BACKGROUND:

Summary

Pursuant to section 29390.1 of the Government Code and in accordance with provisions of the Board of Supervisors resolution adopted May 10, 1965, County entities' cash overages and shortages are reported to the Office of the Auditor-Controller.

Attachment "A" identifies General Fund total cash overages of \$228, and total cash shortages of \$206 resulting in a net overage of \$22. Cash overages are deposited into the General Fund and cash shortages are reimbursed accordingly.

Attachment "B" identifies Other Funds' total cash overages of \$415 and total cash shortages of \$482 resulting in a net shortage of \$67. Cash shortages in other funds are covered by the entities' respective operating funds.

Cash shortages over \$30 have been further reviewed by the Internal Audit Division of the Auditor Controller's Office. These shortages are reviewed to ensure they are not the result of fraud or gross negligence committed by department staff. The review included the evaluation of the cash procedures followed by departments, inquiry and examination of any new internal controls implemented to help prevent cash shortages, documentation review of any counseling or training completed by department staff members over proper cash management, and review of any documentation pertaining to specific cash shortages from departments.

The Internal Audits Division did not find any indications the cash shortages were the result of fraud or gross negligence committed by department staff members.
