The Authority desires to contract with the Riverside County Fire Department to provide supervised field experience for the students that are enrolled in its EMS Program. Mt. San Jacinto Community College is a public community college emergency training school located in Temecula, CA with an accredited Emergency Medical Service (EMS) program for students in the field of Emergency Medical Training (EMT). The final section of the student program is the field internship in which students assume the role of an EMT under supervision of a preceptor. During this internship, the student is evaluated on demonstration of patient pre-hospital care. The student is also evaluated in the performance of duties including interaction with patients, families, hospital, co-workers, and other emergency agencies of the same or different cultures; displaying respect, politeness, discretion and teamwork; displaying action and attitude consistent with ethical standards of the profession are among some of the characteristics being taught and evaluated. Mt. San Jacinto Community College desires the County of Riverside to enter into an agreement to provide internship to its students.

The Riverside County Fire Department in Cooperation with CAL FIRE will greatly benefit in the mentoring and training of these students as potential employees with this important and informative final training being conducted under Riverside County Fire Department's Rules, Regulations and Ethics. Mt. San Jacinto Community College provides a substantial pool of Emergency Medical Technician (Basic, Advanced & Paramedic) graduates desiring to work for Riverside County Fire Department in Cooperation with CAL FIRE. Firefighters with Emergency Medical Technician qualifications are in the highest demand and need for all Fire Departments State-wide. Internships allow the county, in Cooperation with CAL FIRE, to build relationships and obtain knowledge about the student as a potential candidate for hire.

The two agencies have reached an agreement as to the level of service to be provided to the student. This agreement provides for the responsibility of each party. The term of this agreement is from the date of full execution through June 30, 2029.

The Department currently has and is working on similar agreements with additional local accredited colleges and universities as well.
