BACKGROUND:

Summary

Riverside County Ordinance No. 745 and Resolution Nos. 04-298, 05-154, 06-063, 06-159 and 06-389 establish Tax Lien Guaranteed Comprehensive Collection Areas for the properties located within the unincorporated County.

The franchised waste haulers (Haulers) have certified that bills and notices of delinquent trash collection charges were sent to each owner of record in accordance with Section 10 of Ordinance No. 745. New customers are advised of the responsibility to pay for all trash charges even if the property is occupied by a tenant.

A report listing the properties with unpaid trash collection fees subject to the special fee assessment has been prepared for the Department of Environmental Health (Department) and is attached as Exhibit A. A notice of the public hearing shall be sent to the subject property owners by the Department pursuant to Section 11 of Ordinance No. 745. The notice provides contact information for the Haulers so that the property owner can correct any asserted billing errors, or pay the amount owed prior to the final payment deadline. The notice also provides answers to frequently asked questions and contact information (online support and a dedicated phone line) for the Department so that the property owner can seek assistance in contacting the Haulers, understand the tax roll process, or ask any additional questions they may have. On the date of July 1, 2025, public hearing, Department and Hauler staff will be on site to address citizen concerns. The property owner can pay or reconcile the delinquent trash collection charges on or before July 25, 2025, to avoid the special assessment.

Once the Board of Supervisors confirms the delinquent trash collection fees, the amounts are added as a special assessment to the property owner's tax bill. This assessment includes an \$82 per parcel administrative fee, authorized under Ordinance 640, to cover the Department's costs for processing and enforcing the assessment. This administrative fee is only applicable if the charge is officially placed on the tax bill. Upon full payment and reconciliation of the special assessment, the collected trash fees are disbursed to the contracted Haulers.

Impact on Residents and Businesses

The regular removal of solid waste from residential properties is a basic sanitation practice that protects both the environment and the public. The mandatory collection of solid waste and the payment for the collection is critical. Residents that have stayed current with their solid waste collection bill would not be affected by this item. Those residents that pay the full outstanding balance owed to the Haulers on or before the cut-off date of July 25, 2025, will not be assessed on their property taxes.

Re: Written testimony in regards to Agenda Item: 3.22 (ID # 27679) proposed PUBLIC HEARING scheduling for alleged unpaid and delinquent charges for TRASH COLLECTION SERVICES (All Districts)

Dear Riverside County Board of Supervisors (BoS).

Please review my written statements listed below prior to the consideration of agenda Item: 3.22 (setting Public Hearing date (July 1, 2025) for alleged unpaid and delinquent charges for TRASH COLLECTION SERVICES (Environmental Health).

Please consider the general public (potential public speakers) ability to attend and participate with Public testimony during the countrys scheduled Public hearing(s). It's highly recommended to set (schedule) an absolute "set" time for public hearing(s) to be conducted. Currently the (BoS) public hearing(s) advertise that public hearing(s) will be set (scheduled) for 9:30 a.m. - or as soon as possible thereafter.

Having witness a recent South Coast Air Quality Management District (AQMD) public hearing where public speakers were denied access to provide public testimony after nearing SIX (6) HOURS of waiting to be heard (provide public testimony) was unreasonable and potentially a violation of California's regulations and best practices protocols in regards to public meetings (HEARINGS) procedures.

Hopefully Riverside County property owners that were accused of not paying private sector businesses (such as: Burrtec Waste and Recycling services) for alleged services provided will have the opportunity to present their defense against that private operator(s) and its enforcer (Riverside County) during the proposed scheduled July 1, 2025 (BoS) Public Hearing.

Currently my city's (Rancho Mirage) contacted waste hauler (Burrtec Waste and Recycling services) have made unrealistic (unwarranted) demand(s) for payment for preceived service that were NEVER provided or request after cancellation of services from that private sector company (Burrtec). It's reasonable to

consider that if my city (Rancho Mirage) governance had made radical political maneuvers to conspire (concoct) an aggressive agreement to place TRASH collection services from private vendor (Burrtec) on city (county) property tax rolls - that radical action would be a gross overreach from local government that would harm the community and individual rights of property owners.

It's critical to be reminded - that private sector businesses (such as: Burrtec) are guaranteed payments from every residential and business property for services that are not supplied to everyone in the same fashion "if at all" - in selected locations of Riverside County. If conflicts in payments and or services arise between the supplier (Burrtec) and the end-customer (resident) the customer would have little to no recourse for a fair and unbiased resolution. And that property (home) owner would likely be at greater risk of HARM from Riverside County (Tax Collector) ability to potentially accommodate an unnecessary tax burden (potential eviction and potential homelessness) of a property (Home) owner for TRASH COLLECTION SERVICES that were never provided or requested.

Please reconsider any reprisal actions against my private property or person for reporting this true and accurate summary of concerns and opinions.

Sincerely,

Brad Anderson | 37043 Ferber Dr. Rancho Mirage, CA. 92270
