**BACKGROUND:**

**Summary**

The Riverside County Sheriff's Office is requesting Board approval to transfer unclaimed funds. In accordance with Government Code Sections 50050-50057 these funds have been unclaimed for over three years. Under these provisions, unclaimed funds that remain unclaimed beyond the statutory period become the property of the County and may be transferred. The funds originate from various sources, including currency received at booking, seized money no longer required as evidence, and overpayments related to court services, jail commissary accounts, and patrol evidence releases. Despite diligent efforts to return the funds to their rightful owners, they remain unclaimed beyond the mandatory holding period and now qualify for transfer. This request also includes authorization to transfer unclaimed amounts that were not subject to newspaper publication, including amounts under \$15 and deposits with unknown sources, as permitted by Government Code Sections 50055–50056.

To satisfy the required public notification process under Government Code Section 50050, the Riverside County Sheriff's Office has advertised in newspapers for two successive weeks in the Desert Sun, Palo Verde Valley Times, and the Press Enterprise, referring any parties of interest to file a claim for the proceeds. In the process, the Sheriff's Office has incurred costs of \$56,526.65 for the newspaper publications, which will be reimbursed before the remaining funds are transferred to the General Fund.

**Impact on Residents and Businesses**

The transfer of these funds to the County General Fund ensures compliance with Government Code Section 50050, allowing the County to utilize these resources in accordance with budget priorities. These unclaimed funds are added back into the County's budget to support governmental functions and operations as determined by the Board of Supervisors, rather than remaining idle.

**Additional Fiscal Information**

There is no fiscal impact to the County. The Sheriff's Office is transferring a total of \$569,769.00 in unclaimed funds that have met the required holding periods and remain unclaimed. This

transfer adheres to statutory requirements for the lawful reallocation of unclaimed funds that have met the necessary retention period. The Sheriff's Office will be reimbursed \$56,525.65 for publication costs. The remaining \$513,243.35 will be transferred to the General Fund. The total transfer amount is summarized in the table below:
