BACKGROUND:

Summary

The State Legislature enacted the Mello-Roos Act of 1982, to assist public agencies in financing certain capital improvements, public services, and maintenance activities. On January 27, 2015, the Board of Supervisors revised Board Policy B-12 entitled "Land Secured Financing Districts" to include "Service and Maintenance CFDs" to fund the ongoing maintenance of landscape, storm water Best Management Practices (BMP), street lighting, or other similar improvements and set goals and policies concerning Community Facilities Districts (CFDs).

Ramirez Revocable Trust dated October 21, 2014, (Trustees: Jose and Elisa Ramirez), having undivided 50% interest and Paulino Rodriguez and Mercedes Rodriguez, also having undivided 50% interest are the Owners of Tract 36963 and has petitioned that County of Riverside Office of Economic Development assist them in forming a CFD to cover the costs associated with the maintenance of public improvements within the district. The boundaries of CFD No. 25-1M (Rancho El Mineral) will encompass the entire Tract Map No. 36963, which is projected to include 31 single family dwelling units, none of which are currently occupied.

As approved by voters, a special tax is to be levied on each individual parcel located within the boundary of the CFD to fund the costs associated with (i) Street lighting maintenance, which includes energy charges, operation, maintenance, and administration of street lighting located within the designated boundaries of the CFD.

The special tax is levied according to a Rate and Method of Apportionment (RMA) which is developed with respect to the specific features of the residential development within the District and which is approved by the eligible voters and later adopted by ordinance. The special tax levy is annually placed on the tax roll for each Assessor Parcel Number noted in the CFD Boundary Map.

On March 18, 2025, the County of Riverside Board of Supervisors approved agenda item 3.24 and Resolution No. 2025-063, a resolution of intention as the initial step for forming the CFD and declared the intention of the Board of Supervisors as required by the Mello-Roos Act of 1982 to levy a special tax to fund the service and maintenance functions requested by the Developer.

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

On May 6, 2025 (Agenda Item 21.1), the County of Riverside Board of Supervisors held a public hearing to receive public comments and conduct a majority protest hearing concerning the establishment of the CFD and the levy of the special tax. At the conclusion of the public hearing, the Board of Supervisors adopted Resolution No. 2025-064, the Resolution of Formation of the CFD, which also authorized the levy of a special tax within the CFD subject to voter approval during a duly called election held that same day.

On May 20, 2025 (Agenda Item 3.36), the Board of Supervisors adopted Resolution No. 2025-065 declaring the results of the election regarding the proposed special tax and finding that 100% of the votes cast were in favor of the levy of the special tax. In addition, the Board introduced Riverside County Ordinance No. 998 authorizing the levy of the special tax pursuant to the Rate and Method of Apportionment approved by the voters. By today's action, the Board will formally adopt the special tax ordinance and levy the special tax.

Ordinance No. 998 was reviewed and determined to be not a project under CEQA pursuant to State CEQA Guidelines Section 15378, which states "The creation of government funding mechanisms or other government fiscal activities which do not involve any commitment to any specific project which may result in a potentially significant physical impact on the environment." The adoption of the ordinance is limited to the creation of a special tax ordinance to provide an alternative mechanism for financing maintenance activities involving the operation, maintenance, repair, and minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features. Those existing public or private structures, facilities, mechanical equipment, or topographical features were already separately analyzed under prior CEQA documents as part of Tract 36963. As a result, the adoption of the ordinance would not result in significant physical impact on the environment since it would not include any changes to the existing land use or a physical degradation of the property and any such impacts would have already been previously analyzed under CEQA as part of Tract 36963.

Ordinance No. 998 is also exempt from CEQA pursuant to State CEQA Guidelines section 15061(b)(3) (commonsense exemption), which provides, "The activity is covered by the common-sense exemption that CEQA applies only to projects which have the potential for causing a significant effect on the environment. Where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, the activity is not subject to CEQA". The adoption of the ordinance is limited to the creation of a special tax ordinance to provide an alternative mechanism for financing maintenance activities involving the operation, maintenance, repair, and minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, which were already separately analyzed previously under CEQA as part of Tract 36963. As a result, there is no possibility the adoption of the ordinance would not result in any reasonably foreseeable environmental effects and any such impacts would have been previously analyzed under prior CEQA documents as part of Tract 36963.

County Counsel has approved the ordinance as to form.

Impact on Residents and Businesses

The voters within the CFD have voted to authorize the special tax levied by Riverside County Ordinance No. 998 on real property within the CFD to provide funds for authorized maintenance and service activities. The property owners within the CFD will be favorably impacted by the levy of the special tax and the associated maintenance and service activities it funds.

NOTICE OF EXEMPTION

May 19, 2025

Project Name: Office of Economic Development, Community Facilities District (CFD) No. 25-1M (Rancho El Mineral) of the County of Riverside; Adoption of Ordinance No. 998, an Ordinance of the County of Riverside Authorizing the Levy of a Special Tax Within the Rancho El Mineral CFD

Project Number: ED99125002 – CFD 25-1M Ranch El Mineral

Project Location: Community Facilities District.No. 25-1M Rancho El Mineral) of the County of Riverside

Description of Project: On January 27, 2015, the Board of Supervisors revised Board Policy B-12 entitled “Land Secured Financing Districts” to include “Service and Maintenance CFDs” to fund the ongoing maintenance of landscape, storm water Best Management Practices (BMP), street lighting, or other similar improvements and set goals and policies concerning Community Facilities Districts (CFD). As approved by voters, a special tax is to be levied on each individual parcel located within the boundary of the CFD to fund the costs associated with (i) Street lighting maintenance, which includes energy charges, operation, maintenance, and administration of street lighting located within the designated boundaries of the CFD.

Ramirez Revocable Trust dated October 21, 2014, (Trustees: Jose and Elisa Ramirez), having undivided 50% interest and Paulino Rodriguez and Mercedes Rodriguez, also having undivided 50% interest are the Owners of Tract 36963 and has petitioned that County of Riverside Office of Economic Development assist them in forming a CFD to cover the costs associated with the maintenance of public improvements within the district. The boundaries of CFD No. 25-1M (Rancho El Mineral) will encompass the entire Tract Map No. 36963, which is projected to include 31 single family dwelling units, none of which are currently occupied.

On March 18, 2025, the County of Riverside Board of Supervisors approved Resolution No. 2025-063, a Resolution of Intention as the initial step for forming the CFD and declared the intention of the Board of Supervisors as required by the Mello-Roos Act of 1982 to levy a special tax to fund the service and maintenance functions requested by the Developer. On May 6, 2025, the County of Riverside Board of Supervisors held a public hearing to receive public comments and conduct a majority protest hearing concerning the establishment of the CFD and the levy of the special tax. At the conclusion of the public hearing, the Board of Supervisors adopted Resolution No. 2025-064, the Resolution of Formation of the CFD, which also authorized the levy of a special tax within the CFD subject to voter approval during a duly called election held that same day.

Riverside County Ordinance No. 998, which authorizes the levy of a special tax within the Rancho EL Mineral CFD to fund services for maintenance and service activities, was reviewed and determined to be not a project under the California Environmental Quality Act (CEQA) pursuant to 15378. The Ordinance includes the creation of a funding mechanism to provide maintenance and service activities within the CFD. No additional direct or indirect physical environmental impacts are anticipated from the provision of maintenance services identified in the Riverside County Ordinance No. 998.

Name of Public Agency Approving Project: County of Riverside

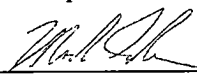

Name of Person or Agency Carrying Out Project: County of Riverside Office of Economic Development

Exempt Status: Not a project as defined in California Environmental Quality Act (CEQA) Section 21065 and State CEQA Guidelines Section 15378; Section 15061(b) (3), General Rule or "Common Sense" Exemption. Codified under Public Resources Code Division 13, Chapter 2.5, Section 21065, and California Code of Regulations Title 14, Articles 5 and 20, Sections 15061 and 15378.

Reasons Why Project is Exempt: The direct effects of the adoption of the Ordinance to levy a special tax within the Temescal Hills CFD would not constitute a project as defined by CEQA Section 21065 and State CEQA Guidelines Section 15378. Section 15378 (b) provides a list of five activities that are not considered a project under CEQA. The proposed Ordinance would qualify under two conditions identified in Section 15378 (b): (4) the creation of government funding mechanisms or other government fiscal activities which do not involve any commitment to any specific project which may result in a potentially significant impact on the environment and (5) organizational or administrative activity of the government that will not result in direct or indirect physical changes to the environment. The adoption of the Ordinance by the Board satisfies these conditions as the Ordinance would provide a funding mechanism to provide ongoing maintenance of existing buildings that would not result in direct or indirect physical changes to the environment. Based on the above conditions, the adoption of the Ordinance is not a project as defined by CEQA Section 21065 and State CEQA Guidelines Section 15378. The adoption of the ordinance is limited to the creation of a special tax ordinance to provide an alternative mechanism for financing maintenance activities involving the operation, maintenance, repair, and minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features. Those public or private structures, facilities, mechanical equipment, or topographical features were already separately analyzed under prior CEQA documents and approved as part of Tract 36963. As a result, the adoption of the ordinance would not result in significant physical impact on the environment since it would not include any changes to the existing land use or a physical degradation of the property and any such impacts would have already been previously analyzed under CEQA as part of Tract 36963.

- **Section 15061 (b) (3) – "Common Sense" Exemption:** In accordance with CEQA, the use of the Common Sense Exemption is based on the "general rule that CEQA applies only to projects which have the potential for causing a significant effect on the environment." State CEQA Guidelines, Section 15061(b) (3). The use of this exemption is appropriate if "it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment." *Ibid*. This determination is an issue of fact and if sufficient evidence exists in the record that the activity cannot have a significant effect on the environment, then the exemption applies and no further evaluation under CEQA is required. See *No Oil, Inc. v. City of Los Angeles* (1974) 13 Cal. 3d 68. The ruling in this case stated that if a project falls within a category exempt by administrative regulation or 'it can be seen with certainty that the activity in question will not have a significant effect on the environment', no further agency evaluation is required. With certainty, there is no possibility that the project may have a significant effect on the environment. The adoption of the ordinance is limited to the creation of a special tax ordinance to provide an alternative mechanism for financing maintenance activities involving the operation, maintenance, repair, and minor alteration of public or private structures, facilities, mechanical equipment, or topographical features, which were already separately analyzed previously under CEQA as part of Tract 36963. As a result, there is no possibility the adoption of the ordinance would not result in any reasonably foreseeable environmental effects and any such impacts would have been previously analyzed under prior CEQA documents approved as part of Tract 36963. Therefore, in no way, would the project as proposed have the potential to cause a significant environmental impact and the project is exempt from further CEQA analysis.

Therefore, the County of Riverside hereby concludes that no physical environmental impacts are anticipated to occur and the project as proposed is exempt under CEQA. No further environmental analysis is warranted.

Reasons why project is exempt

The direct effects of the adoption of the Ordinance to levy a special tax within the Temescal Hills CFD would not constitute a project as defined by CEQA Section 21065 and State CEQA Guidelines Section 15378. Section 15378 (b) provides a list of five activities that are not considered a project under CEQA. The proposed Ordinance would qualify under two conditions identified in Section 15378 (b): (4) the creation of government funding mechanisms or other government fiscal activities which do not involve any commitment to any specific project which may result in a potentially significant impact on the environment and (5) organizational or administrative activity of the government that will not result in direct or indirect physical changes to the environment. The adoption of the Ordinance by the Board satisfies these conditions as the Ordinance would provide a funding mechanism to provide ongoing maintenance of existing buildings that would not result in direct or indirect physical changes to the environment. Based on the above conditions, the adoption of the Ordinance is not a project as defined by CEQA Section 21065 and State CEQA Guidelines Section 15378. The adoption of the ordinance is limited to the creation of a special tax ordinance to provide an alternative mechanism for financing maintenance activities involving the operation, maintenance, repair, and minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features. Those public or private structures, facilities, mechanical equipment, or topographical features were already separately analyzed under prior CEQA documents and approved as part of Tract 36963. As a result, the adoption of the ordinance would not result in significant physical impact on the environment since it would not include any changes to the existing land use or a physical degradation of the property and any such impacts would have already been previously analyzed under CEQA as part of Tract 36963.

In accordance with CEQA, the use of the Common Sense Exemption is based on the "general rule that CEQA applies only to projects which have the potential for causing a significant effect on the environment." State CEQA Guidelines, Section 15061(b) (3). The use of this exemption is appropriate if "it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment." Ibid. This determination is an issue of fact and if sufficient evidence exists in the record that the activity cannot have a significant effect on the environment, then the exemption applies and no further evaluation under CEQA is required. See *No Oil, Inc. v. City of Los Angeles* (1974) 13 Cal. 3d 68. The ruling in this case stated that if a project falls within a category exempt by administrative regulation or 'it can be seen with certainty that the activity in question will not have a significant effect on the environment', no further agency evaluation is required. With certainty, there is no possibility that the project may have a significant effect on the environment. The adoption of the ordinance is limited to the creation of a special tax ordinance to provide an alternative mechanism for financing maintenance activities involving the operation, maintenance, repair, and minor alteration of public or private structures, facilities, mechanical equipment, or topographical features, which were already separately analyzed previously under CEQA as part of Tract 36963. As a result, there is no possibility the adoption of the ordinance would not result in any reasonably foreseeable environmental effects and any such impacts would have been previously analyzed under prior CEQA documents approved as part of Tract 36963. Therefore, in no way, would the project as proposed have the potential to cause a significant environmental impact and the project is exempt from further CEQA analysis.

Therefore, the County of Riverside hereby concludes that no physical environmental impacts are anticipated to occur and the project as proposed is exempt under CEQA. No further environmental analysis is warranted.

20 hereof. The special taxes are hereby levied commencing in the fiscal year 2024-2025 and in each fiscal

11 and the same procedure and sale in cases of delinquency as provided for *ad valorem* taxes. The Board of
12 Supervisors, acting as the Legislative Body of the District, is hereby authorized and directed to take all
13 actions necessary in order to affect the proper billing and collection of the special tax, so that the special
14 tax shall be levied and collected in sufficient amounts and at the times necessary to satisfy the financial
15 obligations of the District in each fiscal year.

16 e. Notwithstanding the foregoing, the Board of Supervisors, acting as the
17 Legislative Body of the District, may collect, or cause to be collected, one or more installments of the
18 special taxes by means of direct billing by the District of the property owners within the District if, in the
19 judgment of the Legislative body, such means of collection will reduce the burden of administering the
20 District or is otherwise appropriate in the circumstances. In such event, the special taxes shall become
21 delinquent if not paid when due as set forth in any such respective billing to the property owners.

22 Section 5. EXEMPTIONS. Properties or entities of the state, federal or other local
23 governments shall be exempt from any levy of the special taxes, to the extent set forth in the Rate and
24 Method. In no event shall the special taxes be levied on any parcel within the District in excess of the
25 maximum tax specified in the Rate and Method.

26 Section 6. SEVERABILITY. If for any reason any portion of this ordinance is found
27 to be invalid, or if the special tax is found inapplicable to any particular parcel within the District, by a
28

1 court of competent jurisdiction, the balance of this ordinance and the application of the special tax to the
2 remaining parcels within the District shall not be affected.

3 Section 7. EFFECTIVE DATE. This ordinance relating to the levy and collection of
4 special taxes in the District shall take effect immediately upon its passage in accordance with the

27 made a part hereof.

28 **Section 4.** The Community Facilities District is hereby established according to the Act.

1 **Section 5.** The Community Facilities District is hereby named "Community Facilities District
2 No. 25-1M (Rancho El Mineral) of the County of Riverside."

3 **Section 6.** The services to be provided and funded by the Community Facilities District are
4 described under the caption "Services" on Exhibit A hereto, which is by this reference incorporated herein.
5 The incidental expenses proposed to be incurred are identified under the caption "Incidental Expenses" on
6 Exhibit A hereto.

7 **Section 7.** The proposed special tax to be levied within the Community Facilities District has
8 not been precluded by majority protest pursuant to Section 53324 of the California Government Code; and
9 any and all written protests to the special tax and appropriations limit are hereby overruled.

10 **Section 8.** Except where funds are otherwise available, a special tax sufficient to pay for all
11 Services, secured by recordation of a continuing lien against all nonexempt real property in the Community

14 within the proposed Community Facilities District to estimate the maximum amount that he or she will have
15 to pay, is described in Exhibit B attached hereto, which is by this reference incorporated herein. The special
16 tax will be collected in the same manner as ordinary *ad valorem* property taxes or in such other manner as

7 XIII B of the California Constitution, of the Community Facilities District is hereby established at
8 \$4,000,000.

9 **Section 13.** Pursuant to the provisions of the Act, the levy of the special tax and a proposition to
10 establish the appropriations limit specified above shall be subject to the approval of the qualified electors
11 of the Community Facilities District at a special election. The Registrar of Voters has determined, and the
12 Board of Supervisors finds, that fewer than 12 persons are registered to vote within the territory included

14 vote concerning the special tax and appropriations limit shall be by the landowners of the Community

18 ballot. The Board of Supervisors also finds that the requirements of Section 53326 of the Act pertaining to
19 the shortening of time and the requirement for notice have been waived by all of the landowners within the
20 Community Facilities District.

21 **Section 14.** The Board of Supervisors hereby calls and schedules a special election for May 6,
22 2025, at 9:30 a.m. within and for the Community Facilities District on (i) the proposition with respect to
23 the annual levy of special taxes within the Community Facilities District for the provision of authorized
24 services to the Community Facilities District and (ii) the proposition with respect to establishing an
25 appropriations limit for the Community Facilities District.

26 The propositions to be submitted to the voters of the Community Facilities District at such special
27 election shall be as follows:
28

1 Proposition A: Shall special taxes be levied annually on taxable property within Community
2 Facilities District No. 25-1M (Rancho El Mineral) of the County of Riverside to fund, pay for, and

5 Method of Apportionment of Special Tax) and to pay expenses incidental thereto and incidental to
6 the levy and collection of the special taxes, so long as the special taxes are needed to fund such
7 services, at the special tax rates and pursuant to the method of apportioning the special taxes set
8 forth in Exhibit B to Resolution No. 2025-063 adopted by the Board of Supervisors of said County
9 on March 18, 2025.

14
15 **Section 15.** Based on its findings that fewer than 12 registered voters reside within the
16 boundaries of the Community Facilities District and that the election will be among landowner voters, the
17 Board of Supervisors hereby appoints the Director of the Riverside County Office of Economic
18 Development or her designee, or such other officer or employee as the Board shall designate, to serve as
19 the election official (the "Election Official") for the election pursuant to Government Code Section 53326.

23 appropriations limit for the Community Facilities District in the amount of \$4,000,000 (the "Special
24 Election") shall be as follows:

26 Election shall be distributed to the qualified electors by the Election Official by mail with return postage
27 prepaid or by personal service.

1 mail ballot elections of counties, and in particular Division 4 (commencing with Section 4000) of that Code
2 with respect to elections conducted by mail, the Election Official shall mail or deliver to each qualified
3 elector an official ballot and shall also mail or deliver to all such qualified electors a ballot pamphlet and
4 instructions to voter, including a sample ballot identical in form to the official ballot but identified as a
5 sample ballot, a return identification envelope with prepaid postage thereon addressed to the Election
6 Official for the returning of voted official ballots, and a copy of Resolution No. 2025-063.

7 (c) The official ballot to be mailed or delivered by the Election Official to each landowner-voter
8 shall have printed or typed thereon the name of the landowner-voter and the number of votes to be voted
9 by the landowner-voter and shall have appended to it a certification to be signed by the person voting the
10 official ballot which shall certify that the person signing the certification is the person who voted the official
11 ballot, and if the landowner-voter is other than a natural person, that he or she is an officer of or other person
12 affiliated with the landowner-voter entitled to vote such official ballot, that he or she has been authorized
13 to vote such official ballot on behalf of the landowner-voter, that in voting such official ballot it was his or
14 her intent, as well as the intent of the landowner-voter, to vote all votes to which the landowner-voter is
15 entitled based on its land ownership on the propositions set forth in the official ballot as marked thereon in
16 the voting square opposite each such proposition, and further certifying as to the acreage of the landowner-
17 voter's land ownership within the Community Facilities District.

18 (d) The return identification envelope to be mailed or delivered by the Election Official to each
19 landowner-voter shall have printed or typed thereon the following: (i) the name of the landowner, (ii) the
20 address of the landowner, (iii) a declaration under penalty of perjury stating that the voter is the landowner
21 or the authorized representative of the landowner entitled to vote the enclosed ballot and is the person whose
22 name appears on the identification envelope, (iv) the printed name and signature of the voter, (v) the address
23 of the voter, (vi) the date of signing and place of execution of the declaration, and (vii) a notice that the
24 envelope contains an official ballot and is to be opened only by the Election Official.

25 (e) The information to voter form to be mailed or delivered by the Election Official to the
26 landowner-voters shall inform them that the official ballots shall be returned to the Election Official
27 properly voted as provided thereon and with the certification appended thereto properly completed and
28 signed in the sealed return identification envelope with the certification thereon completed and signed and

1 all other information to be inserted thereon properly inserted by 9:00 a.m. on the date of the Special Election;
2 provided that the election shall be closed before such hour if the Election Official determines that all of the
3 qualified voters have voted.

4 (f) Upon receipt of the return identification envelopes which are returned prior to the voting
5 deadline on the date of the Special Election, the Election Official shall canvass the votes cast in the Special
6 Election, and shall file a statement with the Board of Supervisors as to the results of such canvass and the
7 election on each proposition set forth in the official ballot.

8 (g) The Legislative Body shall declare the results of said special election as soon as practicable
9 following the election, but in any event not later than the next regular meeting following the date of the
10 election, and shall cause to be input upon its minutes a statement of the results of said special election as
11 ascertained by the canvass.

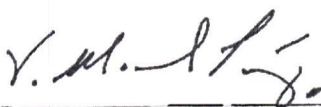

12 **Section 17.** If two-thirds (2/3) of the votes cast within the Community Facilities District upon
13 the question of levying the special tax are in favor of the levy of that tax, as determined by the Board of
14 Supervisors after the canvass of the returns of such election, the Legislative Body may levy such special
15 taxes within the territory of the Community Facilities District in the amounts and for the purposes as
16 specified in this Resolution, the Special Tax Ordinance (to be adopted), and the Rate and Method of
17 Apportionment, except that such special tax may be levied at a rate lower than the amount specified therein.

18 **Section 18.** The Board of Supervisors hereby determines and finds that all proceedings up to and

21 conclusive.

24 is exempt from that Act.

25 **Section 20.** The officers of the County are, and each of them is, hereby authorized and directed
26 to do any and all things, and to execute and deliver any and all documents which said officers may deem

“Taxable Public Property” means all Parcels of Public Property that satisfies both of the following conditions: (i) based on reference to the maps used during the formation of the district, the Parcel was not anticipated to be Public Property, as determined by the Administrator, and (ii) if the Parcel were to be exempt from the Special Tax because it is Public Property, the County has determined that there would be a reduction in Special Tax revenues that would create a deficit in funding the Special Tax Requirement.

Parcels of Developed Property shall further be classified as Residential Property or Non-Residential Property. Parcels of Residential Property shall further be classified as Single Family Residential Property or Multi-family Residential Property.

C. MAXIMUM SPECIAL TAX RATES

1. Developed Property

The Maximum Special Tax that may be levied and escalated, as explained further in Section C.1. (a) below, in each Fiscal Year for each Parcel classified as Developed Property shall be determined by reference to Table 1 below.

**TABLE 1
MAXIMUM SPECIAL TAX RATES
DEVELOPED PROPERTY
FISCAL YEAR 2024-2025**

Development Class	Taxable Unit	Maximum Special Tax
Single Family Residential Property	DU	\$499
Multi-family Residential Property	Acre	\$235
Non-Residential Property	Acre	\$235

(a) Increase in the Maximum Special Tax

On each July 1, the Maximum Special Tax identified in Table 1 above, shall be increased annually, commencing July 1, 2025, by the amount equal to the greater of two percent (2%) or up to the percentage increase in the Consumer Price Index of the corresponding Maximum Special Tax in effect in the previous Fiscal Year at the sole discretion of the Administrator.

(b) Multiple Development Classes

In some instances, a Parcel of Developed Property may contain more than one Development Class. The Maximum Special Tax that may be levied on such Parcel shall be the sum of the Maximum Special Tax that can be levied for each Development Class located on that Parcel. For a Parcel that contains two or more different Development Classes or the Acreage of such Parcel shall be allocated to each type of property based on the amount of Acreage designated for each land use as determined by reference to the site plan approved for such Parcel. The Administrator's allocation to each Development Class shall be final.

Once a Maximum Special Tax has been assigned to a Parcel of Developed Property, the Maximum Special Tax shall not be reduced in future Fiscal Years regardless of changes in Development Class, Square Footage, or Acreage, unless a reduction in the Maximum Special Tax is approved by the Board for the entire CFD.

(c) Accessory Dwelling Unit(s)

Where an Accessory Dwelling Unit(s) is on the same Assessor Parcel Number as another Taxable Unit, the Accessory Dwelling Unit(s) is not considered a separate Taxable Unit and will not be added to the calculation of the Maximum Special Tax for a Parcel.

2. **Approved Property**

The Maximum Special Tax for each Parcel of Approved Property shall be equal to the product of the applicable Undeveloped Property Maximum Special Tax per Acre times the Acreage of such Parcel; provided, however, for a Parcel of Approved Property that is expected to become Single Family Residential Property as reasonably determined by the Administrator based on the Final Map for such Parcel, the Maximum Special Tax for such Parcel of Approved Property shall be calculated pursuant to Section C.1., as if such Parcel were already designated as Developed Property and classified as Single Family Residential Property.

The Maximum Special Tax for Approved Property shall be increased annually, commencing July 1, 2025, by the amount equal to the greater of two percent (2%) or up to the percentage increase in the Consumer Price Index of the corresponding Maximum Special Tax in effect in the previous Fiscal Year at the sole discretion of the Administrator.

3. **Taxable Property Owner's Association Property and Taxable Public Property**

The Maximum Special Tax for each Parcel of Taxable Property Owner's Association Property or Taxable Public Property shall be equal to the product of the applicable Undeveloped Property Maximum Special Tax per Acre times the Acreage of such Parcel.

The Maximum Special Tax for Taxable Property Owner's Association Property and Taxable Public Property shall be increased annually, commencing July 1, 2025, by the amount equal to the greater of two percent (2%) or up to the percentage increase in the Consumer Price Index of the corresponding Maximum Special Tax in effect in the previous Fiscal Year at the sole discretion of the Administrator.

4. **Undeveloped Property**

The Maximum Special Tax that may be levied and escalated for each Parcel classified as Undeveloped Property for each Parcel shall be \$235 per Acre.

The Maximum Special Tax for Undeveloped Property shall be increased annually, commencing July 1, 2025, by the amount equal to the greater of two percent (2%) or up to the percentage increase in the Consumer Price Index of the corresponding Maximum Special Tax in effect in the previous Fiscal Year at the sole discretion of the Administrator.

5. **Public Property and/or Property Owner's Association Property**

The Maximum Special Tax that may be levied and escalated for each Parcel classified as Property Owner's Association Property and/or Public Property shall be \$0.00 per Acre. **There shall be no levy on Property Owner's Association Property and/or Public Property.**

D. **METHOD OF APPORTIONMENT OF THE SPECIAL TAX**

Commencing with Fiscal Year 2024-2025 and for each following Fiscal Year, the Administrator shall levy the Special Tax on all Taxable Property until the amount of Special Tax equals the Special Tax Requirement in accordance with the following steps:

First: The Special Tax shall be levied Proportionately on each Parcel of Developed Property at up to 100% of the applicable Maximum Special Tax as needed to satisfy the Special Tax Requirement;

Second: If additional moneys are needed to satisfy the Special Tax Requirement after the first step has been completed, the Special Tax shall be levied Proportionately on each Parcel of Approved Property at up to 100% of the Maximum Special Tax for Approved Property.

Third: If additional moneys are needed to satisfy the Special Tax Requirement after the first two steps have been completed, the Special Tax shall be levied Proportionately on each Parcel of Taxable Property Owner's Associations Property up to 100% of the applicable Maximum Special Tax for Taxable Property Owner's Association.

Fourth: If additional moneys are needed to satisfy the Special Tax requirement after the first three steps have been completed, the Special Tax shall be levied Proportionately on each Parcel of Taxable Public Property at up to 100% of the applicable Maximum Special Tax for Taxable Public Property.

Fifth: If additional moneys are needed to satisfy the Special Tax Requirement after the first four steps have been completed, the Special Tax shall be levied Proportionately on each Parcel of Undeveloped Property at up to 100% of the applicable Maximum Special Tax for Undeveloped Property.

Notwithstanding the above, under no circumstances will the Special Taxes levied in any Fiscal Year against any Parcel of Residential Property for which a Certificate of Occupancy has been issued be increased by more than ten percent (10%) as a result of a delinquency in the payment of the Special Tax applicable to any other Parcel above the amount that would have been levied in that Fiscal Year had there never been any such delinquency or default of the CFD.

E. EXEMPTIONS

The CFD shall not levy Special Taxes on Property Owner's Association Property (except Taxable Property Owner's Association Property) or Public Property (except Taxable Public Property) within the CFD.

F. MANNER OF COLLECTION

The Special Tax shall be collected in the same manner and at the same time as ordinary ad valorem property taxes and shall be subject to the same penalties, the same procedure, sale and lien priority in the case of delinquency; provided, however, that the Administrator may directly bill the Special Tax, may collect Special Taxes at a different time or in a different manner if necessary to meet the financial obligations of the CFD, and provided further that the CFD may covenant to foreclose and may actually foreclose on Parcels having delinquent Special Taxes as permitted by the Act.

G. APPEALS

Any taxpayer may file a written appeal of the Special Tax on his/her Parcel(s) with the Administrator, provided that the appellant is current in his/her payments of Special Taxes. During pendency of an appeal, all Special Taxes must be paid on or before the payment due date established when the levy was made. The appeal must specify the reasons why the appellant claims the Special Tax is in error. The Administrator shall review the appeal, meet with the appellant if the Administrator deems necessary, and advise the appellant of its determination. If the Administrator agrees with the appellant, the Administrator shall

grant a credit to eliminate or reduce future Special Taxes on the appellant's Parcel(s). No refunds of previously paid Special Taxes shall be made.

The Administrator shall interpret this Rate and Method of Apportionment and make determinations relative to the annual levy and administration of the Special Tax and any taxpayer who appeals, as herein specified.

H. PREPAYMENT OF SPECIAL TAX

The Special Tax may not be prepaid.

I. TERM OF THE SPECIAL TAX

The Special Tax shall be levied annually in perpetuity unless terminated earlier by the County.

Pursuant to the Mello-Roos Community Facilities Act of 1982, as amended, commencing with Section 53311 of the California Government Code (the "Government Code"), March 18, 2025, the Board of Supervisors (the "Board of Supervisors") of the County of Riverside adopted Resolution No. 2025-063, stating its intention to establish a community facilities district proposed to be named Community Facilities District No. 25-1M (Rancho El Mineral) of the County of Riverside (the "District"), and to authorize the levy of special taxes to fund, pay for, and finance authorized maintenance of street lighting (the "Services") and to pay expenses incidental thereto and incidental to the levy and collection of the special taxes, so long as the special taxes are needed to fund the Services.

Ordinance No. 998 authorizes the levy of special taxes within the District at the rate and in accordance with the method of apportionment approved by the voters at an election held on May 6, 2025, regarding the proposed levy of special taxes. Ordinance No 998 provides that the Board of Supervisors, as the legislative body of the District, is authorized and directed each fiscal year to determine or cause to be determined the specific special tax rate and amount to be levied for the next ensuing fiscal year for each parcel of real property within the District. The special tax revenues shall be used to fund, pay for, and finance the Services and shall be levied so long as special taxes are needed to fund such Services. In addition, the special tax revenue may be used to replenish a reserve fund for the District, to pay the costs of administering the District, and fund the cost of collecting and administering the special tax. Ordinance No. 998 provides that the special taxes may be collected on the secured property tax roll in the same manner as ordinary ad valorem taxes and that the special taxes shall have the same lien priority, and be subject to the same penalties and the same procedure and sale in cases of delinquency as provided for ad valorem taxes. The rate and method of apportionment of the special tax authorized by Ordinance No. 998 is the rate and method approved by voters within the District and as further reflected in Exhibit A "Rate and Method" to Ordinance No. 998. A complete copy of Exhibit A "Rate and Method" is on file with the Clerk of the Board of Supervisors and is available for public inspection and copying in that office in accordance with the California Public Records Act, Chapter 3.5 (commencing with Section 6250) of Division 7 of Title 1 of the Government Code. Ordinance No. 998 takes effect immediately upon its adoption in accordance with section 25123(c) of the Government Code.
