BACKGROUND:

Summary

Neighborhood Partnership Housing Services, Inc., a California nonprofit public benefit corporation (Developer), was selected to receive a total of 22 Housing Choice Voucher Program (HCVP or Section 8) Project-Based Vouchers (PBVs). The PBVs were awarded in response to a competitive request for proposals released on April 9, 2021, and July 10, 2023 (RFP No. 2021-101 and RFP No. 2023-120) by the Housing Authority of the County of Riverside (HACR) pursuant to Section 21.3 of the HACR’s Administrative Plan for the HCVP and in compliance with 24 CFR 983.51 for the Sunrise at Bogart Apartments. Developer has formed a limited partnership known as Sunrise at Bogart, LP, a California limited partnership (Partnership), for the purpose of developing and financing new construction of Sunrise at Bogart Apartments consisting of 23 affordable units on .75 acres of vacant land located at 11049 Bogart Avenue in the City of Riverside, identified as Assessor Parcel Number 146-182-080 to be owned and operated by the Partnership (Proposed Project).

**SUBMITTAL TO THE BOARD OF COMMISSIONERS HOUSING AUTHORITY
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

The Proposed Project will provide a total of 23 apartment units that will consist of 22 one-bedroom units and 1 two-bedroom unit unrestricted as a manager's unit. The 22 PBVs are comprised of 22 one-bedroom units in which referrals for these units will come from the County of Riverside's Coordinated Entry System for individuals experiencing homelessness at or below 50% of the area median income for the County of Riverside. Wraparound services will be provided to all tenants by Riverside University Health System – Behavioral Health. The Housing Authority will enter into an Agreement to Enter into Housing Assistance Payments (AHAP) with Partnership subject to approval by the Housing Authority's Board of Commissioners. The PBVs have an estimated value of \$8,859,840 over the 20-year term of the agreement and may be extended for an additional 20 years.

An Environmental Assessment (EA) report and findings incorporated in the EA was adopted by the County Board of Supervisors on April 20, 2021 (Minute Order 3.18), and it was concluded that the Proposed Project, including the Section 8 Project-Based Voucher Program Housing Assistance Payments Contract, is not an action which may affect the quality of the environment under Title 24 Code of Federal Regulations (CFR) Part 58 in accordance with the provisions of the National Environmental Policy Act of 1969 (NEPA).

Impact on Residents and Businesses

The rental assistance that the PBVs are providing the Project will have a positive impact on the residents to stabilize housing and operation of the rehabilitation housing complex in addition to providing affordable housing to the community of Riverside.

SUPPLEMENTAL:

Additional Fiscal Information

No impact upon the County's General Fund. The HACR's contribution to the Project includes the Section 8 Project-Based Vouchers which are fully funded by the United States Department of Housing and Urban Development.

2.1 Equal Employment Opportunity

- A. The owner shall incorporate or cause to be incorporated into any contract in excess of \$10,000 for construction work, or modification thereof, as defined in the regulations of the Secretary of Labor at 41 CFR chapter 60, which is to be performed pursuant to this Agreement, the following nondiscrimination clause:

During the performance of this contract, the contractor agrees as follows:

1. The contractor will not discriminate against any employee or applicant for employment because of race, color, creed, religion, sex, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, creed, sex, or national origin. Such action shall include, but not be limited to, the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoffs or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided

by the contracting officer setting forth the provisions of this nondiscrimination clause.

2. The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, creed, sex, or national origin.
3. The contractor will send to each labor union or representative of workers with which the contractor has a collective bargaining agreement or other contract or understanding, a notice to be provided by or at the direction of the Government advising the labor union or workers representative of the contractor's commitments under this section and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
4. The contractor will comply with all provisions of Executive Order No. 11246 of September 24, 1965, and with the rules, regulations, and relevant orders of the Secretary of Labor.
5. The contractor will furnish all information and reports required by Executive Order No. 11246 of September 24, 1965, and by the rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to its books, records, and accounts by HUD and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations and orders.
6. In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the rules, regulations, or orders, the contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further contracts in accordance with procedures authorized in Executive Order No. 11246 of September 24, 1965, and such other sanctions as may be imposed and remedies invoked as provided in Executive Order No. 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor or as otherwise provided by law.
7. The contractor will include the provisions of paragraphs (1) through (7) in every subcontract or purchase order unless exempted by the rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order No. 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order

as the Government may direct as a means of enforcing such provisions including sanctions for noncompliance; provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the Government, the contractor may request the United States to enter into such litigation to protect the interest of the United States.

- B. The owner agrees to be bound by the above nondiscrimination clause with respect to his or her own employment practices when participating in federally assisted construction work.
- C. The owner agrees to assist and cooperate actively with HUD and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the nondiscrimination clause and the rules, regulations, and relevant orders of the Secretary of Labor, to furnish HUD and the Secretary of Labor such information as they may require for the supervision of such compliance, and to otherwise assist HUD in the discharge of HUD's primary responsibility for securing compliance.
- D. The owner further agrees to refrain from entering into any contract or contract modification subject to Executive Order No. 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the nondiscrimination clause as may be imposed upon contractors and subcontractors by HUD or the Secretary of Labor pursuant to the Executive Order. In addition, if the owner fails or refuses to comply with these undertakings, HUD may take any or all of the following actions; cancel, terminate, or suspend in whole or in part this Agreement; refrain from extending any further assistance to the owner under the program with respect to which the failure or refusal occurred until satisfactory assurance of future compliance has been received from the owner, and refer the case to the Department of Justice for appropriate legal proceedings.

2.3 HUD—Federal Labor Standards Provisions

The owner is responsible for inserting the entire text of section 2.3 of this Agreement in all construction contracts and, if the owner performs any rehabilitation work on the project, the owner must comply with all provisions of section 2.3. (Note: Sections 2.3(b) and (c) apply only when the amount of the prime contract exceeds \$100,000.)

(a)(1) Minimum Wages. (i) All laborers and mechanics employed or working upon the site of the work (or under the United States Housing Act of 1937 or under the Housing Act of 1949 in the construction or development of the project) will be paid unconditionally and not less often than once a week, and without subsequent deduction or rebate on any account (except such payroll deductions as are permitted by regulations issued by the Secretary of Labor under the Copeland Act (29 CFR part 3)), the full amount of wages and bona fide fringe benefits (or cash equivalents thereof) due at time of payment computed at rates not less than those contained in the wage determination of the Secretary of Labor which is attached hereto and made part hereof regardless of any contractual relationship which may be alleged to exist between the contractor and such laborers and mechanics. Contributions made or costs reasonably anticipated for bona fide fringe benefits under section l(b)(2) of the Davis-Bacon Act on behalf of laborers or mechanics are considered wages paid to such laborers or mechanics, subject to the provisions of 29 CFR 5.5(a)(1)(iv); also, regular contributions made or costs incurred for more than a weekly period (but not less often than quarterly) under plans, funds, or programs, which cover the particular weekly period, are deemed to be constructively made or incurred during such weekly period.

Such laborers and mechanics shall be paid the appropriate wage rate and fringe benefits on the wage determination for the classification of work actually performed, without regard to skill, except as provided in 29 CFR 5.5(a)(4). Laborers or mechanics performing work in more than one classification may be compensated at the rate specified for each classification for the time actually worked therein: Provided, That the employer's payroll records accurately set forth the time spent in each classification in which work is performed. The wage determination (including any additional classification and wage rates conformed under 29 CFR 5.5(a)(1)(ii) and the Davis-Bacon poster (WH-1321)) shall be posted at all times by the contractor and its subcontractors at the site of the work in a prominent and accessible place where it can be easily seen by the workers.

(ii)(A) Any class of laborers or mechanics, including helpers, which is not listed in the wage determination and which is to be employed under the contract shall be classified in conformance with the wage determination. HUD shall approve an additional classification and wage rate and fringe benefits therefore only when the following criteria have been met:

(1) The work to be performed by the classification requested is not performed by a classification in the wage determination;

(2) The classification is utilized in the area by the construction industry; and

(3) The proposed wage rate, including any bona fide fringe benefits, bears a reasonable relationship to the wage rates contained in the wage determination.

(B) If the contractor and the laborers and mechanics to be employed in the classification (if known), or their representatives, and HUD or its designee agree on the classification and wage rate (including the amount designated for fringe benefits where appropriate), a report of the action taken shall be sent by HUD or its designee to the Administrator of the Wage and Hour Division, U.S. Department of Labor, Washington, D. C. 20210. The Administrator, or an authorized representative, will approve, modify, or disapprove every additional classification action within 30 days of receipt and so advise HUD or its designee or will notify HUD or its designee within the 30-day period that additional time is necessary.

(C) In the event the contractor, the laborers or mechanics to be employed in the classification or their representatives, and HUD or its designee do not agree on the proposed classification and wage rate (including the amount designated for fringe benefits, where appropriate), HUD or its designee shall refer the questions, including the views of all interested parties and the recommendation of HUD or its designee, to the Administrator for determination. The Administrator, or an authorized representative, will issue a determination within 30 days of receipt and so advise HUD or its designee or will notify HUD or its designee within the 30-day period that additional time is necessary.

(D) The wage rate (including fringe benefits where appropriate) determined pursuant to subparagraphs (1)(B) or (C) of this paragraph, shall be paid to all workers performing work in the classification under this contract from the first day on which work is performed in the classification.

(iii) Whenever the minimum wage rate prescribed in the contract for a class of laborers or mechanics includes a fringe benefit which is not expressed as an hourly rate, the contractor shall either pay the benefit as stated in the wage determinations or shall pay another bona fide fringe benefit or an hourly cash equivalent thereof.

(iv) If the contractor does not make payments to a trustee or other third person, the contractor may consider as part of the wages of any laborer or mechanic the amount of any costs reasonably anticipated in providing bona fide fringe benefits under a plan or program: Provided, That the Secretary of Labor has found, upon the written request of the contractor, that the applicable standards of the Davis-Bacon Act have been met. The Secretary of Labor may require the contractor to set aside in a separate account assets for the meeting of obligations under the plan or program.

(2) Withholding. HUD or its designee shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld from the contractors under this contract or any other Federal contract with the same prime contractor, or any other Federally-assisted contract subject to Davis-Bacon prevailing wage requirements, which is held by the same prime contractor so much of the accrued payments or advances as may be considered necessary to pay laborers and mechanics, including apprentices, trainees and helpers, employed by the contractor or any subcontractor the full amount of wages required by the contract. In the event of failure to pay any laborer or mechanic, including any apprentice, trainee or helper, employed or working on the site of the work (or under the United States Housing Act of 1937 or under the Housing Act of 1949 in the construction or development of the project), all or part of the wages required by the contract, HUD or its designee may, after written notice to the contractor, sponsor, applicant, or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds until such violations have ceased. HUD or its designee may, after written notice to the contractor, disburse such amounts withheld for and on account of the contractor or subcontractor to the respective employees to whom they are due.

(3)(i) Payrolls and Basic Records. Payrolls and basic records relating thereto shall be maintained by the contractor during the course of the work and preserved for a period of three years thereafter for all laborers and mechanics working at the site of the work (or under the United States Housing Act of 1937, or under the Housing Act of 1949, in the construction or development of the project). Such records shall contain the name, address, and social security number of each such worker, his or her correct classification, hourly rates of wages paid (including rates of contributions or costs anticipated for bona fide fringe benefits or cash equivalents thereof of the types described in section 1(b)(2)(B) of the Davis-Bacon Act), daily and weekly number of hours worked, deductions made and actual wages paid. Whenever the

Secretary of Labor has found under 29 CFR 5.5 (a)(1)(iv) that the wages of any laborer or mechanic include the amount of any costs reasonably anticipated in providing benefits under a plan or program described in section 1(b)(2)(B) of the Davis-Bacon Act, the contractor shall maintain records which show that the commitment to provide such benefits is enforceable, that the plan or program is financially responsible, and that the plan or program has been communicated in writing to the laborers or mechanics affected, and records which show the costs anticipated or the actual cost incurred in providing such benefits. Contractors employing apprentices or trainees under approved programs shall maintain written evidence of the registration of apprenticeship programs and certification of trainee programs, the registration of the apprentices and trainees, and the ratios and wage rates prescribed in the applicable programs.

(ii)(A) The contractor shall submit weekly for each week in which any contract work is performed a copy of all payrolls to HUD the PHA. The payrolls submitted shall set out accurately and completely all of the information required to be maintained under 29 CFR 5.5(a)(3)(i), except that full social security numbers and home addresses shall not be included in weekly transmittals. Instead the payrolls shall only need to include an individually identifying number for each employee (e.g. the last four digits of the employee's social security number). The required weekly payroll information may be submitted in any form desired. Optional Form WH-347 is available for this purpose from the Wage and Hour Division Web site at: <http://www.dol.gov/esa/whd/forms/wh347instr.htm> or its successor site. The prime contractor is responsible for the submission of copies of payrolls by all subcontractors. Contractors and subcontractors shall maintain the full social security number and current address of each covered worker, and shall provide them upon request to HUD or its designee if the agency is a party to the contract, but if the agency is not such a party, the contractor will submit them to the applicant, sponsor, or owner, as the case may be, for transmission to HUD, the contractor, or the Wage and Hour Division of the Department of Labor for purposes of an investigation or audit of compliance with prevailing wage requirements. It is not a violation of this section for a prime contractor to require a subcontractor to provide addresses and social security numbers to the prime contractor for its own records, without weekly submission to the sponsoring government agency (or the applicant, sponsor, or owner).

(B) Each payroll submitted shall be accompanied by a "Statement of Compliance," signed by the contractor or subcontractor or his

or her agent who pays or supervises the payment of the persons employed under the contract and shall certify the following:

(1) That the payroll for the payroll period contains the information required to be provided under 29 CFR 5.5(a)(3)(ii), the appropriate information is being maintained under 29 CFR 5.5(a)(3)(i) and that such information is correct and complete;

(2) That each laborer or mechanic (including each helper, apprentice, and trainee) employed on the contract during the payroll period has been paid the full weekly wages earned, without rebate, either directly or indirectly, and that no deductions have been made either directly or indirectly from the full wages earned, other than permissible deductions as set forth in 29 CFR part 3;

(3) That each laborer or mechanic has been paid not less than the applicable wage rates and fringe benefits or cash equivalents for the classification of work performed, as specified in the applicable wage determination incorporated into the contract.

(C) The weekly submission of a properly executed certification set forth on the reverse side of Optional Form WH-347 shall satisfy the requirement for submission of the "Statement of Compliance" required by paragraph (a)(3)(ii)(B) of this section.

(D) The falsification of any of the above certifications may subject the contractor or subcontractor to civil or criminal prosecution under section 1001 of Title 18 and section 231 of Title 31 of the United States Code.

(iii) The contractor or subcontractor shall make the records required under paragraph (a)(3)(i) of this section available for inspection, copying, or transcription by authorized representatives of HUD or its designee or the Department of Labor, and shall permit such representatives to interview employees during working hours on the job. If the contractor or subcontractor fails to submit the required records or to make them available, HUD or its designee may, after written notice to the contractor, sponsor, applicant, or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds. Furthermore, failure to submit the required records upon request or to make such records available may be grounds for debarment action pursuant to 29 CFR 5.12.

(4) Apprentices and Trainees. (i) Apprentices. Apprentices will be permitted to work at less than the predetermined rate for the work they performed when they are employed pursuant to and

individually registered in a bona fide apprenticeship program registered with the U.S. Department of Labor, Employment and Training Administration, Office of Apprenticeship Training, Employer and Labor Services, or with a State Apprenticeship Agency recognized by the Office, or if a person is employed in his or her first 90 days of probationary employment as an apprentice in such an apprenticeship program, who is not individually registered in the program, but who has been certified by the Office of Apprenticeship Training, Employer and Labor Services, or a State Apprenticeship Agency (where appropriate) to be eligible for probationary employment as an apprentice. The allowable ratio of apprentices to journeymen on the job site in any craft classification shall not be greater than the ratio permitted to the contractor as to the entire work force under the registered program. Any worker listed on a payroll at an apprentice wage rate, who is not registered or otherwise employed as stated above, shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any apprentice performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. Where a contractor is performing construction on a project in a locality other than that in which its program is registered, the ratios and wage rates (expressed in percentages of the journeyman's hourly rate) specified in the contractor's or subcontractor's registered program shall be observed. Every apprentice must be paid at not less than the rate specified in the registered program for the apprentice's level of progress, expressed as a percentage of the journeymen hourly rate specified in the applicable wage determination. Apprentices shall be paid fringe benefits in accordance with the provisions of the apprenticeship program. If the apprenticeship program does not specify fringe benefits, apprentices must be paid the full amount of fringe benefits listed on the wage determination for the applicable classification. If the Administrator determines that a different practice prevails for the applicable apprentice classification, fringes shall be paid in accordance with that determination. In the event the Office of Apprenticeship Training, Employer and Labor Services, or a State Apprenticeship Agency recognized by the Office, withdraws approval of an apprenticeship program, the contractor will no longer be permitted to utilize apprentices at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(ii) Trainees. Except as provided in 29 CFR 5.16, trainees will not be permitted to work at less than the predetermined rate for the work performed unless they are employed pursuant to and

individually registered in a program which has received prior approval, evidenced by formal certification by the U.S. Department of Labor, Employment and Training Administration. The ratio of trainees to journeymen on the job site shall not be greater than permitted under the plan approved by the Employment and Training Administration. Every trainee must be paid at not less than the rate specified in the approved program for the trainee's level of progress, expressed as a percentage of the journeyman hourly rate specified in the applicable wage determination. Trainees shall be paid fringe benefits in accordance with the provisions of the trainee program. If the trainee program does not mention fringe benefits, trainees shall be paid the full amount of fringe benefits listed on the wage determination unless the Administrator of the Wage and Hour Division determines that there is an apprenticeship program associated with the corresponding journeyman wage rate on the wage determination which provides for less than full fringe benefits for apprentices. Any employee listed on the payroll at a trainee rate who is not registered and participating in a training plan approved by the Employment and Training Administration shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any trainee performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. In the event the Employment and Training Administration withdraws approval of a training program, the contractor will no longer be permitted to utilize trainees at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(iii) Equal Employment Opportunity. The utilization of apprentices, trainees and journeymen under this part shall be in conformity with the equal employment opportunity requirements of Executive Order 11246, as amended, and 29 CFR part 30.

(5) Compliance with Copeland Act Requirements. The contractor shall comply with the requirements of 29 CFR part 3 which are incorporated by reference in this Agreement.

(6) Subcontracts. The contractor or subcontractor will insert in any subcontracts the clauses contained in section 2.3(a)(1) through (11) and such other clauses as HUD or its designee may by appropriate instructions require, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for the

compliance by any subcontractor or lower tier subcontractor with all the contract clauses in this section 2.3(a).

(7) Contract Terminations; Debarment. A breach of the contract clauses in 29 CFR 5.5 may be grounds for termination of the contract, and for debarment as a contractor and a subcontractor as provided in 29 CFR 5.12.

(8) Compliance with Davis-Bacon and Related Act Requirements. All rulings and interpretations of the Davis-Bacon and related Acts contained in 29 CFR parts 1, 3, and 5 are herein incorporated by reference in this contract.

(9) Disputes Concerning Labor Standards. Disputes arising out of the labor standards provisions of this contract shall not be subject to the general disputes clause of this contract. Such disputes shall be resolved in accordance with the procedures of the Department of Labor set forth in 29 CFR parts 5, 6, and 7. Disputes within the meaning of this clause include disputes between the contractor (or any of its subcontractors) and the PHA, HUD, the U. S. Department of Labor, or the employees or their representatives.

(10) Certification of Eligibility. (i) By entering into this Agreement, the contractor certifies that neither it (nor he or she) nor any person or firm who has an interest in the contractor's firm is a person or firm ineligible to be awarded Government contracts by virtue of section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1) or to be awarded HUD contracts or participate in HUD programs pursuant to 24 CFR part 24.

(ii) No part of this Agreement shall be subcontracted to any person or firm ineligible for award of a Government contract by virtue of section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1) or to be awarded HUD contracts or participate in HUD programs pursuant to 24 CFR part 24.

(iii) The penalty for making false statements is prescribed in the U.S. Criminal Code, 18 U.S.C. 1001. Additionally, U.S. Criminal Code, section 1010, Title 18, U.S.C., "Federal Housing Administration transactions, provides in part: "Whoever, for the purpose of ...influencing in any way the action of such Administration...makes, utters or publishes any statement, knowing the same to be false... shall be fined not more than \$5,000 or imprisoned not more than two years, or both."

11. Complaints, Proceedings, or Testimony by Employees. No laborer or mechanic to whom the wage, salary, or other labor

standards provisions of this Agreement are applicable shall be discharged or in any other manner discriminated against by the Contractor or any subcontractor because such employee has filed any complaint or instituted or caused to be instituted any proceeding or has testified or is about to testify in any proceeding under or relating to the labor standards applicable under this Agreement to his employer.

(b) Contract Work Hours and Safety Standards Act. The provisions of this paragraph (b) are applicable only where the amount of the prime contract exceeds \$100,000. As used in this paragraph, the terms "laborers" and "mechanics" include watchmen and guards.

(1) Overtime Requirements. No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.

(2) Violation; Liability for Unpaid Wages; Liquidated Damages. In the event of any violation of the clause set forth in subparagraph (1) of this paragraph, the contractor and any subcontractor responsible therefore shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in subparagraph (1) of this paragraph, in the sum of \$25 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in subparagraph (1) of this paragraph.

(3) Withholding for Unpaid Wages and Liquidated Damages. HUD or its designee shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any monies payable on account of work performed by the contractor or subcontractor under any such contract or any other Federal contract with the same prime contractor, or any other Federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by

the same prime contractor such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in subparagraph (2) of this paragraph.

(4) Subcontractors. The contractor or subcontractor shall insert in any subcontracts the clauses set forth in subparagraph (1) through (4) of this paragraph and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in subparagraphs (1) through (4) of this paragraph.

(c) Health and Safety. The provisions of this paragraph (c) are applicable only where the amount of the prime contract exceeds \$100,000.

(1) No laborer or mechanic shall be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous to his health and safety as established under construction safety and health standards promulgated by the Secretary of Labor by regulation.

(2) The contractor shall comply with all regulations issue by the Secretary of Labor pursuant to Title 29 part 1926 and failure to comply may result in imposition of sanctions pursuant to the Contract Work Hours and Safety Standards Act, 40 USC 3701 et seq.

(3) The contractor shall include the provisions of this paragraph in every subcontract so that such provisions will be binding on each subcontractor. The contractor shall take such action with respect to any subcontract as the Secretary of Housing and Urban Development or the Secretary of Labor shall direct as a means of enforcing such provisions.

RE: Estimate of Initial Rents – HCV Project-Based Vouchers
(SUNRISE AT BOGART – RIVERSIDE)

Dear Mr. Halter:

The Housing Authority of the County of Riverside in accordance with the Code of Federal Regulation (CFR) 983.301 has completed a rent comparability analysis to determine the estimated initial rents for the Project-Based Vouchers (PBV) that will be utilized at Sunrise at Bogart in the City of Riverside. The Asking Rent, Reasonable Rent, current applicable utility allowance, FMR Rent Cap, and the PBV Contract Rent according to 24 CFR 983.301(b) are as follows:

PBV Contract Rent Determination	
Bedroom Size	IBR
Asking Rent	\$3,000
Reasonable Rent	\$1,966 per AffordableHousing.com
110% of 2025 FMR EFF 10/1/2024	\$2,037 (\$1,852 + \$185)
less Standard Utility Allowance eff 7/1/24	\$0
FMR Rent Cap	\$2,037
The PBV Contract Rent is determined according to 24 CFR 983.301(b) and is set at the lowest of: (1) the Reasonable Rent, (2) the rent requested by the owner, or (3) the Fair Market Rent (FMR) cap minus the Utility Allowance.	\$1,966

This redetermination of rent to owner has been completed pursuant to 24 CFR 983.301, 983.302 and 983.207(c) (enclosed). If you have any questions, please feel free to contact me at (951) 343-5464.

Sincerely,

Erlan Gonzalez

Erlan Gonzalez
Principal Development Specialist

24 Code of Federal Regulations (CFR) 983.301 Determining the rent to owner.

(a) *Initial and redetermined rents.* (1) The amount of the initial and redetermined rent to owner is determined in accordance with this section and § 983.302.

(b) *Amount of rent to owner.* Except for certain tax credit units as provided in paragraph (c) of this section, **the rent to owner must not exceed the lowest of:**

(1) An amount determined by the PHA, not to exceed 110 percent of the applicable fair market rent (or any exception payment standard approved by the Secretary) for the unit bedroom size minus any utility allowance; (2) The reasonable rent; or (3) The rent requested by the owner.

(c) Rent to owner for certain tax credit units. (1) This paragraph (c) applies if: (i) A contract unit receives a low-income housing tax credit under the Internal Revenue Code of 1986 (see 26 U.S.C. 42); (ii) The contract unit is not located in a qualified census tract; (iii) In the same building, there are comparable tax credit units of the same unit bedroom size as the contract unit and the comparable tax credit units do not have any form of rental assistance other than the tax credit; and (iv) The tax credit rent exceeds the applicable fair market rental (or any exception payment standard) as determined in accordance with paragraph (b) of this section. (2) In the case of a contract unit described in paragraph (c)(1) of this section, the rent to owner must not exceed the lowest of: (i) The tax credit rent minus any utility allowance; (ii) The reasonable rent; or (iii) The rent requested by the owner.

(3) The "tax credit rent" is the rent charged for comparable units of the same bedroom size in the building that also receive the low-income housing tax credit but do not have any additional rental assistance (e.g., additional assistance such as tenant-based voucher assistance). (4) A "qualified census tract" is any census tract (or equivalent geographic area defined by the Bureau of the Census) in which: (i) At least 50 percent of households have an income of less than 60 percent of Area Median Gross Income (AMGI); or (ii) Where the poverty rate is at least 25 percent and where the census tract is designated as a qualified census tract by HUD.

(d) Rent to owner for other tax credit units. Except in the case of a tax-credit unit described in paragraph (c)(1) of this section, the rent to owner for all other tax credit units may be determined by the PHA pursuant to paragraph (b) of this section.

(e) *Reasonable rent.* The PHA shall determine the reasonable rent in accordance with § 983.303. The rent to the owner for each contract unit may at no time exceed the reasonable rent, except in cases where, the PHA has elected within the HAP contract not to reduce rents below the initial rent to owner and, upon redetermination of the rent to owner, the reasonable rent would result in a rent below the initial rent. If the PHA has not elected within the HAP contract to establish the initial rent to owner as the rent floor, the rent to owner shall not at any time exceed the reasonable rent.

(ii) *Redetermination of rent to owner.* When redetermining the rent to owner, the PHA shall use the most recently published FMR and the PHA utility allowance schedule in effect at the time of redetermination. At its discretion, the PHA may use the amounts in effect at any time during the 30-day period immediately before the redetermination date.

Note: Sunrise at Bogart is not located within Qualified Census Tract (QCT) 413.02. Therefore, the special rent exception under 24 CFR 983.301(c) does not apply, meaning the rent for PBV units must be determined based on rent reasonableness, rather than automatically aligning with LIHTC rent limits.

24 CFR 983.302 Redetermination of rent to owner.

(a) The PHA must redetermine the rent to owner:

(1) Upon the owner's request; or (2) When there is a 10 percent decrease in the published FMR.

(b) *Rent increase.* (1) The PHA may not make any rent increase other than an increase in the rent to owner as determined pursuant to § 983.301. (Provisions for special adjustments of contract rent pursuant to 42 U.S.C. 1437f(b)(2)(B) do not apply to the voucher program.)

(2) The owner must request an increase in the rent to owner at the annual anniversary of the HAP contract by written notice to the PHA. The length of the required notice period of the owner request for a rent increase at the annual anniversary may be established by the PHA. The request must be submitted in the form and manner required by the PHA.

[Refer to 24 CFR 983.1, 983.2, 982.308(g)(4) The owner must notify the PHA of any changes in the amount of the rent to owner at least sixty days before any such changes go into effect, and any such changes shall be subject to rent reasonableness requirements.]

(3) The PHA may not approve, and the owner may not receive any increase of rent to owner until and unless the owner has complied with all requirements of the HAP contract, including compliance with the HQS. The owner may not receive any retroactive increase of rent for any period of noncompliance.

(c) *Rent decrease.* (1) If there is a decrease in the rent to owner, as established in accordance with § 983.301, the rent to owner must be decreased, regardless of whether the owner requested a rent adjustment. (2) If the PHA has elected within the HAP contract to not reduce rents below the initial rent to owner, the rent to owner shall not be reduced below the initial rent to owner for dwelling units under the initial HAP contract, except: (i) To correct errors in calculations in accordance with HUD requirements; (ii) If additional housing assistance has been combined with PBV assistance after the execution of the initial HAP contract and a rent decrease is required pursuant to § 983.55; or (iii) If a decrease in rent to owner is required based on changes in the allocation of responsibility for utilities between the owner and the tenant.

(d) *Notice of rent redetermination.* Rent to owner is redetermined by written notice by the PHA to the owner specifying the amount of the redetermined rent (as determined in accordance with 24 CFR 983.301 and 983.302). The PHA notice of the rent adjustment constitutes an amendment of the rent to owner specified in the HAP contract.

(e) *Contract year and annual anniversary of the HAP contract.* (1) The contract year is the period of 12 calendar months preceding each annual anniversary of the HAP contract during the HAP contract term. The initial contract year is calculated from the first day of the first calendar month of the HAP contract term. (2) The annual anniversary of the HAP contract is the first day of the first calendar month after the end of the preceding contract year. The adjusted rent to owner amount applies for the period of 12 calendar months from the annual anniversary of the HAP contract.

(3) See § 983.207(c) for information on the annual anniversary of the HAP contract for contract units completed in stages.

24 CFR 983.207(c) Staged completion of contract units. Even if contract units are placed under the HAP contract in stages commencing on different dates, there is a single annual anniversary for all contract units under the HAP contract. The annual anniversary for all contract units is the annual anniversary date for the first contract units placed under the HAP contract. The expiration of the HAP contract for all the contract units completed in stages must be concurrent with the end of the HAP contract term for the units originally placed under HAP contract.

The 2025 metro DDAs use ZIP Code Tabulation Area (ZCTA) boundaries from the 2020 Decennial census. The designation methodology is explained in the [Federal Register notice](#) published September 9, 2024.

The 2025 Small Difficult Development Areas layer has been temporarily disabled as we are in the process of updating the layer.

Dear Mr. Ibarra:

The Housing Authority of the County of Riverside in accordance with Title 24 Code of Federal Regulation (CFR) 983.301 has completed a rent comparability analysis to determine the estimated initial rents for the 23 Project-Based Vouchers that will be utilized for Sunrise at Bogart, Riverside CA. The estimated initial contract rent, current applicable utility allowance and gross contract rent are as follows:

FMR Rent Cap (110% of 2024 FMR eff 10/1/23)	(\$1,611 + \$161) = \$1,772
Utility Allowance eff 7/1/23	\$0
FMR Rent Cap minus Utility Allowance	\$1,772
PBV Contract Rent pursuant to 24 CFR 983.301 (b) - Lowest of (1) Reasonable Rent, (2) Rent requested by Owner, and (3) FMR Rent Cap minus Utility Allowance	\$1,678

ADDITIONAL EXHIBITS

d. Single-Stage and Multi-Stage Contracts (place a check mark in front of the applicable project description).

Single-Stage Project

This is a single-stage project. For all contract units, the effective date of the HAP contract is:

_____.

Multi-Stage Project

This is a multi-stage project. The units in each completed stage are designated in Exhibit A.

The PHA enters the effective date for each stage after completion and PHA acceptance of all units in that stage. The PHA enters the effective date for each stage in the "Execution of HAP contract for contract units completed and accepted in stages" (starting on page 9).

The annual anniversary date of the HAP contract for all contract units in this multi-stage project is the anniversary of the effective date of the HAP contract for the contract units included in the first stage. The expiration date of the HAP contract for all of the contract units completed in stages must be concurrent with the end of the HAP contract term for the units included in the first stage (see 24 CFR 983.207(c)).

e. Term of the HAP contract

1. Beginning of term

The PHA may not enter into a HAP contract for any contract unit until the PHA (or an independent entity, as applicable) has determined that the unit meets PBV inspection requirements. The term of the HAP contract for any unit begins on the effective date of the HAP contract.

2. Length of initial term

a. Subject to paragraph 2.b, the initial term of the HAP contract for any contract units is:

20 years.

b. The initial term of the HAP contract for any unit may not be less than one year, nor more than twenty years.

3. Extension of term

The PHA and owner may agree to enter into an extension of the HAP contract at the time of initial HAP contract execution, or any time prior to expiration of the contract. Any extension, including the term of such extension, must be in accordance with HUD requirements. A PHA must determine that any extension is appropriate to achieve long-term affordability of the housing or expand housing opportunities.

4. Requirement for sufficient appropriated funding

a. The length of the initial term and any extension term shall be subject to availability, as determined by HUD, or by the PHA in accordance with HUD requirements, of sufficient appropriated funding (budget authority), as provided in appropriations acts and in the PHA's annual contributions contract (ACC) with HUD, to make full payment of housing assistance payments due to the

owner for any contract year in accordance with the HAP contract.

- b. The availability of sufficient funding must be determined by HUD or by the PHA in accordance with HUD requirements. If it is determined that there may not be sufficient funding to continue housing assistance payments for all contract units and for the full term of the HAP contract, the PHA has the right to terminate the HAP contract by notice to the owner for all or any of the contract units. Such action by the PHA shall be implemented in accordance with HUD requirements.

f. Occupancy and payment

1. Payment for occupied unit

During the term of the HAP contract, the PHA shall make housing assistance payments to the owner for the months during which a contract unit is leased to and occupied by an eligible family. If an assisted family moves out of a contract unit, the owner may keep the housing assistance payment for the calendar month when the family moves out (“move-out month”). However, the owner may not keep the payment if the PHA determines that the vacancy is the owner’s fault.

2. Vacancy payment

THE PHA HAS DISCRETION WHETHER TO INCLUDE THE VACANCY PAYMENT PROVISION (PARAGRAPH f.2), OR TO STRIKE THIS PROVISION FROM THE HAP CONTRACT FORM.

- a. If an assisted family moves out of a contract unit, the PHA may provide vacancy payments to the owner for a PHA-determined vacancy period extending from the beginning of the first calendar month after the move-out month for a period not exceeding two full months following the move-out month.
- b. The vacancy payment to the owner for each month of the maximum two-month period will be determined by the PHA, and cannot exceed the monthly rent to owner under the assisted lease, minus any portion of the rental payment received by the owner (including amounts available from the tenant’s security deposit). Any vacancy payment may cover only the period the unit remains vacant.

- c. The PHA may make vacancy payments to the owner only if:
 - 1. The owner gives the PHA prompt, written notice certifying that the family has vacated the unit and the date when the family moved out (to the best of the owner's knowledge and belief);
 - 2. The owner certifies that the vacancy is not the fault of the owner and that the unit was vacant during the period for which payment is claimed;
 - 3. The owner certifies that it has taken every reasonable action to minimize the likelihood and length of vacancy; and
 - 4. The owner provides any additional information required and requested by the PHA to verify that the owner is entitled to the vacancy payment.
- d. The PHA must take every reasonable action to minimize the likelihood and length of vacancy.
- e. The owner may refer families to the PHA for placement on the PBV waiting list.
- f. The owner must submit a request for vacancy payments in the form and manner required by the PHA and must provide any information or substantiation required by the PHA to determine the amount of any vacancy payments.

3. PHA is not responsible for family damage or debt to owner

Except as provided in this paragraph f (Occupancy and Payment), the PHA will not make any other payment to the owner under the HAP contract. The PHA will not make any payment to the owner for any damages to the unit, or for any other amounts owed by a family under the family's lease.

g. Income-mixing requirement

- 1. Except as provided in paragraphs g.2 through g.5 below, the PHA will not make housing assistance payments under the HAP contract for more than

the greater of 25 units or 25 percent of the total number of dwelling units (assisted or unassisted) in any project. The term “project” means a single building, multiple contiguous buildings, or multiple buildings on contiguous parcels of land assisted under this HAP contract.

2. The limitation in paragraph g.1 does not apply to single-family buildings.
3. In referring eligible families to the owner for admission to the number of contract units in any project exceeding the 25 unit or 25 percent limitation under paragraph g.1, the PHA shall give preference to the applicable families as listed in g.8 below, for the number of contract units exclusively made available for occupancy by such families. The owner shall rent that number of contract units to such families referred by the PHA from the PHA waiting list.
4. Up to the greater of 25 units or 40 percent of units (instead of the greater of 25 units or 25 percent of units) in a project may be project-based if the project is located in a census tract with a poverty rate of 20 percent or less.
5. Units that were previously subject to certain federal rent restrictions or receiving another type of long-term housing subsidy provided by HUD do not count toward the income-mixing requirement if, in the five years prior to issuance of the Request for Proposal or notice of owner selection (for projects selected based on a prior competition or without competition), the unit received one of the forms of HUD assistance or was under a federal rent restriction as described in g.6 and g.7, below.
6. The following specifies the number of contract units (if any) that received one of the following forms of HUD assistance:
 - Public Housing or Operating Funds;
 - Project-Based Rental Assistance (including Mod Rehab and Mod Rehab Single-Room Occupancy);
 - Housing for the Elderly (Section 202 or the Housing Act of 1959);
 - Housing for Persons with Disabilities (Section 811 of the Cranston-Gonzalez Affordable Housing Act);

(1) An amount determined by the PHA, not to exceed 110 percent of the applicable fair market rent (or any exception payment standard approved by the Secretary) for the unit bedroom size minus any utility allowance; (2) The reasonable rent; or (3) The rent requested by the owner.

(c) Rent to owner for certain tax credit units. (1) This paragraph (c) applies if: (i) A contract unit receives a low-income housing tax credit under the Internal Revenue Code of 1986 (see 26 U.S.C. 42); (ii) The contract unit is not located in a qualified census tract; (iii) In the same building, there are comparable tax credit units of the same unit bedroom size as the contract unit and the comparable tax credit units do not have any form of rental assistance other than the tax credit; and (iv) The tax credit rent exceeds the applicable fair market rental (or any exception payment standard) as determined in accordance with paragraph (b) of this section. (2) In the case of a contract unit described in paragraph (c)(1) of this section, the rent to owner must not exceed the lowest of: (i) The tax credit rent minus any utility allowance; (ii) The reasonable rent; or (iii) The rent requested by the owner.

(3) The "tax credit rent" is the rent charged for comparable units of the same bedroom size in the building that also receive the low-income housing tax credit but do not have any additional rental assistance (e.g., additional assistance such as tenant-based voucher assistance). (4) A "qualified census tract" is any census tract (or equivalent geographic area defined by the Bureau of the Census) in which: (i) At least 50 percent of households have an income of less than 60 percent of Area Median Gross Income (AMGI); or (ii) Where the poverty rate is at least 25 percent and where the census tract is designated as a qualified census tract by HUD.

(d) Rent to owner for other tax credit units. Except in the case of a tax-credit unit described in paragraph (c)(1) of this section, the rent to owner for all other tax credit units may be determined by the PHA pursuant to paragraph (b) of this section.

(e) *Reasonable rent.* The PHA shall determine the reasonable rent in accordance with § 983.303. The rent to the owner for each contract unit may at no time exceed the reasonable rent, except in cases where, the PHA has elected within the HAP contract not to reduce rents below the initial rent to owner and, upon redetermination of the rent to owner, the reasonable rent would result in a rent below the initial rent. If the PHA has not elected within the HAP contract to establish the initial rent to owner as the rent floor, the rent to owner shall not at any time exceed the reasonable rent.

(ii) *Redetermination of rent to owner.* When redetermining the rent to owner, the PHA shall use the most recently published FMR and the PHA utility allowance schedule in effect at the time of redetermination. At its discretion, the PHA may use the amounts in effect at any time during the 30-day period immediately before the redetermination date.

Note: Sunrise at Bogart is not located within Qualified Census Tract (QCT) 413.02. Therefore, the special rent exception under 24 CFR 983.301(c) does not apply, meaning the rent for PBV units must be determined based on rent reasonableness, rather than automatically aligning with LIHTC rent limits.

24 CFR 983.302 Redetermination of rent to owner.

(a) The PHA must redetermine the rent to owner:

(1) Upon the owner's request; or (2) When there is a 10 percent decrease in the published FMR.

(b) *Rent increase.* (1) The PHA may not make any rent increase other than an increase in the rent to owner as determined pursuant to § 983.301. (Provisions for special adjustments of contract rent pursuant to 42 U.S.C. 1437f(b)(2)(B) do not apply to the voucher program.)

(2) The owner must request an increase in the rent to owner at the annual anniversary of the HAP contract by written notice to the PHA. The length of the required notice period of the owner request for a rent increase at the annual anniversary may be established by the PHA. The request must be submitted in the form and manner required by the PHA.

[Refer to 24 CFR 983.1, 983.2, 982.308(g)(4) The owner must notify the PHA of any changes in the amount of the rent to owner at least sixty days before any such changes go into effect, and any such changes shall be subject to rent reasonableness requirements.]

(3) The PHA may not approve, and the owner may not receive any increase of rent to owner until and unless the owner has complied with all requirements of the HAP contract, including compliance with the HQS. The owner may not receive any retroactive increase of rent for any period of noncompliance.

(c) *Rent decrease.* (1) If there is a decrease in the rent to owner, as established in accordance with § 983.301, the rent to owner must be decreased, regardless of whether the owner requested a rent adjustment. (2) If the PHA has elected within the HAP contract to not reduce rents below the initial rent to owner, the rent to owner shall not be reduced below the initial rent to owner for dwelling units under the initial HAP contract, except: (i) To correct errors in calculations in accordance with HUD requirements; (ii) If additional housing assistance has been combined with PBV assistance after the execution of the initial HAP contract and a rent decrease is required pursuant to § 983.55; or (iii) If a decrease in rent to owner is required based on changes in the allocation of responsibility for utilities between the owner and the tenant.

(d) *Notice of rent redetermination.* Rent to owner is redetermined by written notice by the PHA to the owner specifying the amount of the redetermined rent (as determined in accordance with 24 CFR 983.301 and 983.302). The PHA notice of the rent adjustment constitutes an amendment of the rent to owner specified in the HAP contract.

(e) *Contract year and annual anniversary of the HAP contract.* (1) The contract year is the period of 12 calendar months preceding each annual anniversary of the HAP contract during the HAP contract term. The initial contract year is calculated from the first day of the first calendar month of the HAP contract term. (2) The annual anniversary of the HAP contract is the first day of the first calendar month after the end of the preceding contract year. The adjusted rent to owner amount applies for the period of 12 calendar months from the annual anniversary of the HAP contract.

(3) See § 983.207(c) for information on the annual anniversary of the HAP contract for contract units completed in stages.

24 CFR 983.207(c) Staged completion of contract units. Even if contract units are placed under the HAP contract in stages commencing on different dates, there is a single annual anniversary for all contract units under the HAP contract. The annual anniversary for all contract units is the annual anniversary date for the first contract units placed under the HAP contract. The expiration of the HAP contract for all the contract units completed in stages must be concurrent with the end of the HAP contract term for the units originally placed under HAP contract.

the HUD HQS from the owner.

- c. The PHA must make housing assistance payments to the owner in accordance with the HAP contract for contract units leased and occupied by eligible families during the HAP contract term. HUD provides funds to the PHA to make housing assistance payments to owners for eligible families.

4. RENT TO OWNER; HOUSING ASSISTANCE PAYMENTS

a. Amount of initial rent to owner

The initial rent to owner for each contract unit is stated in Exhibit A, which is attached to and made a part of the HAP contract. At the beginning of the HAP contract term, and until rent to owner is adjusted in accordance with section 5 of the HAP contract, the rent to owner for each bedroom size (number of bedrooms) shall be the initial rent to owner amount listed in Exhibit A.

Place a check mark here if the PHA has elected not to reduce rents below the initial rent to owner.

b. HUD rent requirements

Notwithstanding any other provision of the HAP contract, the rent to owner may in no event exceed the amount authorized in accordance with HUD requirements. The PHA has the right to reduce the rent to owner, at any time, to correct any errors in establishing or adjusting the rent to owner in accordance with HUD requirements. The PHA may recover any overpayment from the owner.

c. PHA payment to owner

1. Each month the PHA must make a housing assistance payment to the owner for a unit under lease to and occupied by an eligible family in accordance with the HAP contract.
2. The monthly housing assistance payment to the owner for a contract unit is equal to the amount by which the rent to owner exceeds the tenant rent.
3. Payment of the tenant rent is the responsibility of the family. The PHA is not responsible for paying any part of the tenant rent, or for paying any other claim by the owner against a family. The PHA is responsible only for making housing assistance payments to the

owner on behalf of a family in accordance with the HAP contract.

4. The owner will be paid the housing assistance payment under the HAP contract on or about the first day of the month for which payment is due, unless the owner and the PHA agree on a later date.
5. To receive housing assistance payments in accordance with the HAP contract, the owner must comply with all the provisions of the HAP contract. Unless the owner complies with all the provisions of the HAP contract, the owner does not have a right to receive housing assistance payments.
6. If the PHA determines that the owner is not entitled to the payment or any part of it, the PHA, in addition to other remedies, may deduct the amount of the overpayment from any amounts due the owner, including amounts due under any other housing assistance payments contract.
7. The owner will notify the PHA promptly of any change of circumstances that would affect the amount of the monthly housing assistance payment, and will return any payment that does not conform to the changed circumstances.

d. Termination of assistance for family

The PHA may terminate housing assistance for a family under the HAP contract in accordance with HUD requirements. The PHA must notify the owner in writing of its decision to terminate housing assistance for the family in such case.

5. ADJUSTMENT OF RENT TO OWNER

a. PHA determination of adjusted rent

1. At each annual anniversary during the term of the HAP contract, the PHA shall adjust the amount of rent to owner, upon request to the PHA by the owner, in accordance with law and HUD requirements. In addition, the PHA shall adjust the rent to owner when there is a ten percent decrease in the published, applicable Fair Market Rent in accordance with 24 CFR 983.302. However, if the PHA has elected within the HAP contract not to reduce rents

below the initial rent to owner, the rent to owner shall not be reduced below the initial rent to owner except in those cases described in 24 CFR 983.302(c)(2).

2. The adjustment of rent to owner shall always be determined in accordance with all HUD requirements. The amount of the rent to owner may be adjusted up or down, in the amount defined by the PHA in accordance with HUD requirements.

b. Reasonable rent

The rent to owner for each contract unit, as adjusted by the PHA in accordance with 24 CFR 983.303, may at no time exceed the reasonable rent charged for comparable units in the private unassisted market, except in cases where the PHA has elected within the HAP contract not to reduce rents below the initial rent to owner. The reasonable rent shall be determined by the PHA in accordance with HUD requirements.

c. No special adjustments

The PHA will not make any special adjustments of the rent to owner.

d. Owner compliance with HAP contract

The PHA shall not approve, and the owner shall not receive, any increase of rent to owner unless all contract units are in accordance with the HQS, and the owner has complied with the terms of the assisted leases and the HAP contract.

e. Notice of rent adjustment

Rent to owner shall be adjusted by written notice by the PHA to the owner in accordance with this section. Such notice constitutes an amendment of the rents specified in Exhibit A.

6. OWNER RESPONSIBILITY

The owner is responsible for:

- a. Performing all management and rental functions for the contract units.
- b. Maintaining the units in accordance with HQS.
- c. Complying with equal opportunity requirements.

- d. Enforcing tenant obligations under the lease.
- e. Paying for utilities and housing services (unless paid by the family under the lease).
- f. Collecting from the tenant:
 - 1. Any security deposit;
 - 2. The tenant rent; and
 - 3. Any charge for unit damage by the family.

7. OWNER CERTIFICATION

The owner certifies that at all times during the term of the HAP contract:

- a. All contract units are in good and tenantable condition. The owner is maintaining the premises and all contract units in accordance with the HQS.
- b. The owner is providing all the services, maintenance and utilities as agreed to under the HAP contract and the leases with assisted families.
- c. Each contract unit for which the owner is receiving housing assistance payments is leased to an eligible family referred by the PHA, and the lease is in accordance with the HAP contract and HUD requirements.
- d. To the best of the owner's knowledge, the members of the family reside in each contract unit for which the owner is receiving housing assistance payments, and the unit is the family's only residence.
- e. The owner (including a principal or other interested party) is not the parent, child, grandparent, grandchild, sister, or brother of any member of a family residing in a contract unit unless the PHA has determined that approving leasing of the unit would provide a reasonable accommodation for a family member who is a person with disabilities.
- f. The amount of the housing assistance payment is the correct amount due under the HAP contract.
- g. The rent to owner for each contract unit does not exceed rents charged by the owner for other comparable unassisted units.
- h. Except for the housing assistance payment and the tenant rent as provided

under the HAP contract, the owner has not received and will not receive any payments or other consideration (from the family, the PHA, HUD, or any other public or private source) for rental of the contract unit.

- i. The family does not own, or have any interest in the contract unit. If the owner is a cooperative, the family may be a member of the cooperative.

8. CONDITION OF UNITS

a. Owner maintenance and operation

The owner must maintain and operate the contract units and premises to provide decent, safe and sanitary housing in accordance with the HQS, including performance of ordinary and extraordinary maintenance. The owner must provide all the services, maintenance and utilities set forth in Exhibits B and C, and in the lease with each assisted family.

b. PHA inspections

1. The PHA must inspect each contract unit before execution of the HAP contract. The PHA may not enter into a HAP contract covering a unit until the unit fully complies with the HQS.
2. Before providing assistance to a new family in a contract unit, the PHA must inspect the unit. The PHA may not provide assistance on behalf of the family until the unit fully complies with the HQS.
3. At least biennially during the term of the HAP contract, the PHA must inspect a random sample, consisting of at least 20 percent of the contract units in each building, to determine if the contract units and the premises are maintained in accordance with the HQS. Turnover inspections pursuant to paragraph 2 of this section are not counted toward meeting this biennial inspection requirement.
4. If more than 20 percent of the sample of inspected contract units in a building fail the initial inspection, the PHA must reinspect 100 percent of the contract units in the building.
5. The PHA must inspect contract units whenever needed to determine that the contract units comply with the HQS and that the owner is providing maintenance, utilities, and other services in accordance with the HAP contract. The PHA must take into account complaints and any other information that comes to its attention in scheduling inspections.

c. Violation of the housing quality standards

1. If the PHA determines a contract unit is not in accordance with the HQS, the PHA may exercise any of its remedies under the HAP contract for all or any contract units. Such remedies include termination, suspension or reduction of housing assistance payments, and termination of the HAP contract.
2. The PHA may exercise any such contractual remedy respecting a contract unit even if the family continues to occupy the unit.
3. The PHA shall not make any housing assistance for a dwelling unit that fails to meet the HQS, unless the owner corrects the defect within the period specified by the PHA and the PHA verifies the correction. If a defect is life threatening, the owner must correct the defect within no more than 24 hours. For other defects, the owner must correct the defect within no more than 30 calendar days (or any PHA-approved extension).

d. Maintenance and replacement—owner's standard practice

Maintenance and replacement (including redecoration) must be in accordance with the standard practice for the building concerned as established by the owner.

9. LEASING CONTRACT UNITS

a. Selection of tenants

1. During the term of the HAP contract, the owner must lease all contract units to eligible families selected and referred by the PHA from the PHA waiting list. (See 24 CFR 983.251.)
2. The owner is responsible for adopting written tenant selection procedures that are consistent with the purpose of improving housing opportunities for very low-income families and reasonably related to program eligibility and an applicant's ability to perform the lease obligations.
3. Consistent with HUD requirements, and Federal civil rights and fair housing requirements, the owner may apply its own nondiscriminatory tenant selection procedures in determining whether to admit a family referred by the PHA for occupancy of a

contract unit. The owner may refer families to the PHA for placement on the PBV waiting list.

4. The owner must promptly notify in writing any rejected applicant of the grounds for rejection.
5. The PHA must determine family eligibility in accordance with HUD requirements.
6. The contract unit leased to each family must be appropriate for the size of the family under the PHA's subsidy standards.
7. If a contract unit was occupied by an eligible family at the time the unit was selected by the PHA, or is so occupied on the effective date of the HAP contract, the owner must offer the family the opportunity to lease the same or another appropriately-sized contract unit with assistance under the HAP contract.
8. The owner is responsible for screening and selecting tenants from the families referred by the PHA from its waiting list.

b. Vacancies

1. The owner must promptly notify the PHA of any vacancy in a contract unit. After receiving the owner notice, the PHA shall make every reasonable effort to refer a sufficient number of families for owner to fill the vacancy..
2. The owner must rent vacant contract units to eligible families on the PHA waiting list referred by the PHA.
3. The PHA and the owner must make reasonable, good faith efforts to minimize the likelihood and length of any vacancy.
4. If any contract units have been vacant for a period of 120 or more days since owner notice of vacancy (and notwithstanding the reasonable good faith efforts of the PHA to fill such vacancies), the PHA may give notice to the owner amending the HAP contract to reduce the number of contract units by subtracting the number of contract units (by number of bedrooms) that have been vacant for such period.

10. TENANCY

a. Lease

The lease between the owner and each assisted family must be in accordance with HUD requirements. In all cases, the lease must include the HUD-required tenancy addendum. The tenancy addendum must include, word-for-word, all provisions required by HUD.

b. Termination of tenancy

1. The owner may only terminate the tenancy in accordance with the lease and HUD requirements.
2. The owner must give the PHA a copy of any owner eviction notice to the tenant at the same time that the owner gives notice to the tenant. Owner eviction notice means a notice to vacate, or a complaint or other initial pleading used to commence an eviction action under State or local law.

c. Family payment

1. The portion of the monthly rent to owner payable by the family (“tenant rent”) will be determined by the PHA in accordance with HUD requirements. The amount of the tenant rent is subject to change during the term of the HAP contract. Any changes in the amount of the tenant rent will be effective on the date stated in a notice by the PHA to the family and the owner.
2. The amount of the tenant rent as determined by the PHA is the maximum amount the owner may charge the family for rent of a contract unit, including all housing services, maintenance and utilities to be provided by the owner in accordance with the HAP contract and the lease.
3. The owner may not demand or accept any rent payment from the tenant in excess of the tenant rent as determined by the PHA. The owner must immediately return any excess rent payment to the tenant.
4. The family is not responsible for payment of the portion of the contract rent covered by the housing assistance payment under the HAP contract. The owner may not terminate the tenancy of an

assisted family for nonpayment of the PHA housing assistance payment.

5. The PHA is responsible only for making the housing assistance payments to the owner on behalf of the family in accordance with the HAP contract. The PHA is not responsible for paying the tenant rent, or any other claim by the owner.

d. Other owner charges

1. Except as provided in paragraph 2, the owner may not require the tenant or family members to pay charges for meals or supportive services. Nonpayment of such charges is not grounds for termination of tenancy.
2. In assisted living developments receiving project-based voucher assistance, owners may charge tenants, family members, or both for meals or supportive services. These charges may not be included in the rent to owner, nor may the value of meals and supportive services be included in the calculation of reasonable rent. Non-payment of such charges is grounds for termination of the lease by the owner in an assisted living development.
3. The owner may not charge the tenant or family members extra amounts for items customarily included in rent in the locality or provided at no additional cost to the unsubsidized tenant in the premises.

e. Security deposit

1. The owner may collect a security deposit from the family.
2. The owner must comply with HUD and PHA requirements, which may change from time to time, regarding security deposits from a tenant.
3. The PHA may prohibit security deposits in excess of private market practice, or in excess of amounts charged by the owner to unassisted families.
4. When the family moves out of the contract unit, the owner, subject to State and local law, may use the security deposit, including any interest on the deposit, in accordance with the lease, as reimbursement for any unpaid tenant rent, damages to the unit or

other amounts which the family owes under the lease. The owner must give the family a written list of all items charged against the security deposit and the amount of each item. After deducting the amount used as reimbursement to the owner, the owner must promptly refund the full amount of the balance to the family.

5. If the security deposit is not sufficient to cover amounts the family owes under the lease, the owner may seek to collect the balance from the family. However, the PHA has no liability or responsibility for payment of any amount owed by the family to the owner.

11. FAMILY RIGHT TO MOVE

- a. The family may terminate its lease at any time after the first year of occupancy. The family must give the owner advance written notice of intent to vacate (with a copy to the PHA) in accordance with the lease. If the family has elected to terminate the lease in this manner, the PHA must offer the family the opportunity for tenant-based rental assistance in accordance with HUD requirements.
- b. Before providing notice to terminate the lease under paragraph a, the family must first contact the PHA to request tenant-based rental assistance if the family wishes to move with continued assistance. If tenant-based rental assistance is not immediately available upon lease termination, the PHA shall give the family priority to receive the next available opportunity for tenant-based rental assistance.

12. OVERCROWDED, UNDER-OCCUPIED, AND ACCESSIBLE UNITS

The PHA subsidy standards determine the appropriate unit size for the family size and composition. The PHA and owner must comply with the requirements in 24 CFR 983.260. If the PHA determines that a family is occupying a wrong-size unit, or a unit with accessibility features that the family does not require, and the unit is needed by a family that requires the accessibility features, the PHA must promptly notify the family and the owner of this determination, and of the PHA's offer of continued assistance in another unit. 24 CFR 983.260(a).

13. PROHIBITION OF DISCRIMINATION

- a. The owner may not refuse to lease contract units to, or otherwise discriminate against any person or family in leasing of a contract unit, because of race, color, religion, sex (including sexual orientation and gender identity), national origin, disability, age or familial status.

- b. Part B of the Tenancy Addendum

1. Section 8 Project-Based Voucher (PBV) Program

- a. The owner is leasing the contract unit to the tenant for occupancy by the tenant's family with assistance for a tenancy under the Section 8 PBV program of the United States Department of Housing and Urban Development (HUD).
- b. The owner has entered into a Housing Assistance Payments Contract (HAP contract) with the public housing agency (PHA) under the PBV program. Under the HAP contract, the PHA will make housing assistance payments to the owner to assist the tenant in leasing the unit from the owner.

2. Lease

- a. The owner has given the PHA a copy of the lease, including any revisions agreed to by the owner and the tenant. The owner certifies that the terms of the lease are in accordance with HUD requirements and the lease includes the tenancy addendum.
- b. The tenant shall have the right to enforce the tenancy addendum against the owner. If there is any conflict between the tenancy addendum and any other provisions of the lease, the language of the tenancy addendum shall control.

3. Use of Contract Unit

- a. During the lease term, the family will reside in the contract unit with assistance under the PBV program.
- b. The composition of the household must be approved by the PHA. The family must promptly inform the PHA of the birth, adoption or court-awarded custody of a child. Other persons may not be added to the household without prior written approval of the owner and the PHA.
- c. The contract unit may be used for residence only by the PHA-approved household members. The unit must be the family's only residence. Members of the household may engage in legal profit-making activities incidental to primary use of the unit for residence by members of the family.
- d. The tenant may not sublease or let the unit.
- e. The tenant may not assign the lease or transfer the unit.

4. Rent to Owner

- a. The initial and redetermined rent to owner are established in accordance with HUD requirements.
- b. During the term of the lease (including the initial term of the lease and any extension term), the rent to owner may at no time exceed:
 - (1) The reasonable rent for the unit as most recently determined or redetermined by the PHA in accordance with HUD requirements, or
 - (2) Rent charged by the owner for comparable unassisted units in the premises.

5. Family Payment to Owner

- a. The tenant rent is the portion of the monthly rent to owner paid by the family. The PHA determines the tenant rent in accordance with HUD requirements. Any changes in the amount of the tenant rent will be effective on the date stated in a notice by the PHA to the family and the owner.
- b. Each month, the PHA will make a housing assistance payment to the owner on behalf of the family in accordance with the HAP contract. The amount of the monthly housing assistance payment will be determined by the PHA in accordance with HUD requirements for a tenancy under the Section 8 PBV program.
- c. The monthly housing assistance payment shall be credited against the monthly rent to owner for the contract unit.
- d. The tenant is not responsible for paying the portion of rent to owner covered by the PHA housing assistance payment under the HAP contract between the owner and the PHA. A PHA failure to pay the housing assistance payment to the owner is not a violation of the lease. The owner may not terminate the tenancy for nonpayment of the PHA housing assistance payment.
- e. The owner may not charge or accept, from the family or from any other source, any payment for rent of the unit in addition to the rent to owner. The rent to owner includes all housing services, maintenance, utilities and appliances to be provided and paid by the owner in accordance with the lease. The rent to owner does not include charges for non-housing services such as food, furniture or supportive services provided by the owner.
- f. The owner must immediately return any excess rent payment to the tenant.

6. Other Fees and Charges

- a. With the exception of families receiving PBV assistance in assisted living developments (see paragraph b. below), the owner may not require the tenant or family members to pay charges for any meals or supportive services which may be provided by the owner. Nonpayment of any such charges is not grounds for termination of tenancy.
- b. In assisted living developments receiving project-based assistance, the owner may charge tenants, family members, or both for meals or supportive services. Any such charges must be specified in the lease. These charges may not be included in the rent to owner, nor may the value of meals and supportive services be included in the calculation of the reasonable rent. Non-payment of such charges is grounds for termination of the lease by the owner in assisted living developments.
- c. The owner may not charge the tenant extra amounts for items customarily included in rent to owner in the locality, or provided at no additional cost to unsubsidized tenants in the premises.

7. Maintenance, Utilities, and Other Services

- c. Family Damage. The owner is not responsible for a breach of the HQS because of damages beyond normal wear and tear caused by any member of the household or by a guest.

 - (c) Any violent criminal activity on or near the premises; or
 - (d) Any drug-related criminal activity on or near the premises.
 - (2) The owner may terminate the tenancy during the term of the lease if any member of the household is:

 - (b) Violating a condition of probation or parole under Federal or State law.
 - (3) The owner may terminate the tenancy for criminal activity by a household member in accordance with this section if the owner determines that the household member has committed the criminal activity, regardless of whether the household member has been arrested or convicted for such activity.

(c) Living or housekeeping habits that cause damage to the unit or premises.

(3) After the initial lease term, such good cause includes the tenant's failure to accept the owner's offer of a new lease or revision.

e. Automatic Renewal of the Lease

Although the lease automatically renews (for successive definite terms or for an indefinite extension of the term, as provided for in the lease), an owner may terminate the lease for good cause.

f. Protections for Victims of Domestic Violence, Dating Violence, Sexual Assault, or Stalking.

(1) Purpose: This section incorporates the protections for victims of domestic violence, dating violence, sexual assault, or stalking in accordance with subtitle N of the Violence Against Women Act of 1994, as amended (codified as amended at 42 U.S.C. 14043e et seq.) (a) The landlord or the PHA will not deny admission to, deny assistance under, terminate from participation in, or evict the tenant on the basis of or as a direct result of the fact that the tenant is or has been a victim of domestic violence, dating violence, sexual assault, or stalking, if the tenant otherwise qualifies for admission, assistance, participation, or occupancy. 24 CFR 5.2005(b)(1).

(b) The tenant shall not be denied tenancy or occupancy rights solely on the basis of criminal activity engaged in by a member of the tenant's household or any guest or other person under the tenant's control, if the criminal activity is directly related to domestic violence, dating violence, sexual assault, or stalking, and the tenant or an affiliated individual of the tenant is the victim or the threatened victim of domestic violence, dating violence, sexual assault, or stalking. 24 CFR 5.2005(b)(2).

(c) An incident or incidents of actual or threatened domestic violence, dating violence, sexual assault, or stalking will not be construed as serious or repeated violations of the lease by the victim or threatened victim of the incident. Nor shall such incident or incidents be construed as other "good cause" for termination of the lease, tenancy, or occupancy rights of such a victim or threatened victim. 24 CFR 5.2005(c)(1) and (c)(2).

(7) Compliance with Court Orders: Nothing in this Addendum will limit the authority of the landlord, when notified by a court order, to comply with the court order with respect to the rights of access or control of property (including civil protection orders issued to protect a victim of domestic violence, dating violence, sexual assault, or stalking) or with respect to the distribution or possession of property among members of the tenant's household. 24 CFR 5.2005(d)(1).

(8) Violations Not Premised on Domestic Violence, Dating Violence, Sexual Assault, or Stalking: Nothing in this section shall be construed to limit any otherwise available authority of the landlord to evict or the public housing authority to terminate the assistance of a tenant for any violation not premised on an act of domestic violence, dating violence, sexual assault, or stalking that is in question against the tenant or an affiliated individual of the tenant. However, the landlord or the PHA will not subject the tenant, who is or has been a victim of domestic violence, dating violence, sexual assault, or stalking, to a more demanding standard than other tenants in determining whether to evict or terminate assistance. 24 CFR 5.2005(d)(2).

(9) Actual and Imminent Threats:

(a) Nothing in this section will be construed to limit the authority of the landlord to evict the tenant if the landlord can demonstrate that an "actual and imminent threat" to other tenants or those employed at or providing service to the property would be present if the tenant or lawful occupant is not evicted. In this context, words, gestures, actions, or other indicators will be construed as an actual and imminent threat if they meet the following standards for an actual and imminent threat: "Actual and imminent threat" refers to a physical danger that is real, would occur within an immediate time frame, and could result in death or serious bodily harm. In determining whether an individual would pose an actual and imminent threat, the factors to be considered include: the duration of the risk, the nature and severity of the potential harm, the likelihood that the potential harm will occur, and the length of time before the potential harm would occur. 24 CFR 5.2005(d)(3).

(b) If an actual and imminent threat is demonstrated, eviction should be used only when there are no other actions that could be taken to reduce or eliminate the threat, including, but not limited to, transferring the victim to a different unit, barring the perpetrator from the property, contacting law enforcement to increase police presence, developing other plans to keep the property safe, or seeking other legal remedies to prevent the perpetrator from acting on a threat. Restrictions predicated on public safety cannot be based on stereotypes, but must be tailored to particularized concerns about individual residents. 24 CFR 5.2005(d)(4).

(10) Emergency Transfer: A tenant who is a victim of domestic violence, dating violence, sexual assault, or stalking may request an emergency transfer in accordance with the PHA's emergency transfer plan. 24 CFR 5.2005(e). The PHA's emergency transfer plan, which must be made available upon request, must:

(a) Incorporate strict confidentiality measures to ensure that the PHA does not disclose a tenant's dwelling unit location to a person who committed or threatened to commit an act of domestic violence, dating violence, sexual assault, or stalking against the tenant;

(b) Give the victim priority to receive the next available opportunity for continued tenant-based rental assistance if they have been living in the PBV unit for one year or more. 24 CFR 983.261;

(c) Describe policies or efforts a PHA will take when the victim has been living in a unit for less than one year, or the victim seeks to move sooner than a tenant-based voucher will be available.

(d) For transfers in which the tenant would not be considered a new applicant, the PHA must ensure that a request for an emergency transfer receives, at a minimum, any applicable additional priority that is already provided to other types of emergency transfer requests. For transfers in which the tenant would be considered a new applicant, the plan must include policies for assisting a tenant with this transfer.

(11) Bifurcation: Subject to any lease termination requirements or procedures prescribed by Federal, State, or local law, if any member of the tenant's household engages in criminal activity directly relating to domestic violence, dating violence, sexual assault, or stalking, the landlord may "bifurcate" the lease, or remove that household member from the lease, without regard to whether that household member is a signatory to the lease, in order to evict, remove, or terminate the occupancy rights of that household member without evicting, removing, or otherwise penalizing the victim of the criminal activity who is also a tenant or lawful occupant. Such eviction, removal, termination of occupancy rights, or termination of assistance shall be effected in accordance with the procedures prescribed by Federal, State, and local law for the termination of leases or assistance under the Housing Choice Voucher program. 24 CFR 5.2009(a). If the Landlord bifurcates the Lease to evict, remove, or terminate assistance to a household member, and that household member is the sole tenant eligible to receive assistance, the landlord shall provide any remaining tenants or residents a period of 30 calendar days from the date of bifurcation of the lease to:

(a) Establish eligibility for the same covered housing program under which the evicted or terminated tenant was the recipient of assistance at the time of bifurcation of the lease;

(b) Establish eligibility under another covered housing program; or;

(c) Find alternative housing.

(12) Family Break-up: If the family break-up results from an occurrence of domestic violence, dating violence, sexual assault, or stalking, the PHA may offer the victim the opportunity for continued tenant-based rental assistance.

(13) Move with Continued Assistance: The public housing agency may not terminate assistance to a family or member of the family that moves out of a unit in violation of the lease, with or without prior notification to the public housing agency, if:

(a) The move was needed to protect the health or safety of the family or family member who is or has been a victim of domestic violence, dating violence, sexual assault, or stalking; and

(b) The family or member of the family reasonably believes that he or she was threatened with imminent harm from further violence if he or she remained in the dwelling unit. However, any family member that has been the victim of a sexual assault that occurred on the premises during the 90-calendar day period preceding the family's move or request to move is not required to believe that he or she was threatened with imminent harm from further violence if he or she remained in the dwelling unit. 24 CFR 983.261.

(14) Confidentiality:

(a) The Landlord shall maintain in strict confidence any information the Tenant (or someone acting on behalf of the Tenant) submits to the Landlord concerning incidents of domestic violence, dating violence, sexual assault or stalking, including the fact that the tenant is a victim of domestic violence, dating violence, sexual assault, or stalking.

(b) The Landlord shall not allow any individual administering assistance on its behalf, or any persons within its employ, to have access to confidential information unless explicitly authorized by the Landlord for reasons that specifically call for these individuals to have access to the information pursuant to applicable Federal, State, or local law.

(c) The Landlord shall not enter confidential information into any shared database or disclose such information to any other entity or individual, except to the extent that the disclosure is requested or consented to in writing by the individual in a time-limited release; required for use in an eviction proceeding; or is required by applicable law.

g. Eviction by Court Action. The owner may evict the tenant only by a court action.

h. Owner Notice of Grounds

(1) At or before the beginning of a court action to evict the tenant, the owner must give the tenant a notice that specifies the grounds for termination of tenancy. The notice may be included in or combined with any owner eviction notice.

(2) The owner must give the PHA a copy of any owner eviction notice at the same time the owner notifies the tenant.

(3) Eviction notice means a notice to vacate, or a complaint or other initial pleading used to begin an eviction action under State or local law.

9. PHA Termination of Assistance

The PHA may terminate program assistance for the family for any grounds authorized in accordance with HUD requirements. If the PHA terminates program assistance for the family, the lease terminates automatically.

10. Lease: Relation to HAP Contract

If the HAP contract terminates for any reason, the lease terminates automatically.

Upon termination or expiration of the HAP contract without extension, each family assisted under the contract may elect to use its assistance to remain in the same project if the family's unit complies with the inspection requirements, the rent for the unit is reasonable, and the family pays its required share of the rent and the amount, if any, by which the unit rent (including the amount for tenant-based utilities) exceeds the applicable payment standard.

11. Family Right to Move

a. The family may terminate its lease at any time after the first year of occupancy. The family must give the owner advance written notice of intent to vacate (with a copy to the PHA) in accordance with the lease. If the family has elected to terminate the lease in this manner, the PHA must offer the family the opportunity for tenant-based rental assistance in accordance with HUD requirements.

- b. Before providing notice to terminate the lease under paragraph a, the family must first contact the PHA to request tenant-based rental assistance if the family wishes to move with continued assistance. If tenant-based rental assistance is not immediately available upon lease termination, the PHA shall give the family priority to receive the next available opportunity for tenant-based rental assistance.

12. Security Deposit

- a. The owner may collect a security deposit from the tenant. (However, the PHA may prohibit the owner from collecting a security deposit in excess of private market practice, or in excess of amounts charged by the owner to unassisted tenants.)
- b. When the family moves out of the contract unit, the owner, subject to State and local law, may use the security deposit, including any interest on the deposit, as reimbursement for any unpaid rent payable by the tenant, any damages to the unit or any other amounts that the tenant owes under the lease.
- c. The owner must give the tenant a list of all items charged against the security deposit, and the amount of each item. After deducting the amount, if any, used to reimburse the owner, the owner must promptly refund the full amount of the unused balance to the tenant.
- d. If the security deposit is not sufficient to cover amounts the tenant owes under the lease, the owner may collect the balance from the tenant.

13. Prohibition of Discrimination

In accordance with applicable equal opportunity statutes, Executive Orders, and regulations, the owner must not discriminate against any person because of race, color, religion, sex, national origin, age, familial status, or disability in connection with the lease. Eligibility for HUD's programs must be made without regard to actual or perceived sexual orientation, gender identity, or marital status.

14. Conflict with Other Provisions of Lease

- a. The terms of the tenancy addendum are prescribed by HUD in accordance with Federal law and regulation, as a condition for Federal assistance to the tenant and tenant's family under the Section 8 PBV program.
- b. In case of any conflict between the provisions of the tenancy addendum as required by HUD, and any other provisions of the lease or any other agreement between the owner and the tenant, the requirements of the HUD-required tenancy addendum shall control.

15. Changes in Lease and Rent

- a. The tenant and the owner may not make any change in the tenancy addendum. However, if the tenant and the owner agree to any other changes in the lease, such changes must be in writing, and the owner must immediately give the PHA a copy of such changes. The lease, including any changes, must be in accordance with the requirements of the tenancy addendum.
- b. The owner must notify the PHA in advance of any proposed change in lease requirements governing the allocation of tenant and owner responsibilities for utilities. Such changes may be made only if approved by the PHA and if in accordance with the terms of the lease relating to its amendment. The PHA must redetermine reasonable rent in accordance with HUD requirements, based on any changes in the allocation of responsibility for utilities between the owner and tenant, and the redetermined reasonable rent shall be used in the calculation of the rent to owner from the effective date of the change.

16. Written Notices

Any notice under the lease by the tenant to the owner or by the owner to the tenant must be in writing.

d. **Single-Stage and Multi-Stage Contracts (place a check mark in front of the applicable project description).**

Single-Stage Project

This is a single-stage project. For all contract units, the effective date of the HAP contract is:

_____.

Multi-Stage Project

This is a multi-stage project. The units in each completed stage are designated in Exhibit A.

The PHA enters the effective date for each stage after completion and PHA acceptance of all units in that stage. The PHA enters the effective date for each stage in the "Execution of HAP contract for contract units completed and accepted in stages" (starting on page 9).

The annual anniversary date of the HAP contract for all contract units in this multi-stage project is the anniversary of the effective date of the HAP contract for the contract units included in the first stage. The expiration date of the HAP contract for all of the contract units completed in stages must be concurrent with the end of the HAP contract term for the units included in the first stage (see 24 CFR 983.207(c)).

e. Term of the HAP contract

1. Beginning of term

The PHA may not enter into a HAP contract for any contract unit until the PHA (or an independent entity, as applicable) has determined that the unit meets PBV inspection requirements. The term of the HAP contract for any unit begins on the effective date of the HAP contract.

2. Length of initial term

a. Subject to paragraph 2.b, the initial term of the HAP contract for any contract units is:

20 years.

b. The initial term of the HAP contract for any unit may not be less than one year, nor more than twenty years.

3. Extension of term

The PHA and owner may agree to enter into an extension of the HAP contract at the time of initial HAP contract execution, or any time prior to expiration of the contract. Any extension, including the term of such extension, must be in accordance with HUD requirements. A PHA must determine that any extension is appropriate to achieve long-term affordability of the housing or expand housing opportunities.

4. Requirement for sufficient appropriated funding

a. The length of the initial term and any extension term shall be subject to availability, as determined by HUD, or by the PHA in accordance with HUD requirements, of sufficient appropriated funding (budget authority), as provided in appropriations acts and in the PHA's annual contributions contract (ACC) with HUD, to make full payment of housing assistance payments due to the

owner for any contract year in accordance with the HAP contract.

- b. The availability of sufficient funding must be determined by HUD or by the PHA in accordance with HUD requirements. If it is determined that there may not be sufficient funding to continue housing assistance payments for all contract units and for the full term of the HAP contract, the PHA has the right to terminate the HAP contract by notice to the owner for all or any of the contract units. Such action by the PHA shall be implemented in accordance with HUD requirements.

f. Occupancy and payment

1. Payment for occupied unit

During the term of the HAP contract, the PHA shall make housing assistance payments to the owner for the months during which a contract unit is leased to and occupied by an eligible family. If an assisted family moves out of a contract unit, the owner may keep the housing assistance payment for the calendar month when the family moves out (“move-out month”). However, the owner may not keep the payment if the PHA determines that the vacancy is the owner’s fault.

2. Vacancy payment

THE PHA HAS DISCRETION WHETHER TO INCLUDE THE VACANCY PAYMENT PROVISION (PARAGRAPH f.2), OR TO STRIKE THIS PROVISION FROM THE HAP CONTRACT FORM.

- a. If an assisted family moves out of a contract unit, the PHA may provide vacancy payments to the owner for a PHA-determined vacancy period extending from the beginning of the first calendar month after the move-out month for a period not exceeding two full months following the move-out month.
- b. The vacancy payment to the owner for each month of the maximum two-month period will be determined by the PHA, and cannot exceed the monthly rent to owner under the assisted lease, minus any portion of the rental payment received by the owner (including amounts available from the tenant’s security deposit). Any vacancy payment may cover only the period the unit remains vacant.

- c. The PHA may make vacancy payments to the owner only if:
 - 1. The owner gives the PHA prompt, written notice certifying that the family has vacated the unit and the date when the family moved out (to the best of the owner's knowledge and belief);
 - 2. The owner certifies that the vacancy is not the fault of the owner and that the unit was vacant during the period for which payment is claimed;
 - 3. The owner certifies that it has taken every reasonable action to minimize the likelihood and length of vacancy; and
 - 4. The owner provides any additional information required and requested by the PHA to verify that the owner is entitled to the vacancy payment.
- d. The PHA must take every reasonable action to minimize the likelihood and length of vacancy.
- e. The owner may refer families to the PHA for placement on the PBV waiting list.
- f. The owner must submit a request for vacancy payments in the form and manner required by the PHA and must provide any information or substantiation required by the PHA to determine the amount of any vacancy payments.

3. PHA is not responsible for family damage or debt to owner

Except as provided in this paragraph f (Occupancy and Payment), the PHA will not make any other payment to the owner under the HAP contract. The PHA will not make any payment to the owner for any damages to the unit, or for any other amounts owed by a family under the family's lease.

g. Income-mixing requirement

- 1. Except as provided in paragraphs g.2 through g.5 below, the PHA will not make housing assistance payments under the HAP contract for more than

the greater of 25 units or 25 percent of the total number of dwelling units (assisted or unassisted) in any project. The term "project" means a single building, multiple contiguous buildings, or multiple buildings on contiguous parcels of land assisted under this HAP contract.

2. The limitation in paragraph g.1 does not apply to single-family buildings.
3. In referring eligible families to the owner for admission to the number of contract units in any project exceeding the 25 unit or 25 percent limitation under paragraph g.1, the PHA shall give preference to the applicable families as listed in g.8 below, for the number of contract units exclusively made available for occupancy by such families. The owner shall rent that number of contract units to such families referred by the PHA from the PHA waiting list.
4. Up to the greater of 25 units or 40 percent of units (instead of the greater of 25 units or 25 percent of units) in a project may be project-based if the project is located in a census tract with a poverty rate of 20 percent or less.
5. Units that were previously subject to certain federal rent restrictions or receiving another type of long-term housing subsidy provided by HUD do not count toward the income-mixing requirement if, in the five years prior to issuance of the Request for Proposal or notice of owner selection (for projects selected based on a prior competition or without competition), the unit received one of the forms of HUD assistance or was under a federal rent restriction as described in g.6 and g.7, below.
6. The following specifies the number of contract units (if any) that received one of the following forms of HUD assistance:
 - Public Housing or Operating Funds;
 - Project-Based Rental Assistance (including Mod Rehab and Mod Rehab Single-Room Occupancy);
 - Housing for the Elderly (Section 202 or the Housing Act of 1959);

24 Code of Federal Regulations (CFR) 983.301 Determining the rent to owner.

(a) *Initial and redetermined rents.* (1) The amount of the initial and redetermined rent to owner is determined in accordance with this section and § 983.302.

(b) *Amount of rent to owner.* Except for certain tax credit units as provided in paragraph (c) of this section, **the rent to owner must not exceed the lowest of:**

(1) An amount determined by the PHA, not to exceed 110 percent of the applicable fair market rent (or any exception payment standard approved by the Secretary) for the unit bedroom size minus any utility allowance; (2) The reasonable rent; or (3) The rent requested by the owner.

(c) *Rent to owner for certain tax credit units.* (1) This paragraph (c) applies if: (i) A contract unit receives a low-income housing tax credit under the Internal Revenue Code of 1986 (see 26 U.S.C. 42); (ii) The contract unit is not located in a qualified census tract; (iii) In the same building, there are comparable tax credit units of the same unit bedroom size as the contract unit and the comparable tax credit units do not have any form of rental assistance other than the tax credit; and (iv) The tax credit rent exceeds the applicable fair market rental (or any exception payment standard) as determined in accordance with paragraph (b) of this section. (2) In the case of a contract unit described in paragraph (c)(1) of this section, the rent to owner must not exceed the lowest of: (i) The tax credit rent minus any utility allowance; (ii) The reasonable rent; or (iii) The rent requested by the owner.

(3) The "tax credit rent" is the rent charged for comparable units of the same bedroom size in the building that also receive the low-income housing tax credit but do not have any additional rental assistance (e.g., additional assistance such as tenant-based voucher assistance). (4) A "qualified census tract" is any census tract (or equivalent geographic area defined by the Bureau of the Census) in which: (i) At least 50 percent of households have an income of less than 60 percent of Area Median Gross Income (AMGI); or (ii) Where the poverty rate is at least 25 percent and where the census tract is designated as a qualified census tract by HUD.

(d) *Rent to owner for other tax credit units.* Except in the case of a tax-credit unit described in paragraph (c)(1) of this section, the rent to owner for all other tax credit units may be determined by the PHA pursuant to paragraph (b) of this section.

(e) *Reasonable rent.* The PHA shall determine the reasonable rent in accordance with § 983.303. The rent to the owner for each contract unit may at no time exceed the reasonable rent, except in cases where, the PHA has elected within the HAP contract not to reduce rents below the initial rent to owner and, upon redetermination of the rent to owner, the reasonable rent would result in a rent below the initial rent. If the PHA has not elected within the HAP contract to establish the initial rent to owner as the rent floor, the rent to owner shall not at any time exceed the reasonable rent.

(ii) *Redetermination of rent to owner.* When redetermining the rent to owner, the PHA shall use the most recently published FMR and the PHA utility allowance schedule in effect at the time of redetermination. At its discretion, the PHA may use the amounts in effect at any time during the 30-day period immediately before the redetermination date.

Note: Sunrise at Bogart is not located within Qualified Census Tract (QCT) 413.02. Therefore, the special rent exception under 24 CFR 983.301(c) does not apply, meaning the rent for PBV units must be determined based on rent reasonableness, rather than automatically aligning with LIHTC rent limits.

24 CFR 983.302 Redetermination of rent to owner.

(a) The PHA must redetermine the rent to owner:

(1) Upon the owner's request; or (2) When there is a 10 percent decrease in the published FMR.

(b) *Rent increase.* (1) The PHA may not make any rent increase other than an increase in the rent to owner as determined pursuant to § 983.301. (Provisions for special adjustments of contract rent pursuant to 42 U.S.C. 1437f(b)(2)(B) do not apply to the voucher program.)

(2) The owner must request an increase in the rent to owner at the annual anniversary of the HAP contract by written notice to the PHA. The length of the required notice period of the owner request for a rent increase at the annual anniversary may be established by the PHA. The request must be submitted in the form and manner required by the PHA.

[Refer to 24 CFR 983.1, 983.2, 982.308(g)(4) The owner must notify the PHA of any changes in the amount of the rent to owner at least sixty days before any such changes go into effect, and any such changes shall be subject to rent reasonableness requirements.]

(3) The PHA may not approve, and the owner may not receive any increase of rent to owner until and unless the owner has complied with all requirements of the HAP contract, including compliance with the HQS. The owner may not receive any retroactive increase of rent for any period of noncompliance.

(c) *Rent decrease.* (1) If there is a decrease in the rent to owner, as established in accordance with § 983.301, the rent to owner must be decreased, regardless of whether the owner requested a rent adjustment. (2) If the PHA has elected within the HAP contract to not reduce rents below the initial rent to owner, the rent to owner shall not be reduced below the initial rent to owner for dwelling units under the initial HAP contract, except: (i) To correct errors in calculations in accordance with HUD requirements; (ii) If additional housing assistance has been combined with PBV assistance after the execution of the initial HAP contract and a rent decrease is required pursuant to § 983.55; or (iii) If a decrease in rent to owner is required based on changes in the allocation of responsibility for utilities between the owner and the tenant.

(d) *Notice of rent redetermination.* Rent to owner is redetermined by written notice by the PHA to the owner specifying the amount of the redetermined rent (as determined in accordance with 24 CFR 983.301 and 983.302). The PHA notice of the rent adjustment constitutes an amendment of the rent to owner specified in the HAP contract.

(e) *Contract year and annual anniversary of the HAP contract.* (1) The contract year is the period of 12 calendar months preceding each annual anniversary of the HAP contract during the HAP contract term. The initial contract year is calculated from the first day of the first calendar month of the HAP contract term. (2) The annual anniversary of the HAP contract is the first day of the first calendar month after the end of the preceding contract year. The adjusted rent to owner amount applies for the period of 12 calendar months from the annual anniversary of the HAP contract.

(3) See § 983.207(c) for information on the annual anniversary of the HAP contract for contract units completed in stages.

24 CFR 983.207(c) Staged completion of contract units. Even if contract units are placed under the HAP contract in stages commencing on different dates, there is a single annual anniversary for all contract units under the HAP contract. The annual anniversary for all contract units is the annual anniversary date for the first contract units placed under the HAP contract. The expiration of the HAP contract for all the contract units completed in stages must be concurrent with the end of the HAP contract term for the units originally placed under HAP contract.

The 2025 Qualified Census Tracts (QCTs) and Difficult Development Areas (DDAs) are effective January 1, 2025. The 2025 QCT designations use tract boundaries from the 2020 Decennial census. The 2025 metro DDAs use ZIP Code Tabulation Area (ZCTA) boundaries from the 2020 Decennial census. The designation methodology is explained in the [Federal Register notice](#) published September 9, 2024.

Dear Mr. Ibarra:

The Housing Authority of the County of Riverside in accordance with Title 24 Code of Federal Regulation (CFR) 983.301 has completed a rent comparability analysis to determine the estimated initial rents for the 23 Project-Based Vouchers that will be utilized for Sunrise at Bogart, Riverside CA. PART 2 OF HAP CONTRACT

OMB Burden Statement. The public reporting burden for this collection of information is estimated to average 1 hour. This form is required to establish terms between a PHA and owner to provide housing assistance. This contract allows a PHA to enter into a HAP contract with the owner to provide housing assistance payments for eligible families. Assurances of confidentiality are not provided under this collection. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions to reduce this burden, to the Office of Public and Indian Housing, U.S. Department of Housing and Urban Development, Washington, DC 20410. Household. The family and any PHA-approved live-in aide.

Housing assistance payment. The monthly assistance payment by the PHA for a contract unit, which includes: (1) a payment to the owner for rent to the owner under the family's lease minus the tenant rent; and (2) an additional payment to or on behalf of the family if the utility allowance exceeds total tenant payment.

Housing quality standards (HQS). The HUD minimum quality standards for dwelling units occupied by families receiving project-based voucher program assistance.

HUD. U.S. Department of Housing and Urban Development.

HUD requirements. HUD requirements which apply to the project-based voucher program. HUD requirements are issued by HUD headquarters, as regulations, Federal Register notices or other binding program directives.

Tenant. The person or persons (other than a live-in aide) who executes the lease as a lessee of the dwelling unit.

Tenant rent. The portion of the rent to owner payable by the family, as determined by the PHA in accordance with HUD requirements. The PHA is not responsible for paying any part of the tenant rent.

3. **PURPOSE**

- a. This is a HAP contract between the PHA and the owner.
 - b. The purpose of the HAP contract is to provide housing assistance payments for eligible families who lease contract units that comply with
-

the HUD HQS from the owner.

- c. The PHA must make housing assistance payments to the owner in accordance with the HAP contract for contract units leased and occupied by eligible families during the HAP contract term. HUD provides funds to the PHA to make housing assistance payments to owners for eligible families.

4. RENT TO OWNER; HOUSING ASSISTANCE PAYMENTS

a. Amount of initial rent to owner

The initial rent to owner for each contract unit is stated in Exhibit A, which is attached to and made a part of the HAP contract. At the beginning of the HAP contract term, and until rent to owner is adjusted in accordance with section 5 of the HAP contract, the rent to owner for each bedroom size (number of bedrooms) shall be the initial rent to owner amount listed in Exhibit A.

Place a check mark here if the PHA has elected not to reduce rents below the initial rent to owner.

b. HUD rent requirements

Notwithstanding any other provision of the HAP contract, the rent to owner may in no event exceed the amount authorized in accordance with HUD requirements. The PHA has the right to reduce the rent to owner, at any time, to correct any errors in establishing or adjusting the rent to owner in accordance with HUD requirements. The PHA may recover any overpayment from the owner.

c. PHA payment to owner

1. Each month the PHA must make a housing assistance payment to the owner for a unit under lease to and occupied by an eligible family in accordance with the HAP contract.
 2. The monthly housing assistance payment to the owner for a contract unit is equal to the amount by which the rent to owner exceeds the tenant rent.
 3. Payment of the tenant rent is the responsibility of the family. The PHA is not responsible for paying any part of the tenant rent, or for paying any other claim by the owner against a family. The PHA is responsible only for making housing assistance payments to the
-

owner on behalf of a family in accordance with the HAP contract.

4. The owner will be paid the housing assistance payment under the HAP contract on or about the first day of the month for which payment is due, unless the owner and the PHA agree on a later date.
5. To receive housing assistance payments in accordance with the HAP contract, the owner must comply with all the provisions of the HAP contract. Unless the owner complies with all the provisions of the HAP contract, the owner does not have a right to receive housing assistance payments.
6. If the PHA determines that the owner is not entitled to the payment or any part of it, the PHA, in addition to other remedies, may deduct the amount of the overpayment from any amounts due the owner, including amounts due under any other housing assistance payments contract.
7. The owner will notify the PHA promptly of any change of circumstances that would affect the amount of the monthly housing assistance payment, and will return any payment that does not conform to the changed circumstances.

d. Termination of assistance for family

The PHA may terminate housing assistance for a family under the HAP contract in accordance with HUD requirements. The PHA must notify the owner in writing of its decision to terminate housing assistance for the family in such case.

5. ADJUSTMENT OF RENT TO OWNER

a. PHA determination of adjusted rent

1. At each annual anniversary during the term of the HAP contract, the PHA shall adjust the amount of rent to owner, upon request to the PHA by the owner, in accordance with law and HUD requirements. In addition, the PHA shall adjust the rent to owner when there is a ten percent decrease in the published, applicable Fair Market Rent in accordance with 24 CFR 983.302. However, if the PHA has elected within the HAP contract not to reduce rents

below the initial rent to owner, the rent to owner shall not be reduced below the initial rent to owner except in those cases described in 24 CFR 983.302(c)(2).

2. The adjustment of rent to owner shall always be determined in accordance with all HUD requirements. The amount of the rent to owner may be adjusted up or down, in the amount defined by the PHA in accordance with HUD requirements.

b. Reasonable rent

The rent to owner for each contract unit, as adjusted by the PHA in accordance with 24 CFR 983.303, may at no time exceed the reasonable rent charged for comparable units in the private unassisted market, except in cases where the PHA has elected within the HAP contract not to reduce rents below the initial rent to owner. The reasonable rent shall be determined by the PHA in accordance with HUD requirements.

c. No special adjustments

The PHA will not make any special adjustments of the rent to owner.

d. Owner compliance with HAP contract

The PHA shall not approve, and the owner shall not receive, any increase of rent to owner unless all contract units are in accordance with the HQS, and the owner has complied with the terms of the assisted leases and the HAP contract.

e. Notice of rent adjustment

Rent to owner shall be adjusted by written notice by the PHA to the owner in accordance with this section. Such notice constitutes an amendment of the rents specified in Exhibit A.

6. OWNER RESPONSIBILITY

The owner is responsible for:

- a. Performing all management and rental functions for the contract units.
- b. Maintaining the units in accordance with HQS.
- c. Complying with equal opportunity requirements.

- d. Enforcing tenant obligations under the lease.
- e. Paying for utilities and housing services (unless paid by the family under the lease).
- f. Collecting from the tenant:
 - 1. Any security deposit;
 - 2. The tenant rent; and
 - 3. Any charge for unit damage by the family.

7. **OWNER CERTIFICATION**

The owner certifies that at all times during the term of the HAP contract:

- a. All contract units are in good and tenantable condition. The owner is maintaining the premises and all contract units in accordance with the HQS.
- b. The owner is providing all the services, maintenance and utilities as agreed to under the HAP contract and the leases with assisted families.
- c. Each contract unit for which the owner is receiving housing assistance payments is leased to an eligible family referred by the PHA, and the lease is in accordance with the HAP contract and HUD requirements.
- d. To the best of the owner's knowledge, the members of the family reside in each contract unit for which the owner is receiving housing assistance payments, and the unit is the family's only residence.
- e. The owner (including a principal or other interested party) is not the parent, child, grandparent, grandchild, sister, or brother of any member of a family residing in a contract unit unless the PHA has determined that approving leasing of the unit would provide a reasonable accommodation for a family member who is a person with disabilities.
- f. The amount of the housing assistance payment is the correct amount due under the HAP contract.
- g. The rent to owner for each contract unit does not exceed rents charged by the owner for other comparable unassisted units.
- h. Except for the housing assistance payment and the tenant rent as provided

under the HAP contract, the owner has not received and will not receive any payments or other consideration (from the family, the PHA, HUD, or any other public or private source) for rental of the contract unit.

- i. The family does not own, or have any interest in the contract unit. If the owner is a cooperative, the family may be a member of the cooperative.

8. CONDITION OF UNITS

a. Owner maintenance and operation

The owner must maintain and operate the contract units and premises to provide decent, safe and sanitary housing in accordance with the HQS, including performance of ordinary and extraordinary maintenance. The owner must provide all the services, maintenance and utilities set forth in Exhibits B and C, and in the lease with each assisted family.

b. PHA inspections

1. The PHA must inspect each contract unit before execution of the HAP contract. The PHA may not enter into a HAP contract covering a unit until the unit fully complies with the HQS.
2. Before providing assistance to a new family in a contract unit, the PHA must inspect the unit. The PHA may not provide assistance on behalf of the family until the unit fully complies with the HQS.
3. At least biennially during the term of the HAP contract, the PHA must inspect a random sample, consisting of at least 20 percent of the contract units in each building, to determine if the contract units and the premises are maintained in accordance with the HQS. Turnover inspections pursuant to paragraph 2 of this section are not counted toward meeting this biennial inspection requirement.
4. If more than 20 percent of the sample of inspected contract units in a building fail the initial inspection, the PHA must reinspect 100 percent of the contract units in the building.
5. The PHA must inspect contract units whenever needed to determine that the contract units comply with the HQS and that the owner is providing maintenance, utilities, and other services in accordance with the HAP contract. The PHA must take into account complaints and any other information that comes to its attention in scheduling inspections.

c. Violation of the housing quality standards

1. If the PHA determines a contract unit is not in accordance with the HQS, the PHA may exercise any of its remedies under the HAP contract for all or any contract units. Such remedies include termination, suspension or reduction of housing assistance payments, and termination of the HAP contract.
2. The PHA may exercise any such contractual remedy respecting a contract unit even if the family continues to occupy the unit.
3. The PHA shall not make any housing assistance for a dwelling unit that fails to meet the HQS, unless the owner corrects the defect within the period specified by the PHA and the PHA verifies the correction. If a defect is life threatening, the owner must correct the defect within no more than 24 hours. For other defects, the owner must correct the defect within no more than 30 calendar days (or any PHA-approved extension).

d. Maintenance and replacement—owner's standard practice

Maintenance and replacement (including redecoration) must be in accordance with the standard practice for the building concerned as established by the owner.

9. LEASING CONTRACT UNITS

a. Selection of tenants

1. During the term of the HAP contract, the owner must lease all contract units to eligible families selected and referred by the PHA from the PHA waiting list. (See 24 CFR 983.251.)
2. The owner is responsible for adopting written tenant selection procedures that are consistent with the purpose of improving housing opportunities for very low-income families and reasonably related to program eligibility and an applicant's ability to perform the lease obligations.
3. Consistent with HUD requirements, and Federal civil rights and fair housing requirements, the owner may apply its own nondiscriminatory tenant selection procedures in determining whether to admit a family referred by the PHA for occupancy of a

contract unit. The owner may refer families to the PHA for placement on the PBV waiting list.

4. The owner must promptly notify in writing any rejected applicant of the grounds for rejection.
5. The PHA must determine family eligibility in accordance with HUD requirements.
6. The contract unit leased to each family must be appropriate for the size of the family under the PHA's subsidy standards.
7. If a contract unit was occupied by an eligible family at the time the unit was selected by the PHA, or is so occupied on the effective date of the HAP contract, the owner must offer the family the opportunity to lease the same or another appropriately-sized contract unit with assistance under the HAP contract.
8. The owner is responsible for screening and selecting tenants from the families referred by the PHA from its waiting list.

b. Vacancies

1. The owner must promptly notify the PHA of any vacancy in a contract unit. After receiving the owner notice, the PHA shall make every reasonable effort to refer a sufficient number of families for owner to fill the vacancy..
2. The owner must rent vacant contract units to eligible families on the PHA waiting list referred by the PHA.
3. The PHA and the owner must make reasonable, good faith efforts to minimize the likelihood and length of any vacancy.
4. If any contract units have been vacant for a period of 120 or more days since owner notice of vacancy (and notwithstanding the reasonable good faith efforts of the PHA to fill such vacancies), the PHA may give notice to the owner amending the HAP contract to reduce the number of contract units by subtracting the number of contract units (by number of bedrooms) that have been vacant for such period.

10. TENANCY

a. Lease

The lease between the owner and each assisted family must be in accordance with HUD requirements. In all cases, the lease must include the HUD-required tenancy addendum. The tenancy addendum must include, word-for-word, all provisions required by HUD.

b. Termination of tenancy

1. The owner may only terminate the tenancy in accordance with the lease and HUD requirements.
2. The owner must give the PHA a copy of any owner eviction notice to the tenant at the same time that the owner gives notice to the tenant. Owner eviction notice means a notice to vacate, or a complaint or other initial pleading used to commence an eviction action under State or local law.

c. Family payment

1. The portion of the monthly rent to owner payable by the family (“tenant rent”) will be determined by the PHA in accordance with HUD requirements. The amount of the tenant rent is subject to change during the term of the HAP contract. Any changes in the amount of the tenant rent will be effective on the date stated in a notice by the PHA to the family and the owner.
2. The amount of the tenant rent as determined by the PHA is the maximum amount the owner may charge the family for rent of a contract unit, including all housing services, maintenance and utilities to be provided by the owner in accordance with the HAP contract and the lease.
3. The owner may not demand or accept any rent payment from the tenant in excess of the tenant rent as determined by the PHA. The owner must immediately return any excess rent payment to the tenant.
4. The family is not responsible for payment of the portion of the contract rent covered by the housing assistance payment under the HAP contract. The owner may not terminate the tenancy of an

assisted family for nonpayment of the PHA housing assistance payment.

5. The PHA is responsible only for making the housing assistance payments to the owner on behalf of the family in accordance with the HAP contract. The PHA is not responsible for paying the tenant rent, or any other claim by the owner.

d. Other owner charges

1. Except as provided in paragraph 2, the owner may not require the tenant or family members to pay charges for meals or supportive services. Nonpayment of such charges is not grounds for termination of tenancy.
2. In assisted living developments receiving project-based voucher assistance, owners may charge tenants, family members, or both for meals or supportive services. These charges may not be included in the rent to owner, nor may the value of meals and supportive services be included in the calculation of reasonable rent. Non-payment of such charges is grounds for termination of the lease by the owner in an assisted living development.
3. The owner may not charge the tenant or family members extra amounts for items customarily included in rent in the locality or provided at no additional cost to the unsubsidized tenant in the premises.

e. Security deposit

1. The owner may collect a security deposit from the family.
2. The owner must comply with HUD and PHA requirements, which may change from time to time, regarding security deposits from a tenant.
3. The PHA may prohibit security deposits in excess of private market practice, or in excess of amounts charged by the owner to unassisted families.
4. When the family moves out of the contract unit, the owner, subject to State and local law, may use the security deposit, including any interest on the deposit, in accordance with the lease, as reimbursement for any unpaid tenant rent, damages to the unit or

other amounts which the family owes under the lease. The owner must give the family a written list of all items charged against the security deposit and the amount of each item. After deducting the amount used as reimbursement to the owner, the owner must promptly refund the full amount of the balance to the family.

5. If the security deposit is not sufficient to cover amounts the family owes under the lease, the owner may seek to collect the balance from the family. However, the PHA has no liability or responsibility for payment of any amount owed by the family to the owner.

11. FAMILY RIGHT TO MOVE

- a. The family may terminate its lease at any time after the first year of occupancy. The family must give the owner advance written notice of intent to vacate (with a copy to the PHA) in accordance with the lease. If the family has elected to terminate the lease in this manner, the PHA must offer the family the opportunity for tenant-based rental assistance in accordance with HUD requirements.
- b. Before providing notice to terminate the lease under paragraph a, the family must first contact the PHA to request tenant-based rental assistance if the family wishes to move with continued assistance. If tenant-based rental assistance is not immediately available upon lease termination, the PHA shall give the family priority to receive the next available opportunity for tenant-based rental assistance.

12. OVERCROWDED, UNDER-OCCUPIED, AND ACCESSIBLE UNITS

The PHA subsidy standards determine the appropriate unit size for the family size and composition. The PHA and owner must comply with the requirements in 24 CFR 983.260. If the PHA determines that a family is occupying a wrong-size unit, or a unit with accessibility features that the family does not require, and the unit is needed by a family that requires the accessibility features, the PHA must promptly notify the family and the owner of this determination, and of the PHA's offer of continued assistance in another unit. 24 CFR 983.260(a).

13. PROHIBITION OF DISCRIMINATION

- a. The owner may not refuse to lease contract units to, or otherwise discriminate against any person or family in leasing of a contract unit, because of race, color, religion, sex (including sexual orientation and gender identity), national origin, disability, age or familial status.

- b. Part B of the Tenancy Addendum

1. Section 8 Project-Based Voucher (PBV) Program

- a. The owner is leasing the contract unit to the tenant for occupancy by the tenant's family with assistance for a tenancy under the Section 8 PBV program of the United States Department of Housing and Urban Development (HUD).
- b. The owner has entered into a Housing Assistance Payments Contract (HAP contract) with the public housing agency (PHA) under the PBV program. Under the HAP contract, the PHA will make housing assistance payments to the owner to assist the tenant in leasing the unit from the owner.

2. Lease

- a. The owner has given the PHA a copy of the lease, including any revisions agreed to by the owner and the tenant. The owner certifies that the terms of the lease are in accordance with HUD requirements and the lease includes the tenancy addendum.
- b. The tenant shall have the right to enforce the tenancy addendum against the owner. If there is any conflict between the tenancy addendum and any other provisions of the lease, the language of the tenancy addendum shall control.

3. Use of Contract Unit

- a. During the lease term, the family will reside in the contract unit with assistance under the PBV program.
- b. The composition of the household must be approved by the PHA. The family must promptly inform the PHA of the birth, adoption or court-awarded custody of a child. Other persons may not be added to the household without prior written approval of the owner and the PHA.
- c. The contract unit may be used for residence only by the PHA-approved household members. The unit must be the family's only residence. Members of the household may engage in legal profit-making activities incidental to primary use of the unit for residence by members of the family.
- d. The tenant may not sublease or let the unit.
- e. The tenant may not assign the lease or transfer the unit.

4. Rent to Owner

- a. The initial and redetermined rent to owner are established in accordance with HUD requirements.
- b. During the term of the lease (including the initial term of the lease and any extension term), the rent to owner may at no time exceed:
 - (1) The reasonable rent for the unit as most recently determined or redetermined by the PHA in accordance with HUD requirements, or
 - (2) Rent charged by the owner for comparable unassisted units in the premises.

5. Family Payment to Owner

- a. The tenant rent is the portion of the monthly rent to owner paid by the family. The PHA determines the tenant rent in accordance with HUD requirements. Any changes in the amount of the tenant rent will be effective on the date stated in a notice by the PHA to the family and the owner.
- b. Each month, the PHA will make a housing assistance payment to the owner on behalf of the family in accordance with the HAP contract. The amount of the monthly housing assistance payment will be determined by the PHA in accordance with HUD requirements for a tenancy under the Section 8 PBV program.
- c. The monthly housing assistance payment shall be credited against the monthly rent to owner for the contract unit.
- d. The tenant is not responsible for paying the portion of rent to owner covered by the PHA housing assistance payment under the HAP contract between the owner and the PHA. A PHA failure to pay the housing assistance payment to the owner is not a violation of the lease. The owner may not terminate the tenancy for nonpayment of the PHA housing assistance payment.
- e. The owner may not charge or accept, from the family or from any other source, any payment for rent of the unit in addition to the rent to owner. The rent to owner includes all housing services, maintenance, utilities and appliances to be provided and paid by the owner in accordance with the lease. The rent to owner does not include charges for non-housing services such as food, furniture or supportive services provided by the owner.
- f. The owner must immediately return any excess rent payment to the tenant.

6. Other Fees and Charges

- a. With the exception of families receiving PBV assistance in assisted living developments (see paragraph b. below), the owner may not require the tenant or family members to pay charges for any meals or supportive services which may be provided by the owner. Nonpayment of any such charges is not grounds for termination of tenancy.
- b. In assisted living developments receiving project-based assistance, the owner may charge tenants, family members, or both for meals or supportive services. Any such charges must be specified in the lease. These charges may not be included in the rent to owner, nor may the value of meals and supportive services be included in the calculation of the reasonable rent. Non-payment of such charges is grounds for termination of the lease by the owner in assisted living developments.
- c. The owner may not charge the tenant extra amounts for items customarily included in rent to owner in the locality, or provided at no additional cost to unsubsidized tenants in the premises.

7. Maintenance, Utilities, and Other Services

(c) Any violent criminal activity on or near the premises; or

(d) Any drug-related criminal activity on or near the premises.

(2) The owner may terminate the tenancy during the term of the lease if any member of the household is:

(b) Violating a condition of probation or parole under Federal or State law.

(c) Living or housekeeping habits that cause damage to the unit or premises.

(3) After the initial lease term, such good cause includes the tenant's failure to accept the owner's offer of a new lease or revision.

e. Automatic Renewal of the Lease

Although the lease automatically renews (for successive definite terms or for an indefinite extension of the term, as provided for in the lease), an owner may terminate the lease for good cause.

f. Protections for Victims of Domestic Violence, Dating Violence, Sexual Assault, or Stalking.

(1) Purpose: This section incorporates the protections for victims of domestic violence, dating violence, sexual assault, or stalking in accordance with subtitle N of the Violence Against Women Act of 1994, as amended (codified as amended at 42 U.S.C. 14043e et seq.) (b) The tenant shall not be denied tenancy or occupancy rights solely on the basis of criminal activity engaged in by a member of the tenant's household or any guest or other person under the tenant's control, if the criminal activity is directly related to domestic violence, dating violence, sexual assault, or stalking, and the tenant or an affiliated individual of the tenant is the victim or the threatened victim of domestic violence, dating violence, sexual assault, or stalking. 24 CFR 5.2005(b)(2).

(c) An incident or incidents of actual or threatened domestic violence, dating violence, sexual assault, or stalking will not be construed as serious or repeated violations of the lease by the victim or threatened victim of the incident. Nor shall such incident or incidents be construed as other "good cause" for termination of the lease, tenancy, or occupancy rights of such a victim or threatened victim. 24 CFR 5.2005(c)(1) and (c)(2).

(7) Compliance with Court Orders: Nothing in this Addendum will limit the authority of the landlord, when notified by a court order, to comply with the court order with respect to the rights of access or control of property (including civil protection orders issued to protect a victim of domestic violence, dating violence, sexual assault, or stalking) or with respect to the distribution or possession of property among members of the tenant's household. 24 CFR 5.2005(d)(1).

(8) Violations Not Premised on Domestic Violence, Dating Violence, Sexual Assault, or Stalking: Nothing in this section shall be construed to limit any otherwise available authority of the landlord to evict or the public housing authority to terminate the assistance of a tenant for any violation not premised on an act of domestic violence, dating violence, sexual assault, or stalking that is in question against the tenant or an affiliated individual of the tenant. However, the landlord or the PHA will not subject the tenant, who is or has been a victim of domestic violence, dating violence, sexual assault, or stalking, to a more demanding standard than other tenants in determining whether to evict or terminate assistance. 24 CFR 5.2005(d)(2).

(9) Actual and Imminent Threats:

(a) Nothing in this section will be construed to limit the authority of the landlord to evict the tenant if the landlord can demonstrate that an "actual and imminent threat" to other tenants or those employed at or providing service to the property would be present if the tenant or lawful occupant is not evicted. In this context, words, gestures, actions, or other indicators will be construed as an actual and imminent threat if they meet the following standards for an actual and imminent threat: "Actual and imminent threat" refers to a physical danger that is real, would occur within an immediate time frame, and could result in death or serious bodily harm. In determining whether an individual would pose an actual and imminent threat, the factors to be considered include: the duration of the risk, the nature and severity of the potential harm, the likelihood that the potential harm will occur, and the length of time before the potential harm would occur. 24 CFR 5.2005(d)(3).

(b) If an actual and imminent threat is demonstrated, eviction should be used only when there are no other actions that could be taken to reduce or eliminate the threat, including, but not limited to, transferring the victim to a different unit, barring the perpetrator from the property, contacting law enforcement to increase police presence, developing other plans to keep the property safe, or seeking other legal remedies to prevent the perpetrator from acting on a threat. Restrictions predicated on public safety cannot be based on stereotypes, but must be tailored to particularized concerns about individual residents. 24 CFR 5.2005(d)(4).

(10) Emergency Transfer: A tenant who is a victim of domestic violence, dating violence, sexual assault, or stalking may request an emergency transfer in accordance with the PHA's emergency transfer plan. 24 CFR 5.2005(e). The PHA's emergency transfer plan, which must be made available upon request, must:

(a) Incorporate strict confidentiality measures to ensure that the PHA does not disclose a tenant's dwelling unit location to a person who committed or threatened to commit an act of domestic violence, dating violence, sexual assault, or stalking against the tenant;

(b) Give the victim priority to receive the next available opportunity for continued tenant-based rental assistance if they have been living in the PBV unit for one year or more. 24 CFR 983.261;

(c) Describe policies or efforts a PHA will take when the victim has been living in a unit for less than one year, or the victim seeks to move sooner than a tenant-based voucher will be available.

(d) For transfers in which the tenant would not be considered a new applicant, the PHA must ensure that a request for an emergency transfer receives, at a minimum, any applicable additional priority that is already provided to other types of emergency transfer requests. For transfers in which the tenant would be considered a new applicant, the plan must include policies for assisting a tenant with this transfer.

(11) Bifurcation: Subject to any lease termination requirements or procedures prescribed by Federal, State, or local law, if any member of the tenant's household engages in criminal activity directly relating to domestic violence, dating violence, sexual assault, or stalking, the landlord may "bifurcate" the lease, or remove that household member from the lease, without regard to whether that household member is a signatory to the lease, in order to evict, remove, or terminate the occupancy rights of that household member without evicting, removing, or otherwise penalizing the victim of the criminal activity who is also a tenant or lawful occupant. Such eviction, removal, termination of occupancy rights, or termination of assistance shall be effected in accordance with the procedures prescribed by Federal, State, and local law for the termination of leases or assistance under the Housing Choice Voucher program. 24 CFR 5.2009(a). If the Landlord bifurcates the Lease to evict, remove, or terminate assistance to a household member, and that household member is the sole tenant eligible to receive assistance, the landlord shall provide any remaining tenants or residents a period of 30 calendar days from the date of bifurcation of the lease to:

(a) Establish eligibility for the same covered housing program under which the evicted or terminated tenant was the recipient of assistance at the time of bifurcation of the lease;

(b) Establish eligibility under another covered housing program; or;

(c) Find alternative housing.

(12) Family Break-up: If the family break-up results from an occurrence of domestic violence, dating violence, sexual assault, or stalking, the PHA may offer the victim the opportunity for continued tenant-based rental assistance.

(13) Move with Continued Assistance: The public housing agency may not terminate assistance to a family or member of the family that moves out of a unit in violation of the lease, with or without prior notification to the public housing agency, if:

(a) The move was needed to protect the health or safety of the family or family member who is or has been a victim of domestic violence, dating violence, sexual assault, or stalking; and

(b) The family or member of the family reasonably believes that he or she was threatened with imminent harm from further violence if he or she remained in the dwelling unit. However, any family member that has been the victim of a sexual assault that occurred on the premises during the 90-calendar day period preceding the family's move or request to move is not required to believe that he or she was threatened with imminent harm from further violence if he or she remained in the dwelling unit. 24 CFR 983.261.

(14) Confidentiality:

(a) The Landlord shall maintain in strict confidence any information the Tenant (or someone acting on behalf of the Tenant) submits to the Landlord concerning incidents of domestic violence, dating violence, sexual assault or stalking, including the fact that the tenant is a victim of domestic violence, dating violence, sexual assault, or stalking.

(b) The Landlord shall not allow any individual administering assistance on its behalf, or any persons within its employ, to have access to confidential information unless explicitly authorized by the Landlord for reasons that specifically call for these individuals to have access to the information pursuant to applicable Federal, State, or local law.

(c) The Landlord shall not enter confidential information into any shared database or disclose such information to any other entity or individual, except to the extent that the disclosure is requested or consented to in writing by the individual in a time-limited release; required for use in an eviction proceeding; or is required by applicable law.

g. Eviction by Court Action. The owner may evict the tenant only by a court action.

h. Owner Notice of Grounds

- (1) At or before the beginning of a court action to evict the tenant, the owner must give the tenant a notice that specifies the grounds for termination of tenancy. The notice may be included in or combined with any owner eviction notice.
- (2) The owner must give the PHA a copy of any owner eviction notice at the same time the owner notifies the tenant.
- (3) Eviction notice means a notice to vacate, or a complaint or other initial pleading used to begin an eviction action under State or local law.

9. PHA Termination of Assistance

The PHA may terminate program assistance for the family for any grounds authorized in accordance with HUD requirements. If the PHA terminates program assistance for the family, the lease terminates automatically.

10. Lease: Relation to HAP Contract

If the HAP contract terminates for any reason, the lease terminates automatically.

Upon termination or expiration of the HAP contract without extension, each family assisted under the contract may elect to use its assistance to remain in the same project if the family's unit complies with the inspection requirements, the rent for the unit is reasonable, and the family pays its required share of the rent and the amount, if any, by which the unit rent (including the amount for tenant-based utilities) exceeds the applicable payment standard.

11. Family Right to Move

- a. The family may terminate its lease at any time after the first year of occupancy. The family must give the owner advance written notice of intent to vacate (with a copy to the PHA) in accordance with the lease. If the family has elected to terminate the lease in this manner, the PHA must offer the family the opportunity for tenant-based rental assistance in accordance with HUD requirements.

- b. Before providing notice to terminate the lease under paragraph a, the family must first contact the PHA to request tenant-based rental assistance if the family wishes to move with continued assistance. If tenant-based rental assistance is not immediately available upon lease termination, the PHA shall give the family priority to receive the next available opportunity for tenant-based rental assistance.

12. Security Deposit

- a. The owner may collect a security deposit from the tenant. (However, the PHA may prohibit the owner from collecting a security deposit in excess of private market practice, or in excess of amounts charged by the owner to unassisted tenants.)
- b. When the family moves out of the contract unit, the owner, subject to State and local law, may use the security deposit, including any interest on the deposit, as reimbursement for any unpaid rent payable by the tenant, any damages to the unit or any other amounts that the tenant owes under the lease.
- c. The owner must give the tenant a list of all items charged against the security deposit, and the amount of each item. After deducting the amount, if any, used to reimburse the owner, the owner must promptly refund the full amount of the unused balance to the tenant.
- d. If the security deposit is not sufficient to cover amounts the tenant owes under the lease, the owner may collect the balance from the tenant.

13. Prohibition of Discrimination

In accordance with applicable equal opportunity statutes, Executive Orders, and regulations, the owner must not discriminate against any person because of race, color, religion, sex, national origin, age, familial status, or disability in connection with the lease. Eligibility for HUD's programs must be made without regard to actual or perceived sexual orientation, gender identity, or marital status.

14. Conflict with Other Provisions of Lease

- a. The terms of the tenancy addendum are prescribed by HUD in accordance with Federal law and regulation, as a condition for Federal assistance to the tenant and tenant's family under the Section 8 PBV program.
- b. In case of any conflict between the provisions of the tenancy addendum as required by HUD, and any other provisions of the lease or any other agreement between the owner and the tenant, the requirements of the HUD-required tenancy addendum shall control.

15. Changes in Lease and Rent

- a. The tenant and the owner may not make any change in the tenancy addendum. However, if the tenant and the owner agree to any other changes in the lease, such changes must be in writing, and the owner must immediately give the PHA a copy of such changes. The lease, including any changes, must be in accordance with the requirements of the tenancy addendum.
- b. The owner must notify the PHA in advance of any proposed change in lease requirements governing the allocation of tenant and owner responsibilities for utilities. Such changes may be made only if approved by the PHA and if in accordance with the terms of the lease relating to its amendment. The PHA must redetermine reasonable rent in accordance with HUD requirements, based on any changes in the allocation of responsibility for utilities between the owner and tenant, and the redetermined reasonable rent shall be used in the calculation of the rent to owner from the effective date of the change.

16. Written Notices

Any notice under the lease by the tenant to the owner or by the owner to the tenant must be in writing.

III. DEFINITIONS

AHAP CONTRACT. The Agreement To Enter Into Housing Assistance Payments Contract (the "AHAP") for the project pursuant to which PHA agrees to enter into a HAP Contract pursuant to the terms and conditions set forth therein.

ASSIGNMENT AS SECURITY. The creation of a security interest in the owner's interest pursuant to the AHAP Contract and HAP Contract, and a transfer of such security interest to an assignee secured party.

CONTRACT ADMINISTRATOR. HUD or a PHA acting as contract administrator under an ACC with HUD.

FULL ASSIGNMENT. An assignment of the AHAP Contract or the HAP Contract other than an assignment as security. "Full Assignment" includes a sale, conveyance or other transfer of the AHAP Contract or the HAP Contract, voluntary or involuntary, to a successor in interest.

HAP CONTRACT. The Housing Assistance Payments Contract for units in the project. The HAP Contract shall be entered between the owner and the contract administrator pursuant to Section 8 of the United States Housing Act of 1937 (42 U.S.C. 1437f) and the terms and conditions set forth in the AHAP Contract.

PHA. Public Housing Agency.

PROJECT. The project identified in section I of the consent to assignment.

SECURED PARTY. A party that holds a security interest in the owner's interest pursuant to the AHAP Contract or the HAP Contract, including the lender, and successors of the lender's security interest.

SUCCESSOR. The term "successor" includes an assignee.

IV. BACKGROUND

Pursuant to the terms of the AHAP Contract, neither the AHAP nor the HAP Contract (including any interest in the HAP Contract or any

payments under the HAP Contract) may be assigned without the prior written consent of the contract administrator.

The owner has advised the contract administrator that the owner wants to grant the lender a security interest in the AHAP Contract and the HAP Contract, as security for a loan by the lender to the owner with respect to the project.

V. CONSENT TO ASSIGNMENT AS SECURITY

By execution of this consent to assignment as security, the contract administrator consents to the assignment as security of the AHAP Contract and the HAP Contract, once executed, by the owner to the lender as security for a loan by the lender to the owner with respect to the project.

The contract administrator consents to transfer of the lender's security interest to successor secured parties.

VI. EFFECT OF CONSENT TO ASSIGNMENT

The contract administrator is not a party to the loan or the loan documents, nor to any assignment of the AHAP Contract or the HAP Contract by the owner to the lender as security for the loan, nor to any transfer of the AHAP Contract or the HAP Contract or the loan by the lender. Issuance of the consent to assignment does not signify that HUD or the contract administrator has reviewed, approved or agreed to the terms of any financing or refinancing; to any term of the loan documents; or to the terms of any assignment of the AHAP Contract or the HAP Contract by the owner to the lender as security for the loan, or by the lender to any transferee of the loan.

The consent to assignment of the AHAP Contract and the HAP Contract as security for the loan does not change the terms of the AHAP Contract or the HAP Contract in any way, and does not change the rights or obligations of HUD, the contract administrator or the owner under the AHAP Contract and the HAP Contract.

The creation or transfer of any security interest in the HAP Contract is limited to amounts payable under the HAP Contract in accordance with the terms of the HAP Contract.

VII. EXERCISE OF SECURITY INTEREST – ASSIGNEE ASSUMPTION OF HAP CONTRACT OBLIGATIONS

Notwithstanding the contract administrator's grant of consent to assignment by the owner of a security interest in the AHAP Contract and the HAP Contract to the lender as security for the loan, and to further transfer of such security interest to successor secured parties, the contract administrator's execution of this consent does not constitute consent to a full assignment of the AHAP contract and the HAP Contract to any entity, including the lender or any successor secured party.

A secured party may not exercise any rights or remedies against the contract administrator or HUD under the AHAP Contract or the HAP Contract, and shall not have any right to receive housing assistance payments that may be payable to the owner under the HAP Contract, until and unless:

- The contract administrator has approved the secured party as successor to the owner pursuant to the AHAP contract, and
- The secured party seeking to exercise such rights or remedies, or to receive such payments, has executed and delivered, in a form acceptable to the contract administrator in accordance with HUD requirements, an agreement by the assignee to comply with all the terms of the AHAP Contract and the HAP Contract, and to assume all obligations of the owner under the AHAP Contract and the HAP Contract.

VIII. PAYMENT TO SECURED PARTY

When a secured party notifies the contract administrator, in writing, that housing assistance payments payable pursuant to the HAP Contract should be directed to the secured party (in accordance with paragraph

VII above), the contract administrator may make such payments to the secured party instead of the owner. In making such payments, the contract administrator is not required to consider or make any inquiry as to the existence of a default under the loan documents, but may rely on notice by the secured party; and any payments by the contract administrator to the secured party shall be credited against amounts payable by the contract administrator to the owner pursuant to the HAP Contract.

IX. WHEN ASSIGNMENT IS PROHIBITED

The consent to assignment as security shall be void ab initio if HUD determines that any assignee, or any principal or interested party of the assignee, is debarred, suspended or subject to a limited denial of participation under 24 CFR part 24, or is listed on the U.S. General Services Administration list of parties excluded from Federal procurement or non-procurement programs.
