, that the encryption be 256 bit.
- B. Server Security. Servers containing unencrypted PII must have sufficient administrative, physical, and technical controls in place to protect that data, based upon a risk assessment/system security review. It is recommended to follow the guidelines documented

HWSCoC-0004868

in the latest revision of the National Institute of Standards and Technology (NIST) Special Publication (SP) 800-53, Security and Privacy Controls for Federal Information Systems and Organizations.

- C. Minimum Necessary. Only the minimum necessary amount of PII required to perform required business functions may be accessed, copied, downloaded, or exported.
- D. Mobile Device and Removable Media. All electronic files, which contain PII data, must be encrypted when stored on any mobile device or removable media (i.e. USB drives, CD/DVD, smartphones, tablets, backup tapes etc.). Encryption must be a FIPS 140-2 certified algorithm 128 bit or higher, such as AES. It is encouraged, when available and when feasible, that the encryption be 256 bit.
- E. Antivirus Software. All workstations, laptops and other systems, which process and/or store PII, must install and actively use an antivirus software solution. Antivirus software should have automatic updates for definitions scheduled at least daily.
- F. Patch Management.
 - 1. All workstations, laptops and other systems, which process and/or store PII, must have critical security patches applied, with system reboot if necessary.
 - 2. There must be a documented patch management process that determines installation timeframe based on risk assessment and vendor recommendations.
 - 3. At a maximum, all applicable patches deemed as critical must be installed within thirty (30) days of vendor release. It is recommended that critical patches which are high risk be installed within seven (7) days.
 - 4. Applications and systems that cannot be patched within this time frame, due to significant operational reasons, must have compensatory controls implemented to minimize risk.
- G. User IDs and Password Controls.
 - 1. All users must be issued a unique user name for accessing PII.
 - 2. Username must be promptly disabled, deleted, or the password changed upon the transfer or termination of an employee within twenty- four (24) hours. Note: Twenty-four (24) hours is defined as one (1) working day.
 - 3. Passwords are not to be shared.
 - 4. Passwords must be at least eight (8) characters.
 - 5. Passwords must be a non-dictionary word.
 - 6. Passwords must not be stored in readable format on the computer or server.
 - 7. Passwords must be changed every ninety (90) days or less. It is recommended that passwords be required to be changed every sixty (60) days or less.
 - 8. Passwords must be changed if revealed or compromised.
 - 9. Passwords must be composed of characters from at least three (3) of the following four (4) groups from the standard keyboard:
 - a. Upper case letters (A-Z)
 - b. Lower case letters (a-z)
 - c. Arabic numerals (0-9)
 - d. Special characters (!, @, #, etc.)
- H. Data Destruction. When no longer needed, all PII must be cleared, purged, or destroyed consistent with NIST SP 800-88, Guidelines for Media Sanitization, such that the PII cannot be retrieved.

HWSCoC-0004868

- I. System Timeout. The systems providing access to PII must provide an automatic timeout, requiring re-authentication of the user session after no more than twenty (20) minutes of inactivity.
- J. Warning Banners. The systems providing access to PII must display a warning banner stating, at a minimum:
 - 1. Data is confidential;
 - 2. Systems are logged;
 - 3. System use is for business purposes only, by authorized users; and
 - 4. Users shall log off the system immediately if they do not agree with these requirements.
- K. System Logging.
 - 1. The systems which provide access to PII must maintain an automated audit trail that can identify the user or system process which initiates a request for PII, or alters PII.
 - 2. The audit trail shall:
 - a. Be date and time stamped;
 - b. Log both successful and failed accesses;
 - c. Be read-access only; and
 - d. Be restricted to authorized users.
 - 3. If PII is stored in a database, database logging functionality shall be enabled.
 - 4. Audit trail data shall be archived for at least three (3) years from the occurrence.
- L. Access Controls. The system providing access to PII shall use role-based access controls for all user authentications, enforcing the principle of least privilege.
- M. Transmission Encryption.
 - 1. All data transmissions of PII outside of a secure internal network must be encrypted using a Federal Information Processing Standard (FIPS) 140-2 certified algorithm that is 128 bit or higher, such as Advanced Encryption Standard (AES) or Transport Layer Security (TLS). It is encouraged, when available and when feasible, that 256 bit encryption be used.
 - 2. Encryption can be end to end at the network level, or the data files containing PII can be encrypted.
 - 3. This requirement pertains to any type of PII in motion such as website access, file transfer, and email.
- N. Intrusion Prevention. All systems involved in accessing, storing, transporting, and protecting PII, which are accessible through the Internet, must be protected by an intrusion detection and prevention solution.

III. AUDIT CONTROLS

- A. System Security Review.
 - 1. The Grantor must ensure audit control mechanisms are in place.
 - 2. All systems processing and/or storing PII must have at least an annual system risk assessment/security review that ensures administrative, physical, and technical controls are functioning effectively and provide an adequate level of protection.
 - 3. Reviews should include vulnerability scanning tools.
- B. Log Reviews. All systems processing and/or storing PII must have a process or automated procedure in place to review system logs for unauthorized access.

HWSCoC-0004868

 - (e) A brief description of what Grantor is doing to investigate the breach, to mitigate harm to individuals, and to protect against any further breaches; and,
 - (f) Contact procedures for individuals to ask questions or learn additional information, which shall include a toll-free telephone number, an e-mail address, web site, or postal address.
- B. Cooperation.** With respect to any breach of unsecured PHI reported by Grantor, Grantor shall cooperate with County and shall provide County with any information requested by County to enable County to fulfill in a timely manner its own reporting and notification obligations, including but not limited to providing notice to individuals, prominent media outlets and the Secretary in accordance with 42 USC §17932 and 45 CFR §164.404, §164.406 and §164.408.
- C. - D. Delay of notification authorized by law enforcement.** If Grantor delays notification of breach of unsecured PHI pursuant to a law enforcement official's statement that required notification, notice or posting would impede a criminal investigation or cause damage to national security, Grantor shall maintain documentation sufficient to demonstrate its compliance with the requirements of 45 CFR §164.412.
- E. Payment of costs.** With respect to any breach of unsecured PHI caused solely by the Grantor's failure to comply with one or more of its obligations under this Addendum and/or the provisions of HITECH, HIPAA, the Privacy Rule or the Security Rule, Grantor agrees to pay any and all costs associated with providing all legally required notifications to individuals, media outlets, and the Secretary. This provision shall not be construed to limit or diminish Grantor's obligations to indemnify, defend and hold harmless County under Section 9 of this Addendum.
- F. Documentation.** Pursuant to 45 CFR §164.414(b), in the event Grantor's use or disclosure of PHI and/or ePHI violates the Privacy Rule, Grantor shall maintain documentation sufficient to demonstrate that all notifications were made by Grantor as required by 45 CFR Part 164, Subpart D, or that such use or disclosure did not constitute a breach, including Grantor's completed risk assessment and investigation documentation.
- G. Additional State Reporting Requirements.** The parties agree that this Section 8.G applies only if and/or when County, in its capacity as a licensed clinic, health facility, home health agency, or hospice, is required to report unlawful or unauthorized access, use, or disclosure of medical information under the more stringent requirements of California Health & Safety Code §1280.15. For purposes of this Section 8.G, "unauthorized" has the meaning given such term in California Health & Safety Code §1280.15(j)(2).
- (1) Grantor agrees to assist County to fulfill its reporting obligations to affected patients and to the California Department of Public Health ("CDPH") in a timely manner under the California Health & Safety Code §1280.15.

HWSCoC-0004868

- (2) Grantor agrees to report to County any unlawful or unauthorized access, use, or disclosure of patient's medical information without unreasonable delay and no later than two (2) business days after Grantor detects such incident. Grantor further agrees such report shall be made in writing, and shall include substantially the same types of information listed above in Section 8.A.2 (Content of Notification) as applicable to the unlawful or unauthorized access, use, or disclosure as defined above in this section, understanding and acknowledging that the term "breach" as used in Section 8.A.2 does not apply to California Health & Safety Code §1280.15.

9. **Hold Harmless/Indemnification.**

- A. Grantor agrees to indemnify and hold harmless County, all Agencies, Districts, Special Districts and Departments of County, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents and representatives from any liability whatsoever, based or asserted upon any services of Grantor, its officers, employees, subcontractors, agents or representatives arising out of or in any way relating to this Addendum, including but not limited to property damage, bodily injury, death, or any other element of any kind or nature whatsoever arising from the performance of Grantor, its officers, agents, employees, subcontractors, agents or representatives from this Addendum. Grantor shall defend, at its sole expense, all costs and fees, including but not limited to attorney fees, cost of investigation, defense and settlements or awards, of County, all Agencies, Districts, Special Districts and Departments of County, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents or representatives in any claim or action based upon such alleged acts or omissions.
- B. With respect to any action or claim subject to indemnification herein by Grantor, Grantor shall, at their sole cost, have the right to use counsel of their choice, subject to the approval of County, which shall not be unreasonably withheld, and shall have the right to adjust, settle, or compromise any such action or claim without the prior consent of County; provided, however, that any such adjustment, settlement or compromise in no manner whatsoever limits or circumscribes Grantor's indemnification to County as set forth herein. Grantor's obligation to defend, indemnify and hold harmless County shall be subject to County having given Grantor written notice within a reasonable period of time of the claim or of the commencement of the related action, as the case may be, and information and reasonable assistance, at Grantor's expense, for the defense or settlement thereof. Grantor's obligation hereunder shall be satisfied when Grantor has provided to County the appropriate form of dismissal relieving County from any liability for the action or claim involved.
- C. The specified insurance limits required in the Underlying Agreement of this Addendum shall in no way limit or circumscribe Grantor's obligations to indemnify and hold harmless County herein from third party claims arising from issues of this Addendum.
- D. In the event there is conflict between this clause and California Civil Code §2782, this clause shall be interpreted to comply with Civil Code §2782. Such interpretation shall not relieve the Grantor from indemnifying County to the fullest extent allowed by law.
- E. In the event there is a conflict between this indemnification clause and an indemnification clause contained in the Underlying Agreement of this Addendum, this indemnification shall only apply to the subject issues included within this Addendum.

HWSCoC-0004868

11. **Termination.**

A. **Termination for Breach of Contract.** A breach of any provision of this Addendum by either party shall constitute a material breach of the Underlying Agreement and will provide grounds for terminating this Addendum and the Underlying Agreement with or without an opportunity to cure the breach, notwithstanding any provision in the Underlying Agreement to the contrary. Either party, upon written notice to the other party describing the breach, may take any of the following actions:

- (1) Terminate the Underlying Agreement and this Addendum, effective immediately, if the other party breaches a material provision of this Addendum.
- (2) Provide the other party with an opportunity to cure the alleged material breach and in the event the other party fails to cure the breach to the satisfaction of the non-breaching party in a timely manner, the non-breaching party has the right to immediately terminate the Underlying Agreement and this Addendum.
- (3) If termination of the Underlying Agreement is not feasible, the breaching party, upon the request of the non-breaching party, shall implement, at its own expense, a plan to cure the breach and report regularly on its compliance with such plan to the non-breaching party.

B. **Effect of Termination.**

- (1) Upon termination of this Addendum, for any reason, Grantor shall return or, if agreed to in writing by County, destroy all PHI and/or ePHI received from County, or created or received by the Grantor on behalf of County, and, in the event of destruction, Grantor shall certify such destruction, in writing, to County. This provision shall apply to all PHI and/or ePHI which are in the possession of subcontractors or agents of Grantor. Grantor shall retain no copies of PHI and/or ePHI, except as provided below in paragraph (2) of this section.
- (2) In the event that Grantor determines that returning or destroying the PHI and/or ePHI is not feasible, Grantor shall provide written notification to County of the conditions that make such return or destruction not feasible. Upon determination by Grantor that return or destruction of PHI and/or ePHI is not feasible, Grantor shall extend the protections of this Addendum to such PHI and/or ePHI and limit further uses and disclosures of such PHI and/or ePHI to those purposes which make the return or destruction not feasible, for so long as Grantor maintains such PHI and/or ePHI.

12. **General Provisions.**

- A. **Retention Period.** Whenever Grantor is required to document or maintain documentation pursuant to the terms of this Addendum, Grantor shall retain such documentation for 6 years from the date of its creation or as otherwise prescribed by law, whichever is later.

HWSCoC-0004868

- B. **Amendment.** The parties agree to take such action as is necessary to amend this Addendum from time to time as is necessary for County to comply with HITECH, the Privacy Rule, Security Rule, and HIPAA generally.
- C. **Survival.** The obligations of Grantor under Sections 3, 5, 6, 7, 8, 9, 11.B and 12.A of this Addendum shall survive the termination or expiration of this Addendum.
- D. **Regulatory and Statutory References.** A reference in this Addendum to a section in HITECH, HIPAA, the Privacy Rule and/or Security Rule means the section(s) as in effect or as amended.
- E. **Conflicts.** The provisions of this Addendum shall prevail over any provisions in the Underlying Agreement that conflict or appear inconsistent with any provision in this Addendum.
- F. **Interpretation of Addendum.**
- (1) This Addendum shall be construed to be part of the Underlying Agreement as one document. The purpose is to supplement the Underlying Agreement to include the requirements of the Privacy Rule, Security Rule, HIPAA and HITECH.
 - (2) Any ambiguity between this Addendum and the Underlying Agreement shall be resolved to permit County to comply with the Privacy Rule, Security Rule, HIPAA and HITECH generally.
- G. **Notices to County.** All notifications required to be given by Grantor to County pursuant to the terms of this Addendum shall be made in writing and delivered to the County both by fax and to both of the addresses listed below by either registered or certified mail return receipt requested or guaranteed overnight mail with tracing capability, or at such other address as County may hereafter designate. AGENCY is not required to remove any information as a result of a correction, but may, in the alternative, mark information as inaccurate or incomplete and may supplement it with additional information.

AGENCY shall maintain the security and confidentiality of information in the HMIS and is responsible for the actions of its employees, contractors, volunteers, or agents and their proper training and supervision. AGENCY agrees to follow the *HMIS Policies and Standard Operating Procedures* on security (hereafter "Security Rule"), which by this reference is incorporated herein and which may be modified from time to time at HMIS LEAD's discretion. At its discretion, HMIS LEAD may conduct periodic assessments of AGENCY to monitor its compliance with the Security Rule. The steps AGENCY must take to maintain security and confidentiality include, but are not limited to:

- A. Access. AGENCY will permit password-protected access to the HMIS only to authorized AGENCY staff who need information from the HMIS for legitimate business purposes (such as to provide services to the Client, to conduct evaluation or research, to administer the program, or to comply with regulatory requirements). AGENCY will limit the access of such staff to only those records that are immediately relevant to their work assignments.
- B. User Code of Ethics. Prior to permitting any User to access HMIS, AGENCY will require the User to sign an *HMIS User Agreement/Code of Ethics* ("User Code of Ethics"), which is incorporated herein by this reference and which may be amended from time to time at HMIS LEAD's discretion. AGENCY will comply with and enforce the User Code of Ethics and will inform HMIS LEAD immediately in writing of any breaches of the User Code of Ethics.

i. Any staff, volunteer or other person who has been granted a User ID and password and is found to have committed a breach of system security and/or Client confidentiality will have his/her access to the database revoked immediately.

ii. In the event of a breach of system security or Client confidentiality, the Director of the AGENCY shall notify HMIS LEAD within twenty-four (24) hours. Any AGENCY that is found to have had breaches of system security and/or Client confidentiality shall enter a period of probation, during which technical assistance shall be provided to help the AGENCY prevent further breaches.

Probation shall remain in effect until HMIS LEAD has evaluated the AGENCY's security and confidentiality measures and found them compliant with the policies stated in this Agreement and the User Code of Ethics. Subsequent violations of system security may result in suspension from the HMIS.

- C. User Authentication. AGENCY will permit access to HMIS only with use of a User authentication system consisting of a username and a password which the User may not share with others. Written information pertaining to User access (e.g., username and password) shall not be stored or displayed in any publicly accessible location. Passwords shall be between eight and twelve characters long and include both letters and numbers. Passwords shall not be, or include the username, the HMIS vendor's name, the HMIS LEAD name, the AGENCY's name, or consist entirely of any word found in the common dictionary or any of the forenamed words spelled backwards. The use of default passwords on initial entry into the HMIS is allowed so long as the User changes the default password on first use. Individual Users must not be able to log on to more than one workstation at a time, or be able to log on to the network at more than one location at a time. Passwords and usernames shall be consistent with guidelines issued from time to time by HUD and HMIS LEAD. Passwords and usernames shall not be exchanged electronically without HMIS LEAD's approval.
- D. Hard Copies. The AGENCY must secure any paper or other hard copy containing Identifying Information that is generated either by or for the HMIS LEAD, including, but not limited to reports, data entry forms and signed consent forms. Any paper or other hard copy generated by or for the HMIS LEAD that contains such information must be supervised at all times when it is in a public area. If AGENCY staff is not present, the information must be secured in areas that are not publicly accessible. Agencies wishing to dispose of hard copies containing Identifying Information must do so by shredding the documents or by other equivalent means with approval by HMIS LEAD. Written information specifically pertaining to User access (e.g., username and password) must not be stored or displayed in any publicly accessible location.
- E. Training/Assistance. HMIS LEAD will conduct ongoing basic confidentiality training for all persons with access to the HMIS and will train all persons who may receive

information produced from the HMIS on the confidentiality of such information. AGENCY will participate in such training as is provided from time to time by HMIS LEAD. Representatives of HMIS LEAD will be reasonably available during HMIS's defined weekday business hours for technical assistance (e.g., troubleshooting and report generation).

9. Information Entry Standards:

- A. Information entered into HMIS by AGENCY will be truthful, accurate, complete and timely to the best of AGENCY's knowledge.
- B. AGENCY will *not* solicit from Clients or enter information about Clients into the HMIS database unless the information is required for a legitimate business purpose such as to provide services to the Client, to conduct evaluation or research, to administer the program, or to comply with regulatory requirements.
- C. AGENCY will only enter information into the HMIS database with respect to individuals which it serves or intends to serve, including through referral.
- D. AGENCY will enter information into the HMIS database within seven (7) calendar days of data collection.
- E. AGENCY will not alter or over-write information entered by another AGENCY.

HMIS LEAD reserves the right to, in its sole discretion, delete or segregate information entered into the HMIS by an AGENCY, or take any other appropriate measures, to maintain the accuracy and integrity of the HMIS or to avoid compromising the HMIS goal of maintaining unduplicated counts of Clients.

AGENCY is responsible for maintaining timely, accurate and complete data in HMIS and remaining in compliance with federal regulations as well as any outside applicable regulations such as the HIPAA standards.

HMIS LEAD will conduct an annual monitoring site visit to ensure compliance with HUD and Riverside County CoC HMIS requirements. HMIS LEAD will provide utilization reports to participating agencies on a regular basis to include data quality and tracking. 10. Use of the HMIS:
