Summary

The Riverside County Transportation Department (County) and the City of Jurupa Valley (City) desire to enter into this Amended and Restated Agreement for Professional Services, which defines the scope of the services and the terms by which the County will provide the services to the City.

In 2018, the City of Jurupa Valley requested assistance from the County for professional services and has requested inspection services for professional services every year since.

The Original Agreement was approved by County on June 26, 2018, Agenda Item 3.61 for professional services and the term of the Original Agreement went through June 30, 2019. The Original Agreement has been amended four times, and the term of the Original Agreement has been extended through December 13, 2022. The County has continued to provide service and has been reimbursed for services rendered continually since the inception of this agreement. This Amended and Restated Agreement extends the term through June 30, 2025, and incorporates the hourly rates charged for professional services for FY 2023-2024 and FY 2024-2025. All work will be completed with the current Transportation Department staff, and this agreement will not require new positions.

The City of Jurupa Valley approved this Amended and Restated Agreement at their January 23, 2025, City Council meeting.

Impact on Residents and Businesses

County staff have the knowledge and expertise to help the City with the inspection of new traffic signals and safety lighting for new development. With assistance from the County, this agreement will provide safe and efficient inspection services for traffic signals and safety lighting within the City.
