BACKGROUND:

Summary

As a condition of state and federal funding, the Riverside County Office on Aging (OOA) is required to develop an Area Plan on Aging which provides an overview of its service area and population, along with the programs and goals it will seek to implement over a four-year period. The plan specifies the array of safety net services necessary to mitigate emergent issues that are impacting aged and vulnerable adults, their caregivers, and families. Each year, OOA is required to submit an annual update of its area plan to report on service targets for the upcoming fiscal year and progress toward its four-year goals.

OOA's process to develop the initial 2024-2028 Area Plan utilized focus groups with key stakeholders, surveys, input from public hearings, an in-depth analysis of data sources related to senior population projections, and a thorough review of current reports and assessments from a variety of Riverside County partners. The 2025/2026 Area Plan update includes updated demographic data, and descriptions of programs and initiatives that will be introduced or discontinued in FY 25/26. The goals identified in the 2024-2028 Area Plan continue to serve as a roadmap for OOA to initiate and participate in critical discussions and initiatives that are part of integrating and improving services to older adults and people with disabilities.

The proposed FY 2025-2026 Area Plan on Aging Update has updated the following sections of the 2024-2028 Area Plan on Aging in accordance with state guidance:

- Estimated projection of the number of lower income minority older individuals in Riverside County.
- **Section 6** – Priority Services and Public Hearings
- **Section 7** – Area Plan Narrative Goals and Objectives
- **Section 8** – Service Unit Plan
- **Section 10** – Family Caregiver Support Program
- **Section 11** – Legal Assistance
- **Section 15** – Governing Board
- **Section 16** – Advisory Council
- **Section 18** – Organization Chart
- **Section 19** – Assurances

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

To seek public input on the FY 2025-2026 Area Plan Update, OOA held a public hearing on March 11, 2025. During the public hearing, OOA presented on the department's progress toward its four-year goals and objectives and funding allocated to priority supportive services.

Impact on Residents and Businesses

The FY 2025-2026 Area Plan on Aging Update to the 2024-2028 Area Plan on Aging details the department's progress toward its four-year goals and objectives, FY 2025-2026 targets for each category of service provided, new services to be provided, and assures compliance with the Older Americans Act and the Older Californians Act.

SECTION 6. PRIORITY SERVICES & PUBLIC HEARINGS PSA 21

2024-2028 Four-Year Planning Cycle Funding for Access, In-Home Services, and Legal Assistance

The CCR, Article 3, Section 7312, requires the AAA to allocate an “adequate proportion” of federal funds to provide Access, In-Home Services, and Legal Assistance in the PSA. The annual minimum allocation is determined by the AAA through the planning process. The minimum percentages of applicable Title III B funds* listed below have been identified for annual expenditure throughout the four-year planning period. These percentages are based on needs assessment findings, resources available within the PSA, and discussions at public hearings on the Area Plan.

Allocations based on our target population figures, outcomes of our community needs assessment, and prior fiscal year usage trends.

*Minimum percentages of applicable funds are calculated on the annual Title IIIB baseline allocation, minus Title IIIB administration and minus Ombudsman. At least one percent of the final Title IIIB calculation must be allocated for each “Priority Service” category or a waiver must be requested for the Priority Service category(s) that the AAA does not intend to fund.

SECTION 7: AREA PLAN NARRATIVE GOALS AND OBJECTIVES PSA 21

Goals and Objectives are required per California Code of Regulations Title 22 Section 7300 (c). Goals are statements of ideal conditions that the AAA wishes to achieve through its planned efforts. Objectives are measurable statements of action to meet the goals. Objectives indicate all of the following:

- (1) The nature of the action.
- (2) The party responsible for the action.
- (3) How the action will be accomplished.
- (4) The anticipated outcome of that action.
- (5) How the outcome of the action will be measured.
- (6) The projected dates for starting and completing the action.
- (7) Any program development and coordination activities, as specified in Section 9400, Welfare and Institutions Code, that are associated with the objective.

Goal #1	Participate in activities that help build inclusive communities, supporting older and disabled adults to age comfortably and remain in the communities of their choice. The RCOoA will expand the reach of its programs by building partnerships with community organizations that support our older and disabled adults' ability to age in place. [Refer to CCR Article 3, Section 7300 (c)]			
Rationale:	Sixty percent of respondents to our needs assessment survey experienced not having enough money to meet daily expenses within the past year. The rise of household expenses and the growing prevalence of chronic health conditions along with physical, mental, and cognitive impairments means that older and disabled adults require assistance with services that will allow them to remain stable in their homes and communities.			
#	Objective	Projected Start and End Dates	Type of Activity and Funding Source	Update Status
1.1	Expand meal service providers to improve access to under-served and rural areas (e.g., Brown Bag, Congregate, Freezer, Grab-and-Go, and Home Delivered Meals).	2024 - 2028	Administrative	Continued

SECTION 7. AREA PLAN NARRATIVE GOALS AND OBJECTIVES PSA 21

Goal #1	Participate in activities that help build inclusive communities, supporting older and disabled adults to age comfortably and remain in the communities of their choice. The RCOoA will expand the reach of its programs by building partnerships with community organizations that support our older and disabled adults' ability to age in place. [Refer to CCR Article 3, Section 7300 (c)]
Rationale:	Sixty percent of respondents to our needs assessment survey experienced not having enough money to meet daily expenses within the past year. The rise of household expenses and the growing prevalence of chronic health conditions along with physical, mental, and cognitive impairments means that older and disabled adults require assistance with services that will allow them to remain stable in their homes and communities.

#	Objective	Projected Start and End Dates	Type of Activity and Funding Source	Update Status
1.2	Enhance access and delivery of health and human service programs and services that cater to the needs of older and disabled adults through non-traditional partnerships (e.g., universities, faith-based organizations, hospitals, etc.) and staff presence at community integrated service delivery hubs. Beginning in FY 25 through FY 28, RCOoA staff will co-locate at integrated service delivery hubs located in eight different cities. By having an increased presence at these community sites, RCOoA anticipates that 80% of clients served will contact RCOoA for future assistance.	2024 - 2028	Program Development	Continued

FY 2024 - 2025 Update

OOA staff are co-located at integrated service delivery hubs in the cities of Jurupa Valley and Temecula with plans to co-locate at hubs in Blythe and Hemet for FY 2025-2026.

SECTION 7. AREA PLAN NARRATIVE GOALS AND OBJECTIVES PSA 21

Goal #1	Participate in activities that help build inclusive communities, supporting older and disabled adults to age comfortably and remain in the communities of their choice. The RCOoA will expand the reach of its programs by building partnerships with community organizations that support our older and disabled adults' ability to age in place. [Refer to CCR Article 3, Section 7300 (c)]

The rise of household expenses and the growing prevalence of chronic health conditions along with physical, mental, and cognitive impairments means that older and disabled adults require assistance with services that will allow them to remain stable in their homes and communities.

#	Objective	Projected Start and End Dates	Type of Activity and Funding Source	Update Status
1.3	In alignment with Riverside County's Integrated Service Delivery (ISD) initiative, RCOoA will partner with County Human Service departments to modernize and integrate service delivery for older and disabled adults (e.g., homeless, veterans, emergency services, etc.). Between FY 25 and FY 28, six new integrated service delivery hubs will be established to co-locate county staff from Human Service departments in target cities. Once ISD hubs have been established, RCOoA anticipates that 80% of clients engaged will complete an assessment and 60% of clients are referred to a service they need. Five ISD hubs are targeted for FY 25 and the remaining three hubs are expected to be established by the end of FY 28. ISD partners include the Riverside County Departments of Public Social Services, Public Health, First Five, Behavioral Health, RCOoA, and the County Medical Center. Each are non-OAA funded agencies.	2024 - 2028	Coordination	Continued

FY 2024 - 2025 Update

As of FY 2025, two hubs have been established in Jurupa Valley and Temecula with two additional hubs targeted for activation in FY 2025-2026. As of FY 2024-2025, 28% of eligible clients engaged complete an assessment and 99% of clients who complete the assessment are referred to a service they need.

SECTION 7. AREA PLAN NARRATIVE GOALS AND OBJECTIVES PSA 21

Goal #2	Provide individuals with resources and programs to encourage mobility, security, self-sufficiency, and social engagement. The RCOoA will seek cost effective solutions to increase social connections, reduce isolation, and link clients to information and community resources. [Refer to CCR Article 3, Section 7300 (c)]			
Rationale:	Forty-two percent of surveyed Riverside County residents experienced feeling lonely or isolated within the past 12 months. This is consistent with national research which has shown that one out of every three adults feels lonely and nearly a quarter of adults aged 65 and older are considered socially isolated. The impacts of social isolation and loneliness can have significant health and economic ramifications to individuals and communities.			
#	Objective	Projected Start and End Dates	Type of Activity and Funding Source	Update Status
2.1	Reduce social, physical, and medical isolation by promoting one-stop shops and public services and benefits through a No-Wrong-Door approach (e.g., ADRC, ISD Hubs, 911/EMS, ER/Hospitals, community clinics).	2024 - 2028	Administrative	Continued
2.2	Promote programs that encourage healthy nutrition, movement, and social engagement amongst older and disabled adults within their communities (e.g., Bingocize, resource centers, access to technology programs, Retired Senior Volunteer Program).	2024 - 2028	Administrative	Continued
2.3	Promote programs that provide social connectedness, self-care, and supports for caregivers of vulnerable adults. Services include: support groups, training, case management, overnight and in-home respite, material aid, outreach, information and assistance, as well as public information and community education on caregiving.	2024 - 2028	Administrative	Continued

SECTION 7. AREA PLAN NARRATIVE GOALS AND OBJECTIVES PSA 21

Goal #3	Improve community awareness of public benefits and resources through the use of technology, partnerships, and a person-centered approach. The RCOoA aims to foster meaningful connections to elevate the service experience of those who have complex needs. [Refer to CCR Article 3, Section 7300 (c)]			
Rationale:	Forty-eight percent of surveyed residents described "the availability of information about older adult resources" as being fair or poor with another 26% of respondents having no knowledge of such resources. The department is committed to proactive outreach and prevention strategies.			
#	Objective	Projected Start and End Dates	Type of Activity and Funding Source	Update Status
3.1	Participate as a core partner and advocate in community hubs designed to streamline and simplify the delivery of services. The aim is to engage at least 100 individuals each month who state an increase in knowledge of older adult services between July 2024 and June 2025.	2024 - 2028	Administrative	Continued
3.2	Establish Mobile ADRC to provide tailored access to programs and supports from any location or neighborhood through the use of technology, mobile devices, and one-stop resource vans. Particular emphasis will be to assist those with great economic and social needs, including 911 non-emergency callers, hospital discharges, and individuals with special medical conditions.	2024 - 2028	Administrative	Continued
3.3	Conduct ongoing needs assessment surveys using varied methods of engagement through department staff and community partners.	2024 - 2028	Administrative	Continued

SECTION 8. SERVICE UNIT PLAN (SUP) PSA 21

TITLE III/VII SERVICE UNIT PLAN CCR Article 3, Section 7300(d) 2024-2028 Four-Year Planning Cycle

For services not defined in OAAPS, refer to the **Service Categories and Data Dictionary**.

1. Report the units of service to be provided with **ALL regular AP funding sources**. Related funding is reported in the annual Area Plan Budget (CDA 122) for Titles IIIB, IIIC-1, IIIC-2, IIID, and VII. Only report services provided; others may be deleted.

NOTE FROM THE RIVERSIDE COUNTY OFFICE ON AGING: Service unit projection changes for FY 2025-2026 are due to modified methods of calculating units based on the use of Title Funds only, with calculations also reflecting the sunset of short-term funding (ARPA) related to COVID recovery.

TITLE IIIB and TITLE VII: LONG-TERM CARE (LTC) OMBUDSMAN PROGRAM OUTCOMES 2024-2028 Four-Year Planning Cycle

As mandated by the Older Americans Act Reauthorization Act of 2020, the mission of the LTC Ombudsman Program is to seek resolution of problems and advocate for the rights of residents of LTC facilities with the goal of ensuring their dignity, quality of life, and quality of care.

Each year during the four-year cycle, analysts from the Office of the State Long-Term Care Ombudsman (OSLTCO) will forward baseline numbers to the AAA from the prior fiscal year National Ombudsman Reporting System (NORS) data as entered into the Statewide Ombudsman Program database by the local LTC Ombudsman Program and reported by the OSTLCO in the State Annual Report to the Administration on Aging (AoA).

The AAA will establish targets each year in consultation with the local LTC Ombudsman Program Coordinator. Use the yearly baseline data as the benchmark for determining yearly targets. Refer to your local LTC Ombudsman Program's last three years of AoA data for historical trends. Targets should be reasonable and attainable based on current program resources. Complete all Measures and Targets for Outcomes 1-3.

Outcome 1.

The problems and concerns of long-term care residents are solved through complaint resolution and other services of the Ombudsman Program. Older Americans Act Reauthorization Act of 2020, Section 712(a)(3), (5)]

Measures and Targets:

A. Complaint Resolution Rate (NORS Element CD-08) (Complaint Disposition).

The average California complaint resolution rate for FY 2021-2022 was 57%.

Fiscal Year Baseline Resolution Rate	# Of Complaints Resolved	+ # of partially resolved complaints	Divided by the total number of Complaints	= Baseline Resolution Rate	Fiscal Year Target Resolution Rate

The systems advocacy effort may be a multi-year initiative, but for each year, describe the results of the efforts made during the previous year and what specific new steps the local LTC Ombudsman program will be taking during the upcoming year. Progress and goals must be separately entered each year of the four-year cycle in the appropriate box below.

Systems Advocacy can include efforts to improve conditions in one LTC facility or can be county-wide, state-wide, or even national in scope. TITLE III E SERVICE UNIT PLAN CCR Article 3, Section 7300(d) 2024-2028 Four-Year Planning Period

This Service Unit Plan (SUP) uses the federally mandated service categories. Refer to the CDA Service Categories and Data Dictionary for eligible activities and service unit measures. Specify proposed audience size or units of **service for ALL budgeted funds**. Providing a goal with associated objectives is mandatory. The goal states the big picture and the objectives are the road map (specific and measurable activities) for achieving the big picture goal.

For example, Goal 3: Provide services to family caregivers that will support them in their caregiving role, thereby allowing the care receiver to maintain a healthy, safe lifestyle in the home setting.

- Objective 3.1: Contract for the delivery of virtual self-paced caregiver training modules. Review data monthly to strategize how to increase caregiver engagement in these modules.
- Objective 3.2: Facilitate a monthly in person support group for caregivers where they can share success stories and challenges, share information regarding experiences with HCBS. Respite day care will be available for their loved one if needed.
- Objective 3.3: Do caregiver assessments every 6 months to stay connected to the caregiver and knowledgeable about their needs.

SECTION 10. FAMILY CAREGIVER SUPPORT PSA 21

Justification: If any of the five main categories are **NOT** being provided please explain how the need is already being met in the PSA. If the justification information is the same, multiple service categories can be grouped in the justification statement. The justification must include the following:

1. Provider name and address:

Riverside County Office of Education (Main Office)
3939 13th Street
Riverside, CA 92501

2. Description of the service(s) they provide (services should match those in the CDA Service Category and Data Dictionary):

Riverside County Office of Education (RCOE) offers caregiver respite services for care recipients of older adults. From fiscal years 2024 through 2028, child care respite for grandparents who are raising grandchildren ages 0-5 will be referred to RCOE. Those older adults who do not fall into this category are referred to other agencies that provide this service, such as First 5 Riverside County and Community Mission of Hope Rancho Damacitas. Caregiver Supplemental services are offered and available to older relative caregivers through services and programs with RCOoA. The Grandparents Raising Grandchildren program social worker can make referrals for these services if needed and if the grandparents qualify for this type of assistance.

3. Where is the service provided (entire PSA, certain counties)?

Caregiver respite services are provided throughout the PSA (Riverside County).

4. How does the AAA ensure that the service continues to be provided in the PSA without the use of Title III E funds?

PSA 21 refers older relative caregivers to alternative agencies that offer caregiver respite.

Note: The AAA is responsible for ensuring that the information listed for these organizations is up to date. Please include any updates in the Area Plan Update process.

SECTION 11. LEGAL ASSISTANCE PSA 21

2024-2028 Four-Year Area Planning Cycle

This section must be completed and submitted annually. The Older Americans Act Reauthorization Act of 2020 designates legal assistance as a priority service under Title III B [42 USC §3026(a)(2)]¹². CDA developed California Statewide Guidelines for Legal Assistance (Guidelines), which are to be used as best practices by CDA, AAAs and LSPs in the contracting and monitoring processes for legal services, and located at: https://aging.ca.gov/Providers_and_Partners/Legal_Services/#pp-gg.

1. Based on your local needs assessment, what percentage of Title IIIB funding is allocated to Legal Services? **Discuss:**

A minimum of 3.5% of Title IIIB funding will be allocated to Legal Services for FY 2025-2026. RCOoA has used non-title funding sources in the past to provide additional funding to our contracted Legal Services providers. Allocating a higher percentage of IIIB funding in future fiscal years will be dependent on community needs and the capacity of RCOoA service providers.

2. How have your local needs changed in the past year(s)? Please identify any changes (include whether the change affected the level of funding and the difference in funding levels in the past four years). **Discuss:**

Our community's legal assistance needs have remained similar in recent years based on feedback RCOoA has received from residents. In the most recent community assessment survey, 30% of respondents indicated that they had been a victim of fraud or a scam within the past year. From the same survey, 46% of respondents described the availability of legal services as either fair or poor, while 35% of respondents were unsure about the availability of these services. For FY 2025 - 2026, RCOoA's funding level will remain the same as the previous fiscal year, though the department will re-evaluate should there be a shift in the types of legal issues encountered by individuals or an increase in the number of requests for legal assistance.

SECTION 11. LEGAL ASSISTANCE PSA 21

3. How does the AAA's contract/agreement with the Legal Services Provider(s) (LSPs) specify and ensure that the LSPs are expected to use the California Statewide Guidelines in the provision of OAA legal services? **Discuss:**

The contract with the chosen Legal Service Provider will utilize the California Statewide Guidelines in the provision of OAA legal services as stated below in Exhibit D, Article II Assurances, Section A, Law, Policy and Procedure, Licenses, and Certificates

"The Service Provider agrees to administer this Agreement in accordance with the terms and conditions set forth in this Agreement, and with all applicable local, State, and federal laws and regulations including, but not limited to, discrimination, wages and hours of employment, occupational safety, and to fire, safety, health, and sanitation regulations, directives, guidelines, and/or manuals related to this Agreement and resolve all issues using good administrative practices and sound judgement. The Service Provider shall keep in effect all licenses, permits, notices, and certificated that are required by law."

4. How does the AAA collaborate with the Legal Services Provider(s) to jointly establish specific priority issues for legal services? What are the top four (4) priority legal issues in your PSA? **Discuss:**

RCOoA requires our contracted Legal Service Provider to submit monthly reports indicating the types of services rendered and the frequency of requests. Using this information, the department can work with the contracted provider to set new legal service priorities based on the needs of residents. Based on historical trends, the top four legal priorities are consumer law, consumer health law, IHSS assistance, and financial abuse in the form of frauds and scams.

SECTION 11. LEGAL ASSISTANCE PSA 21

5. How does the AAA collaborate with the Legal Services Provider(s) to jointly identify the target population? What is the targeted senior population and mechanism for reaching targeted groups in your PSA? **Discuss:**

As a baseline, individuals aged sixty or older are the department's target population and RCOoA places an emphasis on assisting those identified as having great economic and social need such as low-income, minority individuals, individuals with Limited English Proficiency (LEP), and individuals residing in rural and isolated areas.

In order to reach the target population, the contracted Legal Services Provider will be expected to have extensive experience providing legal services for older adults. The provider will need to have an established office with set hours to meet with clients, an accessible website, and reliable phone service with set customer service procedures to respond to clients in a timely manner. The Legal Services Provider will be required to conduct community outreach to provide services and information to potential clients at local events. Additionally, the contracted provider must be willing to provide services at locations where potential clients congregate including community centers, senior centers, libraries, and other similar public points of interest.

6. How many legal assistance service providers are in your PSA? **Complete table below.**

Fiscal Year	# of Legal Assistance Service Providers	Did the number of service providers change? If so, please explain
2024 - 2025	1	No
2025 - 2026	1	No
2026 - 2027		
2027 - 2028		

SECTION 11. LEGAL ASSISTANCE PSA 21

7. What methods of outreach are Legal Services Providers using? **Discuss:**

Typically, the Legal Services Provider has conducted outreach at local events that have included community, health, and resource fairs. Along with events at public locations, the provider has also conducted outreach at locations where potential clients reside, such as senior apartment complexes and/or mobile home parks.

The provider has also, in the past, conducted in person and online presentations in partnership with community organizations whose focus is providing services to older adults. Legal presentation topics have included estate planning, mobile home law, health law, along with other civil legal areas of law.

8. What geographic regions are covered by each provider? **Complete table below.**

Fiscal Year	Name of Provider	Geographic Region covered

2025 - 2026	PENDING	All of Riverside County

SECTION 11. LEGAL ASSISTANCE PSA 21

9. Discuss how older adults access Legal Services in your PSA and whether they can receive assistance remotely (e.g., virtual legal clinics, phone, U.S. Mail, etc.). **Discuss:**

Along with in person services, the contracted service provider has been able to provide older adults with legal services via teleconference apps (Zoom, Microsoft Teams, etc.) and directly from their website. Typically, the contracted service provider has been able to accommodate clients with in-person and virtual appointments, physical and online applications, and dedicated phone lines to meet their needs. Furthermore, the contracted provider has extended their services by regularly hosting staff at senior and community centers.

10. Identify the major types of legal issues that are handled by the Title IIIB legal provider(s) in your PSA (please include new legal problem trends in your area). **Discuss:**

During FY 2025 - 2026, RCOoA anticipates that the contracted provider will continue to focus on legal issues most often requested by clients, per historical trends. These issues include: Housing; Family Legal; Elder Abuse; Consumer; Benefits; Health; Simple Wills and Guardianship.

11. What are the barriers to accessing legal assistance in your PSA? Include proposed strategies for overcoming such barriers. **Discuss:**

Based on feedback RCOoA has received from the contracted service provider in years past, the barriers to accessing legal services include a lack of adequate transportation for clients to reach legal services, a lack of computer access to complete and sign online forms, a lack of sufficient legal staffing, and limited funding. As mentioned previously, the contracted service provider has made efforts to bring services directly into our community through targeted outreach at senior and community centers, and in-person and online presentations about available services. If grant opportunities present themselves in the upcoming fiscal year, RCOoA will work with the contracted service provider to apply for additional funds to supplement and expand on their title funding.

SECTION 11. LEGAL ASSISTANCE PSA 21

12. What other organizations or groups does your legal service provider coordinate services with? **Discuss:**

Organizations that RCOoA's contracted Legal Service Provider has partnered with have included the following:

Riverside County Superior Courts as well as the San Bernardino County Superior Courts; Inner City Law Center; Western Center for Law and Poverty; OneJustice; San Bernardino County Department of Aging and Adult Services; Inland Empire Latino Lawyers Association; Riverside Legal Aid; Legal Aid Association of San Bernardino; Health Consumer Alliance; Legal Aid Society of San Diego; Coachella Valley Association of Governments; Step Up on Second; San Bernardino County "211"; San Bernardino County Behavioral Health Department; San Bernardino County Coordinated Entry System (CES); Riverside County SAFE Family Justice Centers; Riverside Area Rape Crisis Center; Desert Sanctuary/Haley House; California Department of Housing & Community Development; REACH the Valley Human Trafficking Victim Assistance Program; Riverside County Library System; Kaiser Community Foundation; Rose M. SECTION 16. ADVISORY COUNCIL PSA 21

Briefly describe the local governing board's process to appoint Advisory Council members:

Twelve members of the Advisory Council are selected by the Council members. Vacancies are advertised on the agency's website and shared with community partner organizations, vendors, and local senior and community centers. Applications are reviewed by the Membership Committee of the Advisory Council. All applicants are invited to interview with the Membership Committee. Once interviewed, the Membership Committee presents their recommended candidates to the council at-large during regularly scheduled meetings. The Advisory Council reviews the committee's recommendations and votes on submitting candidates for Board of Supervisor approval. Per our Advisory Council bylaws, only the Board of Supervisors has the authority to appoint Advisory Council members. Once submitted and approved by the Board of Supervisors, the applicant is officially appointed as a member of the Advisory Council. Five members of the Advisory Council are directly selected by each member of the Board of Supervisors to represent their respective district. Each Board Supervisor completes his/her applicant's application, interview, and selection process. Once a member has been selected, the Board Supervisor informs the RCOoA of their appointment.
