**C.E.O. RECOMMENDATION:** Approve

**BACKGROUND:**

**Summary**

The County of Riverside (County) is a Member of the Western Riverside Council of Governments (WRCOG), a joint powers agency comprised of the County and eighteen (18) cities located in Western Riverside County. In 2002-2003, the WRCOG Member Jurisdictions developed the Transportation Uniform Mitigation Fee (TUMF), a plan whereby funds, needed to enlarge the capacity of the Regional System of Highways and Arterials due to new development in Western Riverside County, could be collected from future residential, commercial and industrial development. In 2002 WRCOG performed and adopted the 2002 Western Riverside County Transportation Uniform Fee Nexus Study, and the County adopted and implemented an ordinance authorizing the County's participation in the TUMF Program.

Since the County's implementation of the TUMF Program, the County has calculated and collected the Transportation Uniform Mitigation Fees on behalf of the WRCOG.

After adoption of this amendment, WRCOG, upon the recommendation of the WRCOG Executive Committee, shall calculate and collect TUMF on behalf of member agencies under the Western Riverside County Transportation Uniform Mitigation Fee Program Ordinance. This process would go into effect beginning July 1, 2025.

Ordinance No. 824.19 was introduced and a public hearing was conducted at the regular meeting of the Board of Supervisors on May 6, 2025.

**Environmental Analysis**

Per the findings stated in the Notice of Exemption (NOE), attached hereto, and incorporated herein by reference, the California Environmental Quality Act (CEQA) does not apply to the proposed changes to Ordinance No. 824 or Ordinance No. 824.19 is exempt from CEQA based on the following:

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,  
STATE OF CALIFORNIA**

1. Organizational or administrative activities of government entities do not constitute a project under CEQA pursuant to State CEQA Guidelines section 15378,
2. If this is deemed to be a project subject to CEQA, the establishment or modification of fees charged by public agencies is statutorily exempt from CEQA pursuant to State CEQA Guidelines section 15273 because the purpose of this ordinance is to obtain funds for capital projects, necessary to maintain service within existing service areas, and
3. Ordinance No. 824.19 is exempt pursuant to State CEQA Guidelines section 15061(b)(3) because it can be seen with certainty that there is no possibility that the amendment to Ordinance No. 824 may have a significant effect on the environment.

**Impact on Residents and Businesses**

The TUMF Program is intended to ensure that future development will contribute toward addressing the impacts of new growth on regional transportation infrastructure. Funding collected through the TUMF Program is used to construct transportation improvements that will be needed to accommodate future travel demand in Western Riverside County. By levying a fee on new developments in the region, developers and in turn new county residents and employees will effectively contribute their "fair share" toward sustaining the regional transportation system.

Based on the results of the Nexus Study evaluation, it can be demonstrated that there is a reasonable relationship between the cumulative regional transportation impacts of new land development projects in Western Riverside County and the need to mitigate these transportation impacts using funds levied through the TUMF Program.

**Additional Fiscal Information**

The cost of preparing, processing and implementing the ordinance amendment will be borne by funds allocated from the State Gas Tax. No General Funds will be used.

### Transportation Department NOTICE OF EXEMPTION

April 9, 2025

**PROJECT TITLE: Adoption of Amendment 824.19 to Ordinance No. 824**  
Work Order #ZTR1100, Task Code #ZADM

PROJECT SPONSOR: County of Riverside Transportation Department

PROJECT LOCATION: Western Riverside County

**PROJECT DESCRIPTION:**

The County of Riverside (County) is a Member Jurisdiction of the Western Riverside Council of Governments (WRCOG), a joint powers agency comprised of the County and eighteen (18) cities in Western Riverside County. In 2002-2003 the WRCOG Member Jurisdictions developed a plan whereby the shortfall in funds needed to enlarge the capacity of the Regional System of Highways and Arterials due to new development in Western Riverside County could be made up in part by a Transportation Uniform Mitigation Fee (TUMF) on future residential, commercial, and industrial development. As a Member Jurisdiction of WRCOG and as a TUMF Participating Jurisdiction, the County participated in the preparation of the "Western Riverside County Transportation Union Fee Nexus Study," (2002 Nexus Study) later adopted by the WRCOG Executive Committee. Based on the 2002 Nexus Study, the County adopted and implemented Ordinance 824 authorizing the County's participation in a TUMF Program.

On July 10, 2017, the WRCOG Executive Committee adopted the 2016 TUMF Nexus Study to reflect changes in the TUMF Program. WRCOG is required each year after approval of the Nexus Study, per the TUMF Administrative Plan, to present the proposed construction cost index (CCI) adjustment for consideration by the Executive Committee. The CCI is an administrative element of the TUMF that is intended to keep the dollar value of the TUMF Program whole. In recent years, the Executive Committee has not approved a CCI adjustment to the TUMF until November 4, 2019. The WRCOG Executive Committee has recommended that member agencies prepare amendments to their respective ordinances to adopt and implement the new TUMF fees based on the CCI adjustment.

The purpose of Amendment 824.19 to Ordinance 824 is to reflect the updated fee collection process. The County of Riverside Transportation Department has found that the above-described Ordinance is exempt from the provisions of the California Environmental Quality Act (CEQA), based on the following:

4080 Lemon Street, 8<sup>th</sup> Floor · Riverside, CA 92501 · (951) 955-6740  
P.O. Box 1090 · Riverside, CA 92502-1090 · FAX (951) 955-3198

**Section 15378 – Not a Project** – Organizational or administrative activities of government entities, such as the reorganization, formatting, addition of introductory explanation to the ordinance, and changes to administrative processing and application requirements do not constitute a project under CEQA pursuant to State CEQA Guidelines section 15378. Ordinance No. 824.19 is, in part, changing the administrative process for annual fee increases by allowing adoption of the fee increases either through an ordinance or resolution and clarifying the two types of fee increases as periodic or annual.

**Section 15061(b)(3)-Common Sense Exemption**-The activity is covered by the common sense exemption that CEQA applies only to projects which have the potential for causing a significant effect on the environment. It can be seen with certainty that there is no possibility for the activity in question to have a significant effect because the proposed amendment to Ordinance 824 will not result in any impact on the physical environment, therefore the activity is not subject to CEQA.
