BACKGROUND:

Summary

In July of 2014, Congress enacted the Workforce Innovation and Opportunity Act (WIOA). The Federal WIOA is the primary funding source for programs and services provided by the Riverside County Housing and Workforce Solutions Department/Workforce Development Division (HWS/WDD). The purpose of WIOA is to strengthen the ability of the public workforce system to align investment in workforce, education, and economic development with regional in-demand jobs.

WIOA funding is granted by the Federal Department of Labor to the California Employment Development Department (EDD), which in turn, subgrants WIOA funds to WDD. WDD is subject to regulations and requirements of WIOA funding promulgated by both the federal Department of Labor and the EDD.

Workforce development services are provided to Riverside County residents and employers through a one-stop delivery system known as America's Job Center of California (AJCC). Riverside County's four AJCCs are located in the cities of Riverside, Moreno Valley, Hemet, and Indio. They serve as all-inclusive access points for education and training programs that provide demand-driven skills attainment, especially for those with barriers to employment. Delivery of workforce services is provided by WDD and its workforce system partners. Certain partners are co-located at WDD's AJCCs. Other workforce system partners are not co-located, but still provide coordinated services to customers.

Pursuant to WIOA, WDD developed a Memorandum of Understanding (MOU) with its partners to solidify partnerships and provide comprehensive, integrated workforce development services to employers and jobseekers in Riverside County. EDD implemented a phased approach to the

STATE OF CALIFORNIA**

MOU-development process. In 2016, under MOU Phase I, WDD identified and addressed service coordination and collaboration among AJCC partners to operate the AJCCs. In Phase II, the partners addressed how to sustain the AJCCs described in Phase I through the use of resource sharing and joint infrastructure cost funding. Subsequent amendments to the MOU in 2017 and 2018 added partners and included the operational cost of the One-Stop system, which increased the partners' share and support of the AJCCs.

Because the existing MOU expires on June 30, 2025, EDD requires that WDD review and update the MOU and related infrastructure funding agreements. To satisfy that requirement, WDD has reviewed the MOU with workforce system partners. Updates are reflected in the attached WIOA Partner MOU for the period July 1, 2025, through June 30, 2028 (WIOA MOU). All partners to the proposed WIOA MOU contribute by either providing in-kind costs (such as space) or paying a portion of the shared cost within the AJCC (e.g. rent, equipment, utilities, maintenance, and technology) to deliver workforce services. Through the collaboration memorialized in the WIOA MOU, partners provide workforce services to Riverside County employers, jobseekers, veterans and their spouses, low-income individuals, unemployed individuals applying for unemployment benefits, and individuals with disabilities.

Of importance, WDD is committed to adequately serve, assist, and respond to County residents and businesses. Pressing workforce needs of the County, combined with growing financial constraints, require ongoing reexamination or "reimagining" as to how workforce services can be improved or redesigned. As such, different service models are under consideration. The WIOA MOU is a WIOA-required document, and the arrangements memorialized within it apply to workforce system partnerships, regardless of and unrelated to potential changes in WDD's service model.

Staff recommends that the Board of Supervisors approve and authorize the Chair of the Board to sign the attached WIOA MOU, which has been approved as to form by County Counsel.

Contract History and Price Reasonableness

This Memorandum of Understanding (MOU) is a continuation of the WIOA-mandated partnership agreement among local workforce development partners, outlining roles, responsibilities, and resource contributions to ensure coordinated service delivery. The MOU has been periodically renewed in compliance with federal and state WIOA regulations, and the current version reflects updated terms from July 1, 2025, to June 30, 2028. While there is no direct exchange of funds, partners agree to share infrastructure and other system costs based on proportional use, following guidance from the California Employment Development Department (EDD) and the U.S. Department of Labor (DOL). These contributions are consistent with prior agreements and represent a fair and reasonable allocation of costs to support the America's Job Center of California system.

Impact on Residents and Businesses

The proposed WIOA MOU enables WDD and its partners in the workforce system to continue providing a wide array of workforce and employment related services and resources to Riverside County residents and employers.

Article III: Partner Cost Sharing Responsibilities and Consensus

The Partners have agreed to a Local Funding Mechanism negotiated by the WDB with all AJCC Partners in accordance with WIOA Joint Final Rule Section 678.715 and as defined in **Article XXIV, Resource Sharing**. The WDB convened several participatory meetings with the Phase I AJCC partners to collaboratively develop the Space Allocation Methodology for Co-located Partners used in the Phase II MOU to reach a consensus on how the Riverside County America's Job Center of California System will be sustained through joint infrastructure cost funding and Resource Sharing. The Space Allocation Methodology shall be calculated using the formula in **Article IV** below and as listed in **Attachment D**. All Partners have agreed to this methodology through the prior Phase II of this MOU.

Article IV: AJCC's Infrastructure Budgets & Methodology

In accordance with the WIOA (Public Law 113-128) Section 121 and the Title 2 Code of Federal Regulations (CFR) Part 200, Cost Allocations methodology to share infrastructure cost were determined based upon each Co-located Partner's square footage which includes dedicated space to Partners and a portion of common space. The calculation used for the Space Allocation Methodology is "Dedicated space + (Total Common Space – Resource Area Space) / Total Space" for each AJCC. Budgets for each Comprehensive and Affiliate AJCC, along with each Co-located Partner's Cost Allocation are listed in **Attachment D**.

Article V: Co-located and Non-Collocated Partners

For the purposes of the MOU, Co-located Partners shall be defined as those partners who are co-located within the AJCC and sublease from the principal lessor, which is Riverside County Housing and Workforce Solutions-Workforce Development Division. Partners who are located in the same building but are not within the AJCC shall be considered Non-Collocated Partners as they do not share common space.

All Non-Collocated AJCC Partners agree that once a statewide data tracking system has been developed that can provide accurate and reliable data for allocating the benefits received by Non-Collocated Partners – such as the number of referrals to and from the AJCC, usage of AJCC based services and usage of the comprehensive AJCC – and sufficient data has been collected and is available, the Non-Collocated AJCC Partners agree that the infrastructure cost agreement shall be renegotiated to include their Fair Share of contributions towards paying for AJCC infrastructure cost.

For Native American Programs: WIOA Section 121(h)(2)(D)(iv) stipulates that Native American programs are not required to contribute and will not be contributing to infrastructure funding.

AJCC WIOA Orientations are accessible online for Partner and customer viewing and may be conducted live at partnering Title II Adult Education locations based upon need and staff availability. An AJCC WIOA Orientation schedule for Adult Education is listed in Attachment L.

Article XIV: Non-Discrimination and Equal Opportunity

All Partners shall comply with the nondiscrimination and equal opportunity provisions found in Section 188 of WIOA and 29 CFR Part 38 prohibiting discrimination on the basis of race; color; religion; sex (including pregnancy, childbirth, and related medical conditions, transgender status, and gender identity); national origin (including Limited English Proficiency); age; disability; political affiliation or belief; or, for beneficiaries, applicants, and participants only, on the basis of citizenship status or participation in a WIOA Title I-financially assisted program or activity.

All Partners shall comply fully with the nondiscrimination and equal opportunity provisions of the WIOA (29 CFR Part 38 Preamble) and acknowledge the government's right to seek judicial enforcement of the nondiscrimination assurance.

All Partners agrees to comply with the provisions of the Fair Employment and Housing Act (Government Code Section 12990) and related, applicable regulations.

All Partners shall ensure compliance with the Americans with Disabilities Act of 1990 and its amendments, which prohibits discrimination on the basis of disability, as well as other applicable regulations and guidelines issued pursuant to the Americans with Disabilities Act.

Article XVI: Grievances and Complaints Procedure

The Partners shall establish and maintain a procedure for grievance and complaints as outlined in WIOA. The process for handling grievances and complaints is applicable to customers and Partners. These procedures will allow the customer or entity filing the complaint to exhaust every administrative level in receiving a fair and complete hearing and resolution of their grievance. The Partners further agrees to communicate openly and directly to resolve any problems or disputes related to the provision of services in a cooperative manner and at the lowest level of intervention possible.

Article XVII: Dispute Resolution

The Partners agree to try to resolve policy or practice disputes at the lowest level, starting with the site supervisor(s) and staff. If issues cannot be resolved at this level, they shall be referred to the management staff of the respective staff employer and the AJCC One-Stop Operator, for discussion and resolution.

Article XVIII: Press Releases and Communications

This shall include letterhead, envelopes, business cards, any written correspondence and fax transmittals. The Partners shall indemnify and hold harmless the County of Riverside, its Agencies, Districts, Special Districts and Departments, their respective directors, officers, Board of Supervisors, WDB, elected and appointed officials, employees, agents and representatives, and the Departments of the State of California (individually and collectively hereinafter referred to as Indemnitees), from any liability, action, claim or damage whatsoever, based or asserted upon any services provided by the Partners, their officers, employees, subcontractors, agents or representatives, arising out of or in any way relating to this MOU, including but not limited to property damage, bodily injury or death or any other element of any kind or nature. The Partners shall defend the Indemnitees at its sole expense including all costs and fees (including, but not limited to, attorneys' fees, cost of investigation, defense and settlement or awards) in any claims or actions based upon such acts, omission or services.

With respect to any action or claim subject to indemnification herein by the Partners, each Partner shall, at their sole cost, have the right to use counsel of their own choice and shall have the right to adjust, settle, or compromise any such action or claim without the prior consent of the Indemnitees; provided, however, that any such adjustment, settlement or compromise in no manner whatsoever limits or circumscribes Partners indemnification to Indemnitees as set forth herein.

The Partners' obligations hereunder shall be satisfied when a Partner has provided to Indemnitees the appropriate form of dismissal relieving Indemnitees from any liability for the action or claim involved.

It is understood and agreed that the indemnification provisions herein shall survive the termination of this MOU.

Article XX: General Provisions

The laws and regulations listed in this **Article XX** are generally applicable to most publicly funded programs administered by Workforce Development. The laws and regulations listed herein do not encompass all of the laws and regulations that govern the Partners in their respective roles under this MOU. All Partners expressly agree to comply with the federal laws and regulations listed below unless the laws and regulations that govern their particular program state otherwise:

- A. **Jobs for Veterans Act.** As stated in **Articles II(B)** and **IX**, each Partner agrees to provide priority of service to veterans and covered spouses for any qualified job training program pursuant to 38 U.S.C. Section 2913.
- B. **Americans with Disabilities:** Each Partner, its officers, employees, members, and subcontractors hereby affirm current and ongoing compliance with all statutes and regulations pertaining to The Americans with Disabilities Act of 1990 and section 504 of the Rehabilitation Act of 1973.
- C. **Pro-Children Act:** If any AJCC activities call for services to minors, each party agrees to comply with the Pro-Children Act of 1994 (45 CFR 98.13) that requires smoking to be banned in any portion of any indoor facility owned, leased, or contracted by an entity that will routinely or regularly use the facility for the provision of health care services, day care, library services, or education to children under the age of eighteen (18).
- D. **Drug-Free Workplace:** Each Partner, its officers, employees, members, subrecipient(s) and/or any independent contractors (including all field staff) associated with this MOU agree to comply with 29 CFR 94 and all other applicable state and federal laws regarding a drug-free workplace and to make a good faith effort to maintain a drug-free workplace. Each Partner shall make a good faith effort to ensure that none of its officers, employees, members, and subrecipient(s) will purchase, transfer, use, or possess illegal drugs or alcohol or abuse prescription drugs in any way while working or while on public property.
- E. **Ethics Laws:** Each Partner certifies that by executing this MOU, it has reviewed, knows and understands the California's ethics and conflict of interest laws, which includes the Governor's Executive Order 2008-454 and its amendment pertaining to ethics. Each Partner further agrees that it shall not engage in any action(s) inconsistent with California ethics laws or the aforementioned Executive Order.

Article XXI: Partial Invalidity

All questions as to the execution, validity, interpretation, and performance of this MOU shall be governed by the laws of the State of California. Furthermore, the Partners hereto agree that any legal action which is brought on the basis of this MOU and in which a state agency is a party shall be filed in the US District Court of Riverside County.

Should any portion of this MOU be found unenforceable by operation of statute or by administrative or judicial decision, it is the intention of the Partners that the remaining portions of this MOU shall not be affected as long as performance remains feasible with the absence of the illegal or unenforceable provision(s).

Article XXII: Termination / Separation

- A. **MOU Termination:** This MOU shall remain in effect until the end date specified in the **Agreement Period Section** unless:
 - 1. All Partners mutually agree to terminate this MOU.
 - 2. Funding cuts by one or more federal programs are so substantial that AJCC operations cannot continue as specified herein and a new MOU must be negotiated.

3. WIOA regulations or statute are repealed or substantially altered.
 4. Local Area designations are changed.
- B. **Partner Separation:** WIOA Section 121(c) mandates the execution of this MOU between the LWDB and partners. However, any single Partner may terminate its participation as a party to this MOU upon thirty (30) days written notice to the WDB. In such an event, the WDB shall provide written notice to all remaining Partners and will amend this MOU per **Article IV**. The termination of one or more Partner's participation as a party will not result in a termination of this MOU unless the number or contribution of the terminating Partner(s) is so substantial that it necessitates the negotiation of a new MOU.
- C. **Effect of Termination:** Per WIOA Section 121, any Partner that terminates its role as a party to this MOU shall no longer eligible to participate as a partner in the AJCC system and shall not be permitted to serve on the WDB as an AJCC partner representative pursuant to the Bylaws of the WDB.
- D. **Partner Disqualification:** An entity identified as a Required Partner at the time of execution of this MOU that subsequently loses federal funding or the authority to administer the federal program in the Local Area and therefore no longer qualifies as a Required Partner under WIOA Section 121(b)(1) shall send written notice of the change in status to the WDB as soon as possible. In such an event, a formal amendment to this MOU per **Article IV** shall be required. The entity may continue as an Additional Partner if mutually agreed by the WDB and the remaining Partners in writing.

Article XXIII: Counterpart

This Agreement may be executed in any number of counterparts, each of which will be an original, but all of which together will constitute one instrument. Each party of this Agreement agrees to the use of electronic signatures, such as digital signatures that meet the requirements of the California Uniform Electronic Transactions Act ("CUETA") Cal. Civ. Code §§ 1633.1 to 1633.17), for executing this Agreement. The parties further agree that the electronic signatures of the parties included in this Agreement are intended to authenticate this writing and to have the same force and effect as manual signatures. Electronic signature means an electronic sound, symbol, or process attached to or logically associated with an electronic record and executed or adopted by a person with the intent to sign the electronic record pursuant to the CUETA as amended from time to time. The CUETA authorizes use of an electronic signature for transactions and contracts among parties in California, including a government agency. Digital signature means an electronic identifier, created by computer, intended by the party using it to have the same force and effect as the use of a manual signature, and shall be reasonably relied upon by the parties. For purposes of this section, a digital signature is a type of "electronic signature" as defined in subdivision (i) of Section 1633.2 of the Civil Code.

1. **Eligibility Determination:** This is the process of obtaining and documenting information about an individual's circumstances and comparing that information with the criteria set by an agency or program to decide if the individual qualifies for participation.
2. **Intake and Orientation:** Outreach activities involve the collection, publication, and dissemination of information on program services available and directed toward jobless, economically disadvantaged, and other individuals. Intake is the process of collecting basic information, e.g., name, address, phone number, SSN, and all other required information to determine eligibility or ineligibility for an individual's program. Orientation, whether offered in a group setting, one-on-one, or electronically, is the process of providing broad information to customers in order to acquaint them with the services, programs, staff, and other resources at the America's Job Center of California (AJCC), affiliate, or self-service location.
3. **Initial Assessment:** For individuals new to the workforce system, initial assessment involves the gathering of basic information about skill levels, aptitudes, abilities, barriers, and supportive service needs in order to recommend next steps and determine potential referrals to partners or community resources.

It may include but is not limited to: job finding skills, orientation to the labor market, resume preparation assistance, development of a job search plan, job development, referrals to job openings, placement services, job finding clubs, job search workshops, vocational exploration, relocation assistance, and re-employment services such as orientation, skills determination, and pre-layoff assistance. Placement Assistance is a service that helps people to identify and secure paid employment that matches their aptitude, qualifications experiences, and interests. Career Counseling is a facilitated exploration of occupational and industrial information that will lead to a first, new, or a better job for the individual.
